*Call for a National Convention of Colored Baptists

Dear Brethren: April 6, 1886, an open letter to the Baptist clergy and laymen was issued by Rev. Wm. J. Simmons, in American Baptist, asking if we should have a National Convention to discuss questions of interest to our beloved denomination. At that time the following reasons were given:

1. To promote personal piety, sociability, and a better knowledge of each other.
1. To be able to have an understanding as to the great ends to be reached by the denomination.
3. To encourage our literary men and women, and promote the interests of Baptist literature.
4. To discuss questions pertaining especially to the religious, educational, industrial, and social interests of our people.
5. To give an opportunity for the best thinkers and writers to be heard.
6. That, united, we may be more powerful for good and strengthen our pride in the denomination.

Having been solicited to write the Call by many whose names and endorsements are hereunto affixed, the Call is hereby made by their advice and solicitations for said convention to meet in St. Louis, Mo., August 25, 1886, 10 o'clock a. m., in the First Baptist Church, and the pastor thereof is hereby requested to serve as a Committee of Arrangements, with power to select his associates.

Wm. H. Steward, Louisville Ky., and Rev. R. H. Cole, 3609 Goode Avenue, St. Louis, are hereby requested to serve as a Committee on Transportation.

WM. J. SIMMONS.

The chronological report in our National Baptist Minutes is hereby corrected, viz.: The parties as they appear below were officers of the Foreign Mission or National Educational Conventions, as were their predecessors. Said conventions merged into the National Baptist Convention in 1886 or met co-jointly with it, or otherwise.

The Sixty-eighth Annual Report

OF THE

Foreign Mission Board

National Baptist Convention, U. S. A., Inc.

Dr. C. C. Adams
Corresponding Secretary

r. President, Officers and Messengers of the National Baptist Convention, Incorporated:

We are happy to greet you and render this, the Sixty-eighth Annual Re- rt of your Foreign Mission Board and give account of the trust you have posed in us.

We are thankful to God that we can still report progress and say that, many ways the past year has been remarkable and the work on all fronts s made strides forward. While the co-operation on the part of many stors and churches that we had a right to expect has been withheld, we, the other hand, have had such splendid co-operation and Christian lib- dity from a sufficient number of big-hearted pastors, churches and indi- uals to meet our ends and keep the work in a healthy condition. To all loyal and faithful our thanks are here acknowledged, and for the in- ferent and negligent we can but hope and pray that the Spirit of God y stir in their hearts an interest and moving concern in this urgent and rnal cause.

The following items of accomplishment and progress give us pleasure to e and report to you. We trust they may afford mutual joy and inspira- n to face the still greater problems and responsibilities that lie ahead, h full confidence born of the knowledge of God's past help and his mises of the present and the future.

(1) We have returned for furloughs and sent to foreign fields ten mis- aries. There are others pending furloughs and still others waiting to sent soon. This in itself is a difficult and costly operation.

(2) The evangelistic purpose of missions must always take first place, we are happy to record that there has been no let-up in this. While do not have the exact number of souls saved, all indications point to the that there have been more than the 10,000 reported for last year.

(3) Our schools have a total enrollment of over 12,000 pupils, with many e knocking at the doors for entrance.

(4) The staffs of our workers at all stations have been greatly aug mented by native workers and, in some cases, doubled.

(5) Our hospitals are always overcrowded and hard pressed in the fight against sickness and bodily distress. They must be enlarged, but w cannot build large enough. The task is too big; and we can only do our b in the face of great odds.

(6) We have already established clinics at a number of our station where supplies are kept and first aid service is rendered.

(7) We bought a new car for the Pilgrim Station, in Nigeria, and se there, this year between $4,000 and $5,000 worth of material and equipme

(8) Under the Pilgrim Station, a teacher-training school and buildi for the same have been begun. This school will train workers on the spot

(9) The building program in Liberia is in full swing. The J. H. Jam son Building at Suehn is ready for the roof and, thereafter, the finish touches. Other buildings have been finished or are under way at other s tions there. For building purposes alone, in Liberia, we spent in one ye $49,967.44.

(10) We have made arrangement to send one of America's finest phy cians and surgeons to take charge of our hospital in Liberia.

(11) Plans are in the making to send a missionary to Okinawa, in t Pacific, from whence the Macedonian cry to us has come.

(12) The $35,000 building has been completed and is now in use Nassau, the Bahama Islands. It is one of the finest and best buildings the Islands.

(13) The leadership of the work in the Bahamas demanded that American be sent there. Dr. T. B. Livingston, a noted preacher and schol along with Mrs. Livingston, has concluded a remarkable year there.

(14) The next steps in building there will be a home for the princ and an industrial building.

(15) There has been a rapid increase in the number of our church as new churches are constantly being organized in many parts of Africa. have no way to state the exact number of churches, but they now run the thousands.

(16) We have sought to make The Mission Herald a more effective m sionary magazine and feel that to some degree we have succeeded.

(17) Through all means at our command we have tried to keep the nomination informed on all phases of world missions.

(18) We have continued the never-ending task to interest a large n ber of our pastors and churches in the missionary program of the church of first priority on the claim of the church set by Christ as the Head the church.

(19) All of our connections and obligations with world mission agencies have been maintained.

(20) We have brought, and are maintaining, five African students in is country for their fuller education for future service in their homelands.

(21 We still finance two scholarships for Bahamas at our training school Nashville, Tennessee.

(22) The third year in our Ten-Year Expansion and Permanent Build- Program has been met and is up to schedule.

(23) We have successfully pushed forward our Self-Help program among e natives, looking to ultimate self-sufficiency and self-propagation.

(24) Our efforts to encourage and keep fellowship with our brethren British Guiana are maintained by annual contributions.

(25) In the midst of all these activities we have been able to adhere to r policy of paying all missionaries' salaries and the budgets three months advance.

For all these things we are very thankful, but it is quite evident in the ght of the reduced purchasing power of the dollar, that we shall have to more money or curtail the pace of the work. But to retrench in the face the great need, the greatest opportunity and greatest challenge in the story of the church, would be cowardice, disloyalty to Christ and betrayal a committed trust. Especially would this be glaring at a time when all e large denominations and their boards are launching the greatest all-out issionary advance of all time to make Christ known to all the remotest rners of earth. In this advance their personnels and finances are to be ubled and, in some cases, trebled. Therefore, we refuse to retrench with- t a struggle to meet the increased cost. We also refuse to believe that r Baptist brotherhood will countenance any curtailment rather than in- ease their giving and sacrifices. Hence, we make bold to declare enough ith in God and confidence in our pastors and churches to earnestly re- est that our budget be increased from the annual sum of $200,000 to $300,- 0, to make up the difference in the reduced purchasing power of the dollar used by inflation. That proposition we leave with God, as in confidence e go forth and leave you to supply the answer by your love, devotion and erality to a sacred trust committed to us.

With the above statement your Foreign Mission Board has the honor d pleasure to submit to this Convention the Sixty-eighth Annual Financial port.

Text—Deut. 32:11, 12:

As an eagle stirreth up her nest, fluttereth over her young, spreadeth road her wings, taketh them, beareth them on her wings: so the Lord alone d lead him, and there was no strange god with him.

God has never ceased nor made any let-up in his redemptive work to alize his ultimate creative purpose in man. In his sinful state that stands tween him and that glorious purpose man has not been permitted to be at ace in himself nor in the situations and relations by which he finds him- f surrounded. The nest that man has built and dreamed that in it he uld find peace, happiness and security, God, through the centuries, with tel mercy has stirred and broken up, and told him to "arise and depart; this is not your rest." The goal of rest and peace is still farther on.

The world nest today is stirred as never before. Nowhere are there m and peace. Everything is in the change and state of flux. When guns sed firing and bombs no longer fell, at the close of the most destructive

of all wars, the world drew a sigh of relief and looked in vain for pe
But, instead, national and international fear seized the whole world in
new grip of terror that caused men to live in a nightmare of hell again. M
kind was told to "arise and depart; for this is not your rest." The goal
still in the distant future.

Naturally enough, the church and the world of religion are no excepti
to this flux of confusion and dissatisfaction. Old forms in which ch
leaders sought to strait jacket the church in dogmas that only feebly
pressed the truth must now be forsaken to follow the truth in broader
higher revelations of eternal realities. In Christ God makes a continual
eternal revelation of his purpose and truth. This demands on the part of
church a forward look and a ready spirit of advance. Many are disturb
by this stir and flux and are seeking ways and means to stabilize the st
quo. But I think, if we know the wisdom of God, we should be thankful
this universal upset and dissatisfaction, for it is a healthy sign in the
of a serious world sickness. It shows that men know that things are not w
they should be and are longing and fighting for a better lot. Dissatisfact
is the prophecy of progress and achievement. I agree with John Stuart
who said, "I would rather be a dissatisfied man than a satisfied pig."
man dissatisfaction is the impulse that lifts and elevates. The hog's
faction is a stomach full of slop and a mudhole to wallow in, which is
satisfaction of stupidity.

The chief reason to thank God for this world-stirred condition is
God will not let man alone, for if the world were allowed to be settled
be stabilized as it is, it would become an eternal hell and all men confir
demons, without hope, change or salvation.

Finally, I thank God that, amid this world stir Africa is aroused
quickened with a holy dissatisfaction and is turning her face toward
glorious sun of God's purpose and the heritage God has given her in
mon with all the sons of God in Christ. I don't want to be settled
satisfied in my present imperfect state. I want to be stirred and stirred
and until I appear consciously in the complete likeness of him who is
Redeemer and Saviour. Therefore, as God continues to stir the nations
all people, let the church quicken her pace to make known the Gospel
Christ to all the world. May we all join in the sentiment of this song:

O Zion, haste, thy mission high fulfilling,
To tell to all the world that God is light;
That he who made all nations is not willing
One soul should perish, lost in shades of night.

Publish glad tidings, tidings of peace;
Tidings of Jesus, redemption and release.

Behold how many thousands still are lying,
Bound in darksome prison-house of sin,
With none to tell them of the Savior's dying,
Or of the life he died for them to win.

Proclaim to ev'ry people, tongue and nation,
That God in whom they live and move is love:
Tell how he stooped to save his lost creation,
And died on earth that man might live above.

Give of thy sons to bear the message glorious;
Give of thy wealth to speed them on their way;
Pour out thy soul for them in prayer victorious;
And all thou spendest God will repay.

REPORT OF MISSION STATIONS IN AFRICA AND THE BAHAMA ISLANDS

WEST AFRICA

Rev. John B. Falconer, Supervisor of West African Missions

SUEHN INDUSTRIAL ACADEMY
Via Monrovia, Liberia

MRS. MATTIE MAE DAVIS, Principal

ar Dr. Adams:

I have the duty and pleasure to submit to you the annual report for Suehn.
e are indeed thankful to God and grateful to you and the Foreign Mis-
n Board, as well as the churches of the National Baptist Convention for
e prompt way you have taken care of everything from your end. We
ve tried to be just as faithful from our side.

The Lord has been good to pour out his special blessings upon us and
r work. Therefore, in many ways we have had our best year. This is
e of the school, church and farm. Our rubber has made steady growth in
duction and money returns from what has been sold. In rubber we
k forward to a general increase each year, as the trees get larger, and
re trees become tappable.

We shall never be able to tell you what our Supervisor, Rev. John B.
coner, means to all our work in West Africa. He is indeed a godsend.
hn's long-needed buildings are getting well under way. Another godsend
Mr. J. B. Wilson, who is proving himself a great constructor and also
ans much in our Christian work and Bible teaching program.

Co-operation among the teachers and all workers has been all we could
ect, though because of the absence of certain of our teachers on fur-
ghs and for other reasons, we are in need of some new workers, whom we
e you can supply soon.

Our report will speak for itself with regard to all details of our work.

MATTIE MAE DAVIS.

BIBLE INDUSTRIAL ACADEMY
Fortaville, Grand Bassa, Liberia

(Hereafter to be known as T. E. Brown Progressive Bible and Industrial demy.)

MRS. P. A. BRYAN JACKSON, Principal

This station is strategically located on 350 acres of fine land and the ol is well housed in seven buildings. It has a well-developed farm,

which formerly had a fine coffee orchard that could be retrieved. There i
fine student body with some faithful teachers and workers. Rev. Lafay
Jackson is not only a good teacher but a devout preacher who carries
Gospel far and near.

The past year has witnessed some rough going because of a disrup
among the working staff, caused, first, by the absence of the principal, B
Bryan Jackson, on furlough after 27 years of faithful service. But, ne
theless, the work has gone forward.

Here again the wisdom of our West African Supervisor, Major Falco
was demonstrated in coping with all the problems of the entire field.
now the future of this work is afforded a bright prospect. The g
Progressive Baptist Church of Chicago, Dr. T. E. Brown, Pastor, ha
sumed the major part of its support. That is the reason for changing
name to the T. E. Brown Progressive Bible and Industrial Academy.
Mrs. Bryan Jackson, the principal, hopes to be back to resume the lea
ship by December, if possible. Failing this, we shall place another able
there.

Dr. T. E. Brown has promised to help supply whatever is needed
make this station that has already done so much, more useful in the fu
So we shall pray and watch in confidence as this station grows into
enlarging service to a section so much in need of our help.

BENDOO INDUSTRY ACADEMY

Cape Mount, Liberia

REV. RUFUS PRUNTY, Principal

The past year has been one of measured progress and sorrow bec
of the death, by drowning, of Rev. J. S. Cyrus in Fisherman's Lake, and
departure of his wife, Mrs. Sarah H. Cyrus, who is now on furlough in U.
Rev. Rufus Prunty arrived to take charge late last December and
shown great tact, courage and Christian patience. In this short time he
deeply ingratiated himself in the minds and hearts of the school chil
the workers and the natives and business community.

The Rev. Mr. Prunty is leading a fourfold program for church, sch
farm and health, and in all of them he is demonstrating real leadership
Cyrus expects to return not later than next December. She is greatly
loved and much missed at Bendoo. All the natives call her "Ma," and
iously await her return.

The building program at Bendoo is being resumed from where Rev. C
left it. The hope of Bendoo's growth is now very promising, as it will
be more easily reached both by land and air. Liberia has just launched
airline, traversing the length of the country from Cape Mount to Cape Pal
Also, a road is soon to be undertaken from Cape Mount to Monrovia.
this will mean much to Bendoo and that entire section.

We hail and congratulate Bendoo and Rev. Brother Prunty.

CARRIE V. DYER MEMORIAL HOSPITAL

Monrovia, Liberia

MRS. MAGDALENE L. DENNIS, R. N., Superintendent

The past year's work of this hospital, as submitted in its annual re
is too elaborate and extensive to quote in the meager space possible
But suffice it to say that, in cooperation with the U. S. Health Mission

re than 100 nurses, workers and a few doctors, it served more than 20,
persons. These cases included many major operations.

So far as equipment is concerned, they have everything the U. S. Gov-
ment could get, and the past year was in every way a bumper year of
vice. But alas! we are told that this is the last year for the U. S. Health
sion in Liberia. After such a big build-up, we must put many more
usand dollars per year in this work than we have done in the past, or
the hospital will lose the high place it now holds.

We must get an eminent physician and surgeon, more highly trained
ses, and keep up the buying of the latest hospital equipment. This will,
itself, call for at least $20,000 per year more than we have paid before.
s this, we have plans already begun to remodel and enlarge the hospital
he tune of $50,000.

The hospital has had a glorious past in service, but its promising future's
fillment depends on whether or not we are willing to follow through in
sacrifices and giving.

PILGRIM MISSION STATION

Issele Uku, Nigeria

REV. SAMUEL W. MARTIN, Principal

r Dr. Adams:

I can never be able to tell you how much I appreciate my trip to America
you made possible, doing everything to make me happy and my work
essful. Still I am happy to be back home with my people and work. All
people her rejoice in what you are doing for us. All of my things, in-
ing the new car, came in good shape and they are meeting such a great
.

I have sent you my annual report, which shows we have 12 stations and
e than 5,000 students, with 89 teachers; and when the training school is
pleted, we shall have 13 stations.

We go everywhere, preaching and baptizing. People are coming to
st, every week, by the hundreds. Everybody here loves you and is
ing for you. They call you their "Big Brother" and "Chief."

May God bless and keep you, our brother.

S. W. MARTIN.

EAST AFRICA

PROVIDENCE INDUSTRIAL MISSION

Chiradzulu, Nyasaland

REV. D. S. MALEKEBU, M. D., Principal
MRS. FLORA E. MALEKEBU, Assistant

Dr. Malekebu's report is most interesting and revealing for its evan-
ic and educational phases, as well as its health work. It must be
e in mind that Dr. Malekebu is not only a great preacher and teacher
lso an eminent physician and surgeon, with a large and flourishing

hospital, the James E. East Memorial Hospital. Dr. Malakebu's work is easily the largest of all our work in Africa, Rev. S. W. Martin's work ranking a favorable second largest.

Dr. Malekebu is our supervisor for all East, Central and South Africa, is also the organizer and president of the National Baptist Assembly of Africa that meets annually in August with a large delegation from thousands of churches from East, Central and South Africa. Besides the educational work under the Providence Industrial school and its many branches, its evangelistic outreach and the indispensable health work of the hospital, the National Baptist Assembly of Africa has begun a farflung program of evangelism and self-help to include the promotion of another hospital.

SOUTH AFRICA

W. W. BROWN MEMORIAL STATION

Kliptown, Vicinity of Johannesburg Union of South Africa

REV. J. S. MAHLANGU, Pastor and Principal

Brother Mahlangu in his report gives the following items:

Teachers and Workers	35
Outer Churches	41
Total Membership	4,300
Baptized for the Year	1,300
Students in School	1,725
Buildings Completed	3
Buildings Contemplated	2

Brother Mahlangu has received his new car for which he was in so much need.

This is one of our fast-growing stations under the faithful and able leadership of Brother Mahlangu, although he has suffered much ill health the past three years. For that reason he greatly needed and appreciates his new car. This great station is largely supported by the Metropolitan Baptist Church of New York City, of which Dr. W. Abner Brown is pastor.

* * * * *

Rev. S. W. Mgamqdo is still operating as our evangelist-at-large in Transvaal, Union of South Africa. At last account, he had 10 churches in that neglected section. He is under the patronage of the First African Baptist Church of Philadelphia.

We have been unable, for the time being, to get a very accurate and definite report from the L. G. Jordan Memorial Station at Bluefields, Nicaragua, Rev. D. A. Timpson, principal.

* * * * *

We do not have what may be called a station in British Guiana, for lack of cohesion and understanding among the brethren in these parts. Therefore, all we have felt justified, under the circumstances, to do is to send token fellowship gifts, annually, to certain pastors of from $50.00 to $100 each. They are our brethren, and mutual good will and fellowship is needed.

THE BAHAMA ISLANDS

JORDAN MEMORIAL BAPTIST TRAINING SCHOOL

Nassau, N. P.

REV. T. B. LIVINGSTON, Principal

Dear Dr. Adams:

God has been good. Adjustments have been made. The morale of our workers has been excellent. Baptists of different groups are drawn closer together and there are increasing signs that warrant the hope of concerted denominational effort in everything that pertains to the work of the Foreign Mission Board, in the not too distant future.

Your representative has preached for all Baptist groups and nearly every Protestant group. There is a growing universal appreciation of our work. The foundation of a worth-while, suitable Christian educational and evangelical structure is laid.

The new building for the school was dedicated on Sunday, March 7, 1948. Participating in the services were the Principal of Queen's College, the Director of Education, members of both Houses of Parliament and some of the leading barristers.

THOMAS B. LIVINGSTON.

These men who walked, talked, and labored with us have joined
great number on the other side of the mystic scene of the River of Death.

There is one consolation that comes to our hearts when we think of
departed dead and that is the assurance that we will meet them again in
land where the wicked cease to trouble and the weary are at rest.

"Therefore, the Lord himself shall descend from heaven with a
with the voice of the archangel, and with the trump of God: and the dead
Christ shall rise first: then we which are alive and remain shall be caught
together with them in the clouds, to meet the Lord in the air: and so
we ever be with the Lord."

"Lift up your heads, O ye gates, and be ye lifted up ye everlasting
and let the King of Glory come in. Who is this King of Glory? The
strong and mighty, the Lord mighty in battle. Lift up your heads, O
gates; even lift them up, ye everlasting doors; and the King of Glory
come in. Who is this King of Glory? The Lord of host, he is the King
Glory."

The Bride will fully triumph, and victory will be declared in favor
Christ and his church. Host beyond host, and Jesus in front of this
with his bleeding side and thorny crowned head will lead the proces
that day.

We close with this bit of poetry:

"Death cannot make our souls afraid,
If God be with us there;
We may walk through its darkest shade,
And never yield to fear.

I could renounce my all below,
If my Redeemer bid;
And run, if I were called to go,
And die as Moses did.

Might I but climb to Pisgah's top
And view the promised land
My flesh itself would long to drop
And welcome the command,

Clasped in my heavenly Father's arms
I would forget my breath
And lose my life among the charms
Of so divine a death."

A TRIBUTE

We beg to pause long enough to place a wreath of immortelles on the memory of our colleagues and yokefellows who fell from the ranks this year—Rev. James Royal Evans, of Miami, Florida, and Rev. D. Albert Jackson, of Knoxville, Tennessee.

Such recognition and tribute is dictated by the filial as well as the ecclesiastical ties which bound us together—their having been loyal and faithful members of this Board over a number of years; Rev. J. R. Evans, as Vice Chairman of the Board, and Rev. D. Albert Jackson, on the Editorial Staff, a writer and Editor of the Senior quarterly.

They stood adamant by their conviction for the right. They were always found on the firing line, with musket aimed, and hammer cocked, to defend Convention ownership and control.

They were most enthusiastic, and ardent supporters in the building of our new Publishing House, and one hundred per cent loyal to the Sunday School Publishing Board.

No one looked into their shadow for any hatred, malice, enmity, or evil.

No one looked into their shadow for deceit, or stratagem, or double shuffling, dishonesty or disloyalty.

We cannot mourn for them; for being such characters as they were, we know right well whither they have gone—and their "works do follow them."

They have just gone on before, but we shall be companions again, if only we, too, are faithful unto the end.

THE WORK OF THE CONVENTION YEAR, 1947-1948

The Sunday School Publishing Board continues to perform its tasks and the responsibilities with which it is charged.

FIRST: Of the getting out and distribution of the Sunday school literature, religious publications, and standard song books for our great Denominational constituency.

SECOND: Of sponsoring, directing and projecting the program of Christian Education, of our National Baptist Convention, with emphasis on Leadership Training, and work among rural churches.

THIRD: In sponsoring and financing certain obligations of the National Baptist Convention, which we carry as a contingent liability.

The Publishing Board, however, notwithstanding the additional burdensome responsibilities, and the many handicaps we have had on account of the uncertainties of printing materials and supplies; the rationing of stock paper; the labor problems, and problems incident to the attempt of union organization, threatened strikes, additional taxation, etc., has carried on its regular routine work in the publication of our Sunday school literature, supplies, etc., to the satisfaction of our patrons, as shown by the continuous increase in our patronage and receipts.

Our policy and determination has been, in spite of handicaps, to maintain the Standard of Excellence in our religious publications, that we might keep pace with other religious publishers, Sunday school leaders and workers, and maintain front line recognition and respect among all the leading and aggressive Sunday school organizations and forces.

In addition, the Publishing Board has given cooperation and support to other activities of the National Baptist Convention as follows:

(a) In the paying of the Convention's pro rata of the salaries of teachers and workers of the American Baptist Theological Seminary.

(b) In the operation (both expense and salaries) of the National Baptist Missionary Training School at Nashville.

(c) The salaries, materials and labor in publishing the National Baptist Voice.

(d) In the needed repairs, and the installation of equipment for increased water supply and fire protection of the buildings on the Training School Campus, at Nashville, etc.

(e) In the recent needed and general repairs of the Morris Memorial Building, at a cost around $90,000, as follows: Putting on new roofs, cleaning outside walls, cleaning and decorating interior, the installation of two new stokers, increasing the facilities of the hot water system, the putting in of two passenger elevators, and the repairing of the freight elevator; in the renewal of Insurance Policies on the properties of the National Baptist Convention, located in Nashville, Tennessee, etc., etc.

CONTRIBUTIONS OF THE YEAR TO THE SUNDAY SCHOOL PUBLISHING BOARD

There are always some interested, loyal and sympathetic donors, who realize that the Sunday School Publishing Board needs assistance in carrying on its work, especially its work of Christian Education and Missions.

The Sunday School Publishing Board makes regularly, donations of Sunday school literature, religious publications and tracts, song books, etc., to prisons, jails, detention homes, charitable and benevolent institutions, public libraries, and mission stations in Africa, and Islands of the Sea, that are connected with our Foreign Mission Board, etc.

These donors thereby share with us the joy and the blessing that is ours, in thus contributing our part in the carrying out of our Lord's Great Commission, "Go ye, therefore, and teach all nations; teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you, alway even unto the end of the world."

Our Christian Education Department

Great emphasis during this year has been given to our Department of Christian Education which is under the direction of Rev. Charles L. Dinkins.

It is the purpose of this Department to provide for the churches the best possible in Christian Education and Leadership Training within the limits of our resources.

The Sunday School Publishing Board sustains membership and relationship in the International Council of Religious Education, which is the most formidable and dynamic organization of Sunday school forces in Protestantism.

We sustain membership also, in the World's Sunday School Council, an organization for the promotion and advancement of Sunday School work with the Sunday School forces, of all countries throughout the world.

The Secretary of the Sunday School Publishing Board is a member of the North America Administrative Committee of this organization.

Our connection with these Christian Education organizations brings us into contact and fellowship and participation with the leaders in the field of Christian Education throughout the world.

Through the Publishing Board, the National Baptist Convention, U. S. A., Incorporated, is represented on the functioning boards and committees of these organizations, and the results of such contacts and group thinking and research on other part of leaders in Christian Education are thus made available to the churches of the National Baptist Convention.

The Divisions of Our Christian Education Department

Under the direction of Secretary Charles L. Dinkins, the divisions of our Christian Education Department are directed and promoted by prepared and qualified leaders:

(a) The Field Program, Rev. R. C. Wallace, Director.
(b) The Vacation Church School Work, Miss Elizabeth L. Pointer, Director.
(c) The Rural Church Work, Rev. V. A. Edwards, Director.
(d) The Audio-Visual Education, Rev. Percy Williams, Director.

For the cooperation and support that has been given to the Sunday School Publishing Board and its work, by the National Baptist Convention, the State Conventions, the District Associations and Conventions, the local churches, and the loyal pastors, leaders and workers, we are deeply grateful.

The Sunday School Publishing Board prays for the continuation of your full and hearty cooperation: first, in patronage and support by the churches and Sunday schools in the purchase of their Sunday School Literature and supplies, and other manufactured products from their own Publishing House, and,

Second, in support of our Department of Christian Education through our Plan of Cooperation, that we may be of the largest possible helpfulness in providing the facilities and means for the carrying forward the tasks assigned us in the progress and advancement of the Master's Kingdom.

Respectfully submitted,

A. M. TOWNSEND, Secretary.

REPORT OF HOME MISSION BOARD, NATIONAL BAPTIST CONVENTION, U. S. A., INCORPORATED

Rev. T. Theo. Lovelace, Secretary

Mr. President, members of the Convention:

I am happy to submit my annual report in connection with the Se retaryship of the Home Missions Board and Department of Evangelism o our Convention. I am sure it is encouraging to note that our Conventio is becoming both individually and collectively more and more Home Mi sions conscious while at the same time without complaining, but expressin a fact, we are far off yet when it comes to the number of interested op and the total amount given for the prosecution of a missionary progra for a territory so large as is covered by the National Baptist Convention, I corporated.

In consideration of the amount given we can say without fear of su cessful contradiction that our Department has done and is yet doing wel It must not be understood that we are either attempting to do more tha scratch the surface of Home Missions. The Home Board has never been money Board and perhaps it never will be. This is due to the fact th every organization is doing some Home Missions independently, and only few are doing Home Missions through an organized effort. Hence, it easy to see how when the appeal is made to individuals and individu churches it can be said, We are already doing Home Missions.

The Limited Dollar

The dollar for Home Missions today does not mean much more, if mo than a dollar for groceries. Very little money can come up to a Departm 100 per cent strong. Out of every dollar workers have to be paid, co missions given, general salaries paid, office maintained and traveling ex penses. By this you will understand that in order to do a fairly credita piece of Home Missions, it certainly takes more than ten or twelve thous dollars in cash.

Figure Reports

Reports coming to our Department are not always in cash, for insta workers, evangelists, and ministers on the Western Front make their re ports in figures. We incorporate these in our annual report in order boost receipts so that when it appears on the printed page that a tota fifteen or twenty thousand dollars are handled by the Home Mission Bo it means some cash and some figures.

Objectives—Fifty Thousand Dollars Needed

Chaplaincy Howard University, a recent addition to the objectives our Board. It was brought to our attention by Dr. E. L. Harrison repres ing the Walter L. Brooks Foundation, Washington, D. C., that other nominations were making serious inroads on us on the University cam

and that to somewhat offset this condition, the Walter L. Brooks Foundation had established in a limited way a Baptist chaplaincy on the campus. A committee was appointed by President D. V. Jemison to look into this matter and to advise how such a measure could be financed and operated by the Convention. At the suggestion of the committee the Home Mission Board agreed to underwrite this new project in the amount of six thousand ($6,000) dollars per annum beginning September 1, 1948. The Reverend Mr. Armstrong is our first chaplain and is here and is to be presented in this session. This is just the beginning of that project. Six thousand dollars per year would only take care of a chaplain's salary, office expense including secretarial service and a few other incidentals. In order to adequately cope with this situation some more money must be put into this project after the first year. We shall not be able to effectively work without a real Baptist headquarters either near or on the campus. Property must be bought rather than rented to insure permanency.

The Western Conditions deserve more attention than we are able to give them. The West does not have many people of deep and abiding Christian faith. It has few and small structures and in many instances no structures at all. The West does not have the strongest ministers and this is because ministers are ministers wherever they are found. The best prepared are going to demand adequate salaries for their services or move on to other fields. No prepared man is going to stay in Montana, Idaho, Wyoming, Nevada, and New Mexico or other Western States on a supplementary salary of $50.00 or $60.00 a month from an agency of a great Convention that should be paying them $200.00 per month to proclaim the word of God to the people in the land of darkness.

Then there is a need for buildings. The West needs buildings. Not structures such as we have in the East, Midwest, North and South, but one and two room buildings with modern facilities. It is unthinkable that such a building can be put up and equipped at a cost less than three thousand dollars. This would be an easy matter if we only needed one, but in each state mentioned "buildings" are needed. The only building we have tried to construct and build to a point of near completion was in Nogales, Arizona. The building is there but we ran into some difficulty with the State and community in which the building is. It was wise for the Board to retire from them until they could iron out their own matters.

City Missionaries are needed just as much as preachers. Nothing can be of greater importance to the church than consecrated women working in the city among the youth on the street corners and various places of amusement and churches. Our first experience was a noble one with Mrs. Hallie M. Tutt of Des Moines, Iowa. This year due to heavy obligations and inadequate funds to meet the situation, we were compelled to temporary retire this phase of our work. It is our hope that after this session we shall be in position to reinstate her and perhaps several more in strategic cities of the country.

The Trailer Feature of Our Work has been a beautiful and helpful experience in Kansas. We have the Reverend W. L. Shooks and wife as colporteurs and the use of the trailer which was provided by the State of Kansas. Reverend and Mrs. Shooks are consecrated missionaries and have made many sacrifices to keep their work alive in the State. They have done a good job. With the proper support on the part of the Convention the Board will be able to operate colporteur service in at least five other Western States.

New Mexico is a fertile state for Missions. Our representatives have done great work considering their physical and financial handicaps. Our Board

has given some support but nothing like it should. I take pride in mentioning Reverend J. S. Patten, O. F. Dixon, M. D. Ware, and A. W. Willis all of whom have made a healthy contribution toward the Christian movement in their state.

Thus it can be easily seen by the foregoing that the Department of Home Missions must be considered a minor Department unless it can raise at least fifty thousand ($50,000) dollars for the promotion of such a necessary program. Some have an inclination to class the Board as a major board, but a board becomes major only in proportion to the amount of money handled for the execution of its program. Because of the lack of interest in the more definite promotion of missions on the immediate fields it becomes necessary for secretaries of this and other small boards to seek additional sources of revenue as a matter of self-defense. It must be borne in mind that our Convention had no centralized authority and power where money is sent up and dispensed to the weaker departments for the promotion of their work. Instead of this, each secretary must rake in whatever he can at the National Convention, the state conventions, district associations and local churches in a mighty effort to not only gather sufficient amount for the promotion of the Department and the upkeep of his office, but for his own salary also.

Evangelism

Certainly the most important phase of our work is evangelism, but regretfully it is the most neglected. In the first place, we have around fifty evangelists who have come to the Department well recommended by state authorities and it is deplorable. In most cases the presidents and other men of the state who recommended the evangelists would not invite them to conduct revivals in their churches. Some of these men are quite worthy of consideration and most of them can preach as well as men in higher places. They register in the office their complaints saying, "We cannot get revivals because it is a matter of "back scratching." In other words, the pastor has a certain man who conducts his revival whom he gives a fabulous sum and this certain man in turn invites the pastor whom he gives a fabulous sum. This keeps the evangelist out. It also prevents them from making more liberal figure reports to the Board. We sympathize with them for we can sympathize see that under the present set-up evangelism with them must be a matter of "Bread." We have not despaired though of a great wave of evangelism such as we began several months ago. The Department has amassed a few dollars for the promotion of such a campaign, but some expensive blunders were made and we are having to suffer the consequences until the rehabitation period is over. Should things go well generally, the Department plans to set in motion a nation-wide wave of evangelism by the first of the year. It must be done in such a manner as to prevent its becoming a financial liability to the Department.

But despite that, the Evangelistic Department is responsible for the following additions to the church: By baptism 1,892; by restoration, [illegible] with a total amount of money raised and reported in figures, $3,950.76. This is included in our annual and audited report.

The challenge of Home Missions today is greater than ever before. The gospel with all its fervor and appeal must be presented if America is to continue the leading light in the Christian warfare. Conventions, associations and churches must become Home Mission minded so that more substantial gifts will be made. If this is done the Board will be able to take its place along beside all others because of the effectiveness of work done in the field of missions at home and evangelism.

49TH ANNUAL REPORT OF NATIONAL BAPTIST TRAINING UNION BOARD

J. W. Gayden, Chairman; E. W. D. Isaac, Secretary

FORTY-NINTH ANNUAL REPORT

To the Officers and Members of the National Baptist Convention:

Dear Brethren:

We are attempting once more to account for our stewardship. The modern program for training church members in Baptist churches is called the Baptist Training Union.

History of the Baptist Training Union Movement

"The B. Y. P. U. Movement grew out of the fact that the Methodist people organized what was known as the Epworth League for the purpose of teaching their young people the distinctive doctrines, history and missionary endeavors of the denomination. The Loyalist Movement, so-called from the suggested motto, "Loyalty to Christ, in all things, at all times," was started in Kansas, 1887, and endorsed by the Baptist State Convention in 1888. Its purpose, it soon became clear, was to organize an exclusive society for Baptist young people. The idea was welcomed in the young people's program in their convention in 1889, and the Middle West, and the Kansas Baptists arranged and invited young people to attend.

Nebraska organized a state convention in 1889, and Iowa, in 1890. Chicago formed a state union on August 12, 1890. The conference called to meet in Boston, 1889, met in Chicago, 1890, attended by representatives from fifteen states. It was agreed that no existing society should be antagonized in the new organization. An executive committee was appointed to study the problem more closely, and prepare plans for a national convention. There was pronounced antagonism to all young people societies in the churches.

Leaders of the Christian Endeavor movement opposed it heartily. One Congregational pastor sent out circulars to every Baptist minister asking him to organize a Christian Endeavor society in his church. Circulars were sent to Baptist ministers urging them to oppose it. Representatives of all denominations met in Philadelphia, April 22, 1891, and two Baptist Trustees of the Christian Endeavor Society attended this meeting, in which was formed what was known as "The Basis or Organization." The new society was to be a federation of all young people's societies in Baptist churches without respect of name or constitution. Each society should be left free to determine into what measure of interdenominational fellowship it should enter. Attention of the officials of the Home Mission Society was called to this document which cleared the way for the first Baptist Convention of Baptist Young People's Societies in America in Chicago, July 7th and 8th, 1891.

Over 1,500 delegates assembled and organization was effected, and the national, state, and associational constitutions adopted. For eight years the Colored Baptists had no agency respecting this department of the work. They were allied with what was known as the B. Y. P. U. A., until September, 1899, when the National Baptist Convention created what has since been known as the National B. Y. P. U. Board.

Dr. E. W. D. Isaac was its founder and first secretary.

The Task of the Church

The training of its members for efficient service is the essential and indispensable task of the church. The task is hazardous, laborious, adventuresome, but the church must perform it or pass into history. The dream of the heart of a Galilean Peasant that this old world, scarlet hued with sin and torn apart with bitter prejudices and honey-combed with greed, could one day be transformed by his own message and be made into the Kingdom of God, required a message of faith that savors of high adventure.

The Baptist Training Union is the developing agency of the church. It develops decision, initiative, self-expression, breadth of vision, consecration, fidelity, practicality, financial ability, fellowship and democracy, the devotional life, social ability, capacity for leadership. Our problem, our task, is to aid the churches and pastors in a systematic, scientific manner in all these development processes. Our method of approach is philosophic. Our first attempt is to secure the increased spirituality of the Baptists throughout the country.

Developing Devotional Life

The great and serious task of the church is to deepen the spiritual lives of its members and to increase their faith in the Word of God. It is especially necessary that the development of the devotional life should be emphasized in this atomic age. Worldliness is so powerful, the secular life so fascinating, the pursuit of money and pleasure and power so engrossing that it has seized many people with a death-grapple. Young people, especially, are in grave need of the devotional life in order to resist temptations and cultivate their higher natures. The Baptist Training Union specializes in the devotional life of its members.

Agencies for Development

There are certain agencies for the development of the spiritual life which your Board recommends to the leaders in training work.

The first of these is the PRAYER MEETING. It would be unwise and insufficient to set the members to doing practical work for Christ without maintaining a prayer meeting. Impression must come before expression, and before activity, love of Christ and desire to serve him before the service itself. To omit the prayer-meeting and attempt to carry on religious activities, would be like starting a mill but draining dry the reservoir whose water turns the mill-wheel. Our apology for insisting upon the prayer-meeting and the prayer-life is given by the following events which illustrate the power and wonders of prayer: Jacob wrestles and prays and prevails with Christ; Hannah prays, Samuel is born. Daniel prays, the lions are muzzled. Elijah prays, rain descends. Elisha prays a child's soul comes back; for prayer reaches eternity. The church prays ardently, Peter is delivered by an angel. We believe firmly that earnest, devout, consecrated prayer-life is one of the greatest needs of the church today.

Study of the Bible

The Word of God is one of the most helpful agencies in the development of the spiritual life. Enthusiasm, fellowship, missionary zeal, doctrinal fer-

vor, social endeavor, must rest upon the Word of God if they would hav
sure foundations. In view of that, we stand pledged to the "edification" o
our members in Scripture knowledge. We regard the Bible as supernatura
in origin; inexpressible in value; infinite in scope; divine in authorshi
though human in penmanship; personal in application; regenerative in powe
infallible in authority

Music, a Spiritual Force

One of the most efficient instrumentalities for the development of soul
force is the choir of the church. Next to the minister who proclaims th
Word, the choir is the most essential agency. We are fully convinced that w
are rendering invaluable service when we assist, in our customary manner,
in developing the singing spirit among Baptists, and in the work of developin
congregational singing. There is the tendency toward the display of musica
skill rather than of devotional inspiration on the part of many church
choirs and singing groups. All the choir's acts should be acts of worshi
and if an anthem is sung, it should be chosen with due reference to the day
season, or occasion, and be sung in the manner to inspire devotion. Our
worship would gain immeasely if the choirs would spend less time in th
preparation of anthems, and devote more to the music of the gospel song
and the hymn tunes. These belong pre-eminently to the people, and th
first concern of organist, chorister and choir should be to procure congre
gational singing in accordance with the Psalmist's words: "Let the people
praise thee, O God, let all the people praise thee."

It has been said truly, "Music is the echo of the voice of the Lord in the
soul of man." Without this echo the human soul would be a cavernous abys
filled only with spectres of despair.

Music was believed by the ancients to have healing power. Many
weary soldier, tired and footsore, has leaped forth to victory under th
magic spell of music. The singing of hymns carries with it a great re
from care. The griefs that come and go can be easily soothed by song. A
can be excited out of sadness; patience inspired out of discouragement; an
the sweetest experiences attained through the voice of song.

There is a sort of magic about music which we can neither descr
not interpret. Great hymns and great songs have played such a significa
part in influencing the lives of great men that John Wesley made an earn
plea that hymns should have not only devotional and religious value, b
also high literary merit such as would sooner provoke a critic to b
Christian, than a Christian to turn critic.

Maintaining the Doctrines

The indoctrinating of our members is a heavy responsibility. It is
needful for us to exhort you that ye should earnestly contend for the fa
which was once delivered to the saints. There are some doctrines th
have been watered and nourished by the blood and tears of our ancest
these particular and peculiar tenets should be as sacred as life itself.

Unless we inquire for the old paths and walk therein, as to the b
evangelical and orthodox doctrines, unless coming generations are m
thoroughly prepared to defend and preserve the great doctrines for wh
countless martyrs have sacrificed their lives, the kingdom must fail
the earth.

The Missionary Phase

Another important phase of the work of this Board is the enlistm
of our constituents in the missionary activities of the church and den

nation. In order to do this effectively, they must be educated with refer-
ence to Christian missions.

In the prosecution of this phase of its work your Board finds it neces-
sary to conduct Mission study courses. We endeavor to keep Baptist Train-
ing Union members in close touch with the various Mission Boards of the
denomination with the hope of securing more sympathetic and helpful co-
operation in every phase of our missionary work. Technical training is
essential for those upon whom we must rely to develop the missionary spirit.
They must be aggressive and progressive.

As many of you know your Corresponding Secretary has been ill this
year. In the midst of my many duties God saw fit to make me lie down.
Devoted friends stood by me during my illness. They stood by the work
for which I am responsible.

I have hundreds of loving messages that I shall keep and cherish as
long as I live. Mere words can never express the deep gratitude that I have
for all who have breathed a prayer for me. God has been good to me—
therefore, I face the future with a faith that will not shrink—and sing as I
press on the upward way—

"I serve a risen Savior,
He's in the world today;
I know that He is living
Whatever men may say;
I see His hand of mercy,
I hear His voice of cheer
And just the time I need Him,
He's always near.

He lives! He lives!
Christ Jesus lives today!
He walks with me
And talks with me,
Along life's narrow way.
He lives! He lives!!
Salvation to impart,
You ask me how I know He lives?
He lives within my heart.

The Baptist Training Union Board has endeavored to prove its gratitude to
God for his abundant mercy and continued favor by a year of hard work. God
be praised for any success that has been made.

Encouraging Increase in 1948

It is a source of joy that every phase of the ministry committed to the
Baptist Training Union Board has had a satisfactory and substantial increase
during the past year.

Periodical Circulation

There has been wonderful increases in circulation. The total circulation
of all periodicals, September, 1947, to September, 1948, was 479 thousand.
This was an increase of 307 thousand over the total for the year, September,
1931, to September, 1932, when the present Secretary took charge.

The lesson writers for the different age groups are: Juniors, Miss L. E.
Campbell; Intermediates, Rev. S. L. McDowell; Seniors, Rev. F. L. Sanders,
and Adults, Mrs. M. M. Isaac.

Production

Solutions for problems have been our major occupation during the past
year. Reasons given for shortages and delays seem too involved to be en-

tirely valid, so our motto now is "Not Excuses—but Literature." We h endeavored not to consider these troubles of greatest importance, but stead, to concentrate on getting out what we need on time.

We give first place to essentials, such as periodicals, record books, Other items are produced as rapidly as possible. The outlook in impro ment and production of more and better materials for service to our c stituents is good.

For the past year beginning with the October quarter 1947, our lite ture has been ready for distribution, one month before the beginning the quarter. This has not always been true, but we did our best un existing circumstances.

A Source of Some Complaints

A number of complaints have been made at various times about not ceiving literature on time. We find that a number of these complaints made because instead of ordering directly from the Board, these ord have been placed with agencies that failed to fill the orders.

Financial Losses

Your Board has sustained losses amounting to thousands of dol through its agencies. Many of our agents order more literature than can use—causing us some times to have to print additional literature be we can fill all of our orders. Then when they find that they cannot us all, they wish to return it to the Board at the end of the quarter and credit on their account. This works a hardship on the Board.

Our agents, therefore, have been asked to send the cash with orders.

A number of agents run up large credit accounts and then fail to same. For this reason the Board is thinking seriously about these l and that perhaps the handling of all literature should be directly from headquarters. This would, in a large measure save money, and w also prevent your Board and its secretary from receiving complaints criticisms for which they are not responsible. This would also, pre the Board from sustaining great financial loss on its sales to agents.

We believe that we are giving our Baptist constituents the very service possible this year, and we appreciate the fine cooperation they giving us by sending in their orders early.

Personnel

We continue to face many problems of changing personnel, and cap workers are not always easy to find. Our staff of employees are most l and are rendering a fine service to the Board and to the denomination.

Department of Student Work

The Baptist Student Union work is proving profitable to both stud and the denomination. Some of its objects are:

1. Encouraging students to line up in the local church.
2. Enlisting all who have not been in Training Union work.
3. Training in the duties and privileges of church membership so students can follow and lead as opportunity offers in the churches.
4. A continued use and development of the talents of the students.
5. Development of wholesome social ideals.
6. Assist students in choosing their life-work.
7. Preparing the best type programs in the Baptist Training Union.
8. Winning fellow students to Christ.

Convention Ownership

The Secretaries of this Board have always contended that the Board nd all of its assets belonged to the National Baptist Convention. This appens to be the first piece of property paid for and its deed presented to e Convention. This was done during the Annual Session in St. Louis, o., in 1922 by the first Secretary of this your Board, E. W. D. Isaac, Sr. e wrought well, and this challenges us to do our best for the cause he wed so well.

The Secretaries of this Board have worked to develop every phase of e denomination. The Convention has complete control of the business, nd ownership of any and all property of the National Baptist Training nion Board, and the members of the Training Union Board are only stew- ds of the same for the Convention.

The present Secretary re-affirms what he has said again and again bout this matter—"The Baptist Training Union Board is the property of e National Baptist Convention, and will always be theirs to do with as ey see fit.

"Myself"

I have to live with myself, and so
I want to be fit for myself to know;
Always to look myself straight in the eye.
I don't want to stand with the setting sun
And hate myself for the things I've done.
I want to go out with my head erect;
I want to deserve all men's respect;
I don't want to look at myself, and know
That I'm bluster and bluff and empty show.
I never can fool myself and so
Whatever happens I want to be
Self-respecting and conscience free.

Recommendation

That since next year will be the Fiftieth Anniversary of this Board, t plans will be formulated for observing the same at the Annual Session the Convention, 1949.

FIFTH ANNUAL REPORT OF THE AMERICAN BAPTIST THEOLOGICAL SEMINARY

Ralph W. Riley, President

Houston, Texas, September, 194

Mr. President, Officers and Members of the National Baptist Convention U. S. A., Inc., Greetings:

I am thankful for the privilege to present to you today my fifth annual report as President of the American Baptist Theological Seminary. Despite the fact that each year brings its added burdens and increased responsibilities, by your encouragement and the help of God, we move on with faith and hope in the work of the Master and find joy in so doing. More and more the task of developing a Christian leadership for the Negro church lies heavy upon our hearts. As we observe the tremendous lack of trained workers in Christian education, the alarming shortage of qualified ministers necessary to serve our too-many pastorless churches, the great demands we sustain in providing assistance and opportunities to those longing for sufficient, present day educational advantages, we are today, farther than ever away from any apologies in insistence upon more loyalty and larger support for our American Baptist Theological Seminary, the only institution owned by Negro Baptists dedicated solely for the purpose of better fitting our people to assume that larger place in the leadership of our church to which they have been divinely called.

1947—48 Another Year of Progress

Slowly but surely our Seminary is making progress, and that is as it should be. We do not have a large school and we do not covet one, except only as the institution increases in a way that may furnish training and facilities to all who desire to come.

During the past school year we have seen growth, in the first place, in increase of not only the number of students enrolled by the type of student and the grade-level at which they have entered. In the second place,

have had progress in the number of graduates who have completed their work and are out in the world, as well as here among us today. In the third place, through promotion as well as the teaching and administration staff; we have made gains which former students and acquaintances of the Seminary are proud to witness.

During the past school year the American Baptist Theological Seminary graduated thirty-seven (37) men with the Bachelor of Theology degree, and one (1) with the Bachelor of Divinity. This number is just five (5) short of the total number of the student-body enrolled in the institution five years ago when the present administration took charge of the Seminary. For the first time in the history of the institution has a summer graduation exercises been held at which time a regular commencement was had and thirteen (13) men received the Bachelor of Theology degree.

Improved Facilities

Each year through untiring effort and with your unstinted cooperation, small as they were at the beginning, we have steadily improved on our much needed facilities at the Seminary. Very soon after the beginning of the fall term of 1947-48 we moved into our new administration building. The building as you know is a gift of the Southern Baptist Convention, and I am happy to state that it is beyond our imagination to estimate, in character development as well as convenience, what it has meant to us. However, I wish to remind you that in keeping with our agreement, the National Baptist Convention, U. S. A., Inc., came to the rescue of the Seminary and furnished this building throughout with completely new and modern furniture and other necessary equipment which is a credit and an inspiration to Negro Baptists. From contributions made through our churches, individuals, and other groups, these conveniences were made possible. We take special pride in this fact and on behalf of the President of the National Baptist Convention, U. S. A., Inc.; the Chairman of the Board of Directors of the Seminary; the Board itself, the faculty, the administration, students and alumni and all friends of the Seminary, we here express deep and profound appreciation for aiding in the making of one of the Seminary's major needs a significant reality. Later in the school year of the past term our heating plant was completed and put into operation. This establishment made possible the centralization of heating services at the Seminary and added to the comfort and the total health and well-being of the entire institution. This looks good on paper, but it is better seen than told, and far better experienced than heard. What are some of the meanings of these developments? It means simply this: That in operation of an educational institution designed to train individuals the most effective approach rests on two simple principles: (1) that the pupils' particular powers must be developed to the individual students; maximum capacities; and (2) that his whole study-life must be augmented with a sufficient amount of comfort and contentment that his total educational career will not only be effective but desirable as well and this can only be done by the employment on the part of the institution of every possible means in making this twofold objective the criteria of its every instructional procedure.

Continued Program of Expansion

In the next few months, at least by the beginning of the construction on our new library building and, we hope, that it will not be too long before our chapel will also be under construction. During the past school year many good books have been given the Seminary and we are happy to announce a gift by the Commission of the Southern Baptist Convention in the amount of two thousand and five hundred dollars for new books for our library which will bring our library, to a great degree, forward in

modern-reading-material in reference works, current reading as well as general works upon all phases of religious subjects now found in all accredited theological seminaries and other Christian colleges. We are also making an effort to set aside from our budget each year sufficient money to keep our library current. Contributions from friends and other interested persons for new books are hereby solicited.

In keeping with another need we sustain, it looks as if now, very soon we shall make a beginning to provide homes for our teachers at the Seminary. On this score we cannot make excuses any longer. Living conditions for teachers and administration workers are in every respect as important as any need which students sustain.

Most significant in our growth at the Seminary in the past term has been the additions to our teaching and ministrative staff. Four new additions have been added to our teaching staff making a total of fourteen (14) teachers with two other probable additions making a total of sixteen (16) teachers for the school year of 1948-49. This represents a 50% increase of our teaching staff since 1944, just four years ago. A school bursar, an engineer and a registrar are some of the other additions which have added efficiency and growth to the institution within the past year.

With the increase of salaries paid by state school and the urgent demands of thoroughly qualified teachers, as much as we take pride in the operation of our religious schools, we cannot close our eyes to this type of competition. Each year with the increase of teachers, comes an increase in teachers' salaries and it is highly important that we not only redouble our efforts in this connection, but correlate all our educational endeavors if we are to survive and do so in a commendable and respectable way.

In laying plans for a future of an outstanding school, we have not failed to observe basic trends in educational procedure. The Seminary previously has only awarded degrees in theology. Beginning with the fall term, it will be possible for laymen as well as ministers to study at the Seminary and receive degrees in religious education as well as theology. The curriculum in religious education is so arranged that persons wanting to benefit by registering in other courses in the Seminary may do so without forfeiting his right to receiving the degree in religious education, or vice-a-versa by studying towards the degree in which he is interested. Studies in community church programs, rural church and evangelism are greatly emphasized and are taught by highly trained persons who are considered authorities in their respective fields. Church lay-people as well as ministers are constantly taking the advantages of these newly inaugurated features, as a means of better preparing themselves to take their places in an intelligent way along with their pastors.

I call upon you today as earnestly as ever to place the Seminary not largely in your affection and sincerely beg your prayers and cooperation as we face the days of difficulty which lie before us.

REPORT OF DR. MATTIE G. ANDERSON, PRESIDENT, NATIONAL BAPTIST MISSIONARY TRAINING SCHOOL NASHVILLE, TENNESSEE

Houston, Texas
September, 1948

President Jemison, Officers and Members of the National Baptist Convention, U. S. A., Incorporated

Greetings:

In our report of work entrusted to us, we recognize the responsibilities as well as the task of carrying forward the work of the National Baptist Missionary Training School.

The students are the most important personalities of the School, therefore our interest is intense. We have a splendid group of girls filling to capacity the one building we have. This year we have on roll thirty-four (34) students, eight students from the Seminary and nine special students from the community in music, giving us a total enrollment of fifty (50).

We have attended Board Meetings in Galveston, Texas, New Orleans, La., where reports were made concerning the Training School. We feel there is a rising interest in the financial drive for the new building that is in operation through the Chairman, Mrs. Maude J. Brockway.

Training School Day was observed by Roger Heights Baptist Church, Rev. John Nance, Pastor, Church School of First Baptist Church, Dr. W. S. Ellington, Pastor, and the Mt. Nebo Baptist Church, Rev. C. C. Bass, Pastor. Liberal donations were received from all of them.

We attended the Baptist Missionary and Education Convention of Tennesse, Dr. S. A. Owen, President of Parent Body and Mrs. Ida E. Williams, President of the Woman's Auxiliary Convention. Both Conventions were at the height of interest, and a forward going program in the interest of Kingdom Building was in process. A liberal donation from both Conventions in the interest of the Training School was received.

There are two churches that contribute monthly to the support of the Training School; the Thankful Baptist Church, Johnson City, Tenn., Rev. S. S. Hodges, Pastor and the Mt. Olivet Baptist Church, St. Paul, Minn.

The Food Shower, sponsored by Miss Primrose Funches, is still proving its worth in helping to supply food for the students of the Training School. At the same time, our hearts were thrilled with a new Electric Frigidaire for the President's Home, the contribution from Dr. J. H. Jackson, Pastor of the Olivet Baptist Church, and Dr. T. E. Brown, Pastor of the Progressive Baptist Church of Chicago, Illinois.

The President and Faculty did honor to Miss Thelma Murray in appreciation of her initiative and successful effort in interesting Rev. A. G. Wright, in giving to the School a Radio-Phonograph, which is greatly enjoyed by all. Dr. A. M. Townsend, was the guest speaker at this appreciation program.

Field Work

Field work at National Baptist Missionary Training School is a program of Training Service. The students make a contribution in Christian work which expresses their reason for coming to this School for Christian service. In every sense the field work is considered a part of the Educational program of the School; it is a work done without money; it is a work done to help students meet successfully various situations, where they can learn by doing and can help to keep class room theory always related to actual practice.

The field work also is assigned to give the students experience with all
groups and different types of programs.

We have seven girls in Christian service at Fisk Center where they
are getting some hard experiences in behavior problems, but they are
handling them with efficiency. Dr. Charles S. Johnson, President of Fisk
University, is loud in his praise for services rendered. The churches and in-
stitutions everywhere are crying for competent, well trained young women to
meet the needs that are growing more critical every day. The need is not
simply for more workers but for more workers who have the kind of train-
ing equal to the challenge. We are having students to graduate each year.
Where will they go to work unless our churches will open their doors and
employ them?

The Glee Club has made a unique contribution to various churches re-
gardless of denomination in the city and elsewhere.

The School of Missions, Mrs. Edna B. Bronson, Director, was held in con-
nection with the Thirteenth Annual Session of the Ministers and Mission-
aries Emphasis Week. Dr. J. W. Hayes of Wichita, Kansas, Dr. C. C. Adams
the Corresponding Secretary of the Foreign Mission Board of National Bap-
tist Convention, Incorporated, and Mrs. Elizabeth Tyrrell of Second Baptist
Church, Detroit, were guest speakers of the Training School. The exchange
of speakers in cooperation with both the Training School and the A. B. T.
Seminary were helpful and informative. Dr. Adams certainly gave compre-
hensive information concerning our work and workers in Africa; which
thrilled our hearts, and Miss Gladys East was an inspiration to the students
in that she is a young woman who has consecrated her life to the cause of
Missions in Africa.

All were impressed with the work of the Training School, and one of the
visitors remarked: "I have never seen a more refined group of girls any-
where. Surely it is worthwhile to raise money to maintain such an insti-
tution." We are happy to have the School of Missions a part of the program
of the Training School.

The Training School, is a Christian School in all of its essential aspects.
The principles and practices that develop Christian character are to be
found there. It is noticably different from State or Public Schools, even
though in some instances the same textbooks are used. We follow a uni-
form calendar and cooperate in many helpful ways. Nevertheless, it is
vitally different and we challenge you to visit the Training School, and note
this vital difference.

But you catch a clearer vision of the work and its accomplishments, in
the Training School as you follow the graduates out into their fields of serv-
ice, in Mississippi, Michigan, Tennessee, Arkansas, Kentucky, Missouri, and
Canada, where these graduates are taking their Christian training into
homes, churches, communities, etc. Our students go forth to work with the
broadest training possible in efficiency, consecration and devotion, and they
are able to lead souls to Christ, teach Bible Classes, lead Bible schools, Chil-
dren's workers, Directors of Religious Education, and helpful Ministers'
wives.

The gradual breakdown of the home is beginning to be reflected in the
national behavior pattern of youth and is a real cause for alarm. Therefore
we are preparing our girls to become ideal wives, and mothers, and home
makers, of the highest order, that will become Makers of homes that will
essentially be Christian, so needed today. We can sight many examples in
the field of home-makers from the Training School students. Great in-
stitutions were not built in a day, great men are not made in a day, do not
gain influence and confidence in a day, but they come by years of pati-

toil, earnestness of purpose, so with the Training School, on the horizon
only a few years. We believe that God is going to give us wisdom and
money to carry forward the work, because the women desire it enough to
think and work for it, mightily. It is the supreme aim of the Training
School to build so securely the ideals of Jesus, in these young women, that
they will give to God and the world unselfish Christian leadership for the
momentous days that lie ahead.

The doors of the Training School are open not to any class or certain
type of young women, but to every young woman who desires to obtain the
training which this School offers, and who has faith to believe that God
wants her life to use. More and more that life will become diversified, en-
riched for all the activities that fill the workshop of the Kingdom.

My friends, what the Training School will become in the future remains
to be seen. While the outlook is bright, yet we must face the issue, that the
Training School will be what the Baptists make it. I believe what we do,
the spirit we show; the prayers and consecration we put into it; the energy
and determination that will enable us to erect the much needed administra-
tion building, God will help us and our brethren will not refuse to help us,
and all will be proud of the N. B. M. T. S. as a legacy left by this generation
of Baptists.

These young women represent the achievement of the Training School
wherever they go. They challenge men and women to believe that in the
light of the present trends, we may look forward to the day when under-
standing, justice and good will shall so prevail that no handicap will be
placed in the pathway of the accomplishments and achievement of Negro
womanhood.

Sixteen states are represented in our student group and five from the
Bahamas.

Summer School

The interest in our Summer School is growing and those who were here
last year are coming back and have interested others in attending. Many
letters are being received weekly asking for information about the school.
We have a larger enrollment than ever before.

We received eight Awards from friends interested in the Training School.
They are as follows: The Laura Woolfolk Award, The B. J. Jackson Award,
the F. B. Otey Award, The Mt. Zion Missionary Society Award, The Maud
Guthrie Award, The Willa Storey Award, The K. Gardner Award, and an
award from Mrs. T. S. Boone. These were given to deserving members of
the 1948 graduating class.

Thus we come to the end of another year of effort in winning and en-
couraging young women to train for service. A new year opens before us
with new challenges and opportunities. There is no pause in the ongoing
work. The shift from year to year has no significance except in the records.
The task goes steadily forward. We are deeply grateful to God and for you
the privilege of working for Him in this field. We pray for further guid-
ance and blessing to enable us in the year ahead to achieve more than ever
that which He has allotted us to do.

Yours in King's glad service,

MATTIE G. ANDERSON, President.

We come before you to make our second annual report as the Corresponding Secretary of the Ministerial Benefit Board, of the National Baptist Convention, U. S. A., Inc. The past year has been a most glorious one. Full opportunities for personal service and individual sacrifices; that the program of the Ministerial Benefit Board must go over in a big way; to a large extent this has been done.

We are proud to appear before you to make our report for the Conventional year, 1947—1948. As you will see there has been a marked increase

over last year's report. This has not been done single-handed and alone. Many loyal presidents, pastors, churches and Christian workers have given this Board their cooperation and support. Last, but not least, the Lord of Hosts has ever stayed by us as a Paul in the night. When we would have become discouraged, we could hear the Lord speaking to our soul, saying, Trust in me and you will not fail.

Our Relief and Retirement Plan

Our relief and retirement plan is going and growing. We desire every Baptist minister to have one of our booklets, "Question and Answers." This book is self-explanatory, giving the needed information in detail.

More than four (4,000) thousand of these booklets have been distributed. This plan, if given a chance, is going to prove beneficial and helpful. Especially to the ministers who must retire on little or nothing to go upon.

Appeal to the Brotherhood

Brethren, don't be guilty of neglecting this all important department. One day it may be your salvation.

M. KIRBY, Corresponding Secretary
Ministerial Benefit Board

REPORT OF SOCIAL SERVICE COMMISSION NATIONAL BAPTIST CONVENTION

Houston, Texas, September, 194[illegible]

As we scan the various horizons of our plundered planet, our eyes meet social upheaval and unrest. People, the world over, who have been socially disinherited, have struck freedom's path. So, in our quest, we are not alone. We are a part of a mighty host of restless warriors who are ruggedly determined to break their shackles and walk with freedom, in a free world.

During the year, we have represented our Convention on several fronts. We met with some twenty odd denominations in the annual meeting of the Race Relations Department of the Federal Council of Churches of Christ in America, under the very able leadership of Dr. J. Oscar Lee. We gathered material from several states by means of a questionnaire. We were proud to report that Baptists are holding their own in Race Relations throughout the nation. In most of our states, there are educational and missionary projects jointly sponsored by Negro and white Baptists. There are many Baptist Youth programs, interracial, being conducted throughout the country. Our Negro Baptist colleges through conferences, debating teams, glee clubs, etc., are doing a very effective job in the field of Race Relations. Several of our Baptist college presidents are invited to white college campuses for lecture series quite frequently. Notably among these are: Dr. Richard I. McKinney—Storer College; Dr. Benjamin E. Mays—Morehouse College; Dr. Mordecai W. Johnson, Dr. R. P. Daniels, Dr. Ralph W. Riley, and others. We found that many of our local pastors and congregations are doing remarkable work in Race Relations. Several of our Baptists pastors are serving, or have served as presidents of interracial ministerial bodies.

We urge Baptists to plunge deeply into this field of Race Relations in their local communities. There are fair-minded people in all of our communities who have a desire to see Christianity work across racial lines. Dr. Lee, a Baptist preacher, who is secretary of Race Relations of the Federal Council, will gladly supply helpful material to any and all who may desire material in this ever expanding field.

We attended two meetings of Social Service department secretaries of twenty-eight denominations in Washington, D. C., and in Cincinnati, Ohio, respectively. Their work dealt largely with homes for the aged and children's homes. Most of the other denominations have their program of social education, aid to the aged, child care, and social action under their Social Service Department. Our work could be done much more effectively if all of our social effort were under one department. We are doing many things but our work is so scattered and decentralized, that it appears very small.

We have spoken in three Ministers and Christian Workers' Institutes held in three of our colleges; Morehouse, Benedict, and Shaw. The institutes are sponsored jointly by the Baptist leaders and the colleges. It is heartening to note that the Social out-reach of these Institutes extends into the rural communities. Several of them have specialists in rural sociology, who are doing an amazing job of lifting the social level of rural communities; electrification, health, sanitation, community projects, etc.

We have worked with other national organizations where our goals were common. We have refrained from joining in the effort with other organizations and groups, although their immediate aims were desirable and in common with ours, but we could not commit our Convention to any movement which conflicts with the character and dignity of our denomination. The National Urban League and the National Association for the Advancement of Colored People have been most cooperative and helpful. I urge that we support these organizations through their local branches throughout the country. Many of our Baptist pastors are presidents of local branches

of the N. A. A. C. P. Through the organized and concentrated pressure of many groups, we have made gains on several fronts. We have had several favorable Supreme Court decisions against Restrictive Covenants, discrimination in higher education, the right of Negroes to register and vote in the Democratic primaries in the South, and segregation in the Armed Forces. This Commission has voiced the position of this Convention on all of these issues. We have sought the advice of some of the legal minds of our Convention, especially the able attorney for this Convention, Col. A. T. Walden, and he has been most helpful and cooperative. Many organizations and individuals were using the Ingram Case for wreckless exploitation. We were being called upon to contribute to several persons and groups who were leading the fight in this case. We should ever beware of those persons and fly-by-night organizations who live upon the spectacularized misfortunes of other people.

We are still gaining in the field of labor, theatrical, and sports circles. We are leading the world in running, jumping, and fights. Joe Louis retired with dignity and power. Larry Doby and ageless Satchel Paige are keeping Cleveland in the Pennant Race in the American League. Catching Roy Campanella and the batting, base-stealing Jackie Robinson are clinching the Pennant for the Flatbush Brooklyn Dodgers. These gentlemen of color have smashed the myth that white players would not play with Negro players, and that white fans would boycott the parks where Negroes played. Cleveland and Brooklyn have attracted the largest attendances of any clubs in the leagues. Negro fans are displaying intelligent sportsmanship in the various parks. Democracy is more nearly working in sport, theatrical, and labor circles than in any other part of our social order.

While we rejoice in the gains which we have made, we must remember that a long road lies ahead of us. We must keep various agencies militantly struggling for justice and total freedom on the one hand, and we must prepare for first-class citizenship in a Democratic society.

We are making very significant strides in politics. Negroes were very obvious and active in National political parties' conventions. Arthur Payne spoke for the Republicans; Marshall Shepard prayed for the Democrats, and Howard of Des Moines keynoted the Liberal Party. Many Negroes find themselves in a dilemma this year, in the matter of a choice for President. We are fortunate that the Negro race does not belong to a Political Party. We have the privilege of making our own decisions, and we urge every Negro to select the candidates of his choice, and make an active contribution toward their election. Too much of our money is put into the coffers of the state for public services for us to allow unscrupulous and selfish individuals to manage the affairs of the state without checks and safeguards.

The next six months will be of special significance to Negroes on a national scale. During this period, the nation will speak its mind as to who shall occupy the White House in Washington. Each candidate in the field has made bold commitments on Civil Rights and other issues involving questions of race, color, and creed. Baptist should be prepared to hold a two or three day conference in Washington in January, to form a statement which would voice our feeling to be released to the press, and presented to the Presidential leaders of both Houses, and Chief Justice of the Supreme Court. We should invite House and Senate leaders and powerful committee chairmen to meet with us for an address and discussion. This conference should be composed of men representing a cross section of country and denomination. The Social Service Commission should have at least $5,000 annually, that it might be in a position to follow through on legislation and issues in Washington and throughout the country, reprint and distribute literature to our constituency, attend conferences of other organizations working in this field, purchase books and magazines for fresh enlightenment on Social education and action. Four million people pack great pressure in this

country. Our statement before a Senate Committee has mighty power. Let us use it consistently and effectively.

We have many very hopeful signs that justice and freedom are nearer. The excited maneuvers of the enemies of Justice are revealing evidence that they view it in not great distance. When Ku Kluxers march and demagogues rant, we know they are stirred by freedom's march. I know we stand today where screaming Dixiecrats stood a few days ago, and said: "The Negro shall not"!! but under God, we stand here representing fifteen million marching blacks, saying: "We shall." Justice is not merely a human desire. Justice is a divine attribute. Micah raised that issue with wandering Israel, who did a lot of external formalities in the name of the Lord. "He hath shewed thee, O man, what is good; and what doth the Lord require of thee, but to do justly, and to love mercy, and to walk humbly with thy God." So, we feel confident that Social justice is nearer than a year ago, and we must fight on. Baptists must believe that God is with them.

"Did we in our own strength confide,
Our striving would be losing.
Were not the right man on our side,
The man of God's own choosing.
Doth ask who that may be?
Christ Jesus, it is he.
Lord Sabbath is his name.
From age to age the same,
And he must win the battle.

"And tho' this world with devils filled,
Should threaten to undo us,
We will not fear, for God hath willed
His truth to triumph through us.
The Prince of darkness grim,
We tremble not for him,
His rage we can endure
For, low, his doom is sure,
One little word shall fell him."

SECOND ANNUAL REPORT OF SECRETARY
U. J. ROBINSON

Houston, Texas, September 8, 1948

Brother President, Officers and Members composing the 68th Annual Session of the NATIONAL BAPTIST CONVENTION, U. S. A., Incorporated:

It is with a degree of thankfulness to our heavenly Father, that I am permitted to bring to you an accounting of my stewardship as your Executive Secretary. I am glad to be in Houston again. This is the second session I have been privileged to attend in this great city.

My report last year was the work of the late Dr. J. M. Nabrit and his secretary. I come to you this year with my own full report for the five months I have served.

I have done my best, and it is up to you to say whether that was well enough. I can only say I have been faithful in performing the many duties that go with this great office. I have been loyal to the interest of the Convention and cooperative with our Chieftain.

I wish to express my appreciation to those who have given me friendly advice and cooperation. I have tried to serve all of you as best I could.

Our Convention has grown to be a great business, and there is no end to the work of the General Secretary's office. From this office, upon the orders of the President and Directors, go thousands of notices, calls and appeals. The records must be kept and the minutes distributed. Our minutes this past year is the largest journal put out by any religious body in this country. It requires a great deal of energy and experience to compile and edit this great journal.

We held our winter Board Meeting in New Orleans, Louisiana, with the First African Baptist Church, Rev. R. W. Coleman, Pastor, at which time the work of the Kansas City Meeting of the Convention was completed and plans set in motion for our 1948 work. Many resolutions were passed upon. The meeting was well attended.

Regional Meetings were held in Tampa, Florida, in March, with the Beulah Baptist Church, Rev. W. M. Davis, Pastor; and in Topeka, Kansas, in April, with the Shiloh Baptist Church, Rev. P. H. Hill, Pastor. Both of these meetings were well attended and very successful.

The final meeting of the Board of Directors was held in Cleveland, Ohio, during the Congress, at which time the program for this session of the Convention was made.

Our meeting in Kansas City, Missouri, was one of the best attended sessions in the history of the Convention. There were:

4,123 registered delegates
48 state conventions
5 district state conventions
251 associations
3,395 churches

The program was well executed and the receipts were the best.

REPORT OF STATISTICIAN OF NATIONAL BAPTIST CONVENTION, U. S. A., INC.

Houston, Texas, September, 1948

Mr. President, Messengers of the National Baptist Convention

We submit to you our annual report.

THE FOREIGN MISSION BOARD OF THE NATIONAL BAPTIST CONVENTION, INC.

By Dr. C. C. Adams, Corresponding Secretary

701 South 19th Street, Philadelphia, Pennsylvania

Faced this Convention Year with the greatest expansion program in its history, the Foreign Mission Board has witnessed an outreach in service and a sustained interest in response that bid fair to make the realization of this expanded program a reality in the not too distant future. In all the areas in which the Board operates—South Africa, East Africa, Central and West Africa, and the Carribean Area—outstanding progress has been made, not merely in the assembling of material assets, such as buildings and equipment which are of great importance, but also in the effective impact of the Gospel of Christ on the peoples of those sections of the world. The Foreign Mission Board takes pride in the number of converts that have been baptised in the churches; the number of patients that have been ministered to in the hospitals; the number of children and young people that have been trained in the schools; and the great host of men and women in darkest Africa who have been inspired to greater and nobler living through the efforts of that multitude of missionary workers who serve Christ through the Foreign Mission Board of the National Baptist Convention.

In addition to the work in Africa and the Carribean, the Foreign Mission Board has made generous contributions to the starving millions in Europe and Asia, and is at the present time planning to send a Missionary worker to the Japanese and to open a station at Okinawa in the South Pacific.

Much credit for all of this must be given to the pastors, churches, and friends of Missions who have given their prayers and money to the end that Christ might be known through all the ends of the earth.

THE SUNDAY SCHOOL PUBLISHING BOARD

A. M. TOWNSEND, Secretary

Some of the Work Convention Year, 1947-1948

The Sunday School Publishing Board continues to perform its tasks, and the responsibilities with which it is charged.

FIRST: Of the getting out and distribution of the Sunday school literature, religious publications, and standard song books for our great Denominational Constituency.

SECOND: Of sponsoring, directing and projecting the program of Christian Education, of our National Baptist Convention, with emphasis on Leadership Training, and work among rural churches.

THIRD: In sponsoring and financing certain obligations of the National Baptist Convention, which we carry as a contingent liability.

The Publishing Board, however, notwithstanding the additional burdensome responsibilities, and the many handicaps, we have had on account of the uncertainties of printing materials and supplies; the rationing of stock paper, the labor problems, and problems incident to the attempt of Union organization, threatened strikes, additional taxations, etc., has carried on its regular routine work in the publication of our Sunday school literature, supplies, etc., to the satisfaction of our patrons, as shown by the continuous increase in our patronage and receipts.

Our policy and determination has been, in spite of handicaps, to maintain the Standard of Excellence in our religious publications, that we might keep pace with other religious publishers, Sunday school leaders and workers, and maintain front line recognition and respect among all the leading and aggressive Sunday school organizations and forces.

We also sustain our membership and relationship with the International Council of Religious Education, which is the most formidable and dynamic organization of Sunday school forces in Protestantism.

We sustain membership also, in the World's Sunday School Council, an organization for the progress and advancement of Sunday school work with the Sunday school forces of all countries.

The Secretary of the Sunday School Publishing Board, is a member of the North America Administrative Committee of this organization.

Our Christian Education Department

Great emphasis during the past year has been given to our Department of Christian Education which is under the direction of Rev. Charles L. Dinkins. It is the purpose of this Department to provide for the churches the best that is possible in leadership education within the limit of our resources. The following is a digest of some of the activities during the past year.

Rural Church Work

Our Rural Church work through the Department of Christian Education is under the direction of Rev. V. A. Edwards. Its objective is the lifting of the standard of living of our rural churches in Christian education and to assist in strengthening the work of rural churches in the National Baptist Convention.

Plans for the Future

The Sunday School Publishing Board will continue to perform the tasks assigned to it, and the responsibilities with which it is charged, and to cooperate in every way with the National Baptist Convention, U. S. A., and its Boards and auxiliaries, in carrying forward its work in the advancement of the Kingdom of our Lord and Master.

To this end, the Sunday School Publishing Board solicits full and hearty cooperation and support of our constituency in every way, and especially in patronage of our products, and in support of the program of our Department of Christian education.

ANALYSIS OF STATISTICAL DATA

An examination of the sample which the research division of the Statistician's Office was able to obtain revealed that there had been a general increase in church membership of approximately 2 per cent. This ratio of increase was maintained in almost every other way. The Statistical research department is grateful to those Associations, Conventions, and other Units of our Convention which sent us the statistical data requested of them. It cannot be urged too strongly that it is highly important that these groups provide this information.

Again, the states of Georgia, Alabama, Mississippi, and Texas led in the total number of churches, total number of members, total number of ministers, and total gain in membership. This was to be expected since these states have the largest Negro populations, if not the highest percentage of Negroes in the total population. Each of these states had more than 2,000 churches. Of the group, however, only Georgia had more than 4,000 Baptist houses of worship. States with more than 1,000 churches, but less than 2,000 were: North Carolina, Virginia, Louisiana, and Arkansas, in order named. Again, this high number of Baptist congregations is in harmony with the density of Negro population. Florida and Tennessee were each barely below the one thousand mark in the number of churches. Except for Oklahoma, no other state had 500 Baptist churches according to our sample. Other states should not feel that they are not doing good jobs merely because they have less than 500 churches. The overall population in many of the states is low, and in all of them, the Negro population is relatively low. In the northern and far western states, for example, geographical and population statistics reveal that Negroes are, in the main, concentrated in the large cities. Few Negroes live in the rural and small town areas of such states. In the South, and along the Atlantic Seaboard, Negroes live everywhere, and wherever there are large numbers of Negroes, there also, are large numbers of Baptists.

Although the total number of churches, the total number of members, and the total number of ministers were relatively low in the less populous states in so far as Negroes are concerned, many such states owned much more in church property than their more numerous southern neighbors. Only Georgia and Virginia exceeded Pennsylvania in the value of church property. New York, with less than a total of 200 churches, owned property valued at approximately one and one-half times that of Mississippi, although Mississippi had more than 14 times as many church edifices as New York. Missouri, with less than 300 churches owned property valued at approximately three-fourths as much as Louisiana with six time as many churches, and three time as many members. Illinois, with less than 350 churches owned church property valued at more than that of Arkansas with

about 4 times as many churches. The average number of members per church was found to be greatly higher in those states where Negroes bear relatively low ratios to the total population, except, of course, in such states as Arizona, New Mexico, and South Dakota where the total population is sparse.

SOME COMPARISONS OF NEGRO BAPTISTS WITH WHITE RELIGIONISTS

In many instances, comparisons have been regarded as odious. There are other instances in which comparisons are regarded as the stimulus to noble endeavor and the urge to marvelous achievement. With Negro Baptists, comparisons have been regarded as one of the central features in the great sweep they have made in America and throughout the world where black people live.

Negroes have turned to the loud call of the Baptist church because it is based upon the democratic ideals of the New Testament. Efforts have been made, and are still being made, to give a comprehensive study to the achievements and accomplishments of Negro Baptists. Those who have attempted, heretofore, have been forced to rely upon a multitude of comparisons, and those who make researches and write today about Negro Baptists find them-

selves engulfed in the same ordeal with which their predecessors were encompassed—that of using comparisons.

Baptist churches have always been democratic. They are no priestly order. Ministers are solemnly set apart without official distinction or authority, one over the other. Ministers and laymen are admitted into churches on the same basis. The democratic ideals of the New Testament and the Baptist church made master and slave the same in regard and standing and set them upon the same level, as they listened to the message of God and were urged to become believers through the acceptance of Jesus Christ or were edifed because of their having already accepted him. The laws of the land which precluded a slave from becoming a member of a church greatly handicapped the Negroes who identified themselves with the Baptist Cause, and, therefore, it was not possible for the slaves to have equal voices in the discipline of the mixed churches of master and slaves; for chattel, as the Negroes were regarded by the masters during slavery time, could never have a part in the organic functions of the church in which whites held membership. The Negro was greatly disturbed because of this impediment which the institution of slavery put in his way, and in order to extricate himself, in a measure, sought means by which religious services could be held among the Negroes alone. The first movements of that nature resulted in the Negroes holding religious services after the whites had dismissed or adjourned their services. Those services were first looked upon as extended meetings of the white churches and not as independent meetings of the Negro churches.

The Baptist spirit has always been a pioneering spirit. This has been true through the years with both white and black Baptists. The pioneering spirit has asserted itself as effectively or more effectively with Negroes than with whites. This idea of the Negro Baptists pioneering in many instances antidates the pioneering efforts of white Baptists and white Methodists.

The Methodist movement among whites began during the 18th century, and likewise, did Negroes definitely and prominently enter into active participation in the Baptist churches during the same period. The first church house dedicated in America by white Methodists was dedicated on October 30th in 1768. That was exactly 25 years after Quassey, the first known Negro Baptist to join a church in America, joined the Newton, Rhode Island, church in 1743. No record had been found prior to this time where Negroes had been allowed to hold definite membership in any church. It is of remarkable significance that the first Negro of record to hold membership in a church was a Negro Baptist.

The dedication of the first church house by white Methodists in 1768, preceded the organization of the first Negro church in America, the Silver Bluff African Baptist Church, Aiken County, South Carolina, which was organized in 1773, but 5 years. The membership of the Silver Bluff Baptist Church was extremely large for the time during which it was organized. It was due to the graciousness of George Galphin, in whose mill the Silver Bluff Church was organized, 12 miles from Augusta, Georgia, and Henry Sharpe, the master of George Leisle, who organized the Silver Bluff Baptist Church with Wait Palmer, a white man, that Negroes were allowed to have a church in which they could worship God according to the dictates of their consciences and have their names recorded upon its record as human beings and children of God.

In 1762, when the great Baptist persecution began in Virginia, there were only 3,000 Baptists, black and white, in the whole country. That was only 11 years before the organization of the Silver Bluff Baptist Church. A large number of those 3,000 Baptists, who constituted the entire Baptist population in America in 1762, must have been Negroes. This conclusion can justifiably be maintained on the ground that Baptists were exceedingly unpopular among the white Americans during those days. That was the period of

persecution, and Baptists had through the ages been the persecuted while white America, during that time, largely thought of itself as the master persecutor, especially where Negroes were involved.

Negro Baptists have been involved, in many instances, in matters which have been regarded as paradoxical. In 1845, 22 years before the Emancipation Proclamation was signed by the immortal Abraham Lincoln, the liberator of a distorted and divided Nation, the First Baptist Church of Charleston, South Carolina, the state where the first gun was fired that ignited the thunderous fury which rose into the destructive conflagration of the Civil War and also the city and state where the first church among white Baptists was organized in the South, reported a membership of 643 members, but it was further evidenced that there were 1382 Negroes who were also members of that church. The fact that the Negroes were slaves led the whites to disregard their humanity and not include them in their report as members of the church.

The First Baptist Church of Georgetown, South Carolina, made a report during the same year of its membership. The report showed that there were 831 members of that church. Out of that membership, 798 were Negroes. The Negroes, by a tremendous majority, out-numbered the whites, yet, they were not considered as being anything more than human chattel, and, therefore, they could not be given consideration and placement in the records of the church as members thereof.

During the same year, 1845, in Beaufort, South Carolina, there was a report made by the First Baptist Church of that city, in which it was clearly evidenced that there were 3,323 members in that organization. The record also revealed the fact that Negroes constituted more than two-thirds of that number.

The white Baptists, in the development of their associational life in South Carolina, as well as in other states, gave reports on the numerical strength of the organization. A report was made in 1845 showing the numerical strength of the Sunberry Association. There were 4,300 members in that association during that year. Less than 500 of those members were white. The others were all Negroes.

Migratory movements have been launched in which Negroes were involved. One of these migratory movements of unusual prominence and importance was the colonization movement which was made by Stephen Fuller Austin into Texas, in an effort to carry out the unfinished task of his father, Moses Austin. Included among the number of persons who moved by families from Missouri into Texas was a Negro, who led his family. After the long and tiresome trek out of Missouri across the Red River into Texas, Austin pitched tents for a short duration in order that his company might rest and further express gratitude to Divine Providence for the successful journey that far. Historians probably may have caught his name, but if so, they refused or failed to write it down, though they were liberal enough to make known that this Negro, a preacher of the Gospel, preached the first Protestant sermon that was preached in that area on Texas soil. A sister state to Texas, named after one of the great monarchs and rules of France, Louisiana, was invaded by the Rev. Joseph Willis, a Negro Baptist preacher, who was the first to organize a New Testament Church of any kind in Louisiana and became the first pastor of that organization at Bayou Chicot in the year of 1812. He, therefore, is rightly known as the predecessor of all Baptists, white or black, in Louisiana.

The Central Association of Mississippi reported, in 1845, a membership of 3,000. It was further evidenced that Negroes constituted more than half of that number.

Virginia was the state which was first invaded by the Negro slave. He placed his feet upon the soil of that state as the property of slave masters,

having been brought here in a slave traffic. The year which marked his ad-
vent into Virginia as a slave was not the year that marked his initial ad-
vent upon the shores of this continent—North America. He entered the con-
fines of the wilderness of this land long before the Red men ever tightened
a bow or let fly the first arrow. But, despite the Negro having been trans-
ported into Virginia as a slave, he also made his mark there as a Baptist.
In Pittsburgh, Virginia, the Negro Baptists antidated white Baptists by
years. In 1848, Negro Baptists had three churches in that city with
members. In 1846, the First African Baptist Church of Richmond, Virginia,
had 2,000 members. Those early beginnings and large memberships by far
excelled the white Baptists.

In 1848, the Bryn Baptist Church of Savannah, Georgia, had 1,200 members.
In 1845, the Springfield Baptist Church of Augusta, Georgia, the original Silver
Bluff Baptist Church of Aiken County, South Carolina, had 1,143 members.

Negro Baptists in Kentucky were no more unmindful of the democratic
ideals which moved to large memberships and remarkable activities than
were the Negro Baptists of other states. In 1846, the First African Church of
Lexington, Kentucky, had a membership of 1,100, and it was a tremendous
power in social as well as religious endeavor.

The Negro Baptists were determined to continue their unprecedented march
at any and all costs. There had been movements launched to suppress Ne-
gro Baptists. It was thought that they were increasing numerically at a much
too rapid rate. In 1800, 63 years before the Emancipation of the Negroes,
Negro Baptists had become so strong in South Carolina until the legislature
of that state imposed restrictions on religious meetings of the Negro people.
The rapid strides which led the Negroes to be able to vie, in a most com-
parable manner, with the white Baptists of South Carolina became odious
in the sight of the whites, and they petitioned the legislature of South Caro-
lina in 1801, through the Charleston Baptist Association (white) to repeal
the laws against them. The petition was denied. The denial of that petition
in no wise abated the fiery ardour of the white Baptists against the Negroes,
and they renewed their efforts the following year, 1802, with some degree
of success.

The Negro Baptists were organized to help themselves. This was done by
them before or as early as the white Baptists north and south, were organized
to help them.

Before the American Home Mission Society was organized in 1832, the
Negro Baptists of South Carolina and Georgia had established churches from
Canada of the West Indies. Before that great society began work among the
Negroes for their freedom in the South, our fathers and mothers had taken
the leading part in bring 400,000 Negroes into the Baptist fold.

Nine years before the Baptist Missionary Society of England was organ-
ized in 1792, and sent out William Carey to India; Moses Baker and George
Gibbons, two Negro Baptists, left America in 1783, as voluntary missionaries
to the West Indies. They left one year after George Leisle, the father of
Negro Baptists who went to Jamaica in the West Indies in 1872.

Twenty years before the American Baptist Missionary Union was organized
in 1814 and sent out Judson to Jamaica, Hector Peters and Sampson Colbert,
two other Negro Baptists, left America in 1790 as voluntary missionaries to
West Africa.

Twelve years before the white Methodists sent out their first foreign
missionary in 1833, Lott Carey, a Negro of Virginia, had bought his free-
dom and, in company with Collin Teague, left America in 1821 as a volunteer
missionary to Liberia, Africa.

It is quite significant that Negro Baptists were doing foreign mission work
9 years before the American white Baptist and 50 years before the white
Methodists.

When the first guns were fired at Sumpter, South Carolina, in 1861, in
the bloody massacre later known as the Civil War, Negro Baptists had placed
behind them 87 years of struggle and fight for freedom. When the Great
Revival Period began in 1862, Negro Baptists were the best prepared re-
ligionists in all the world to bring Negroes to Christ.

Unusual importance is always attached to pioneers and their ventures.
They are regarded as the ones who blaze the trails and give us the direc-
tion for future trails. Negro Baptists have truly played marvelous parts
in pioneering ventures. No greater pioneers have lived than Negro Baptists.
Following the move of George Leisle from Silver Bluff Baptist Church in
Aiken County, South Carolina, and his beginning of the First African Bap-
tist Church in Savannah, Georgia, he launched out upon a new venture,
after having won his freedom from the galling clutches of the institution
of slavery. He linked his forces with the British in the great Revolutionary
War between the colonies and Great Britain. He was promised his freedom,
along with the freedom of all the Negroes who came under his direction, if
he would lend his efforts to the British in their attempt to keep the colonists
under the subjugation of the British Empire. George Leisle fought on the
side of the British, but the history is well known. The British lost. That
forced a rather unusual situation in the life of George Leisle and he found
himself confronted with threats of future enslavement. He promptly made
plans to leave the colonies, and in 1782, made his way to Jamaica in the
West Indies. The same urge which had haunted him in South Carolina and
Georgia followed him to Jamaica. He found that it was impossible for him
to do other than as God had commanded and there be proceeded, in a
most definite way, to preach the gospel to the British subjects as he had done
to the subjects of the colonies. He established the First African Baptist Church
in Jamaica, after having preached to a large number of anxious auditors
at the old race track. He became the first missionary to Jamaica; the organ-
izer of the First Baptist Church in Jamaica, and pastor of the same. This
pioneering effort which was launched by him on the Island of Jamaica pre-
ceded the venture of any other Baptist, white or black, in that region. The
great urge to extend the preaching of the gospel in other climes possessed
also the life of David George, one of the outstanding disciples of George
Leisle, and one of the charter members of the Silver Bluff Baptist Church
of Aiken County, South Carolina. David George joined with George Leisle in
the fight for the retention of the colonies under the rule of the British Empire.
The defeat of the British subjected him to the same type and kind of extenuat-
ing circumstances to which George Leisle was subjugated. He, therefore, had
to effect an escape from the colonists. Prior to this, his experiences were
somewhat similar to those of George Leisle, in that he served as the first
regular pastor of the Silver Bluff Baptist Church, Aiken County, South
Carolina. After having served that church in 1774, he moved into Savannah,
Georgia, with about fifty members of the original Silver Bluff Baptist Church.
In 1780, he became a pioneer in Charleston, which pioneering resulted in the
organization of the Morris Street Baptist Church. He sailed in 1782 from
Charleston to Nova Scotia, where he preached for ten years and organized
the First African Baptist Church, Shelburn. He also preached at Birch Town,
Digged Island and St. John, New Brunswick. He took a large number of Ne-
groes with him in 1792, to British Central Africa and religiously started the
colony of Sierra Leone. There, he organized a Baptist Church known as the
First African Baptist Church. His work in Sierra Leone as a church organ-
izer marked the first missionary work that was done by anyone in that
colony. He, therefore, preceded the white missionaries in efforts to evangel-
ize the natives in that part of Africa.

There are other landmarks to which we can point with unusual pride as
we consider ventures among Negro Baptists. Z. N. Morrell, a pioneer white
minister, the third Protestant preacher to enter he State of Texas, preached
in the midst of difficulties in traversing the broad fields of Texas, in the

spring of 1846, in the region of Little Brazos and Navasota Rivers. Upon a very unusual occasion in his life, he had the following to say:

"At our first meeting after the organization at Leona, a very remarkable Negro boy approached me on Saturday morning, and asked permission to join the church. Upon being asked if he believed that God for Christ's sake had forgiven his sins, he promptly answered in the affirmative; and after giving the clearest evidences of deep conviction and joyful deliverance, I told him to confer with his owner and present himself to the church. Jerry was prompt to the hour, and when an opportunity was given, he presented himself for membership. In the hearing of all the congregation, he told his simple story, in a few, but earnest words. There was no dream, no vision, and no miraculous manifestations rehearsed; but with plain and heartfelt utterances, he convinced the congregation, already in tears, that he not only had a soul, but that his spirit had been moved by the power of God. I baptized him with some others, and very soon, he expressed an anxiety to learn to read the Bible. In this, he was encouraged, and in his aptness to learn, soon acquired what he sought. He was granted permission and encouraged by the church to preach to his people. Up to the war, and during the struggle, he deported himself with Christian propriety, and although a quarter of a century has passed since I baptized him, he still lives to declare the good news of Salvation to his race."

The Jerry of whom J. N. Morrell spoke was none other than Jerry J. Reinhart, one of the most outstanding pioneer preachers America has ever produced. He diligently pursued his literary and theological courses in Old Baylor University, when it was located at Independence, Texas, and became one of the most astute and profound students to attend that institution of learning. His ability as a Greek and Hebrew scholar by far excelled that of most of the white students with whom he studied. He was the grandfather to Mrs. Gertrude E. Rush, the attorney for the Woman's Auxiliary Convention of our great National Baptist Convention, U. S. A., Inc.

To the religionists of the South West, the Brazos River is of marked and unusual significance. It has touched the lives of Baptists, both white and black, in the "Lone Star State," probably, as no other river has done. William Tryon, one of the pioneer white ministers to follow J. N. Morrell into the wilds of Texas, engaged in extensive work as an evangelist among the slaves. He preached in the quarters and on the plantations to the Negroes during the time of slavery, and many of them were converted to the Cause of Christ by the preaching of the gospel by him. As the result of his early preaching in Texas, a Negro slave girl by the name of Emily made an open pronouncement and confession of her faith in Christ and was taken into the membership of the white Baptist church. That was done on a Saturday, and the following day, Sunday, that girl was baptized by Elder Tryon in the Brazos River as the first person in Texas that was baptized in that river. There have been many baptizings since that time, and extremely large is the number of people who have been baptized in that river, but history will ever point to Emily as the first person of any color that was baptized in the Brazos River within the confines of the State of Texas. Because of that unusual experience which was hers, her name is significantly placed in the history of religious movements in America and the world.

One of the most highly prized ventures in which Negroes have engaged themselves is that of supporting foreign mission endeavors. It is to be presumed that Negroes are unusually ambitious about their foreign mission engagements and participations because of the fact they were brought to these shores from foreign climes and the climes from which they were brought stood then and stand now very much in need of the saving penetration and healing efficacy of the gospel of the Son of God. From the dark and dismal reaches of Africa; from the gloomy and dense recesses of the jungle [illegible]

the forebears of Negroes came. Some had been touched by the regal dignity of kings and potentates, while others came from the ranks of the lowly and unsung. But there surged in the bosoms of all an insatiable desire and craving to attain unto the lofty eminence of sons and daughters of God through Christ.

In 1848, there was organized in Texas the General Baptist Convention (white). That convention had as one of its significant objectives the doing of missionary work in foreign climes. It gave no particular concern to the fact that many of the outstanding preachers of the gospel and active missionaries, both male and female—men and women—were holders of slaves. And that the institution of slavery was definitely against the purpose, program and plan of God. They thought in terms of foreign missions as being an enterprise for lowly and destitute and forlorn people who lived out of the religious reaches of Texas and the other states of the United States of America. They could, by no means, conceive of the Negro as being a fit subject to enjoy the liberating influences and the unfettering powers of the gospel. Therefore, they directed their activities along foreign mission lines to other parts of the world and left the victims of their inhumanities and indiscretions wholly upon the mercy of God. But when the General Baptist Convention (white) of Texas held its annual session in Anderson, Grimes County, Texas, during its organizational session, the Matagorda Baptist Church of Matagorda County, sent Twenty-three ($23) Dollars to that session for foreign missions. It was definitely designated money. The membership of the Matagorda Baptist Church was composed of white parishioners and also Negro slaves. The greater part of the Twenty-three ($23) Dollars was contributed by the Negroes, but the whites decided that the money would be equally divided for foreign mission purposes which they desired and also for foreign mission purposes which were desired by the Negroes. The white members of the Matagorda Baptist Church readily conceded that their money was needed most in China, and they, therefore, instructed the convention to send their Eleven Dollars ($11.50) and fifty cents to China. The Negroes, though slaves, had heard of the wretched plight of their brothers and sisters in black who had not been transported to these shores, but whose hearts throbbed a most effective and tender Macedonian call—"Come over into Africa and help us." The Negroes, without any hesitancy upon their parts, sent word that they desired and urged that their Eleven Dollars ($11.50) and fifty cents would be sent to Africa for foreign mission work in that benighted region. That Eleven Dollars ($11.50) and fifty cents marked the sending of the first money for foreign mission endeavor out of Texas and the South West to Africa. The sending of this money by Negroes ante-dates the sending of money by any group of religionists from Texas and the South West as foreign mission money to Africa.

Most marvelous must be regarded the progress that has been made by Negro Baptists when their progress is compared with the progress of other Negro religionists. But more than marvelous must be regarded the progress made by Negro Baptists when their progress is compared with white religionists of the world. In every walk of religious endeavor, Negro Baptists have been able to hold their own by the sides of other religionists. Such outstanding characters as Elias Camp Morris who represented Negro Baptists as a member of the Executive Committee of the Baptist World Alliance; C. Garrish who represented Negro Baptists as a Fellow of the Royal Geological Society of the world and as a delegate to religious movements throughout the world; Charles T. Walker, known as the Black Spurgeon of his day and time who founded upon the coral strands of the remarkable and eminent Charles Haddon Spurgeon of England and won for himself imperishable laurels as one of the most gifted linguists the pulpit has ever known when his achievements were compared with men of all color; Lacy Williams, the Prince of Preachers, nestor of logic, master of forensic victory, and Christmas Evans in spiritual fervor and ardour, who served

as a member of the Executive Board of the Baptist World Alliance, vic president of the Baptist World Alliance, one of the chief advisers of the Bap list World Alliance and who presented Dr. George Washington Truitt in 1939 to more than 60,000 people during the session of the Baptist Worl Alliance in Atlanta, Georgia, in such linguistic beauty that the vast host o assembled Baptist representing at least forty-two nations of the world, absol beneath the spell of his oratory and quivered under the sweep of his fier less speech; Dr. D. V. Jemison, our present titular head as leader of more than 4,000,000 Negro Baptists and executive officer of the Baptist Worl Alliance and many other outstanding Negro Baptists who can vie in religio with the people in any other racial groups of the world. In the field o education and science, Negro Baptists can point with pride to the immort Booker T. Washington who outstripped all religionists in the field of in dustrial education; George Washington Carver, the Christian Agricultur scientist who extracted power, soothing balm, delicacy of taste, sweetne of odor and beauty of color from the potato, peanut, pecan and red clays o Alabama; John Hope, John Robert Lee, Samuel A. Archer and a countle galaxy of other educators, too numerous to mention, who have emblazon their names and the name Negro Baptist upon the canvas of the ages, not to be expunged, though epochs and aeons shall run the guantlet of time an in the consummation of the eras be dashed into the certain sea of eternit In all fields of endeavor, Negro Baptists have played well their parts, a because of that, there should never exist an occasion for us to lament deplore our being what we are. The call today, Negro Baptist, is that y shall even win for yourselves greater glories, larger laurels, more beau wreaths of honor, but this can only be done by becoming the servants of a

REPORT OF THE ATTORNEY

Houston, Texas, September 10, 194

Mr. President, Officers and Members of the National Baptist Convention U. S. A., Incorporated:

Greetings:

As Attorney for the largest aggregation of Negro Baptists in the wo I am happy to greet you again after another twelve months have rolled which have been fraught with many problems and difficulties for wh the limited circumscribed statesmanship of the world have not yet be able to find solutions.

We meet at a time when there is moral and spiritual chaos abroad in world simply because most of mankind has not yet become willing to fol and apply the immortal precepts and teachings of the quiet man of Gal who set before men the only true way of life. Mankind will continue t to grope in spiritual darkness and in moral and social murkness until it cides to make the principles of the kingdom of God the beacon light a its pathway.

In the midst of the conditions above described, the one question wh we as Christians must ask ourselves is, Are we carrying forward in our own lives and conduct the manifestations of the adherence to the id of Jesus. That is the inescapable responsibility of every one of us, individ ty, and of this great denomination collectively. Increasing woe to the w will flow from our disregard, neglect and failure in that respect.

Attendance at Board Meetings

Pursuant to directions from our president, I have attended the quarterly meeting of the Board of Directors of the Convention at New Orleans, Louisiana, in February, and at Cleveland, Ohio, in June, of this year. Prior to the Cleveland Board meeting I also went to Hot Springs, Arkansas, for the purpose of investigating the matter pertaining to the proposal made by the Southern Baptist Convention in connection with the Woodmen of Union property at that place.

Woodmen of Union Hot Springs Property

At the Board meeting in New Orleans in February, a proposition was submitted by Dr. R. C. Woods, Rev. C. C. Brandon and others of Hot Springs, requesting the Convention to take over the Woodmen of Union Bath House and Sanitorium, the Southern white Baptists having agreed to make substantial financial contribution to help effectuate the transaction. The Board referred the matter to the attorney for investigation, his report to be made at the Cleveland, Ohio, Board meeting in June, 1948.

Pursuant to the above direction of the Board of Directors of the Convention, your attorney went to Hot Springs and made a thorough investigation into the matter and made his report at the Cleveland Board meeting.

Your attorney had been more or less familiar with the Woodmen of Union property at Hot Springs for many years, having been an occasional visitor of Pythian Bath House and Sanitorium for many years. Your attorney found and reported to the Board at Cleveland, in substance, the following:

First: That the property in question was a very splendidly erected building of ——— stories on a very large lot in the heart of Hot Springs, with ample space for Bath House, Hotel and Sanitorium; that the building could not be built today for less than three-fourth to a million dollars.

Second: That the title to the property, subject to minor matters easily capable of correction, was good in the Reconstruction Finance Corporation.

Third: That it was proposed to buy the property for $175,000.00, with a cash payment of $50,000.00, with fifteen years to pay the balance at four per cent (4%) interest, the principal annual payments to be $8,333.33.

Fourth: That under all the circumstances, considering the generous offer of support made by the Southern white Baptists, it would be well that a committee from the Board be appointed to look further into the matter, as your attorney thought that the judgment of other Board members, particularly those with large business experience, should be brought to bear on the situation.

Fifth: That the attorney was absolutely satisfied that as far as the strictly legal aspects of the matter was concerned, including the validity and soundness of the title to the property was concerned, there could be no legal reason to prevent the Convention from favorably considering the matter, should it see fit otherwise to do so.

Sixth: That the attorney felt that considering the importance and magnitude of the proposed venture, he would suggest the advice of business men on the Board as your attorney claims no superior or unerring judgment in business affairs above that possessed by many Baptist business men.

The Board of Directors at Cleveland voted down the proposition overwhelmingly, 36 to 3.

Your attorney's responsibility in the premises, thereupon, ended, and he took no further steps in the matter. When my report was made and the same acted upon by the Board, my full duty had been performed, since my job is to do the will of the Convention in so far as such will may be legally complied with. Your attorney considered the matter purely in a professional manner, as he is the Convention's servant just like all other officers are.

Further Investigation Into Hot Springs Matter

As stated above, when the Board of Directors turned down the Hot Spring matter, my responsibility ended. However, early in August, our president directed me to investigate the Hot Springs matter to determine if the National Baptist Convention had in any way become involved by reason of anything transpiring since the Cleveland meeting. I proceeded to make such investigation and herewith make report on same.

Early in September I made a special trip to Hot Springs, Arkansas, for the purpose of ascertaining just what had taken place with reference to the Hospital matter since the last meeting of the Board of Directors of the National Baptist Convention in Cleveland, Ohio, in June of this year. The investigation disclosed that on July 15, 1948, Reverends R. C. Woods and C. C. Brandon of Hot Springs, and thirteen others chartered a corporation in the Circuit Court of Garland County, Arkansas, at Hot Springs, under the corporate name of NATIONAL BAPTIST HOSPITAL COMMISSION for the purpose of owning and operating a National Baptist Hospital and Nurses' Training School, in accordance with the statutes in such cases made and provided for benevolent associations (Sections 1788-1797, inclusive, Crawford and Moses' Digest of Arkansas).

The two following excerpts from the Charter set forth the objectives and method of operation:

1. "The general nature of the business purposed to be transacted by the corporation is: The establishing of a National Baptist Hospital and Nurses' Training School, together with secondary hospital units throughout the South, and especially in our cotton belt sections; the reception, treatment and care of sick, injured and afflicted persons; to give deserving young women the best possible training for the profession of health nursing; to institute means for better safeguarding the health of children; to provide proper recreational facilities and supervised periods of activities so as to help raise the general health level of our people throughout the country; to own or hold the necessary property to carry out these purposes and to raise money by general subscription, solicitation, charges to inmates, or otherwise for the proper conduct of this corporation; and to do and to perform all other things which said National Baptist Hospital Commission, or its Executive Board of Directors, may deem proper for carrying out the purposes for which this corporation is organized."

2. "That National Baptist Hospital Commission shall be constituted of representatives of all Baptist state organizations affiliated with the National Baptist Convention, Inc., and for the purpose of furthering the health activities and objectives of said Hospital Commission as stated herein, and that all such representatives shall be elected, each, by his or her own local state or district organization."

It will appear from the foregoing that the National Baptist Convention, U. S. A., Inc., is not all legally involved in the National Baptist Hospital Commission and has no legal responsibility whatsoever as far as said hospital corporation is concerned. All Baptist state organizations affiliated with the Convention may have voice and representation in the conduct of the affairs of the said Hospital Commission if they may so elect, that being purely optional within them.

In the light of the above information, I am therefore advising the National Baptist Convention, U. S. A., Inc., that the incorporation of the National Baptist Hospital Commission in no ways encroaches upon its prerogatives, neither does it subject the National Baptist Convention, U. S. A., Inc., to any legal liability whatsoever, either real or apparent, by reason of the contemplated activities of the National Baptist Hospital Commission.

Respectfully submitted,

A. T. WALDEN
Attorney for National Baptist Convention
U. S. A., Inc.

REPORT OF THE EXECUTIVE SECRETARY OF THE NATIONAL BAPTIST LAYMEN'S CONVENTION

To the Officers and Delegates of the National Baptist Laymen's Convention

Greetings:

The Lord has permitted us to assemble in another annual epoch making meeting in his name here in Houston. We have come as messengers and workers placing the emphasis on Stewardship and Evangelism.

We, as Baptists lay workers, go to church led by the light and truth of God. We have implored God to send out his light and his truth that we may lead others that they might bring others unto his Holy Hill. We as lay workers, follow his light and his truth, not only unto his Holy Hill, but into our daily round of duties. As lay workers this is a task of 365 days. As we go out in this field our religion is not confined to areas of our personalities or our social lives, nor yet to one nation at a time. We see the glory of his light and know the power of his truth, and so without waiting for Heaven, we daily cast our crowns before him, lost in wonder, love and praise.

Believeing in the excellency of the church we are willing as humble Christians to go all out for its uplifting program. Because man wants his religion to count for the most in his own life, in the life of the community and the life of the world, then we must cast our lot with some Christian church and throw ourselves full length into everything that the church stands for and is doing to win the world for Christ.

We are teaching our workers that one's church membership should be held sacred, and that to be a member of the Christian church is an honor and calls for the noblest life, because we honor Christ by honoring his church. As we look ahead and around us we are made to realize that most all of our opportunities in life come through our church membership. It is incumbent then upon each of us to magnify the church as a divine agency, since, men are won to God through Christ. As we meet here this week in convention, the emphasis is being placed on Stewardship and Evangelism. Of course we must realize that everything we do of an uplifting nature, is in the field of religious education. It is a thrilling scene to observe youth and the adults on their way to class rooms each day as early as 7 o'clock in the morning to drink of the knowledge of the good things given by a faculty of trained instructors and leaders.

We are striving and efforting to have our people realize that the church can only succeed in proportion as it unifies its work. Because you have so honored me as your secretary and leader, we are continuously trying to add to our information and improve our skills for the purpose of presenting a more effective program of Baptist lay work in our nation.

Since last we met we have attended the International Council of Youth and Sunday School Convention in Des Moines, Iowa, the latter part of 1947;

the International Council of Religious Education, February 7-14, 1948, and served our first year as an executive member representing our own National Baptist Convention. We also attended the meeting of the Directors in Religious Education at Nashville, Tenn., under the auspices of the National Baptist Convention, where we conferred and colaborated with Dr. Jesse McNeil on his new book, "Church Work With Boys," and the three manuals on Boys' Work now on the press.

We appeared on program at the National Baptist Ministers Institute at Leland College as guest speaker, representing the National Baptist Lay Convention during the latter part of May. We attended our own National Sunday School and B. T. U. Congress at Cleveland, Ohio, where we supervised the Senior B. Y. P. U. Department.

We have collaborated with four youth conferences, meeting with the four colleges of the State of Louisiana where successful conferences were held for the benefit of our Baptist youth leaders.

Now we are here in Houston, we have had one of the most successful sessions in the history of our organization.

The following is a financial statement of our office:

REPORT OF AUDITOR

(For Year Ending June 30, 1948)

Houston, Texas, September 9, 1948

Dr. D. V. Jemison, President
NATIONAL BAPTIST CONVENTION, U. S. A., INC.
And to the Boards, Commissions, Officers, and Messengers
Assembled in Annual Session
Houston, Texas

GENTLEMEN:

We hand you herewith audit report covering the operations of all boards, commissions, departments, and officers of the NATIONAL BAPTIST CONVENTION, U. S. A., INC., whose records were made available to us for the fiscal year ended June 30, 1948.

Elsewhere in this report we have commented separately on the operations of the several units. We are happy to report that, overall, the Convention is in excellent financial condition. Significant improvement was made during the year in most boards and commissions, particularly was this true with respect to the B. T. U. Board.

We have maintained close contact with boards and commissions during the year to the end that their records and finances might be maintained in good order during the year as well as at the close of the fiscal period. As a result of this vigilance, through the cooperation of Dr. A. M. Townsend, we were able to work out satisfactory arrangement with the Commission on The American Baptist Theological Seminary with respect to funds due it for operating expense. Another example of this regular inspection and cooperation is the help which we were able to be in the matter of elevator installation and general renovation of the Morris Memorial Building. Situations like these keep your auditor busy the year round at odd times. For these reasons, the cost of accounting and cooperation with the Finance Commission is becoming larger from year to year. This increase is, of course, offset many times over by the results obtained.

Again, your auditor wishes to express his sincere appreciation for the very fine cooperation offorded him in his work, and as a lifelong member of this denomination, he joins with you in your prayers for the continued growth and development of the work of the Convention and all its departments.

Respectfully submitted,

ACCOUNTANT'S CERTIFICATE

I certify that I have audited the books and records of the NATIONAL BAPTIST CONVENTION, U. S. A., INC., its boards, commissions, subsidiaries, auxiliaries, and departments, for the period July 1, 1947 to June 30, 1948; and that, in my opinion, the accompanying exhibits and schedules correctly set forth a true accounting for that period, and that the financial statements correctly set forth a true financial position of the Convention at June 30, 1948 to the best of my knowledge and belief. My comments shall be considered a part of this audit as fully as if written upon the face of exhibits and schedules.

COMMENTS

Office of Secretary

At the close of the fiscal year, the Secretary of the Convention, Dr. U. J. Robinson of Mobile Alabama, had under his control the sum of $2,053.[illegible] This amount was fully accounted for by funds in a local bank to the credit of the Convention.

Other than funds received at the Kansas City session, and at board meetings, the office of the secretary handled a total of $8,111.02 during the year covered by this report. Of this amount $512.43 was on hand at July 1, [illegible] $5,000 is the annual allotment to the office; and $1,350 represents a loan secured by the secretary.

The affairs of the Secretary's office were found to be well ordered. The records were in excellent condition. All expenditures were found to have been well supported by documentary evidence; and, in our opinion, to the interest of the Convention.

For the period, July 1, 1947 to the close of the Kansas City session, the work of this office was carried on by Mrs. Ann Traylor Hayes. Our office supervised the transfer of funds handled by Mrs. Hayes to Doctor Robinson.

The expenses of maintaining this office were, in our opinion, reasonable. No difficulty was experienced in the conduct of the audit of this office.

Office of Treasurer

During the fiscal year closed on June 30, 1948, the Convention Treasurer handled funds totaling $55,411.12. Of this amount, $1,302.91 was on hand July 1, 1947; $50,430.51 was received at the Kansas City session. The remainder of funds collected by this office came as result of board meetings held in New Orleans, Tampa, Topeka, and Cleveland.

All expenditures were found to have been supported by vouchers signed by the Secretary and President of the Convention, or by persons designated by them for that purpose. The expenditures are presented by us in detail and in summary in appropriate schedules contained in, and made a part of this report. This officer had under his control the sum of $1,252.17 on June 30, 1948. These funds were on deposit to the credit of the Convention in banks in Cleveland and Kansas City.

Like those of the Secretary, the affairs of this office were found well ordered. We experienced no difficulty in the conduct of the audit of this office.

Finance Commission

This is the Convention instrumentality charged with the responsibility of providing funds for those offices, departments, schools, and boards, which, by their very nature are not self-supporting. The Commission also has the responsibility of the supervision of the Convention budget. The affairs of the Commission are ably managed. While it buys and sells no goods, neither does it solicit funds for its operation. It serves well as a clearing agency, and through it authorized officers, secures funds through loans, and otherwise, as the occasion demands.

Your auditor is highly pleased with the decision of the Board of Directors to turn over to the Finance Commission the responsibility of handling funds at sessions of the Convention, as well as when the Convention is not in session. Your auditor believes that this supervision should be extended to all boards and departments whose personnel and facilities are inadequate for the efficient handling of funds at the sessions. Without interfering in any way with the budget matters of the Woman's Convention, it might not be a bad idea if the Finance Commission would make its advice and facilities available to that auxiliary, as well as to other units of the Convention.

The Finance Commission maintains balances in several banks for the account of its two funds—the general fund, and the reserve fund. On June 30, 1948, the reserve fund had in it $592.50. This fund had no receipts during the year under examination. Expenditures from the reserve fund for the year amounted to $1,050.86. Except for 36c for mailing statements, the entire expenditure was accounted for by the payment of debenture bonds. During the year $780.00 was paid on the principal of bonds surrendered by their holders, and $270.50 was paid as interest on such bonds as were surrendered.

The Finance Commission has striven for several years to get holders of these bonds to surrender them. Your auditor is in regular consultation with officers of the Commission with respect to the proper handling of its affairs.

The general fund of the Finance Commission had in it $2,725.54 at the close of the fiscal year. During the year, this fund received $211,535.20. The principal sources of such receipts were, short term loans, the Sunday School Publishing Board, and the Woman's Convention, in order named. $102,000.00 was made available to the Commission in short term loans during the year.

The Sunday School Publishing Board provided the Finance Commission with a total of $92,000.00 for the 12-month period ended June 30, and the Woman's Convention paid over to the Commission over $12,500.00 during this period. Other income sources are set forth in detail in an appropriate schedule.

Among the more important items of expenditure by the Finance Commission during the fiscal year were: Repayment of short term loans in the amount of $83,000.00; payments to the Sunday School Publishing Board of $8,500.00 on account of Convention obligations to that board; approximately $16,000.00 for the special Seminary fund was remitted; financing costs and expenses connected therewith amounted to approximately $10,000.00; and the renewal (and expansion) of all insurance in force on Convention properties amounted to nearly $12,000.00. This insurance, of course, is renewed only once in 5 years. Coverage on properties was brought more nearly into line with existing property values. In addition to these items,

the Finance Commission acquired for both schools located in Nashville, station wagons, furniture, and equipment. Total stipends to Commission members amounted to only approximately $3,000.00. During the year the Finance Commission expended nearly $68,000.00 in renovation of the Morris Memorial Building. This renovation includes the installation of two new elevators to conform to existing building codes of the State of Tennessee, and the City of Nashville.

The books and records of the Finance Commission are in excellent condition. Each item is meticulously defined in the records. All expenditures are amply supported by vouchers and paid bills evidencing payment. All receipts are also adequately vouched for, and are in agreement with disbursement records of the several units which made payments to the Commission.

The President's Office

Under direction of your auditor, one of his staff members visited the office of the president. The records of the President's office revealed that he did not handle any funds except those allotted to him by the Convention, or by the board meetings. All expenditures in the President's office were in accordance with the budget set up by the board. The Convention auditor found the affairs of the President's office to have been handled in accordance with the by-laws of the Convention, and resolutions of the board of directors supplementary thereto.

The entire fiscal affairs of the President's office are set forth in other appropriate schedules.

The Sunday School Publishing Board

This board produces a very high percentage of the total income of the National Baptist Convention. Its sales of religious literature are several times that of all other boards and departments put together. Its management is able and alert. Its accounting system, fiscal administration, and business management compare favorably with those of America's leading industrial and trading concerns.

Careful cost analyses are made of every production, distribution, and management factor. The board's record for the collection of its accounts receivable (except from affiliates) is exceedingly high. Its fixed assets are maintained in excellent condition. It pays its current bills promptly; hence has excellent credit. The major portion of its net profit is passed along to the Finance Commission to be applied in accordance with the dictates of the Board of Directors of the Convention. While this board is a big business on the one hand, on the other, it is an important source of funds used in carrying on the Christian work of the Denomination.

Net sales by this board amounted to $508,043.12 for the fiscal year ended on June 30, 1948. This represents an increase over the 435,851.44 for the previous year by about 15½%.

An examination of ratios comparatively set forth will reveal that the increase in sales for the year just closed was not accompanied by a decrease in the ratio of gross profit to net sales.

Percentage Analysis of Sales and Distribution of the Sales Dollar

	1947	1948
Net Sales	100.00%	100.00%
Cost of Sales	48.44%	47.04%
Gross Profit	51.56%	52.96%
Selling Expense	15.58%	15.58%
Profit After Selling Expense	35.98%	37.38%
Administrative Expense	15.43%	16.44%
Net Profit on Operations	19.55%	20.94%

While the balance sheet of this board, as shown in the appropriate exhibit takes into account depreciation on fixed assets at the accustomed rates, the consolidated balance sheet does give effect to a lower rate of depreciation. In this way, the overall balance sheet of the Convention presents fixed assets at more nearly their reproduction values.

Perhaps, to those members of the Convention who are not very adept at understanding percentages, it is more meaningful to report that net profit earned by the Sunday School Publishing Board amounted to $106,403.33. When income derived from sources other than business operations is added to this profit, the overall net income of the board is found to be $113,647.94.

While cash received and paid out has practically no accounting significance, it does serve to show in another way, the volume of transactions handled, and the economic importance of the business to the religious community of America. The board received during the fiscal year just closed the sum of $502,906.69, and spent cash in the amount of $523,570.04. At the end of the fiscal year, it had $40,535.65.

The National Baptist Training Union Board

Your auditor is pleased to report that this board made a better showing with respect to profits than at any time since he has supervised the accounting for the National Baptist Convention, U. S. A., Inc. For the first time in years, this board shows a significant profit. The net profit of this board arising out of business operations amounted to $16,118.74 for the fiscal year just closed. During the precious year, this unit experienced a net operating loss of $1,015.13. It will be seen, then, that the Convention as a whole is more than $17,000.00 better off because of the 1947-48 operations of this unit than it was because of the operations for the previous year. The loss experienced during the fiscal year 1946-47 was fairly typical of all recent years. Your auditor is justifiably pleased with the results of operations for the year just closed.

In order that comparisons may be readily seen percentage-wise, the following table is presented:

Analyses of Sources and Disposition of Business Income for the Fiscal Year Ended June 30, 1948 and for the Prior Year

	1946-47	1947-48
Net Sales	100.00%	100.00%
Cost of Goods Sold	59.13%	36.64%
Gross Profit	40.87%	63.36%
Selling Expense	20.96%	15.00%
Profit After Selling Expense	19.91%	48.36%
General and Administrative Expenses	21.74%	23.01%
Net Profit from Operations (1946-47 was loss)	(1.85%)	25.29%

A more careful analysis of the costs of operations for the two years compared reveals that, although sales increased by approximately $5000.00, the cost to the board of printing, and other raw materials and manufacturing decreased by some $12,000.00. Your auditor is so pleased with favorable showing that he is reluctant to call attention to this situation. Nevertheless, it is the belief of his office that the constituency should like to share this analysis. Important among the selling expenses is the item of commissions.

The commissions for the year ended June 30, 1947 amounted to roughly 10% of net sales. For the year just ended, the ratio of commissions to net sales was approximately 7%. This is encouraging. Administrative expenses increased from approximately $14,000.00 in 1947 to about $15,000.00 for the year just closed. While this was an increase of approximately $1,000.00 in this expense area, it was nevertheless a percentage reduction when related to net sales of approximately 1½%.

There has been considerable improvement in the quality of the accounting records of the board; still, it is not yet what your auditor could call adequate. It is your auditor's opinion that the office staff of the board, as now constituted, is competent. The office is working in closest harmony with the bookkeeping personnel of the board. Another year should show marked improvement in this area. Notwithstanding what has been said above, your auditor is pleased to report that he satisfied himself that all funds handled by the board have been properly accounted for.

Foreign Mission Board

This board is in good financial condition and its records are well kept. The administration of the board is able.

The total assets of the board were increased during the year just closed from $269,534.97 to $311,750.53. Nearly $23,000.00 of this increase arose out of an adjustment of the depreciation reserve downward to a figure which leaves the fixed assets at more nearly their probable value. Other increases are contained in cash in bank and investment accounts. For purposes of this statement, cash in savings accounts are listed among "investments" the reason that such accounts are maintained for the purpose of producing revenue.

The average yield on the investment account was approximately 1.77%. It will be noted that the investment account is made up almost entirely of savings accounts at banks, and Government bonds. The account is sound in every way.

The $10,000.00 loan mentioned in the 1947 audit was reduced by $1,000.00 during the year just closed. This item should have closest supervision in order that no loss shall result. Your auditor has not yet seen any authorization for this loan.

The statement of income and expense includes only the income which was received in the United States of America. The books maintained in Philadelphia do not include income collected and spent in Africa although some of the published reports of the board take such collections and expenditures into account.

The Ministerial Benefit Board

The affairs of this board were audited from prepared reports which had already been assembled by its secretary. Altogether, the Benefit Board handled a total of $3,628.27. Of this amount, $800.00 arose out of a bank loan, and $129.50 was brought forward from the previous year. Of the bank loan secured, $600.00 was repaid during the year. Because this board handles so little money, its administrative costs are relatively high. For example, during the year just closed, 88.6% of expenditures went for cost of operating the affairs of the Board, and only 11.4% was actually paid to those in whose interest the Board is operated.

Total assets of the Board are less than its liabilities. It could be said, therefore, that the unit is insolvent. It is your auditor's opinion, nevertheless, that the present executive of the Board is competent to develop it. Certainly, at this time, much is to be desired.

The Home Mission Board

This board began the fiscal year 1947-48 with a cash balance of $222.94. At the close of the fiscal year, a balance of $171.52 is reported. Total receipts, as determined by your auditor, were $16,607.14. Of this amount, $1,336.41 represented proceeds of loans, and $1,828.22 was accounted for by unrecorded receipts. Missions and Evangelism cost the board $1,573.74. If this item is intended to represent payments to Home Missions, then approximately 90% of total income was expended in the administration of the affairs of the board.

There is continued improvement in the record keeping. There is yet much to be desired in this area, however. The young lady in the office appears to have developing capacity.

Sunday School and B. T. U. Congress

This auxiliary received $22,020.17 according to reports from its officers. Records show that during the year the Congress borrowed $1,000.00 from its president and $500.00 from its associate director. These loans were repaid at the annual session. Total receipts other than loans amounted to $20,520.17. Expenditures were $21,009.86. The Congress had a deficit of $140.00 at the beginning of the fiscal period. Based on receipts and disbursement records, it had a surplus at June 30, 1948 of 870.31. All expenditures are listed in detail in an appropriate schedule.

Office of Statistician

During the fiscal period closed on June 30, 1948, the records of this office show receipts of $1,965.00. Of this amount, $1,212.00 came from the Treasurer of the Convention. The Home Mission Board of the Southern Baptist Convention made a contribution to the office as its share of rent. This amounted to $240.00. Seven state conventions, affiliated with the National Baptist Convention, made total contributions to the office in the sum of $320.00. Other funds were received from the Woman's Auxiliary, Board Meetings, and the S. S. and B. T. U. Congress. Expenditures were set forth in the appropriate schedule. All receipts and disbursements were entered in an account book, and all expenditures were supported by vouchers.

The National Baptist Voice

The "Voice" is the official organ of the Convention. As such, it is widely distributed, but not so widely paid for. According to available records, subscribers paid the editor only $2,906.00. Your auditor has satisfied himself that this item is correct. As one studies the records of this unit, one wonders if the organ should not be distributed free to ministers or churches. The Board of Directors probably should examine into the advisability of doing this; or, insist on the payment of the established subscription.

The Woman's Auxiliary

This auxiliary handled through its treasurer the sum of $55,422.74. Of this amount; there was on hand at the beginning of the period, $2,190.00. At the time of drafting this report, only the books of the treasurer of this unit had been made available to your auditor. The auxiliary provided the Training School in Nashville with $13,869.21 for its current fund, and paid $4,874.46 to the building fund. All together, approximately 57% of total expenditures were paid for support of the School and to board of the National Baptist Convention.

The National Baptist Missionary Training School

The records of this school are such that analyses may be made therefrom which are in accordance with standard accounting for colleges and universities. All receipts are appropriately entered from duplicate copies of receipts. All disbursements are supported by creditors' bills, and, or / cancelled checks. Total receipts of the school for the fiscal year, 1947-48, amounted to $25,0[illegible] 48. Total disbursements amounted to $26,564.26 for the same period. At the close of the fiscal period, the adjusted bank balance standing to the credit of the school amounted to $7,307.56 after allowing for outstanding checks. Accounting at this school is maintained on the cash, rather than the accrual basis.

The American Baptist Theological Seminary

An audit report covering all details of the operation of the Seminary at Nashville has been filed with its board of directors, and with the board of directors of the Commission on the American Baptist Theological Seminary by your auditor. This audit was a careful examination of income and expenditures for the period, January 1, 1947 to March 31, 1948. A supplemental audit was made for the months of April and May, 1948. A major purpose of the 1947-48 re-examination was that of determining to what extent the Commission was indebted to the Seminary for the pro rata share of expenses chargeable to the Southern Baptist Convention, or its instrumentalities. Your auditor visited Nashville five times for the sole purpose of meeting with

committees of the Commission, and committees of various boards of directors in an effort to get an agreement as to what was actually owed by the Commission. This was a difficult and tedious assignment since there had never been a clean-cut definition of "operating expenses" which, according to a 1946 interpretation of a 1937 resolution of the Southern Baptist Convention, such expenses were to be borne on a "50-50" basis between the Commission of the Southern Baptist Convention and the National Baptist Convention, U. S. A., Inc. After extended debate, and many conferences, the findings of your auditor were approved.

It will be recalled that for years prior to 1946, the Southern Baptist Convention through the Commission had undertaken to match CONTRIBUTIONS by NBC on a "50-50" basis. This was a very different formula than the one which required a matching of operating expenses on this basis.

In order not to burden this report, and the Convention minutes, with too much detail, your auditor is merely listing most significant figures from the financial statements of the Commission for 1947, as prepared by its certified public accountants. Total income for that year was reported at $103,456.96. The general expenditures for that period amounted to $35,605.24, and $23,000 was passed by the current fund over to the building fund. Capital expenditures for the year 1947 amounted to $13,857.40, and were concerned with heating plant, Griggs Hall Annex, furniture and fixtures, and the J. B. Lawrence Administration Building. Total Farm income was shown by the Commission to be $19,703.02, and the general expense reported concerned with the operation of the farm amounted to $34,705.83.

The amounts given above are from records of the Commission and are not to be confused with statements of the Seminary. The Seminary figures have already been certified and reported to the appropriate boards of directors. The cash and other assets of the Seminary have been combined into consolidated balance sheet submitted herewith.

In order that all assets employed in the interest of the NBC may be reflected in the consolidated balance sheet, the total assets of the Commission on the American Baptist Theological Seminary have been entered on both sides of the balance sheet as "assets belonging to the Commission." It must be borne in mind that an incorporated "holding board" holds title to Seminary buildings, etc. This "holding board" is made up of representatives of the National Baptist Convention and the Southern Baptist Convention.

During the year just closed, it became necessary for your auditor to train and install a bursar at the Seminary. The Commission had become disgusted with the monthly reports which had been filed. Since the NBC representatives, as well as those of SBC, realized that the reporting was inadequate, your auditor was directed to find a suitable person and coach him in his duties. This new bursar now handles all funds coming to the Seminary, together, of course, with the president of the Seminary.

Fiscal affairs of the Seminary are now ably managed.

THE MIDWINTER BOARD MEETING OF THE LAYMEN'S NATIONAL BAPTIST CONVENTION

The Midwinter Board Meeting was held in Room 410 of the Morris Memorial Building of the Sunday School Publishing Board, Nashville, Tennessee, February 16, 1949.

The meeting was called to order at 10:00 a. m., with Vice President T. J. Upchurch presiding. "Leaning On the Everlasting Arms" was sung, and the Vice President led in prayer. President J. C. McClendon then resumed the chair and made remarks. The house was then announced in order for business.

The object of the meeting was stated to be the completion of all unfinished business, prepare a program for the next annual session and to plan for the year's work.

Bro. James King, Dallas, Texas, made application for membership of the Dallas City Wide General Texas Laymen in the body, which was approved. The agenda for the meeting was read by Secretary Gayle through Assistant Secretary Upchurch. On motion, it was agreed that we follow the pattern of last year for the program this year.

Dr. Ashby, President of the New Jersey Baptist State Convention, was presented by Vice President F. O'Bryant and made helpful remarks. Dr. D. W. Hill, Pastor of Second Mt. Sinai Baptist Church, Cleveland, was also recognized and made appropriate remarks. Rev. V. W. Douglas of the Department of Boy's Work of the Sunday School Publishing Board, was presented and made remarks. We then proceeded to formulate the program. The Finance Committee was appointed, composed of H. S. Dixon and J. Wendell Johnson. After the above work was completed we adjourned.

REPORT OF FINANCE COMMISSION
NATIONAL BAPTIST CONVENTION, U. S. A., INC.

To the National Baptist Convention, U. S. A., Inc., Houston, Texas, September 8-12, 1948:

At its Meeting in Memphis, Tenn., September 1933, the National Baptist Convention of the United States of America, by Resolution, unanimously adopted, provided, and authorized a Finance Commission with full power, and assigned the task to synthetize, and to provide ways and means, and to adjust, liquidate, and settle the entire indebtedness of the Convention, its Boards and Departments, including that of our new Publishing House, at Nashville, Tennessee, and to supervise the handling and distribution of the current finance, and the financial transactions of the Convention.

The following were appointed members of the Commission: L. K. Williams, President, J. M. Nabrit, Secretary, A. M. Townsend, Secretary, Sunday School Publishing Board, L. A. Bowman, Treasurer, Sunday School Publishing Board, Wm. H. Haynes, Attorney, A. L. Boone, J. L. Campbell, J. H. Branham.

This Commission was confirmed by the Convention in its adjourned session in Louisville, Ky., in December 1933, and was organized with J. L. Campbell, Chairman, J. M. Nabrit, Secretary, L. A. Bowman, Treasurer, A. M. Townsend, Executive Secretary, W. M. Haynes, Attorney.

The Commission set itself at once to the tasks assigned. The survey of the indebtedness of the Convention, and of all its Boards and Departments together with that of the Publishing House ($481,298.04) showed the total intebtedness to be $670,599.87 as of January 1, 1934.

This $670,599.87 was divided into what was termed OPERATIVE indebtedness, and CONTINGENT indebtedness.

By Operative indebtedness, is meant what was owed by the Convention, its Boards and Departments, for current operative expenses.

By Contingent indebtedness is meant what the Convention, its Boards and Departments owed, and for which if unpaid, the Convention itself, would be liable.

Of this $670,599.87 indebtedness, $85,260.69 was classed as operative indebtedness and $585,339 18 was classed as contingent indebtedness.

HOW THE DEBT WAS PAID

The Operative Indebtedness, totalling $85,260.69 was assumed and paid by the Boards and Departments, respectively.

The Contingent indebtedness of the Foreign Mission Board, totaling $11,793.63, was assumed and paid by the Foreign Mission Board.

The Contingent Indebtedness of the Convention and of all the other Boards and Departments, in Amount $585.339.18, were adjusted and paid through the Finance Commission, backed up by the Sunday School Publishing Board.

HOW IT WAS DONE

Loyal churches and pastors, with loyal members paid their quotas in the March of Quarters.

State and District Conventions and Associations, Missionary Societies, Sunday schools, B. Y. P. U.'s, other organizations in large churches, and in small churches, and loyal individuals, paid their pledges made in the Classified Memorial Campaign.

Loyal employees of the Sunday School Publishing Board allowed cuts in their salaries, and deductions from their wages to make their contribution, and said "We started with you, have been with you all along your pilgrim journey, and you can count on us to the end.

Secretary C. C. Adams, hailed us and said: "The foreign Mission Board is loyal to the Convention, and the Sunday School Publishing Board has been most cooperative with us in our work,—if you need us, call on us." We needed him; we called on him; he answered the call, in a big way.

Blamiya & Co., Inc., of Atlanta, Ga., J. B. Blayton, President, and L. D. Milton, Secretary-Treasurer, said:

"Our business relations and transactions and experiences with you and the Sunday School Publishing Board, the Finance Commission, and the National Baptist Convention, U. S. A., Inc., confirm anew our confidence in you, and when you need our assistance in any way, call on us."

Four times, we needed them, and we called on them heavily; and they failed us not.

The Sunday School Publishing Board said: "Go to the limit."
President L. K. Williams, President D. V. Jemison, Secreatry Nabrit, and other officers and leaders, said: "You have the confidence of the entire constituency, and you will have our full backing and support."

The National Life and Accident Insurance Co., Nashville, Tenn., the holders of the First Mortgage on the Publishing House, in realization of how earnestly and promptly we had striven to meet all obligations as they fell due, and realizing the like emergencies that were existing with all like organizations,—in response to our appeal for assistance advised that the National Life and Accident Insurance Co., would accept $104.007.78 in full settlement of the $125,000 balance of the First Mortgage held by the Insurance Co., which was equivalent to a contribution of $20,992.22.

This challenge we accepted! 'Twas again that Blamiya, Inc. came to our rescue, and we got the money.

'Twas another transcending, inspiring event, and notable day in the history of the building, and paying the Debt on our New Publishing House, as well as an unparalleled occasion in the History of Negro Baptists, and the Race, when, on Thursday, November 5, 1942, at 10 o'clock, we met in the Directors' Room of the National Life and Accident Insurance Company, Nashville, Tenn., and after mutual exchange of congratulations, and appreciation

of the fine business relationship that had characterized all transactions and considerations in connection with this Loan over the years, we turned over to Cornelius A. Craig, Chairman of the Board of Directors, certified check No. 106, Finance Commission, N. B. C., drawn on Citizens Trust Co., Atlanta, Ga., for $104.007.78, dated November 4, 1942, and payable to the National Life and Accident Insurance Co., in full—Loan No. 2454, National Baptist Convention, U. S. A., Inc.

And, in turn, Orville C. Nugent, Assistant Secretary, National Life and Accident Insurance Co., turned over to us all papers held by the National Life and Accident Insurance Co., in connection with this Loan, and made the proper releases on the records at the Courthouse, Davidson, County, Tennessee.

Thus, closed all mortgages on the Morris Memorial Building—our Publishing House—Nashville, Tenn.

The Mortgage was burned amidst increasingly thrilling enthusiasm, and appropriate services in the Mortgage-Burning session of the National Baptist Convention, U. S. A., on Thursday evening, December 10, 1942—President D. V. Jemison, presiding.

It was the occasion of great rejoicings, thanksgiving, praise and inspiration.

It was historical, and the occasion of demonstration of Race and Denominational loyalty.

COMMENDATION AND APPRECIATION TO THE BUILDING COMMITTEE

'Twas at the meeting of the National Baptist Convention, U. S. A., Inc., in Baltimore, Md., September, 1925, when the Morris Memorial Building, our New Publishing House, at Nashville, Tenn., a modern fireproof six story magnificent building, fully equipped as a printing plant with furnishings and equipment throughout—a million dollar investment—was turned over to the Convention by Secretary A. M. Townsend, on behalf of the Building Committee, that the Convention upon the unanimous adoption of the report of a duly appointed committee, vociferously expressed its approval, commendation and appreciation to the Building Committee for the achievement in the management, construction and completion of our new Publishing House, at Nashville, Tenn., as follows:

REPORT OF THE COMMITTEE

To the Constituency of the National Baptist Convention, U. S. A., Inc:

We, your Committee appointed on Commendation and Appreciation to the Building Committee of our New Publishing House, wish to submit the following:

First: We regard the building of the Publishing House and the equipping of the same, the greatest achievement of any like organic group of Negroes anywhere in the whole world. It comes as a panacea for all of our religious and denominational ills, and a remedy for our maladies. Those who have had the immediate oversight and charge of this building and the financing of the same have wrought more wonders in a decade than was ever dreamed of in a century.

The idea of this huge and far-reaching task was conceived in the fertile minds of our fathers, some of whom now sleep the sleep that knows no waking, while their spirits go marching on. But it was developed and delivered, and now becomes a glorious realization and the pride of the whole earth wherever Baptist feet tread the soil by the Building Committee, the personnel of which we shall later speak.

In the language of Haggai we ask: "Who is left among you that saw this house in her first glory? (under the private ownership rule) and how do you see it now? Is it not in your eyes in comparison of it as nothing? The glory of this latter house is greater than that of the former." It stands as a queen in peerless grandeur, towering above everything that has gone before, and throwing her shadows down through the ages, defying the wisdom of Solomon and the wit and pluck of Nehemiah. We think the Convention would be very dull and derelict as well as ungrateful if we did not here and now express our sincere appreciation and grateful thanks to the matchless leader, sun-crowned and yet meek President, L. K. Williams; the unconquerable, invincible and business genius, A. M. Townsend; the intrepid, affable and sagacious scribe, R. B. Hudson; the eloquent and philosophic sage and wizard, E. W. D. Isaac; the shrewd and erudite jurist, S. P. Harris; the sturdy, sane and level headed commoner, Wm. Haynes; the watchman, seer, herald of Baptist principles and creator of public sentiment, J. D. Crenshaw; the pious, lovable, and businesslike, E. M. Lawrence; the masterful printer, E. T. Brown, who make up the personnel of the Committee.

Realizing as we do the magnitude of the task thrust upon them just a few years ago, and comprehending the untrained and unexplored regions over which they have had to travel, coupled with blasted hopes, and divided minds, lack of confidence and a state of indifference, made so by the stealing of the old Publishing House, together with false alarms, deception and intrigue like Sanballat and Tobiah in the days of Nehemiah, we have concluded that the days of miracles are not yet ended; and in the language of Jesus we say of the Building Committee, "Behold, a greater than Solomon is here."

COMMITTEE:

Rev. D. V. Jemison, Alabama
Rev. J. F. Walker, Ohio
Rev. E. W. Perry, Oklahoma

STATUS—THE BOND, OR REFUNDING NOTE ISSUE

(September 1, 1948)

At its meeting in Memphis, Tenn., September 1933, the National Baptist Convention, U. S. A., Inc., by Resolution, unanimously adopted, authorized a Bond Issue of Six Hundred Thousand ($600,000) Dollars as one of the means of refinancing and paying off the entire indebtedness of the National Baptist Convention, and its Departments, including that of our new Publishing House.

The issuance of this Six Hundred Thousand ($600,000) Dollars was in ten year Refunding Notes, bearing (5) per cent interest, dated April 2, 1934, and due April 3, 1944, in denominations of $10.00, $20.00, $50.00 and $100.00.

These Notes are Bearer Certificates in Coupon form, and interest payable semi-annually.

The following Bonds, or Refunding Notes were EXECUTED:

Denom.	No. Signed	Amount
10	3400	$34000
20	1300	26000
50	580	29000
100	300	30000
Total		$119000

The following Bonds, or Refunding Notes were issued:

Denom.	No. Signed	Amount
10	3277	$32770
20	1292	25840
50	566	28300
100	300	30000
		$116910

Total Executed	$119,000
Total Issued	116,910
Total Unissed	$ 2,090

These Bonds, or Refunding Notes fell due April 2, 1944, and payable at par.

Since neither the National Baptist Convention, nor the Sunday School Publishing Board, had available the funds ($116,910) for the redemption of these Bonds, authorized and empowered by resolutions adopted by the National Baptist Convention, U. S. A., its Board of Directors, and the Board of Directors of the Sunday School Publishing Board, we again sought the assistance, and were again fortunate in getting Blamiya, Inc., Atlanta, Ga., interested in negotiating a loan for us, for which a Note of $80,000.00 dated April 1, 1944, was executed, payable in sixteen (16) Quarterly payments of $5000.00 each, beginning July 10, 1944, with interest at the rate of four (4) per cent, per annum, payable Quarterly, on the unpaid balance.

This Loan is known as Loan No. 4, with Blamiya, Inc.

With the proceeds of this Note, and a Loan of $20,000.00 from the Foreign Mission Board, N. B. C., Rev. C. C. Adams, Secretary, secured through the intercession of President D. V. Jemison, which with the Sunday School Publishing Board, and the Finance Commission, the means necessary, ($116,910) were made available to redeem these Bonds, or Refunding Notes.

Some persons are filing claims for payment of Bonds, or Refunding Notes that have been misplaced, lost, strayed, stolen, etc.

Our records show to whom these Bonds were issued, the amount issued, etc.

If, upon checking the records it is found that the Bonds have not been sent in for redemption, upon the claimant's furnishing us a Lost Instrument Indemnity Bond, in keeping with the requirements, said claim will be paid.

SECOND—Our records show that there are persons who subscribed for these Bonds, and who made part payment on their subscription, but failed to pay out a lowest denomination of $10.00. The amount paid is on such subscriptions will be returned to the subscriber, and without Interest.

Although we do not have to do this, since the subscriber did not keep his agreement, or contract, we are, however, of the opinion, that it is but fair to the subscriber, who had good intentions when he subscribed for a Bond, that we return to him the amount paid in.

This will show our Christian spirit, and spirit of appreciation to the subscriber in his cooperation and effort in helping to pay the Debt.

The Auditor has been requested to close this Bond Issue of the 1934 Series, and that the records be adjusted, and all transfers be made to the proper channels, etc., and thereby relieve the retiring Finance Commission.

A WORD OF APPRECIATION

OUR PUBLISHING HOUSE IS BUILT THE DEBT IS PAID!!

"Somebody said it couldn't be done;
But we, with a chuckle replied
That maybe it couldn't, but we would be one
Who wouldn't say so till we tried.

"So we buckled right in with a trace of a grin
On our face. If we worried we hid it.
We started to sing as we went at the thing
That couldn't be done, and we did it.

"Somebody scoffed, 'Oh, they'll never do that,
At least no one ever has done it.'—
But we took off our coat and took off our hat
And the first thing we knew we'd begun it.

"With the lift of our chin and a bit of a grin,
Without any doubting or quibbling,
We started to sing as we tackled the thing
That couldn't be done, and we did it.

"There were thousands to tell us it could not be done,
There were thousands to prophesy failure;
There were thousands to point out to us one by one,
The dangers that awaited to assail us.

"But we buckled right in with a bit of a grin,
Then took off our coat and went to it;
We started to sing as we tackled the thing
That couldn't be done and we did it."

Matters not how it was done, we "done it." And on yonder spot, where once Negro slaves were bargained and sold as chattel, now stands a beautiful, imposing, modernly equipped Publishing House, the cynosure of all eyes that behold it, owned, operated and controlled by Negro Baptists, as represented by the National Baptist Convention of the United States of America, Inc. Yonder it stands, towering toward the blue vaulted sky, and from whose flag pole floats "Old Glory," unfurling its stars and stripes to the gentle breezes, expressive of freedom; and within its walls the clicking of the machines, and the humming of the presses are singing praises to him who broke from the ankles of Negroes the shackles of slavery and set them free; and from there is being sent forth daily the printed page carrying out the command of our Lord and Master when he said, "Go ye into all the world, and preach the gospel to every creature."

And now, may we "mark time" here, long enough to pass a meed of praise and a bouquet of forget-me-nots to those whose cooperation, whose confidence in our sincerity and honesty, whose loyalty imposed in us as the one in the lead, so often dispelled the gloom, caused the overhanging clouds to rise, revived our hope and riveted our determination to forge ahead toward the accomplishment of the huge task:

1—To a sainted mother, who brought a son into the world for such a time as this; for her Christian fortitude and her abiding faith in God, and who kept us, in her prayers, ever before a throne of grace.

2—To a sainted father, pioneer minister and educator, whose confidence in his son, and the possibilities of the denomination, chanced the loan of his meager savings of a lifetime—his only dependence in his feeble and declining days, that the work might be kept going.

3—To a beloved, faithful and devoted wife, who shared with me every anxiety and torture of my life in leadership, I give the credit for the sustaining strength of my physical endurance and forbearance, for she saw to it that I had appetizing, assimilating and vitalizing foods; which accounted for my losing no flesh, for my nerves remaining steady, my spirit calm, my disposition sweet, my appetite good, and for my sleeping well every night.

And then further, I was innervated by her constant reassurances that sink, or swim, live or die, survive or perish, she would be found right by my side to the end.

4—To the "Memorial 300," who in times of doubt and discouragement, demonstrated their faith and loyalty by giving One Hundred Dollars each to secure the site on which the Publishing House now stand.

5—To the sainted T. C. Windham, the Baptist Layman, the Contractor, who built the Publishing House, and financed the Second Mortgage, whose entire earnings of a lifetime, both in accumulations, and commercial and financial integrity, were put upon the altar for our sake; and without whom we would not have a Publishing House.

6—To McKissack and McKissack, the Architects, who kept keenly interested in the progress of the building and kept constantly on the job from beginning to the end.

7—To the Building Committee: L. K. Williams, E. M. Lawrence, R. B. Hudson, S. P. Harris, E. T. Brown, Wm. Haynes, E. W. D. Isaac, J. D. Crenshaw, and A. M. Townsend, who stuck together, and worked until the task was completed, all of whom have been crowned, except E. T. Brown, and A. M. Townsend—the only two left.

8—To President L. K. Williams and D. V. Jemison, and Secretaries Hudson and J. M. Nabrit, the man at the helm;

9—To Attorney Wm. Haynes for his cooperation and advice in disentangling our legal problems and complications.

10—To my yoke-fellows—the Officers and Board of Directors: W. R. Murray, J. R. Evans, L. A. Bowman, M. C. Durham, T. D. Howard, A. D. Bell, A. L. McCargo, C. H. Thorn, R. C. Barbour, who stood hard by.

11—To the faithful, loyal and unrequited Employees of the Sunday School Publishing Board, who almost made the supreme sacrifice out of their meagre earnings, from the tearing down of the old Commercial Hotel to the burning of the Mortgage.

12—To our Branch Managers and Distributing Agents, who did heroic work corralling and reclaiming Sunday schools, and turning them to our patronage.

13—To Mrs. R. T. Sims, Mrs. Mary H. Flowers, Mrs. Cora Stratton, Mrs. Mollie Mayberry, Mrs. Charity King, whom we know made sacrifices and entrusted to us their personal savings from meagre earnings, to help us out in crucial and uncertain times.

14—To Ira T. Bryant, Chas. H. Thorn, L. D. Milton, J. B. Blayton, E. T. Brown, S. H. Nesbit, E. W. D. Isaac, for coming to our rescue in securing and advancing means to tide us over financial rough places in the road.

15—To L. A. Bowman—who came to us for such a time as this, and has been my dependable yoke-fellow in financial tribulations. Who not only put on the altar and kept on the altar, his material holdings, but also his commercial rating and influence, the use of which as collateral securities, helped us to meet financial emergencies and avert financial crises.

16—To Peoples Bank and Trust Co., Nashville, J. B. Singleton and W. D. Hawkins, Presidents.

To Douglas National Bank, Chicago—Anthony Overton, President
To Solvent Savings Bank, Memphis—T. H. Hayes, President
To Citizens Trust Co., Atlanta, Ga., L. D. Milton, President
To Foreign Misston Board, N. B. C., J. E. East and C. C. Adams, Secretaries,

To Grand Lodge Knights of Pythias, Alabama, R. A. Blount, G. C.
To Mosaic Templars, Arkansas—S. J. Elliott, G. M.
To Endowment Association A. F. and A. M., Tenn., S. M. Strayhorn, G. M.

All for their confidence in the National Baptist Convention and its leadership, as evidenced in the large and substantial loans granted to keep the work going.

17—To President S. Willie Layten for her lead in the Campaign among the women, coming to the rescue of the Publishing House.

18—To the Publishing House of the Woman's Auxiliary Convention, Mrs. Ida A. Drew, Chairman, Mrs. Willa A. Townsend, associate Chairman, Mrs. Mary H. Flowers, Secretary, for their loyalty and zeal in the raising of monies for the Publishing House.

19—To Mrs. J. C. Mapp, our Associate Promotional Director in the Campaigns, for her arduous and unrequited service, and sacrifices in carrying out successfully every task assigned.

20—To the loyal and sacrificing General Campaign Workers, who climbed the mountains, traversed the valleys, canvassed city and dell selling the Publishing House, the Sunday School Publishing Board, and the National Baptist Convention, and who in the main, are responsible for the huge success of the Campaigns—they are W. B. Fleming, E. M. Lawrence, Mrs. J. C. Mapp, S. D. Ross, S. M. Weaver, S. M. Lee, W. H. Moses, F. P. Phillips, J. W. Whitfield, Mrs. Edna B. Bronson, Mrs. Alpha O. Moseley, Mrs. Mayme B. Jones, Mrs. Ida A. Drew, Miss Primrose Funches.

21—To the National S. S. and B. Y. P. U. Congress, Dr. W. H. Jernagin, President, that purchased thousands of dollars of the Bonds or Refunding notes, National Baptist Convention, U. S. A., Inc., 1934 series and then turned these Bonds in as its contribution in the Mortgage Burning Session at Nashville, December, 1942.

22—To thousands of Pastor, Churches, Sunday schools, B. Y. P. U.'s, Conventions, Associations, other organizations and Individuals, who responded to every appeal, and played their part, both in the building and paying for the Publishing House.

23—To the Finance Commission—L. K. Williams, J. M. Nabrit, J. L. Campbell, A. L. Boone, J. H. Branham, L. A. Bowman, Wm. H. Haynes, D. V. Jemison, A. M. Townsend, who worked harmoniously in performing successfully the tasks assigned; namely, to provide the ways and means to liquidate the indebtedness of the Convention, its Boards and Departments, including that of the Morris Memorial—our Publishing House.

Williams, Nabrit, Boone, Branham, and Haynes have been crowned. Campbell, Bowman, Jemison and Townsend are left and are awaiting the call.

24—To the late Editor R. C. Barbour for his appeals and Campaigns through the National Baptist Voice, crying aloud to the people telling them their duty to help build and pay for their own Publishing House, and their duty to patronize and support the Sunday School Publishing Board, which is charged with the responsibility of getting out and the distribution of the Sunday school literature, religious publications, and standard song books for our great Denominational constituency.

25—To the National Life and Accident Insurance Co., C. A. Craig, President, with Home Office at Nashville, Tenn., for the unparalleled assistance given us, in the refinancing of this building upon its completion in 1925, in a loan of $250,000.

This was in marked evidence of the confidence which the National Life and Accident Insurance Co., had in the National Baptist Convention, and its leadership, and this is more striking in the renotation that this loan of $250,000 was far in excess of any loan that the Company had ever made to anybody, and anywhere.

And second, for the liberal consideration of around, $25,000 in the final payment of this loan in appreciation of the splendid prompt businesslike procedures that had characterized all of our financial transactions.

26—To the many interested and loyal Bond or Refunding Note holders, who gave and turned in their Bonds, as a Memorial Mortgage-Burning Contribution. These contributions too, will be a part of the Memorial record.

Finally, we wish to pay added tribute to the thousands of others, whose names we cannot here give, but who will be recorded in the Memorial History of the building and the paying for the Publishing House, whose loyalty, cooperation and support made the achievement possible.

THE TASK BY NO MEANS WAS AN EASY ONE. Suffice it to say, that at times, the clouds of despondency swung low; at times seeming failure stared us in the face; at times we felt deserted; at times hope was almost dead, and we would all but give up in despair.

We saw the lightning flash, and heard the thunders roll! the pathway at times was dark and dreary; o'er marsh, through briar and bramble, over rugged hilltops, through dark and gloomy glen, and ofttimes we knew not which way to go.

Yes, we confess, we made errors in judgment, which means that we are human.

We made mistakes and miscalculations, which means that we are not infallible; malicious charges were made and almost everything has been said about us, which means we were succeeding; we have accomplished some things in our own way, that in the opinion of others, they would not have done, which means we had confidence in ourselves; we did some things that others thought we ought not have done, which means we had convictions of our own as to what was right; we were severely criticized, even by those close up in the ranks, all of which we know is the penalty all sacrificing, successful leaders must pay.

However, in all, and through it all, we enjoy the complete satisfaction in our own conscience and soul, that our heart is right, and our motives pure, and that we have done our BEST, our VERY BEST.

The Contractors, the Mortgages, the Material and Supply firms, the Financiers—all say, that they have never had dealing with a cleaner and more business like set of men in their business experiences and career. That they found us to be absolutely HONEST in all transactions.

Ah! we would rather have that said about us, than to have all the encomiums of praise lavished upon us; or even all the wealth of the National Baptist Convention rolled down at our feet.

For leadership in the task, and for the work done, the Convention owes us NOTHING. We rejoice in the opportunity thus to serve our great Denomination.

The only HONORARIUMS that would be acceptable, are your Good-will, your Prayers, your Best Wishes, for me and mine.

And now, Mr. President, your Finance Commission comes back to you with the job completed, you sent us out to do in Memphis, Tenn., September 1933, viz: to synthetize, and to provide the ways and means, and to adjust, liquidate and pay off the entire indebtedness of the Convention, its Boards and Departments, including that of your new Publishing House, at Nashville, Tenn.

We have done our best—our very best, and we are only asking for an honorable discharge.

And now, we take pleasure in handing over to you a modern, fire-proof, six-story magnificent building—the Morris Memorial Building—the Home of the Sunday School Publishing Board, standing on the Corner Fourth Ave. and Cedar St., Nashville, Tenn., fully equipped as a modern printing plant, and with furnishings throughout, and recently repaired at a cost of $90,000, in: putting on new roofs, cleaning outside walls, cleaning and decorating interior; the installation of two new stokers, increasing the facilities of the hot water system; the installation of a cooling water system; the putting in of two passenger elevators; the repairing of the freight elevator, etc., and all PAID FOR.

We are turning over this building with all Mortage and Bonded Indebtedness paid, and satisfied, including the Bonds or Refunding Notes of the National Baptist Convention, U. S. A., 1934 Series; with Fire Insurance of $780,000 on the building, furniture and fixtures, machinery, stock paper, etc., paid up for five (5) years, thereon.

With all Taxes paid, and representing a One and a Half Million Dollar Investment.

All owned, operated and controlled by the National Baptist Convention, U. S. A., Inc.

"What God hath joined together, let not man put asunder."

Very sincerely yours,

MINUTES OF EXECUTIVE COMMITTEE

New Hope Baptist Church

Houston, Texas, September 7, 1948

The Executive Committee was called to order at 4:00 o'clock for the transaction of business by Vice-president Hill. Hymn, "Jesus Keep Me Near the Cross," was sung, after which members of the committee responded to roll call. The secretary called to the attention of the members of the committee the method used in the reporting of donations to officers and workers of the Woman's Auxiliary, and suggested that in the future donations be reported by their rightful names. Mrs. Gibbs, Mrs. Rush, Mrs. Frye and Miss Burroughs spoke of the disastrous results of calling the donations made to the corresponding secretary, a salary. A committee, namely, Miss Burroughs, Mrs. Rush, Mrs. Gibbs, was appointed to confer with the proper authorities in working out the matter concerning the donation given to the corresponding secretary.

The committee recommended the following as annual donations to officers: (See Budget of 1948-49):

To President Layten—$150.00 per month—office expense (Special).

To 1st Vice-president—$500.00 per year (special) as acting president.
To 2nd Vice-president—$300.00 per year.
To Corresponding Secretary—$100.00 per month, paid annually.
To Recording Secretary—$600.00 per year.
To Asst. Recording Secretary—$100.00 per year.
To Treasurer—$600.00 per year.
To Historian—$25.00 per year.

To Western Director, Y. P. $150.00 per year.
To Southern Director, Y. P.—$75.00 per year.

It was recommended that the Convention pay the withholding tax of the corresponding secretary.

It was recommended that a committee; namely, Miss Burroughs, Mrs. Rush, Mrs. Gibbs work out a suggested percentage donation for committee chairmen and workers.

The meeting was adjourned.

MRS. V. T. HILL, Vice-president, presiding
V. L. PENICK, Recording Secretary

MEETING OF BOARD OF DIRECTORS

Houston, Texas, September 7, 1948

The meeting of the Board of Directors was called to order by Vice-president Hill in the Mt. Hope Baptist Church. Mrs. A. H. Officer, Illinois, upon request of the president, led in singing, "Draw Me Nearer," and offered prayer.

Reading of minutes of the June Board Meeting by the secretary. By vote, minutes were approved.

Letter of greeting from President Layten was read, and the corresponding secretary was asked to send letter of greetings in reply to same.

Report of the Executive Committee recommending donations for officers was submitted by Secretary Penick. A motion was made that recommendations be approved. An amendment was offered by Mrs. L. A. Lambert, Illinois, that the Director of the Young People's Department be given an annual donation of $250.00. An amendment to the amendment was offered by Mrs. Sallie C. Wade that $300.00 per year be the donation to the Director of Young People. Discussion on the amendment was participated in by Miss Burroughs, Mesdames H. B. Jones, L. A. Lambert, E. B. Bronson, G. E. Rush, H. M. Gibbs, A. H. Officer, B. N. Carter, Misses H. M. Kimball and P. Funches. By vote, the amendment to the amendment was adopted, motion being made by Miss Burroughs and properly seconded. Motion to adopt recommendations passed.

Mrs. E. D. McGowan spoke on the matter of support of the National Trades and Professional School at Washington, and urged the women to make a more enthusiastic beginning of their efforts for the school in this annual session.

Announcements were made. The Mizpah was repeated in unison and the meeting adjourned.

MINUTES OF BOARD MEETING

Houston, Texas, September 10, 1948

The Board of Directors met with Vice-president Hill presiding.

The first item discussed was the program. Vice-president Ross stated that the program for the annual session had been changed after it had been voted upon. The following named persons expressed themselves on the matter: Mesdames A. H. Officer, M. J. Brockway and G. E. Rush. Vice-president Hill suggested if there were defects in the program, the mistakes should be pointed up so that correction on same might be made and future errors avoided.

Mrs. E. D. McGowan made the motion, seconded by Mrs. I. A. Drew, which passed, that the president authorize the corresponding secretary to notify all state presidents as to the revision of the Constitution.

Vice-president Hill requested Miss Gibbs and Vice-president Ross with someone from the Young People's Department to make the report to the Parent Body. Mrs. Gibbs stated that the corresponding secretary had been making the financial report for the Woman's Auxiliary.

Miss Burroughs stated that not for ten or twelve years had she made any report; that her duties and privileges had been withdrawn or usurped, and that she had nothing to do with the financial transactions or the report.

Mrs. Gibbs stated and advised that whatever rights belongs to the corresponding secretary had been usurped should be restored in their entirety.

Mrs. E. M. King cited the inconsistency in having Miss Burroughs, Mrs. [illegible] and Mrs. Ross wait for the report to the Convention of the Finance Committee.

Mrs. E. D. McGowan made the motion that the recording secretary make a daily report of the proceedings. The motion passed.

Mrs. I. M. Coggs asked a question about badges and enrollment for same, and Mrs. Gibbs explained that the $10.00 enrollment fee entitled the delegate to a badge, and the representation fee paid by the states entitled to vote.

Miss Burroughs spoke on badges and said to the Board that until the Convention accorded to the corresponding secretary the duties of her office the matter of badges would never be adjusted. She suggested because of the time element and the scheduled meeting of the Young People, the meeting be closed.

A motion was made by Mrs. F. J. Haynes, seconded by Mrs. I. M. Coggs and several others, that all the duties of the correspondnig secretary be restored to that officer and that said duties be assumed as heretofore. Motion passed.

Vice-president Hill, Mrs. E. D. McGowan, Mrs. W. L. Ransome and Mrs. L. E. Phillips were requested to find a location for the Board meeting on Saturday.

The Mizpah was repeated and the meeting adjourned.

ANNUAL ADDRESS

PRESIDENT S. W. LAYTEN, Houston, Texas, September, 1948

To my dear co-workers:

I shall have to say very much as I did when the Convention met in Kansas City, Mo., that whenever you meet once in Kansas and drink the water, you will have to come back again.

We have met five times in Texas, and this, I think, is the third time in Houston. We have drunk the water and have to come back again. Houston is a great city.

A few weeks ago, "Life" wrote up an article on Western culture under "Man Made Landscapes." It stated that the growth of Houston was so rapid it could be described as "explosive Houston." "Five generations ago the American West bore only such scars as the working of wind and water gave it. Houston, writhing with the delight of growing up, flexes its muscles and feels that one day soon it will have no rival in all the Southwest." It teaches our people the value of considering small things. Five-and-ten-cent stores seem to us very cheap, but they are sometimes the most expensive stores to buy from. A nickel and a dime have made a multi-millionaire of Woolworth. So wealthy is this firm, that it was able to buy ground from a Presbyterian Church in Houston at a cost of $2000 an inch. Would that we could learn the value of small things.

We hope our Convention here will prove to be the best we have ever had. I regret more than I can express, my inability to be present at this meeting, but my health will not permit, and my doctor positively forbids. Go on, girls, in the name of the One you serve. Do your best. Think of me and pray for me, and I will pray for you. I believe that God will permit us to meet again at the Mid-Winter Board Meeting, and I am looking forward to that. I have requested Secretary Vivienne Penick to read this to you. It may not be as full as some of my addresses, but when you study it carefully, you will see that it is practical and useful. When we understand ourselves, we can work better.

Speaking about conferences, I desire to state that your president called a conference for June 1 to discuss measures pertinent to our Convention. I regret that all of those invited could not attend, but those present got a great deal of help and information, as did your president. I think Vice President Hill and President Layten had a thorough understanding of their relations and loyalty to each other, and support of their various duties. I am depending largely on Vice President Hill to carry out the recommendations in this annual address.

Departments

More and more I am convinced that we should give our departments and committees more careful and intensive study, for they are the means through

which the success of our Convention is accomplished. We have a very large constituency, and our real aim is to give every woman something to do through committees, even if we should increase them. We are making plain the objectives of our Convention, ways in which we can support these objectives, and creating plans through which the women can work according to their preference. If any committee is not commented on under this phase, the fault is not mine. I am commenting upon those who have sent me reports regarding their work. All committees should do this throughout the year, considerably in advance of the Convention. It does make it very hard on the constituents to analyze appeals and support them when they come out all at once just a few weeks before the Convention. Discussions and plans of the work of the committees should be presented to us not later than the midwinter Board Meeting. This is a most important meeting because we have more time to discuss and ask questions about our work, etc.

Home Missions

The Home Missions Department, through Rev. T. T. Lovelace, Executive Secretary of Home Missions of the National Baptist Convention, and Mrs. J. M. Coggs, Chairman of the Home Missions Committee of the Woman's Convention, have been writing me throughout the year about the advisability and benefit of teaching their work through visual education. If they have some definite plan to submit at this Convention, I wish it would be considered and carried over to the midwinter Board Meeting, when I expect to be with you. It appears to me a very fine method of giving information and creating interest in this department, and I hope our Woman's Convention will see its way clear to co-operate and help the Home Missions Department in putting the work over. I am laying this before you for your consideration.

Mrs. Coggs is reviving our S. W. Layten Dinner. I hope you will help her in her effort.

Foreign Missions

Dr. C. C. Adams, Corresponding Secretary of the Foreign Mission Board, is always alert. His remarkable business genius keeps the missionaries paid in advance. He has fine plans and a broad vision of what should be done in Africa to support our work and help it. This year, we have one of the finest prospects to present to you we have ever had. I am quoting just what Dr. Adams wrote me:

"The time has come when we must make some definite forward steps at the hospital in Monrovia, Liberia, an institution in which your Convention played the leading role in establishing years ago. This time has come that we must have a physician, and we are now able to secure one of the finest physicians in America, Dr. Daniel Wilson, of Philadelphia. We must furnish him with salary and living quarters commensurate with his services as a great physician and surgeon. Plus this, plans are underway for the reconstruction and enlargement of the hospital building. Therefore, I am especially requesting that the Woman's Convention would devote their special Foreign Mission interest to the support and development of this hospital. Our gifts must be much larger in the future than they have been to meet both the high price of everything and the expansion of our work."

I think, excepting only Dr. Pauline Dinkins, who opened the hospital, we have not had such a fine person to present to you as we have in Dr. Daniel A. Wilson. Dr. Wilson is an expert physician and surgeon, a man of indisputable character, and desirous of working in Africa. I hope we will send

him over and take the best of care of him. I think he will do us good. I also want to state that Dr. Wilson is my personal physician. I am making a sacrifice of my health and strength in giving him up, but God's work must be first.

Mrs. W. B. Thomas, who has so willingly and successfully carried on the work of Mrs. Maxwell during her illness, will become much interested in this matter of supporting Dr. Wilson. We shall expect some very fine plans from Mrs. Thomas.

Christian Education Courses

This department is rendering us a great service—it is keeping our magazine, "Star of Hope," up to the mark. The information given about special days, calendar data, etc., is both instructive and inspiring.

Mrs. Bronson has issued a booklet, which your president has not had time to read thoroughly, but will give a review of it at the Midwinter Board meeting.

Mrs. Ross is doing splendid work, emphasizing family week and fellowship days. I hope our readers appreciate the things these women are doing. Our second vice president is laboring hard to impress the importance of religious teachings in our families.

Mrs. E. Wilson, Historian, has issued a very fine appeal. We think Mrs. Wilson is unexcelled in her line of work.

Mrs. Mamie Jones is developing into a wonderful statistician of the Woman's Convention. She has labored hard and has secured thousands of names of district associations. We again recommend that Mrs. Jones have this list published and turned over to the Convention. It is not only a mark of our work, but of her value to us as a denomination.

Library Committee

Sister McGowan assumed the development of this committee under very trying circumstances. Its work is much needed. We think she is succeeding admirably as an apostle in a new field. We desire that you should respond liberally to Mrs. McGowan's appeal to furnish our Training School in Nashville with a splendidly equipped library.

Last year in Kansas City, it was recommended that Mrs. Haynes should succeed Mrs. Rilla Johnson as Chairman of the Committee on New Bodies. In some way the proper publicity was not given. We thank Mrs. Thomas for holding this work together until the new appointment was made.

Business and Professional Women

The Business and Professional Women, under the direction of Miss Pansy Borders, are having their annual breakfast, with Mrs. Mary Wood as speaker.

Miss Burroughs is receiving the hearty support of her state.

Dr. Talley, Dean of Religious Education, has issued a most interesting and instructive leaflet on the courses to be considered in Houston. Dr. Talley also thinks of presenting to his corps of teachers a treatise on Sex.

Mrs. Brockway, Chairman of the Committee on Revision of Constitution, Secretary Penick and the President are ready to present the Constitution for another consideration at this meeting.

Mrs. Mary Hubbard, President of the North Carolina Woman's Convention, attended the UNESCO and reports she thinks it is worth-while for the Woman's Convention to keep in touch with that movement. 'We should be ready' to support the charter which the San Francisco Conference produced.

The President, Dr. Mattie G. Anderson, and Dean E. L. Bohannon are working hard and have brought our school up to the standard. If you do not believe it, send to Dean Bohannon and get a copy of "The Torch," a student paper. See the women who have labored in this school, get a report from the students and be proud you are part of an organization which is training young women for Christian service.

Miss Funches is planning to give her annual tea for the benefit of the Pantry Shower. This meets the approval and co-operation of Mrs. Etta Versa Pryse, who is so well directing the work of the Young People's Department.

Although I have not heard from Mrs. Winston, I know she is doing her part to make the Young People's Convention a success in Houston.

Mrs. Clora Baker, of Chicago, who was appointed Chairman of the National Trades and Professional School in Washington, came to see your president and had a conference with her about her work. She is also planning to see Dr. Jemison. She is going at her work in the right spirit and we wish her every success.

Mrs. Lucille Powell, Chairman of the State Directors, is pushing a new plan this year and hopes to make a report in Houston.

Mrs. Hattie G. Wells, Chairman of Arts and Memorial Committee, I think, presented her program at the midwinter Meeting in New Orleans. I hope the presiding officer will give her an opportunity to speak of her work again.

First Vice President Viola T. Hill will do everything she can to carry out her program.

Mrs. Madeline L. Tillman, of the Department of Welfare, regrets that she cannot be present, but she is depending upon Mrs. Ida Henderson to carry the program out, and has asked Mrs. E. M. King, a member of this committee to serve in her place.

We would not close this column without commenting on the valuable service Dr. Townsend is rendering the women, and also the fine service Mr. Bennett is rendering as Business Manager. We know our dear President, Dr. Jemison, is taking interest in what the women are doing.

Conclusion

The theme of the 1948 Annual Meeting of the Home Missions Council of North America, "The World at Our Door," is timely. As never before in modern history the Christian mission in the world is one mission. There are variations that must be recognized in the administration and application of the program, but it is in the end one and the same mission—**the salvation of people.**

Our country has a unique function in this world mission. Our country is the world in a sense that no other nation is. All the peoples, nations and races are here in greater proportion to our population than in any other country.

God has given us an opportunity unparalleled elsewhere. God seems to be trying to bring forth on this continent a new people, a new brotherhood of man, a new unity of the human race.

In my concluding remarks there is much transcription and borrowing of words and phrases from articles I have recently read, and maybe you have read them, too; therefore, I beg no pardon for giving to you that which has helped me and I hope will help you.

"In the begining God created the earth, and God saw that is was good."

As we begin our thinking together, we shall do well to place an emphasis upon the God-created goodness of the earth.

The good earth gives us everything. We ourselves came from the earth and shall return to it.

Not only the food we eat, but the water we drink, the clothes we wear, the houses that give us shelter, the fuel that gives us warmth—these all are of the earth. Nor is there anything modern that is not of the earth. The newspaper is of the earth, so are the moving picture and the radio. The steam engine and the automobile are of the earth. So, too, is the airplane which hurls itself apart from the earth, nonetheless of it and has no meaning apart from it. The airplane suggests aspects of the earth that are ominous rather than good. The bomber and the battleship, guns and torpedoes are as much of the earth as are an altar and its cross.

"To You All:" The descendants of the founders of our nation, I shall first pay tribute to a group hardly ever recognized under this category.

"To You All:" The black horny-handed sons and daughters of toil, who did all the hard work, who levelled the mountains, dredged the rivers, felled the forests, dug the mines, builded the bridges, raised the crops, hoed the cotton and corn and preserved what culture the South developed by taking care of the home and rearing the family.

And now, to you: The descendants of the farmers of our nation, the last comers to our shores, the youth carrying the issues of today, the child inheritor of the United States, to you, our government:

> And to all other nations who come to our shores:—
> Under all our flags we ask your consideration of a united world.
> Romans 6:24, 25, 26:
>
> "The Lord bless thee, and keep thee:
> The Lord make his face shine upon
> thee, and be gracious unto thee:
> The Lord lift up his countenance
> upon thee, and give thee peace."

1948 REPORT

— OF —

MISS NANNIE H. BURROUGHS

Corresponding Secretary of the Woman's Convention, Auxiliary to the National Baptist Convention, Inc.

MADE AT

HOUSTON, TEXAS—SEPTEMBER 9, 1948

OFFICERS AND MEMBERS OF THE WOMAN'S CONVENTION, AUXILIARY NATIONAL BAPTIST CONVENTION

FRIENDS OF THE CAUSE OF JESUS CHRIST

This is the second time, in the history of the Woman's Convention, that we have held our annual meeting in the city of Houston—1912 and now in 1948.

We have met in three other cities in your fair state—Austin, in 1904—Forth Worth, in 1926 and Dallas, in 1944. Texas women were most active in the years when we were laying the foundation and rearing the superstructure for a great national organization.

Today, their devotion and faith are still anchored in this Convention and their animating, exhaustless strength will help us attain new heights in service and deeper devotion to our united task.

We open our 1948 report with a prayer. Walter Rauschenbusch prayed it "For This Universe"—

"O God, we thank thee for this universe, our great home; for its vastness and its riches, and for the manifoldness of the life which teems upon it and of which we are part. We praise thee for the arching sky and the blessed winds, For the driving clouds and the constellations on high. We praise thee for the salt sea and the running water, For the everlasting hills, for the trees, and for the grass under our feet.

We thank thee for our sense by which we can see the splendor of the morning, and hear the jubilant songs of love and smell the breath of the springtime.

Grant us, we pray thee, a heart wide open to all this joy and beauty and save our souls from being so steeped in care or so darkened by passion that we pass heedless and unseeing when even the thornbush by the wayside is aflame with the glory of God."

Yes, in spite of wars and rumors of wars, in spite of man's inhumanity to man, our God is marching on. Therefore,

"I sing the song of a new Dawn waking,
A new wind shaking the children of men.
I say the hearts that are nigh to breaking
Shall leap with gladness and live again.

"Sing, oh, sing of a new world waking,
Sing of creation just begun.
Glad is the earth when morn is breaking—
Man is facing the rising sun!"

Without this faith, Christians—you who have come to Houston from every section of this country, have no message for the world and no future for yourselves.

"If you have faith in God, or man, or self,
Say so; if not, push back upon the shelf
Of silence all your thoughts till faith shall come;
No one will grieve because your lips are dumb.
Talk faith. The world is better off without
Your uttered ignorance and morbid doubt."

There is only one way that Christians can help or lead the world in a time such as this. They must have Fajth in God, in man and in themselves.

FAITH—yes Faith—such as the heroes in the eleventh chapter of Hebrews had when they "subdued kingdoms, wrought righteousness, obtained promises, stopped the mouths of lions, quenched the violence of fire, escaped the edge of the sword, out of weakness were made strong, waxed valiant in fight, turned to flight the armies of the aliens."

No faithless, godless glory and honor-seeking generation can make a new earth nor prepare the way for Christ to come down and give us his new heaven. We Christians have but one goal. We will be a long time attaining it, but we must work as if the Kingdom of God on earth were in sight.

Our common aim must be for the common good for black and white alike. This ungodly war of race against race must cease in America and around the world. All mankind must join hands and work for a common brotherhood.

Tell the world its brotherhood or "bust." America must attempt the thing that up to now has been the most difficult thing for her to do. SHE MUST BE JUST.

Our Study Class

"Great is the company," the Study Class conducted by this Convention from 7:30 to 9:30 every morning numbers 1600. Christian women, whose major purpose for coming to our Convention year by year, is to be enlightened, refreshed and stimulated for more devoted service.

The faculty is one of the best prepared groups of men and women doing regular service for any Convention and on such a large scale, and in such a selfless way. Only those of us who are privileged to work close to them sense the beauty and greatness of their spirit.

Highly trained, deeply cultured, profoundly interested, they are giving the denomination a quality of service that cannot be surpassed.

The National Baptist Convention Votes to Restore Its Relationship to the National Trade and Professional School

The delegates here assembled have been officially informed that the National Baptist Convention, in its session at Kansas City, accepted the recommendation of President D. V. Jemison that

"We rescind the motion made (in 1938) to withdraw from the National Trades and Professional School at Lincoln Heights, Washington, D. C., with Miss N. H. Burroughs, President, and that we RESUME the SAME ATTITUDE in our SUPPORT to the said institution."

This recommendation passed unanimously in a packed session of the Convention, Wednesday morning, September 10, 1947. Dr. Marshall L. Shepard is the Chairman of the Committee of five appointed to work out details of this recommendation.

His Committee reported same to the National Baptist Board of Directors in New Orleans on Wednesday, February 4, 1948. The Board of Directors approved the report, and adopted a plan, submitted by President Jemison, for collection of special contributions for education to be reported at the annual meeting of the Convention and allocated among several schools, including the National Trade and Professional School. That, of course, will be the Convention's contribution to the regular operation of the school.

Thank God and our brethren for closing the breach. Forgetting the things that are behind, we press forward.

It was too late after the Board meeting in New Orleans to have a full meeting of the Board of Trustees of the school, but they have been advised as to the action of the Convention, and will meet in November to plan to carry on the work of the school as they did before the withdrawal in 1938. The first Financial Report will be made to this Convention in 1949.

Suffice it to say that in 1938 when the Convention withdrew all support, the school was in debt. In this year of our Lord 1948, we are debt free and in the midst of a Campaign to raise $200,000 for a program of expansion.

The Board of Directors of the National Baptist Convention confirmed the appointment of Dr. Carl Q. Hickerson, Washington, D. C., as Special Director of the Drive, and the Executive Board of the Woman's Convention confirmed the appointment of Mrs. Clora M. Baker, of Chicago, Illinois, as the National Chairman of its standing committee for the school.

During the ten years of separation, the Trustee Board never removed the names of the Trustees that were on the Board when the withdrawal order was issued in 1938. They are: Dr. Walter H. Brooks (now deceased), Mrs. Sarah Fisher Brown, Miss Nannie H. Burroughs, Mrs. Fannie Cobb Carter, Mrs. J. M. Amos Chism, Mrs. Viola Hill, Mrs. E. M. King, Rev. Wendell Liggins, Rev. J. C. Love, Mrs. E. D. McGowan, Rev. A. Clayton Powell, Jr., Rev. I. A. Thomas, and Mrs. M. G. Valentine.

We believe God has been with us in this work through all the years, and that He is saying to us now what He said to Moses: "GO FORWARD!" Our leader, Dr. D. V. Jemison, says "Get together." The National Baptist Convention is all out to make an intensive Drive for Christian Education, such as it has never done before.

The Worker

"Thank you" are the only words that express our gratitude to the thousands of women and men who have increased our subscription roll to over forty thousand, with more coming in in every mail. The Worker has grown from an idea in 1933 to a marvelous blessing as a Christian teacher in 1948. It has the largest circulation of any magazine for Negro church women. Our goal for 1948 is fifty thousand. We simply ask each woman in this Convention to send in three new subscriptions.

Three fine Christian women are contributing at least one Topic a Quarter to the magazine. We are indebted to Mrs. Hazel Baskerville Nelson, of Pennsylvania; Mrs. Altona Trent Johns, of Virginia; and Mrs. Lula Mills Haynes, of Illinois for their interest and contribution to the WORKER.

We have not increased the price of the magazine, though we know it is worth a dollar a year or nothing. If you receive a notice of increase in

price, do not stop taking the magazine. The only reason that we have kept it at 50 cents is because we did not go into the business to make money. We went into it to supply a definite need and to make our women in the Missionary Societies reading conscious. We have achieved our objective, and we wish to enlarge our service.

Literature

As Christian workers, we are under definite orders to study. The command comes from 2 Timothy 2:15 "Study to shew thyself approved unto God, a workman that needs not to be ashamed, rightly dividing the word of truth." We are not prepared to occupy places of responsibility and leadership in the church unless we know God's Word and are prepared to lead others into understanding it.

An organization such as ours is definitely responsible for providing institutions and material for those who desire to engage in Christian work. Several years ago we were awakened to the fact that Negro Baptist women had very little material with which to build up their missionary societies. And there is still a tremendous need for special training courses for our church women. Since 1938, Woman's Missionary Union of the Southern Baptist Convention has been conducting three or four day institutes for our women in the South. The results have been most effective in education and in interracial cooperation. It is our hope that this service will be expanded into a South-wide institute of at least ten days. It is quite necessary that we hold all of our gains, and at the same time "Enlarge the place of our tent, stretch forth the curtains of our habitation, lengthen our cords, and strengthen our stakes." God has promised that if we do this, that we shall not be ashamed. We will be ashamed if we fail to provide ample facilities for the training of Christian leaders.

Our churches and conventions waste a million dollars a year that should be devoted to Christian education. If we would do this, the people will be lifted up and the churches will be ablaze with intelligence, enthusiasm, and devotion to the work of the Lord. Isaiah tells us that if we "lengthen our cords and strengthen our stakes" that we shall break forth on the right hand and on the left, and that our young people shall reap the benefit. If our leaders will attempt this work of education, the masses will be transformed in spirit for self-help and a more righteous living. The great Prophet declares, "No weapon that is formed against thee shall prosper." The Negro church is responsible for doing a much better job than it is now doing in the matter of Christian education. We must discover and train young people for Christian service. We must give more individually for the promotion of the work of our schools. We must remember Negro institutions in our wills. If we fail to do this, the entire race will experience great difficulty in character building and competition with other races and other groups that have highly resolved to pay the price for their own deliverance from ignorance and insecurity.

Study Books

The 1948 Study Books are:

1. The Foreign book is "CHRISTIAN VOICES IN CHINA."

2. The title of the Home Mission study book is "ON OUR OWN DOOR STEP." It is the story of missions in Hawaii, Alaska, Panama Canal Zone, Virgin Islands, and Puerto Rico.

If we are leaders we must know. And the only way to know is to study. If we are too old to study, we are too old to try to lead. Not many of our missionary societies studied the 1948 books for the reason that they are

about other races, peoples, and countries. This is not right. We should study and be interested in other races for these reasons:

1. Because "We are brothers all, what ere the race."
2. We have no Bible basis for our attitude.
3. If others would assume the same unchristian attitude towards the Negro race, where would we be?
4. Christians must seek fellowship so as to make "One World." The race problem is a world problem, and it cannot be solved by any group remaining ignorant, indifferent, or aloof from the other.
5. It is unchristian, unnecessary, and unsafe. It breeds wickedness and war.
6. Every race on this planet can and does help every other race. Each one, therefore, owes something to the other. It pays to know people.

Need Writers

There is such an increasing demand for material and programs for church women and young people, that we are constrained to broadcast again for writers of books, brochures, plays, and pamphlets. The need is great, but the writers are few. Our college and universities turn out hundreds of men and women every year. Some of them have native ability, and with their special training they should be able to write. And some of them should have religion interest, and experience, growing out of their background, enough to dedicate themselves to the challenging task of serving the Negro church. If they want money, they can make it; if they know how to write what the Negro actually needs, can understand, and can enjoy. If they are looking for fame; it is theirs for the service. If they want to do the greatest good to the greatest number, the Negro church offers the greatest opportunity.

"Oh for the gift of the gods to gi' us, To see" the needs as others see us.

Who Organized Woman's Day

This question is being asked by thousands of women throughout the country. Many requests come to our office for the history of the day that has become the biggest and best day in thousands of Negro churches. Woman's Day was originated by Nannie H. Burroughs, Corresponding Secretary of the Woman's Convention Auxiliary to the National Baptist Convention, Inc, in 1908. See page 249, National Baptist Minutes, 1908.

It was her dream and hope that the Fifth Sunday in July of each year would be set apart by the churches as National Woman's Day, and that all of the money raised would be sent to the Foreign Mission Board of the National Baptist Convention, of which she was then the office secretary. She prepared the four special addresses and the program and mailed them out to women who had shown special interest in the work of the Foreign Mission Board. The first year the program went over big, and those to whom the material was sent reported the money and rejoiced in the success that attended the new idea. The second year, the women to whom the addresses and programs were sent reported some of the money and kept some of it for their own church treasury. The third year more addresses and material were order, but the income dropped to less than a third of what it was the first year. It came to pass that the demand for Woman's Day addresses increased, and the churches selected the Sunday that suited them best, and the idea grew into a straightout Fund Raising Program for the direct benefit of the local church.

Of course, a good idea should be developed and glorified. But it should not be diverted from the basic purpose. The Corresponding Secretary of the Woman's Convention has seen that happen to a number of her ideas. But it is still her hope that Woman's Day will be used to develop speakers and

to discover talent in the local churches, and that the money raised will be shared more equitably with great Causes. If we can sell this idea to the churches, we shall be happy to go back to our original plan and prepare special Addresses for women to be used on Woman's Day, and to map out the kind of program that will be most helpful to the people. Raising money is all right. But discovering talent and challenging the women to develop themselves for larger service, is far more important than anything else that we can do. Our idea was to make our women conscious of their responsibility, opportunity, and duty in building finer womanhood, better homes and molding young people into finer character. Money raising was not the major consideration, and it was our idea that the money raised would be a woman's gift of appreciation to Kingdom-building, because the religion of Jesus Christ has done more to lift woman from her lowly estate than any other movement in the world.

Neglect
Bibles and Song Books

Our churches spend thousands of dollars for hymnals, song books and Bibles. They do not get their money's worth out of them for six reasons:

1—They do not use them often enough in the services.
2—They do not take proper care of them. They are torn and thrown around just as we do the funny papers.
3—The people take them home.
4—The people are not taught the value and use of the books.
5—Nobody is made responsible for them.
6—The people thus learn how to abuse, not how to use the most precious and necessary books in the world.

Every church should "select" a Bible and Hymn Book Committee. The duty of that Committee should be:

1—To secure separate and sufficient book cases for Bibles and for hymn books.
2—Collect the books after each service and count them. Keep them under lock and key, and report all loses and condition of books to the church in it regular business meeting.
3—Repair the books.
4—Build up a Fund to repair and replace books.
5—Once a year, have a church-wide BIBLE DAY, and a church-wide SING.

The pastor should stress and lead the congregation in Bible reading in concert. Our congregations do not know how to read our only textbook. We have come to the place where we actually look at the "Cults" in scorn for carrying their Bibles. Christians will lose their way unless they read the Bible faithfully and understandingly. The missionary society should conduct a church-wide Bible Quiz at least once a Quarter. "BIBLE QUIZZES" by Mildred Olive Honors is a good, inexpensive (50c) Quiz Book.

What are you going to do about the business of throwing God's Word around, tearing it up, and neglecting it in his own house, and losing it in our own homes?

Look Upon the Field

The deterioration of family life in the Negro home is a challenge to the Negro church that should be accepted and battled with. Our organization should study and present the facts, map out a simple, practical program, and produce the material and leadership for an all-out drive for home improvement. Just standing up talking about it or preaching against the gross evils that masquerade in our homes, will do little or no good. Well planned and directed projects, as "Exhibit A" of what can be done is the only way now. Our home vices have grown too large, and are too deeply rooted to effect a cure by patent medicine treatment.

Our next powerful enemy is liquor. According to the Scientific Temperance Journal, sixty per cent of the American people use alcohol. Women are worse than the men because many of those who are mothers, teachers, and socialities—(trying to get somebody to marry them)—frequent wet restaurants, taverns, and liquor stores, or set up bars in their homes. The sights exhibited by the teenage girls who hang out around brothels are not only a disgrace to womanhood, but too embarrassing for any decent woman or man to look at without hanging their heads in pity and shame. This tragic situation is the outgrowth of home neglect and the silence and indifference and bad example set by too many so-called Christians.

Our race cannot go on drinking, without destroying itself. The churches are entirely too indifferent about the increasing social degradation of the people. The Gospel of Jesus Christ, preached, taught, and practiced should clean up our homes, and save the people from destroying their bodies and souls with strong drink. Can it be done? If it can, why not start the work of salvation NOW? We suggest that the churches be asked to set aside the month of March to be known as "HOME AND SOUL SAVING MONTH" in an effort to reach every person whose name is on the roll, and enlist him or her in an active campaign against all enemies of the home and social progress. Do not let this generation go to waste without putting forth a supreme effort to save it. In the face of such appalling conditions, it will be terrible for all of us who stand in places of leadership and see men, women, and children whom we could have saved lost in sin and shame.

Reverend William Green Wilson wrote a challenging poem in which he asks:

Have you thought of things you might have said
Or help you might have given,
Of the beacon light you could have held
To guide some soul to heaven?

Have you thought that somewhere in the dark,
Men fight the powers of sin,
That some, perhaps, fall in defeat,
While others somehow, win?

Have you thought that what you could have done
Might've helped them in the fight,
That those defeated might have won
Had you held up your light?

Or have you just been satisfied
To pass the matter by;
To let the old world go its way,
While you your help deny?

Let us think on these things seriously and do something definite and constructive about them.

"We cannot do everything, but we can do something.
What we can do, we ought to do"—

now and continuously. Some soul will meet us in the new Jerusalem and thank us for making it possible for him to find the way to Christ.

Which one of the suggestions we made in our 1947 Report did you even try? We suggested the following, under:

"Points to Bear Down on in 1947-48"

1—Try the CIRCLE PLAN for your missionary society if it is large enough to divide into circles. If your society is not large enough, get out and work and make it large enough.

2—Take greater interest in the Red Circle, or whatever your young people's organization is called.

3—Start the "Back Yard Improvement Circle." Get each member of your society to make her back yard an attractive spot. Give prizes for the best kept back yards. We have entirely too many "Queen Anne" fronts and "Mary Jane" backs.

4—Make the room in which the missionary society meets most attractive. They are usually neglected and dark. Paint the room and have flowers or plans to give life to it. Have comfortable chairs. And above all, have necessary books and magazines in a case or on a table. See that the room is well lighted. Appoint a committee to look after the room.

5—Be sure to make a budget and follow it. Be honest with God's money.

6—Work on a definite Interracial Project. Have two good Interracial programs during the year.

7—Take an interest in everything that will improve the community. The "political pot" will boil this year. Know the record of the candidates from the President of the United States down to your ward leader. You live on the earth, and it is the Christian's job to make it a good earth.

We Can Deliver Ourselves With What We Have

Too many people do not do anything except whine, find fault, complain and beg. In the fourth chapter and second verse of Exodus God taught Moses an unforgetable lesson, and he left it on record for our sole use and benefit.

Moses had the bad habit of always begging God for help and making excuse for standing still or not using his eyes and his faith in himself more. God and Moses, with a common rod, performed miracles. Moses simply obeyed. He never thought that God never assigns you anything to do without at least giving you something to get started with. A little faith and a little stick is not to be despised.

If God has given you what you consider nothing, use that. If we do not use the little that we have in our hand, and doubt and complain, why should God give us any more?

What are you doing with what you have?
Do we know values? Aren't we a wasteful people?
Do we make it a point to USE what we have to the best of our ability?
Do we SEEK opportunity to improve what we have?
Do we KNOW or investigate opportunities when we see them or have them?
Do we appreciate opportunities that come to us? Values are often wrapped up in small insignificant things?
Have you ever stopped to examine what you have?
Your Mind—Your Talent
Your Time—Your Environment
Your Limitations—Your Lack
Your Influence—
The Ballot—the greatest weapon that any citizen of a Democracy can have in his hand.

Your Left Overs
Your Rags—Your Abundance
Your Religion?

The trouble with the majority of us is that we waste, or under-value what we have and complain and worry about what we don't have.

As much money as the Negro spends to obtain his rights as a citizen, he could enjoy those rights to the full if those who sell their vote for a mess of pottage would use it against any man or group of men who insult him by trying to buy—the one thing that he has in his hand that white Americans want.

The fact of the matter is that we could get what we need if we would only use what we have. We waste enough time and substance to strengthen us where we are weak; to build us up where we are torn down and to put us on the road to where we want to go.

We expect God to do too much for us, and we also expect society to do for us, too much of what we can do for ourselves. The waste and neglect of what we have is the chief reason why we should see to it that we do not help people to become helpless.

We are making an army of loafers and nobodies because we are not teaching people to use and improve what they have. Negroes are sitting on porches, going to waste, when they should be on the road going to work. As soon as winter comes, the "summer sitters" will be chasing after Charity a part of time, and after a chair and a warm corner, the rest of the time.

Yes, race prejudice drives too many Negroes into bread lines and dirty corners, but the Negro can lick race prejudice if he makes up his mind to do it. Race prejudice is low down and of the devil. High determination is of God and the devil is no match for it. If this is not true, then the promises of God are not true.

God is asking the Negro today, just what he asked Moses, "What is that in thine hand?" (Exodus 4:2). He requires all of us to use what we have.

The Negro has strength in his hands. He can have skill in them if he highly resolves to get it. He has time on his hands. God expects him to use divine gifts to get what he needs and to get where he wants to go.

God's plan is to make men. There is only one way to do it. "Work—support thyself—to thine own powers appeal." God is expecting all Christians to lead men into lives of usefulness. Are our churches up to the business of making men or down to the business of pitying them? Give men a chance to work and less charity to loaf on.

Study the Issues

For a number of years, Negroes have been "sold down the river" by self-seeking politicians of their own race, and political racketeers of the white race.

Negro masses must be taught the sacredness of the ballot, and how to use it to get out of the political dog-house. Women can render real service by forming political study clubs—by the block, and study civic duties and responsibilities month by month, the year round.

This business of whooping up and corralling Negroes a few weeks before the election should be tabooed by all who know that education and eternal vigilance are the only two forces that will make Democracy a living, growing, going and serving instrument of government by the people, of the people and for the people.

The Presidential Campaign is on. Citizens should KNOW the men. They should know the vital issues and use their ballot to defeat every candidate who isn't straight and clear and clean-cut on every one of our national and international issues.

This is not a race campaign. It is a campaign for absolute and complete justice for all men everywhere. Any man, running for public office, should be left at home if he does not have an irreproachable record on all of the ideals expressed or implied in the Declaration of Independence; the Bill of Rights; the Constitution and its Amendments.

Let each one of us put on the whole armour and gird ourselves for the work that is before us. It is ours to do and no one can do it for us.

Edwin Markham states the whole truth when he says:

"To each man is given a day and his work for the day;
And once, and no more, he is given to travel this way,
And woe if he flies from the task, whatever the odds;
For the task is appointed to him on the scroll of the gods.

There is waiting a work where only your hands can avail;
And so, if you falter, a chord in the music will fail.
We may laugh to this sky, we may lie for an hour in the sun;
But we dare not go hence till the labor appointed is done."

ANNUAL REPORTS

NATIONAL AND REGIONAL DIRECTORS

YOUNG PEOPLE'S DEPARTMENT

WOMAN'S CONVENTION, AUXILIARY TO NATIONAL BAPTIST CONVENTION, INC.

Houston, Texas, September 8-12, 1948

ANNUAL REPORT

MRS. ETTA VERSA FRYE, National Director

To our Fellow Workers of the Woman's Convention, Greetings!

It is with great appreciation we acknowledge God's help and guidance as we recount the work of the past year and outline the hopes and aspirations for a work so challenging and necessary to the continuing usefulness of the Denomination as the young people.

The year 1948 finds us meeting in the largest metropolis, of the largest state, in the country with the greatest opportunity for world Christian leadership. Texas is not only noted for bigness—but everything about the state and the hearts of the people, is geared for size. This makes us feel we, too, must conduct the sessions of the week and the planning for the future on a superlative scale.

Dr. Jesse Bader of the Federal Council often tells his audiences you can grow a church from the babies born in the membership. We agree with Dr. Bader—not only a church, but we can grow a denomination from the babies providing we train these babies from childhood through their youth. As directors in this field, we regard this as our job—we are engaged in the business of growing a Woman's Auxiliary in the Young People's Department.

The Field

This year the National Director has visited all three areas in our constituency. One of the most promising developments of the work is in the state of Virginia. Invited to lead the conference on Young People's Work in the Annual Interracial Institute at Richmond, we had a most fruitful experience with leaders from all over the state. Headed by state presidents Mesdames W. L. Ransome and C. E. Jones with Mrs. C. C. Scott, Director of Young People, and Miss Blanche White of W. M. U., we are very grateful for this very refreshing and rewarding two-day session of Christian women.

A demonstration by the young women was ample proof of the thoroughness of the work being done in the state. You will be gratified to know that the highlight of the entire conference was the unanimous decision in plenary session to adopt in full the Young People's program of the Woman's Auxiliary to the National Baptist Convention, for the state of Virginia. A subsequent visit to another interracial conference in the western part of the state gave us additional opportunity of putting our work before youth leaders.

A visit to Michigan last fall was almost like "Carrying coals to New Castle." With leadership like Mrs. Georgia Jackson and Mrs. Sara Barthwell in the Young Peoples Work, backed up by State President Mrs. Phillips, a series of meetings and conferences were held and about the most encouraging observation to be made is the wonderful spirit of cooperation on the part of leaders and workers, beginning with Vice President Mrs. Ross right straight through every department. Space or knowledge will not permit listing all the names of these consecrated women who are one hundred per cent with their youth leaders.

Highlight of a visit to New Jersey was the fine work done by the young people themselves in promoting a mass meeting in Newark. We are especially proud of this for it is a fine tribute to the work of our Eastern Director, Mrs. Winston who has made several visits to the state in the interest of our National program. Miss A. L. McCloud and Vice President Jeannette Freeman are ably representing our young people in the state. Added to our official family of state directors this year is Mrs. James Jackson, newly elected director for New Jersey. We welcome Mrs. Jackson and trust the work will move steadily forward under her administration.

Youth Day and Women's Day addresses have given us many opportunities for getting the work of the Department before the people.

The mid-winter board meeting afforded an opportunity of contact with youth leaders in Louisiana through the effort of State Director Mrs. Kyles. Since that meeting in February we are happy that Mrs. Kyles has been restored from a very serious illness. In Cleveland we are grateful for the opportunity of meeting with young people and youth workers of the state at a luncheon conference arranged by State Director Mrs. Strange and a dinner meeting by Mrs. Esther Elston.

Over the Desk

Over our desk has come many copies of programs, institutes and camping projects which directors have held during the year. This type of interest in keeping us informed on what you are doing is quite gratifying and appreciated. Not only through state and local directors has the National Director known what you were doing but our Western Director, Miss Funches, sends samples of your programs during the year as she gets about over the country in connection with her Foreign Mission responsibilities. We are using this method of expressing our appreciation for real thoughtfulness.

This year we are giving the young people and their leaders a chance of knowing what is going on in the various sections and also to gather ideas by having on display what we are terming for the present, an "Idea Board" upon which will be listed samples of programs of activities which were brought at our request to this meeting. The aim of the project is enlightenment and inspiration. Our friends in the Woman's Convention are invited to visit the Department and see this new project. Mrs. Alva Holmes, Mrs. Tiny Kelen Leak and Mrs. L. M. Ewing will be glad to explain the work to our visitors.

Committed Unto Us

The young women, girls and children in the Missionary Department of the church are our responsibility. These who come to the National Meeting and they who "stay by the stuff" at home are sacred trusts whose Christian welfare is committed unto us. The following seeds for success are dedicated to them—our girls— with the hope that they may find some inspiration in reading the lines.

"What is the secret of Success?"

Push, said the button.
Take pains, said the window.
Never be led, said the pencil.
Always keep cool, said the ice.
Be up-to-date, said the calendar.
Do business on tick, said the clock.
Never lose your head, said the match.
Do a driving business, said the hummer.
Aspire to greater things, said the nutmeg.
Never do anything offhand, said the glove.
Be sharp in all your dealings, said the knife.
Look heavenward toward the stars, said the night.
Have a good aim in life and stick to it, said the glue.
Spend much time in reflection, said the mirror.
Strive to make a good impression, said the seal.
Make much of small things, said the microscope.
Be careful about taking sides, but be round when needed, said the bell.
And above all, Chart your course toward God, said the compass!

Regional Assignments

The Department has made wonderful progress since its organization. We have grown both in numbers and in finance. We have worked hard to improve the quality of our service through program planning, mission study and contact. However, in order to keep moving toward our goal of training the children, girls and young women of the denomination, we must constantly be on the alert for improved methods of carrying on. To this end we are making the following assignments:

In addition to the work of organizing the finance of the Department and the Pantry Shower, we are asking the Western Director, Miss Funches, to head up all activities for Home and Foreign Missions in the Department.

Aside from assisting the National Director with the general program, we are asking the Eastern Director, Mrs. Winston, to organize for conducting a National Camp Campaign.

Our Southern Director, Mrs. Watts, is developing interest in Visual Education. This is a comparatively new area in education. The introductory expense and unusual skills required in the handling, makes development in this section rather slow. In the meantime while we will continue to keep it before our workers, we are asking Mrs. Watts to accept as her additional assignment heading up the work for our schools at Nashville and Washington, D. C.

It is understood all monies will pass through the regular channel of the finance section but each Director will be responsible for organizing and promoting her particular effort.

Four-Year Program

This year marks the close of the first in our Four-Year Program leading up to the Twenty-fifth Celebration. Naturally we begin with the first rung in our ladder—the Sunshine Bands. Simultaneously with discussing the results of the year's activities in this area, we will have the setting-up of special emphases with the Red Circle Division. During this session Workshops, conferences and demonstrations are being held to give assistance to

leaders of this group. Directors have been urged to send as delegates to this meeting representatives of their Red Circle Clubs.

According to a statement issued by an expert in social welfare, this intermediate age group is the "no man's land" of youth work. It was felt not enough attention was being given to the needs of the adolescent. With such a feeling of neglect on the part of those who are in position to evaluate the services being offered to this age level, as church leaders with a higher motive for service than professionalism, we should put forth special effort this year. We are offering two major objectives: To study the special needs of this group and to administer to them the full extent of our ability and equipment at our disposal.

While we realize the increase comes from God, we must not lose sight of our responsibility in cultivation. These girls are our sacred trust. We are facing a great contest in human cargo . . . God needs what these inquiring young people have to offer. We must dedicate ourselves and our opportunities to holding these girls lest the world claim them.

Every state Director should have as her aim at least one new Red Circle organization from each District reporting in the National next year. This is not too much to ask and it certainly will not tax us beyond our ability to produce.

Camps and Institutes

Camping as a part of our Christian development is fast becoming an established "must." Across my desk each year have come programs from every section of the country which tell the story of faith in camping experience for youth. Our young people are looking to us to give them the opportunity for developing into the kind of Christian leaders we covet for them. They want to experience fellowship with God and with each other under circumstances that are ideal in relation to the great outdoors. They want to worship in the quiet and solitude of God's first temples— the trees. They want to cultivate hobbies and skills because it appeals to their nature to be creative; they want to see God first for the day in the early morning watch and feel His presence last in the evening around the glowing camp fire. With a leadership that claims to know their needs, youth feels camping a part of their heritage.

The first major objective of the Young People's Department was a national camp. In fact, the organization was begun on the premise that camping would be a part of the national program. We must not lose sight of this original objective. Our Eastern Director has conducted various types of demonstrations and workshops for the past several years. We have passed the motivating stage and must move on toward putting the camp back where it belongs—a major objective. To this end, I shall appoint a committee during the present session to work with Mrs. Winston to further develop this project so that a National Camp Fund can be started.

Mission Study

The fields for special prayer, study and activity are America's Geographical Frontiers and Latin America as the Home Missions study, and China in the Asia of Today as the Foreign Mission Study.

The home mission study will take us to our continental frontiers and outposts—Alaska, Hawaii, Puerto Rico, The Virgin Islands and the Canal Zone. Our Government sees great value in these possessions as offering strategies of war as they can be useful for naval and air bases. Christians, however, are interested in the religious, economic and social welfare of the people who live in these areas and regard their needs as a call to service. In the months ahead we shall visit these frontiers—not only to learn more about our neighbors but to develop interest which will lead to service.

The home study book for Y. W. A., and Junior Matrons is "Forty-Eight Hours" by Constance M. Hallack—paper, 75c. With this a map of these areas will be invaluable. In 30x24 the maps are 50c each.

For Red Circles the home study book is "Puerto Rico, Today and Tomorrow" by Wm. F. and Ruth A. Hastings—paper, 59c. For Sunshiners the study has been limited to Puerto Rico with an alternate book on Alaska. All books, stories and supplemental materials will be on these people. "Mingo of the Merry-go-Round" by Alice Geer Kelsey is the major study at 90c. The alternate book is "My Alaska Picture Story Book" by Edith J. Agnew and priced at 75c in paper.

Leaders will also find "Puerto Rican Puzzles" by Mae Hurey Ashmouth, a very interesting supplement in the Red Circle division.

The book recommended for Y. W. A., and J. M. A., on China is "Rising Through the Dust" by Archie R. Crouch—90c paper. For Red Circles—"Tai-Lee's Precious Seed" by Mary I. Beck—90c. For Sunshiners "Dike Against the Sea" by Ada W. Smith—90c. Among other materials to help leaders get the story of China to their young people are "A Picture Map of China" by Janet Smalley priced at 60c. "They Found the Church There" by Van Dusen at 50c and "Lun Ying's Birthday" by Nina Millen at 25c.

These books with our basic literature—guides at 25c and Young People's Topics at 10c each or $1.00 per dozen, should give your organization a good course of study.

No group should try to build a program of mission study on less than the books suggested. To enrich your background for understanding these important fields of missionary operations, other studies should be added. Information is the key to interest in missions. As leaders it is our responsibility to study so that we can light the way for others.

Only for these I pray
  Pray with assurance strong
Light to discover the way
  Power to follow it long.

My prayers are lesser than three
  Nothing I pray but two;
Let me have light to see
  Let me have power to do.

Moving Forward

To our Junior Officers in the Y. W. A. Division who are moving out and into the Junior Council we say a good job has been well done. These young women, headed by Miss Sara Ann Columbus of Louisiana, have been Christ-like and dignified in all of their work. Our prayers go with you as you leave office and trust this will not terminate your usefulness to the denomination. There is a place for you in the Junior Council which only you can fill.

Our Objectives

There has been a ready response to all of our objectives this year. A number of students are doing good work and making fine records at the Training School at Nashville on scholarships provided by the Department. The pantry shower, directed by Western Director, Miss Funches, has developed into a major source of special income to the school and the administration wonders how it carried on in the years before Miss Funches introduced this feature. At the mid-winter board the Department reported through the Building Fund Committee assisted by the Junior Council $226.00. This was supplemented at the June Board by $10.00. Other committees have

been at work in the interest of this institution. A Golden Chain Rally f
the Building Fund is being conducted during this session.

As a result of legislation at Kansas City last year, the National Trades an
Professional School at Washington, D. C., of which Miss Nannie H. Burroug
is president, has been restored to its former position among the objective
of the Convention. The Young People's Department is happy over this re
versal—especially so when we recall the peculiar relationship we hold t
Miss Burroughs. The Department owes its very existence to her foresig
which brought our organization into being and then using her ability an
wise planning to actually get us started. All through the years Miss Bu
roughs has given counsel and advice along the way and watched with a
interest only the parent of an idea could have, as the Young People's De
partment has year by year fulfilled its purpose. Two projects are bein
sponsored during this session for the school—an All States Tea and a Ball
for table silver being conducted by the Junior Council. Truly we can sin
with Julia Ward Howe—"Mine eyes have seen the glory of the coming o
the Lord . . . Our God is marching on!"

Toward the Future

To all of our leaders in the states and to our young people of the church
everywhere we express deep appreciation for all that has been accomplished
—a great deal of hard work lies ahead. The denomination is looking to u
to be equal and able. Let us face the future knowing that we must no
disappoint God.

Forward, then! and onward, upward, toward the greater day to be,
All the people singing with us one great song, fraternally.

Up and up, achieving, failing, weak in flesh but strong of soul . . .
We may never live to reach it. Ah, but we have seen the goal!

Recommendations

One of the greatest needs of our young people is a youth hymnal. We do
plore and condemn certain types of music, which our young people sin
and yet if we explored our assets in this field we would find a very litt
has been done to give them hymns or general religious music suited to fe
of their experience.

Because we are just two years from our twenty-fifth anniversary, I a
therefore, recommending that this Convention authorize and empower
to go forward with preparation and cooperation with our Publishing Hou
to have published a Youth Hymnal to commemorate our Silver Anniversa

Interracial and Interdenominational Conferences are held annually whi
would be of great inspirational value to all attending. I am recommendi
that each year we set aside a reasonable amount of finance to defray
help defray the expenses of a representative from this Department to a
of these meetings.

Faithfully and sincerely,

ANNUAL REPORT

MRS. BERTHA C. WINSTON, Eastern Director

Madam President, Officers and Members of the Woman's Convention, Auxiliary to the National Baptist Convention, U. S. A., Inc.

Today we are grateful to our heavenly Father for this privilege to greet you at this hour in the City of Houston, where the friends of the cause of Christ are gathered together in His Name and to His honor.

Twelve months ago in the City of Kansas, the Young People's Department of this great Convention started out on another year's voyage. The Directors in one solid front set the sails, chartered the compass and guaged the needle for the goal of success. We sensed that there would be obstacles to surmount storms and tempests to conquer. But we could discern that the outlook for the future was bright if only we could mark the tracts of those courageous brave women who have held high the torches of love, morality and spirituality. So today, the Young People of our nation have come here from the East, from the West, some from the North and South, who have worked with their courage high to make this world a place where Christ could dwell. They have worked in their homes, their churches, their communities. They have prayed not with their lips only, but with their lives, and now they sing of the day-break nigh. They are here with their flags unfurled to the breeze.

Marching Under the Banner of Fellowship

Fellowship is as necessary to the soul as food is to the body. Only as we see ourselves reflected in the praise or blame, the love or hate of others do we become conscious of ourselves. Since our fellow men are so essential to us and we to them, it is necessary that we meet together to give encouragement to ourselves and our Young People in the common interests of life. The fundamental forms of fellowship, hospitality and love for the finer things in life.

There must be given to our young people some interests of enthusiasm in common, whether it be literary, artistic, musical or religious. There should be a generous regard for the public welfare, a willingness to lend a hand to this praiseworthy movement for the improvement of social conditions; a readiness with work and influence, time and money to relieve suffering, improve conditions, promote education and to bind together those similar tastes and pursuits. These are the marks of public spirit at work, the manifestations of social virtues.

The Future

On all sides there is controversy, the world is sick, torn, baffled and confused; a bewildered multitude of new ideas, new systems rush in upon a defenseless world—the far-reaching effects of such a storm of forces are telling heavily upon the appeals of religion and the churches, some say the strong are trembling, the timid are falling away. Some say this is the hour of trail, but upon reflection we would discover that this is the hour when a new opportunity presents itself to the champion of the Ideas and Ideals of the past and present. The future is our field, let us look to it as it opens with glorious possibilities and invites the denomination of ideas and push to enter and possess it. We cannot build a strong future denomination without our young people—more time must be given them, more interest must be manifested in their religious training, more money spent on their development.

Life Is Valuable and Has a Meaning

Our conception of Christian life is not a melancholy pilgrimage through a low ground of sorrow, or an expenditure of energy in trivialities, or a funeral procession, but rather a life of beauty. Life is valuable and has a meaning. It is triumphant like that of Jesus, which is summed up in this, "that He went about doing good."

Our National Camp

Since this project has been delegated to the Eastern Director for motivating interest, we are desirous of enlisting the interest of Youth Leaders, parents, pastors and Christian leaders of youth in establishing a National Camp, the new venture in our national set-up.

The seed has been planted and is now ready to burst into flower. This is a day with new ideas and new methods. We must keep pace with the intelligence of the twentieth century progress and methods of doing things. We, of the Young People's Department, aim to keep our program elastic and broad, and that expansion would be our password where there is room for the development of a well rounded life, a workable program that will harness the interest of all.

The objective of a Christian Camp is to afford our Youth an opportunity of vital Christian living, together in a quiet spot somewhere apart. Christ once told His disciples to "come ye apart from them and rest awhile"— it is easy and natural to live the Christ way of life, while on a hill, or by the water side.

We consider it a great opportunity to guide youth in programs, which will help them find God through growing experience in Christ; thinking through the Christian way of life. The integral program of the camp we plan to establish will be to make more effective the total program of the church.

Interracial Camp

Throughout the Eastern Division many of our young people go to Camp at Lake Winnipesaukee, N. H. For the past two years we have two young women from Baltimore serving as Counselors and five attending as campers.

Institute

A five-day Institute for Youth was held in Baltimore. Fine attendance and great inspiration was gained, Interracial teachers. An Institute was also held in Southern Maryland for Youth of the Baptist churches of the rural district, seven churches participating.

Visits

As Eastern Director, many calls have come to me with questions concerning literature and helps for the church programs. I have been called upon to address many gatherings on the work of our Department; I have attended several youth conventions, one interracial and interdenominational. One of the most interesting and satisfactory programs was the call to address the New Jersey Junior Missionary Convention, in the morning and invited back for the Question and Answer period in the afternoon which was highly gratifying because I was able to put the work of the National before this group, which was encouraged by the many National minded workers of that section. We are expecting great response from our efforts.

We were happy to attend and be the speaker at the new Junior Missionary Convention, holding its first session as an Auxiliary of the Southern District Association at Cedar Heights, Md., August 6, 1948.

A joint Young People's Conference of Virginia and outer States was held in Alexandria, Virginia.

An inspiring Conference with the President of the New York, Junior Convention, this organization consisting of 13 Districts each holding 4 days session during the year. Congratulations to State President Chappell and Directors for a well organized State set-up.

Camp

A step up toward National Camp. The encampment of the district of Columbia could well be styled an Interstate camp in action on the campus of the National Trades and Professional School, D. C., which was evidenced by campers representing Maryland, Virginia, New York, and District. Mrs. Alva Holmes is the guiding spirit in this Red Circle Camping Project.

In my parting words, may I fling out this challenge to you, let us rededicate our lives to the task of making the world a better place, doing more for humanity, and make our service one of Christian fellowship. Let us lift as we climb, keep our hearts full of love and devotion, fellowship and kindness to a crooked and perishing world, lift the fallen, make glad the heart of the neglected.

May both young and old realize that this little planet here is God's only training ground for us. An Eagle's nest on a brow where we, the young Eagles are for a time secure. Let us accept the challenge.

Do We Care Enough?

There are men and women, boys and girls—do we care enough to hear them? There are people with broken hearts, do we care enough to help them?

Youth sees with surer eyes
Because its eyes are clear
Of prejudice and fear
Youth needs no compromise
This world is ours to take
This world is ours to make
Let us build true and sure
A world that will endure
Built out of right and truth,
Reared with this tool—our youth.

ANNUAL REPORT

Mrs. Corenne Watts, Southern Director

I thank God for the privilege of bringing to you another annual report.

In a time of unrest and suspense, we are compelled to face issues and make decisions in a world shaken to its foundation by revolutions. It is the time of collective conflict in which the instruments of modern science are used effectively to destroy the products and producers of civilization. It is a time of anguish, when races and peoples are being molested by those who feel themselves the superior people. It is also a time of hope, when Christian leaders of insight and good-will work and pray for a new order of life based upon justice, mercy and faith in God. The day in which we live is a day of opportunity for consecrated Christian women.

If ever anybody needed to look up from indecisions and uneasiness and glance at the horizons of life it is the Christians of today. Moral standards

are being replaced by sensual conceptions of irresponsibility. Today we are concerned with the realities of the present and how they may affect the future, realizing it is the duty of Christians in a day of fevered changes to discover and appropriate those deathless things which cannot perish. We are in one of those testing periods of life when every Christian must defend his teachings and demonstrate his ability to lead a confused world back to sanity.

Our Young People

Young people thrust into the serious responsibilities of a revolutionizing era need the resources of scientific learning, but they also require the inner equipment of spirit which springs from faith in God. If they are to fight and keep the faith they must have spiritual leaders whom they can trust and follow. Christian youth must be taught to love God supremely, to overcome evil with good and to make effective and good use of the opportunity to bring Jesus to others. Nothing should be more important to young Christians than that all these resources be invested in fields which will yield the richest return thru the doors of regeneration, and its richest returns are realized on the altar of complete consecration.

Our Bible

The Bible is our textbook for Christian teaching and should be used with every vital method. We as leaders must help the youth of today to recall with appreciation the opportunity to stay and love.

God's Book—
For its teaching about God,
For its stories of Jesus Christ,
For its many other beautiful stories,
For its songs of praise,
For its rules for daily living.

Visual Aids

No one visual method should be used exclusively. Each has value and its own place in Christian teachings. Those which can be rented from your Baptist Book stores include motion pictures, kadochrome slide film strips, flat picture maps, flannelgraphs, posters, etc. Visual aids are not magical cure for a lazy instructor. They are simply tools for a more effective teaching. Visual aid is fascinating, it stimulates originality, it is creative and constructive providing meaningful experiences. Jesus used it when he took his class of twelve into the village of Galilee. The method of teaching can be used for all divisions from Sunbeam Bands to the General Missionary society. I am urging all missionary societies to try using visual aids in your Young People Departments.

Our Work

These are days when socially-minded people are very conscious of the problems of minority groups in democracy. Public opinions indicate a disturbing amount of group prejudice among the young as well as adult. We ask the question: Shall we as Christians fight fire with fire? Shall we seek to perpetuate the very thing that in other forms we seek to destroy?

We must go forth to sow the seeds of kindness into the home, onto the highway, wherever people are, seeking not only the unreached but the otherwise unsought; helping the blind to see, the deaf to hear, the lame to walk in order that they may also realize the deeper meaning of their faith in the redeeming power of the Gospel that each may become steadfast and unmovable in the love of Christ, for these are days of clamorous voices. The air is full of them, loudly proclaiming every sort of doctrine.

We often speak of Christian Democracy. What can we mean? The democratic way shall find its deepest motive and its highest aspiration in men's relation to his Maker as revealed in Jesus Christ. So in this task my business is both with mind and the will. Many days my prayers have been knowledge. "I ask not, O Lord, knowledge Thou hast lent; but, Lord, the will—there lies my biller need. Help me to build above the deep intent, the deed, dear Lord, the deed."

With this prayer I have been blessed with strength to do work as follows:

Visited 34 associations—319 churches (4 white).
40 schools and colleges (2 white)
4 hospitals
4 State Conventions (2 men, 2 women), 8 district conventions
3 State Board meetings (1 white), 3 National Board Meetings
2 Day Nurseries
4 5-day Institutes, 2 2-day, 4 Vocation
Organized 3 women missionary societies; 4 Matron Auxiliaries; 5 Y.W.A.; 6 Sunbeam Bands; 2 Crusader Auxiliaries
Taught 92 Mission Study Classes; 43 Sunday School Classes
Conducted 1-week of prayer at Selma University
Conducted 2-weeks of Camp Activities at Camp Fletcher (1-week for girls, 1 week for boys)
Distributed 267 Bibles in schools and churches; 52 Baptist hymnals

It was with much delight that I accepted the invitation of Vice President of Woman's Auxiliary to National Baptist Convention and State President of Florida Woman's Convention, Mrs. Viola T. Hill, and the very fine director of Young People of Florida, Mrs. Floyd, the early part of April at Miami, Fla. It was in this meeting that we were presented first to the W.M.S. Division, then jointly with the young people and adults. It was glorious to watch with interest the fine cooperation between this lovely president and her workers. It was my desire to have visited more of the Young People's Departments of the Southern States; as you know, all work comes through invitations. This I do not work without. I have been very pleased to work cooperatively with our General Director, Mrs. Etta Versa Frye, Eastern Director, Mrs. Bertha C. Winston and Western Director, Miss Primrose Funches.

With this thought we labor in His cause:

"I do not ask O Lord, that life may be
A pleasant road:
I do not ask that Thou shouldest take from me
Aught of the load: . . . .
For one thing only, Lord, dear Lord, I plead,
Lead me aright:
Though strength should falter and though heart should bleed,
Through peace to light.
I do not ask, O Lord, that Thou shouldst shed
Full radiance here:
Give but a ray of peace, that I may tread
Without a fear.
I do not ask my cross to understand,
My way to see—
Better in darkness just to feel Thy Hand
And follow Thee.

Joy is like restless day, but peace divine
Like quiet night:
Lead me, O Lord, till perfect day shall shine
Through Peace to Light.

ANNUAL REPORT

Miss Primrose Funches, Western Director

Madam President, Officers, Members of the Woman's Convention, National Director Frye, Directors Winston and Watts, Delegates of the Young People's Department, and Woman's Convention:

The old year's been a good year,
I learned while going its way,
To climb by faith alone—a hill
Where ugly stones and shadows lay.
The old year's been a good year,
I found on its thoroughfare
A diamond in a gray ash heap,
"A blessing in a dress of care."
The old year's been a good year,
I learned while roaming its trail,
That a rainbow is always shining
For eyes that see through fear's veil.
The old year's been a good year,
I learned along its avenue
That the God who roams a dasied dell
Walks, also, with a child who's true.

I am grateful to my heavenly Father for the opportunity given me to serve another year in His vineyard. I am happy to report that the work of my department has increased in many ways this year. Interest has been high, cooperation fine, and enthusiasm great.

I wish to express my sincere appreciation to the workers who made it possible for this year to be a banner one. We have recognized the worth of every person as an integral part of the program. This is a great work and no one person as an integral part of the program. This is a great work and no one person can do the job. God has given to everyone who is called by His name something to contribute to the promotion of His work here on earth; we have been benefited by the contributions from everyone and thanked God for the progress made.

Finance

The specific task assigned me, by the National Director, is Finance. We have tried to build a program that would blend with that of all the Women's Conventions. Each year we have added new workers and projects that have brought increase in our funds. This year the following projects have been successfully carried out:

1. The Lethia L. Craig Memorial Scholarship Fund. We have in this fund $2,500.00. The trophy was won by Indiana reporting the highest amount which reached above $800.00. Illinois State Baptist was second, reporting above 500.00. The Queen Review is the means by which we build this fund and offer the trophy. All states have been given opportunity to participate. Those who wish to apply for scholarship may secure the blanks from the

training school. We note with pride the success of the students graduating from the Training School. Many are employed in worth-while service throughout the country.

2. The Pantry Shower: This has become an institution within itself, without which the school could not exist. President Layten recognizing its value asked that it be continued. Rev. Bennett, the Business Manager, values it this year at $1200.00. Most all states contributed this year.

Through the Pantry shower the Young People presented to the President's home an electric Frigidaire which gladdened the heart of President Anderson. The donors were: Progressive Baptist Church, Chicago, Illinois, Rev. T. C. Brown, Pastor, $100.00; Ohio State Baptist Association, Mrs. Edna Lewis, President, $25.00; Olivet Baptist Church, Chicago, Illinois, Dr. J. H. Jackson, Pastor, $30.00; Illinois State Baptist Woman's Convention, Mrs. L. A. Lambert, President, $25.00; New Salem District Association Woman's Department, Mrs. N. C. Lunceford, President, $25.00; New Salem Association, Rev. A. J. Johnson, Moderator, $10.00.

3. Linen Shower: This was a new project this year and very successful. Numbers of blankets, sheets, pillow cases, and towels were received from most all states. It is being continued so that all who desire may contribute.

4. Building Fund: The Young People's part of the building fund is $25,000.00. National Director Frye heads this work and is building a chain at this meeting with each state representing a link. We hope it will not be broken.

5. Home and Foreign Missions: The committees for this work have done a fine job, yet there is room for improvement. We note that the Foreign Mission Board brought home on furlough Miss Gladys East. We were happy to escort her to the Mississippi Convention. Her report of the work at the hospital in Monrovia Liberia is most interesting. Every young person is urged to hear her. One of her appeals is that Young People's organizations would send five cents per person, per week, to the Foreign Mission Board for the work at the hospital.

6. We are presenting at this meeting a musical Extravaganza Tea for the benefit of the National Trade and Professional School. We are asking each delegate of both Women and Young People's departments to register with one dollar and receive a picture of the President of this school, Miss Nannie Helen Burroughs. The Tea is under the leadership of Mrs. Lucile Stewart of Mississippi; Mrs. V. J. McCarthy of Texas; Mrs. C. C. Brown of Texas; and Mrs. Dorothy Meekins of Maryland; Mrs. Marge Ollise, Illinois.

We recommend that this Tea become an annual affair.

All six of these projects have been entered into with full cooperation from the leaders of the Young People's department and States. Other requests have been made of this office. Among them, where to secure literature. May I remind you that guides and topic cards for all departments may be secured from the Sunday School Publishing Board.

Visits

It was impossible to fill all the invitations to attend meetings this year. However, this has been the busiest year for me. More visits were made and more territory covered. Among them were: Arkansas Regular Convention, Arkansas Consolidated Convention, Tennessee Baptist Convention, Illinois State Baptist Convention, Indiana State Baptist Convention, 17th Street Memorial Baptist Church, Indianapolis, Indiana. Central Baptist Church, Pittsburgh, Pa. Mississippi General Convention, East Mississippi Convention. Northern Baptist Convention (White). Shiloh Baptist Church, Waukegan, Ill. Western Baptist State Convention of California, and a large number of Associations.

All of these were most interesting. Noticeably were: the units of Matrons at the Shiloh Church—the way the Young People worked with the women in the two Arkansas Conventions, and the youth of the Northern Baptist Conven-

tion—the careful planning and presentation of their Youth for Christ program.

I was asked to be the guest of two State Conventions in their Fiftieth Golden Jubilee session of their Woman's Conventions, namely, Ohio State Baptist Association, to meet in October and The Western Baptist State Convention of California, which met in August. We enjoyed a grand visit to California with the Women of the Western Baptist State Convention under the able leadership of Mrs. Blanche N. Carter. This convention has grown tremendously. When I visited California before Mrs. Carter was Director of the Young People; her work there was so outstanding that she was promoted to the presidency of the Woman's Convention and has added interest and enthusiasm to the work. The meeting was most inspiring with well planned program and conscientious workers. The Young People under this leadership is being organized into a full National Baptist Program. A Queen for the review was secured from California this year.

While in California we enjoyed a brief but interesting visit to Old Mexico.

Summary

In all that we have accomplished we owe it to our Heavenly Father and to the cooperation of our National Director, Mrs. Etta Versa Frye, our Eastern Director, Mrs. B. C. Winston, and our Southern Director, Mrs. Corenne Watts.

As I close my report I can but say again that of all the blessings that have been mine, the trip to the World Baptist Alliance and to the Holy Land has been my constant inspiration. The beautiful scenery that has no parallel keeps passing before my eyes. The grand friendships and contacts made on the journey have encouraged me to live a larger and fuller life for the Master.

As we face the future we hear on every hand wars and rumors of wars and yet we are strengthened by the words of Dr. Harold Cook Phillips in his message to the World Baptist Alliance when he said,

"We are being told that there is no defense against the atomic bomb. It is not true. There is a defense. The moral and spiritual regeneration of life in righteousness and faith through Jesus Christ is a sure defense against the atomic bomb or anything else."

Soldiers of Christ, arise,
And put your armor on,
Strong in the strength which God supplies
Through his eternal Son.
Strong in the Lord of hosts,
And in his mighty power,
Who in the strength of Jesus trusts
Is more than conqueror.
Stand, then, in his great might,
With all his strength endued;
But take, to arm you for the fight,
The panoply of God.
That, having all things done,
And all your conflicts past,
Ye may overcome through Christ alone,
And stand entire at last,
From strength to strength go on;
Wrestle and fight and pray;
Tread all the powers of darkness down,
And win the well fought day;
Still let the spirit cry,
In all His soldiers, "Come,"
Till Christ the Lord descends from on high,
And takes the conquerors home.

IN MEMORIAM

◆

Dedicated to Workers Who Have Gone to Their Reward

◆

"There is no death! The stars go down,
To rise upon some fairer shore!
And bright in heaven's jewelled crown
They shine forevermore."
