NEW YORK DEPARTMENT

A. Clayton Powell, Editor.

The annual corporation meeting of the Abyssinian Church was held Wednesday evening of last week. The reports covering the last twelve months showed that $28,489.65 had been raised from all sources. Of this amount $2,833.34 was raised by the auxiliaries for their special purposes. Every auxiliary reported a balance on hand, except the Highway and Hedges Society. The Friendly Society, a benevolent organization for members only, paid out during the year $890.79 in sick and death benefits, leaving a cash balance in bank of $1,67.79. Sunday-school receipts, $181.46; balance on hand, $105.... The church treasurer's report showed that $...87.98 passed through his hands during the year, and that on May 1 there was a balance of $7945.70 in the banks. The most encouraging feature of the financial report was the raising and expending of $1131.10 for educational, missions and benevolent and charitable purposes. Among the institutions helped out of this sum are: Lincoln Home and Hospital, New York city; Howard Orphan Asylum, King's Park, L. I.; New York Baptist City Mission Society; National Training School for Girls; Downingtown Industrial School, Downingtown, Pa.; Virginia Seminary and College, Lynchburg, Va.; Gainesville Industrial and Collegiate Institute, Gainesville, Fla.; National Baptist Foreign Missions Board, Philadelphia, and hundreds of worthy families and individuals and some unworthy individuals. The above large benevolent sum was given through the following boards and organizations of the church: Trustee Board, $694.90; Deacon Board, $141.79; Missionary Society, $136.23 (this amount does not include sixty Christmas baskets sent out during the holidays); Friendly Society, $230; Ladies' Auxiliary to the Usher Board, $30.30; Highway and Hedges Society, $124.82 (this society also gave away to needy families during the year 37 hats, 82 pairs of shoes and ... pieces of clothing, new and second-hand. MT. ZION BAPTIST CHURCH

NO. 190 THOMAS STREET, NEWARK, N. J.

The Rev. J. R. Brown, Pastor.

Last week was a week of thanksgiving to our Heavenly Father. We realize that God has awarded us with such a blessing as he saw fit. Each evening the meetings were well attended, excepting the Wednesday evening service, because of the inclemency of the weather, when only a few turned out. In dispute of this fact we witnessed one of the greatest meetings of the week. This illustrates a truth of God—"Wheresoever a few of My children gather in My Name, there will I be also."

Tuesday evening the B. Y. P. U. gathered together to discuss the truths of Christ. Their subject for discussion was "Why I Am Proud of My Denomination." The president, Mrs. E. P. Shirley, gave us a clear synopsis of the topic. We are glad to state the fact that we were honored with the presence of the Rev. W. W. Wayle, of Bridgeton, N. J., in our meeting.

After his remarks of enlightment on the topic, the meeting was given over to all who might avail themselves of the opportunity.

On Thursday evening the Junior B. Y. P. U. met, previous to the evening service, for discussion on the topic, "Calling Mother Blessed." This was most nobly opened by Mrs. E. Bland and followed by the Union.

Friday evening, closing the week of thanksgiving, was indeed a meeting of consecration and devotion.

On account of the inclemency of the weather a considerable crowd gathered in the morning to listen to a soul-stirring sermon by our pastor, the Rev. J. R. Brown, the text of which may be found in Isaiah 54 : 17.

The Sabbath school was opened by our loyal superintendent. We have commenced our Children's Day music, and we are also getting ready for our June walk, which will be held the first Saturday in June.

The Junior B. Y. P. U. is progressing rapidly. Miss Artie Pierson rendered a splendid programme.

The Senior B. Y. P. U. held their meeting at the usual hour, from 7 to 8 o'clock. Miss Lee opened the discussion of the topic very nicely.

In the evening a good crowd gathered to listen to a splendid sermon by our pastor. Subject: "Going to Heaven by the Way of the Cross."

The Ushers' Club reported $13.25 for the rally. The collection for the day was $71.84.

The Junior Missionary Society took part in the programme at the Calvary Baptist Church, East Orange, N. J., on Sunday afternoon.

The Sewing Circle, which has been established, is progressing rapidly.

Miss Alice Walker entertained last Sunday afternoon the Misses Alberta Dillard, of New York City, and Victor Bryant, of East Orange, N. J.

Forty-two thousand seven hundred and seventy-nine dollars and fifty cents has been collected for all purposes during Dr. Hayes' pastorate. The editor of this department congratulates Dr. Hayes upon his great work and upon receiving the gold watch and chain. We accidentally heard that he is soon to be given a charm. Then the ... doctor will have a hard time to get away from New York, for he will be both chained and charmed; but we caution him to remember that he is also "watched" very closely.

The B. Y. P. U. of the Abyssinian Church had its installation of officers on Thursday evening, with a reception to the public. Chicken salad and ice cream were served to all free of charge. Mr. Walter Walker starts his third year as president with much promise.

The piano recital given by Miss Carletta Thomas of the First Emanuel Church Friday night was a great success. Miss Thomas pleased and thrilled her audience with every selection and left the building carrying an armload of flowers, expressions of esteem from her admiring friends.

The Committee of the Executive Board of the Afro-American Baptist State Convention, of which the writer is a member, have requested me, as a member of it, and a writer of the great Christian Banner, that this committee and its chairman of the Board, feel very much slighted over the fact that the resolutions coming from said committee and also its president and chairman of the Afro-American Baptist State Convention and its various boards, ex officio, that they would like our dear, beloved editor and friend to show cause why these resolutions were and could not be published in his or our paper.

The committee is anxiously awaiting a reply from our editor-in-chief before possibly drastic actions may follow respective relationship.

The Rev. Dr. C. Parrish, pastor at New Brunswick, spoke in very favorable terms concerning the editor and the organization in general, and said of the many things that could have possibly been done and what could not have been done, etc.

The Sunday school was up to its standard in attendance. B. Y. P. U. was not so well attended, but they held services. At 7.45 pastor preached again. Every effort is being made to make our rally a success. The May Queen last Friday evening under the auspices of the Ladies' Ushers Board, under management of Mrs. Laura Scott, was a grand success.

He would not have us to forget, no matter in what we suffer in any thing in life, whether sickness, or death, or disappointment, we must ever look for the higher good that we know that all things work together for good to them that love God.

On Sunday evening the program of the B. Y. P. U. was given by Mrs. Fauntleroy; A recitation, by Miss A. Waldron; violin solo, by Mr. G. Delb, of East Orange, which was worth hearing, bring him again; Mr. Vanderford's cornet solo, Mrs. Green's violin solo, which is our own, and his wife we are glad to have them become interested in our B. Y. P. U.; Mrs. Tate's solo, which took us all by the ears, and the short talk on B. Y. P. U., by Brother W. Bradford, of Mt. Zion, was a program which did us much good. Get them together, Mrs. Fauntleroy, and come again.

The B. Y. P. U. had the honor of rendering a program for the Mt. Olive B. Y. P. U., Rev. Flowers, pastor.

At three o'clock, Sunday, May 23rd, the B. Y. P. U. will hold song and praise services at Brother Harry Brown, on Barclay street.

The new envelopes have arrived. Aren't you glad? The ushers are. Now get yours and keep up.

The Sunday school has started to practice their Children's Day music.

We are very glad to have Prof. Epps and his wife with us in our work. Mrs. Bank's class of girls are looking forward to their concert which takes place the 9th of June.

... last Sunday were at a ... high water mark, which began ... pastor at the ... stirring sermon by a ... delineation upon morning service. From the National Sunday School Lesson, words, "Love your enemies, do good to them that hate you," the congregation was so wrought upon by copious showers of spiritual enthusiasm which lifted them to the mountain of sobs and tears. Immediately following this spiritual feast, the rite of baptism was performed and seemed but a befitting conclusion to this splendid service.

The Sunday school was not as largely attended as usual owing to the inclement weather. The Sunday school entertainment to procure chairs for the lower Temple on Tuesday evening was a grand affair, and our superintendent with the teachers feel greatly encouraged, having sufficient money to order a number of chairs. At the evening services the pastor delivered a strong and able sermon from Jeremiah 17:7, subject, "Trust in God." In recounting upon the history of nations and their past events it was very clearly shown by the pastor that Greece, Rome, Nineveh, Babylon and in fact all of the great kingdoms of universal history have fallen or risen in proportion to their trust in God. The services were largely attended and highly appreciated. Among other distinguished visitors might be mentioned Editor Chris. Perry, of the Philadelphia Tribune, who publicly commended the pastor on the sermon and the accomplishments of pastor and people of this church. The spirit of fellowship among the Union Temple was never more evident than now as may be seen by the various events calling them together for the Building Fund Rally to be held on the 4th Sunday in June. On May 19th, sermon to Pastor's Auxiliary by Rev. W. E. Jones, D. D., of Philadelphia, Pa.; May 20th, Mock Trial under auspices of Ushers' Union and Well Wishers; May 25th, entertainment by Mrs. Nettie Jenkins, at 1603 Arctic avenue, for the Pastor's Auxiliary; May 26th, entertainment by the Ladies' Aid, at the church; May 27th, May Queen. For the Deacons and Trustees' Aid and other dates for entertainments by other auxiliaries, taking every day to June 27th, our rally day.

"OUR GOD IS MARCHING ON"

by Allan Sunderland.

The people of our nation scarcely realize the vast strides which the temperance cause has been making in recent years under the able leadership of the Anti-Saloon League of America. So successful has this leadership been, that national constitutional prohibition by 1920 is now almost a certainty. To this end many prayers are being offered and many forces of righteousness are being directed.

Prior to September 1, 1914 the prohibition States were Maine, Kansas, Georgia, Mississippi, North Carolina, Oklahoma, Tennessee, North Dakota and West Virginia; and since that time prohibition sentiment has been rapidly developed and widely promulgated, as the following interesting facts will show: Between September 1, 1914, and January 1, 1915, five States adopted State-wide constitutional prohibition, to become effective as follows: Arizona, January 1, 1915; Virginia, November 1, 1916; and Colorado, Oregon and Washington, January 1, 1916. The prohibition States have more than doubled in six months. Since January 1, 1915, Alabama, Arkansas, Iowa and Idaho have passed prohibition laws. Montana and South Carolina have voted through their Legislature to submit to the people the question of prohibition; Utah will vote on constitutional prohibition, and South Dakota is also to vote on the same question. The New Jersey Senate voted to give municipalities the right to vote on the liquor question but the bill was lost in the House. An anti-saloon measure is being vigorously pressed in Pennsylvania, and should this fight, which is being so ably led by the chief executive of the State, Governor Brumbaugh, be successful, it will be a crowning triumph for the splendid forces that are struggling so heroically for righteousness and clean living.

It is confidently expected that the great Anti-Saloon League Convention, to be held in Atlantic City, N. J., July 8th and 9th, will give a mighty impulse [illegible] nation-wide pro[illegible] [illegible]ting reports are [illegible] [illegible]ominent leaders, [illegible] who are interested, which [illegible] this Convention will exercise a powerful influence in molding popular opinion and in creating a far-reaching [illegible]timent against the saloon.

[illegible] people are being [illegible] that the local option [illegible] great fundamental and highly valued privilege—the [illegible] of local self government, under which those living in a political unit may determine such problems for themselves. The battle now being so vigorously fought is to defend human rights against vested whisky interests and entrenched wrong; to emancipate our land from the curse of strong drink; and to overthrow men in power who would sell themselves, their party and their dearest interests to the liquor cause. The campaign is rapidly developing into an aggressive one; it is no longer satisfied to be eternally on the defensive. More and more men are aligning themselves to one side or the other—for or against the rum traffic. It is dawning upon our people as never before, that intemperance is responsible for not less than 50 per cent. of our insane, 60 per cent. of our paupers, and 70 per cent. of our criminals; that the annual drink bill of the United States would build six Panama Canals, which cost $375,000,000, and would enable the government to construct fifteen battleships with what remained. More than 37 per cent. more accidents occur to workingmen who indulge in drink than to those who do not; and yet our government legalizes saloons to tempt men from sobriety, and from paths of physical and spiritual safety, ultimately to fill untimely and dishonored graves.

A significant fact is that the Temperance Society of the Methodist Episcopal Church recently addressed inquiries to the 2160 daily newspapers of the United States, concerning their attitude on liquor advertising. Replies were received from 679, and from them it was learned that of this number 520, over three-quarters, refuse liquor advertisements of all kinds. These papers make powerful allies against the saloon interests, and this report is a fine showing in favor of the temperance cause. It is another heartening indication of the ultimate overthrow of the saloon.

Men are at last learning it is criminally foolish to license a traffic that breeds idiots, paupers and criminals to be supported by industrious people; a traffic which greatly increases taxes by creating the necessity for jails, almshouses, reformatories, orphanages and police and criminal courts, and which is always and everywhere known to be the enemy of everything sacred to God and man. It scarcely seems possible that our country should debar criminal classes from landing on our shores as being "undesirable citizens," and yet license 25,100 saloonkeepers to manufacture similar products out of the very flower of our young manhood and womanhood.

We rejoice in the hope and belief that such a condition much longer cannot exist among an enlightened people. "God's in His Heaven: all's well with the world!"

"He has sounded forth the trumpet
that shall never retreat;
He is sifting out the hearts of men
before His judgment seat;
Oh, be swift, my soul, to answer Him!
Be jubilant my feet!
Our God is marching on."

"I heartily commend "Building and Rebuilding Men," by James J. Jeffreys. It deserves wide circulation.

EDITOR OF THE CHRISTIAN BANNER VISITS VIRGINIA BAPTIST STATE CONVENTION

An General Association—Speaks at Fifth Street, Diamond Hill and Court Street Churches.

The editor of the Banner attended the Virginia Baptist State Convention and enjoyed once more the association of the men in this grand old body. The work is moving along in a splendid fashion and we were pleased to see the spirit of the sessions.

[illegible] Officers—Rev. A. A. Galvin, President; Rev. B. Tyrell, first [illegible] Rev. S. A. Moses, second vice; Rev. J. H. Harvey, third [illegible] recording secretary, [illegible] retary, Rev. T. H. W[illegible] were elected without opposition. A splen[illegible] leaders. Nothing but success can be expected.

Those present gave a good account of themselve[illegible] vania was well represented and the Educational Secretary, Dr. W. F. Graham, is to be congratulated on the marshalling of the forces in the interest of our educational work.

Peace Note.

Dr. B. Tyrell delivered an able sermon Wednesday evening, in which he advocated the importance of uniting the State bodies. Thursday afternoon Dr. C. T. Walker, of Georgia, delivered a sermon by special request of the convention, and we all know he gave good account of himself. New York was in line. Drs. Hunt, Simms and Brown were there. New Jersey never fails. Dr. Watkins, of Orange, was on hand and a number of others were there by proxy. Dr. E. W. Moore delivered the doctrinal sermon Thursday evening. Of course he was equal to the occasion. Drs. Bishop W. Johnson and H. Powell were on hand to tell the brethren that the District of Columbia was still in line.

The Editor stopped with Dr. Hardy, S. Main street. Dr. Hardy is a pharmacist, and is doing a splendid business. He has recently taken to himself a better half, a widow, Mrs. West. They are comfortably situated and happy.

Thursday morning we left for Lynchburg to look in on the General Association. We found them in session at the Eighth Street Baptist Church, Rev. Dr. Lewis, pastor. We heard a splendid paper read by Rev. Dr. Adams, of Farmville, Va. It was interesting to note that he, like Dr. Tyrell, advocated the coming together of the two bodies. Dr. Z. D. Lewis is the president and A. A. Graham secretary. We were very cordially received and given an opportunity to present the claims of the Banner, collecting a number of subscriptions, and notwithstanding that they have a new organ of the Association, we were given assurance of support in the future. We want to thank our subscribers in both the old Convention and the Association for the kind way they have treated us, and the cordial spirit shown us during our trip. On our way to the Convention we preached Monday evening for our old friend, Rev. R. L. Wynn. Tuesday evening we preached at Diamond Hill Church, Dr. B. Tyrell pastor; Friday evening, our last night in the city, we preached to a large multitude in the old battlebeing Court Street Church, Dr. L. R. W. Johnson, pastor. We want to co[illegible] pastor and people for the progress they have made. Du[illegible] we were in the home of Mr. and Mrs. Pleasroame[illegible] our old friends. We were delighted to enjoy once m[illegible]tality. We spent one evening with Mr. and Mrs. L. W[illegible] E. Church. During our stay in the city as pastor [illegible] whose friendship we enjoyed more than Mr. and [illegible] our return we stopped with Mrs. Mary Eliza Bu[illegible] of Deacon R. Butler, who for many years was one [illegible] officials at the Court St. Church. We are very gr[illegible] friends for making it so pleasant for us during our [illegible] old Hill City.

BISHOP HENRY M'NEIL TURNER

Bishop Turner, one of the noblest workers in the A[illegible] Church, has passed to his reward. His funeral servic[illegible] Wednesday in the city of Atlanta were, no doubt, [illegible] thousands whose lives had been made better be[illegible] sonal magnetism and manly bearing. We shall miss him, but his works remain [illegible] take his place.

KAIGHN AVENUE BAPTIST CHURCH

Ninth and Kaighn Avenue.

CAMDEN, N. J.

Rev. Geo. E. Morris, Pastor.

Last Sunday was a pleasant day with us. The pastor, being unable to preach, was assisted by our good Brother, Rev. T. R. Overby, who preached an excellent sermon in the morning. At 2.30 P. M., Sunday school was in session. The children are preparing for Children's Day. The Bible Class was in session and the lesson was good. We also made arrangements for the parade Saturday, May 22nd. We hope to have over five hundred in line at 8.30. The Rev. T. R. Overly preached for us again from Isaiah 3:12. We enjoyed the sermon very much. Monday evening the Men's Bible Class entertained the Baptist Ministers' Conference, of Camden, with a very excellent program. The dinner of tongue was a very impressive to its hearers, as we see it now tongue's the liveliest dinner after all. The outline of the Holy Scripture and its value was very interesting also, to its hearers. The unveiling of the Men's Bible Class banner was looked upon by many that came to see the beautiful banner that is to lead our men in our school. After the unveiling we all joined in singing "Stand Up, Stand Up for Jesus." So we intend to let the banner be looked upon as the Royal Banner that leads us all. Next Sunday, services at 11 A. M.; 2.30, Men's Bible Class and Sunday school; 3.30, a sacred concert by the Willing Workers of the church, and a silver offering. Don't forget the popularity contest at the church Thursday, May 27th. We expect to crown our paster.

W. N. JACKSON, Clerk.

SALEM BAPTIST CHURCH

JENKINTOWN, PA.

Rev. J. A. Pinson, Pastor.

Our services were well attended and of a high spiritual nature. At the morning services we had Rev. Champ to speak for us.

A large Sunday-school convened at 2 P. M. All seemed to manifest great interest.

Communion services were held at 3 P. M., at which time Rev. C. A. Edwards, of Penllyn, preached a soul-stirring sermon, which was enjoyed by all.

Rev. J. C. Washington, of Crestmont, worshiped with us also.

At the evening services Rev. Brooks preached a sermon that lifted the audience to a spiritual height from the subject, "Ye Must Be Born Again."

Our pastor is expected home in the near future.

Miss ..die Robinson, who has been ill for the past three weeks, is regaining health.

A grand concert will be given May 26 by Mrs. Williams and Prof. Moore, the noted comedian, under the auspices of the Trustee Board, for the benefit of our spring rally.

[illegible]

J. B. Bodd[illegible]

The Lord is still blessing our work in New Rochelle. Dr. Slater, pastor of the Shiloh Church, has just preached the Sixteenth Anniversary sermon of his church. This church has undergone a great storm from the enemy during the last twelve months, but we are proud to say, the storm is passing over, thank God, and the outlook for the future is bright.

The Rev. G. W. Baily is calling a council of the Baptist brethren to reorganize the work as a Baptist Church, of which he has been looking after for about twelve months.

This council will be called about the first week in June, and we hope the brethren will respond to the call and give all the prestige necessary to the work. We have no objection to a work if anything in the work will result in greater service for the Master's Kingdom.

We preached at home last Sunday morning. The subject was "The Dangers in Looking Back." The text, Luke 9:62, "No man having put his hand to the plough and looking back is fit for the Kingdom of God."

At 3.30 P. M. we preached the baptismal sermon for Dr. T. R. Reid, of Newark, N. J. Dr. Reid baptised eight converts at this service.

Superintendent W. J. Brown had out a lively number, at 3 P. M., in attendance at Sunday school. The Sisters held a lively missionary service at 7 P. M.

We preached at home at 8 P. M. Our subject being "An Easy Way to Hell." The text, Amos 6:1, "Woe unto them that are at ease in Zion."

Prophet Jones will preach next Sunday. We will preach for Dr. G. H. Sims for the next two weeks.

Collection was $38.42.

SHILOH BAPTIST CHURCH

May 17, 1915.

Last Sunday the pulpit was filled all day by the Rev. S. S. Henderson, A. M., of Bloomfield, N. J. He delivered two very able and instructive sermons to large and appreciative audiences.

Our pastor, the Rev. E. W. Roberts, D.D., was also away visiting the Rev. C. H. Berry, of Mt. Union, and spent all the week in preaching and organizing at the regular Baptist churches [illegible]

PENNSYLVANIA ANTI-SALOON LEAGUE WHIRLWIND CAMPAIGN

The efforts which are being made by the Anti-Saloon League to carry forward an educational campaign in Pennsylvania in the interests of National Prohibition are meeting with the most gratifying success. Men of country-

Dr. George Morrow, of Michigan.

wide reputations are speaking in strategic centres, many of them in prominent churches of our large cities, and crowded congregations are gathering to hear them. Never before has this vitally important matter been so publicly and ably brought to the attention of the people of this State, and there is no doubt whatever but that the sentiment is rapidly growing that "The saloon must go!" May God speed the day!

Interest is also being aroused by these speakers in the great National Convention of the Anti-Saloon League of America, which is to be held in Atlantic City, New Jersey, July 6th to 9th, and which is attracting the attention of the entire country. This will doubtless be the greatest and most influential gathering of temperance forces ever assembled in this or any other land. From every portion of the United States, civic and religious organizations interested in the effort to make this a saloonless nation will be represented by delegates.

Major Dan Morgan Smith, who has made a host of friends throughout the State, and has created a most favorable impression wherever he has spoken, will speak at State College, May 20th; at North East, May 21st; and at Renovo, May 23rd.

During the last two weeks of May, ex-Governor Malcolm R. Patterson will make addresses in Williamsport, Allentown, Scranton, Wilkes-Barre, Harrisburg, Uniontown and Franklin.

The Rev. Samuel W. Small, the famous evangelist and orator, will spend the first two week of June in delivering lectures in Tyrone, Lebanon, Columbia, Hanover, Coatesville, Shenandoah, West Chester, Chester and Philadelphia. Dr. George W. Young, one of the most eloquent speakers of Kentucky, will be in Scranton, Freeland, Shickinny, Pittston, Moosic and Northumberland the latter part of May.

From May 20th to the 31st, Dr. [illegible]ert Banks, famous as a [illegible]nd a lecturer, will be in [illegible] Lock Haven, Sunbury, [illegible], Somerset, Lewistown, Mif[illegible] Bangor, Pen Argyl and Eas[illegible] Banks still carries the scar [illegible] at him by a friend of [illegible] early day, of his ac[illegible]rance.

[illegible] May, Dr. George W. [illegible] will be in [illegible] Mechanics[illegible], Hamburg, Pine Grove, Frack[illegible] and St. Clair. Dr. Morrow is one of the ablest and most convincing temperance advocates of the day.

Congressman M. Clyde Kelly, of Braddock, is the teacher of a large Bible class and is devoted to the task of freeing his native State from the curse of intemperance. Between May 20th and the end of the month he will speak in Scranton, Stroudsburg, Hazelton, Homesdale, Mt. Carmel, Myerstown and Narberth.

Many prayers will be offered that the efforts of these devoted men will be rewarded and that Pennsylvania will soon take its rightful place among the Prohibition States of our country.

NATIONAL ASSOCIATON FOR THE ADVANCEMENT OF COLORED PEOPLE.

National Offices—70 Fifth Avenue, New York.

May 10, 1915.

To Our Members:

Shall the work of the Abolitionists be forgotten?

Are the results of the Civil War to be mellified?

Have you seen the negrophobe "movie?"

What do you think of his new method of arousing race prejudice?

Here in an adaption of Dixon's "Clansman" race prejudice is capitalized in a frank attempt to convert the North to the professional southerner's idea of the Negro. After conceding Lincoln and the Unoin the plot proceeds with skillful distortion and clever misrepresentation to glorify the Ku Klux and to portray the Negro as a degraded and bestial race. Disfranchisement and lynching are justified and the transportation of the Negro to Liberia is offered as the final solution of the race problem. This, we are told, was also Lincoln's solution.

The only organized fight against this film has been made by our Association. Wherever it has been shown it has met opposition from us. As a result the Board of Censorship is split and its chairman has resigned. In Los Angeles, San Francisco, New York and Boston, where the excitement is now at white heat, our branches have left no stone unturned. In Chicago it begins to look as if our branch might succeed in having the production prohibited.

If the Association has failed to suppress the picture, it at least has not permitted its distortion of history to go unchallenged and it has succeeded in arousing an influential public opinion against it [illegible]

The production of this play is an added argument for the necessity of our work [illegible]

SECOND BAPTIST CHURCH

MERCHANTVILLE, N. J.

Rev. M. A. Foster, B. D., Pastor.

Sunday was a high day at the Second Baptist Church. It being our spring rally everybody seemed to have been enthusiastic.

At 11 A. M. Brother T. Roots, of King and Queen county, Va., the home of our pastor, preached a great sermon from Rev. 1:16. Subject "The Divine Protection of the Church."

CANAAN BAPTIST CHURCH

Haines Street and Bellfield Avenue.

GERMANTOWN, PA.

Rev. J. B. Holcomb, Pastor.

Our pastor preached his usual sermon at 11 A. M., and in spite of the cool, damp weather there was a very good attendance.

The Sunday-school convened at 2 o'clock P. M. to celebrate its seventh anniversary. There were several Sunday-schools invited to be present, but owing to some misunderstanding there was only one represented.

Mr. Williams, assistant superintendent of Bethel Church, was the representative. Their being such a few in attendance the program was not carried out, but postponed until Thursday evening, May 27, at 8 o'clock. At that time the superintendent hopes to have all of the invited Sunday-schools present.

Notwithstanding the small attendance the collection for the afternoon was $7.21.

Mrs. Sarah E. Hurst, one of our many good workers, was present and organized a penny and nickel club among the children for the purpose of helping the church with its current expenses. Ethel Childs and Cornelia Bowswell, two of our recent converts, were made presidents, Mrs. Myers and Mrs. R. Moore captains.

The pastor preached again at the evening service. Today, being his birthday, the members and friends of the Pastor's Aid presented him with a small purse, which he accepted with one of his most gracious smiles.

The Pastor's Aid Circle is planning for a "Jitney" party Saturday evening, May 29, at 248 East Sharpnack street, for the benefit of this church.

Don't miss it. It will be a grand affair and the first of the season.

Don't forget the sermon to be[illegible] to the Board of Lady Ushers [illegible] afternoon, May 30th, at 3 P. M.

FIRST BAPTIST CHURCH OF HUNTINGDON VALLEY,

Rev. D. P. Chandler, [illegible]

We had good services [illegible] evening. Sunday-school [illegible] hour and largely attended, officers [illegible] their posts. Superintendent John Fulture said many good things for the encouragement of the children.

Rev. Hughs preached a very strong sermon to the Ladies' Aid.

We are looking forward to the fifth Sunday in May, which is rally day. The president of the Ladies' Aid, Sister Mattie Lucas, and her coworkers and the president of the sewing circle, Mrs. Gains, and her coworkers are doing all they can to bring things to pass.

We ask one and all to come and help us that day. We are preparing to give a free dinner to everybody that day. Come and stay all day with us!

Sister Juliet Lucas is chairlady for that day. The committee are Sisters Emma Fulture, Maria Lawrence, Sally Woolfolk, Mrs. Belle [illegible]oise, Molly Jackson, Mrs. Annie Wells, Jac. Freeman. We ask their interest in your prayers.

HOLY TRINITY BAPTIST CHURCH

BROOKLYN, N. Y.

Rev. S. W. Timmons, Pastor.

Tuesday evening our B. Y. P. U. had a good attendance, and the main feature was the stereopticon views shown by our pastor.

Wednesday evening, on account of the inclement weather, the attendance was not as good as usual, nevertheless the talk on the lesson given by our pastor was very interesting.

Friday evening we had a glorious testimonial meeting, led by the pastor. The subject was "Do You Love Your Enemies?" The attendance was very large and nearly everyone spoke on it. After this our pastor baptized three candidates.

Sunday morning, at 11 o'clock, our pastor being away, the pulpit was filled by Rev. Baller, who preached an able discourse on the subject of "Lord, Is it I?"

The Sunday-school was opened at 2.30 P. M. by our worthy superintendent, Brother F. G. Warner. Owing to the day being stormy the attendance was not the same as usual, but those present showed much interest in the lesson.

Our Junior B. Y. P. U., which has just organized, is doing very well. They have a meeting every Sunday evening from 6.30 to 7.15.

At 8 P. M. the Rev. Bowden preached a soul-stirring sermon that enthused the audience to the uttermost depths, and the many good things said will not be erased from our minds very soon.

I wish to state that our rally we had on the fourth Sunday in April was not [illegible]

SECOND BAPTIST CHURCH

KEYPORT, N. J.

The Rev. E. M. King, Pastor.

Sunday was one of the best days we ever had since our pastor has been with us. The day was given to the Pulpit Committee for their rally. Mrs. Carrie Lindsey, president, marshalled her forces well.

At 11 A. M. the pastor preached to the committee on "Faith." He stated that we are saved by it, we live by it, and we please God by it.

At 3.30 P. M. the pastor preached a special sermon to the committee, from Ezra 7:27.

At 8 P. M. the choir, assisted by the choir of the Union Baptist Church, of Middletown, rendered the programe, closing one of the best rallies in the history the church.

WILLOW GROVE, PA.

Rev. Geo. W. Carter, D. D., Pastor.

(THE HORSE IS STILL PAWING IN THE VALLEY.)

Great, grand and glorious were the services at McKinley Memorial Baptist Church, Sunday, at 11.30 A. M. Our pastor selected a text from the 27th Psalm, 4th verse, subject, "A Personal Desire." Our pastor presented many features and true characteristics that should be exhibited by the individual who claims to be a "Pilgrim for the Other Shore." At 4 P. M. our pastor ascended the rostrum and selected a text from Job 39, from the 19th to the 25th verses of the same, subject, "A minister's Description of Job's Horse Pawing in the Valley." At this time the pastor told just how and why he is styled as "The Horse Pawing in the Valley." Oh, but the horse pawed at this time, apparently we could see in the Valley of Jehosaphat, so intensely settled thick with grasshoppers.

At 8 P. M., Rev. S. J. Jones, D. D., of Philadephia, preached for us, subject, "The Ways of God are Past Finding Out." Dr. Jones seems to be captivated by the Holy Spirit. We never heard him preach like this in all of the days we have known him, and of the many times we have heard him. Our church shouted as he spoke to us by the way. Come again, Brother Jones.
