*Call for a National Convention of Colored Baptists

Dear Brethren: April 5, 1886, an open letter to the Baptist clergy and laymen was issued by Rev. Wm. J. Simmons, in American Baptist, asking if we should have a National Convention to discuss questions of interest to our beloved denomination. At that time the following reasons were given:

1. To promote personal piety, sociability, and a better knowledge of each other.
2. To be able to have an understanding as to the great ends to be reached by the denomination.
3. To encourage our literary men and women, and promote the interests of Baptist literature.
4. To discuss questions pertaining especially to the religious, educational, industrial, and social interests of our people.
5. To give an opportunity for the best thinkers and writers to be heard.
6. That, united, we may be more powerful for good and strengthen our pride in the denomination.

Having been solicited to write the Call by many whose names and endorsements are hereunto affixed, the Call is hereby made by their advice and solicitations for said convention to meet in St. Louis, Mo., August 25, 1886, 10 o'clock a. m., in the First Baptist Church, and the pastor thereof is hereby requested to serve as a Committee of Arrangements, with power to select his associates.

Wm. H. Steward, Louisville Ky., and Rev. R. H. Cole, 2609 Goode Avenue, St. Louis, are hereby requested to serve as a Committee on Transportation.

WM. J. SIMMONS.

The chronological report in our National Baptist Minutes is hereby corrected, viz.: The parties as they appear below were officers of the Foreign Mission or National Educational Conventions, as were their predecessors. Said conventions merged into the National Baptist Convention in 1886 or met co-jointly with it, or otherwise.

REPORT OF THE CHAPLAINS' COMMISSION—DR. W. H. JERNAGIN

Brother President and Members of the Convention:

As chairman of the Ecclesiastical Committee of the NATIONAL BAPTIST CONVENTION, I am glad to submit my annual report on the chaplaincy of our denomination.

Since our last session, we have examined and given ecclesiastical endorsement to over 78 who have made applications and have come up to the requirements of the regular army. Of that number, 78 had been appointed up to July 31, 1944.

Our quota for 1944 is 165, and the last report that we had from the chief of the chaplains' office on August 20, 1944, showed that we lacked 27 of complying with the total amount. They again increased our quota because of the need and the increased Army. There have been appointed, out of all of the Negro denominations, 239 chaplains and they are still urging the denominations for young men that are prepared for the chaplaincy, because after the close of the war, a number of pastors will be going back into their regular services and there will still be chaplains needed with our troops for the next year or two until the Army gets down to the size of a standing Army. Therefore, I am still asking leaders in the States to encourage qualified men to make applications for the chaplaincy. Since our last session the Legion of Merit and the Purple Heart awards have been made to two of our Negro chaplains.

We were all gratified when the Navy Department made provisions for Negro officers, with two chaplains included in the corps of officers. Chaplain Workman, chief of chaplains of the Navy, spent some time in my office discussing this whole matter and I made every effort I could by writing the presidents of each state convention and some of the pastors asking them for qualified young men, not over thirty-five years of age, for the chaplaincy of the Navy because we knew it was a history making event. But it seems that all of our Baptist men wanted to go into the Army and not in the Navy. However, we thank God that a Colored chaplain has been appointed in the Navy and I am sure he will make good.

Since our last meeting, we have had 22 of our chaplains promoted to the captaincy. I have endeavored to keep in touch with all chaplains thru correspondence; sending them whatever available literature I could obtain and have had some very encouraging letters from them. It is true many of them were asking for literature of our denomination which we tried to make available, as far as it was possible to do so. A number of chaplains who were appointed have returned to their former field of labor.

The chief of chaplains' office has been very kind in keeping us posted on many things concerning our chaplains. The Chaplains' Commission and the National Council of Service Men's Christian League adopted a plan to work jointly together and our quota in the Service Men's Christian League was $480 for 1943. The president of the National Baptist Convention made arrangements and the $480 was paid, which kept the good name and the reputation of the National Baptist Convention up to par with other denominations that belong to the League. This League has been of great service to the men on the battle field and every denomination that belongs to the Commission has been called upon to increase its contribution to carry on the work that the League and the Commission have been doing.

In July, 1943, the per capita of our chaplains was reduced from $15 to $7 which made our apportionment, because of the number of our chaplains, $480. We only gave $200 of that amount, and our quota for 1944 is $392. On June 7, 1944, the Commission asked each denomination, because of its expanded program, to increase the original amount one-third of the original, $131, which would make our grand total $523.

I am still calling the attention of the leaders and the Convention that because of our large number that we publish thru the government census, we are put down among the leading denominations of this country, both white and colored, therefore, our responsibilities must be kept up or else we will become a laughing stock with these different interracial organizations to which we belong, and we are contending for the rights of our people; then when it comes to the hearing of responsibilities, our contributions do not equal those of other denominations; and some of our smaller denominations are paying more than we are.

Last year, I urged and recommended that the Convention set aside at least $1,000 for the president to meet these emergencies that arise during the interim. Other great denominations are doing that and their leaders are able to meet these emergencies with some consideration and I trust that the Finance Commission and Board of Directors will give serious consideration to this matter.

Upon the recommendation of the president, the office of the Commission on Chaplains was opened in Washington, D. C., and $450 was given to that office to assist in clerical help, stamps and other expenses connected therewith. The parent body gave $200, the Woman's Auxiliary gave $150 and the National Sunday School and B. T. U. Congress gave $100, making a total of $450, of which I am very thankful. I trust that this office has proven itself

in its endeavors so that these contributions can be made annually and possibly increased.

The Commission asked me whether or not we wanted to endorse all of the chaplains that were on the roll or whether there were any we desired to withdraw our ecclesiastical endorsement. I am happy to say that we were able to give endorsement to all the chaplains that were on our roll.

Respectfully submitted,

CHAPLAINS' COMMISSION, NATIONAL BAPTIST CONVENTION, U. S. A.,

ARMY SERVICE FORCES, CHARLESTON PORT OF EMBARKATION, SECTION W, STAGING AREA

Charleston, S. C., September 2, 1944

Subject: Report to the National Baptist Convention, Dallas, Texas, September 5-10, 1944, by Chaplain Sylvester R. Bright, Captain, Section -A- Chapel, CPE, Charleston, South Carolina,
Att: Of Doctor Nabrit, Secretary
To: President Jemison, officers and delegates, 65th Annual Session, National Baptist Convention, Fair Auditorium, Dallas, Texas:

1. Endorsement:

I appreciate your endorsement effective through your agency (The General Commission on Army and Navy Chaplains), Washington, D. C., February 25, 1943.

2. Appointment:

Our appointment by the War Department was made March 27, 1943. I took oath of office as Chaplain, 1st Lt., April 1, 1943, and reported to the Chaplain's School, Harvard University, April 4, 1943.

3. Assignment:

On May 5, 1943, upon graduation from the Chaplain's School, I reported to my first assignment with the 261 Qm. Service Bn., restricted, Charleston Port Embarkation, Charleston, S. C. A few weeks later I was relieved from assignment to this outfit until November 1, when I was assigned to CPE.

4. Accomplishments:

With the cooperation and personal direction of the Commanding General Commanding Officers of the Units and Staging Areas, provisions were made at once for religious services to be held in the theatre building and day rooms of the Carver Area temporarily. Within 90 days a large 500 seat tent was erected with every convenience possible: this was used until the erection of the modern chapel, complete in every detail. It was formerly dedicated May 7, 1944.

In this Staging Area the temporary home of thousands of Colored troops there was given by the Commanding General during the first twelve (12) months of our service:

(a) An enlarged Post Exchange Building
(b) A fine Service Club
(c) Beautiful M. P. huts for colored M. P.'s
(d) A drill field named after Booker T. Washington
(e) An area named after George Washington Carver
(f) A beautiful Baptismal Pool, dedicated August 1, 1944, the first of its kind ever constructed to our knowledge, in the history of Army Chapel life.

Many soldiers accepted Christ and were baptized in the Atlantic Ocean, protected by a patrol of two water ducks; the Memorial Baptist Church, Central Baptist, Morris Street Baptist, and Salem Baptist Church of Charleston, S. C., and in the Pool recently constructed.

5. Eighty per cent of our personnel are members of some Christian Church, with ninety-seven per cent of these Protestants, two per cent Catholic, and one per cent non-denominational.

6. Our average church attendance for five regular services each week is thirty per cent of the personnel. This we feel is unusually fine in view of the fact that more than 50 per cent are busy working 24 hours daily at this vitally important Port, which means so much to the success and the morale of the soldiers over seas.

7. A complete organization program is prosecuted with support from our various denominational agencies. Over 30,000 pieces of literature and testaments were distributed to soldiers passing through this Port.

8. The Gospel is preached and taught in every barrack, Day Room, Service Club, Lounge, Guard House, Hospital and Ship, and various churches in the city nearby. We have prayed for and with more than 5,000 wounded soldiers and sailors of all races. The Gospel of righteousness, with the unreserved support of the Commanding General and his staff and area Commanders has brought about a fine relationship between soldiers and civilians of all races and nations in this vicinity that is unsurpassed anywhere.

9. I am grateful to God for my Gospel Commission, to you for my ecclesiastical endorsement, to the Army for the opportunity to preach ONE LORD, ONE FAITH, ONE BAPTISM.

Secretary's Report

OF

National Baptist Convention, Inc., U. S. A.

AT

Dallas, Texas, September, 1944

Period: June 30, 1943, to July 1, 1944

This year, we again, assemble, from the gloom of death. R. C. Barbour was of unusual preparation and, though young in years, had a wide range of experience in denominational affairs, as editor of our denominational organ since 1930, and pastor of the great First Church, Nashville. He put aside his trenchant pen and closed his Bible and fell asleep, a martyr to service on the first Lord's Day in August. May he rest with the fathers in peace.

After a glorious session, under extraordinary conditions in Chicago, we adjourned to meet here in Dallas in our annual session.

A brief session of the Board approved the expense listed and recommended by the Commission. See auditor's statement of itemized accounts.

The Board met in its Winter Session with the Roanoke Baptist Church, Rev. R. C. Woods, Pastor, Hot Springs, Arkansas, February 17, 1944. Dr. D. V. Jemison was elected chairman, and J. M. Nabrit, secretary of the Board of Directors for the year.

The Special Committee on Salaries reported. (See list.)

The resignation of Dr. J. M. Nabrit as president of the Seminary and Training School was announced. A Committee was appointed to recommend a successor. It was voted to charter the Training School under the Laws of Tennessee and turn same over to the Woman's Auxiliary to operate.

The Sunday School and B. T. U. Congress Constitution was approved. A report was submitted by the Post-War Planning Commission. A report of War Camp Visitation was made by Dr. J. L. Horace, Illinois.

A report on the preparation for the Dallas Meeting was submitted by the Texas Committee.

A very profitable session of the Board adjourned to meet in connection with the Congress at Birmingham.

The Directors met in the Tabernacle Baptist Church, Rev. W. L. Varnado, Pastor, June 21, 1944.

The program was drafted. Reports were submitted by the officers.

Salary schedule was completed and approved. A Committee was appointed to draft resolutions on Race Citizenship to be sent to the two political Convention.

Auditor's Report

OF THE NATIONAL BAPTIST CONVENTION, U. S. A., Inc.

For Year Ended June 30, 1944

Dallas, Texas, September 4, 1944

Dr. D. V. Jemison, President
National Baptist Convention, U. S. A., Inc.
Dallas, Texas

Dear Doctor Jemison:

We herewith submit audit of the books and records of the National Baptist Convention, U. S. A., Inc., its officers and books, for the year ended June 30, 1944.

Respectfully submitted,

J. B. BLAYTON, Certified Public Accountant

ACCOUNTANT'S CERTIFICATE

I certify that the books and records of the National Baptist Convention, U. S. A., Inc., its fiscal officers and boards for the year ended June 30, 1944, have been audited by me or under my supervision; and that in my opinion the attached exhibits and schedules correctly set forth the true financial position of the corporation as at June 30, 1944, and for the fiscal year ended on that date, except as qualified in comments.

J. B. BLAYTON, Certified Public Accountant

COMMENTS

I. FINANCE COMMISSION:

a. Books and reports in excellent condition.

b. Provision made to retire Refunding Note, 5's '44. $78,000.00 provided for this purpose. At June 30, 1944, bond holders had surrendered bonds totaling $66,890.00 par value, distributed as follows:

Denomination	Number Surrendered	Principals Amount
$10.00	1,397	$13,970.00
20.00	826	16,520.00
50.00	358	17,900.00
100.00	185	18,500.00

Attached to these bonds when surrendered were interest coupons aggregating $4,203.75. This is in addition to $2,862.25 interest coupons

surrendered and paid for other than along with the bonds. There are bonds of this issue yet outstanding in the principal amount of $48,800.00. Many of these are in hands of conventions, departments and boards and will be surrendered without payment when demanded.

c. First mortgage bonds are fully paid off.

d. Second mortgage bonds in amount of $126,000.00 are entirely owned by Convention boards, therefore do not constitute debts to outsiders. They are, however, used to collateralize Convention borrowings, having not been cancelled.

II. MORRIS MEMORIAL BUILDING, NASHVILLE:

a. While the statement of operations for the building shows a sizeable loss, it should be noted that many Convention commissions, committees, and officers make use of the building, and maintain offices without the formality of paying rent. This, however, does not apply to the Sunday School Publishing Board which pays $12,000.00 per year for space it occupies. All costs of operating the building are charged to the operations account of the building.

b. Since much renovation has been done on the building during the past year, no depreciation has been provided for the fiscal year ended June 30, 1944.

III. THE NATIONAL BAPTIST VOICE:

a. Because of the death of Editor Barbour while the audit was in progress, the review of this unit was continued to date of his death. Thus, a special audit will not be required when the affairs of that office are turned over to a new editor.

b. It is the sustained opinion of your auditors that the "Voice" should be required to cover all its costs from the subscriptions and other income.

IV. SUNDAY SCHOOL PUBLISHING BOARD:

a. This Board is efficiently managed. Its net income for the current year was some $17,000.00 higher than in its most profitable prior year.

b. Because this unit makes use of service of many skilled persons, and must compete with war plants, government agencies, and the Armed Services, it has been difficult to maintain a capacity staff of superior employees. This handicap is reflected in the Board's operations. Similarly, since the Board uses critical materials for its products, its operations are handicapped.

c. Because of conditions mentioned above, the accounting records were not found to be quite up to the usual high standard maintained by this Board. Certain of the subsidiary ledgers were found to be out of agreement with their controls but not in important amounts.

V. THE FOREIGN MISSION BOARD:

a. This Board is efficiently operated. Its records are clear and complete.

b. The Board is now hoarding its funds in order that in the post-war period it may again resume its work in foreign fields to the extent which it has customarily maintained. Your auditors believe that investment policy of this Board is sound.

VI. THE NATIONAL B. Y. P. U. BOARD:

a. There has been great improvement in the accounting records and fiscal policies of this Board.

b. The gross profit on sales is somewhat under that which your auditors have come to expect. The cost of goods bought for manufacture and for sale have increased in price. This accounts for much of this showing.

c. Laws governing withholding taxes should be strictly observed.

HOME MISSION BOARD:

a. The bank account for this Board is in the personal name of the Board Secretary. This account should be maintained in the name of the Home Mission Board, National Baptist Convention, U. S. A. Inc. The secretary has been so advised.

b. Great improvement in the accounting records of the Board is needed. All payments should be by check. This is not now the case. Duplicate receipts are not clear. Many are not entered in the records. Many entries in the records are not well supported. No satisfactory classification of receipts and disbursements is possible from the records. The report of this Board is made up from such data as was available and this report is qualified accordingly.

c. No audits were made of this office for past two years. The secretary states that he had no balance on July 1, 1943. The cash balance obtaining at June 30, 1944, then arose entirely out of the operations of the fiscal year 1943-44.

d. The secretary estimates that the equipment of his office cost $1,000.00. This amount has accordingly been established as an asset in the consolidated balance sheet.

e. A completely separate set of records should be maintained for the photography business. The Board should examine the property of the unit and its relation to the other work of the Board.

Perhaps the Photography department can be made a highly profitable unit. Its income and costs including salaries should be carefully and independently computed. During the fiscal year of this audit photography appears highly profitable. Your auditors cannot, however, certify as to the correctness of those figures for reasons already stated.

VII. THE NATIONAL BAPTIST MISSIONARY TRAINING SCHOOL:

a. This school is now operated under a board of trustees, its officers are members of the Woman's Convention. This change became effective as of June 1, 1944. Our audit of this unit is therefore for the eleven month period ended May 31, 1944.

b. Your auditors have held several conferences with the fiscal officers of the school. We believe that the officer whose responsibility it is to handle the records of the school can competently perform the duties of her office. The handicap under which the former administration of the school operated no longer exists. This school now operates independently and with an independent and full time staff.

VIII. THE AMERICAN BAPTIST THEOLOGICAL SEMINARY:

a. This school is operated by a board of trustees provided jointly by the National Baptist Convention, U. S. A., Inc., and the Southern Baptist Convention (white).

b. This school is under a new administration which assumed office June 1, 1944. The figures for this unit are therefore as of May 31, 1944, instead of June 30, 1944.

c. Paragraph (b) in item VII above is equally applicable here.

d. A more satisfactory method of dealing with problems of student labor and goods produced on the farm operated for the school has been discussed with the new President.

e. No value has been assigned to farm animals and farm equipment as your auditors are in doubt as to the exact legal ownership of these items. The Convention's attorney should furnish a memorandum on the existing legal status of such property.

IX. THE BENEFIT BOARD:

a. Little business done but all funds are accounted for. Records are clear.

X. THE WOMAN'S CONVENTION:

a. Because of illness of Treasurer no records were submitted for review.

b. Because of death of Mrs. Craig, no records were submitted for the Young People's Department.

c. President's report is in order, adequately detailed and supported.

d. The report of the Corresponding Secretary is as submitted to us and we take no responsibility for its accuracy. Your auditors requested this officer to submit vouchers, cancelled checks and other data but up to time of drafting this report (September 2, 1944) none had been furnished. In fairness to this officer, it should be mentioned that your auditors' request for these vouchers was made to Corresponding Secretary upon receipts of her report about August 19th.

IN GENERAL:

Your auditor deeply appreciates the splendid cooperation afforded him and his staff during the conduct of this audit and during the year. Your auditor has been in constant touch with the fiscal affairs of the Convention for the entire year. The officers and executives of Boards have felt free to make use of our services at all times. We have been happy to serve them all in whatever way we could. Where officers or departments did not submit reports or records, we have omitted from asset or liability schedules any amounts which such reports or records may have suggested.

TO THE BOARD OF TRUSTEES OF THE NATIONAL BAPTIST CONVENTION, U. S. A., Inc.

Ralph W. Riley, President, American Baptist Theological Seminary, Nashville, Tennessee

The need for consecrated trained Christian leadership, more and more, becomes an unsolved problem in the confines of our denomination. For twenty-four years, leaders of our denomination have not only been giving consideration to this question, but have been giving time and support to relieve our church from this too prevalent embarrassment of untrained and nondependable Christian leadership. Our people and churches cannot be far removed from the limitations and the handicaps placed upon them by unprepared leadership. There must be in the future, it seems to me, special attention paid to this very grave problem among us. We have had partial support but we must have in the years ahead of us more consistent and regular supporters than we have had in the past.

The American Baptist Theological Seminary, an institution owned, controlled and supported by Baptists, North and South, colored and white, is now passing through a period of organization, and launching upon a new endeavor for a larger task with efforts to increase expansion in the field of curriculum, up-grading of faculty and facilities. It is easy to see that a larger demand is to be made upon all of us, if the American Baptist Theological Seminary is going to maintain its place along with other accredited schools of the nation to be in any sort of position to bid fair, in the future, for its share of promising students.

As we have all heard by this time, Southern Baptists in effort to show their abiding interest are not only matching us in all our contributions, but also in our loyal endeavors, have agreed, as soon as it is possible, to construct for us on the campus, a chapel, library, homes for teachers and the president. Southern Baptists will do this, and according to the agreement of the original charter by which the school operates, we shall be called upon to furnish these buildings.

In the light of these facts, as president of the Seminary, I wish to offer some suggestions for our consideration in the form of a resolution as follows:

1. That the NATIONAL BAPTIST CONVENTION in the year 1945, shall conduct an educational drive for funds for the AMERICAN BAPTIST THEOLOGICAL SEMINARY and that the entire forces of the Convention be employed in the operation and completion of this very tremendous undertaking.

2. That the goal be set at $200,000.

3. That the President and Trustees be requested to arrange for workers and for the recompensation of the same to aid in the pushing of the drive for the year.

4. That the editors of our national and state papers be requested to give full support to the publication of this campaign.

5. That the churches shall join the President in the observance of a SEMINARY DAY and a contribution to be taken and sent to the SEMINARY upon the notification of the President and the announcement of said DAY.

6. And that said SEMINARY DAY be an annual affair and that the funds taken in 1945 be counted as a contribution towards the $200,000 effort.

7. And that the NATIONAL BAPTIST CONVENTION request the assistance of the Southern Baptist Convention in the support of this drive and in the publicity of the same.

Respectfully submitted,

(Signed)

RALPH W. RILEY, President
A. B. T. Seminary

ANNUAL REPORT OF THE BENEFIT BOARD

Rev. R. W. Riley, Tennessee, Secretary

Mr. President, Officers and Messengers of the National Baptist Convention of the United States of America, Incorporated, Greetings:

Another year has rolled around. For seven years, we have been engaged in one of the most tremendous undertakings of the church, that is, the effort to arouse interest in and gain support of our denomination, to perfect a sound Pension Plan for our aged ministers and our dependent Christian workers. To this date, the job has not been completely accomplished but through patient study and constant work, we have gone a long ways towards the solution of the problem by a more vast exploration of other territories to be covered. The actual facts with which we have to reckon, when it comes to developing a Pension System for such a huge, democratic and unwieldy organization as the National Baptist Convention are difficult ones and must not be underestimated. By now, we are not only in agreement of the problem but also we are together on the gravity of the situation, and, are just about ready to take active steps for further study and the actual creation of an effectively working Pension System for our workers.

We are happy to state that for the past year, we have had the assistance as a field worker, Rev. Joseph E. Powell, who has been faithful in the prosecution of the work as he understood it and was able. Through his efforts and the cooperation of Board members, churches, associations and conventions, we have had the best year, perhaps, the Board has experienced in the thirty-one years of its existence. I am sure it has exceeded all the previous seven years which has been my privilege to serve.

Baptist ministers and church lay-workers like all other workers live in fear of old age, physical failure and incapacity. Laboring under such anticipation, many of our pastors are tempted to "gather while they may" and soon find themselves occupied in what we pastors know as side-line activities, to the extent that we are not only impaired to do the one thing to which we have dedicated our lives, but a too hasty discovery of the physical breaking point and an untimely death. Removing such a nightmare from our brethren should not only concern ministers, but engage the most serious consideration of our entire church constituency. We must stop this extravagant, unnecessary waste of our ministerial man-power and Christian-leadership of our race, if we continue to carry on as a great race and denomination.

The Plight of Our Aged Workers

Today, even in prosperous times as we are now experiencing there are many of our aged ministers who have not gotten anything out of life's bountiful share of past nor present prosperity and are at this present hour living with relatives, or woefully existing among and upon friends in many communities throughout the United States. They cannot dig, they are ashamed to beg. To permit our leaders to be reduced to such menial status as are now prevalent in some quarters is a complete denial of the fact that Providence can or will

be any more kind to the faithful in righteousness than those who have been otherwise. If figures could be secured as to the number of needy ministers among us, it might open our eyes to a greater advantage in connection with this particular neglect, but figures of this kind are difficult to secure, if they are gotten at all, as people will not so readily broadcast their needs and their sufferings as much as they will their success and achievements especially, when the truth of their actual condition will be known by people whom they have assisted, in many ways, and to whom they now must look for the bare necessities of life. A sound pension system will remove this embarrassment and give zest and strength to the every endeavor of all our ministers.

The Days Ahead

At this all and important hour when the nations of the earth are concerned with the thought of past prosperity and security, the church should take the advantages of the Spirit of planned-economy and complete its pension plan for its worthy workers. The National Baptist Convention will not have done its duty until some tangible step is taken in this direction. Now that the present secretary becomes president of the Seminary and the main work of the Board will be under new leadership, altho it may cause something of a change in policy or plan of operation, we have every right to work with and look forward to, through our cooperation, a better and more substantial success than we have had in the days behind us. We must stop until we have found the way, the right path and walk therein.

Forty-fifth Annual Report

OF THE

NATIONAL B. Y. P. U. BOARD

REV. J. W. GAYDEN, Chairman
E. W. D. ISAAC, Secretary

Fiscal Year Ending June 30, 1944

—Submitted At—

Dallas, Texas, September 5, 1944

Your Board is pleased to offer the Forty-fifth Annual Report of its stewardship in promotion of work in the interest of training in church membership. Gains for the year, while not spectacular, have been steady and permanent.

We are grateful to God for his blessings during the past year. We are also grateful for the increasing opportunities for service in the demands which are made on this Board. While serving the many individual churches during the past year, we have been given the privilege of participating in many conferences, associations, conventions, and other general meetings which have increased our opportunities as well as our responsibilities.

Never has the life of our constituency been so disturbed and confused. As in every crisis or conflict there are faint-hearted, as well as the resolute and courageous. The words priority, duration, draft and ration, have developed a sinister meaning to our people, but in and through it all, there are still those who definitely hear that "Still Small Voice," as it says, "Be still and know that I am God." We are determined to continue to "go forward," for we hear anew our Lord's command "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you alway, even unto the end of the world." Again we hear him say, "As the Father hath sent me, even so send I you."

The work of this Board is constantly increasing. Its activities are thoroughly systematized; its working force well organized. There is thoroughness in efficiency in production and economy in operation. Your Board has also substantiated and justified the claim that it is the Training Agency of the church. It has brought pastors and religious leaders to a recognition of the fact that there must be trained workers in every church, if the church would find its place in the economy of religious endeavor.

Its Distinctiveness

The work of the Baptist Training Union is distinctive as shown by its object, which is:

1st—To secure the increased spirituality of young Christians.
2nd—To train them in essential church activities.
3rd—To edify (build them up) in Scripture knowledge.

4th—To instruct them in Baptist doctrines and history.

5th—To enlist them in all forms of missionary endeavor.

We recognize and appreciate the distinctive character of the work that we are doing. We are training for service with the hope of reflecting the strength, the greatness and the glory of the churches.

One of our greatest spiritual needs today is love for the church and loyalty to its worship and its work. The church is beyond all question the truest and best friend of mankind; it cooperates with a guiding hand; it is the source of spiritual fellowship; it promotes friendliness, and love and gives all which good examples but no kings take away. The church is the one great organization that stands for the highest and best in our scheme of life. It bears the torch of the culture of correct living, and of spiritual regeneration. The church must lead in all the great drama of human history, and in all the great reforms of the world. For that essential, inevitable task its teachers, leaders and supervisors must be trained for the prosecution of its work.

The Training Camp

The B. Y. P. U. and B. A. U. Unions make up the TRAINING CAMP of the church. The peculiar task of the church is to make disciples for its Founder. Authoritative warrant for this particular work of the church in the world, authoritative warrant for this particular work of reconsecration is found in the command of the Lord commonly called the GREAT COMMISSION. The church is to see to it that the gospel is preached to men with such persuasion and power that they will accept it and become disciples.

Having been discipled, they are to be baptized. In the light of the history of the early church, recorded in the Book of Acts, this involves not merely their personal submission to the ordinance of baptism, but their ordered gathering together with their baptized fellow-disciples into the fellowship of an organized body. Thus discipled and baptized, they are to be taught, trained, disciplined, and developed. The divine purpose is not fulfilled when men are brought to Christ. They must be built and made complete in him. Often interest in a given person slackens when he has been brought to confess Christ. The average church and the average Christian work seem more concerned to get men saved, than to get them qualified for service.

As a result of this one-sided emphasis many of those who are hailed as converts in the revivals of the previous year are never heard from after the time of their surrender. As another consequence, our churches are full of spiritual babies, undeveloped Christians, unintelligent believers, untrained and unskilful disciples. There is life but it is feeble. There is faith but it is weak. There is hope but it is not well grounded. Not less persistently and urgently should the invitation be given to come to our Saviour, but more earnestly and intelligently should the work of building up the believer in Christ, the training of the life in Christian graces and service, be prosecuted by the church.

Spiritual Development

Another phase of our work is the systematic development of the spiritual life of our members. There is still the lack of discrimination between spiritual growth and weird hallucination. Wild excitement and frenzied emotion are too often regarded as appropriate, essential and conclusive evidence of advancement in the things of the Spirit. Not so. The spirit is an entity that dwells within. Outward demonstrations mean very little unless they are prompted by this indwelling Spirit.

The indwelling of God the Holy Spirit is the common mark of all believers in Christ. It is the Shepherd's mark of the flock of the Lord Jesus distinguishing them from the rest of the world. It is the goldsmith's stamp on the genuine sons of God, which separates them from the dross and moss of false

professions. It is the King's own seal on those who are his peculiar people proving them to be his own property. It is the earnest which the Master gives to his believing disciples, while they are in the body, as a pledge of the full redemption yet to come on the resurrection morning. "The Spirit itself beareth witness with our spirit, that we are the children of God" (Rom. 8:16). Moreover the Spirit animates us with the characteristic temper and purpose of a Christian. "For as many as are led by the Spirit of God, they are the sons of God" (Rom. 8:14). Such relations imply also the ethical fruits of regeneration, love to the disciples of Christ, and insight into spiritual things.

A sound, sensible theology justifies the belief that like nature the Spirit has its harvest and that this harvest provides the most conclusive, most satisfactory evidences of increasing spirituality. The harvest of the Spirit is love, joy, peace, good temper, kindness, generosity, fidelity, gentleness, self-control—there is no law against those who practice such things. Constant steady, symmetrical growth in all these ethical fruits of regeneration is our interpretation of the term "increased spirituality." Such progress in religious life is what the Apostle Paul was pleased to call "growing in grace."

Promoting Bible Study

A sure and certain means of obtaining spiritual growth, edification, a building up in the Scriptures is devout, reverent systematic Bible study. We contend, therefore, that "edification in Scripture knowledge" is highly essential. The church has neglected one of its most important tasks when it fails to provide for systematic reading and study of the Bible. To know the Bible means something more than a mere reading of its text. It means thoughtful consideration of its backgrounds; the purpose and means of its origin; its great characters as seen against the surroundings of their own times; its wonderful bits of literature in poetry or in prose; its great messages of stirring challenge; and above all, its record of the greatest life.

We may not know just HOW divine inspiration was given to the men who wrote the Bible; but we do know WHY God gave us the Bible: "All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness; that the man of God may be perfect, throughly furnished unto all good works" (2 Tim. 3:16, 17).

Baptists believe that every person on earth should possess, read, understand, and obey the Word of God. We believe that the Bible faithfully followed will lead to Christ, to Christian living, and to eternal life. Believing this, we shall never be satisfied until we have every member of the Baptist church enlisted as a Daily Bible Reader.

Preservation of Baptist Doctrines

There is no more important duty laid upon us than that of directing young people in their efforts to obtain a passable knowledge of the doctrines and history of their great denomination.

The tendency to compromise or to sacrifice the great, vital, fundamental doctrines which distinguish Baptists from other people is too great. With us there are **Beliefs That Matter,** fundamental doctrines worthy of inculcation and preservation.

The church is organized for the maintenance of the worship, the doctrines, the ordinances and the discipline of the gospel. In every age of the world Baptists have contended earnestly that the Bible is the law of the church; that the church is a spiritual body; that immersion is essential to baptism; that believers in Christ are fit subjects for baptism; that the baptism of infants is unscriptural; that according to Scriptural order, persons must come first to Christ, and then to the church and its ordinances.

What we really need is a restatement of the sounder doctrines of centuries ago—a more diligent inquiry for the old paths and a stronger determina-

tion to walk therein. The man or woman who boasts of being either a Christian or a Baptist must be able to give some sensible, convincing reasons for his or her claim. They must be prepared to differentiate between the doctrines of their own denomination and the numberless cults and creeds which are forming daily and challenging study and comparison.

In order to meet this challenge the young people in Baptist churches must be given systematic, thorough instruction in Baptist doctrines and history.

A Missionary Agency

The Baptist Training Union is a distinctive missionary agency. We place large emphasis on the study of missions. Interesting because of variety, fascinating because of its adventures, thrilling by reason of the marvel of its expanding influence the study of missions is a worthy companion to the study of the Bible.

Worldwide missions is the only view that can be taken of the scheme of Christian missions as it is unfolded in the New Testament. For this purpose of developing this spirit we form Mission Study Courses, suggest available material and where to find information along these lines. If the study of missions is given proper emphasis in the church program we may reasonably expect the following results. A more intelligent church, a wider recognition of the principle of stewardship, more missionary recruits, and expanding church.

Social Aspects

The Christian man or woman must be exemplary in his or her daily life and conduct. The believer must, of necessity, be an example to other people. This emphasizes the necessity for cultural processes in the development of the social life. The Training Union has its place for fellowship in the church program. No man liveth completely by himself. Life, to be whole, complete, well rounded must be a thing of fellowship with others.

The youth of our churches craves fellowship, they demand fellowship, and in one way or another, some place or other, they will find fellowship. The important question before the church is, Where and how shall its youth find that fellowship? Shall it be within the circle of the church's influence, shelter and care or outside, in the midst of commercialized amusements, and careless attitudes?

The church cannot afford to be careless or slipshod in its method of meeting this natural demand of its young people for fellowship. In this particular connection it should have a planned recreational program. Haphazard impromptu things have some value, but the thoughtful, carefully planned program is the only thing that works, holds, and develops youth in the long run.

In this connection our work is educational. We suggest and recommend the study of such books, pamphlets, tracts and other literature as are helpful to the proper development of this phase of the work. Such books and literature as contains formula for social amusements, bright ideas for entertainment and recreation in such manner as to preserve the sanctity, purity, beauty and grandeur of the holy religion which the young profess.

General Objectives

The general objectives of the National B. Y. P. U. Board are as follow

1. To establish the Baptist Training Union more thoroughly in the thinking of our people as the church program for training all church members as an essential element in the Christian educational program of every Baptist church.

2. To make substantial progress in the enlistment of all our people in all our church and denominational life through a permanently effective means of enlistment; namely, the training process.

3. To present God's challenge to our young Christians to meet the demands of the new day with a complete dedication of their lives to the Master in any life calling into which he might direct them, and to be ready at all times to respond to his call to preach the gospel at home or in the uttermost part of the earth, or to enter any other field of Christian service as a vocation.

4. To fortify our people with the truth and to equip them better through Christian training to meet the issues—social, racial, economic, political, and religious—of the complex age in which we live.

Everywhere the vision has been enlarged as to Training Union work. Our people no longer look upon the Training Union as a small, simple affair for a few young people. The vision has now been enlarged to include the last member of every church.

Our people have given serious thought and purposeful study as to how best to carry on this work. Many of our best people have studied the work and are now capable leaders in their churches and associations, seeking to reach every church with the best they have.

Progress Being Made

We are proud of our record. Progress is being made each year, yet there is much to be accomplished if we are to realize our objectives.

Many of our district associations are organizing on the Congress Plan, having study courses during all of their meetings.

Organization and Enlistment

There are powers undiscovered and undeveloped in every church membership. There are reserves of faith, love and service that have hardly been touched and used.

Every available prospect should be enlisted in the Baptist Training Union. This can be realized only when an organization has been set up sufficiently large to care for all of the constituency. The number enlisted and trained is determined by the size of the organization fostered in the local church.

The Isaac Foundation

We are endeavoring to build up the Isaac Foundation Fund for educational and extension purposes. We were able to give a HUNDRED DOLLAR ($100.00) SCHOLARSHIP this year. This went to William H. Claiborne, a student at Morehouse. It is our plan to have each Training Union give at least Five Dollars per year. Founder's Day has become a permanent institution in our Baptist churches. 5,000 Training Unions giving us $5.00 a year would give us a substantial sum to be used in giving scholarships to worthy young men and women of our National Baptist Convention, unable to go to college because of financial conditions, in our best denominational schools. We hope to be able to give at least part scholarship this fall to some young man in the National Baptist Theological Seminary, and some young woman in the National Training School at Nashville, Tenn.

Soul-Winning

Above all else members of the Baptist Training Union should cultivate a passion for souls. Leading the lost to the Saviour is the Christian's first duty and highest employment. Every member of the Training Union should share in this great joy knowing that it is the only way to grow strong in the

Christian life. Exercise is essential to develop strength, and this year God's appointed exercise.

"Today we face a new beginning. Another year has dawned with all its glorious prospects and challenging opportunities. The past with its sec ing failures and successes is now history. The record has been made. We m from it with many regrets that we were not able to accomplish more in service of the Lord. But all that we have accomplished, all we have exp ceed, all that we have planned for, prayed for and hoped for, is but a fo Gods and a sure token of the greater things, the more glorious things, more challenging things that confront us now and in the years to come.

IN MEMORIAM

We beg to pause long enough to pay merited tribute to our yoke-fellow, Dr. R. C. Barbour, who while in harness, fell from the ranks, on August 10, 1944, after having written his last Editorial: "A Stricken World; a Repentant Church; the Healing Christ," and having prepared and laid aside his manuscript for the last issue of the National Baptist Voice before the meeting of the National Baptist Convention, in Dallas, Texas.

We cannot, however, mourn for our comrade, for, being such a character as he was, we well know whither he has gone, and that he is now resting from his labors, and enjoying the unfolding of our Saviour's promise, "I go to prepare a place for you, that where I am ye may be also."

Contributions of the Year Received for the Sunday School Publishing Board

There are always some loyal, interested and sympathetic donors, who realize that the Sunday School Publishing Board needs assistance in the carrying on its work, especially its work of Missions and Religious Education.

The Sunday School Publishing Board makes, regularly, donations of Sunday school literature, religious publications and tracts, song books, etc., to prisons, jails, detention homes, charitable and benevolent institutions, public libraries, and mission stations in Africa and Islands of the Sea, that are connected with our Foreign Mission Board, etc. These donors thereby share with us the joy and the blessing that is ours, in thus contributing our part in the carrying out of our Lord's Great Commission, "Go ye, therefore and teach all nations; teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you alway, even unto the end of the world."

Our Work for the Next Year

In addition to performing our routine tasks next year, we must now enlarge our facilities for the expansion, development and projection of the work and program of our Christian Education Department, and bring to a halt the many inroads, both without and within, that are being made on us by other groups, and which are rapidly distracting the loyalty and support of our constituency from us. It is also imperative that we do this NOW, to keep pace with other denominations, even of our group, who are rapidly forging to the front in their program of Christian Education.

To this end, therefore, the Sunday School Publishing Board solicits your full and hearty cooperation in every way, especially by patronage and support of our program of Christian Education, that we may be of larger helpfulness in carrying forward the tasks assigned us, for the progress and advancement of the Master's Kingdom.

Respectfully submitted,

REPORT OF STATISTICIAN

To the President, Officers and Members of the National Baptist Convention, U. S. A., Inc.:

It is with genuine pleasure and a great sense of responsibility involved with the duties of this office that I present to you my annual report. The National Baptist Convention represents the largest Baptist constituency in the world. It has the largest constituency of any group, except Catholic and Jews, in the United States.

Each year the Statistical Department of the National Baptist Convention has grown in its work as one of the most important departments of the National Baptist Convention in the disseminating of information and statistical data.

We have done our best this conventional year to inform ourselves and the world as to our work and progress through correspondence, travel, and releases to the Press. We have done this year, as in former years, given information and statistics to denominational, educational and governmental groups. Be it said to the credit of the Statistical Department that this department is looked to by various agencies throughout the nation as a clearing house for all information desired about Negro Baptists.

The Statistical Department has edited the 1944 edition of the National Baptist Bulletin. This is a standard yearbook of Negro Baptists and requests are received through the year for this book. It is used as a reference in many of our standard white and Colored colleges. The work of the Statistical Department through this yearbook is recognized as authentic and well compiled. We need not tell you that this department demonstrates what can be done with interest, and some funds, if one is willing to work and make a contribution to the denomination. This Statistical Department is the best to be found anywhere among Colored denominations and is the equal of many of the white. We do not put in the money in this department that our white friends put in theirs, but we have done our best with the limited appropriation received.

We have come a long ways in this phase of our denominational work. In former years, very little consideration was given to this work, but under the Christian statesmanship of the late L. K. Williams and our present chieftain, [illegible] V. Jemison, and the unsolicited cooperation of you as Baptist leaders, this department is growing every year. We are happy too, because of encouragement and very fine support which all of our Baptist leaders as modera-

tors, presidents of state conventions and secretaries of associations and ... conventions have given us. This year we have attempted to find out how much money has been raised by our various state conventions. We sent questionnaire to ... who are affiliated with our Convention, le... received reports from only twenty-two. The record shows that these ... state conventions raised $[illegible]. We do not have figures for the ... ten, but estimating that each one of them might have raised ... an average ... $3,500.00, it would mean that Negro Baptists raised through state conven... tions, affiliated with the National Baptist Convention $496,579.36. Neg... Baptist associations, with 1200 in number raised an average of $500.00 ... association, which means that these associations raised $600,000.00. Our Su... day School Conventions and state, B. T. U. Convention, Women's Co... vention raised around $[illegible]. The total raised and estimated for Neg... Baptists is $1,1[illegible]. This does not include money raised by the Nation... Baptist Convention through any of its boards or commercial agencies.

We have been able to secure the following statistical data of Negro Bapti... during the year, which we are giving as a summary of our findings:

Summary A—

Total church membership	4,021,618
Net gain in membership	38,618
Total number of churches	24,460
Total number of preachers	26,879
Total number of Sunday schools	21,614
Total number enrolled in Sunday schools	1,301,555
Total number enrolled in Vacation Bible schools	6,544
Total number of W. M. S.	21,094
Total number enrolled in the W. M. S.	274,225
Total number B. T. U.'s	13,654

Summary B—

Total value church property, including parsonages	$110,116,655
Average value of church property per church	4,552.19
The average number of members per church	152
The average number of members per preacher	152

We have had several communications from the Federal Council of Churc... of Christ in America concerning the 1946 census of Religious bodies in c... tinental United States, which will be made by our Federal Government. ... must begin now to lay plans for this survey of Religious bodies; because ... department of our Convention was used in 1936, we were able to sho... America, through reports issued by the government that we were the lar... denominational group in the United States. This was true by the repor... the Federal Government of the Bureau of Census, in spite of the cla... the Southern Baptist Convention that they are the largest denominati... group in America. You have a Statistical Department that allows no ... Religious group, white or black, to issue the kind of facts that it would ... for us to give the world. We cooperate with everybody, but receive co... from none but the National Baptist Convention, U. S. A., Inc.

I repeat, we must be ready for this great undertaking, hence, we are ... ing that all moderators and secretaries of associations will see to it th... copy of your minutes are filed with the Statistical Department of your C... vention. If this is done, we will not have to run all over the country as ... did in 1935 trying to get these records. We plead with you to cooperate ... see the necessity of this work. If this is done, we will not find ourse... embarrassed in 1946.

We say to our brethren that any information that you want, write us ... if we have it, we will send it to you at once. Permit us in closing this ...

port to make this personal reference of the passing of our great friend, one of our Baptists most choice spirits, Dr. R. C. Barbour. He was a friend of this department, we worked and labored together. Russell Barbour will be missed, for his personality was one which stood him out as a man forthright in action, keen as a thinker, companionable as a friend, fearless and determined as a leader, powerful and effective as a debater. These were the qualities which characterized his life. He delighted in pushing forward strong, deserving young men. He was a link between the young and old of our denominational life.

The link in the chain of our great Baptist family has been broken; one of its most brilliant sons has fallen; the torch he bore he passed to others. His life was well lived. To our friend, "Russ," we say, Good-bye. He shall live forever and some day we shall meet our friend again!

I wish to extend my sincere appreciation for the very fine leadership given our Convention and the fine cooperation given this department by President D. V. Jemison. He has proved himself to be a great leader, with a big heart. He is frank of opinion, but fair in decision and opinions. We are grateful to all of our leaders, our venerable secretary, Dr. J. M. Nabrit, regional presidents, state presidents and to the individual pastors. It has been a great joy to go throughout this country in the cities and in the country and proclaim the great principle and ideals of the Baptist denomination, and to portray the heritage and ideals of the National Baptist Convention. We gladly go forward at whatever task that this great Convention assigns.

Respectfully submitted,

ROLAND SMITH, Statistician

Dallas, Texas, September 8, 1944

To the President, Officers and Delegates of the Annual National Layman Convention—

Greetings:

As Executive Secretary I am herewith submitting my report on promotional work and educational campaign. Since our last sitting we have mailed out more than 36,000 questionnaires to Baptist churches, organizations and laymen throughout the nation. We are pleased to report progress in making this layman survey.

Up to present we have had response coming in from more than 23 states representing 185 churches and individuals, names and addresses sent in 1,000. More than 60 per cent of these churches have laymen organizations, but are not connected with our national movement. The other 40 per cent have no leagues at all, but sent in names of leading laymen of churches with whom we might contact.

In order to get our organization before the nation we have written several special syndicated stories appearing in 130 Negro papers and we also furnished feature stories for The Sunday School Informer Magazine, Star of Hope Magazine and the National Baptist Voice. The Voice has carried a quarter of a page ad for one year setting forth the membership requirement of the National Layman Movement. We have sent out a bulk of free literature on the Laymen Movement to those persons inquiring about the Laymen Movement.

We have made several trips to various states to speak in the interest of the Laymen Movement and made two special trips to Dallas and spoke before the City Ministers' Union in the interest of our work which has reflected itself in the fine cooperation the Dallas Ministers are giving the Layman Movement.

We have sent out more than 300 Sunday School Informer Magazines free to leaders. This particular issue carried interesting laymen stories. The month of October we sent out 200 National Bible Week Stamps as a gesture on the part of the laymen to encourage reading the Bible.

I wish to mention the fine cooperation that Dr. W. C. Hayes, Lake Charles, La., National Organizer, has given our office. He has sent in donations on our promotional program amounting to $28.00, resulting from his contact in the interest of our organization.

We held a very successful Layman Conference in Hot Springs, Arkansas, where we planned a program and additional help in the promotional work.

As a gesture on the part of the Laymen Organization while in Dallas ... cooperated with the local Entertainment Committee for the Convention and developed their scheme of national advertisement for the Convention. From this point we should check enrollment, contact laymen and churches as results of material assembled in order to further promote the development of our organization and increase of our membership.

I think our fellowship banquet this year was a fine benediction on our promotional program which should be made permanent and carried out each year.

The following is a report of our expenditures in these efforts.

Proceedings

Dallas, Texas, September 6, 1944

The Forty-third Annual Session of the Woman's Convention, Auxiliary to the National Baptist Convention, U. S. A., Incorporated, met on the above date in the Good Street Baptist Church, Rev. T. M. Chambers, D. D., Pastor.

Mission Study Classes, Mrs. M. J. Brockway, Director, and Christian Leadership Classes, Dr. M. A. Talley, Dean, assembled in the early morning hours from seven-thirty to nine forty-five.

At 9:30 o'clock, the first devotional period of the annual session was conducted by Mrs. J. M. C. Amos-Chism, of Texas, Chairman. The opening words which set the pace for the worship periods were given by the chairman who led the hymns, "Holy, Holy, Holy!" and "The Beautiful Garden of Prayer." Following the prayer, the congregation chanted "What a Friend We Have in Jesus."

The devotional speaker was Rev. O. P. Felder, of Texas, who gave the morning message, "The World Needs God," John 15:5, which was a message of great inspiration. "Draw Me Nearer" was sung to close the devotional period.

At 11:00 o'clock, President, Mrs. S. W. Layten, greeted the delegates assembled, extending a cordial welcome to all, and announced the ten ranking states as follows: (requesting presidents of the first five named states to suggest persons from said states to be appointed as members of the Enrollment or Finance Committee.)

Ranking States

1.	Illinois	$ 2,632 08
2.	Michigan	2,159 24
3.	Tennessee	1,337 43
4.	Oklahoma	1,257 77
5.	Alabama	1,220 21
6.	Florida	1,218 36
7.	Mississippi (Gen.)	1,001 17
8.	Texas (Baptist)	814 90
9.	Indiana	712 87
10.	Georgia	679 22

The President appointed Mrs. A. J. Abington of Missouri to serve temporarily as assistant secretary.

Mrs. Pansy Borders-Anderson, was appointed Chairman of Business and Professional Women's Committee.

Mrs. Cornelia R. Pius of California, President of Woman's State Convention, was appointed chairman of Training School Committee and Mrs. Azamore Wilson, President, B. M. and E. Convention of Texas was appointed chairman of American Baptist Theological Seminary Committee.

Mrs. M. L. Spraggins of Illinois was requested by President Layten to meet with the Deacons' Wives Committee, looking toward forming a permanent organization.

The President presented Rev. Marshall Shepard of Pennsylvania, recently appointed Recorder of Deeds, in Washington, D. C., who introduced the Reverend Gardner C. Taylor, Pastor Mt. Zion Baptist Church, Baton Rouge, Louisiana, who delivered the Introductory Sermon. In his opening remarks Rev. Taylor paid high tribute to womanhood for its worth and work. The speaker's subject, "Building Happiness in the Time of Trouble," was ably discussed. From the text: "Allelujah: for the Lord God omnipotent reigneth," Rev. 19:6, the speaker emphasized the following points: 1. It is a great religion that permits a man to build happiness in the time of trouble. 2. Religion gives power to build happiness because it brings an inner peace. 3. Outer circumstances do not guarantee inner peace, and 4. We need the long view for the long pull toward building happiness. At the close of Rev. Taylor's very inspiring message, Vice President Hill presented state vice presidents for the announcement of state meetings.

Vice President Mapp referred to the recent serious illness of Vice President Hill and of the illness of President Layten and requested that the messengers and friends refrain as much as possible from overtaxing the mental and physical capacity of these officers, that their strength might be preserved for future usefulness.

The President presented Mrs. J. C. Mapp, Chairman of the $100,000 Campaign Program, who delivered a stirring address, emphasizing the great opportunity given the women to manage and support the Missionary Training School at Nashville, which was turned over to the Woman's Convention at the Board of Directors Meeting, February, 1944, at Hot Springs, Arkansas. She presented a "Word Picture" of the campus, and assured the Convention that with their cooperation the $100,000.00 could be raised before the time set for the close of the Campaign. The address was greeted with hearty applause.

The Corresponding Secretary, Miss Nannie Helen Burroughs, made a statement with reference to the seating of delegates, stating that the entire balcony and the lower floor except the west section would be reserved for delegates who wear badges. She requested that visitors would govern themselves accordingly. The Mizpah was repeated in unison and the session adjourned. Benediction.

MID-WINTER BOARD

Atlanta, Georgia, February 14, 15, 1945

The Mid-Winter meeting of the Board of Directors of Woman's Convention, Auxiliary to the National Baptist Convention, was assembled in the temple of the Greater Wheat Street Baptist Church, Dr. W. H. Borders, host pastor, at the above named place and date, and was duly called to order by President, Mrs. S. W. Layten, at 2 p. m. The devotions were conducted by Vice President Hill accompanied by Mrs. W. F. McKinney presiding at the piano. The 23rd Psalm was repeated in unison followed by sentence prayers. The opening talk by President Layten setting forth some objectives to be met the Convention year was quite timely but befitting. Words of greetings were extended us by State President S. J. Fluker on behalf of Georgia State Woman's Convention followed by greetings from State Director S. F. Brown, who

in a poetical way paid a glowing tribute to the occasion. On behalf of Atlanta District Women's Convention, Mrs. Ida F. Henderson; on behalf of Young People's Department, Miss Anna Hudson. The addresses were very beautifully delivered.

Responses

On behalf of Woman's Convention, Mrs. E. D. McGowan of Mississippi; on behalf of National Young People's Department—Western Director, Miss Primrose Funches of Chicago. Both speakers took care of the situation in a very satisfactory way.

Minutes of Executive Board Meetings held in September at Dallas, Texas, were read and by vote were approved. Financial Chairman Mapp submitted a concise report of all finances collected during and since the September, 1944 Session of the Convention, aggregating an amount above the Thirty-six Thousand Dollar mark, which report met with a prolonged applause from appreciative board members present. State President Azamore Wilson of Texas spoke in very high terms of the inspiration gained by the recent Convention and of the fine impressions left with Texas Baptists of the work of the National Woman's Convention, also commended the unified determination of Texas Baptists to excel in entertainment the 1945 Session held in Chicago.

An inspirational talk of the work of the National Baptist Missionary Training School was given by President, Mrs. Mattie G. Anderson, who set forth in clarion tones, the principles of procedure as outlined by the school, and also gave the favorable impressions made by the school in its locality. The report showed the enrollment of thirty-one worthy young women from seven states and the Bahama Islands. The needs of the school were emphatically given by Business Manager Mapp, who also spoke in glowing terms of the progress of the school in every way. Among the most important needs listed:—

1. Securing future students for another scholastic year. 2. The cooperation of state presidents with the National Young People's Department in the Lethia L. Craig Scholarship Fund. 3. "Regular Givers" to the school as a monthly budget must be met. 4. States meeting the challenge of securing funds to meet the $160.00 requisite for each student enrolled aside from the books required. 5. Helping students who aren't able to furnish themselves with proper amount of clothing required, especially the foreign-born by sending donations for that specific purpose. The report showed what needs had already been met and urged that the following supplies would be forthcoming:—A large electric ice box—cost $428.00; 125 yds. synthetic rubber strips to save hardwood floors, cost $45.00; 96 uniform shades, and half curtains that can be laundered, an 8 roomed president's home to be entirely furnished in order to make it a model missionary home, inclusive of the following designated items:—a built in kitchen cabinet, an all-over carpet for first floor, draperies for five windows (send money), a music room with pianos needed; a stand for chapel services ($75.00), a Bible for the stand (not too large), a furnace boiler, and lastly, a beautiful campus surrounding the President's Home. The reports were commended by Mesdames Wilson of Texas; Hill of Michigan; and Fluker of Georgia, the latter also offered a motion that we would give President Anderson and her faculty a vote of thanks and confidence for the fine progress made. Chairman M. J. Brockway of Supplies Committee for the Training School asked permission to have report read of supplies and cash received since appointment of committee. The report was read by Secretary of Committee, Mrs. Drew, of Arkansas, which showed that a large amount of supplies had already been sent in, also $177.50 in cash. By motion, the report was adopted and the committee commended for the very fine work done. At this time State President Shaw of Ohio presented $50.00 cash for the Training School but desired that the Training School Committee of which Mrs. A. B. Wilson is chairman would be credited the amount as it was due to her appeal that the money was ap-

propriated, therefore the donation was received and properly accredited. Chairman Brockway then made an urgent appeal for supplies and suggested that the Supplies Committee would stage "A Princess Revue" in the Detroit Convention, each State President being the Princess and all state workers who desired could join in the parade of Princesses and be known as Attendants or Duchesses, and that $100.00 would be the minimum amount to be reported by each State President in the Revue.

Dr. H. M. Gibbs of Alabama then addressed us from the theme—"The Needs of the Hour-Trained Women for Missionary Service." The speaker being quite versatile handled the subject with ease and brought to our minds the many opportunities afforded women of today, and particularly stressed the type of womanhood needed for missionary activities, as well as our need of using precaution in selection of girls for our Missionary Training School through Scholarship Funds. We then listened to the Budget and Financial forecast for 1945 by Vice President Mapp. Our aim being the erection of a $100,000.00 Administration Building on the Campus of the Training School, we must raise $40,000.00 in Detroit, September, 1945, and to do so each Committee Chairman will set her face towards the same goal of 1944, or even a higher one. That President Layten will work with State Presidents in a Presidents' Council to meet her quota; Vice President Hill to supervise the work of all committees and to work specifically to increase the number of missionary societies representing in our National Woman's Auxiliary Convention. The quotas of each committee and department were outlined by Chairman Mapp that the $40,000.00 goal might be met. By motion of Mrs. A. B. DeMent, and seconded by a third of the house, the Financial Plans were adopted. A motion also prevailed that a voucher for $5000.00 would be issued on the Treasurer of the National Woman's Auxiliary Convention to be transferred to the Treasury of the Building Funds for the N. B. M. Training School.

Upon request and in answer to an inquiry the work of the Social and Economic Trends Committee was beautifully explained by Mrs. DeMent who also read a duplicate copy of a letter written by President Layten to the Sgt. General of the U. S. Army pertaining to the embarkation of eleven transports of American troops to the War Zone without the aid and protection of Registered Nurses to accompany them when there were thousands of Registered Nurses of color available for use who would be glad to serve them and their country. For in the midst of a world crisis our country's needs must not know color but every American working together for AMERICA. By vote the Board endorsed the sentiment as expressed in President Layten's letter to the Sgt. General of U. S. Army, also commended her fine work in being able to get the ears of the National United Council of Church Women and having them know our interests and attitudes as relate to our race group. The following ladies spoke on the foregoing activity:—Mrs. Ida F. Henderson, Mrs. J. C. Mapp, Mrs. Etta Versa Frye, Mrs. Azamore Wilson, Mrs. W. L. Ransom, Miss Nannie H. Burroughs, and Mrs. O. C. Maxwell.

Registration Period—Amount collected $298.50. (See report.)

President Layten then announced the personnel of the Memorial Committee who was to sponsor and conduct the Pilgrimage to the grave of the late National Director of Young People's Department, Lethia L. Craig, as follows: Mesdames Frye, Fluker, Brown, Henderson, Gibbs, and Hill.

Mrs. Maxwell presented Mrs. Borders, wife of the host pastor, who expressed herself as being favorably impressed with the work and workers of the Woman's Auxiliary Convention. A special prayer in behalf of Treasurer Parrish who is critically ill at this time was given by Mrs. Wilson of Texas which closed this session of the Board for the day.

THURSDAY—Morning Session

At 10 a. m., the meeting of the Board of Directors of the Woman's Convention was called by President Layten to finish the work of the previous day, and was called to order by singing "All Hail the Power of Jesus' Name." Devotions conducted by Mrs. Cora M. Haynes of Nebraska, and Mrs. W. L. Ransom of Virginia. Minutes of previous day were also read by acting secretary, and with one correction were adopted. We then listened to the report of the Y. P. Department by Director Frye who gave a tentative schedule of "Emphasis for 1945," as the 1945 Session will be the 20th Annual Session of the Y. P. Department whose financial goal is $20,000.00. She also stressed the literature for the Young People. Announcement of the motorcade to the grave of Mrs. Craig at 3 p. m., today, to start from Wheat Street Church. Words of commendation for the fine work being done by the Young People were given by Mrs. DeMent and Mrs. Annette Officer.

Many Committee Chairmen spoke on the goals of their respective committees for the year. President Layten announced the receipts of a communication from Mrs. C. R. Pins of California, and $5.00 for the work, and especially commended the loyalty of Michigan Baptists to State President Pope in her affliction. Very fine expressions came from President Pope and President Lewis of Ohio.

A United States soldier was escorted into the meeting who asked permission to say a few words—whose brief message thrilled the audience, for from all indications he was a soldier also of Jesus Christ. He gave his name as Cpl. Lewis J. Rice of Philadelphia, Pa.

Miss Burroughs announced some advanced steps in the audit course to be offered in the 1945 Session of Convention.

Mrs. M. O. Ross of Detroit reported some results of the Peace Conference of the Federal Council of Churches which was recently held in Cleveland, Ohio.

followed by short talks from Miss N. H. Burroughs and Mrs. O. C. Maxwell.

A motion prevailed that we would hold our Executive Board Meeting in May at the Training School, instead of meeting in connection with the National S. S. and B. T. U. Congress in June of each year.

The Pilgrimage

Four cars with 23 mourning friends including the only daughter and lonely sister, Mrs. Etta V. Frye, National Director, conducting her favorite hymn, "O Love That Will Not Let Me Go," repeated by Mrs. Edna B. Bronson, Nashville, Tennessee. "Obituary"—repeated by Mrs. W. H. Borders.

Presentation of Evergreen Ferns—On behalf of Young People's Department—Miss P. Funches, Western Director. On behalf of Woman's Convention—Mrs. H. M. Gibbs of Montgomery, Alabama. "Our Debt to the Memory of Mrs. Craig"—Mrs. Etta Versa Frye of Washington, D. C.

Rededicatory Prayer—Mrs. Sarah Fisher Brown. Closing words by State President Fluker were a loving tribute to the departed.

"Planting of shrubbery" by special caretaker after which the pilgrimage proceeded to the home of a particular friend of the family of Mrs. Craig where a lovely "Luncheon Tea" was served to the sorrowing friends to aid them in committing their will to the will of the Lord.

RECOMMENDATION

Dallas, Texas, September 8th, 1944

To the Officers and Messengers of the Woman's Auxiliary to the National Baptist Convention, Incorporated.

Realizing the long years of service and efficient work of our honored President, Dr. S. Willie Layten, and knowing that recently she has carried on the work under physical difficulties (due to a sustained accident) for which work no adequate material reward can be made, we, the Committee of State Presidents, feel that our auxiliary would be justly counted ungrateful if it did not at this time make some tangible expression of our appreciation of her worth and value.

Therefore we recommend:—

First, that our president be given a three months' vacation following the adjournment of this convention.

Second, that $500 be given her to defray vacation expenses.

Third, that a free will offering be taken in this meeting to be counted as a part of said $500 and whatever is lacking be taken from the treasury.

Done by order of the Committee of State Presidents.

ANNUAL ADDRESS

BY

MRS. S. W. LAYTEN

PRESIDENT

Woman's Convention

Auxiliary, National Baptist Convention, U. S. A., Inc.

DEAR CO-LABORERS:

That Texas is a popular and much beloved state of the National Baptist Convention, and that Texas is loyal to the National Baptist Convention cannot be questioned, as this is the fifth time the Convention has assembled in its annual sessions in this state: (1891, Dallas; 1904, Austin; 1912, Houston; and 1936, Fort Worth). The Woman's Auxiliary to the National Baptist Convention desires to express its very deep appreciation to Rev. Chambers, princely pastor, to the officers and members of the Good Street Baptist Church for providing the commodious church building with its fine appointments as the place in which we shall hold our sessions. Also, to the Local Entertainment Committee of Dallas, directed by Rev. S. T. Alexander, and with his associate pastors, do we express our gratitude for the fine arrangement and many courtesies provided. These appreciations would include the Woman's Committee, under the direction and fine planning of our own Johnnie Amos Chism and her associates in Dallas. Also, our thanks extend to and include that co-worker and leader of the C. M. E. Woman's Convention, Mrs. Azamore Wilson. Although she does not live in Dallas, she has collaborated with Dallas. These leaders, with their constituents, the great Baptists of Texas, have united to welcome us and provide the great reception we are receiving. God bless you, Texas. Your spirit is expansive and large like the physical dimensions of your state.

Birmingham and Other Board Meetings

I desire to thank those who were present at the Birmingham Board Meeting for the fine manner in which they accepted my humble suggestions for the program and making such changes as were advisable and the fine manner in which they expedited other matters to be considered and the able manner in which Vice President Mapp presided. My absence, which I deeply regret, was caused by illness.

Hot Springs and Other Official Meetings

Among the proceedings of the mid-winter Board Meeting of the National Baptist Convention held in Hot Springs, Ark., in February, 1944, was the legal turning over of the Missionary Baptist Training School (in Nashville, Tenn.) to the Woman's Convention. President Jemison ordered the charter applied for and appointed a committee to proceed and make necessary arrangements to convey the same, etc., to the Woman's Convention. The following is a copy of excerpts from official statements referring to the Training School and from the minutes of the Board of Directors of the National Baptist Missionary Training School from June 21, 1939, to May 27, 1944.

MINUTES

OF THE

First Annual Meeting

OF THE

Board of Directors National Baptist Missionary Training School

HELD IN

TOWNSEND HALL, TRAINING CAMPUS

Nashville, Tenn., May 27, 1944

Pursuant to call, the Board of Directors of the National Baptist Missionary Training School met in first annual meeting, in Townsend Hall, on the Training School campus, Nashville, Tennessee, May 27, 1944, and was called to order at 10:30 a. m., by Chairman A. M. Townsend, with Rev. Ambrose Bennett, acting secretary.

Chairman Townsend, in his opening remarks, gave briefly the following items and facts on the National Baptist Missionary Training School.

In 1934, the National Baptist Convention, U. S. A., Inc., redeemed to Negro Baptists the Roger Williams University property, at Nashville, Tennessee, and began to prepare it for a missionary training school, and a home for aged ministers and retired missionary workers. Tragically, on the eve of the opening of the school, the main building, a four-story brick building, was destroyed by fire. This was a severe blow and handicap to the launching of the new project.

The National Baptist Missionary Training School, however, opened its doors in another temporary adaptable building on the campus, in September, 1926.

At the meeting of the Board of Directors of the National Baptist Convention, U. S. A., Inc., January 25, 1939, a "committee on the Training School was appointed as follows: J. M. Nabrit, M. C. Cleveland, L. A. Pinkston, S. A. Owen, A. A. Bennett, S. D. Ross, U. J. Robinson, P. D. Hall, D. A. Jackson, D. D. Crawford, Calvin Perkins, E. W. D. Isaac, L. A. Bowman" (See page 244—Minutes, N. B. C., Philadelphia, 1939.)

At the meeting of the Executive Board of the Woman's Auxiliary, National Baptist Convention, U. S. A., Inc., January 25, 1939, Mrs. S. W. Layten, President, the following were appointed a committee on the Training School at Nashville, viz.: The presidents of State Woman's Auxiliary Conventions, with the following added named persons: Mrs. Mattie G. Anderson, Mrs. M. J. Brockway, Mrs. W. F. McKinney, Mrs. S. W. Layten, Mrs. J. C. Mapp, Mrs. Vivienne L. Penick. (See page 326—Minutes, N. B. C., Philadelphia, 1939.)

These committees, the one by the National Baptist Convention, and the one by the Woman's Auxiliary Convention, were appointed to be a joint committee on the National Baptist Missionary Training School. There is no report that this joint committee has ever been called or organized. It seems that these committees, as a General Board of Directors, were to work out the details for the chartering and operation of the Training School.

S. S. C. HISTORICAL COM.
NASHVILLE, TENNESSEE

At the meeting of the Board of Directors of the Convention at Tulsa, Oklahoma, June 21, 1939, "the Board of Directors authorized the attorney of the Convention and the president of the American Baptist Theological Seminary, to do what is necessary to provide educational status for our Training School at Nashville, making the school able to give proper credits for work done there." (See page 81—National Minutes, 1939.)

On page 329 (National Minutes, 1939), it is noted in the minutes of the meeting of the Executive Board of the Woman's Auxiliary Convention, June 22, 1939 (quote): "Dr. Jemison stated that a committee of three, Attorney Haynes, Dr. J. M. Nabrit, Attorney G. E. Rush, had been appointed to work out a Constitution for the Training School at Nashville."

If this meant that this committee was to secure a charter for this school, we find no record of its having been done.

Officially Turned Over to the Woman's Convention

The National Baptist Missionary Training School was officially turned over to the Woman's Convention to manage and operate, and authorized a charter to be secured under the Act of the State of Tennessee, which provides that subsidiary bodies shall be under control of the parent body, in the following unanimous action of the Board of Directors of the National Baptist Convention, in its session at Hot Springs, Ark., February 16, 17, 1944.

VOTED: (1) That the Training School on White's Creek Pike, Nashville, Tenn., be turned over to the Woman's Auxiliary Convention, to operate, beginning October, 1944.

(2) That the Training School is chartered according to the laws of the State of Tennessee.

(3) (a) That the Board of Directors will be selected from the Woman's State Conventions and the State Conventions affiliated with the National Baptist Convention, U. S. A., Inc.

(b) That the members of the Executive Committee of the Board of Directors be residents of Nashville, Tenn., and other places in close proximity.

(4) That the Executive Committee of the Board of Directors be authorized to complete the unfinished business of the present Board or Committee of Operation, and to devise all other means, and carry out the business transactions that may be deemed necessary for the operation of the school.

On March 15, 1944, the following named incorporators met in Chattanooga, Tennessee, in connection with the Southern Regional Convention, at the Mt. Paran Baptist Church, and signed a petition for a charter for the National Baptist Missionary Training School: S. W. Layten, J. C. Mapp, W. A. Townsend, M. J. Brockway, Gertrude E. Rush, A. M. Townsend, J. M. Nabrit, A. A. Bennett, E. W. D. Isaac, Jr., L. A. Bowman.

On March 16, 1944, the State of Tennessee granted the Charter to the National Baptist Missionary Training School. (The chairman exhibited the charter).

On March 17, 1944, the incorporators met in the directors' room of the Sunday School Publishing Board, Morris Memorial Building, Nashville, Tennessee, and organized under this charter and authorized the call of the Board of Directors for its first annual meeting.

Chairman Townsend closed his remarks with the statement that this opportunity is providential, and challenges the Woman's Convention to a larger and greater service in the advancement of the Master's Kingdom, but that the objective will be realized only through full pledged cooperation.

President S. W. Layten was then presented. She expressed her joy in the Lord's permitting her to live to be about to see and realize the fruition of her labors and hopes in the National Baptist Missionary Training School. She expressed her willingness and determination to continue to spend and be spent for the full attainment of its objectives. She pled for the full cooperation of the leaders of the Woman's Convention also to this end.

The minutes of the organization meeting of the National Baptist Missionary Training School were read by the Secretary and, on motion, were unanimously approved and adopted:

ATTEST:
(Signed) A. M. TOWNSEND, Chairman

I earnestly request that you read these minutes and refresh your memories on the transactions of the National Baptist Convention concerning the Training School and become informed about the recent orders of President Jemison and action of the trustees of the school.

One Hundred Thousand Dollar Campaign

Vice President Mapp was requested to direct the $100,000.00 campaign and she will inform you of her plans. In accepting this appointment, she asked that the number of ranking states be increased from six to ten, for the further enlargement of the financial scheme that we add to the working committees of the Fortieth Anniversary and organize the Deacons' Wives, also have a Training School Committee, a Seminary Committee, etc. These new groups are requested to meet during the Departmental Hour and organize and select their chairman and proceed to plan and work in this campaign for $100,000 to erect a new building on the Training School campus.

Foreign Missions

Dr. C. C. Adams, Secretary, on behalf of the Foreign Mission Board, expressed gratitude to the Woman's Convention for its continued support and cooperation. He reports that the nurses' home in Liberia is almost complete; only the roof remains unfinished, and this is expected to be done in 60 days.

Work in the Bahama Islands has been transferred to the Foreign Mission Board. Said Board has dedicated the L. G. Jordan Memorial Baptist Training School and Day Nursery in Nassau, Bahama. Our Woman's Convention must continue its interest and support to this mission, which originally was started by the Woman's Convention, under direction of the Publishing House Commission and continued under the Home Mission Board.

There has just been issued a new and unique book of Negro Baptist history, the title of which is "Negro Baptists and Foreign Missions," by Dr. C. C. Adams and Dr. Marshall A. Talley.

1. This book states facts about Christian Missions and the role that the National Baptist Convention plays in this field. It is written to meet a demand long felt for such a treatise among Negro Baptist churches of America.

2. It is designed to be a rudimentary textbook on Missions for the average of our churches, as well as commend itself to the respect of the more informed.

3. It is the purpose of the authors to give a running history of the Foreign Mission Board: of its policies, methods, scope and nature of work and a forecast of future plans.

4. Finally, this book intends to show a comprehensive view of world missions as comprised in all Protestant churches, and the processes that have led to a world organization of all missionary agencies, resources, and activities for united action in giving the Gospel to all men.

This book is unique and instructive. It should be in the hands of each of us, as a reference and authentic guide.

Hon. William E. Dennis, Secretary of the Treasury of the Liberian Government is in this country, representing his Government at the International Monetary Conference which recently convened in Bretton Woods, N. H. Your president was honored by a call from this distinguished gentleman. He was accompanied by Dr. and Mrs. C. C. Adams and Rev. Marshall L. Shepard. He highly commends the work of the Foreign Mission Board.

Home Missions

Dr. Lovelace has not sumbitted a report for our record, etc.; but I am urging that we cooperate with Dr. Lovelace and Mrs. I. M. Coggs and make them a fine contribution to the work. And let us rally to the patronage of the S. W. Layten Tea, Saturday evening, as per our program.

Selma University

Unsought, unthought-of, there came to me two of the greatest honors of my life (as your president): one, an invitation to deliver the Commencement address to the graduating class of Selma University, May 31, 1944, and the other the conferring of the honorary degree of Doctor of Laws upon your humble president. I can never express to you my appreciation of these honors, and my prayer is that I may be able to attain to the confidence reposed in me by this great institution. Selma is a great and unique institution. Great in its class standing and its high Christian standards, being one of the Home Mission schools of the American Baptist Home Mission Society, and unique in that it has kept its direction and control in the hands of the Negro Baptist Convention of Alabama. It has continued for years as the objective of Negro Alabama Baptists.

It is often said that a prophet is without honor in his own country, but this must be changed when referring to Dr. H. M. Gibbs. She is loved, honored and revered in Alabama, where her worth has been proven. Why should not she be honored with LL.D. and all the other degrees? She has stood hard by Selma University, given the best years of her life to Selma and, with the good women of her state, has contributed much to the financial support, and last year raised $64,000.00 for the maintenance of that college. She and her constituents are a pattern for any state to follow. All honor to Dr. H. M. Gibbs and women of her ilk.

Filling Vacancies

"I charge thee, Cromwell—fling away ambition.
By that sin fell the angels."—Shakespeare.

I quote the bard Shakespeare and ask that neither favoritism nor personal ambition cause this Convention to make a mistake in the selection of the candidates for offices to be filled. To illustrate: It would be bad policy to take an artistic dressmaker and elect her to a stenographer's job, or to take a model mother of children and good housekeeper from her family and put her in a machine shop (as is being done in war emergencies today, wrecking homes, neglecting and converting our children into barbarians). For the position of secretary we need a good scholar, a ready writer, a good pen-

man, a quick thinker, one who has command of good language, a good mathematician. One who understands schedules and report forms, etc., and above all, who has patience. The Young People's Department requires a well prepared woman of high school and college training, a social student who comprehends problems of children and youth today. Among this, one who understands and sympathizes with the spirit of youth, has had experience in guiding and advising young people. Among the special problems will be these:

a. The young person who left school for a war job at 14 or 16, who did not get into military service, and who will be in competition later with ex-service men.

b. The children and adolescents who, because of conditions created by the war situation, have never known a permanent home or community.

c. The vastly increased number of children born out of wedlock. The church has an obvious obligation here.

d. The serious breakdown, during the war, of child labor law enforcement.

Problems of social education. Also some one who has been in close touch with our Young People's Department and observed the heart and life efforts of Lethia Craig, who shaped and developed and has been the inspiration of the young people of our denomination.

"He Giveth His Beloved Sleep"

So deeply do I grieve and so hurtingly do I feel because of the passing from our ranks the past year of some of our loved workers, I can scarcely suppress my emotions and hold back my tears. Unassuming, sweet, gentle Mary Goins, Assistant Recording Secretary, one who was ever faithful, ever willing to render overtime service without a murmur as long as the duties of her office required, a devoted wife and dutiful mother, a faithful friend. And then, suddenly and soon, followed the call home of her sister, vivacious, beautiful, sweet, resourceful Corinne Carter, of California, who last year served in Mrs. Goins' place, because Mrs. Goins was ill and not able to attend the Chicago meeting. Mrs. Carter was the president and the great leader of the Woman's Western Baptist Association of Southern California. She was a great aid to her distinguished husband, pastor of the Second Baptist Church of Pasadena and vice president at large of the National Baptist Convention. Mrs. Carter was a leader among the women of Southern California. A few months after, followed another lovely and consecrated character, Lethia Craig, Director of the Young People's Department. Since its organization I have never known a person who was more consecrated to the work than she. Her whole life and thought was wrapped up in the Young People's Department. She has wrought well and left for our young people a fine spiritual institution which must be utilized in post-war planning. With the passing of these anointed workers, from the human point of view, the Woman's Convention has suffered an irreplaceable loss to its staff. By their faithful services and leadership, they have endeared themselves to their contemporaries both in the National organization and the local field of labor. Who will fill the places of these departed workers? I often wonder why our Heavenly Father called these useful, helpful ones to Himself at this time, when their type and kind are so scarce and, from our point of view, are needed in this crucial period; needed to help us poor, struggling almost discouraged souls to press on. We sorrow, we mourn their loss. Father, Thou knowest best, and Thou doest all things well. They cannot return to us, but we can go to them. Blessed be the name of the Lord.

Post-War Planning

We are giving much concern and thought to what we shall do and what we shall advise for the future. The more I think the less I know, except He guide me. No one man or woman is able to dictate a policy of action for the world in this critical period. However, there are some social conditions peculiar to all our communities and need the lead of the church. Hear this report from the Social Committee, Industrial Race Relations Committee of the Council of Church Women.

"In the United Council of Church Women are represented the needs, experiences and resources of a wide and varied group—women who spend their lives making homes; women who work in offices, shops, industries and the professions; women who are leaders in community life; women of different races and nationalities. The problems of any one group are the concern of all. Joint study will promote a better understanding of the problems that restrict our expression of Christian citizenship through community living, and concerted action will be more effective in bringing about needed changes than will the limited approach of denominational groups acting alone. Our belief in the Fatherhood of God and the Brotherhood of Man means that we must all work together in our communities to establish freedom, opportunity and justice for all racial, cultural and economic groups."

Another thing the Negro Church should concern itself about and should investigate, is the increase in these emotional religious cults and store-front churches making a heavy draw from the membership of our old and established denominations.

I shall now quote to you some of the highlights from the reports of statements and personal letters of leaders in church groups, which represent the thought and concerted decision of the combined religious interdenominational agencies.

The American Bible Society says, "Some day the war will be over. We shall be standing on the threshold of a new world. At our feet will be unprecedented chaos. Cities reduced to rubble. Nations bankrupt. Disillusionment, hatred, reprisal, revenge, distorting men's souls. Little human intellects matching themselves with the colossal problems which their follies have created.

"But reconstruction will be on the way. Reconstruction is of God. The Creator is always creating, re-creating."

"Wise men are not waiting till the armistice to make their plans for tomorrow's world. They are making them now. Tentative plans they are, but nonetheless constructive. Business is doing it. Education is doing it. Our Government is doing it. The Christian Church, thank God, is doing it."

From the Churchwoman, Miss Worrell says, "Together is an encouraging word. The Christian Church together; in every land, the church is holding firm. The Christian hand-clasp is going out across enemy borders, barriers of race and nations. Foreign Missions is very much a going concern. The Christian missionary was never so much needed or sought of as today."

Mrs. Mattie Anderson, president of our Training School, says, "The greatest opportunity for all types of Christian service. This is woman's day. The desire for enduring peace cannot be realized unless nations can demonstrate the ability to work together until they are willing to put into practice the Christianity we know, but often fail to practice.

"We must send more young men and women out in the needy areas as ministers, teachers, physicians, nurses and counselors to lead people out of darkness into the marvelous light of Jesus Christ our Lord. Be as loyal to the cause of our Commander-in-Chief as we were to Uncle Sam, and give as freely to missions as we gave in the first War Bond drive.

"A campaign of Home Visitation to contact every mother in every community and place upon her the responsibility of Christian training of her children and the establishment of the family altar in helping solve the problems which are now undermining the whole structure of civilization."

The Churchwoman says, "A righteous and enduring peace will come to our world when the Christian women of our world determine it shall be done."

Miss Alice Brimson says, "Most people who are alive to the problems and portents of our time feel that we are living in the most critical era our coun-

try has ever faced. The problems we have generated will not be solved in our day, the youth of today must suffer from them and solve them. Therefore, it is more important today than ever before that our youth shall have education.

"But there is everywhere a growing conviction that problems of interracial understanding, economic justice and functioning democracy can only be solved as the spirit and teachings of Jesus Christ dominate our people. Education alone is not enough. The cataclysm of today shows the danger of education without Christianity. Therefore Christian education becomes of paramount importance.

"To train leaders to educate our children so that they may choose to be followers of Christ and may acknowledge His teachings as the rule for their lives, is essential to the preservation of our nation and that which is called "Christian civilization." The school, therefore, which trains young women to work with children and contact families for Jesus Christ is of first importance. May your new school be richly blessed in its important work."

Miss Emory Ross says, "May all of us have courage and a vision great enough to make the World of Tomorrow a Christian one."

As these comments were helpful to me, I pass them on to you; I also pass on to you the divine assurance of One who never falters nor fails. Read: Proverbs 14:34: Righteousness exalteth a nation: but sin is a reproach to any people.

Jeremiah 4:1: If thou wilt return, O Israel, saith the Lord, return unto me: and if thou wilt put away thine abominations out of my sight, then shalt thou not remove.

Isaiah 51:11: Therefore the redeemed of the Lord shall return, and come with singing unto Zion; and everlasting joy shall be upon their head: they shall obtain gladness and joy; and sorrow and mourning shall flee away.

RECOMMENDATIONS OF THE PRESIDENT

1. I RECOMMEND that the Woman's Convention approve and join with the Christian women of the world in the observance of World Community Day, November 2, 1944, World Day of Prayer, February 16, 1945, and Family Week, Sunday before Mother's Day (Protestant, Catholic, and Jewish faiths alike see the importance of this observation). The President of the United States advises it and May Fellowship Day, May 4, 1945. These days will help in moral and spiritual uplift of our homes and community. For programs, write Mrs. Edna Bronson Director of Education.

2. I RECOMMEND that the Executive Board of the Woman's Convention consider and plan one special day of the year as a day of Prayer and self-denial for the work and support of our Training School, that we request President Mattie Anderson to arrange a program not long, (committee to work with her).

3. I RECOMMEND that State Presidents become more alert and interested in religious training in our homes and the preparation given young people. That the Convention give its whole-hearted cooperation in the building of the Training School in Nashville, Tenn. That they begin selecting and sending worthy and spiritual minded young women to this Institution.

4. I also RECOMMEND that we pray and encourage the consecration of more of our young men to the call of the ministry and send them to the Seminary. Dr. Nabrit, who pioneered this work in both institutions, has resigned as president and returned to the pastorage. He is succeeded by Rev. Ralph Riley, one of our promising young men. Dr. Riley will welcome our cooperation.

5. I RECOMMEND that the Convention respond to the appeal of Mrs. M. L. Brockway in her plans and solicitations for maintenance and supplying needs of the school. She has a heavy job and will need cooperation. Please attend her program Wednesday evening, from 6 p. m., to 7 p. m.

6. I RECOMMEND our hearty cooperation in the Christian Education courses we are sponsoring under the direction of Dr. M. A. Talley, Miss Burroughs, and Mrs. Brockway, in their leadership classes.

7. I again RECOMMEND THAT without opposition or criticism, we respond to and support the plans of the Financial Campaign as presented by Vice Chairman Mapp and adopted by the Executive Board.

8. I RECOMMEND that the Convention look forward to the establishment and maintenance on the campus at the National Baptist Training School at Nashville, Tennessee, an Inter-racial Center where Young People of all groups and races could plan and work together on all problems that will be theirs to solve in the future.

A NATIONAL INTER-RACIAL CHRISTIAN CENTER—we shall look forward to the opening of Christian Centers in every town and village in this country, where youth will receive physical, social and religious training.

I also RECOMMEND that we keep in mind the establishment at some time in the future, of a special training course for African students; that we shall in time be able to establish a Chair for the teaching and preservation of African arts, crafts, original music, literature, etc.

I RECOMMEND that Corresponding Secretary, Miss Burroughs, shall make a continued study this year for industrial and employment conditions affecting Negro women, and that she shall make a partial report at the Mid-Winter Meeting.

ANNUAL REPORT

OF

MISS NANNIE H. BURROUGHS

Corresponding Secretary

OF THE

Woman's Convention

AUXILIARY TO THE

NATIONAL BAPTIST CONVENTION, Inc.

Co-Workers and Friends:

We are happy to greet you in the name of Jesus Christ, the Captain of our Salvation.

This is the fourth time Texas has entertained the National Baptist Convention and its Woman's Auxiliary.—Austin in 1904—Houston in 1912—Fort Worth in 1926 and Dallas in 1944.

We assure you that it is an inexpressable pleasure to come to great big, warm hearted Texas again. Texas with her broad prairies, tall pines, magnificent distances and unbounded hospitality.

It is here that Johnnie Amos will turn on that Texas charm of hers and make us think that if we stay here a little while we will catch it.

This is the state where Azamore Wilson—with her grace and poise moves women to nobler action, and it is from this State of power that Ada DeMent sways, with queenly dignity, her royal sceptre over the National Association of Colored Women, and then walks with unfeigned humility into the smallest church to prayer meeting or worship.

Texas women have always been faithful and enthusiastic in their support of the work of this Convention, and this Convention in turn has elected to positions in its official family, a number of capable leaders from the Lone Star State.

We are meeting here this year under most serious and challenging world conditions. For the peoples in all lands,

"The night is dark
And tempests fierce are raging
Roads are rough and foes assail
And clouds obscure the sky.
But we must fight this fight,
And keep the faith
In self, in others, in God.

Christians, the world over, must stand for nothing less than all-out justice, civic righteousness and world brotherhood. God will lead us, if we let Him. As Edward Markham says:

"Not merely in matters material,
but in things of the spirit.
Not merely in science, inventions, motors and skyscrapers,
but also in ideals, principles, character.
Not merely in the calm assertion of rights,
but in the glad assumption of duties.
Not flaunting her strength as a giant,
but bending in helpfulness over a sick and wounded world like a Good Samaritan.
Not in splendid isolation,
but in courageous cooperation.
Not in pride, arrogance, and disdain of other races and peoples,
but in sympathy, love and understanding.
Not in treading again the old, worn, bloody pathway which ends inevitably in chaos and disaster,
but in blazing a new trail along which, please God, other nations will follow, into the New Jerusalem where wars shall be no more.
Some day some nation must take that path—unless we are to lapse again into utter barbarism—"

America should get big enough to lay aside her gross race prejudice and every other sin that besets her and lead the world in building right here on her own soil a Christian Democracy.

To this end we are now fighting and to this end every man and woman in the nation must work and pray.

They Have Gone Home

The home going of Mrs. Mary E. Goins, our assistant Recording Secretary, October 4, 1943, and Mrs. Lethia L. Craig, our National Director of the Young People's Department, May 22, 1944, removes from the Convention two of its best known, and dearly beloved officials.

For faithfulness to duty, these women were unexcelled. They have walked before us in grace and beauty, as bright and shining lights in the Master's service.

It will not be easy to fill their places. Mrs. Goins served as Assistant Recording Secretary thirty-seven years, and Mrs. Craig as National Director of Young People twenty years. Both were very active in the Convention before they were elected to any office.

Five months after Mrs. Goins went home, her sister, Mrs. Corinne H. Carter, President of the California State Convention, and a most active member of this Convention died suddenly, February 26, 1944. Mrs. Carter was gracious, capable and always willing and ready to serve when ever called upon.

"One by one the ties are broken,
One by one they are linked above.
Some day there will be a sweet reunion
Once again, with those we love."

Young People's Department

The Young People of our Convention have lost a director who loved them with an everlasting love. Mrs. Craig watched over our young people as a devoted mother watches over her child. It is our duty to see to it that her dreams for her girls and matrons come true. She is happy in glory today, but her spirit hovers over us here.

Fortunate for our Young People, Mrs. Craig was a wise superior officer. She had two associate directors and gave each a special phase of the work to help her develop—each according to her adaptability.

Mrs. Frye worked hand in hand with Mrs. Craig from the day the organization was set up twenty years ago, to the National Director's death. She helped her prepare topic cards and all annual programs, and aided in directing those programs at every annual meeting.

Eight years ago Miss Primrose Funches was appointed Western Director. Mrs. Craig gave her the responsibility of helping the Young People's Finance Committee in every way possible.

Each Director is familiar with her phase of the work of our Young People's Department. Therefore, the meeting here will run smoothly. Mrs. Craig laid the work on the hearts of her State Directors and Counsellors. They can be depended on to help make this meeting a beautiful tribute to her.

The Young People are here to rededicate themselves to the cause. We are here to pledge them our prayers, our faith, our renewed cooperation, in their efforts to build fine Christian womanhood.

Young people—close ranks and go forward. Your fallen leader and unfailing friend would have you GO forward in the Master's name. Always bear in mind that

"Our hearts, our hopes, our fears, our tears,
Our faith triumphant, o'er our fears
Are all with thee, are all with thee."

The Field Under Review

The most encouraging and stimulating thing that is taking place on the home field this year is the continued growth of Interracial Institutes—held in the Southern States, under the auspices of State Conventions of Negro Baptist Women and Woman's Missionary Union of the Southern Baptist Convention.

The increase in attendance is most gratifying. The women of both races realize the importance of training for Christian service and they have therefore put the best in leadership and material into these Institutes.

There is marked growth in understanding, respect and practical cooperation. God is going to work wonders through Christian women of both races on our Home Mission field.

"Making Your Community Christian" is the book that has been in great demand in all of the Institutes.

Mission Study and Christian Leadership Classes

The enrollment in our early morning classes at the Convention has surpassed our expectations. It is no small achievement to interest a thousand women in attending classes beginning at 7:30 in the morning at a Convention that has such a full program from early morning until late at night.

Mrs. Brockway and other women have been in great demand to hold similar classes in the states. The idea is spreading. Our women are hungering and thirsting after information that will help them develop their local missionary societies and make them effective in doing the work of the Lord.

We are deeply grateful to the pastors and other instructors in our early morning class. This year we are awarding certificates for attendance.

The Worker

This little busybody—our quarterly magazine—lives up to its name. It goes everywhere in the name of our Lord and Master and tries to help everybody who wants to be helped.

On July 31, it closed the busiest year it has ever had. The subscriptions and sales reached 19,000 the third quarter of 1944. We wish to thank the

thousands of fine women and many laymen and ministers, throughout the country, who are cooperating with us most heartily in getting the magazine into local missionary societies and homes in their communities. There are fine Christian white women who are introducing the magazine to our missionary women.

Especially, do we thank many of our women who are handling increasing large orders every quarter. Think of one woman handling nearly a thousand magazines in her city. Among those who take the lead are:

Mrs. H. H. Chiles, Mrs. Victoria Harris, Mrs. L. J. Washington, Mrs. Annette Officer, Rev. Matthew Burgess, Mrs. Ruby D. Miller, Mrs. Malvena E. Amy, Mrs. A. J. Bryant, Mrs. Marguerite Mays, Mrs. Menetta Blackman, Mrs. Ethyl K. Thomas, Mrs. Alberta Owens, Mrs. Luella Taylor, Mrs. M. B. Waters, Rev. L. S. Johnson and Mrs. K. M. Walton.

Editing a magazine such as we try to put out is a Herculean task. It taxes us to the limit. Oh yes, we burn the midnight oil and then some. We pray, continuously, for divine help, but we do need a woman who has the heart and can speak the language. But for the heart-warming messages we receive from the thousands of subscribers, we would have floundered, long ago.

Please be much in prayer for us as we try to give the women helpful material, keep the price of the magazine down and the standard up.

From all over the nation, we receive letters telling us of the growth and the new life that have come to local societies. Since this is true, we are accomplishing our purpose.

Literature

The demand for "How" and "Making Your Community Christian" has been so great that we had to have both books reprinted this year. Baptist Book Stores of the Southern Baptist Convention have been most cooperative in handling these books.

Our Missionary material is used in nearly every institute. Orders through Negro Book Shops have taken a big jump. For all of these outlets and openings to service we are deeply grateful.

We outgrew our offices and had to provide an entire room for "The Worker."

The demand for charts, record books, song books, study books and general missionary material is so great that we need an office assistant for that work alone.

The most gratifying thing about our growth is that the leaders in the local missionary societies are happy over their personal growth, and the growth of their societies. That's the purpose of our entire program and services.

You see by comparing the financial report of sales five or six years ago with the sales today, that the demand for missionary material is greater today than it has ever been in the history of the Convention. Our business is to help the women in the local Churches grow and we have tried to give them real service. The results speak for themselves.

We are deeply grateful to Woman's Missionary Union of the Southern Baptist Convention for their annual gift of two hundred fifty dollars ($250.00) to our Literature Endowment Fund.

This and the earnings from subscriptions and sale of literature give us a financial backlog and working capital that enable us to keep on producing material without embarrassment and handicaps.

Can a Missionary Society Keep Its Programs Interesting?

This question is asked us again and again. We answer emphatically YES. It can be made the most interesting program presented by any Church group.

Why—because it is GOOD NEWS and a spiritual challenge to every Christian's faith and love. It is God's call to all of his people—to the entire mem-

bership of the Church—to swing into action. Any enlisted Christian, wort
of the name, wants to know how goes the battle of the Lord, in all lands.

All loyal citizens are interested in news from the battle fronts of the wo
and in furnishing ammunition to keep up the fight. All Christians should
interested in the news from the soldiers of the Cross on God's battlefields
all lands and in furnishing ammunition to the missionaries to keep up t
fight.

Information is the only thing that keeps up interest. Leaders must take ti
to prepare their programs so as to make them interesting and informative.
takes time, intelligence, interest, imagination, information, prayer and wo
to do it. But it pays. There is enough available material for leaders to ma
their weekly or monthly meetings alive with the Spirit of Missions and lighte
up by the presence of Almighty God.

For this year's study book, we recommend "Missionary Education in
Church" by Harner and Baker. The price is 75c per copy. As a Foreig
Mission Magazine, the "Mission Herald" is full of good news from the fie

The good leader will go even farther and search for just the material th
she can best adapt to the use of her particular group. "The Worker" is t
best magazine for weekly topics. But, again we say, each leader should stud
her group and get what she knows is best for them and also let them searc
for and suggest good material.

A comfortable, attractive meeting place, good music, wide-awake leader
of devotions and topics—beginning and ending on time, spicey reports and
atmosphere of Christian sociability are the things that will attract people an
hold them. Missionary meetings that seem like missionary funerals will no

Are You An Active—or—Do You Just Belong?

Our churches have two classes of members—the "active" and the "just be
longers."

What kind of program can we offer church women that will be attractiv
enough to integrate them into the total life and work of the church? Only
few of the total number of women on our Church rolls take any part in mi
sionary and community work or in the projects and programs for the edu
cation of children and young people.

The faithful few are carrying the indifferent many. The Church coul
be most effective in the lives of the people and in the life of the community
if the Church can get people who join to do any more than "just belongin
to the Church."

It is the business of the people who join the Church to join its program o
service too.

"Are you an active member, the kind that would be missed
Or are you just contented that your name is on the list?
Do you attend the meetings and mingle with the flock,
Or do you stay at home to criticise and knock?
Do you take an active part to help the work along,
Or are you satisfied to only just belong?
Do you ever go to visit a member that is sick?
Or leave the work to just a few and talk about the clique?
There's quite a program scheduled that I'm sure you've heard about
And we'll appreciate if you will come and help us out,
So come to meetings often and help with hand and heart,
Don't be just a member, but take an active part.
Think this over, member, you know right from wrong,
Are you an active member, or do you just belong?"

Just paying dues and never becoming sufficiently interested to be used t
do some of the many vital things that followers of Jesus are commanded t
do for all classes and for the community is inexplainable.

Let us try to enlist more members in all of the activities of the Church. In God's service we must count hearts as well as names.

Woman's Day

We hear much talk about "Woman's Day." What does "Woman's Day" mean? It should mean Woman's OPPORTUNITY for deepening, broadening, heightening and glorifying WOMANLY VIRTUES AND VALUES. It should mean the creation of greater respect for womanhood. It should mean a new consciousness of what woman can become, AS WOMAN, without assuming the mannerisms of men. It should not mean substituting pants for petticoats; paint for purity; cigarettes for culture and man-chasing for modesty and decency.

We cannot conceive of men donning dresses in order to announce to the world that this is "Man's Day." Real men glorify their day by keeping their pants on and becoming more manly, and women should glorify their day by keeping their dresses on and becoming more womanly.

Too many women are cheapening themselves and shortening their days by the senseless assumption that there are no longer social niceties by which they need be bound. They think femininity is outmoded. It is not the new occupations that have produced this new brand of woman—this social monstrosity—this feminine renegade. Too many women are using their new found freedom to degrade and demoralize their minds, souls and bodies. Their offspring will be born without any chance of ever being "properly mothered." In fact, children of such women are born into the world at their own risk. These pants-wearing, man-chasing, social renegades will be the millstone about the neck of the new social order.

The foundation of that order must be laid in clean, well-ordered Christian homes. "Pants-wearing" women cannot make homes and rear children of the type that we need today or that we shall need in the new day. "Woman's Day" must be made to mean the development of the highest type of womanhood.

So long as there are homes to which men turn
At close of day;
So long as there are homes where children are
And women stay;
If love and loyalty and faith be found
Across these sills,
A stricken nation can recover from
Its gravest ills.

So long as there are homes where lamps are lit,
And prayers are said;
Although a people falter through the dark,
And nations grope
With God Himself back of these homes
We have sure hope.

It takes womanly women to make such homes.

Tomorrow

Leslie Bates Moss tries to paint, in words, a picture of the world and the condition of its people, when the war ends. But neither tongue nor pen can ever tell the story of barbarity, brutality, horrors, suffering, death and hell that this world-wide—suicidal war has brought upon the men, women and children of all races in all lands.

What Leslie Moss says gives us a faint idea. God and eternity, alone, can reveal the whole truth of this undreamed of world tragedy. "When the war comes to an end," says Leslie Moss, "this will be a broken world. Millions of

homes will have been damaged beyond repair. Millions of families will have been forever broken. There is no retrieving the ground lost. Children in China, in Europe, have been deprived of food, of vitamins and calories—worse, they have lost their parents. Some of them have been taught monstrous doctrines, and being of tender years they have no basis for rectifying the tragic misconceptions they have. Prisoners are now in prison camps—hemmed in by unrelenting strands of barbed wire.

"No natural participation in the society of the home or community. Useless for the duration. In China men, women, young people, have moved their whole civilization hundreds and even thousands of miles to escape the aggressors. Peoples have been overrun by barbarian invaders who have not hesitated to perform the vilest kinds of infamy against the human soul. Millions have suffered excruciating tortures for their religion. Efforts have been made to scald the spiritual nature of man out of existence—as though such blasphemy against God could endure. Gentle souls and stout hearts who have pledged themselves to spread the message of the risen Christ have been entombed in the silences for years. The productive processes of industrial life have been turned to war machinery. The abilities of men have been plagiarized for destruction rather than for building."

Who knows why God suffered the rest of the world to be drenched in blood and, at the same time, saved American soil from becoming one vast Aceldama like the rest of the world.

This is a question that the entire nation should ask itself and never stop until it gets the answer. God has a purpose. We mortals do not know what it is, but there is one thing this nation can do—it can redeem the time by confessing its sins and putting an end to injustice and ungodly attitudes and practices in this land.

God is giving America a grand "second chance." We have taken the support of this global war program seriously and unitedly. God has waited a long time for us to take His world peace program just as seriously. If this nation fails him, at home or abroad, He will make us pay the price.

Peace on earth doesn't mean peace and plenty for white men and degradation and second-class citizenship for all men who are not white. God's plan is to make human brotherhood real and he is giving America, the "second chance" to take a real try at it right here in a land of plenty and still free from blood and carnage.

Will she do it? This grave question is for all churchmen, statesmen and lovers of right and righteousness to answer and answer NOW. If our nation cannot be purged of race prejudice and hatred; if both races cannot rise up for right and justice,—then God cannot save America.

Ministers must preach the gospel of Jesus Christ—the gospel of the sacredness of personality and the righteousness of right and these same ministers must turn their preachments into everyday practice. Statesmen must know that what is basically wrong in Germany, Japan and Russia is basically wrong in Christian America.

God does not regulate human conduct by geography. What's wrong in Europe is just as wrong in America. Wrong is wrong and right is right—done anywhere, by any nation or individual.

If we are to have peace on this earth, America, too, must put her own house in order. When, and if she too shall have earned a seat at the peace table, no plans that leave justice to nations and races out of any of the proposals will be worth the paper on which they are written. Men, women and children of every race have sealed their right to justice and equality of opportunity with their own blood.

A righteous God will turn and overturn the nations of the earth until we mortals build for Him a world on the Rock, Christ Jesus,—a world that cannot be shaken by hate and greed and injustice.

God helping us
We shall do this

Women Teach Wrong Race Attitudes

Among the forward-looking races of the world, it is the women who influence the thinking and the attitude of children. The more advanced the race, the more influence women have in these two particulars.

This being true, the success of any post-war program depends almost entirely on the quality of mind that the women of the more advanced races have.

We are in this world war today because women taught children wrong attitudes toward other races. The reason the children's teeth are on edge (call it juvenile delinquency if you will) is because their mothers neglected their duties, taught hate, and ate sour grapes. Too many mothers of both races have been bad teachers, bad examples and bad actors in race relations.

The most tragic thing is that Christian women make fertile the soil of the minds of their children, and then plant seeds of hate and help children cultivate them. Children, in so-called Christian homes, have their little minds filled with poison and false teachings and live in a straight betwixt hate and fear. As they grow, hate and fear grow, and now our youth are sent to war to free themselves of the fear that their forebears planted and generated.

God grant that Christian mothers and other sensible women in all races shall unite in a post-war bond of cooperation to teach children respect for all human beings, regardless of race or color. If they do not, they will simply plant new seed for another world war.

The races of the world must not only be taught the basic principles of living in peace, but they must be taught the price that mankind always pays for wrong attitudes and practices in race relations. War is some of the wages of sin.

The only reason women pay the greatest price for all wars is because God holds them responsible for not teaching children love and respect for all mankind. God is not dead. We reap what we sow.

Men may write world peace on paper, but they will never attain it unless women write it on the hearts of their children.

The Negro in the Post-War World

The Negro like millions of other American citizens is riding high on the crest of war-time emergency employment. Everybody who wants to work is employed. The competent and the incompetent—the well-bred—the wise and the foolish—the old and the young—children, too, are included.

This nation-wide job opportunity is not without blessings many, and dangers—not a few. Some people are saving, investing and spending wisely. The majority of the newly-hired are intoxicated. Their prosperity has gone to their heads. They will not either look nor listen. Whoever said, "a fool and his money soon parts," told the whole truth.

That Negroes should so soon forget their tragic condition in the depression, the breadline and the WPA is unbelievable—but they have.

Of course, we should buy necessities and perk up our pride by reconditioning our household furnishings and adding suitable clothes to our wardrobes. But, far too many have gone on a spending rampage. The only security is in War Bonds, and bank accounts.

People who are intoxicated over their sudden prosperity had better sober up today, and begin saving against the day of the "Hitler depression."

Just as soon as this war is over, thousands will be out of work. They need not expect to be paid for not working as millions of them were before the war. There will be no more WPA. That demoralizing, economic device is "Gone With the Wind."

As soon as the Axis surrender or the war emergency passes, millions of Negroes will be out of war-time jobs, and will be looking for peace-time employment. They will be up against scarcity of jobs and the same old race prejudice to which has been added much war-time hate—such as Philadelphia, Pennsylvania, exhibited in early August of this year.

There we faced the undemocratic spectacle of one Negro chasing a thousand whites and eight Negroes putting six thousand whites to flight, and race prejudice pulling the entire city of brotherly love on the sidewalk. At that rate, we will win the war with our fighting men and lose the peace with our striking men. Since a thing like that happened in the staid old city of supposed "Brotherly Love," "Watchman, What of the Night?" in industrial centers that lay no claim to such godly virtues?

We sincerely hope that Negro and white soldiers in Europe have been getting along better fighting together than Negroes and whites over here have been getting along working together.

The first stark reality the Negro will face in the post-war world will be that while he helped to beat Hitler into complete surrender that Hitler's kind of race prejudice is still unlicked, and abroad in the world. It is against this black background that the Negro will have to fight his economic battle. He will have to compete with the very people whom he fought to help liberate. America will give aliens jobs, and give Negroes their walking papers.

The war for the four freedoms will not change the American plan and pattern for the Negro so far as jobs are concerned. The Negro will "want" jobs and will not be free to get them because America will not be free from "fear" of so-called race equality. Our post-war fight will be on the economic front. It will take the right kind of education, job—skill, common sense and the religion of Jesus Christ to win that fight.

Let nobody fool you. We are in for a long, hard uphill battle on the American front. The pressure of the European war emergency will be gone. The army will be on world fronts. The home front battles will have to be fought by civilians—Negro and white—who want to free America from her home-made Hitlers.

We must face all of the facts. Thousands of Negroes who are now employed are absolutely incompetent and impossible. It does us no earthly good to say "and so are millions of whites." That's their funeral. If whites really want to get ANYWHERE—the door is wide open for them. The majority of whites who are ignorant and poor simply choose to be.

Color and color alone, deprives the Negro of equality of opportunity. The only way up is by developing in the masses a dogged determination to get together for self-improvement and job improvement, at any cost. Competency and eternal vigilance will win in the end.

Whatever the job is, these are the two essentials for advancement and security on the economic front. The majority of Negroes in everyday or so-called common occupations can do better work. We must insist on the kind of educational programs in schools and shops that make for pride and skill in all occupations.

Our foes are—Ignorance
Race prejudice
Unchristian attitudes
Undemocratic practices

We must stand for equality of education for all—for the abolition of poll tax and for no discrimination of citizens on account of race or color.

We must clean up and then work until we clean out jimcrowism in America.

Women in the Post-War World

Millions of people are expecting a new world to emerge from this war. It should. It can—"if"—and on that little word hangs the future of many generations to come.

The present war has cost enough to pay for two new worlds. But not even one new world will ever come unless white women are for it. Unless white children are taught the truth about race, respect for human personality and all are given equality of opportunity in education, America will take the same old road that leads only to another war.

The women of the white race are the ones who have had every advantage for education and leadership. They have gone as missionaries and teachers to other races. Their voice is heard above the voice of God in questions affecting human relationship.

Their opportunity and their responsibility are therefore so sacred that God expects them to lead in helping Him create a new earth.

May they accept the challenge to make America Christian, and show what a democracy built on the teachings of Jesus Christ can become. It is up to American white women to lead out in teaching right race attitudes—right here at home.

Where the New Social Order Begins

The only way we can ever hope to make a post-war world program effective is to begin work anew in three well defined areas. These areas are **our individual selves, our homes and our local communities.**

If we do not have interest or influence enough to improve these three we cannot have influence enough to affect larger areas.

As individuals, we not only have much to learn, but we also have much to unlearn. We are the victims of satisfied ignorance and false teachings.

A new world means new individuals—mentally, physically and spiritually. Old unsound, out-moded ideas and ideals must be done away with. A new world means no putting of new wine into old bottles.

After all, the world that shall endure will not be built by self-centered individuals and out of material things. Individuals must become the personification of spiritual graces.

The religion of Jesus Christ requires growth in mental, physical and spiritual grace. That is the basis of all hope for a new world. The religion of Jesus Christ promises to make somebody out of nobody, and it has done it.

Democracy promises practically the same thing, in that it promises to provide equal opportunity to all—so that everybody who wills to become somebody has the chance. Our democracy has not kept its promise.

If we are to build a new social order, every individual must be free to make the most of himself as an individual. In all of our post-war planning, the home must be the first school.

The basic things and values of life must be taught there. Cleanliness and godliness are the cardinal virtues upon which homes are built. There is no substitute in civilization for these two fundamentals. Homes in which cleanliness and godliness are not stressed all the time are built on sinking sand.

We have the wrong conception of a home. A home is not brick and mortar and lumber and furniture. A home is a little piece of paradise fenced off on earth. Its atmosphere is pure; its space for living and growing is ample; its surroundings are attractive; its spirit is exuberant; its example in frugality is contagious; its love is eternal. It is the place where great souls are born and grow to infuse the world with new blood. The place itself can be and usually is humble, but the spirits that make it are divine.

In wise post-war planning, we shall not herd people together in cities and ghettoes. "Space for growth must be ample"—this means yard and field and farm. Whoever coined the slogan "back to the country" caught the vision of the post-war world and was a better friend to mankind than any real estate racketeer, whose slogan is "pile them up in the City."

To Negro Americans who are planning an ideal home in the post-war world, we warn them "do not pile up in cities," to become the prey for every evil device, every racket and the victims of ill health. The Urban Hous-

ing program for Negroes is one of the most pernicious schemes ever devised for improvement of the individual, family and community life. Human beings simply do not grow piled up and wedged in.

This social scheme of putting Negroes where other people want them to live is loaded with social dynamite. It is not a democratic process for the untrammeled development of people, because it leaves them no choice. It is a subtle scheme for ghettoizing Negroes in a democracy.

We are visionless if we do not see it and we are poor economists if we think such housing is cheap. It is socially and financially expensive. This blind alley housing program must be scuttled.

Moving unchanged people into a new environment is not practical social reformation. White Americans know this and they are not even trying to pile up their low income group in "units," as substitutes for homes.

Years ago, your secretary raised the ire of many unthinking reformers when she declared in a meeting of social reformers, "You are working backwards. You should be working to get the alley out of the Negro and when you do, the Negro will get himself out of the alley." Work on peoples aspirations and industry; make them determined to be clean.

The only reason we have a monopoly on ignorance, poverty, poor health and poor housing is because we live in a democracy that plans our education, our occupations and our housing so that we cannot escape these maladies. Negroes themselves are the only ones who can and ought to put an end to this business of making them Second Class Citizens. Forward! must be the slogan. It is a definite part of our post-war planning.

In the language of Winston Churchill—"Who do they think we are?" In the voice of every Negro in this world conflict for freedom, we answer this question in the language of the men who marched up old San Juan Hill.

If you do not know the answer—get down your history. "It is written."

After the War—What?

There are those who say—after the war—PEACE. They are entirely mistaken. After war comes only opportunity for peace. Wars are won by fighting with carnal weapons—such as guns, tanks, planes and ships. Peace is not WON.

It is CREATED by years of sincere desire plus definite, well planned, hard purposeful, godly work. All people must have this inescapable fact dinged into their ears eternally.

Those who are living on the hopeful delusion that the world will enjoy freedom of SPEECH, freedom of WORSHIP, freedom from WANT and freedom from FEAR as soon as the Axis powers surrender will be as much disappointed as those Negroes were who expected the—acres of land and a mule at the close of the Civil War.

The end of this war means real fight for human rights the world over, or it simply means a few years respite, and then another war. To beat the enemy to unconditional surrender is only a physical ACHIEVEMENT—not peace.

Peace is not won by fighting. It is created. It is an educational, economic, social and spiritual PROCESS. An IDEAL that can be made REAL only by working intelligently, devotedly and vigilantly for justice for all men from generation to generation.

Wars only give those who survive a chance to achieve the ideals for which their compatriots gave their lives, in the hope that they were not dying in vain.

To this end, the first duty of the nation is to pray for forgiveness for all of its sins that helped in any way to bring on this war, and then, begin a program of teaching justice, self discipline, the value and dignity of human beings, adherence to the Golden Rule, and cement mankind in the bond of world Interracial Brotherhood.

The State must provide equal educational opportunities for all. The schools must teach the same basic democratic ideals to all. The pulpit must preach the unadulterated Gospel of Jesus Christ to all; the home must set a noble example in living; and statesmen must make this a government by all the people and for all the people.

Then, and not until then, will the four freedoms become realities and PEACE—as solid as gold—build her throne in the heart of the nation.

SUMMARY OF THE RACE RELATIONS COMMITTEE PROGRAM

The following is a digest of the opinions expressed in the Inter-racial panel discussion held in the Woman's National Baptist Convention, Mrs. S. W. Layton, President, assembled in the Good Street Baptist Church, Dallas, Texas, September 8, 1944.

The following persons constituted the personel of this Inter-racial panel: Dr. Maynard Jackson, Mr. Badie, Mr. Don Ellinger, Col. West Hamilton, Mr. A. Maceo Smith, Miss Nannie Helen Burroughs, Mrs. Pansy L. Borders and Mrs. R. L. Mathews.

Points of emphasis voiced by Mr. A. Maceo Smith with respect to discrimination against Negroes in the buying and selling of private property—as yet the government has no control. Yet racial restricted covenants may be corrected if Negro organizations would exert sufficient pressure upon the housing authorities for legislation to correct this abuse. It was also added that real estate agents have no control over covenants and prices of private ownership.

In answer to a question concerning adequate protection for the Negro worker, Mr. Don Ellinger responded declaring that the unions are increasing in power of protection of the Negro worker. There is a great problem pertaining to the success of unionization of Negro workers. Negroes not affiliated with unions will have rough traveling ahead especially following the war. If delay is continued, after the war many doors now open may be closed.

Mr. Don Ellinger further urged support of the La Follette and Scandlan Bill number 8804 asking for the permanency of the Fair Employment Practice Committee.

Col. Hamilton made response to the question of discrimination against Negroes in war training camps. Col. Hamilton replied that the government has issued a correction to abolish discrimination in USO clubs, camp centers, Service clubs, busses and other forms of transportation, but nothing has been done to enforce these orders.

Col. Hamilton further declared that Congress recently passed a G. I. Bill of Rights favorable to all soldiers who have been or who shall be honorably discharged from service to receive $20.00 per week up to 52 weeks and secure a loan up to $2000.00 for repairs upon a home or for the purchasing of a home.

Mr. Badie declared that Negroes could join in some localities all branches of the A. F. L. Union and in others some Negroes could not.

Dr. Maynard Jackson said the church must meet the needs of the people by informing them of the supreme value and right use of the ballot. There is no reason why Negroes in this country should not enjoy more equal rights and privileges if the proper urge and training be given them.

Dr. Jackson further declared that Government Agencies cannot originate correction of these problems unless adequate pressure is placed upon these agencies by the people.

Mrs. R. L. Matthews emphasized the need of a universal "Call" of all people to follow Jesus. Never before have been so many prayers sent up for peace and still there is further room for greater unity and solidarity in this interest.

It was the statement of Mrs. Pansy L. Borders that the great challenge of the church is to teach tolerance and to practice what we teach. She urged the importance of the supreme need of respect for personality of all people: courtesy, compassion and love basic in the building of the feeling of brotherhood and security. People must have the desire to grow up and accept realities. The beginning point is with self, then with neighbors and especially young people.

Miss Nannie Helen Burroughs spoke interrogatively asking "What are we trying to do with this world? Are we endeavoring to make it Christian or to build world institutions? "What are the basic things that must be done? We cannot accept any compromise. We must come to an absolute willingness to accept Jesus Christ, His way and Ideals of living.

She illustrated effective results in faithful praying in the attainment of inter-racial worship and fellowship in Philadelphia and that Dr. Howard Tourman, one of the world's great leaders in the Christian religion, has given up the Deanship at Howard University to become a co-pastor in a large white church in San Francisco, California.

With dramatic emphasis Miss Burroughs declared that one race is as important in the sight of God and Democracy as another. That in this democracy lynching either in spirit, soul or body must cease. We must have equality on all fronts, in the church, in the school, in the community and in the nation.

MISS PANSY L. BORDERS, Chairman.

LETTER—DR. MARSHALL A. TALLEY

Mrs. S. W. Layten, President,
Woman's National Baptist Convention, U. S. A., Inc.,
764 South 23rd Street,
Philadelphia, Pa.,

Dear Mrs. Layten:

At a time when the church was weilding less dominating prestige in the life of the community than in former years, and when sixty-three per cent of our national population was becoming definitely pagan; when more than twenty million youth were without adequate Christian training; when our national crime bill was more than nineteen billion dollars annually to say nothing of war and riot costs; at a time when home-life was no longer a dependable asset of moral and spiritual resources for the implementation of the structure of our national life, the noble heroic women of the National Baptist Convention, U. S. A., Incorporated, courageously committed themselves to a new and comprehensive advance in Christian leadership education. This commitment was most effectively dramatized with passionate zeal by the teachers and pupils of thirty training classes conducted in the beautiful St. John's Baptist Church of Dallas, Texas, September 6-10, 1944. The pastor of this church, Dr. T. M. Chambers, together with the courteous officers and members spared no pains to make the thousands of messengers happy and their every need convenient.

As president of this Convention for forty-three years and the only president the Convention has ever had, we wish to congratulate you upon your fine career and the high levels your leadership has attained as a presiding officer at this Convention. You were at your best, displaying unusual grace and charm. The Missionary Training Schools for women and youth for which during twenty-five years you have planned and prayed, were successfully operated this year with conspicuous evidences of divine favor and lofty Christian pride. Aside from many groups numbering several hundred devoted missionary women who took audit or lecture courses under the inimitable Nannie Burroughs and her associates, were two hundred and sixty-five women who took the regular accredited courses with conformity to the regulations of the Department of Religious Education of the Sunday School Publishing Board of which Dr. A. M. Townsend of Nashville, Tenn., is the general Secretary, and Rev. Chas. L. Dinkins is the efficient Secretary of the Department of Religious Education of this Board.

In addition to the thirteen senior classes mentioned above, there were classes also in missionary leadership training for youth. These classes were supervised and guided by Mrs. Etta Versa Frye of Washington, D. C.,

and Dr. Chas. L. Dinkins of Nashville, Tenn. These classes constituted a most interesting group of forward-looking Christian youth. They were awarded credits this year on the closing night of the Convention along with the Senior group.

The ministers' wives constituted a large group of eager pupils; which group was an added class to our curriculum. Splendid results coming from this class indicated that special training for ministers' wives will become an attractive feature in our training school for the future.

Another new class this year drew a large group of pupils. This class taught the life and work of our Foreign Mission Board. The textbook used was that which was recently published by our Foreign Mission Board of which Dr. C. C. Adams is the Secretary. The title of this book is "Negro Baptists and Foreign Missions." The interest exhibited augurs for a great awakening in the study of the work of our Foreign Mission Board.

It is impossible to estimate the great value of service the Woman's Convention is thus transporting to the local churches for leadership in the new world that is dawning. Old cultures, traditions and moras are being wrecked for a new world. "Old things are passing away behold all things are new." A church for a post-war world must be a teaching as well as a preaching church and we are grateful to Almighty God that he has inclined your heart as leader of this Convention to promote this emphasis.

Remember that our first school began only three years ago in Memphis, Tenn., with the small group of 70 pupils. From all indications, the Detroit meeting will doubtless register 500 pupils. Mrs. Jessie C. Mapp, who is chairman of the Educational Commission, which promoted this new dynamic in your Convention, has been most congenial and cooperative. She and her associates have bridged the breaches and built the trackage for this new advance in women's work. Mrs. Mapp is a rare personality of tremendous creative courage and forward-looking insight.

I feel happy that it is my lot to serve you.

REPORT OF ACCREDITED LEADERSHIP COURSES

Dallas, Texas, September 9, 1944.

Mrs. S. W. Layten, President
Mrs. J. C. Mapp, Chairman,
The Educational Commission
Woman's Convention, N. B. C.
Dallas, Texas

Dear Christian Friends:

Please find herewith a report of the Accredited Leadership Training Courses held at the Young People's Department of the Woman's Convention, St. James A. M. E. Church, September 6-9, 1944.

This is the first time that his class has been held. Personally, I think it was very successful. Leaders of the Convention and teachers were very cooperative. Especially must I mention Mrs. Etta Versa Frye, who spared no effort to make this venture successful.

In this our initial attempt, four courses were offered with instructors as follows:

Course 110a—Personal Religious Living,
Mrs. Irene Gilbert

Course 130a—The Meaning of Church Membership,
Miss Julia B. Foreman

Course 314a—Young People's Work in the Urban Church,
Mrs. Blanche Carter

Course 316a—Christian Youth Building a New World,
Mrs. Henrietta Bearfield

In addition to these instructors, the following persons served on the Enrollment and Classification Committee:

Mrs. Maude R. Holt, Tulsa, Oklahoma
Mrs. L. B. Bryant, Cartersville, Ga.

Daily devotions were conducted by the following:

Wednesday—Rev. Charles L. Dinkins
Thursday—Rev. Charles L. Dinkins
Friday—Mrs. L. B. Covington
Saturday—Mrs. Jeanette Bryant

Our daily schedule was as follows:

A. M.	A. M.
7:30 - 8:20	First Class Period
8:30 - 8:45	Worship Period
8:55 - 9:45	Second Class Period

Thus, over the week, it was possible for persons to receive eight hours (50 minute periods) of instruction.

During the session a total of 168 persons were enrolled and assigned to classes as follows:

Course 110a—17
Course 130a—23
Course 314a—48
Course 316a—80

A total of 112 persons completed requirements for course cards by classes as follows:

Course 110a—16
Course 130a— 8
Course 314a—25
Course 316a—63

Financial report may be found on a separate sheet.

1. That the Leadership Training Classes held this year be declared successful, and that classes will be conducted next year.

2. That we seek to integrate more of the young people into the organization, as it is desirable to do so, both as instructors and registrars.

3. That a class be offered strictly for leaders of young people, where the essentials of a youth program can be outlined, and where the program of the Young People's Convention can be promoted.

4. That the Commission consider giving to the Director, Instructors and Assistants of Young People's Courses, an honorarium equal to that given for work done in the parent class.

5. That we commend Commission Chairman Mapp, and Director Frye for their far-sightedness in making provision for the training of young people in these classes, making the Young People's Department not only a meeting place, but also a school.

Respectfully submitted,

CHARLES L. DINKINS, Director of Courses
