## PROCEEDINGS

### WEDNESDAY

9:30 a. m. As host of the Union Baptist Church, Connelleville, Pa., the 38th annual session of the Lott Carey Baptist Foreign Mission Convention of America was duly opened by Vice President, A. Hobbs in the absence of President C. S. Brown.

The devotional service was conducted by Rev. G. W. Watkins and Rev. B. D. Ellis. Song No. 395 "O Zion Haste" was sung. Scripture lesson read by Rev. Watkins. "The Power of Prayer in the Missionary Program," was ably discussed by Rev. Watkins from the following points: "The necessity and power of prayer."

Following the devotional period, the various committees were announced.

Dr. J. H. Randolph presented Dr. Henry Allen Boyd, Sec'y of the National Baptist Publishing Board. Dr. Boyd is an annual visitor and liberal contributor to this convention. He brought greetings from the National Baptist Convention and expressed great delight in following up this body. He offered a plan and proposition by which he could pay the salaries of all our missionaries and teachers.

Dr. J. T. Hill spoke to the address of Dr. Boyd and urged that this body give careful consideration to the plan offered.

Selection of music was sung while the president, Dr. C. S. Brown was preparing to deliver his annual message.

### PRESIDENT'S ANNUAL ADDRESS

For thirty-eight consecutive years Dr. Brown has been the presiding officer of this convention and each year he has brought to its constituents a message of hope, inspiration and guidance. Out of his years of contact and wide experience and out of a heart consecrated to the cause of missions, he has always fired the hearts of his audience in his annual address.

He set forth in the beginning of his message the one and

chief objective of this body namely: the spreading of the Kingdom of God throughout the world.

The temptation to turn aside from this objective has been met and nobly resisted.

The commission of Jesus Christ is still ringing in our ears; and the preachers are the trumpeteers of this commission.

He further urged that we think in world terms and not be too near sighted and narrow in our plans.

Education is helpless apart from Christianity he declared. He pleaded for the application of the Golden Rule and the fatherhood of God and brotherhood of man.

The church needs a new awakening in kingdom work and it must be done by the preacher, God's spiritual specialist, as the controlling force for teaching, the indoctrination of missions; the chief financial force and the recruiting officer.

He gave a brief survey of world conditions, deploring the fact that Rome, the capital of religion is leading in warfare.

He offered the following recommendations:

- 1st. That we cancel our debts.
- 2nd. That we put up a building in Brewerville.
- 3rd. Install lighting system in Brewerville.
- 4th. That we erect a memorial building at Gareysburg.
- 5th. That we build a church at St. Marc.

In closing the president expressed words of commendation for the workers on both home and foreign fields.

He especially praised Mr. Randolph for his excellent record during the year, and the auxiliaries for their loyal support.

By motion of Dr. W. L. Ransom, seconded by Dr. O. S. Bullock a rising vote of thanks was tendered Dr. Brown and his address referred to a committee.

The Executive Board submitted its report. (See report.)

By motion the report was approved.

The morning session was closed with an offering and the benediction by Dr. G. O. Bullock.

#### WEDNESDAY AFTERNOON

2:30 p. m. The devotional service was conducted by Rev. W. A. Nowlin and Rev. J. A. Younger.

Following several song selections led by Rev. Nowlin, Rev. Younger read Luke 10th chapter and commented from same.

He set forth some of the hindrances to the missionary work

of the church, namely: materialism, eagerness for wealth and desire for ease.

The church which is liberal towards missions is greatly blessed. "Hark the voice of Jesus crying" was sung.

Dr. J. W. Coleman, Illinois, vice president took charge and presented Dr. J. H. Randolph, Executive Secretary to deliver his annual report.

Dr. Randolph expressed great delight in the president's message of the morning. He also highly appreciates the fine spirit of cooperation throughout the body. He declared that the work has gone forward in spite of many difficulties. Workers are knocking at the door for opportunity to serve on the foreign fields. A deeper consecration on the home field is needed.

Dr. Randolph made an earnest appeal for larger income with which to carry on the work, stating that gratitude to God will manifest itself in active service for the great cause of missions.

Regular contributions were urged, and also that prayer circles be organized for special petition to God for the work. He set forth Christ is the true example of mission spirit and work. Soul saving was also stressed in his report.

He spoke of several churches that are contributing regularly. He gave a brief survey of the fields of operation and the workers. The outlook is very bright for Lott Carey and she is gaining territory rapidly. Far off churches are responding to the work as they read the Lott Carey Herald.

The report was forcefully presented and gave strong evidence of Dr. Randolph's deep interest and consecration in the work.

By motion the report was approved. (See report.)

Report of treasurer Dr. J. H. Hughes, was submitted and approved by motion. (See report.)

Dr. E. E. Ricks, auditor made his report, which was adopted by motion. (See report.)

Report of Lott Carey Herald was made by Dr. J. H. Randolph, business manager. The report was approved.

Dr. C. C. Adams, president of the Baptist State Convention of Pennsylvania was introduced to the convention.

Dr. Adams in a pleasing manner expressed great delight in being present and greeting old friends. He also made an earnest appeal for unity in the prosecution of mission work.

The convention closed with the pronouncing of benediction by Rev. A. S. Hoard.

**WEDNESDAY NIGHT**

Vice president E. E. Smith, presiding.

Song service was conducted by Rev. W. C. Williamson, Pa. and Rev. W. A. Nowlin, Pa..

Scripture lesson John 17:1-11 read by Rev. N. L. Scarborough, Ohio.

Prayer was offered by Dr. A. W. Brown, Richmond.

Selection of music by Mrs. Richardson.

Vice president Smith presented Dr. A. S. Croom, pastor of the Union Baptist Church, Durham, N. C. to preach the annual sermon.

Dr. Croom expressed joy for the privilege granted him on this occasion.

He announced his text from Rom. 8:10 and as a subject: "The Happy Consequences of Christian Suffering."

He preached a very powerful sermon from the following outline:

I. The acquisition of glory through suffering.

II. The Incomparable Glory Dethroning the Powers of Earth.

III. A Visible Revelation of Incomparable Glory.

IV. Suffering the Gateway to Glory.

The message was full of hope and inspiration, well prepared and greatly enjoyed by the vast audience.

Drs. S. A. Thurston led in a song: "It will be glory."

Dr. W. T. Johnson made a motion that a rising vote of thanks be extended Dr. Croom for the excellent message.

An appeal for a liberal foreign mission offering was made by Dr. Randolph.

The collection was taken by Dr. A. W. Brown and Dr. N. L. Scarborough, amounting to \$77.00.

By motion a night letter was ordered sent to Rev. M. C. Rux expressing regret in his absence due to auto accident.

The session was closed with the benediction by Rev. G. R. Yancey.

**THURSDAY AFTERNOON**

President Brown presiding.

Devotions by Rev. W. A. Nowlin and Rev. E. H. Martin.

Minutes of the previous sessions were read and approved.

Dr. S. L. Johnson discussed for an hour very effectively the topic, "Financing the Kingdom." Dr. Johnson set forth

the Bible plan of financing the Lord's work. He stressed the importance of the teaching of the Scriptures.

Tithing was presented as the plan by which God's work is to be financed.

The hour was well spent in hearing this strong message.

Report of Committee on Officers was read and by motion approved.

The Committee on President's Address reported, this being approved.

Dr. C. E. Askew, Michigan, pronounced the benediction.

### FRIDAY MORNING

Devotionals conducted by Rev. M. N. Newsome and Rev. W. J. Wilson.

During the devotional period Rev. Wilson discussed the topic: "Our Missionary the Hope of World Redemption," under the following points: 1st Evangelize. 2nd Preach and Teach. 3rd Serve. He urged the church to adopt and follow this program.

Rev. Newsome joined in some topic and set forth "Jesus as the Bible's Most Interesting and Unique Character." He emphasized love in the prosecution of the Lord's work, and the evangelization of the whole world.

Both messages were well prepared and fittingly presented.

Reports were called for and the Committee on Obituary submitted its report through Rev. G. W. Watkins.

My motion the report was approved.

The Committee on Place recommended in its report that our next session be held with the Union Baptist Church, Orange, N. J. Dr. J. H. Hughes, pastor. The report was adopted. Dr. N. L. Scarborough, Columbus, Ohio, invited us to his church the next year.

Report of Committee on Resolution was read and approved with these exceptions, viz: that part referring to restricting the convention into zones and that part referring to the entertainment, this to be approved in night session Mass meeting.

Rev. J. M. Ellison, Washington, D. C., discussed the subject, "Financing our Missionary Program." He declared that our people must be educated into liberal giving if the work is to be properly financed.

A definite spiritual attitude in giving needs to be created. He highly indorsed the every member canvass and budget

system also memorial funds, advertisements, etc. The address was very wholesome and greatly appreciated.

Dr. G. E. Reed, statistician, submitted his annual report. Using a chart he proved that our foreign mission offering did not decline as much during the period of depression as did the white Baptists.

By motion the report was approved.

Benediction by Rev. J. T. Reed.

### FRIDAY AFTERNOON

Dr. A. W. Brown, presiding.

Devotions conducted by Rev. Simond.

Dr. J. A. Brown, Richmond, was presented by Dr. W. T. Johnson to deliver the inspirational sermon. Dr. Brown spoke on "Church Expansion," based upon the text from Isa. 54:2. He declared that this is an age of expansion, and the church should lead the way.

- I. "Lengthen the Cords" of sympathy, interest and vision  
Make them longer than our fathers had them.
- II. "Strengthen the Stakes," in organization, in members, in Christian graces, doctrine, faith, hope prayer, determination.
- III. "For thou shalt break forth on right and left."  
Nothing shall fetter and hold the church.

This was a very powerful sermon.

Dr. W. L. Ransome highly praised the sermon and thanked Dr. Brown for same.

Dr. W. T. Johnson conducted the Memorial service, honoring our comrades who fell on battlefield during previous year. The eulogistic message was forcefully delivered by Dr. O. S. Bullock, Raleigh, N. C.

Dr. Bullock based his remarks upon Rom. 8:15. Gratitude to God was expressed for all the heroes who served well their day and generation. He urged that the well begun work of the fathers be carried on to greater heights.

The service was closed with a song "Abide with me," led by Rev. Watkins.

President Brown thanked the committee for the effective Memorial service.

Dr. W. T. Johnson, chairman of Ex. Board presented the program for the ensuing year. He stated that the president's annual message contained the convention's program for next year. He laid emphasis upon the continued \$50,000 drive to wipe out all debts and enlarge the work.

Dr. Holloman rose to add a word. He thought that we are too far away from our immediate objectives. Our tide of enthusiasm does not strike the average member. We must not squander time and opportunity. Boaz A. Harris has done a super human work despite very strong opposition. He should have a church, for he will not always be strong and energetic as he is now.

Dr. A. W. Brown urged that there be systematic giving. He also made an appeal for Dr. W. H. Stokes, which amounted to \$17.44.

Benediction by Rev. J. T. Crump.

#### FRIDAY NIGHT

Missionary Mass Meeting.

Dr. J. H. Randolph, Ex. Secretary, presiding.

Instrumental selections were played very effectively by Mrs. Dilworth, organist of the church in which the convention met.

The spacious auditorium was filled with interested people white and colored to witness the program.

Praise Service was led by Rev. Simond and Rev. R. M. Pitts, N. C. Rev. Pitts offered a very fervent prayer after singing, "I heard the voice of Jesus say."

The music of the evening, aside from that mentioned was rendered by the choir from Vanderbilt.

Dr. Randolph after stating the purpose of this meeting presented Mrs. M. L. Walker, returned Missionary from Brewerville, West Coast Africa.

Mrs. Walker gave a brief review of their work in Africa. She also brought greetings from her co-workers on foreign fields. She stated that 243 pupils are enrolled in the mission school at Brewerville, 50 students conversions last year.

She devotes her time to teaching domestic work, and exhibited a large assortment of work done by pupils under her instruction.

Mrs. D. B. Mdodona sang very sweetly "Hark the voice of Jesus crying."

Dr. Randolph then presented Rev. D. B. Mdodona, a native African, educated in America and having pastored several prominent churches, to speak. Rev. Mdodona testified to the goodness of God in his own experience in coming to this country.

He also praised this convention for its deep interest in

him, aiding him to receive Christian training. The people were greatly moved by these speakers.

At this point Dr. Randolph made the appeal for a general offering.

Dr. G. O. Bullock was called upon to take the offering.

Pledges were also called for. Following the offering the finance committee reported. (See report.)

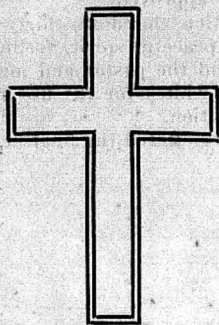

Dr. C. C. Somerville read that part of the report of committee on resolutions touching the entertainment of the good people of Connellsville.

By motion it was approved.

Thus the convention closed its thirty-eighth annual session under the most peaceful spirit, feeling grateful to Rev. Calvin, his church, and the pastor and members of the First Presbyterian church (white) for the use of their building as the seat of the convention.

Rev. E. D. Spinner offered the final benediction.

## REPORTS

### EXECUTIVE BOARD

Mr. President and Delegates:

The Executive Board submits the following report for the year 1934 and 1935.

The Board has striven to keep the ship on an even keel while passing through the storms of this eventful year. The crew has performed heroically even though the billows and the waves have been tossing high.

The work has suffered to some extent for reasons well known to all of us. But notwithstanding that some progress has been made in the payment of debts either by retrenchment or elimination of some phases of our work, done in previous years.

There is an increase of confidence manifested among our constituency, due in great measure, to some changes that have been made in the management of the financial affairs of the Convention. To the corresponding secretary is largely due the credit for this rebirth of faith in the great mission of the Lott Carey Convention.

There has been an increase in the collections for the year of more than a thousand dollars for convention purposes. To increase this phase of the work in a time like this speaks most eloquently for itself as to what would be done in different times from these. This heartens the workers indeed.

Conversions and baptisms have greatly encouraged the hearts of our missionaries on the foreign fields. This after all is what the convention exists for, bringing the lost into the Master's fold.

The various committees have made satisfactory reports to the board, concerning the respective phases of the work entrusted to their charge.

The headquarters committee has done its work well. It has handled the bonded debt in a very commendable way; having been able to meet the requirements of our creditor satisfactorily.

The Executive Committee also has done its work well, and made a most pleasing and satisfactory report of its doing for the past year.

The Board is recommending again that the committee on adjustment of the salaries of the workers on the home field, be appointed. In view of the funds gathered for the propagation of our work upon the various Foreign fields the Board asks for your most sympathetic consideration in what appears to be a gaining of interest in the missionary program of this convention.

The future of the Lott Carey Convention is undimmed. Its horizon is extending, its sense of responsibility heightens with the passing

years. In the execution of its program the Board seeks divine guidance and the prayers of His people.

Respectfully submitted, Executive Board,

W. T. JOHNSON, Chm.

O. C. JONES, Sec'y.

## REPORT OF AUDITOR

August 1, 1935.

To the Officers and Members of the Lott Carey Baptist Foreign Mission Convention.

Dear Co-workers:

Having examined all the books, records, checks and stubs of the Corresponding Secretary, Dr. J. H. Randolph; also the books and other records of the Treasurer, Dr. J. H. Hughes; I find that the books are neatly kept, legibly and accurately recorded by Mrs. Taylor, the efficient Secretary to Dr. Randolph.

We feel that the Lott Carey Convention is doubly fortunate in having such vitally important offices of the Convention filled by such indefatigable workers as our Secretary and Treasurer.

I hereby certify that the records of both officers and their financial statements and accounts are correct.

Respectfully submitted,

E. ETHELRED RICKS, Auditor.

Below will be found an exhibit of the Receipts and Disbursements, and of the Assets and Liabilities.

## **LOTT CAREY HERALD**

The record discloses that only ninety-six dollars and ninety-five cents were received from subscribers of the Herald. Despite the fact that there were two thousand copies issued, many copies of which were sent as information to the Missionaries and other workers both at home and abroad, also many were used in the cause as literature for propagation purposes; yet it appears that there are only about one hundred and ninety-four persons who are paid up subscribers, which, if true, is a sad reflection on the part of many who are not entitled to the Herald without paying for their subscription.

**RESOLUTIONS****State of the Country**

In view of the reports from many parts of the world setting forth the economic and spiritual condition; and insomuch that threatened war clouds are hanging low in Europe; and as the facts are revealed the situation in our country in regard to business, economics, unemployment and lawlessness seems to be growing alarmingly worse almost daily. Therefore be it resolved that the Lott Carey Convention will do what it can in a legitimate way to relieve the situation and to improve the moral and social condition of the nations the world over.

Be it resolved that we shall pray first of all that God in his Providence will bring about a better spiritual condition for the nations, since in some countries it is already in evidence that government is trying to discredit the doctrine of the deity and teaching outright and boldly that there is no God.

Resolved, second, that this convention put itself on the side of law and condemn with all the power at its command lawlessness in any form wherever it may appear and we urge upon the youth to put itself on the side of right at any cost.

We deplore specifically the threatened invasion upon Ethiopia by Mussolini and his cohorts and pray that it may be the pleasure of God to overthrow his plans and rescue the defenseless Ethiopians and that in the event war obtains that right will win.

**Entertainment**

We, your Committee, desire to say that in regard to the entertainment of this convention we first of all wish to express our gratitude and heartfelt thanks to the pastor of this church, his officers as well as the pastor of the other white churches for opening the doors of their churches for our entertainment without reservation.

We tender our thanks to the pastor of Union Baptist Church, his officers and members for their hospitality in that they have spared no pains for our comfort and happiness while in their midst. We appre-

ciate the courtesy and good fellowship of the citizenry and we shall carry down from here a most pleasant and happy memory of our stay while in this city. May God's blessings rest upon them as the years come and go.

Resolved, That we extend greeting to our brethren of the National Baptist Convention of America in their annual meeting in the city of Washington, D. C., and pray that the peace of God may bless their deliberations.

Resolved further, That we re-affirm our adherence to the compact existing between the Lott Carey Convention and the National Baptist Convention of America.

Respectfully submitted,

Your Committee:

Mr. Chairman and members of the Executive Board: It is with pleasure that I do submit to you my eighth annual record of the work done by the Executive Committee of this board, during the interim of the Convention. It was also decided by the board that Mrs. M. L. Walker's status on the home field would be as former returned missionaries' status has been. ## PROCEEDINGS

THURSDAY—AUGUST 29, 1935

Connellsville, Pa., August 29, 1935.

First Church of the United Brethren of Christ

The Woman's Auxiliary to the Lott Carey Baptist Foreign Mission Convention met in its 35th annual session with the Union Baptist Church Connellsville, Pa., Rev. L. H. Colvin, pastor.

The Auxiliary held its sessions in the edifice of the First Church of the United Brethren of Christ.

Worship service conducted by Mrs. Madison Williams was opened by soft music, "Come ye Disconsolate," after which the congregation arose and sang "How Firm a Foundation."

The 23rd Psalm was repeated in concert.

Two minutes silent prayer while the instrument played softly, "Where He Leads me I will Follow."

Sister Madison Williams led in a fervent prayer, closing with the Lord's Prayer.

We next sang, "Where He Leads me I will Follow."

The president, Mrs. A. B. Randolph came forward and said "Good morning" to all and after a few remarks she asked for the volunteer choir to come forward. Mrs. M. M. Ransome was asked to play for this choir.

The choir sang "He Hideth my Soul." The program as printed was adopted by the convention.

The appointment of the Enrollment Committee was made. Choir sang "Jesus is all the world to me."

The welcome address on behalf of the Woman's Department of the state of Pennsylvania, which was to be delivered by Mrs. E. M. King, owing to the absence of Mrs. King, was delivered by Mrs. Elmira Lacey, 10th vice president of the auxiliary.

Response, Mrs. O. S. Bullock, Supervisor Jr. Young People's Department of the Auxiliary.

Her response was very full and informing telling something of the work done by the Auxiliary.

The welcome was cordial and graciously received. Choir sang "O Zion Haste."

The Executive Board was asked to come near.

The Committee on Finance was appointed.

The introduction of the pastor and his wife, Rev. and Mrs. L. H. Colvin.

Solo—Mrs. Richardson.

Mrs. Rebecca Gray was asked to take the chair, being the 4th Vice President. The congregation by special request of the president rose and sang "Jesus Paid it All."

Mrs. Rebecca Gray in very fitting remarks introduced and presented our president, Mrs. J. H. Randolph to deliver her annual address.

Mrs. Randolph began with these words, "In all thy ways acknowledge Him and he shall direct thy path." She said every fabric of society needs the influence of Christianity. Let us therefore proclaim the gospel of the Son of God at home and abroad.

We want the whole world to be touched by the influence of the gospel: for this purpose we have come together.

We should not cease our efforts until the kingdoms of this world become the kingdom of our Lord and his Christ. In her address she mentioned the fact that she visited the Woman's Baptist State Convention of North Carolina as it celebrated its Golden Anniversary. Her trip was enjoyable and profitable. She also told of the passing of Mrs. L. A. Hope, president emeritus and Mrs. Ella Johnson, Board member of our Convention.

She urged the members to subscribe to the Lott Carey Herald and pay their subscription 50c per year.

Communications from the missionaries on the Foreign field were read that we too might get the information first hand. These letters were very interesting and much enjoyed by the members of the convention.

Mrs. Randolph asked for words from the three living founders of this great convention. She became president in 1912.

Dr. Brown said we are meeting in the church which is also sending missionaries to Liberia. He and Dr. Braham rode twenty-one days with missionaries sent from this town on their way to Liberia.

He also said we are carrying out the Bible program. He is happy to see the progress the convention has made since its organization. We must be willing to suffer for Jesus' sake and think of what the missionaries are suffering.

Dr. W. T. Johnson said we are being taught this Scripture, "Ask of me and I shall give thee the heathen for thine inheritance."

Dr. C. C. Somerville also one of the founders of the Lott Carey and has not missed one session since its organization.

Mrs. Gray asked the entire congregation to give to the three remaining founders the Chatauqua Salute. She spoke of Mrs. Randolph Randolph's consecration to the work.

Mrs. Puryear spoke of the wonderful growth of Mrs. Randolph in the work.

Mrs. W. T. Johnson and several other women spoke of Mrs. Randolph's ancestry and value to the world of missions.

\* A motion prevailed to adopt the president's address. Choir sang "The Morning Light is Breaking."

Mrs. E. M. King was invited to make remarks. Her words were encouraging and cordial..

Rev. Payne the founder of the Union Baptist church was introduced. He told us that he helped to build the church and he and Rev. Ford carried this section to our convention.

First representation in this convention from this district was \$45.00. He worked here in this district until for three consecutive years it sent up \$3300.00.

Twenty years ago he welcomed this organization to the Rodman St. Baptist Church.

Rr. S. L. Johnson, Mrs. Mickie and Dr. Hughes were asked for remarks.

Dr. Ransome said the men are better and nobler because of the Women. Dr. Moore, Rec. Secretary, spoke words of praise for the work.

Rev. Pitts said he had brought his wife and his sister to get information and inspiration to help carry the work back home.

Dr. Thurston, Dr. C. A. Ward of Pittsburgh and Dr. Hill and Dr. Randolph. Mrs. Walker, returned missionary, Dr. E. E. Ricks, said he had brought wife and daughter.. Mrs. Abraham Lincoln, Pittsburgh, Dr. Brown of Richmond.

Miss Mary Johnson, Pittsburgh, sang "I am His and He is Mine" and thrilled the house.

Rev. Roan spoke representing Northern Neck, Va., and pledged to do more for missions than heretofore.

Dr. G. O. Bullock urged the members to patronize the dining room of the church and not eat outside. It will help the church to do so.

Introduction of visitors by Mrs. Luton. Number of visitors introduced fifty-four.

Dr. J. Thos. Reid and wife were introduced and expressed their intense interest in missions. Two nurses came forward and were introduced, ready to render whatever service they can.

Dr. Hobbs spoke words of encouragement. After some words of information and remarks by the president, we were dismissed by Dr. J. H. Randolph.

be extended the Harriet Tubman for the very valuable gift (The Holy Bible).

This same Guild presented the cornerstone to the same church five years ago.

After the presentation the next in order on the program was the Mission Study Class, conducted by Mrs. J. L. S. Holloman. This was very instructive and interesting and enjoyed by all. Her motive was to inspire more study of God's word with a deeper meaning, with a desire that the delegates may go back home and begin a Bible Study Class.

The report of Committee on Nominating Officers was called. The report was adopted. (See report.)

It was very gratifying to note the large attendance in the afternoon session.

Benediction, Dr. W. L. Ransome.

#### EVENING SESSION—August 29, 1935.

At 7:30 Worship Service conducted by Mrs. Rebecca J. Gray, Washington, D. C. Opened by singing, "All Hail the Power of Jesus' Name." 1st Psalm was read by Mrs. F. B. Mitchell. Prayer by Mrs. Mattie Washington. Song, "Hallelujah Thine the Glory. Scripture verses were given out and read by different ones. Theme, Love.

Fifteen minutes were given for expressions on the subject. Sentence prayers were then offered led by Mrs. O. S. Bullock of Raleigh, closed by Mrs. Mdodona. Song, "More Love O Christ to Thee." Selection by the choir, "Zion Stands with Hills Surrounded." Miss Johnson sang sweetly, "Just Rock me in the Cradle of thy Love." At this point the President took charge.

She invited Rev. Strassner, who had been chosen to preach the annual sermon to the rostrum together with his associates.

Hymn, "Go Preach My Gospel," was sung by the congregation, led by the choir.

Scripture lesson Matt. 9:32-38 was read by Dr. Brinkley. Prayer, Rev. W. G. Wilson, Portsmouth, Va.

Choir sang, "Sweet Hour of Prayer." The president said we have had wonderful times today in our sessions.

With very fitting words she introduced the speaker for the evening, Rev. Strassner, pastor of Mt. Zion Baptist Church, Charlottesville, Va. Text Matt. 9:36, 37; John 4:35. Theme—Fields that are white.

He said: First we must see as Jesus saw the multitude, then He said lift up your eyes and look upon the fields.

Jesus not only saw, but he saw within the meaning of the thing. Beneath the lines of their care-worn faces, he saw their needs. He saw them as rich treasure for the kingdom of God.

If we could see things through the eyes of Jesus everything that is sordid would fall away.

How do we see Africa today? Do we see it as a land of disease and misery? or do we see it as a field white and ready to harvest.

Jesus saw the multitude and loved them and felt their needs. When he saw the multitude He had compassion on them for they were as sheep without a shepherd. Are we moved by the condition across the sea?

1. Seeing as Jesus saw,
2. Feeling as Jesus felt,
3. Doing as Jesus did,

He not only saw and felt but He did something for them. He went to search for them. He tells us to go with the gospel of Jesus Christ. He ministered to their needs. The needs must be ministered to. We must be channels of blessings for those in need.

If Africa is to be redeemed, we must see as Jesus saw, feel as Jesus felt and do as Jesus did.

The sermon was very interesting and full of food for thought and well delivered.

Dr. and Mrs. Proudft, pastor Presbyterian church were presented to the audience.

Offering lifted by Mrs. W. T. Johnson, Dr. H. N. Johnson. Col. \$88.00.

## **PRESIDENT'S ADDRESS**

DEAR CO-WORKERS:

Our meeting with the First Baptist Church, Roanoke, Va., Dr. A. L. James, Pastor, was one of the best in the history of our Convention. We still cherish pleasant memories of our stay there.

We are here enjoying the hospitalities of the pastor, Rev. Mr. Colvin and the good members of the Union Baptist Church. It is good for us to be here. Let us rejoice and be glad. May the sessions be helpful to all who have assembled.

In all thy ways acknowledge Him and He will direct thy paths. The occasion which brings us from our several homes, making new history in soul-winning is one of great moment. Our efforts combined with the great forces of Christian workers throughout the world, strengthen and hold in tact the true purpose for which Jesus came, that all nations may know and learn of Him, and be saved.

Therefore, more stress should be placed upon the necessity of building a strong foundation of loyalty, faithfulness, confidence, endurance in stabilizing our work that the King in all of His glory may have full sway in the hearts of men. Our mission is to extend the Kingdom of God. The dullness of Spiritual vision and the mad rush after worldly pleasure make it highly necessary that we survey well the ground, and thoroughly note the scope of work to be done in view of existing conditions in every State and County. Foreign Missions is our chief concern, as an objective in this Body, but we must ever remember that we are concerned about every issue that effects human liberties, though we may not give place for a wide range of local and National questions, only as they relate to our supreme knowledge of Evangelism, Missionary Efforts and Conquest.

We want to plan our work and handle our theme in such a manner that we may become definitely wiser by the discussions, and interviews with the unselfish group of men and women which is a potent and essential part of that creative power that makes for righteousness and world peace.

Regardless of the advance in modern Society, in art, science, and discovery; be mindful of this, that every fabric of Society needs the Saviour of Christianity, which is vital only, in proportion as it finds expression in every day consecration.

As an Auxiliary, with crystalized ideas and determined motives, we are bringing to bear our influence and power for the betterment of the domestic and National life as well as the Salvation of the benighted heathen.

We believe pre-eminently in the power of the Gospel, and in the future improvement of Society through the Gospel, as well as its pow-

er to save dark and bleeding Africa, Haiti and the Isles of the Sea. Let us, therefore, proclaim the Gospel to the sons of men at home and abroad, until Christ shall be Lord and Master of all. Do not leave the work to others that may be accomplished by you. What your hands find to do, do it with all your might, magnify and glorify the Name of Christ, until the whole world shall be full of His glory.

Unless you and I believe in the Christian Religion as the only ultimate hope, we may as well return to our secular duties. As women of thought, and living in an age as you are, when unusual interest is being manifested in all kinds of social service; even the political life of the nation, like a seething pot, is moving onward under your magnetic touch and absorbing interest, I am appealing to you, in this whirl of modern activity to make use of every opportunity to further the Cause of Christian Missions, and the advancement of the age in Christian Ethics, and liberal education for all sex and races.

The light of civilization has given to you and me, a heritage, so that you are no longer regarded as a sedentary recluse in the society of this world, but an indispensable entity in the moral, religious and political struggles of mankind in bringing universal brotherhood.

We want the whole world to be touched by the influence of the Gospel; to this end, we have labored through the year; and for this purpose we have come to rededicate ourselves to God, knowing that He is our all in all. The opportunity for enriching God's kingdom depends upon our willingness to accept the Gospel, believe it, obey it, and teach it, that it may bring forth much fruit. "Sow in the mornthy seed, at eve hold not thy hand." Throughout the age, the task of the Christian will not be completed until men, women and children in the homeland and Foreign Fields are converted unto God. We should not cease our labors until the kingdoms of this world become the Kingdoms of our Lord and Saviour Jesus Christ.

As a fertilizer in enriching God's Kingdom, let us use prayer, for it gives strength; faith, for it is the victory that overcomes the world; Love, that quells all fear. If these are used, the acid in our hearts—selfishness, hatred, envy and scorn—will be wiped out and Christ will have full sway. We must keep Christ within our hearts if we would love and lift the souls of men who do not know His sacrificial gifts.

In hearts of men may there be found  
Our Lord's abiding place,  
Until we're called to higher realms  
And meet Him face to face.

The Young People's Department of the Auxiliary, Miss Benetta Bullock, President, rendered an excellent program at their meeting, held on Wednesday. The President gave a splendid address. Miss Mar-

jorie Holloman, with choice words, in a pleasing way, presented Miss Bullock. God bless those who supervise this Department and the splendid group of Young People.

March 8th, 9th and 10th, in the city of Washington, D. C., there was held in the Calvary Baptist Church (white), the United Christian Youth Conference. The attendance was large; meetings interesting from the beginning to the end. Some of you, perhaps, had the same in your town or city, but I feel that it may be helpful to some who are training the Youth to have an outline of the subjects discussed by the different groups, and used if desired, in some meetings which may be had by you for the Young.

1. Developing a Program of Personal Religious Living.
2. Helping Other Young People to be Christians.
3. Assisting in Bringing About World Peace.
4. Answering the Question of Liquor.
5. Helping Build a Christian Economic Order.
6. Providing a Constructive Use for Leisure Time.
7. Being Christian With Other Racial and Cultural Groups.
8. Preparing for Marriage and Home Life.

These subjects were discussed by groups. The findings of each were printed and read at the afternoon meeting on Sunday. A great impression was made upon all who attended, and we want another next year. The President, Miss Bullock, with others of our Department were present.

Much has been said about organizing and having Mission Study Classes in your churches and communities. I am glad to say, that through the efforts of Miss Sarah Whetts, a class has been organized for the District Branch of Washington, D. C. For the first time, we shall have one conducted in our meeting by Mrs. J. L. S. Holloman. I sincerely hope that in the meeting of 1936, a large number of classes will be reported.

At the close of our Convention, Dr. Randolph and myself left for the National Baptist Convention of America, which convened at Muskogee, Okla. We travelled with some of the delegates en route to the National Baptist Convention at Oklahoma City. The trip was pleasant. The Convention is steadily progressing under the leadership of Dr. G. L. Prince. Representatives from all parts of the country were in attendance. The President delivered a wholesome and helpful address. He was positive in his utterances and admonished his hearers to make the Convention all that it should be.

The Woman's State Convention of N. C., which convened at Tarboro, N. C., in October, celebrated their Golden Jubilee. They rejoiced that God had been with them in these years of service. Ses-

sious were well attended. Pledges were made for Shaw University and Foreign Missions for the \$70,000.00 Drive in that State.

In October, the Woman's Auxiliary of the Baptist Convention of the District of Columbia and Vicinity met in Anacostia, D. C. The women are untiring in their efforts to make this Auxiliary one of the best. I had the pleasure to preside at the Election of Officers.

"There is a land of pure delight  
Where Saints immortal reign,  
Eternal day excludes the night  
And pleasures banish pain.  
There everlasting spring abides  
And never fading flowers;  
Death, like a narrow sea divides  
That heavenly land from ours."

Since we last met, God has called from labor to reward our Honorary President, Mrs. L. A. Hope and Mrs. Ella J. W. Johnson, a member of the Executive Board, and others. Mrs. Hope was not with us for a number of years because of illness. Mrs. Johnson was present last year. Both have wrought well in the Master's Kingdom.

I wish to say, that our custom is to send goods each year to our Missionaries. After looking carefully over what we have, I decided to wait until after the Convention, so that we would have enough to send all something. This shipment will include all the goods that we have. This means that we must begin anew to supply our store-room with goods.

During the year, I have received money from a number of persons. In order not to duplicate the reports, they will be given by Mrs. M. L. Penn, our Corresponding Secretary, and Mrs. G. O. Bullock, our Treasurer. During the year, our month-piece, the Herald, was sent out bi-monthly—numbering 13,320 copies. We hope that you received them and will renew your subscription, which is fifty cents per year. It has been a task to keep the Herald afloat.

If the subscribers will pay annually for the paper, and seek to get others to do the same, we can keep the paper just as it is, and there will be no need of advertisements to help to defray the expense.

I therefore recommend that \$100 be given toward the debt of the Lott Carey Herald. At the conclusion of the President's Address letters were read from the following missionaries:

Dr. and Mrs. W. H. Thomas, Brewerville, Liberia, W. C. Africa.  
Dr. Chas. M. Bryant, Brewerville.  
Miss Clarice Gooding, Rear Careysburg, Liberia, W. C. Africa, and  
Rev. Samuel Stubblefield, Liberia, W. C. Africa.

## CORRESPONDING SECRETARY'S REPORT

Madam, President, Officers, Members and Friends of the Woman's Auxiliary to the Lott Carey Baptist Foreign Mission Convention. We are grateful that the hand of Providence has guided us safely through another year and permitted us to assemble in this annual session in Connellsville, Pa.

Our work has progressed in spite of handicaps, many of our Circles have contributed regularly, these contributions have meant much to the work. The \$50,000.00 drive has stimulated our work. We appreciate the pledges and contributions that have been made. We ask for faith and courage that we may be able to accomplish greater things. For it is at his word that all of our Missionary work has been undertaken. We have received blessings beyond our expectations.

If any of you are discouraged, let us draw nigh to Him and catch from Him the vision of a world, lost in sin and shame, a world worn and weary, with a people scattered like sheep without a shepherd and give ourselves to our task with a new courage, the battle is the Lord's, we shall conquer in His name.

**CORRESPONDING SECRETARY'S REPORT**

Officers, Members of the Junior-Young People's Department to the  
Women's Auxiliary of the Lott Carey Convention:

As we look back upon the past year, we feel that although we did  
not come up to the standard we have done our best.

We have only nine blue ribbon circles this year. Many of the cir-  
cles have contributed nicely, others have not. I am urging you to  
send a little something each quarter. Remember every little bit helps.

We all realize that times are hard and finance not what we desired,  
but I am urging each circle to try and do better next year. Don't  
be discouraged and don't give up until you have to.

We pledge our sincere allegiance to the parent body and ask of them  
their prayers.

We are hoping that every circle will be a blue ribbon circle next  
year.

Again I say unto you, "Don't give up" for—

If the road is rough

And the journey steep,

If you find it hard

The pace to keep—

Don't give up!

If all the world

Seems hard unjust—

Keep close to God

And in Him trust—

Don't give up!

**TREASURER'S REPORT**

To the Members and Friends of the Lott Carey Baptist Foreign Mission Convention—Greetings:

The thread of another year has been woven into the pattern of Baptist Foreign Missions and has become a part of the design for which this organization stands. Everyone who has contributed in any way represents a part of a strand of each thread, which if taken separately would mean little, but combined is strong enough to mean much in the lives of many people.

Our thread is made of three strands, the Women's Department, the Men's Department, and the Junior Department. This year the Junior Department has a strand of bright hue, for we have colored our strand with optimism, hard work, and results.
