REPORTS.

ON SUNDAY SCHOOLS.

Your Board have not been able to do much during the past year, in the line of our Sunday Schools over the State, still we would recommend that the S. S. work should be prosecuted through the Board. And that the Board be allowed an agent to represent them, and the privilege of collecting money among the Sunday Schools and Churches of the State in the interest of Sunday School work, but not to make any debts for which the Convention shall be responsible. And further, that the Sunday Schools send up to the Convention the statistics of the Sunday Schools in

the Church letters, which shall be entered upon the Minutes of the Convention, and one of the delegates elected by the Church or Association shall be authorized to represent the Sunday School. That one day of the session of the Convention be devoted to the interest of the Sunday Schools.

The following Resolutions were offered by the Board:

Your Board learns with soul thrilling gratitude, that the State of Alabama has been greatly blessed in the person of our worthy Bro. Rev. C. O. Booth. We would earnestly recommend that he be cordially received by the Sunday Schools and churches as the representative of the Sunday School Board in Ala. Your Committee believe that the Home Mission Board struck the nail exactly on the head, when it appointed the Rev. C. O. Booth. He is our choice, bless God. Your Committee feels that the strong army of Jehovah is at work for us. He knows we are his poor.

WHEREAS, The AMERICAN BAPTIST PUBLICATIOF SOCIETY of 1420 Chestnut st., Philadelphia, Pa., have appointed Bro. Booth, their Sabbath School Missionary to the Colored people of Alabama, placing in his hands Bibles, Testaments, Denominational and practical religious books for the use of our Ministers, Churches, Sabbath Schools and others, to be sold to us at reduced prices, thus bestowing upon us and our children, a blessing of which there is a crying need, and for the reception of which, we feel profoundly grateful; Therefore be it

Resolved, That we recommend that all our Churches, Ministers, Sabbath School Teachers, Sabbath Schools and all wishing, respectful notice, select goods, at low rates and honest business dealings, to send all their orders for Bibles. Testaments, Books, Maps, Papers and everything else needed in the book and stationery line, to the above named society.

MINISTERIAL EDUCATION. *

The Committee on Ministerial Education, beg leave to report:

We, your Committee, learn with much joy, the advancement education has made in our midst. Ministerial education is very much needed among our brethren-Though many of them have made commendable progress in Scriptural and general knowledge, yet, the majority of our brethren, are yet in the dark. We hail with soul thrilling joy, the steps taken by this Convention to promote Ministerial and general education in the State of Ala. We commend the enterprise in Selma, Ala., to the prayers, sympathies and support of all the lovers of our Redeemer's Kingdom. The Normal and Theological College in the city of Selma, will be the bright and Morning Star of the State of Alabama. Your Committee pray that she may stretch her wings over the entire State, and let her influence be felt for good. Our brethren need Ministerial education, without which, they cannot do the work of the ministry successfully. We urge upon our ministry to study the Bible. The Bible should be studied, because it reveals life and death, Heaven and Hell. It reveals God's will to a lost and ruined world-reveals our true apostate State-reveals death through Adam and life through Jesus Christ. It throws a flood of light upon the immortality of the soul which Ancient philosophers cannot understand. The Bible reveals the only pure wisdom.

Your Committee is convinced of the fact that a Bible in the heart is not enough to

prepare a man to preach, he must know what he is to preach. The Bible is plain on this subject. Study the Scripture is the language of the inspired Apostle—Jesus said search the Scriptures. We would be glad to know that our brethren are crowding the Normal and Theological College at Selma. We would earnestly recommend to the brethren, that if possible, they should spend three or four months in this School. Your Committee feels that with the strong arm of Jehovah to help us, we shall conquer. We see God has been with us in the commencement, and we believe he will complete the work begun. You Committee beg the Convention to encourage the work under the care of Rev. Bro. Woodsmall. Our young people are crowding the School and we feel that it will not be long ere Alabama will mount upon the wings of intelligence and love, until it shall be known to the world, that Ethiopia has stretched forward her hands intelligently to God. God helping us, we will go forward. All of which is respectfully submitted by your Committee.

REPORT OF THE BOARD OF TRUSTEES.

We have employed during the conventional year, Rev. J. W. Stephens and W. H. McAlpine, as agents, who raised the following amounts: J. W. Stephens raised during the year, \$837.00; expenses and salary, \$800 leaving in favor of the Board, \$37.00. W. H. McAlpine raised during the year, \$1,395.00; expenses and salary, \$853.00, leaving in favor of the Board, \$542.00. The Board commenced the School in Selma, in January, 1878, according to the instruction of the Convention, at the meeting last year in Eufaula, Ala. We succeeded in securing the Baptist church, to teach in. We employed Rev, H. Woodsmall and W. R. Pettiford as teachers, who successfully carried on the school for five months, and closed with a very interesting examination. There was an average attendance of about 40 scholars, eight of whom were in the Theological class, the rest in the literary department.

There was an expense of \$8.00 for coal, lights, etc., and \$350 paid to the teachers, making in all \$358.00 paid out for the running of the School five months.

The Board had a meeting at the close of the school, and found that the Fair Grounds, in Selma, Ala., a piece of property containing 36 acres of land, with building, could be bought for \$3.000. The Executive Committee of the Board were instructed to have the titles examined, and if found good, to pay the first thousand dollars. They did so, and on the 3d day of July, 1878, they paid one thousand dollars on the property. The terms upon which we purchased, were as follows: To pay one thousand dollars down, one thousand in six months and the third thousand in twelve months after the second, with interest from date. We employed Rev. H. Woodsmall to travel North in the interest of the School, during the summer vacations, and through his labors the salary of three teachers has been provided for—two young ladies from Indiana and a young man from North Carolius.

We have again employed Rev. H. Woodsmall and Bro. W. R. Pettiford as teachers in the school for another year. Rev. H. Woodsmall is made President of the School. We have now commenced the school out on the Fair Ground, in one of

the buildings. There are now five teachers in the School and about 150 scholars. We feel that the dark cloud that has hung over the work is giving away and the light comes slowly bursting in. We do not think that there is any doubt of our being able to meet the second payment on the property. The only thing now before us is themonthly payment of the two teachers who are dependent upon us for a support. To the Board of Trustees of the Ala. Baptist Normal and Theological School:

Total cash receipts from all sources, In accordance with request of the Board I went North in June and spent over three months. I visited some of the leading cities East and West, and several Associations in Indiana, and everywhere, where I had an opportunity to speak of the school, and the noble efforts the colored Baptists of Alabama are making to establish it, and in other ways help themselves, I found warm friends for our work. I succeeded in arranging for the support of three teachers, without expense to the Board. Prof. M. W. Alston, late a student in Shaw University, North Carolina, and who gives promise of great usefulness, is supported by Captain Ebenezer Morgan, of Groton, Conn. The Baptist women of Indiana have given us two admirable teachers and devoted Christian workers; Miss Emma Jordan, of Indianapolis, and Miss Emma Heustis, of Lawrenceburg. Miss Heustis has charge of the musical department. Miss Auritta Hoyt, of Inpianapolis, one of the ablest, most widely known and esteemed Baptist women in Indiana, has undertaken to collect Miss Jordan's support; and a society, composed of the leading women in Miss Heustis' Association, has been organized to raise means towards her support. Bro. W. R. Pettiford has done valuable work for the school during vacation, and will no doubt raise a large part of his salary from churches and associations visited.

Sheldon & Co., of New York, recently gave the school near \$400 worth of excellent text books. Other valuable gifts of books, charts, &c., have been received during the year. In addition to the foregoing a good many churches and individuals have promised contributions, and Rev. W. N. Wyeth, D. D., Indianopolis; Deacon George W. Chipman, 93 Court st., Boston; Rev. J. D. Fulton, D. D., Brooklyn, N. Y.; James S. Swarts, Esq., 1123 Chestnut st., Philadelphia; and Rev. Moses Broyles, 260 Blake st., Indianapolis, (appointed by colored Baptist state Convention of Indiana,) have kindly consented to receive and forward money.

Considerable has been done in the way of fitting up the property, and thus far at but little expense; much of the work having been done by the brethren and friends at Selma, and students. Further improvements are needed; among other things there is pressing need of a chapel. The fitting up of rooms on the grounds for the use of students, or rather the arranging of a plan for giving them the privilege of fitting up rooms themselves, is a matter that demands immediate attention. One young

man has prepared a room already, and others desire to do so. It is of the utmost importance that all encouragement possible be given to students to help themselves in this way.

In conclusion, it affords me great pleasure to be able to report that the prospects for the school are most encouraging. We have one hundred and fifteen pupils already, and many more are expected soon. If the friends of the school will only have confidence in themselves, faith in God, work earnestly, and do all heartily as unto the Lord and for his glory, success is sure.

Selma, Ala., Nov. 15, 1878, H. WOODSMALL.
