## MINUTES.

TUSCALOOSA. ALA., July 18, 1889.

Wednesday at 10 o'clock a. m., the Alabama State Baptist Convention met in its Twenty first Annual Session with the African Baptist Church, Tuscaloosa, Ala.

The President, Rev. W. R. Pettiford, called the Convention to order and said. "Dear brethren, it is a strong testimony of God's blessing upon us that we are permitted to meet again. And we should be thankful to Him for His kindness. Let us act while here as messengers of God."

Rev. C. S. Dinkins, of Marion, conducted the devotional exercises. The hymn "O for a Closer Walk with God," was sung by the Convention. Rev. D. Dinkins read the Eighth Chapter of Romans, and Rev. Wm. Maderson, of Greensboro, led in prayer. The Convention then sang: "So Let Our Lives and Lips Express The Holy Gospel We Profess."

The time having arrived for the annual sermon to be preached, Rev. M. Tyler, of Lowndesboro, ascended the pulpit and addressed the Throne of Grace, singing: "Pass Me not O Gentle Savior."

Brother Tyler took for his text Exodus 14:15. And the Lord Said Unto Moses, "Speak Unto the Children of Israel, that They go Forward." Then he preached a very interesting sermon, and one that was especially appropriate to the present status of the Baptist of Alabama.

Rev. P. Murrell, of Tuscaloosa, then worded the hymn, "Jesus, I My Cross have Taken," which was sung by the Convention. Prayer by Rev. Murrell.

On motion of Rev. M. Tyler, Brethren J. M. Foster, W. R. Dawson, Frank S. Moody and Black Wilder, Messengers from White Baptist State Convention, of Ala., were introduced to the Convention, and spoke very encouraging words relative to the warm feeling which their Convention has for ours. The remarks were responded to by the President, Rev's. Booth, McAlphine, Purce, Murrell and McEwen.

At this point Rev's Smiles, pastor of the A. M. E. Zion Church, Hamilton, of C. M. E. Church, Taylor, of the Presbyterian Church, and Spates, of M. E. Church, were introduced to the Convention, and made remarks encouraging the work of the Convention.

The convention re-assembled at 8 P. M. to listen to a sermon

by Rev. W. J. Simmons, D. D. The Doctor was introduced to the Convention, and read the first chapter of Judges. Singing—"O for a Faith that will not shrink,"—after which the Doctor took for his text Judges 1: 6,7; and Matt. 7: 1,2; and preached a very interesting sermon on the retributive justice of God. The speaker demonstrated very clearly the justice God in making men eat the fruit of their doings.

Prayer by Rev. C. L. Roberts.

Rev. J. Q. A. Wilhite moved that a collection be taken up for the Home Mission Society on the amount promised by the State. Carried. Collection for Home Mission Society, \$26.30. The Convention then adjourned with benediction by Dr. W. J. Simmons.

Rev. W. H. McAlpine read a statement decided by the Board, namely that Rev. J. Q. A. Wilhite be employed as Financial Agent in connection with his pastoral work at Uniontown. The subject was discussed with much interest.

Rev. L. J. Green: "We cannot do without a man on the field—one who can give his whole time. Let me predict: if we agree not to put a man in the field, we will take a step backward."

Bro. C. W. Childs: "The Board has done the very best thing, and we should accept it."

Rev. A. W. Wilson: "We need an agent on the field, and must have one."

Rev. W. H. McAlpine: "The Board of Trustees is seeking to economize the expenditures for the work."

Rev. C. Jackson: "If we do not have the eight missionaries, and it seems doubtful, then we ought to have a regular man." The recommendation was then adopted.

The Financial Agents and Treasurer made their reports which were adopted.

The following report from the finance committee was adopted: (See report E.)

The convention then adjourned. Benediction by the President.

W R PETTIFORD, President.  
R T POLLARD Secretary.

Whereas, the good citizens of Tuscaloosa and vicinity have so generously provided for the delegates of the Alabama Baptist State Convention, we feel it our duty to express to them our high appreciation and sincere thanks for the same: We must confess that language is inadequate to express our gratitude. The laden tables, comfortable rooms, good beds, pleasant faces, and liberal collections are tokens of a hospitable people.

We are glad to say that not a single delegate has been overlooked, and every one has been sufficiently cared for. We feel that every one will go away inspired to do more for the cause of Christ.

The good citizens of this city may rest assured that they will be kindly remembered in our prayers wherever we may go.

In view of the kindness shown, therefore be it

*Resolved 1st*, That a hearty vote of thanks is hereby tendered to Rev. J. M. Mason and Church, and the citizens of Tuscaloosa.

*Resolved 2nd*, That we tender our heartfelt thanks to the efficient choir, under the management of Prof. J. Barnes and Mrs. M. D. Duncan, for such sweet and soul-stirring music furnished by them for the Convention.

*Resolved 3rd*, That our heartfelt thanks are tendered the several railroads that granted reduced rates over their lines.

*Resolved 4th*, That we tender our vote of thanks to our efficient and patient President for his kind, generous and impartial ruling,

Respectfully submitted,

### ON TEMPERANCE.

Bro. President: We your committee, to whom was committed so great and important a subject, respectfully submit the following for your prayerful consideration:

Whereas, the world's history presents so many unmistakable facts that King Alcohol has ever been the enemy of the church,

good society, true morals and the human race.

Resolved, That we condemn in unqualified terms the use of liquors as a beverage in any form.

Resolved, further, that the Alabama Baptist Convention, withdraw the hand of fellowship from any minister or member of this body, who advocate the manufacture, sale and use of intoxicating liquors. Also, we prayerfully request each pastor to use his influence to have his church take a stand for temperance, and admit only those who are willing to leave off the use of liquors, and endeavor to organize temperance unions and juveniles for the children, since they are the future hope of the race and a true church.

Resolved, That we do all we can to assist and encourage the good women of the state who are struggling to lift up fallen humanity to a standard of purity and greatness above that of ignorance, debauchery, vice, and drunkenness.

We recommend, further, the use of unfermented wines for communion purposes, inasmuch as the least temptation may lead one astray.

Resolved, That we pray the legislature to pass prohibitory laws against the importation, manufacture, sale and use of all liquors, wines and beer; believing such laws would tend to improve the condition of the colored race.

### ON DECEASED MINISTERS.

Bro. President: Your committee on deceased ministers beg leave to make the following report:

In looking over the circle of ministers in the state, we find that God has moved from our midst, Rev. John Dozier, pastor of the church at Uniontown, Ala.; Rev. H. Woodsmall, who, though not in the state at the time of his death, but had been away in another state for over two years, yet we look upon him as one of us. Rev. G. W. Berry, pastor of the Baptist church at Eufaula departed this life, Sept. 10th, '87. Rev. John Dozier departed his life, Feb. 5th, 1888, at his home in Uniontown, Ala. Rev., H. Woodsmall was removed from labor to reward, Feb. 27th, '88, while at his post of labor in Memphis, Tenn.

Bro. Dozier was one among the founders of this convention. No matter how things went, he was always on hand at the annual meetings. He was one of the first members of the Board of Trustees of Selma University, and was among the foremost in contributing to the purchase of the present school property. He was the leading influence in the organization of the Uniontown association, and was very influential in making the Association what it is to-day. He was a pious and consistent Christian. His

word in any matter was his bond. In this respect Bro. Dozier was looked upon as the model Christian. He had, in a rare degree, the confidence of all who knew him. His name for truth and veracity stood out as one of the prominent features of his life. He was for twenty three years the pastor of the Uniontown church and was much beloved by his congregation. In point of scholarship and a clear knowledge of the scripture he had few equals for his chances.

It pleased Almighty God in his all wise providence to remove this beloved and faithful brother from us.

Bro. Woodsmall came to Alabama in the fall of 1876. His first meeting with us was in Talladega, Nov. 18th. 1876. He labored one year as a general missionary under the appointment of the American Baptist Home Mission Society, and at the fall session of the Convention in Eufaula, 1887, was chosen by the Board of Trustees, Pres. of the school at Selma. He remained at the head of this institution four years.

In this capacity he did us a great deal of good in this state. The work he did in helping to lay the foundation of the Selma School, in building up our paper and in giving shape to the mission work in the state can never be forgotten; and only eternity can tell what blessings come to us through the labors and efforts of this devoted and faithful servant of God.

After Bro. Woodsmall resigned his place in the school, he took charge again of mission work, under the American Baptist Home Mission in Alabama, Tennessee, Mississippi and Arkansas. At the time of his death he was engaged in this work.

Bro. Woodsmall was an unselfish, sacrificing worker for the master. No man was ever more faithful. He was of the purest Christian character. It has pleased God to take this dear brother from us.

Bro. Berry was pastor of the Eufaula Baptist church for something over a year. He attended only two meetings of the State Convention; but he made for himself in that short time many friends.

Bro. Berry was a young man of great promise and usefulness. He had at the time of death won his way to the hearts of the people over whom he had charge.

The news of his death threw a shock over the members of this body.

No minister had become more prominent for the same time. Bro. Berry was modest, quiet, and refined in manners.

We would, therefore, recommend the following:

*Resolved 1,* That in the removal of these brethren from our midst, we have sustained a great loss.

*Resolved 2,* That we tender to the families of the deceased brethren our heartfelt sympathy.

*Resolved 3,* That we devote at least one half hour in a memorial service.

REPORT OF REV. C. L. PURCE, PRESIDENT OF SELMA UNIVERSITY, TO THE BOARD OF TRUSTEES, JULY 1898.

DEAR BRETHREN: I herewith submit my second annual report as President of Selma University.

The school year has been one of much progress. we have all been made to feel that the Lord has been with us and blessed us in many ways.

The attendance has been unusually large. we have been overcrowded the whole year. The number of students were 382. All the departments of the University had a good number of representatives. Our accommodations are much too inadequate for the large number of students who crowd our schools. We would, therefore, urge the enlargement of our teachers, we CAN do it, and we MUST do it.

Eleven young men and women graduated from the Normal Department in May; and twenty received certificates from the Grammar School. We hope soon to have some graduates from the College Department.

Some attention was given to industrial training, but not having means for this feature of the work we could not do even so much as we did the previous year. we hope we will be able to get some of the trustees kind to help us in this department next year.

MISSIONARY EFFORTS.

Our teachers and students do mission work throughout the year, scattering themselves around Selma on Sundays, doing what they can for the spread of the Gospel.

In their missionary society, they raised some funds for the African mission.

In the spring a revival of religion broke out in the school, and twenty six students were happily converted. Teachers and students worked zealously to bring their friends to Christ.

The school contributed (\$40.00) to the Home Mission Society of New York.

Our work was much helped by the kind friends in the North through Dr. Morehouse. Eight teachers were employed. The Home Mission Society of New York furnished a part of the salaries of President C. L. Purce, Prof. C. N. Dinkins, Misses L. M. Seeley, Nora Redmond and Mr. L. L. Buwell. The Chicago women's Society furnished a part of Mrs. C. P. Thompson's salary. The balance of the salaries of these teachers, and the salaries of Mr. R. B. Hudson, Miss C. R. Dupier and Miss C. Bilheimer were provided from tuition.

Total paid to teachers for the session.....	\$7,050 00
Total received from Home Mission Society.....	21 00
Total received from woman's Society, Chicago.....	\$200 00
Total paid teachers from tuition.....	\$1,080 00
Total paid on piano.....	81 70 100
Total contributed to Home Mission Society by School.....	\$40 00
Total receipts and expenditures for school.....	\$1,250 00
Boarding Hall.....	81,220 45

During the year our Missionary Institute received a large quantity of different kinds of quilt patches which were put together by the people. This work was one of the aids to the industrial work.

I am proud to state that the Home Mission Society by Dr. Morehouse writes that the Society has given \$2,000 00 to help and we are now doing so. This money is being used to build a new building for the school to do more for our school than is being done. Along with this \$2,000 00 for building, they also give \$1,000 00 for the salaries of teachers next year. Brethren, let us thank God

and take fresh courage. Let us do earnestly what lies before us, and the same God, who brought us thus far out of our gloomy night of debt and discouragements, will not forsake us, but rather will bring us clear out into the brightness of his noonday sun of love, light and prosperity..

I am glad to state that I attended the women's Convention held in Montgomery, and by their earnestness, they showed that they intend to raise \$1,000.00 immediately for our ladies' hall at Selma. God bless these noble women in their laudable undertaking. Brethren, give them your support and sympathy.

My financial statement for the school home and boarding hall is couched in the Treasurer's report. Allow me, then brethren, in view of the above facts to recommend to you the following:

1. That we take immediate steps towards the erection of a commodious hall for dormitory purposes.
2. That we endorse and encourage the efforts of the Baptist women's Convention in the State in raising means to build a ladies hall in Selma for our girls.
3. That a building committee be appointed to get plans and bids for the erection of the building. And that this committee be empowered to make all necessary arrangements for building as soon as practicable.
4. That the Convention supplement the \$2,000.00 given by the Home Mission Society with a similar amount for this building, and that some practical plans be immediately put on foot to raise that amount for the said purpose.
5. That a committee be appointed to draw up suitable resolutions of thanks to the Home Mission Society and to the women's Baptist Convention for their noble efforts.
6. That since the appropriation for teachers by the Home Mission Society is less than last year, that you will make some provision for the support of another teacher, besides the Theological teacher.
7. That Misses Seely and Redmond be paid what is due them.

Respectfully submitted,

CHAS. L. PURCE, Pres't Selma University.

TUSCALOOSA Ala., July 18

Report of W. H. McAlpine, Financial Agent of Selma University and General Missions for East Alabama, and made a part of the report of the Board of Trustees and of the State Mission Board.

To the Missionary Baptist State Convention, colored, of Alabama, which met in Tuscaloosa July 18, 1888.

DEAR BRETHREN: It is my happy privilege as well as my duty to you to make this annual report of my work as Financial Agent for Selma University and General Missionary for the East half of Alabama.

I was appointed to the work by a joint session of the State Mission and Trustees Boards August 1887, and commenced work the first of October 1887.

I have been engaged in the work for ten months. In conducting the work on my side of the State, I have tried to follow the instructions of the Boards by which I was appointed. Namely: To raise funds for the Education and Missions and to visit as many of the destitute churches as possible. The most of my efforts have been devoted to raising funds, and this has caused me to miss a good many of the destitute places that I other-wise would have visited. I have taken the work as much as I could by associations, and have made it my aim to visit the churches in the different associations in some systematic order, as near as I could. The churches across the center and South of the State were visited in the winter and spring and those in the Northern part were visited in the Summer.

On account of the cold and mud we could not visit as many of the country churches in the winter as we desired. In February 1888, we found it necessary to cancel all the appointments of that month because they were mostly in the country and because of the rains and mud, and make them in the towns and cities for that month. It was decided by the Boards that a certain per cent of all the money raised should go for Education and a certain per cent for Missions, and so we kept no separate accounts of the amounts raised. The money, as shown below, has been raised from associations, Sunday-school Conventions, Churches, Sunday schools and individuals and we have tried to keep an accurate account of all that has come into our hands.

#### FINANCIAL STATEMENT.

I have raised since October 1, 1887, to July 20, 1888, the sum of \$1741,53

This amount, except what has been raised in July, has been turned over to the treasurer, Deacon C. W. White, and I have his receipts for the same.

The money has been raised from Associations, Sunday-school Conventions, Churches, Sunday-schools and individuals.

For convenience I have arranged the financial state in the following order:

1. The amounts paid by the different Associations.
2. The amounts paid by the Sunday school Conventions.
3. The amount paid by the Churches, Sunday-schools and individuals in the different associations, and then a total of all done by each association with the Churches, Sunday-schools and individuals in that Association.

EXPLANATIONS.

I have paid out all moneys received as fast as I got it. The only money really

was paid out at once as the foregoing report shows. The \$112.60 (see vouchers 12 and 62) paid to me by J. Q. A. White was no private account, on my mortgage on the school grounds. As the report shows, we have gotten in and settled up one way or another, \$4241.23½ worth of claims mostly made by the reckless mismanagement of the former administration of our affairs. Besides, we have, by a sale of six acres of the school property at Selma, gotten rid of and settled up about \$3000.00 worth of troublesome claims, as you will learn more fully about from the report of the Board of Trustees of Selma University. We are nearly out of debt and the management of Selma University is self sustaining and bids fair to work wonders under the efficient and economical administration of President C. L. Purce.

I would respectfully recommend that the Convention adopt some less expensive mode of collecting up moneys than the present one, if it can be done. The agents have to be kept on the go all the time at great expense and hardly get in enough some months to pay their salaries and expenses.

Respectfully and fraternally yours,

W. R. PRITFORD,

Pres. Baptist State Convention.

C. W. WHITE,

Treasurer.

## REPORT OF THE BOARD OF TRUSTEES OF SELMA UNIVERSITY TO THE BAPTIST STATE CONVENTION.

TUSKALOUSA, ALA., July 19, 1888.

BRO. PRESIDENT AND BRETHREN:

We have the honor as a Board entrusted with our institution of learning, to submit this, our both annual report. We are glad to be able to report the school in such good condition, and surrounded with such a prosperous outlook for future usefulness. Under the management of our most efficient and faithful President, Rev. C. L. Purce, and the associate workers, a good strong faculty, the school has done better than at any time in its previous history.

We have in the school eight teachers, most of whom have been retained for another year. With the aid of the American Baptist Home Missionary Society, and by the tuition from the students we have kept up the running expenses of the school so that there is only about the small amount of \$230 behind on the running expenses for this year. We have tried to run the institution upon the most economical plan. While we have really needed more teachers, and while there was much needed in the way of repairs on the buildings, yet we have only incurred expenses when we could not in any way avoid it. There has been in attendance this school year 332 pupils. In the boarding halls there has been — 14 — young men.

### THE INDEBTEDNESS OF THE SCHOOL.

When we took on, in 1877, the school was indebtedness of between seven and eight thousand dollars. In August last there was a joint meeting of the State Mission and Trustee Boards. Through arrangements agreed upon by these two Boards, two financial agents were put on the field, and by January, 1888, two thousand was raised and paid on the indebtedness. Through the efforts of our lawyer at Selma, and in accordance with your instructions at the last Convention, a sale of six acres of the school land on the north-west corner of the property was made for three thousand dollars. This sale was effected in April, and the papers are here now for ratification by your body. There is now a balance of indebtedness of about \$2600. We hope to be able at this meeting to realize a sufficient amount to pay off at least half of this indebtedness.

We have the following recommendations to present to you:

1. We recommend that we secure a separate theological instructor who can devote his entire time to the work of the department, and in order to support the theological department we recommend that the licensed and ordained ministers assume this as their special work, and that each minister in the State be asked to give at least ten dollars a year, to be paid directly out of his own pocket, and not to come from the churches or to be deducted from the offerings raised from the churches for the general work. The payments can be made in such installments

as will suit the conveniences of each minister but we desire each one to make monthly payments if possible. The Board would also recommend that a Minister be furnished, whose duty it shall be, in co-operation with the Board of Trustees, to take the special charge of raising the funds for this department and for worthy students.

32. We recommended that the Convention assume the entire salary of one teacher at \$600 another year in the literary department.

This recommendation is made in view of the fact that the Home Mission Society has cut down from \$1000 to \$1000. This cutting down on the part of the Society and the increase of the work in the school makes it necessary to ask the Convention to assume the support of one teacher.

We are glad to inform your body that the Baptist Ladies Convention of Alabama, which met at Montgomery, January 18, 1883, has decided to undertake the erection of a Ladies' Hall on the school grounds, and we think at a cost not less than \$10,000. They have already in their treasury \$200 for this purpose and about \$500 in pledges to be paid when the work starts. We think this is a most worthy and laudable undertaking for the Baptist Ladies of Alabama and they should receive every possible encouragement from your body.

The detailed report of the two agents we have thought best to close with they shall have collected in all that is brought to this Convention.

## THE REPORT OF THE STATE MISSION BOARD TO THE BAPTIST STATE CONVENTION.

DEAR BRETHREN: We, the Board of Missions in the state, beg leave to submit the following as our report:

"At a joint meeting of the State Mission and Trustee Board last August, it was decided that we put out two men to be known as general missionaries and general financial agents. The state was also divided into two districts, called the Eastern and Western districts, Revs. J. Q. A. Wilhite and W. H. McAlpine were chosen to fill the above named places. While they have devoted the most of their time to the financial feature of their work, yet something has been done in the line of our mission work.

As they were expected to act as general missionaries, they could only pass through the field and look up the destitution in the state. The following is a statement of the destitution in each of their fields.

### FIRST—THE WESTERN DISTRICT

In and around the city of Selma, there is a large and useful missionary field. There are three associations that corner in Selma, namely, the Uniontown, the Dallas county and the Shady Grove Associations. All of these associations have churches in and around Selma. Some of these churches are quite small and weak, and really need assistance.

In Butler and Crenshaw counties, which embraces Union and South east District Associations, is another very important and useful field for mission work.

In Marengo county, which embraces three small associations, all of which would only make one good association, is another very important field. Much of division and confusion prevails in that county among the Baptists; and there are very few among the pastors who are prepared to lead.

In Green, Sumter, Pickens and Tuskegee counties missionary work is very much needed. While there are some good and strong associations, churches and pastors in these counties, yet the destitution is very great.

Mobile, and Mobile county, with Baldwin county is one among the most important mission fields in the state.

Our missionary could not supply the destitution that prevails in that part of the state.

### SECOND--THE EASTERN DISTRICT.

There is equally as much destitution on the eastern side of the state as there is on the western side.

In the bounds of the Alabama District Association which embraces Montgomery, Lowndes, and parts of Clinch and Bullock counties and is one of the largest associations in the state, there is much mission work needed. We ought to have

a missionary to take charge of the work in and around the city of Montgomery. There are at least ten Baptist churches in the city of Montgomery, and the Baptists in that city outnumber all the other denominations put together, but we only outstrip them in mere numbers. There are not less than six Baptist churches in the city of Montgomery that need to be helped in the way of a Missionary pastor. Then down in the Spring Hill, Troy, Mulberry, and East Alabama associations, taking in southeast Alabama, is a very large and a very important field. Only one of these four associations are co-operating with the state convention.

Then taking north and south of a certain line running east and west and west, and we have the Pine Grove, the Eufaula, the Bowen East, the Ebenezer, the Auburn, the Brownville, the Morning Star and Elmore Central Associations. In these nine associations there are only three that are really co-operating with the state convention. There are vast populations of our people in the above associations and very important centres of population in the towns and cities of these associations.

There are a very few competent ministers in all this section. Then passing into what is called North and North East Alabama, into the mineral region of the state, and it just simply baffles tongue and pen to describe this field and its destitution, importance and need. No part of all Alabama has greater claims for mission work than North and North east Alapania

Thus you see the very great destitution that prevails in the state. The Board thinks that not less than eight missionaries should be put in the field another year, who can devote themselves entirely to the mission work, and who will not have to raise their own salaries, or be compelled to act as sub. financial agents.

To support a vigorous missionary work in the state for another year, the following plan is recommended.

1st. That every member in our Baptist churches be requested to give ten cents for missions alone.

2d. That the corresponding secretary make out a statement to each church in the state of the amount that will be required of them on this ten cents plan, and

3d. That missionary days be set, at which time the churches will be asked to give what they can of their amount, and that the second Sunday in September next be set as the first Missionary day. we also recommend that efforts be made at the coming meetings of the associations, to raise as much as \$100, to be known as a Book Sinking Fund; and that this fund be put in books from the Pub. Society, and that each Missionary who goes out in any destitute section, shall be allowed to have books to sell and distribute, and that a certain part of the profits on the sales of the books be allowed the Missionaries as a supplement to their salaries and that said amount shall be determined by the Board.

We would further recommend that the Board be empowered to enter into co-operation with the Am. Bapt. H. M. Society under their plans of co-operation in missions and that through the Board and the Southern Secretary of the Society, Rev. Wm. J. Simmons, D. D., the mission work of Alabama be arranged for; and that a man be appointed jointly by our Board and the Society upon their plans, who shall act as the corresponding Secretary of the Board and the Convention and General Superintendent of all the mission work in Alabama, both in the raising of the funds to sustain the missionaries on the field and taking the general supervision of the mission work in the state.

We would further recommend that Rev. R. T. Pollard be recommended to the Pub. Society for appointment by them as S. S. missionary for Alabama, and that we assume half the salary of the S. S. Missionary.

We also recommend that the 2d Sunday in March be set as H. M. day.

Respectfully submitted,

R. T. POLLARD, Sec'y.

W. R. PETTIFORD, President,
