*Call for a National Convention of Colored Baptists.

MINUTES

Dear Brethren: April 5, 1886, an open letter to the Baptist clergy and laymen was issued by Rev. Wm. J. Simmons, an American Baptist, asking if we should have a National Convention to discuss questions of interest to our beloved denominations. At that time the following reasons were given:

1. To promote personal piety, sociability, and a better knowledge of each other.
2. To be able to have an understanding as to the great ends to be reached by the denomination.
3. To encourage our literary men and women, and promote the interest of Baptist literature.
4. To discuss questions pertaining especially to the religious, educational, industrial, and social interests of our people.
5. To give an opportunity for the best thinkers and writers to be heard.
6. That, united, we may be more powerful for good and strengthen our pride in the denomination.

Having been solicited to write the Call by many whose names and endorsements are hereunto affixed, the Call is hereby made by their advice and solicitations for said convention to meet in St. Louis, Mo., August 25, 1886, 10 o'clock a.m., in the First Baptist Church, and the pastor thereof is hereby requested to serve as a Committee of Arrangements, with power to select his associates.

Wm. H. Steward, Louisville, Ky., and Rev. R. H. Cole, 2609 Goode Avenue, St. Louis, are hereby requested to serve as a Committee on Transportation.

WM. J. SIMMONS.

The chronological report in our National Baptist Minutes is hereby corrected, viz: The parties as they appear below were officers of the Foreign Missions or National Educational Conventions, as were their predecessors. Said conventions merged into the National Baptist Convention in 1886 or met co-jointly with it, or otherwise.

Foreign Mission Mass Meeting

Sermon Rev. H. W. Watson, California

PRESIDENT J. H. JACKSON MADE THE FOLLOWING RECOMMENDATIONS

I. Some Recommendations Concerning the Sunday School Publishing Board

1. We recommend that the Sunday School Publishing Board will so adjust its program as to be able to turn over to the National Baptist Convention twenty-five thousand dollars (\$25,000.00) for the American Baptist Theological Seminary for the academic school year of 1958-59. Fortunately, I believe the convention itself will be in a position to pay the allotted amount for the 1957-58 session in advance before this convention closes.

2. We recommend that the recording secretary of the convention will complete the manuscript of the minutes of the convention proper and get them to the Publishing Board early enough so that this work may be done without over-taxing or rushing too much in the printing department of the Publishing Board, and that the minutes of the convention will be printed by the Sunday School Publishing Board as a service to the National Baptist Convention, Incorporated.

3. In order that all of us will understand what is required and what is expected of the departments and parties involved, we recommend that the Executive Board of the National Baptist Convention through the assistance of an attorney, if need be, will become acquainted with the laws of Tennessee as they are related to our corporate rights in dealing with a Tennessee corporation, and that a thorough study will be made of the charters both of the National Baptist Convention itself and the Sunday School Publishing Board, and then give to the Board of Directors and the National Baptist Convention a clear, specific and direct report as to the rights of the Sunday School Publishing Board in the state of Tennessee, and the rights and constituted authority of the National Baptist Convention itself.

If we are to carry forward the type of program that the times demand, we must become more thoroughly acquainted with our convention and its departments, and discontinue loose talk and slanderous and sometimes libelous statements about the servants of the convention, based on misunderstandings and mis-construction of facts. The sure cure for ignorance is knowledge, and the saving tonic of falsehood is truth, and a sure way out of the practice of jealousy and envy, is honesty of purpose and charity towards others.

II. Some Recommendations Concerning Our Foreign Mission Board

We commend the Foreign Mission Board and its leadership for the fine work that it is doing. The National Baptist Convention work in Liberia stands out and holds its place among the best Foreign Mission Agencies in that country. We hope this will continue for years to come.

1. We recommend that we continue our whole-hearted support of our Foreign Mission Board, giving liberally of our resources to help in this great program.

2. Because the money given for Foreign Missions is sacred, we recommend that the Foreign Mission Board will no longer be embarrassed with individuals or organizations asking it to make loans to them. That if such requests are made to the Foreign Mission Board, they will pass the matter on to the Board of Directors of the National Baptist Convention for their scrutiny and advice.

We further recommend that if they have not paid already, the pastors whose names appear on page sixty-nine of the 1956 audit, will pay back the money borrowed from the Foreign Mission Board immediately.

3. In 1955 our convention voted to create a Department of Missions with headquarters at the Foreign Mission Board in Philadelphia. According to this convention order, the Home Mission Board, the Benefit Board, and our Educational Board would have been moved to the headquarters in Philadelphia. This would give us a unified program, and these agencies would organize their appeals so that our missionary giving could be done by reporting our funds to one headquarters. This would have meant a tremendous amount of savings for the boards and the convention in over-

head. But up to now nothing has been done about this. Some of our boards and agencies do nothing more than spend their time soliciting money. They solicit money in order that they might exist to continue to solicit money that they might spend and solicit more money without showing in their respective reports the causes they have supported. This applies only to those boards in whose reports little or nothing has been given to causes.

The headquarters of boards and departments must no longer be under the hats of agents and secretaries. If we are to develop a unified program; and we must, then we must secure a headquarters to which the respective churches can make their gifts during the year. I would urge that the Board of Directors of the National Baptist Convention will supervise the execution of the convention's order regarding a Department of Missions immediately. It is my understanding that the Foreign Mission Headquarters which has recently been renovated, has space where these boards can be housed.

As a convention, we must not only urge upon our constituents to make greater gifts for denominational support, but we must seek to get as much out of a denominational dollar for the cause as possible. The National Baptist Convention is a million dollar corporation. It is one of the largest organized bodies among Negroes in the United States of America. We owe it to ourselves to demonstrate our ability to manage ourselves and to use wisely and constructively the resources that have been entrusted to us. There are no restrictions set upon us as a denomination as to how efficient we may become in the dispatch of our business.

I still believe there is an urgent need for our Retirement Program for ministers and Christian workers. The life span in the United States is increasing, and more and more churches and institutions are turning their attention to a program for older people. In the light of this fact, we may expect more ministers in our denominations to live beyond the years of their usefulness and when the sunset of their ministry approaches, they should not be left alone to wander from parish to parish at the mercies of impatient congregations and awaiting small gifts of charity. It is true that the government has included ministers in their social security program, but this will not be sufficient to care for retired ministers. Other denominations have accepted the social security offered by the government, but they are still maintaining and developing their retirement program.

The National Baptist Convention should invest heavily in a reserve fund from the which it can make loans to struggling churches and free many of our churches from the slavery of loan sharks and exorbitant interest rates. As many churches as we have in the United States of America, our denomination should take the lead in producing and furnishing pews and other equipment for our church buildings. We must begin to explore our resources with all seriousness, and to harness our available capital for the promotion of our work and for the blessings of our race and community. The age old challenge is upon us and we cannot escape it. The opportunity to prove ourselves confronts us, and we must not let it slip, and the historic test of a people's greatness summons us to act now. For what Joshua said to the Tribe of Joseph when he was allotting each tribe their heritage, may be equally said of us as a denomination and as a race: "If ye be a great people, go up to the wood country and cut down for yourselves."

It is not enough for us to meet once a year and debate on constitutional issues and to differ as to who shall hold office. We must give some time to building a constructive organization that would help our people in the problems of better housing, better job opportunities, and a more constructive use of our economic resources. We must not spend all of our time seeking our rights. We must spend a portion of our time investing our acquired rights in constructive and creative efforts. The National Baptist Convention is a great organization. It must render a great service to its people, to the people of the United States of America, and to the people of the world.

III. A Directory for the National Baptist Convention

A study of the church life within the National Baptist Convention reveals a need for a clearer understanding and a more concise statement of principles as to the government of the church and the discipline of the same. While it is true that every

Baptist Church is an independent and autonomous body, and has the right and privilege to make its own laws and its own rules; it seems the day has come when the National Baptist Convention should write a directory for the use of any church that desires to adopt it.

Therefore, I recommend that a committee on the writing of a Church Directory for the National Baptist Convention be set up. Said committee is to do research and make a careful study of the problems and needs of church administration and management, and then lead in the writing of the document in question. If this is accepted, I recommend the following committee:

Rev. Jerry Moore, Washington, D. C., Chairman
Rev. Wm. J. Harvey, Pittsburgh, Pennsylvania
Rev. W. K. Jackson, Oklahoma City, Oklahoma
Rev. H. F. Horne, Cleveland, Ohio
Rev. W. H. Gray, Philadelphia, Pennsylvania

The Baptist Jubilee Advance

From 1959 to 1964 we are to participate with other Baptists of the United States in the Baptist Jubilee Advance. The emphasis for this five year period will be on Evangelism, all of which is very important. But it seems to me we should go a step further and make an attempt to deepen Baptist fellowship and Baptist participation in our national life.

U. S. A. Baptist Alliance

I call for a permanent alliance of all the Baptists of the United States of America. We should be close enough in our fellowship to hold periodic meetings similar to those held by the Baptists of the world. In order to make this type of fellowship possible, Baptists must seek to heal the little breaches between them. Therefore, I would suggest the two first steps to be taken in the interest of such an Alliance:

Unity of Negro Baptists

I would suggest that steps be taken for the union of the two National Baptists Conventions among Negroes. Since we were separated over a publishing house forty-two years ago, it seems in this length of time we ought to have enough grace to overcome the problems of real estate, forgive the blunders of the past, and form one big family of Negro Baptists throughout the nation.

Unity of White Baptists

In 1845 the Southern Baptists and the Northern Baptists, now American Baptists, split over the subject of slavery. Since that time there has been much growth in an understanding of the true meaning of democracy and freedom, and one hundred and twelve years of Baptists experience and Baptist participation in the work of the kingdom of God should have generated enough strength to enable these two white Baptist groups to come together in one great family.

When nations of the world are struggling to win the battle for freedom, when democracy is threatened even in our own country, Baptists need to bring their united witness in the support of the ideals of liberty for which Roger Williams lived and died. The need for this type of fellowship among Baptists across the nation is further highlighted when we observe how much ground has been lost in the last three years in America's struggle for freedom. The strongest religious group in the South is the Southern Baptist Convention. It would have been impossible for the White Citizen's Council to make the great strides they have made against the highest court in the land if Southern Baptists had been stronger in their witness for freedom. But now, the White Citizen's Council is a fact of history in the United States of America. And what a sad fact it is.

These recommendations were made by President H. Jackson in annual address at Louisville. All were unanimously adopted.

A Plea To the White Citizen's Councils of the South

On July 11th, 1964, upon the call of Mr. Robert Patterson, fourteen men met in the home of Mr. D. H. Hawkins, in Indianola, Mississippi and organized the first white citizen's council of the South. The purpose of this organization was to oppose and work against the implementation of the Supreme Court's Decision of May 17, 1954 outlawing segregation in public education. Since that eventful night these councils have sprung up all over the South, and according to the report of Mr. John Bartlow Martin in an article in the Saturday Evening Post, June 15, 1967, they have already won their battle against this historic decision. For in many places, lawyers and doctors, religious leaders and the better class of white citizens of the South have joined heart and hand to carry out their purpose against the highest court in the land. In many cases they have used the weapon of economic boycott and intimidation; and in some cases, violence has been done against the helpless Negroes of the community. Some leading white citizens who have differed with the White Citizen's Council have also been pressured, and many have bowed to the mandates of this group. This is an organization within the state itself and is a government within a government. It seems that these councils have not only taken the law in their own hands, but in many respects they have become a law unto themselves, sitting in judgment on the innocent, punishing the helpless and the weak, and setting up their own standards in opposition to the voice and vote of the highest court of the land. We know well if the victory of the White Citizen's Council stands, the verdict of the Supreme Court must be defeated; and if this is the case, democracy fails and our great republic is brought into disrepute. What then, is our plea to the White Citizen's Council?

First, can we not trust the laws of our land? Are there values in our culture that will not be preserved intact if we obey the courts and live according to the principles of the Federal Constitution? Why do you fear the Negroes of your community? The great majority of them seek not your hurt, and are not desirous of possessing that which rightfully belongs to you. They simply desire the best possible education, the best possible jobs, and the best possible security for themselves and their families. They are not your enemies, and they do not desire to be. They desire to exercise all of their God-given rights under the stars and stripes.

Members of the White Citizen's Council, before you boast of your victory and take too much pride in the battle you have won, ask yourself the question, "what have you gained that you did not have before?" You had control of the courts, judges and juries, the banks, the economic resources, and the political patronage and power of the South. You have gained nothing more in the victory of the White Citizen's Council. In your victory, the poor white citizens of the South are no richer, and their children are given no better economic advantage and cultural opportunities.

The cultural level of the South in this act has been lifted no higher. Education is no finer, and your communities not one bit safer against the crimes and evil deeds of white criminals. White criminals are still robbing banks, kidnapping children and slaying the innocent and helpless *White Citizen's Councils*, what abiding victory have you gained? You have not increased your political power and influence in the nation. The number of your Congressmen and your Senators is the same, and in many instances you still lag behind other sections of the country both in political power, economic resources and the quality of education. Members of the victorious White Citizen's Council, what have you destroyed in your pseudo victory? In many cases you have destroyed respect for law and order, and you live in open contempt of the highest court of the land, and you are teaching your sons and daughters to do the same.

What is the future of a nation whose citizens accept a criminal act as a virtue, and a sin against the Federal Constitution as acts of righteousness and heroic deeds to be praised? There are many white men of the South today who are less free than they were before the night your council began. Remember honorable sirs, he who makes chains for others must first of all bind his own soul with cords of hate and fetters of envy and strife. He who would hold others in prison must himself

live a prisoner's life and find his place behind bolts and bars. You have already victimized your sons and daughters with a false interpretation of human life, and have deceived them into thinking that color is a content of character and position is an essential part of lofty personality, and they fear almost daily the ghost of insecurity that your doctrine of segregation has created, and many of them will go through life looking for a type of greatness that they shall never find or enjoy. Remember, ye members of the distinguished White Citizen's Council of the South, that this is a moral universe, and moral law has its place, and force and oppression have never won an abiding victory, and prejudice has never given birth to the child of lofty principles and segregation has never added one element of truth and righteousness to the segregators. Remember that time and history are on the side of right, and every man somehow, in this wide universe, must reap what he sows. If a defenseless King Duncan is slain, a Lady Macbeth must weep and weep because she cannot wash the innocent blood from guilty hands. Intrinsic values do not depend on the destruction of human personality, and true worth never relies on tragic wrongs. The Democratic way of life dictates that we obey the laws on the statute books until they are repealed, and accept the verdicts of the courts until the rulings have been reversed, or we must be classed with law-breakers and criminals and undesirable subversives working for the overthrow of the American government. Therefore, America is fighting the battle of freedom today on the last frontier of democracy.

The Last Frontier of Democracy

America is known in history as the country of vanishing frontiers. At first a few scattered colonies on the Atlantic sea-board constituted the very heart of the new community. All of the rest was unknown swamps and unconquered wilderness infested with hostile red men and lurking germs of dreadful diseases. But step by step the pioneers braved the threats, endured the solitude and faced the dangers of death and continued their westward march until the last physical American frontier was pushed into the sea.

But today there remains still another frontier. It is a threat to America's security and a deadly enemy to the cause of freedom. This last frontier is not confined to foreign soil, neither is it the point where the military might of Russia confronts the boundary lines of the countries of the West. It is not the Mason and Dixon line that divides this country roughly into North and South; for in many respects, North is South and South is North. It is not in the field of geography, but in the realm of axiology and within the confines of psychology. This last frontier of democracy is that attitude of mind among human beings that leads them to destroy the sacred rights of others and to ignore the divine quality of every human personality. It is that attitude of mind which for the cheap testimony of prejudice, men will find an excuse for building around the lives of worthy people the hindering and hampering walls of segregation, to the detriment of both the segregator and the segregated. This last frontier must be conquered and subdued, or the cause of democracy is lost. And if this sacred cause is lost, we shall see the hallowed flag of this great Republic lowered to the dust of shame, and her honored laws trampled beneath criminal feet, and the sacred halls of our Congress shall be filled with traitors whose hands are stained with the blood of the innocent, and whose souls are haunted by the groans of the slaughtered. And justice shall lay wounded in the streets of our cities, and the rattle of the shackles of slavery shall be heard above the once golden notes of patriotic hymns, and the ugly and tyrannical demons of force shall dispel the longed for beauty of freedom. The battle to destroy segregation and discrimination, and to give full and unrestricted freedom to every deserving person under the stars, is America's battle; and we are fighting today on this last frontier.

As colored Americans, we deserve our rights; we desire our rights, and we will always struggle to get our rights. But more than our rights as a race, we must struggle to help win the battle of America. The respect for the courts of the land, the keeping of our laws, and the holding high all the lofty principles of the Federal Constitution is America's responsibility. This nation must practice freedom, and preserve the principles of democracy, and give every citizen his full right to vote and his right to live, and his right to security.

**THE BOARD OF DIRECTORS
OF THE
NATIONAL BAPTIST CONVENTION, U.S.A., INC.
TUESDAY, SEPTEMBER 3, 1957**

The meeting of the Board of Directors of the National Baptist Convention, U.S.A., Inc., met in the Zion Baptist Church, Louisville, Kentucky, Dr. D. E. King, Pastor, Tuesday, September 3rd, at 2:00 P. M., with Vice President Charles H. Hampton presiding. Devotional services were conducted by the Rev. E. Miles Kaigler and Mrs. Johnny Howard Franklin. At the request of Vice President Hampton, many of the brethren led in sentence prayers. The devotional was very inspirational and enjoyed by all present.

Following the opening service, President J. H. Jackson arrived and was presented to the Board in well chosen words by Vice President Hampton. After brief words of greeting, the President called for the reading of the minutes of the last meeting. A motion was made and seconded, that the minutes would be approved. At this point Dr. J. Pius Barbour rose for an unreadiness, and stated that he wanted to know about the re-convention badges. The President stated that convention badges had nothing to do with adopting the minutes of the Board that was held last June. The motion for adoption of the minutes was made by Dr. C. B. Knox and seconded by Dr. W. R. Mathews. The motion passed.

The Rev. R. W. Norsworthy offered a motion that the Board of Directors members only, would be allowed to vote, and that all others present would be allowed to look on. After much discussion by some of the brethren, a standing vote of the members of the board favored this decision. The motion passed.

Dr. J. E. Nance of Missouri raised the question as to whether or not Presidents of District State Conventions were eligible to hold voting membership in the Board of Directors. The President stated that in the past these Presidents had been granted the right to vote even though they had not paid as much as some of the larger conventions. There was an insistence that the constitution be followed on this matter.

At this point, President Jackson requested the Secretary to read the Constitution on this matter. When the Constitution was read, the President said we must follow the Constitution to the letter. If we have violated it unconsciously, that is no excuse for not correcting the mistake now. This was the sentiment of the Board and the Presidents of the smaller State Conventions were barred from voting membership.

Dr. Marshall L. Shepherd offered a motion that a halt be made in the business before us, and that the constitution be adhered to in this matter. This motion was duly seconded by the Rev. R. W. Norsworthy. The motion was adopted unanimously.

A request was then made that the body would be given a chance to ask the attorney of the Convention, Attorney A. T. Walden, questions on the constitution. Dr. C. C. Scott, Richmond, raised the question as to whether or not we would stipulate what phase of the constitution we would discuss. The President ruled that the whole constitution would be discussed or any phase that the brethren wanted to discuss. The motion was made by Dr. J. Pius Barbour and seconded by the Rev. R. W. Norsworthy that the Attorney be asked any question on the constitution. The motion carried unanimously. Dr. W. H. Borders then asked Attorney A. T. Walden to clarify the second of the constitution relative to tenure. There was objection to this on ground that the convention in Denver, 1956, had passed a motion to table all matters pertaining to the constitution. The President ruled that this was right, that it was laid on the table and that the Board of Directors had not the power to lift it from the table. The President ruled that inasmuch as the matter will be discussed for information only, it was all right. The President called for Attorney Walden to come forward to answer the question that had been raised by Dr. Borders. Attorney Walden read from a well prepared document giving his opinion and interpretation of the matter of tenure.

The President then called for Secretary Jemison to read Article XI of the Constitution of 1951. This article dealt with the time of adopting amendments for the convention.

Vice President Hampton recognized the Rev. Owen D. Pelt who moved that the meeting be adjourned, the motion was seconded by Dr. A. L. Davis. The motion was carried. The benediction was pronounced by the Rev. J. H. Parker, Mississippi.

J. H. Jackson, President
T. J. Jemison, Secretary

**SEVENTY-SEVENTH ANNUAL SESSION
OF THE
NATIONAL BAPTIST CONVENTION, U.S.A., INC.**

WEDNESDAY, SEPTEMBER 4, 1957

9:30 A.M.

A very spirited song service was led by the devotional leaders and the song directors. Mrs. E. W. Williams, Mrs. Majorie Olive Gordon and Mr. Thomas Shelby served at the organ and pianos, respectively.

President J. H. Jackson was presented in well chosen words by Vice President Charles H. Hampton. President Jackson stood amidst tumultuous applause and in fitting words declared the 77th Annual Session of the National Baptist Convention, U.S.A., Inc., opened for business.

A brief memorial service was held for our deceased brethren who had passed on to the great beyond since our last meeting. Following this brief memorial period, the Rev. Cleavant Derricks, Jackson, Tennessee, sang an appropriate solo, "The Unclouded Day."

President Jackson asked Secretary Jemison to read the program as prepared for this session. After the reading, Dr. T. S. Harten offered a motion that the program be adopted as read. The motion was seconded by many, an unreadiness was called by Dr. J. Raymond Henderson. His unreadiness was to the effect that the election of officers would be held at the time stated on the program, and that no motion would be made to suspend the rules to elect anyone. President Jackson ruled that this is a democratic body and that it can suspend its rules whenever it chooses. The President's ruling was sustained by the convention.

President Jackson presented Dr. W. N. Ballew, General Chairman of the Entertainment Committee for the welcome program. The program was as follows: Selection, Convention Chorus; Invocation, Rev. M. B. Lanier; Selection, Convention Chorus; Remarks, Dr. D. E. King, Co-Chairman of Entertainment Committee; Greetings, Dr. H. E. Nutter, Moderator, General Association of Kentucky Baptists; Dr. J. C. Cunningham, Louisville M. & D. Meeting and Moderator of Central District Association; Solo, Mr. Estill Glenn, Covington; Presentation of the Commonwealth of Kentucky, Mr. Mark Anthony; Greetings, Honorable A. B. Chandler; Greetings, the Honorable Andrew Broaddus, Mayor, City of Louisville; Solo, Miss Gladys Watts; Greetings, Jefferson County Judge, Mr. Van Arsdale; Greetings, Dr. W. C. Boone, Executive Secretary of Kentucky Baptists, and the closing selection by the Convention Chorus.

President Jackson presented Dr. W. Herbert Brewster, Memphis, to give the response on behalf of the Convention.

Following the response Dr. T. S. Harten lauded President Jackson and the local entertainment committee for a wonderful welcome program, and moved that we extend a special vote of thanks to the local committee for a job well done under the emergency condition in which it worked. The motion was properly seconded by many and passed unanimously. Mrs. Grace Cobb was presented to sing "The Name of Jesus."

President Jackson presented the Rev. W. T. Liggins who in turn presented Dr. M. C. Williams, Denver, Colorado, to preach the Introductory Sermon, Dr. Williams read at his text, Acts 27:22-25 and chose as his subject, "Structure Bound Destinies." The sermon was well prepared and timely and set the pace for the convention. The Rev. W. O. Mays was presented to lead the prayer following the sermon. President Jackson called for a partial report from the Finance Committee. At this time it was reported that 3,465 messengers had registered and \$33,313.50 had been received.

Following this report, the State Convention delegations were called and the convention adjourned until the afternoon session.

WEDNESDAY AFTERNOON

2:30

The song service was led by the Rev. E. Miles Kaigler and Mrs. Johnnye Howard Franklin. The devotional message was delivered by Dr. J. H. Hester, New Jersey, from the theme, "Faith for Great Living." The Scripture basis was Colossians 2:6, 7. The message was very uplifting.

Vice President E. Doyle Billoups, presiding, presented Dr. Victor E. Washington, Louisiana for an inspirational address. Dr. Washington delivered an inspiring message from his assigned topic, "The Way of Christ in a Modern World."

Vice President Billoups presented Dr. J. A. Bacoats, President of Benedict College, Columbia, South Carolina, for his assigned task. Dr. Bacoats gave introductory statements relative to his report and passed prepared copies among the delegates, "The Study of the Needs of Baptist Institutions of Higher Education Affiliated With Negro Baptist Church Organizations."

Vice President Billoups then presented the Rev. Paul A. Fullilove, Massachusetts, to make the report of "The Bombed Churches Committee." Reverend Fullilove reported that contributions to this committee amounted to \$5,378.56. This entire amount was given to churches in Montgomery and Birmingham, Ala.

The report of the May 17th Celebration was made by Dr. A. B. Coleman, Florida, and on motion by Dr. Coleman and seconded by many the report was adopted.

THE BUSINESS PERIOD:

The Auditor, Mr. J. B. Blayton, made his annual report. The report was adopted on a motion of Dr. C. C. Coleman and seconded by many. The report of the Statistician, the Rev. R. W. Norsworthy, was made and was adopted by the body.

The report of Secretary T. J. Jemison was made and was adopted by the body.

The report of Treasurer L. G. Carr was made and adopted by the body.

The annual report of Attorney A. T. Walden was made and was adopted by the body.

Following the various reports of the officers of the convention, Dr. Charles H. Williams, Detroit, Michigan, rose to a constitutional point of order. That, in light of recent observations and a more careful study, he had observed that 1952 amendments of the constitution occurred on the wrong day. It was a matter of curfew. The 1951 constitution provided that no amendments be considered after the second day. In light of this, the whole constitution of 1952 is null and void.

The President in giving his ruling asked that the records be checked first for the information of the delegates. He called upon Secretary Jemison to read Article XI of the 1951 Constitution which says in part that, "No amendments may be considered after the second day." The President then asked the secretary to read the action of the convention of 1952. The record showed that the amendments were considered on the third day. The President then apologized to the convention for the ruling that he gave in 1952, stating that he assumed the convention had acted properly and did not discover until July of 1956 the convention had acted on the wrong day. The President at once wrote Attorney A. T. Walden concerning this matter. The letter we quote,

Attorney A. T. Walden
239 Auburn Avenue, N.E.
Atlanta, Georgia

Dear Attorney Walden:

Please advise me on this legal matter.

If any phase of our constitution is amended or altered contrary to the constitutional provision by which such amendment is to be perfected, is such an amendment valid?

July 3, 1956

Second, if it is not valid, does the use of it by the Convention on the assumption that it is valid establish its validity? This is very confidential information and I am sure you will treat it as such. Please feel free to make any suggestion to me regarding the convention that you think I ought to have. You need not wait until I seek the information. As our Attorney I shall expect you to give it whenever you think I need it. I would appreciate a reply to this letter within the next week for the reasons given on the phone to you today.

Yours truly,
J. H. Jackson

This letter showed that the President was desirous of getting correct information. The reply from Attorney Walden showed that the Constitution was not valid. President Jackson wrote to Attorney W. S. Bodman of the Law Firm of Wilson and McIlvaine in September of 1956 for further information.

We quote in part from that letter.

"The first matter we talked about was the Construction of a provision in the constitution of a church or lodge or private club which provided that amendments could not be 'considered' after the second day of a convention. You posed the question as to whether or not an amendment presented on the second day of the convention but not acted upon until the third day or a later day would be properly adopted. Based entirely upon our understanding of the ordinary meaning of words, we should think that the amendment would not be properly adopted. It seems to us that the amendment would necessarily have to be 'considered' during the third day in order to be acted upon on that day."

Then President Jackson referred to Robert's Rules of Order which states, and I quote, "Any measures adopted contrary to the constitution of the body are null and void." Therefore, said the President, that in light of the constitution of 1951 as read by the Secretary, and in light of the 1952 record which shows that the so-called revised constitution was adopted on the wrong day, and in light of the opinions of Attorney Walden and Attorney W. S. Bodman and a ruling from Robert's Rules of Order, that the constitutional point of order raised by Dr. Williams was well taken, and in the light of the foregoing information the President ruled that the so-called Revised Constitution was null and void and the only valid constitution the Convention has is the constitution of 1951.

Following this ruling by the President, the huge delegation was delirious with joy over the fact that they were now free to select the man of their choice.

For a few minutes there was a brief demonstration in the auditorium by the supporters of Dr. Jackson. Following the demonstration, Dr. T. S. Harten moved that the rules be suspended and Dr. Jackson be re-elected President. The motion was seconded by Dr. C. C. Coleman and Dr. Morris Burrell and many more. The President was elected by acclamation. The voting was by standing vote and an overwhelming majority of delegates stood in favor of the motion.

Following the election of the President, the afternoon session adjourned with the benediction being pronounced by Dr. A. L. Davis.

WEDNESDAY EVENING

7:30

The evening session was opened by Vice President E. Doyle Billoups. The evening devotions were led by the Rev. John F. Williams, Virginia. Dr. S. D. Ross, Michigan, Chairman of the Commission on Race Relations was presented for his report.

THURSDAY, SEPTEMBER 5, 1957

Following the message, Mrs. Geneva Smith, St. Louis, sang, "Precious Lord, Take My Hand."

Vice President Hampton presented the Rev. I. H. Henderson, Jr., to give a brief report of the Trustee Board of the American Baptist Theological Seminary. At this point there were cries to have the Secretary to read the journal of the previous day's session. Rev. Henderson at the close of his report, presented Dr. Maynard P. Turner, newly elected President of the Seminary. Dr. Turner presented himself in a very fine way and gave highlights of the Seminary and also spoke of the fine cooperation of the National Baptist Convention, U.S.A., and the Southern Baptist Convention. Rev. Henderson presented Mr. L. S. Sedberry, Southern Baptist, for a few remarks. Miss Primrose Funches, Promotional Director of the Seminary, gave a progress report on the Seminary Drive. The amount raised, \$1,688.67.

Following the Seminary offering, the cry for the journal of the previous day's session be read. A few men of the convention who were quite persistent about having the previous day's journal read, caused a disturbance and the Convention for a few minutes was in disorder. A call to the delegates on the floor as to the acceptance of the procedure, showed that a majority wished to follow the program that didn't call for the reading at this time of the previous day's journal. The entire disturbance was caused by just a few of the men present.

Vice President Hampton recognized Dr. D. E. King to make a motion. Dr. King moved that because of the unchristian like behavior of the Rev. L. Evans, and because of the disorder caused by him, that he be dismissed from the Convention. The motion was seconded by the Rev. J. H. Harvey, Taylorville, Mississippi. The motion passed.

Coleman and seconded by many that the President's address and recommendations be adopted. The motion passed. Following the address the Olivet Church also made a presentation to Mrs. J. H. Jackson. Among others who made presentations was the Rev. Louis Boddie, Chicago.

The President recommended further, that presidents of district conventions be considered as members of the Board of Directors and be granted the same privileges as presidents of larger conventions, notwithstanding these small State Conventions are not financially able to contribute as much as the larger Conventions.

A motion was made by Dr. Morris Burrell and seconded by Rev. R. E. L. Hardmond that the recommendations be approved. The motion passed unanimously.

At this point, the President of the Convention, being desirous of permitting delegates to express again the attitude on all issues that had been acted on previously, and because there was being circulated in the Public Press statements that there were some delegates who did not approve all of the actions of the Convention, asked for a standing vote of all of those who did approve Convention actions up to this time. Approximately 5,000 delegates stood in the affirmative. When the negative was put, 16 people stood in the opposition.

BOARD OF DIRECTORS AND ADVISORY COMMITTEE MEETING
WEDNESDAY, JANUARY 22, 1958
8:00 A.M.

The meeting was called to order by President J. H. Jackson. Rev. W. H. Robinson in singing "Near the Cross." Prayer was offered by Dr. J. A. F. Finlayson, after which we sang, "Down at the Cross." The Scripture lesson was read by President Jackson and was taken from Isaiah 40: beginning at the 28th verse. Following the Scripture the Board spent a few moments in silent meditation. President Jackson led the meditation period with a prayer.

The minutes of the previous meeting were read by Secretary T. J. Jemison and on motion of Rev. W. R. Matthews and seconded by Rev. C. C. Coleman the minutes were adopted as read.

It was moved by Rev. Owen D. Pelt and seconded by the Rev. R. H. Robinson that President J. H. Jackson would serve as Chairman of the Board for the Convention for 1958. Motion passed unanimously. It was moved by Rev. A. L. Davis, Jr., and seconded by Rev. C. C. Coleman that Secretary T. J. Jemison would serve as Secretary of the Board for the ensuing year. The motion passed unanimously.

President Jackson appointed a committee to recommend members to the Board who would serve as members of the Executive Committee along with the President, Secretary and the Treasurer. The members of the committee were, Dr. E. Doyle Boudrops, Chairman, Dr. J. A. F. Finlayson, Secretary, and Dr. L. A. Pinkston.

Due to the fact that some of the State Presidents are members of the Board of Directors because of holding an elective office, it was moved and properly seconded that the following men be recognized as members of the Board of Directors. They are as follows: For Vice President, C. H. Hampton, Rev. E. A. Anderson; for Dr. A. F. Finlayson, Dr. A. B. Coleman; and for Dr. A. E. Campbell, Tennessee, Rev. M. Lee. The motion carried unanimously.

A statement prepared by President Jackson congratulating President Dwight D. Eisenhower on his work for Peace was read to the Board by Assistant Secretary C. Washington. The Board adopted the statement as the sentiment of the body and a copy was sent to President Eisenhower.

Secretary T. J. Jemison read another prepared statement or document of President Jackson from the theme, "The Urgency of This Integration Struggle." This was a thought provoking statement, and it was received with a great deal of enthusiasm by the entire Board present. On motion of Rev. C. C. Coleman and seconded by Dr. A. Harten who made glowing statements relative to the leadership of Dr. Jackson, the motion passed unanimously that this document would become the sentiment of the Board and that it should be publicized in the public press. The motion was carried that the entire document be published in the Arkansas Gazette, and that a copy would be provided by the Convention. The amendment motion passed unanimously.

This session of the Board of Directors and the Advisory Committee came to a close with the benediction being offered by Dr. A. B. Coleman, Florida.

Dr. J. H. Jackson, President
T. J. Jemison, Secretary

MORNING SESSION

The meeting was opened at 9:30 A.M., with Vice President Boudrops presiding. Devotion was conducted by Rev. Kaigler. Rev. J. W. West read the Scripture, Psalm 37, and led in prayer. Song led by Rev. Kaigler, "Father, I Stretch My Hand to Thee."

Mrs. Johnnie H. Franklin led the congregation in singing, "Lift Him Up." Vice President Billoups then presented Dr. J. H. Jackson as the first man among Baptists to be elected President of the National Baptist Convention, U.S.A., Inc. President Jackson made inspirational remarks that lifted jaded spirits and the hopes of all. Upon his remarks the audience stood in silence in memory of Dr. H. H. Humes, Dr. Ramsey and others. The agenda was passed to board members.

The first item of business was the reading of the Ministerial Retirement Plan by Secretary Jemison. This program was proposed by the Great Southwest Insurance Company. Dr. Whit of Alabama arose to make a motion with the preference the plan be adopted. There was a chorus of seconds. Rev. T. L. White, Chairman, caught an unreadiness with the comment that the Convention could set up its own plan.

After a discussion by Rev. White and the President of the Convention as to the possibility of the Convention setting up its own retirement plan, the substitute made by Rev. White was unanimously adopted by the 68 Board members present. Also the non Board members of the Convention voted their approval of the plan. The Board members unanimously.

The President of the Convention appointed a special committee to hear Grievances and Irregularities that any person had against the conduct of the National Baptist Convention in Louisville, Kentucky, or any phase of our work with special reference to ten men who had filed complaints against the President of the Convention in Federal Court in Washington, D. C.

Dr. J. D. Howard, St. Louis, Mo., was made chairman of the Committee. The President read a part of the committee, and asked that the rest of the committee be appointed from the floor.

The President stated that this committee had been named because an Executive Committee that met in Chicago on November 26th, 1957, had authorized representative letters to be sent to the ten men who had filed the suit against the President. This committee was designed to give these ten men an opportunity to report all irregularities that they said existed in the conduct of our Convention in Louisville. The committee met in the Union Baptist Church.

The hour for preaching arrived. The audience stood and sang, "Amazing Grace." The President then presented Rev. W. M. Fields, Moderator of Memphis District Association, Memphis, Tennessee, to deliver the sermon. Rev. Fields used as his text the Scripture Gospel, Mark 5:35-37, subject: "High Place and Low Motives." His message was provocatively inspiring and deeply spiritual. Solo, "He'll Understand and Say Well Done," by Rev. Cleophus Robinson, St. Louis, Mo.

Benediction, Rev. W. M. Fields.

Dr. J. H. Jackson, President
T. J. Jemison, Secretary

He stated that the support

Dr. S. T. Alexander, Chairman of the Finance Committee, submitted a partial report in the amount of \$5,564.50.

Assistant Secretary D. C. Washington read a long list of letters that were sent to President Jackson by many brethren who could not attend the meeting. All of the brethren were forthright in their expression of their constant support to the Convention and their faith in the leadership of Dr. Jackson. The huge sum of money coming through this channel was turned over to the Finance Committee. Words of commendation followed by Dr. M. L. King, Sr. of Atlanta, Ga., and Mrs. M. F. Washington, the widow of the late Dr. M. F. Washington, Cleveland, Ohio. Mrs. Washington gave \$10.00 in memory of her late husband.

A report on the Bath House Commission was submitted, and because of the passing of Dr. H. H. Humes, Mississippi, a reorganization was perfected with new management. (See report) A motion by Dr. Martin Luther King, Sr., and seconded by Dr. J. H. Johnson, Montgomery, that the report be approved was unanimously passed. Dr. C. B. Knox, Arkansas, the Chairman, and Mr. Means of Indiana, the New Manager, were recognized and both pledged their best in service in the responsibilities committed to them.

President Jackson announced that Dr. Laws, President of the New Jersey State Convention, would bring the message at the evening assembly.

It was moved and properly seconded that the two buildings formerly used by the National Missionary Training School would be leased for the use of the American Baptist Theological Seminary for \$1.00 per year. The motion passed unanimously. The benediction was pronounced by Rev. David Smith, Louisiana.

Rev. James A. Moore, Baltimore, Md., was recognized to speak on his work pertaining to church records.

Dr. Pettaway, President of the National Baptist Convention of America, was presented by President Jackson. Dr. Pettaway brought warm greetings to a most receptive audience, stating the warm relation and cordial spirit that should exist between the two Conventions.

President Jackson presented Mrs. Louis Patillo, instructor in the North Little Rock School who made brief remarks and presented her daughter, Melba Patillo, one of the nine students at Central High School. Miss Patillo gripped the assembly in a brief but touching message in which she stated that God was the central figure in her life.

A solo was sung and Dr. R. A. Laws, New Jersey, was presented for the sermon. Following a meditation of prayers led by Dr. Laws, he announced his text, Jeremiah

36:23-32. Subject, "A Penknife and God's Word." The message was at once gripping and convincing. "In the Cross" was sung.

Vice President C. H. Hampton announced a meeting of the Board of Directors and the Advisory Committee for 8:00 a.m., Jan. 23rd and gave the benediction.

Dr. J. H. Jackson, President

BOARD OF DIRECTORS MEETING CLOSED
SOCIAL-FELLOWSHIP HOUR
THURSDAY EVENING, JANUARY 23, 1958

The Board of Directors and the Advisory Committee closed the annual meeting with a social-fellowship hour. This is the first time in the history of the Convention that such a fellowship was held. The social hour was held in the auditorium of the Bath House and all officers and members of the Convention were on hand for a pleasant and glorious time. Quite a number of the Officers and Board Members had departed but all who remained enjoyed a grand fellowship.

The social hour consisted of an impromptu program, a grand march and eating. The program was one that will long be remembered by all present. The grand march was led by President and Mrs. J. H. Jackson. The repast was prepared by Mr. Harrison and consisted of ham and turkey sandwiches, hot coffee and ice cream and cake.

The fellowship hour came to a close and all present were loud in their praise for President Jackson for having thought of the idea and carried it through. Many felt that more such fellowships should be sponsored by our Convention.

COMMENTS

The National Baptist Convention, U.S.A., Incorporated is a District of Columbia Corporation. It is the parent body of several subsidiary corporations. The principal functions of these subsidiary corporations are suggested by the names which they bear. Important among these subordinate corporations are the Sunday School Publishing Board, Incorporated under the laws of the State of Tennessee; The Baptist Training Union Board, also a Tennessee Corporation; The Foreign Mission Board, a corporate creature of the Commonwealth of Pennsylvania; and the Woman's Convention (Auxiliary to the National Baptist Convention).

In addition to the functions assigned to these subsidiary corporations, much of the work of the Convention is assigned to many boards, commissions and departments which are not incorporated, hence, do not exist legally except as departments of the Convention. Among units of this classification are the Sanitarium-Bath House in Hot Springs National Park, Arkansas; The Home Mission Board whose headquarters are located in Milwaukee, Wisconsin; The Laymen's Convention (sometimes called the Laymen's Movement) with executive offices in Louisiana; The Ministerial Board of Chattanooga, Tennessee; The Moderators' Convention; The Education Board and others.

Important among unincorporated commissions of the Convention, is the Finance Commission of Nashville, Tennessee whose only remaining function is that of winding up (after locating holders) of the Debenture bond situation. These bonds were called many years ago, but some holders have not submitted their certificates for redemption. Also the Commission on the Bath House is made responsible for the supervision of the Convention's investment of nearly a million dollars in Hot Springs, Arkansas.

Still other functions of the Convention are delegated to permanent or temporary committees. The constitution and by-laws of the Convention require all permanent boards, commissions, subsidiaries, and others who handle funds or credit of the Convention or of any of its units to submit their records for audit. Some of these units never submit records. Some others submit them occasionally. Some units submit their records for examination and audit every year.

Among the units which always submit their records for audit are The Sunday School Publishing Board, The Baptist Training Union Board, the Foreign Mission Board, the Home Mission Board, the Bath House Commission, the Editor of the Youth, The Finance Commission and the Woman's Convention. The Ministerial Benefit Board has for many years submitted its records for audit, but failed to do so for the first year just closed. The Laymen's Convention (Movement) usually submits its records for examination, but did not for the year just ended nor for the next preceding fiscal year.

Your auditor's files do not reveal that the Moderators' Convention or the Educational Board has ever submitted their records for audit. These units do receive funds in the name of the Convention.

The Sunday School and Baptist Training Union Congress uniformly has its books audited by the auditor of the Convention or by some one delegated by him. Your auditor points out here that all those who are required to submit records for audit but who do not are in violation of the constitution and by-laws of the Convention as well as of modern business practices.

All Convention executive officers required to submit records for audit make available their records for this purpose. During the year just closed, the Convention president does not appear to have received any payments for his own account nor for the account of other persons or purposes.

The National Baptist Training School in Nashville did not operate as an educational institution during the school year, 1956-57. Certain of the functions of the school were absorbed by the American Baptist Theological Seminary. Other functions

were discontinued. Certain previously committed financial obligations of the school are being honored by the Sunday School Publishing Board on behalf of the Convention. Important among these commitments are the obligations of the School, in the name of the Convention, to provide tuition and the like elsewhere for scholarship students in attendance at the School at the time of its closing. This is particularly so with respect to the School's obligation to its foreign students who were receiving their education at the invitation of the Convention; hence, its guests.

The reader's attention is also invited to the narration which affects the particular items appearing in this overall report. Thus, discussions concerning a particular unit or officer, but which are not necessarily of great concern to the Convention as a whole are engaged in at the location of highest relevance.

During the fiscal year just closed, particularly immediately preceding the mid-winter Board of Directors meeting in Hot Springs, Arkansas the president of the Convention raised certain questions with your auditor. The auditor's replies to the president, together with the questions raised by the Convention chief executive are reproduced as an appendix in this report. Your auditor feels obligated to present that production since questions were asked the auditor in the sessions of the referenced Board Meeting.

Attention is invited to the consolidated balance sheet and the consolidated profit and loss statements of the business boards. The working capital of the Convention when taken as a whole including all subsidiary corporations improved from a 1956 position 2.2:1 to a 1957 position of 2.7:1.

The Sunday School Publishing Board and the Baptist Training Union Board improved their fiscal positions significantly during the year just closed. The financial position of the Sanitarium-Bath House was seriously worsened during the fiscal year ended at June 30, 1957. The Hot Springs unit is in no condition to provide funds for September maturity to the Reconstruction Finance Corporation. As a matter of fact, the \$3,333.33 which the unit paid to the Convention during the year was made payable by the deferment of other current obligations. The debts of this unit are very large, its maturing and past due obligations are nearly 2½ times as much as sight assets with which to liquidate them. The operational picture in that unit does not suggest nor warrant short-term financing.

Net profit of the business boards when considered collectively was measurably less during the year just closed than in the next preceding year. Selling expenses of the Sunday School Publishing Board was the largest single influence in this showing.

OFFICE OF THE SECRETARY
COMMENTS

The Secretary of the National Baptist Convention, U. S. A., Incorporated is allotted \$3,000.00 per year for the operation of his office. It could be that your auditor would be concerned with the expenditures from that fund. Your auditor, nevertheless, feels that it is his responsibility to inquire into all expenditures from budgetary allotments, not for the purpose of the salary or stipend, of the involved officer. Accordingly, your auditor has caused an audit to be made of the receipts and expenditures of this office. The same are set forth in an appropriate schedule. When the deficit of fiscal 1956 is merged with receipts and expenditures of fiscal 1957, it will be seen that this officer has expended some \$426.46 in excess of that which was provided to him by budget allocations. In the opinion of your auditor, the excess expenditures are in the interest of the Convention. It is, of course, a matter for your Board of Directors to decide whether or not this officer is entitled to reimbursement for this excess expenditure.

OFFICE OF THE TREASURER
COMMENTS

The Treasurer is the fiscal officer of the National Baptist Convention, U.S.A., incorporated. His office is resident in Philadelphia, Pennsylvania. He receives from the financial secretary or his designate or equivalent. During fiscal 1957, the Treasurer received a total of \$83,036.29, which when added to the cash in his custody at the end of fiscal 1956 amounted to \$90,138.17. His expenditures, supported by proper vouchers (except those marked with an asterisk (*) in the schedule following the comments) amounted to \$88,179.52. Thus, this officer expended all but \$1,958.65 of the funds for which he was accountable. This residue was found by your auditor to be resident in banks as are set forth in an appropriate schedule.

Among other expenditures made during fiscal 1957, this officer, upon proper authority paid to the Reconstruction Finance Corporation \$11,000.00. This \$11,000.00 was for the purpose of liquidating an installment on the Arkansas Bath House of \$2,000.00 together with interest. It will be noted from an appropriate schedule in the Section on Bath House section of this report that the \$3,333.33 was paid over to the Corporation from that unit.

Among the assets held in the custody of the Treasurer were \$40,000.00 worth of Treasury Bonds, 1995 maturity, issued by the Government of the United States. Your auditor inspected these bonds and found them to be intact. These bonds are currently selling on the New York stock exchange at approximately 87. Thus, these bonds which cost \$40,000.00 last year had a market value at June 30, 1957 of only \$34,800.00.

Your auditor is still not satisfied with the system which renders his first audit possible against the records of the Treasurer rather than against those of the officers who receipt the messengers and delegates for their fees.

Checks issued and appearing in appropriate schedules which are marked with an asterisk (*) and for which no vouchers were exhibited to your auditor amounted to \$13,516.06 and are as follows:

THE NATIONAL BAPTIST VOICE
COMMENTS**

This is an unincorporated department of the National Baptist Convention, U. S. A., Incorporated. By constitutional provisions the voice is the official organ of the National Baptist Convention, U. S. A., Incorporated. By virtue thereof the editor of the voice is an officer of the National Baptist Convention, U. S. A., Incorporated. By constitutional edit, the voice is supposed to receive \$2.00 out of each \$10.00 contribution. At no time has this organ received its constitutional allowance. During the fiscal year closed June 30, 1957, the voice received as subscriptions from the Na-

Baptist Convention \$5,000.00. Constitutionally perhaps, this figure should have been much larger. The editor of the Voice through his personal resources and ingenuity provided \$4,000.00 through what he called "special drives". Your auditor has determined that "such drives" were actually advertisements in religious publications. The auditor in addition, required further funds. He therefore secured a loan or loans aggregating \$2,000.00, all of which was unpaid at the end of fiscal 1957.

All vouchers for expenditures of this office were examined by your auditor or his subordinates and found to be in order. Even after allowing for the borrowed money, the editor spent some \$235.00 more than he received from all sources. Including the operating deficit for fiscal 1957, the Convention is indebted to this officer, office, or purpose in the total amount of \$2,935.00.

COMMENTS**

This unit of the National Baptist Convention, U.S.A., Incorporated is a Tennessee Corporation. Its charter is rooted in the National Baptist Convention, U.S.A., Incorporated. This Board is under the general supervision of a Board of Directors appointed by the National Baptist Convention. Its management is in the hands of an executive committee consisting of a chairman, an executive secretary, a treasurer, and one member. Its active managing officer is its executive secretary.

The Board is well managed. Its accounting records are well ordered under the general direction of a registered public accountant of the State of Tennessee. Its accounting staff is also one candidate for the certified public accountant degree under the laws of the State of Arkansas. Hence, the records of this Board compare favorably with those maintained in the leading manufacturing corporations of America.

During the fiscal year closed on June 30, 1957, this unit sold merchandise with sales value of \$790,264.42. Of this amount, some \$120,000.00 was manufactured by this unit itself. A little over \$60,000.00 of these sales arose out of goods which were

already processed. From these manufacturing and sales operations, a profit of nearly \$124,000.00 was brought down. At the end of the fiscal year, its total assets amounted to \$3,084,058.27. But, of this amount, the National Baptist Convention, U.S.A., Incorporated owed to this unit \$2,471,587.99. This debt from the parent organization arose over many years and represents amounts paid for National Baptist Convention enterprises and/or directly to the Convention. Perhaps this item should be eliminated from the books, but your auditor has no authority to do so.

At the close of the fiscal year involved, this Board had cash accounts totaling \$4,575.42, but it had current and accrued liabilities amounting to \$175,488.91. Contained in the current liabilities of this Board are accounts payable of some \$12,360.00 and notes payable of nearly \$157,000.00. Your auditor met with the full Board of Directors of this Board and he knows that all liabilities have been approved by that body.

During the year just closed, this Board acquired in trust for the National Baptist Convention, U.S.A., Incorporated certain adjacencies to the Morris Memorial Building in Nashville. Your auditor working in conjunction with your general counsel inspected the premises occupied by this Board decided with its management that these expenses and outlays were absolutely necessary for the Board, if it were to operate normally. Already some \$28,000.00 has been expended for these purposes. More must be expended to complete these transactions.

During the year closed June 30, 1957, this Board expended \$40,534.19 in the operation and maintenance of the Morris Memorial Building, a National Baptist Convention, U.S.A., Incorporated property. The Board collected rents from this property of \$15,000.00. It follows therefore that some \$25,000.00 was spent by the Board in operation and upkeep of this building in excess of the rent collected. The building, of course, under general renovation. More must be spent for this purpose. Of \$15,000.00 (more or less) collected for rents, \$12,000.00 was paid by this Board itself.

Other transactions made or entered into by this Board on behalf of the National Baptist Convention, U.S.A., Incorporated are appropriately set forth in schedules and require no further comment here.

NATIONAL BAPTIST TRAINING UNION BOARD

NATIONAL BAPTIST CONVENTION, U. S. A., INC.

NATIONAL B. T. U. BOARD

COMMENTS

The Baptist Training Union Board of the National Baptist Convention, U. S. A., Incorporated in a Tennessee Corporation. It is managed by a Board of Directors elected on a self-perpetuating basis, but subject to the approval of the National Baptist Convention, Incorporated. The home office of this Board is resident in Nashville, Davidson County, Tennessee. This Board was incorporated and exists for the purpose of providing Training Union Literature to young Baptist people throughout the nation and elsewhere in the world. The Board is under the immediate supervision and direction of (authority and responsibility) of an executive secretary elected by the Board of this unit and confirmed by the National Baptist Convention, Incorporated.

The Board is well managed by an executive whose training in addition to religion is in the field of economics. Its accounting records are under the general supervision of a person who holds an M.B.A. Degree with a major in accounting from one of America's leading graduate schools. It follows therefore that from a point of view of equipment, this Board is well set.

The Board has cleaned up all confusion with respect to the Isaac Foundation. The fund is now inventoried by assets which command the respect of all who inquire into it.

During the fiscal year just ended, this unit brought down a net profit of more than \$3,000.00. This is significantly superior to that which has been brought down in the last several years. For example, the current year's net profit is four times as large as that for fiscal 1955-1956.

This Board maintains offices and plant in the Morris Memorial Building on Gay Street in Nashville, Tennessee. It will be recalled that the National B. T. U. Board

was required to permit the National Baptist Convention, U. S. A., Incorporated to sell its Gay Street property some three or four years ago. While its current allocated space is hardly sufficient for its purpose, it has resigned itself to the proposition that it must carry on within the current frame work.

All accounts of this Board were found in balance and inventories represented by the controlling accounts were found to contain what they should.

COMMENTS

This unit of the National Baptist Convention, U.S.A., Incorporated is an unincorporated one. It operates under a hospital franchise of Hot Springs National Park, Arkansas. Its bath house is licensed by The Park Service of the Interior Department of the United States. Legally, the unit operates under the general supervision and authority of the Board of Directors of the National Baptist Convention, U.S.A., Incorporated. The Board of Directors of the Convention has constituted an operating Board which is called The Bath House Commission to which has been delegated supervisory authority and responsibility. The Commission is headed by a Chairman who actively supervises the management of the unit. The Commission names a general manager to whom all managerial authority and responsibility are delegated. Because the bath house section of the unit performs quasi hospital functions and for other conforming reasons, its income is exempt from taxation in contemplation of the laws of the State of Arkansas and of the United States.

While titles to the real and personal properties employed by this unit reside in the Convention they are carried on the books of the unit for purposes of accountability. Assets in residence at the unit are divided on what your auditor regards as an equitable basis between the hotel and the bath house. This is done in accordance with Interior Department regulations so that assets and liabilities relating to the bath house separately may be reported to that governmental agency. That agency does not concern itself with hotel assets, liabilities, nor operations.

During the fiscal year closed on June 30, 1957, the report of operations shows a net loss of \$9,346.45, but the unit remitted to the Convention the sum of \$3,333.33 which has been included in expenditures. Properly, then, the actual business net loss for the unit was \$6,013.12. If the remittance to the Convention is regarded as a Hotel expense, the Hotel shows a loss for the twelve month period ended June 30, 1957 of \$11,906.79. The year ended June 30, 1957, from a profit and loss point of view, was the worst in the history of the unit in the ownership of the Convention. This will be seen more clearly from the following comparative tabulation for the fiscal years ended in June of 1956 and 1957:

	1956	1957
Hotel	\$ 396.68 Loss	\$11,906.79 Loss
Bath House	6,249.20 Profit	2,560.34 Profit
Total	\$ 5,852.54 Profit	\$ 9,346.45 Loss

In fairness to the Commission and the current general manager, it should be pointed out that the general manager elected by the Commission died on February 1, 1957. The widow of the late general manager was selected to serve as interim general manager in the place of her late husband.

Schedule two of the audit report of this unit reveals difference in amounts deposited in designated banks from funds collected as shown by source data. Schedule four of this section of this report under takes to segregate these differences by months in order to place the accountability respectively on the estate of the late general manager and that of his successor. It will be noted from an examination of these schedules that no credit has been allowed either of the general managers for their "longages". This, for the reason that longages do not necessarily (and usually do not) all relate to shortages.

Schedule four of this section of this audit report has already been referred to. In the bottom of that schedule, will be seen an amount of \$1,300.00 as a credit against shortages charged to the late general manager. This credit arose out of the late general manager's non-acceptance of \$100.00 per month salary increase. Since the Commission voted this salary increase, your auditor has assumed that this unpaid sal-

FOREIGN MISSION BOARD

COMMENTS

The Foreign Mission Board is a Pennsylvania Corporation. Its home office is in Philadelphia. As an entity, this Board is older than its parent organization—the National Baptist Convention, U.S.A., Incorporated. Nevertheless, by appropriate resolutions, charter amendments, and other required and proper actions, the Foreign Mission Board is a subsidiary corporation of the National Baptist Convention, U.S.A., Incorporated.

This Board is ably managed by an officer who has had many years of experience in foreign missions and in the management of agencies created and operated for the purpose. At no time has the managing officer of this Board been short, or suspected of a shortage for the more than 20 years during which your current auditor has reviewed his books.

The accounting records of this Board are under the general supervision of a person who is highly equipped for his present assignment. For many years, the chief accounting officer of this Board performed public accounting services for a long line of clients. His training and experience are reflected in the high calibre which characterizes the accounting of this Board. Overall, the managing officer of this Board has surrounded himself with a staff, each of whose members is fully qualified for his or her assignment.

Our working papers are replete with details supporting the appropriate schedules and exhibits pertaining to this Board. In the interest of space in printing, many comments which would otherwise be made are reserved for discussion (in person) with the Board of Directors of the Board.

Your auditor has never had clearly in his mind, the reason for the loan which the Foreign Mission Board made to the Woman's Convention Auxiliary several years ago. During the year just closed, the Woman's Convention concluded its payments on this obligation. It appears from conferences with officials of the Woman's Convention that the proceeds of the loan were used as payments on the Foreign Mission Retreat at Washington, D. C. Whether or not this property belongs to the Woman's Convention or to the Foreign Mission Board, your auditor does not know. Nor does he know the extent of any unpaid mortgages or other liens on the Retreat.

The Board is solvent, sound, and knows what it is doing. Its operations are sound. I have audited 100% of its transactions and know (and am willing to certify that) its records herein reported are correct—at least, in accordance with current accounting practices and procedures.

HOME MISSION BOARD

COMMENTS

The corresponding secretary of this Board has his and the Board's office in Milwaukee, Wisconsin. The Board is an unincorporated department of the National Baptist Convention and is constituted as other comparable units of the Convention. Reference is made to pages 71-73 of the audit report of the Convention for the fiscal year ended June 30, 1956. Most of the comments made there are still applicable. Those pages of last year's report are made a part hereof by reference.

During the fiscal year closed June 30, 1957, this Board collected (according to records) \$15,490.28 and spent \$15,179.67. Of the receipts \$1,917.72, arose out of borrowings, and \$2,813.91 of the disbursements represented repayments of loans.

There is marked improvement in the bookkeeping of this Board. There is no noticeable improvement in Board cooperation with the executive in the encouragement of increased revenue.

Your auditor does not know the extent of loan liability of this Board, if any, nor does he know names of loan creditors, if any.

COMMENTS

This unit of the National Baptist Convention is owned and controlled by the Women of the Baptist Denomination. This unit operates under a charter which constitutes it as a legal entity under the laws of the State of its incorporation, and commands the respect of all other states.

During the fiscal period closed on June 30, 1957, this unit had receipts of some \$64,000.00. Its disbursements were approximately the same as its receipts. This must not be understood to mean that no net revenue was received by the unit. For example, during the year, the Woman's Convention completed its liquidation of the last which it secured from the Foreign Mission Board some years ago. It also made significant contributions to Education, Home Missions, Foreign Missions, and other purposes to which the National Baptist Convention, U.S.A., Incorporated is devoted.

This is the only unit of the National Baptist Convention, U.S.A., Incorporated which budgets its revenues in such a way that it knows in advance how much must be devoted to each purpose.

While no officer or employee of this unit claims any preeminence in the field of accounting or record keeping, your auditor was able to determine precisely the source of all revenues and the disposition of the funds in the custody of responsible trustees.

The exhibits and schedules pertaining to this unit together with the records of the accountable and responsible officers are sufficient to provide such intelligence as may be desired.

Your auditor suggests that reference be made to his report on this unit for fiscal 1956. Now, that the full debt to the Foreign Mission Board has been liquidated, it would seem to your auditor that a deed should be provided to this unit of the convention or to the Foreign Mission Board or such other unit as the Board of Directors of this unit might suggest to the property or properties on which such liens rested.

With further reference to the paragraph next above, your auditor has come into the intelligence that a Federal Savings and Loan Association in the Washington area holds a mortgage lien on the subject property. Your auditor does not know and your general counsellor has not revealed to him the extent of such obligation, if any. The subject property does not appear in your auditor's reports of any other units of the Convention; hence, not in the Consolidated Balance Sheet. This matter is again referred to counsel for the Convention and for the Woman's Convention for such action as they may find appropriate.

COMMENTS

In 1955, the American Baptist Theological Seminary in a board meeting decided that its audits should not be made by a member of the National Baptist Convention, U.S.A., Incorporated nor of the Southern Baptist Convention. It will be noted that this Theological Seminary is owned and supported by these two conventions through a corporation created for this purpose.

The fiscal 1957 audit report of this Seminary was conducted by the Honorable R. Brantley J. Campbell and Associates, Certified Public Accountants, Nashville, Tennessee, not a member of either of the sponsoring conventions. Your auditor has accepted as correct, but takes no responsibility for, the audits prepared by the Honorable R. Brantley J. Campbell. The exhibits and schedules of that firm are included herein for information and in order that the data contained therein may be compared with the units of other corporations, boards and departments of the National Baptist Convention, U.S.A., Incorporated.

 CERTIFIED PUBLIC ACCOUNTANT

 January 18, 1957

Dr. J. H. Jackson, President
 National Baptist Convention, U.S.A., Inc.,
 501 Malvern Avenue
 Hot Springs, Arkansas

My dear Dr. Jackson:

Pursuant to instructions contained in your telephone call and in your letter, I am advising as follows:

1. I have said to the Convention Attorney that you wished to have a report as to title of properties located in Washington, D.C., and on which the Woman's Convention (Auxiliary to National Baptist Convention, U.S.A., Inc.) has paid several thousand dollars. Also, on such property or properties on which the Home Mission Board appears to have made several payments. The Convention Attorney has agreed to report on these matters directly to you or to the Board of Directors of the Convention.

2. You, for reasons satisfactory to yourself, have asked me whether the National Baptist Convention, U.S.A., Inc., is "bankrupt". I am advising that it is not. Only a United States District Court has the power to find that an individual or a corporation is "bankrupt". No court has so adjudged the National Baptist Convention, U.S.A., Inc.

3. You have asked whether the National Baptist Convention, U.S.A., Incorporated is insolvent.

I am advising that there are two generally accepted definitions of insolvency. One: immediate insolvency—one is insolvent under this definition when he (she or it) cannot meet his obligations as they mature. The other definition—and the one which accountants have in mind when they speak of solvency—is that one is insolvent when the fair value of his assets is less than the total of his liabilities regardless of the maturity dates of the liabilities or the liquidity of his assets.

If by "The National Baptist Convention, U.S.A., Incorporated" is meant convention, per se, and exclusive of its incorporated boards and affiliates, we have one answer. But, if by that term we mean The Convention, (parent corporation) and its affiliates and subsidiaries, we have another answer.

If, also, we are to ignore the obligations of the Convention (parent) to its incorporated subsidiaries (affiliates), we get one answer, but, if we regard the obligations of the Convention (the parent corporation) and these affiliated incorporated units as separate entities which as a matter of law they are, then we have another answer.

Your auditor has determined that all real estate owned by any and all units whether incorporated or not are (by-laws) the property of the Convention (parent corporation). Accepting this theory, the total assets of the Convention (parent corporation) amounted to \$2,081,414.72. Its total liabilities on that date amounted to \$89,872.22, if its debts and those of its unincorporated units to incorporated affiliates (or subsidiaries) are ignored. But, if the debts of the parent corporation and those of its unincorporated units to incorporated affiliates (subsidiaries) are taken into account, then, in that event, the Convention's liabilities (parent corporation) would amount to \$2,593,753.90 and the resulting net worth position would be one of insolvency to the tune of \$510,339.18.

(It is your auditor's opinion that, whether legal or not, debts which the Convention owes to its incorporate affiliates (or subsidiaries) should be ignored—particularly, when the question of solvency of the Convention is placed under examination).

4. You have asked me what happened to the proceeds of the sale of the B. T. U. Board property on Gay Street in Nashville. I am advising that, in the first place, the property belonged to the National Baptist Convention, U.S.A., Incorporated as a matter of law. Equity could have suggested that the asset was impressed with a trust in favor of the B. T. U. Board. Notwithstanding these theories, the proceeds of this sale passed to the Treasurer of the National Baptist Convention, U.S.A., Incorporated. From the office of the Treasurer a relatively small amount was returned to the B. T. U. Board for the removal of its effects from Gay Street to the Morris Memorial Building and for the purchase of suitable furniture, and the like, or its new environment. About \$19,000.00 of this fund was paid over to the American Baptist Theological Seminary. This is a conclusion drawn by your auditor since there was no other source of this remittance to the Seminary in this amount.

I shall have with me at Hot Springs a copy of the June 30, 1956 audit on which these conclusions are based. There are also in my possession certain working papers which may be useful.

5. You have asked me whether the fiscal position of the Convention (as a whole) has worsened or bettered under your administration. My answer is that the net worth of the Convention has continued to grow under your administration as under others.

6. You have asked me whether any other administration had, to my knowledge, invested any substantial amount in Government bonds or other securities of that stature. I have answered that they had not. In February of 1956, the Treasurer of the Convention issued a check which acquired \$40,000.00 of U. S. Treasury bonds. These bonds were in existence in the ownership of the Convention at the time of our audit of the office of the Treasurer for fiscal 1956 and at that time had a market value of \$51. These bonds are non-callable and mature in 1995.

IN MEMORIAM—REV. AMBROSE BENNETT

It is fitting, and we pause here for a moment to place a wreath of "Immortelles" on the memory of the Late Rev. Ambrose Bennett, a devoted, loyal member, and staunch defender of the Sunday School Publishing Board, and uncompromising advocate of Denominational ownership and control, who fell from the ranks and answered the ROLL CALL, March 30, 1957, to come and receive his promised reward: "Be thou faithful unto the end, and I will give thee Eternal Life."

His passing from labor to reward has left a large gap in our great Baptist family throughout the country. We have lost a well-trained and conscientious worker and friend, but we have gained a heritage and new insights, which should help us who are left to face more fearlessly the battles of life and give ourselves in service to humanity.

In tribute of our esteem, the Board of Directors of the Sunday School Publishing Board, of the National Baptist Convention, U. S. A., Inc.,

RESOLVE: That in humble submission we accept the unerring wisdom of God's will.

That we thank God for the example of this devout Christian life, ever serving God in unselfish service for others.

That we assure his loved ones of our deep sympathy, and pray that the peace of accepted sorrow may come into their lives. We further

RESOLVE: That a copy of these resolutions be sent to his family, and a copy be preserved in our record as a Memorial to him.

Respectfully submitted,

Committee

THE WORK OF THE CONVENTION YEAR 1956-1957

The Sunday School Publishing Board continues to perform co-operatively and faithfully its tasks, and the responsibilities with which it is charged in the production and distribution of the Sunday School, Christian Leadership and Education Literature, and other religious publications, supplies, etc., including Standard song books, etc., for our great denominational constituency.

In addition, the Sunday School Publishing Board, continues giving co-operation and support to certain objectives of the National Baptist Convention program, which are carry as contingent responsibilities: (a) In the promotion of the Christian Education work of the National Baptist Convention, through its Christian Education Department, its Editorial Department, and in sustaining membership and relationship.

(1) In the work and program of the Division of Christian Education of the National Council of Churches, (with its 39 affiliated Denominations).

(2) In relationship and cooperation with the International World Council and S.S. Associations, etc.

(3) In the maintenance, repairs, replacements, equipment, upkeep, etc., of the Morris Memorial Building and the National Baptist Training School, Nashville, Tenn., and

(4) In the insurances on buildings and equipment:

(a) Morris Memorial Bldg., Nashville

(b) National Baptist Missionary Training School—Nashville

(c) On Buildings—National Baptist Sanitarium—Bath House—Hot Springs—National Park, Arkansas.

The Sunday School Publishing Board

Authorized Custodian of Morris Memorial Building

(Our Publishing House)

"Twas at the Annual Meeting of the National Baptist Convention, U.S.A., Incorporated, in its Annual Meeting in Indianapolis, Indiana, September, 1920, Dr. E. C. Morris, President, upon Resolution unanimously adopted, E. M. Lawrence, A. M. Townsend, and M. M. Rogers, the auditor, were named a committee of three, with full power and authority. "To go to Nashville, buy and build a 'New Publishing House' to be the Home of the Sunday School Publishing Board of the National Baptist Convention. This Committee was authorized to proceed at once to carry out the Order.

This "Command" was given without even a suggestion "how or where" the money might be coming from to carry out this order. The Committee however returned to Nashville and began negotiations to carry out the Order.

M. M. Rogers dropped from the ranks by death. The Committee was then increased to six, and later to nine (9) members, who stuck together until the task was completed in 1925.

The Building Committee was: E. M. Lawrence, Chairman; A. M. Townsend, Secretary; Wm. Haynes, Treasurer; L. K. Williams, R. B. Hudson, J. D. Crenshaw, S. P. Harris, E. T. Brown, E. W. D. Isaac.

(See Minutes, Page 240-W, National Baptist Convention, U.S.A., Inc. Session—Baltimore, Maryland, September 9-14, 1925)

At this Session of the Convention also, by resolution it was voted to meet in Nashville, Tennessee, in a called Session of the Convention to dedicate this building in appropriate ceremonies in 1926.

The Dedication

(See Minutes, Page 230, National Baptist Convention, U.S.A., Inc., Fort Worth, Texas, September 1926)

Quoted: Beginning Tuesday, April 20, 1926, and closing, Sunday, April 25, 1926, The Morris Memorial—Home of the Sunday School Publishing Board, was dedicated with glorious and inspiring ceremonies.

They came from all sections of the Country in large numbers to witness and participate in this momentous and historic event.

President L. K. Williams preached the Dedicatory Sermon.

(See Pages 243-244—Minutes—National Baptist Convention, U.S.A., Inc., Ft. Worth, Texas,—September 1926)

Quoted: The completed and equipped Building and the keys with an offering were

presented to the National Baptist Convention, U.S.A., Inc., by the Building Committee, Rev. E. M. Lawrence, Chairman.

In turn, the Building and equipment, and the keys were turned over to the Sunday School Publishing Board, by President L. K. Williams, and denominated the Custodian of this Building, equipment, etc.

Response of acceptance, as custodian of the building with the keys was made by Dr. A. M. Townsend, Corresponding Secretary of the Sunday School Publishing Board.

This turn-over is here reviewed, for when the Building with the keys was turned over to the Sunday School Publishing Board, as custodian, it carried with it the responsibility for the upkeep of the building and its equipment, such as repairs, redecorations, replacements, insurances, taxes, etc.

THE S. N. VASS AWARD

For the eighth successive year since its inauguration, in memory of the late Dr. S. N. Vass, the pioneer founder and first Secretary of the Department of Christian Education of the Sunday School Publishing Board (1921-1933), a local church, its pastor and outstanding leader, are honored for outstanding achievement in Christian Education, according to the Board's Standard, in the closing hours of the Convention, during the Sunday School Hour. Honorees this year:

The Cornerstone Baptist Church, Brooklyn, New York, its pastor, Dr. Sandy F. Ray, and its Lay Leader, Mr. Cyril A. Davis.

This award is given for work done within the framework of the Educational program of the National Baptist Convention, U.S.A., Inc., and for Loyalty, and 100% co-operation with the Sunday School Publishing Board, in the use of its products, and the program of its Christian Education objectives.

OUR EDUCATIONAL PROGRAM

By virtue of its function in the National Baptist Convention, U.S.A., Inc., the Sunday School Publishing Board is a service institution. Although it derives its income from the sales and distribution of its products, the reason for the Board's existence is not finance per se, but to provide the constituency of the Convention with the best in curriculum and program services to enhance the educational program of the churches, districts and states.

This places an obligation upon the Board not just to produce material and sell literature, but to constantly seek to improve its offerings and make its services more useful to its constituency.

The time has come for expansion and advancement in the Board's educational program. The Board has adopted such a program, and the officers and administrators of the Board are working to implement the program.

Curriculum Development

One area marked for expansion and improvement is that of Curriculum Development. The Board is planning extensive improvements in its publications. Beginning with the Fourth Quarter 1958, we will offer an improved curriculum for the Children's Division in the Sunday School. At the same time, some improvements in other departments will also be made. In order to prepare for the improvements in children's curriculum, the writers have spent time in a special in-service training project for Christian writers. They have produced material which will be available and used experimentally in a number of Sunday schools during the first quarter of 1958.

Our Editorial Department has been re-organized. We have secured the services of an editor of Adult Literature and an editor of Children's Literature. We have a full staff of writers for our publications, but there are still some vacancies which will be filled as rapidly as possible, to round out a complete program in the educational field.

When these improvements shall have been accomplished there will still be room for additional improvements in our curriculum offerings. The Board will produce improved devotional literature, graded materials, story papers, elective curriculum units, Vacation Bible School materials, books and other publications.

Program Services

Through the Christian Education Department of the Sunday School Publishing

Board guidance is offered to local churches, districts and states in the development of their educational program. In a time when local church workers are becoming more conscious of educational needs, and when many of our churches are building or purchasing educational facilities, guidance is needed in the proper use of these facilities for the best advantage of the Christian education program. Professional workers in our churches are few, which means that the great responsibility rests upon the Sunday School Publishing Board to provide the manuals, program guides, leadership training opportunities and the like, which will enhance the effectiveness of Christian education in our churches, districts and states.

The Board will produce early in 1958 a program book for use by district and state in their Christian education work. During the late Spring the Board will produce a Plan Book for guidance of local churches in their educational program for the succeeding year.

Educational Resources

Through the Board's contacts in the Division of Christian Education of the National Council of Churches and the World Council of Christian Education, through attendance and representation at workshops and professional Christian education meetings, the Board maintains contact with the best in Christian education resources that may be interpreted and made available to our constituency. The Board is also obligated to seek the best trained persons, who also feel the "spirit" of the work of the Board, to assume responsible positions in various phases of the Board's work. In this way we will build the program side of the work of the Board that will not only enable us to compete favorably with other groups and publishers that are bidding for patronage from our constituency, but that we can produce the program which will serve the peculiar needs of our people in times like these.

These developments in curriculum and program services must be provided for us of the "profits" from the sale and distribution of literature. This means that as our constituency remains local and supports the Board in and patronizes its program, the Board will be able to accumulate the reserves, capital improvement and personnel which will keep the Board growing in its usefulness and service to the denomination.

COMMENTS

From Report of Auditor J. B. Blayton, on operation, etc., of the Sunday School Publishing Board, for the Fiscal year, ended June 30, 1957:

QUOTED:

NATIONAL BAPTIST CONVENTION, U. S. A., INC. SUNDAY SCHOOL PUBLISHING BOARD COMMENTS

This unit of the National Baptist Convention, U.S.A., Incorporated is a Tennessee Corporation. Its charter is rooted in the National Baptist Convention, U.S.A., Incorporated. This Board is under the general supervision of a Board of Directors approved by the National Baptist Convention. Its management is in the hands of an executive committee consisting of a chairman, an executive secretary, a treasurer, and one other member. Its active managing officer is its executive secretary.

The Board is well managed. Its accounting records are well ordered under the general direction of a registered public accountant of the State of Tennessee. In its accounting staff, is also one candidate for the certified public accountant degree under the laws of the State of Arkansas. Hence, records of this Board compare favorably with those maintained in the leading manufacturing corporations of America.

During the fiscal year closed on June 30, 1957, this unit sold merchandise with a sales value of \$790,964.68. Of this amount, some \$735,000.00 was manufactured by the unit itself. A little over \$68,000.00 of these sales arose out of goods which were purchased already processed. From these manufacturing and sales operations a profit of nearly \$124,000.00 was brought down. At the end of the fiscal year, its total assets amounted to \$3,084,058.27. But of this amount, the National Baptist Convention, U.S.A., Incorporated owed to this unit \$2,471,587.89. This debt from the parent organization arose over many years and represents amounts paid for National Baptist Convention enterprises and/or directly to the Convention. Perhaps this team should be eliminated from the books, but your auditor has no authority to do so.

At the close of the fiscal year involved, this Board had cash accounts totaling \$134,575.18, but it had current and accrued liabilities amounting to \$175,488.91. Contained in the current liabilities of this Board are accounts payable of some \$12,360.00 and notes payable of nearly \$157,000.00. Your auditor met with the full Board of Directors of this Board and he knows that all liabilities have been approved by that body.

During the year just closed, this Board acquired in trust for the National Baptist Convention, U.S.A., Incorporated certain adjacencies to the Morris Memorial Building in Nashville. Your auditor working in conjunction with your general counsel inspected the premises occupied by this Board decided with its management that these ingresses and egresses were absolutely necessary for the Board, if it were to operate normally. Already some \$28,000.00 has been expended for these purposes. More must be expended to complete these transactions.

During the year closed June 30, 1957, this Board expended \$40,534.19 in the operation and maintenance of the Morris Memorial Building, a National Baptist Convention, U.S.A., Incorporated property. The Board collected rents from this property of some \$15,000.00. It follows therefore that some \$25,000.00 was spent by the Board in the operation and upkeep of this building in excess of the rent collected. The building is, of course, under general renovation. More must be spent for this purpose. Of the \$15,000.00 (more or less) collected for rent, \$12,000.00 was paid by this Board itself.

Other transactions made or entered into by this Board on behalf of the National Baptist Convention, U.S.A., Incorporated are appropriately set forth in schedules and require no further comment here.

CONTRIBUTIONS

There are always some interested, loyal and sympathetic donors, who realize that

the Sunday School Publishing Board needs assistance in carrying on its work, especially the work of Christian Education and Missions.

The Sunday School Publishing Board makes regularly, donation of Sunday School literature, religious publications and tracts, song books, etc., to prisons, jails, detentions houses, charitable and benevolent institutions, public libraries, and mission stations in Africa, and Islands of the Sea, that are connected with our Foreign Mission Board, etc.

These donors thereby share with us the joy and the blessings that is ours, in thus contributing our part in the carrying of our Lord's Great Commission, "Go ye therefore, and teach all nations; teaching them to observe all things whatsoever I have commanded you: and lo, I am with you, always, even unto the end of the world."

To those donors, the Sunday School Publishing Board wishes to express its great appreciation for this evidence of their loyalty and interest in the work of the Board and especially its Christian Education program.

**SECURING PARCEL B AND PARCEL B-1
RE-DEVELOPMENT AREA—NASHVILLE HOUSING AUTHORITY**

In an Official Call Meeting of the Executive Committee of the Board of Directors of the Sunday School Publishing Board, National Baptist Convention, U.S.A., Inc., November 1, 1956, Secretary Townsend called attention to the Re-development Project of the State and City of Nashville, surrounding the State Capitol, etc., which has resulted in condemnation of blocks of property which have been torn down to make way for these improvements, and since on account of the substantial and modern construction of the Morris Memorial Building, this building will be the only one left in this development area, and since, the property on the north and the east side of the building has been condemned and torn down, leaving no room for any expansion of our property, nor for any adequate means of access to and from the property, that it is absolutely mandatory that we purchase property adjacent to have an inlet and outlet to our property; to facilitate the Board's continued operation.

Thereupon, the Executive Committee unanimously voted to authorize negotiations with the Nashville Housing Authority for the purchase of this property.

Proper Resolution was adopted declaring the necessity for this property for use by the Sunday School Publishing Board for continued operation, and authorized the proper officers to proceed to negotiate and secure same.

Whereupon the following Resolution was adopted:

RESOLUTION

WHEREAS, The NATIONAL BAPTIST CONVENTION, U.S.A., INC., owns valuable property in the City of Nashville, Tennessee, on the corner of Fourth Avenue and Cedar Street, known as the Morris Memorial Building, housing its Sunday School Publishing Board, and

WHEREAS, on account of the conditions above set out, said Board is in immediate need for additional space, not available on its present premises, for the expansion of its present printing plant, and

WHEREAS, the City of Nashville, for the purpose of prosecuting and carrying on its Redevelopment Project, practically surrounding the premises upon which Morris Memorial Building at corner of Fourth Avenue and Cedar Street is situated (housing the Sunday School Publishing Plant), has bought up or acquired by condemnation all the land in that area, and

WHEREAS, it is presently vitally necessary that the Sunday School Publishing Board shall secure additional space for its expansion as aforesaid, and

WHEREAS, after long search and investigation, representatives of said Board have found a parcel of land in the City of Nashville, Tennessee deemed by them admirably suited for the eventual erection thereon of a printing plant to which may be moved all mechanical equipment of the said Sunday School Publishing Board.

The above resolution was upon motion of A. J. King, seconded by L. A. Bowman unanimously adopted.

NOTE: This acting of the Executive Committee was approved by the Board of Directors of the Sunday School Publishing Board, in official meeting, July 18, 1957.

THE CONTRACT CLOSED

Based upon the opinion of Dodson Batson, Attorney, the Attorneys Title Company as agent, that all facts pertaining to this Contract of Sale had been satisfied as of August 7, 1957, caused to be issued a Title Policy of the American Title and Insurance Company, certifying to same, this Contract was closed in the turning over to the Attorneys Title Company, the Sunday School Publishing Board's check for \$51,963.11, August 14, 1957, net from the purchase price of this property. This Deed is of Record in Nashville, Davidson County, Tennessee.

THE WORK OF THE CONVENTION YEAR 1957-1958

The work of the Sunday School Publishing Board for the year 1957-1958 will include its continuation to perform co-operatively and faithfully its tasks, and the responsibility with which it is charged in the production and distribution of the Sunday School literature and Christian Education literature and materials, and standard song books, etc., for our great denominational Constituency.

Added responsibilities of cooperation of the Sunday School Publishing Board for the year 1957-1958:

(a) On account of the extensive improvement program of the Area in which your

Publishing House stands, extensive repairs of the building inside and outside will have to be made (Estimated cost \$30,000).

We would have you take note that the Morris Memorial Building—our Publishing House—is the only BUILDING that will be permitted to stand in that part of the extensive modern improvement and development area now in process around the Tennessee State Capitol.

This is evidence of the substantial construction of your Publishing House building and its estimated valuation of around two million dollars.

The Morris Memorial Building (our Publishing House) sets only on the lot it owns. It was imperatively necessary to purchase adjoining space to the building for ingress and egress to the building.

(b) The Morris Memorial building (our Publishing House) will have to be refaced on the North and East sides, respectfully, in keeping with agreement with the Housing Authority, to enhance the appearance of this building, in keeping with that of other buildings being constructed in this Development area.

The estimated cost—\$40,000.00.

(c) The Interior of the building throughout will have to be redecorated (estimated cost \$35,000.00).

(d) The Machinery, mechanical department, presses, linotype machines, etc., are worn out and antedated, and will have to be replaced.

(e) The Editorial Department will have to be strengthened by efficient Editors, writers, etc., to bring and keep up to Standard our Literature, book publications, etc.

(f) Our Christian Education Department, with its Divisions must be augmented with efficient staff of workers, developed and brought up to meet the requirements of the Division of Christian Education of the National Council of Churches, and the more effective promotion of our Christian Education program, for our Constituency.

(g) The marked increased cost of production, including printing materials, labor, taxes, etc., will have to be met.

(h) As CUSTODIAN of the Morris Memorial Building, the Insurance, Taxes, etc., will be the responsibility of the Sunday School Publishing Board.

APPRECIATION

Your Sunday School Publishing Board solicits anew your full and hearty cooperation in every way, and especially in patronage of our Sunday School literature and supplies, and Christian Education publications,—which are as good and as adaptable for standard use, as any published, and in some points excel, and,

We solicit also your unstinted support of our Christian Education Department, that we may be of increasingly larger helpfulness in the training of Christian Education leaders and workers in our churches, and in carrying forward the tasks assigned us for the progress and advancement of the Master's kingdom, and,

We recommend the re-election of the following as members of the Board of Directors of the Sunday School Publishing Board for the year 1957-1958: M. H. Ribbins, A. M. Townsend, L. A. Bowman, A. J. King, S. A. Baker, A. L. McCargo, Charles L. Dinkins, H. C. Nabrit, A. J. Campbell.

Respectfully submitted,

NOTE:

(a) All Policies are made payable to the National Baptist Convention, U.S.A., Inc.
(b) These Policies were issued March 1, 1953, for Five (5) years.
Date of Expiration—March 1, 1958.

Pursuant to Official Call the General Sunday School Publishing Board of the National Baptist Convention, U.S.A., Inc., met in Nashville, July 17-18, 1957 to review the work of the Board and assist in working out plans for the future progress and expansion of the Board's program.

Rev. M. H. Robbins, of Chattanooga, Tenn., Chairman of the Board, presided. The Board's attention was directed largely to administrative reports of the Secretary, Dr. A. M. Townsend, who has been the Administrative Leader of the Board for thirty-seven years.

REPORT OF THE FACT FINDING COMMITTEE

Nashville, Tennessee
July 18, 1957

This FACT FINDING COMMITTEE was appointed by the Chairman of the General Sunday School Publishing Board of the National Baptist Convention, U.S.A., Inc., to study and to review the work of the Sunday School Publishing Board and the Publishing House personnel, for the purpose of evaluating facts and emphasizing and

recommending certain improvements that may serve to promote better understanding and greater efficiency.

The members of the Committee—A. L. McCargo, Chairman, Fountain W. Penick, Secretary, S. I. Spear, E. B. Phillips, C. Adams, A. J. Payne, W. H. Buckner, A. W. Moore, Z. W. Williams, J. T. Weeden, J. R. Hicks, B. W. Coates, W. L. Robinson, R. A. Moseley, M. M. Flynn and H. C. Kibrell.

Following a very careful survey of the work of the Board and the consideration of many criticisms and complaints from officers and members of our National and State Conventions, we offer the following—based on facts as we have discovered them.

1. Based upon Attorney Walden's report to the General Sunday School Publishing Board in the Morris Memorial Building, Nashville, Tennessee, July 17, 1967, we find that it is a fact that the Sunday School Publishing Board was authorized and created by and is amendable to the National Baptist Convention, U.S.A., Inc. and is at all times subject to the orders and instructions of the said Convention, and has carried out the policies of the Convention, and performed such tasks as have been assigned to it.

2. That the Auditor's report which was read to the Convention last September in Denver, Colorado, was either misunderstood or not fully and completely interpreted. The part of the report which referred to "Net Profits" for the year ending June 30, 1966, to be \$152,596.50, was not meant to imply that there was a cash balance of that amount, but that the Publishing Board had made that much "profit" from the sale of its products. At the time that this report was made the same report showed in another column that the actual cash balance of the Sunday School Publishing Board was \$39,720.09, as of June 30, 1966. The facts also showed that the Publishing Board had pending at that time a payroll and other obligations which was due, in a sum which was slightly less than the cash balance here shown, as of that date.

3. It is the Committee's opinion that much of the misunderstanding and confusion existing in the minds of many of our state officers and members is due to the lack of information. Therefore, we recommend that as a means by which we may keep the members of our General Sunday School Publishing Board and the officers and members of our National and State Conventions properly informed, that the General Sunday School Publishing Board will meet each year with a prepared agenda, prior to the annual session of the National Baptist Convention, U.S.A., Incorporated.

4. We believe that our Board, in the light of very keen competition, should improve and expand all phases of its publications, laying special emphasis upon Children's Literature, and we endorse the plans of the Board to this end.

5. Recognizing need for more housing and equipment for expansion purposes as indicated in Dr. Townsend's report, we deem it necessary that the Sunday School Publishing Board secure the properties described in Dr. Townsend's report as Parcel "B" and Parcel "B-1", in the Capital Hill Area adjacent to the Morris Building, together with a plot of land to be used for housing the Board's mechanical plant.

6. Recognizing the need for improvement in quality of literature and extension of services to the National Baptist Convention constituency by the Board, we hereby endorse the new expansion program as presented by the Secretary to the good of the work of the Board, and pledge our support that the Board's resources may be used first to underwrite and project this program, in accordance with the responsibility assigned the Board by the Constitution of the National Baptist Convention, U.S.A., Inc.

7. After hearing reports and examining the many phases of the work of the Sunday School Publishing Board, we express a new confidence in the leadership of our Secretary, Dr. A. M. Townsend, and our Board of Directors, as they carry on the affairs of the Board.

This confidence includes unanimous expression of appreciation and thanks for the significant contribution made by the Secretary in past years, and that his valued judgment, his integrity, and business acumen are still at work in the Board's program of expansion and development. And we hereby renew and pledge our unqualified support and assistance to the Board and its administration.

SIGNED:

A. L. McCargo, Chairman
F. W. Penick, Secretary

This Retreat is a gift of the Woman's Convention, Auxiliary to the National Baptist Convention, U.S.A., Inc., Dr. Nannie Helen Burroughs, president, to the Foreign Mission Board, Dr. C. C. Adams, secretary.

The Retreat (a beautiful and spacious rest home for missionaries home on furlough) is another facet of the far-reaching vision, unlimited resourcefulness, and unselfish spirit of Dr. Burroughs.

EXCERPTS FROM SECRETARY ADAMS' ANNUAL REPORT

Louisville, Kentucky—Thursday, September 5, 1957

"... It is with thanks to God and gratitude to our Baptist Zion that the foreign mission board makes its seventy-seventh annual report to this Convention. We wish to assure you that we are grateful for the privilege and for the support given and the confidence reposed in us. Without this we could not have carried on."

Before submitting the financial report for the last year, we are thankful to be able to say that the One Hundred bed hospital building has been completed and partially opened. The job of complete equipment remains to be done and on this we have assurance of assistance from the Liberian Government. Finally, we wish here to thank the One Hundred churches, organizations and individuals who subscribed \$350.00 each to furnish a room, many of whom have paid out. Those who have not begun to pay we trust will do so soon. The record is carried in the *Mission Herald*.

This report is presented with full consciousness of the fact of the time in which we live demands of the Church a full measure of devotion to Christ to meet the challenge and enlarged opportunities that lie ahead and from which there must be no turning back or aside. In Christ I am confident that the Church must and will rise to the occasion and do it.

In each of the reports made available will be found a financial statement and explanations giving an account of all the money raised, how expended and what is on hand over the period of the past sixteen years, from June 30, 1941 to June 30, 1957, the entire term of this administration of the Foreign Mission Board. We implore you to read it, study it, and as you are moved, criticize or approve it. It is your property in fee simple.

REPORT OF THE BATH HOUSE COMMISSION

Report of the Bath House Commission to the National Baptist Convention, U.S.A., Incorporated. In Session at Louisville, Kentucky, September 6, 1957.

To The President, Officers and Members of the National Baptist Convention, U.S.A., Incorporated:

We, your Commission of the Bath House, beg leave to submit the following report and recommendations for your consideration:

The Bath House, located at Hot Springs, Arkansas, is a commercial unit of the National Baptist Convention, U.S.A., Incorporated, and has great potentials for future progress and financial profits under the capable management of Mrs. C. H. Webster, the widow of the late Mr. C. H. Webster. As we all recall that our capable manager, Mr. Webster, passed February 6, 1957 and his wife was named manager to carry on the Bath House, which has been done in a very efficient way. Under her management she has promoted a "Journey To Vacation Land" contest, which was a success. Also convention bids were sent to several large National Bodies, inviting them to hold their annual conventions in Hot Springs, using the Bath House facilities; of these, four have responded, namely:

- (1) Arkansas School Administrators and Principals—October, 1957
- (2) Nation Wide Hotel Association—October, 1957
- (3) National Funeral Directors Executive Board—March, 1958
- (4) Peneceostal Assembly of the World (2000 persons)—August, 1958

The Bath House and Hotel have been kept in accordance with rules and regulations of the Government and also the Chamber of Commerce of Hot Springs, Arkansas. A letter of approval, from the Chamber of Commerce, is in our files. We have already

begun the task of air-conditioning the hotel; eight rooms have been completed and we are in the process of air-conditioning the entire hotel.

The Commission recommends to the constituents of the National Baptist Convention, the following items:

(1) That a package-unit of six baths, a Ten Dollar meal-ticket book and room in the hotel, for the small sum of Twenty-Nine Dollars and Ninety-Five Cents per person for one week.

(2) That every Baptist sent to the Bath House Hotel be entitled to fifteen per cent discount on rent.

(3) That whereas, the Bath House Sanitarium is a Baptist Enterprise and because of the fluctuation in financial intake because of the seasons, and the operational cost is greater than the financial intake which makes it difficult to meet the incurred monthly expenses and pay on the Bonded Debt, which amounts to about Eighty Thousand Dollars (\$80,000.00) payable at the rate of Eight Thousand Three Hundred Thirty Three Dollars and Thirty Three Cents (\$8,333.33) to the R. F. C. annually, and whereas this unit is hard pressed to meet this obligation we recommend to the Convention that the Commission will be permitted to launch a Financial Drive to raise Eighty Thousand Dollars (\$80,000.00) to liquidate the entire debt on the Bath House, and that a bank in Hot Springs will be named the Depository to receive all monies sent for the Drive, and that all drafts, money orders or checks will be made payable to the Bath House Commission, Hot Springs, Arkansas, and sent to the bank or the Bath House for deposit to this account.

(4) We also recommend that whereas, the National Baptist Sanitarium Bath House was a unit of the Finance Commission of the National Baptist Convention and whereas, the Bath House Unit is no longer under the Finance Commission and because there is no Finance Commission, but the Titles of the Bath House property are still in the name of the Finance Commission, we, the Bath House Commission, recommend that the Convention, through its legal staff, will look into this matter immediately and have the Titles to the property changed from the Finance Commission to the National Baptist Convention, U.S.A., Incorporated.

Respectfully submitted,
Bath House Commission

4. Memorial:

May we stop and thank God for the late Dr. C. E. Mathis, secretary of the Department of Evangelism for the Southern Baptist Convention and Dr. W. H. Thomas, Chairman of our Board of Evangelism who departed this life since our Denver Convention, also to the other saints who have gone home. Let us forget: our beloved Rev. G. W. Gore

5. Suggestions:

- a. That every Pastor and Church in our convention will launch a special revival leading up to the Advance Baptist Jubilee major movement to reach everybody starting December 31, 1958-1964 under its own State President.

OBJECTIVE—RECOMMENDATIONS

ONE MILLION SOULS FOR CHRIST 1958-68

- a. Ten Thousand Churches should be organized in some forty cities and urban areas.
- b. With ten thousand Churches with the addition of ten members per Church per year would be one million souls saved for Christ in ten years.

HOW CAN IT BE DONE?

- 1. One million prayers
- 2. Half a million sermons preached
- 3. Any regular Church can sponsor the organizing of an Evangelistic Church, where needed—

WHY TEN THOUSAND NEW CHURCHES?

Because of the migration of the people north, east and west there is a great need for more churches. We have need for more schools, more homes, more highways, wider streets, therefore we must have more churches to save and keep this vast population.

EVERY CHURCH SHOULD HAVE AN EVANGELISTIC COMMITTEE TO PERSONALIZE EVANGELISTIC WORK IN THE CHURCH THAT EVERY CHURCH HAVE AT LEAST TWO REVIVALS A YEAR

7. FINANCE:

Donations from various sources of our National Baptist Convention in the interest of Evangelism	\$ 450.25
Expense to various meetings for the Department of Evangelism of our National Baptist Convention to better promote Evangelism	\$1298.95

Work in Illinois: Secretary Trotter was elected Chairman of the Department of Evangelism in the Baptist State Convention of Illinois.

We have worked from Chicago to Nassau, Omaha, Nebraska to Omaha, Texas, and also to Madras, South India.

In closing I wish to say I am indebted to Doctors Joseph Harrison Jackson, our

eminent President, Courts Redford, Executive Secretary and Treasurer of the Southern Baptist, Leonard Sanderson, Department of Evangelism of the Southern Baptist and many others who have been so kindly inclined and sympathetic in the interest of Evangelism.

Thursday Night—Fellowship Night

8:00, at Mt. Lebanon Baptist Church, Secretary Gayle served as Toastmaster. Song "How Do You Do, Everybody?" "Close to Thee," "Oh, What a Beautiful City." The Toastmaster then presented President Jordan, who in turn presented Dr. Sandy F. Ray, pastor of Cornerstone Baptist Church, Brooklyn, to deliver the banquet address. Dr. Ray delivered a most highly intellectual message, which was enjoyed by the large audience present.

The subject of Dr. Ray's address was, "What Can We Do?" quoting from the Prophet Elijah's servant. He very beautifully used this question relative to the work of the Laymen. Brother William Craig of Joshua Temple Baptist Church rendered two solos, "He Walked with Me," and "I Came to the Garden."

Toastmaster Gayle then presented Prof. S. H. Fowler, Sr., of New York to present the John L. Webb Distinguished Service Award to Prof. H. S. Dixon, Bainbridge Georgia, which he did in a creditable manner. Prof. Dixon accepted the award with humility and thanks, quoting the prophet, "What can I do to show my humility and thanks to the body, but to do justice, love mercy and to walk humbly with my God." Telegrams of congratulations to the honoree were read by the toastmaster.

The gavel was then returned to President Jordan, who in turn presented various guests present, among them being Rev. J. H. Sanders, Prof. Dixon's pastor, and Mrs. Sanders. Rev. Sanders expressed thanks for honors awarded Prof. Dixon and commendations for the same. Thus passed into history another great occasion for the National Baptist Laymen's Convention. Benediction by Dr. Ray.

Friday Morning

7:30 Secretary Upchurch led the Meditation and Prayer period. "There Is a Fountain" was sung. John 3:1-3 was read and Bro. Jno. H. Johnson, Georgia led in prayer. Dr. Locust then gave the devotional message. He stated that all who paid for his address of the 1956 session might have the same refunded, as he did not have the address printed. As none desired a refund, Bro. Benj. F. Taylor, Minnesota, agreed to send free copies of the address to all who desired one.

Dean Green gave instructions and classes resumed their places for the period. After the reassembly Rev. C. T. Vivian, Tennessee, spoke on "Missions." He emphasized the importance of missions in an individual way to young people with whom we come into contact. The Finance Committee reported \$2502.11.

A forum on "Deaconship" with the "Effective Work of a Deacon in the Total Work of Kingdom Building", was conducted with J. J. Beneheld, New York, Moderator, and M. C. Hill, Mississippi; T. J. Friday Morning, September 6

10:40 O'CLOCK

67. The Seventh session of the Woman's Convention Auxiliary to the National Baptist Convention, U.S.A., Inc., was called to order by the President, Dr. Nazmie Elms Burroughs.
 68. Song: The song of the "New Crusade" was led by Miss Daisy Young and her special group.
 69. Mr. James W. Thomas, Director of Church-wide Chorus, Vermont Avenue Baptist Church, Washington D. C., was introduced by Doctor Burroughs to sing two solos.
 (1) "I'd Rather Have Jesus."
 (2) "Thanks Be to God" (A dedication to Dr. N. H. Burroughs).
 70. Doctor Burroughs asked Miss Daisy Young to escort Doctor Hedgeman to the platform.
 71. The President introduced the Theme of the Convention, "Crusading to Improve American Life on All Fronts" upon which the following speakers were asked to speak.
 (1) Dr. Charles W. Kelley, Tuskegee Institute, Alabama, Pastor of First Baptist Church, Tuskegee, who spoke on the subject: "How or Why Goes the Crusade in Tuskegee." He told us that "It is one thing to say, 'I'd Rather have Jesus than anything but is another thing to be true to His name.' The condition in Tuskegee was pictured as stemming from voting; that the Negroes were seven times as great as white population. The white man knows the voting strength there. There are three things needed to succeed there: Cash, Courage, and Character. For ten weeks, Negroes have refused to trade in their stores (white); that Tuskegee is a ghost town. There must not be violence. Love is better than hate; Altruism is better than selfishness. It is not how people treat us but what we allow their treatment to do to us. Englehardt did the Negro a favor. He closed by quoting, "I do not know where His Island lift . . .", and "I know not what the future holds but I know who holds the future." by Willis.
 (2) Dr. Anna Arnold Hedgeman, Assistant to Mayor Robert F. Wagner, City of New York, who spoke on the question, "Are You Ready to Begin the New Crusade?" She admonished us to teach the youngsters that we built this nation free; 300 years of free labor; get the story and tell the kids, that our struggle for freedom helped to build a "Nation." Tell them of President Abraham Lincoln and the Supreme Court Decision of May 17, 1954. What are we going to do when we go back home? Are we ready for Crusade? Begin right here on this campus. Women are responsible for the conduct of the Men's Convention. Every child in Sunday School should learn to read and write there. Teach them that they are somebody. Know how to read and write before they get to school. They should know their history. Teach them how proud they are. But

them some brown dolls. These are the tough jobs for the "New Crusade." Take up the song of the "New Crusade." None of us is free until all are free. What do the missionaries mean to this city? Let's clean up the Church! Then clean up the Community. Let us watch our attitudes: Church people are the hardest people with whom to work. Some people need Emily Post—good manners. Pull your voices down, et cetera. We pray the Lord's Prayer, "Thy Kingdom come" Where? On Earth. We are so concerned about heaven that we do not think of earth.

(3) Miss Esther Davis, North American Baptist Home Mission, Christian Friendliness Department, Chicago, Illinois spoke on the "Living Links."

I. Facts

Learn the facts about minority groups in your locality.

(We learn by doing!)

Try to place yourself in their position.

II. Feelings

Keep your poise.

Verify your own judgment.

Be sensitive to the hurt in another.

Be patient with the mistaken.

III. Fellowship

Pray for an opportunity to create a favorable climate for the recognition of the good in others.

Provide firsthand contacts that help to change attitudes.

Work for an Open Door Church.

MY COMMITMENT: As, therefore, God's picked representatives of the new humanity, purified and beloved of God Himself, be merciful in action, kindly in heart, humble in mind.

Accept life, and be most patient and tolerant with one another, always ready to forgive if you have a difference with anyone. Forgive as freely as Christ has forgiven you. And above everything else, be truly loving, for LOVE IS THE GOLDEN CHAIN OF ALL THE VIRTUES.

Let the harmony of God reign in your hearts, remembering that as members of the same body you are called to live in harmony, and never forget to be thankful for what God has done for you. Col. 3:12-15 (Phillips).

As a living expression of this teaching from God's word, I pledge myself to strive for justice, equality, and brotherhood among the races of America.

Quoting from Dr. Harry L. Dillin, President, American Baptist Convention, "As America faces the great issues of racial integration, the Church must be less responsive to the selfish will of the few—or even of the majority—and stand forth as the unfettered champion of principle through discipleship to Christ and the promised brotherhood of man because of our common fatherhood of God."

Dr. Ralph Bunche said: "If you want to get across an idea, wrap it up in a person."

72. The President presented three foreign students.

73. PAGEANT: WHEN WE ALL HAVE JUSTICE directed by Mesdames Harriette Dyer and Mrs. Hazel Hynson.

(1) Justice Song (Congregation Standing).

(2) Story of how the song was written by Dr. Burroughs.

(3) Justice, Mercy, Grace, Hope, Peace, Harmony, Communism, Soldier, Old Glory, Angel.

(4) Justice Song.

(5) Romans 12:10, Speaker.

(6) Picture of Jesus displayed.

(7) Colored and White Ministers joined hands in front of Jesus' Picture.

74. Noonday Message: Rev. Morris Tynes, Pastor of Monumental Baptist Church, Chicago, Illinois, introduced by the President. He used as a subject: "One More River to Cross." He showed us that the only constant thing in the Universe is "Change." Time does not change, but events change within Time. Quoting from the Ice Age through the Atomic Age, we see Events changing. He said the Supreme Court has spoken, but some way we are not ready to cross, but the Negro is saying, "Give me a

boat and I'll do my own rowing." As a man thinketh so is he. You are somebody; American Negroes do not expect to pay first class prices for second class citizenship. We are as American as any other group here.

75. "Lift Every Voice and Sing" was sung by the congregation.

THE NINTH ANNUAL MESSAGE
 of
 MISS NANNIE H. BURROUGHS
 President of the
 WOMAN'S CONVENTION AUXILIARY
 to the
 National Baptist Convention, U.S.A., Inc.
 Meeting in
 APLINE HALL
 SOUTHERN BAPTIST THEOLOGICAL SEMINARY
 LOUISVILLE, KENTUCKY
 SEPTEMBER 4, 5, 6, 7, 8, 1957

CHRISTIAN FRIENDS—FELLOW LABORERS, IN A GREAT CAUSE:

I greet you in the name of our Lord and Saviour, Jesus Christ.

In an organization such as ours, meeting in annual session, after accepting WEL-
 COMES, we settle down to hear addresses and reports from officers, other speakers
 and teachers. In keeping with this responsibility, it is a pleasure to give you an ac-
 count of our stewardship and the benefit of our experiences as they affect the work
 for which we are responsible.

This has been the most challenging year we have ever experienced; and the respon-
 sibilities and needs of the Woman's Convention can be read plainly—like the hand-
 writing on the wall—by every woman who has interest, vision, imagination and con-
 cern for the people of America and for the people of the entire world.

But, let us begin at Jerusalem, because Jerusalem is in a bad fix. People in America
 are frustrated, excited, furious, indignant, and quite disturbed over what
 has been happening during the past three years of tension. In fact, Christians, through-
 out the world, are doing much thinking and much re-thinking of their opportunities,
 responsibilities and challenges. They are thinking of these opportunities, responsibil-
 ities and challenges in the fields of Education, Missions, Christian Social Service, Civic
 Welfare and Brotherhood.

Two of the most forthright statements ever before made by white Baptists in As-
 semblies were made and adopted by the American Baptist Convention—in session in
 Philadelphia, Pennsylvania, June 4th, and Southern Baptist Convention—in session in
 Cincinnati, Ohio, were on Civil Rights and Race Relations.

Northern Baptists declared that their convictions, fellowship, conscience and faith,
 demanded that they speak out on the race issue, "because God made all men in His
 image, therefore all men have equal rights."

Further, they said, their consciences demanded that they speak "for we know that
 alienation from any of God's people is a sin that alienates us from Him."

Lastly, they said, their faith demanded it. To implement these convictions, the reso-
 lution stated, every American Baptist church should be open to all persons regardless
 of race or national background; every church should choose its minister on the basis
 of character and ability without regard to racial background.

It called for assurance to all persons of the chance for equal education—employ-
 ment—housing and political activity. Under it, Baptists declare they will not align
 themselves with any group or movement that works to retain segregation in clubs,
 societies, fraternities, property owner groups, the Ku Klux Klan or White Citizens
 Councils.

It called upon Baptist churches to join others in clear demonstrations of interracial
 understanding.

THE SOUTHERN BAPTIST statement termed racial conflict "basically a moral and
 religious problem, not economic, political or cultural."

It condemned "the violence in all its forms that is being used against the Negro people in the current segregation issue." It called for protection of their rights by law enforcement agencies, and demanded these agencies "bring to legal justice the perpetrators of these crimes."

It declared discriminatory laws are futile and that "Jim Crow" laws cannot solve the race problem.

It is strikingly significant that, in all these 92 years since freedom, no large white Baptist organization has ever spoken so frankly, fairly and forthrightly as Northern and Southern Baptists spoke in 1857 on Civil Rights and race relations.

Now that these two great religious bodies have at last given God a chance to speak through them—the challenge is open for all men of Good Will to join in an intensive nation wide crusade for improvement of American life on all fronts.

These must be days for right thinking, and it is our purpose, prayer and hope that each Messenger will go down from this place, charged and supercharged with the determination to hear the voice of God—"Win Souls"—stop the violence of race prejudice; develop strength out of weakness; put laziness and indifference to flight; show people how to make of their homes—little places of Paradise—fenced off on earth and of their sons and daughters—plants grown up in their youth and as cornerstones—"polished after the similitude of a palace".

This is God's plan for His children on this earth, and we have no business here except to carry out that plan.

Workers Went Home

Today, we are thinking of friends whom we used to know. Who labored and fellowshiped with us here below. They have gone home to heaven, to their reward, we know. They are happy, in glory, today.

Milton tells us that "Death is the golden key that opens the palace of eternity." Robert Shores says, "Our hope for eternal life, in the hereafter, does not spring for a longing for a spiritual existence, but grows out of our love for life upon this earth which we have tried and found good."

Our Co-Workers found life "good" because they put much good into it. We are now enjoying the benefits of some of their love and service. I am thinking, today, of Mrs. Manue Darden—the dependable President of the Missionary Society of the Mount Zion Baptist Church, Indianapolis, Indiana.

Mrs. Cornelia Pius Reid—Los Angeles, California. A Life Member, who served for several years as Chairman of The National Baptist Missionary Training School in Nashville, Tennessee. We've lost other Life Members who were devoted to the work of the Convention.

Mrs. Susie Stuckey—Carbondale, Illinois

Mrs. Frances Young—Los Angeles, California

Mrs. Elizabeth Carey—Louisville, Kentucky.

Several members of our National Committees have passed. Mrs. Mary Christian—of Illinois, was among them. These women were like flowers in a garden. Each of their lives—covered with the dew of Heaven—much being shaken with the wind, they let fall precious drops that nourished many lives.

The Strength of the Woman's Convention

Since the National Baptist Convention, U.S.A., Inc. has a membership of FOUR MILLION FIVE HUNDRED THOUSAND, and since the women in our churches represent quite or over two-thirds of that membership—then the Woman's Convention, Auxiliary National Baptist Convention, U.S.A., Inc., represents quite three million Christian women in America.

IF this is a fact, then our Woman's Convention is the largest organization of Negro Christians in the world. Then, there is another IF—IF this is a fact, God is certainly expecting us to do a great deal more than we are doing in the fields of Education, Missions, social welfare and race relations.

We are not organized for "window dressing" and "annual parade" and "talk test". We are organized to build schools, support institutions, discover boys and girls, and women to educate for Christian service. We are organized to find women and put them in the field as well-trained missionaries for service at Home and abroad; and—

we declare unto you that the field is "ripe unto harvest, and the laborers are few."

This Convention should have ready, at least, two hundred highly qualified women for this service, and it should request the American Baptist and Woman's Missionary Union, Southern Baptist Convention to unite with them, on the kind of program that will teach both races how to work—together—jointly, in America and in other lands as becometh Christians.

We have made some progress as Baptist women in the field of Interracial Cooperation in the South, but the time has come for us to rethink the entire program as dreamed of by Mrs. Annie W. Armstrong and initiated by Miss Kathleen Mallory, and carried forward quite successfully by the Women of Virginia. The record will show that practically in all of the Southern states, Woman's Missionary Union has been trying to do something definite in the field of Christian Cooperation. A new day is dawning and for all of our work, we must—

"Enlarge the place of our (thy) tent, and . . . stretch forth the curtains of thy habitation: spare not, lengthen thy cords, and strengthen thy stakes: . . . Fear not; for thou shalt not be ashamed"; Isaiah 54:2, 4.

It is our hope that in at least one strategic city of the South and one strategic city of the North, we can plan to open what might be called an "IDLE HOUR WORK SHOP"—the purpose and plan for which we would be delighted to discuss as a Co-operative project with any group of Christians who would like to make a new venture in the improvement of under privileged teen-age boys and girls. To us, it seems like a dream that might become a challenging and rewarding reality.

Have we ever stopped to think that "all play and no work" is certain to make Jack a bad boy. We think we might have the answer to this problem of "all play". Is there an individual or a group, interested in teen-agers, that will help the Woman's Convention make this "IDLE HOUR WORK SHOP" experiment? For specific and intriguing reasons, we believe it would be most rewarding.

Literature

Have you ever stopped to think what the 27,000 local Missionary Societies would do without the WORKER and other literature that is published by our Literature Department? Many of you will recall the fact that the Woman's Convention has never ordered or supported the publication of materials for distribution—but the need was there.

It has not been adequately met, but we have done more to meet it than any other group in the Negro race. THE WORKER has reached the circulation of 95,000, and it is our hope that the readers of the magazine, in this session of the Convention, will cooperate with us in bringing the circulation up to ONE HUNDRED THOUSAND—by Christmas. Please say with us—that IT MUST BE DONE. In addition to THE WORKER, we send out from our office at least a dozen other of our own publications and the circulation of them runs into the thousands. Negro Church women are certainly reading more and more. This is as it should be—if they plan to get anywhere.

The one promise that we have made for more than two years, now, is to publish the "Story Of The Services Of Negro Baptist Women In Africa". The "MUST" work of the Woman's Convention has been terrific. It grows, it compels, it fascinates and so this book has had to wait.

Negro Baptist women have given willing and sacrificial service in Africa. The story is really in the making and you will not have to wait much longer for it. But I wish to ask you a leading question at this Convention.

Do you know any capable, consecrated, dedicated Christian women who are available for the kind of work that this Convention must do in the field of Missions, Institutes, Conferences, Christian schools and Churches?

An organization, as large as ours, and with the varied services which we must offer through this crisis in America, must have material and a staff in action that is equal to the needs and challenge. If you do—present them.

The National Committee Member Plan

Seven years ago this convention accepted the "Committee Plan". It is a good one. It has four definite purposes:

1. To engage the largest number possible, of the active members of the Convention the year around.
2. To enlist the entire membership in definite causes and projects.
3. To keep the work of the Convention before the public and the constituency the year round.
4. To discover leadership possibilities and to encourage women with talent and desire for development to work and achieve the quality of leadership that cannot be given by any organization.

Committee members are not window dressing for the Woman's Convention. They are the advertising agents and field representatives. Neither are the officers of the Convention—the interior decoration. They are the servants of all, and the sooner we all realize what our positions are, the bigger the Convention will become.

Jesus said it in Mark 10:44. "Whosoever of you will be the chiefest, shall be the servant of all." These positions in our organizations should mean work, dependability, service and joy in going on. God's work is too important to be "an on and off affair."

The majority of the women assigned to Committee work have been quite worthy of the trust. We thank God for their vision, interest and spirit.

We have gone to great expense to print a Hand Book and a Committee Book. Our entire constituency is informed as to what the work is; what every dollar of the money is raised for and who is responsible for raising it. So far as we are concerned, any woman of the Convention can serve on the committee of her choice. We ask the State Presidents to confirm the appointments. In the majority of cases, the State Presidents cooperate because they appreciate the fact that the National is furnishing literature, ideas and connections that give opportunities, contacts and values, which the women in the States need and must have, if they are going places and do things above the ordinary.

Without the National government, the states would be weak. Without our National organization, our state conventions would not have as much light, by which to walk. Between the States and the National—it is a clear case of—"Help us to help each other, Lord". What we need for the important work for which this Convention is responsible, is clear.

We must have women on committee duty, who will carry out their assignment, raise their quota and make more friends for the cause of Jesus Christ in the great Crusade to which this Convention has committed itself. Of course, there are those who can not work, we shall be interested in their welfare, but—there are those who can work and there are those who can give and WE NEED THEM.

There are women, across this nation, who cannot get on any committee. They belong to our churches, but they are unknown. They are good women. For them I am forming a "WHOSOEVER WILL" Committee. They will report to you in September 1958. They are not going to beg. They are going to give out of their own earnings or substance. The money will go for Scholarships to students in schools of their choice. The names of the Chairman and the Co-Chairman will be announced before the close of this Convention.

We are requesting that all persons who cannot continue their service on Committees will kindly pass in their names, not later than Saturday Morning, September 28th.

The Retreat for Foreign Missionaries

In our 1956 Message, we express the desire to pay the balance we owe on "The Retreat For Foreign Missionaries", before the close of 1957. We have kept up the payments on the property, but the interest on the balance is costing us over Two Thousand Dollars a year. The total amount due on the property is \$39,500.00.

It is bad business to continue to pay that interest, when a denomination—as large as ours—should take pride in paying this valuable property out of debt and making it one of the sacred spots owned by Negroes in the Capital of the Nation.

The Retreat is and must always be a place for rest for those who have given themselves in service in other lands. It is not a home for the RETIRED, but a temporary rest for those who come for refreshment.

It is a study center for those who are preparing to go. It is a haven for those who are seeking information to help them in their work. It is a place of fellowship for those

who want to know more about the program—its needs and challenges. It is a light-house—set in the midst of the needs of the peoples of the earth.

Our Challenge is to clear it of debt and to keep it as a sincere expression of our dedication and interest in peoples anywhere on this planet—who need the Gospel of Jesus Christ preached, taught and lived—according to the command of our Lord and Saviour Jesus Christ.

We appeal to every church to make a special contribution—between now and Christmas.

January, 1957, the Foreign Mission Board of the National Baptist Convention entered in a contract with the Woman's Convention to release Mrs. Sarah Williamson Coleman, from work at Suehn Mission, Liberia, to assume the Directorship of The Retreat, and the Missionary Education Program to be conducted at The Retreat for Foreign Missionaries. Missionaries from the Churches interested in Missionary Education and classes set up for the Board or Convention for various features of Missionary work.

The Convention is responsible for half the cost of operating The Retreat. Of course, you know the Woman's Convention is responsible for the cost of the property, furnishings and equipment. In addition to paying the property out of debt, we are asking our churches and friends to give us—at least—One Thousand suitable Books—for The Library at The Retreat.

An interesting educational project for The Retreat will be set up in the early Fall. Most of the furnishings were shipped by Mrs. Coleman and is now waiting installation. Another educational feature that will greet visitors will be a Mural Painting of "Ghana"—the last free country in Africa—on the entire North Wall. We are asking twelve Churches to make a special gift of \$25.00 each, to pay for the Mural, and twelve to give \$25.00 each, with which to pay for setting up the "African Village".

National Trade and Professional School for Women and Girls, Inc.

At our Denver meeting, we reported the completion of one of the most beautiful dormitories that graces any campus in the world. This has continued to be the conclusion of everybody who has visited Lincoln Heights.

Our great disappointment came last Fall, when the building inspector would not issue the permit of occupancy—for the reason that there were a number of things in the contract, not completed, by the builders, and could not pass inspection. The building was not turned over to us until the latter part of December. In spite of this tremendous disappointment, however, our Institution has value of comfort and challenge to women and girls who want to make their lives spiritual symbols of the Institute that gives itself—completely—to building Christian Womanhood.

Our high purpose is to "Go Forward" with a program of Christian Education that will furnish the type and quality of leadership that is needed in our churches, communities, homes, business and Mission Fields.

For this program, we are asking that you make it your business to find at least two young women of character and capacity, and send them to us for training. We have some scholarship aid, for the most promising. Our second request is that women, who are already in position of leadership will improve their services by attending the Summer Institute on Lincoln Heights, in the month of July. We had a rich and satisfying experience this Summer, but the women in our churches must study more. Too many of them are trying to lead without adequate light.

When we complain about what the people are not doing, we must be fair and go far enough to find out—Why? What about the fitness of your leadership?—The freshness of their challenge?—The know-howness of their teaching?—The certainty of their faith? The blind cannot lead the blind. We must KNOW MORE in order TO DO MORE, and more is needed to be done in thousands of our churches.

The Churches must become concerned about discovering young women who will make fine Christian leaders. Send them to us and we will prepare them for Christian Service, Business and Home-Making.

Summer Institutes on Lincoln Heights

This has been one of the busiest summers we have ever experienced on Lincoln Heights. We had three Summer Institutes and Conferences—serving about five hun-

dred people. Aside from these most important meetings, more than five hundred people came during the year in bus loads from Pennsylvania, Ohio, New Jersey, New York and nearby places to visit the School and The Retreat.

The C. M. E. Church, under the direction of Bishop Bell, held a large and successful Institute. They were delighted with Lincoln Heights.

The Baptist Ministers' Conference, of Washington and Vicinity, under the direction of Dr. J. L. S. Holloman, and our own Annual Institute were held during July.

OUR WOMAN'S INSTITUTE is, beyond doubt, the most promising, refreshing and rewarding opportunity for study and fellowship that any progressive, Christian or social worker can attend.

The women who go there get more usable material and meet more top people in the field of Religion, than would be possible for them to meet anywhere—for so small an outlay in so short a time.

Every progressive Church should have interest enough to have at least two or three of its leaders—not only encourage them in attending a refilling Conference—but should include in their budget at least a token of their interest in a Refresher Course for the people who are giving themselves in the service of the Church.

We are thoroughly convinced that our women in the churches, women, who are carrying major responsibilities in the church, should be prepared to bring new ideas, new techniques, new projects to enrich their programs, year by year.

In human relations, the Churches that do the same old thing in the same old way—year after year—lose people. The business of the Church is to GROW and they cannot grow unless the leaders . . . KNOW.

Are the Presidents of the local societies, represented in our Convention, really ready with their Fall and Winter programs? Are those programs planned? Are they bristling with new ideas? Are the regular features geared to meet new challenges? Will the program be presented attractively? Will it be prosecuted with vigor and spirit? Or are we ready to open and run or walk or drag or mark time—as usual? This is no day for that kind of performance—anywhere on the Christian Front.

"ONWARD!! CHRISTIAN SOLDIERS, MARCHING—AS TO WAR" Because—in this day of crisis—it is "FORWARD" or "NOWHERE".

We Need a Chapel

This is not the first time we have called attention to the fact that we need and must build a Chapel on Lincoln Heights. The Lord wants us to have it and, for that reason, we are appealing to you to give it to us.

It will be suitable, worshipful—but not expensive. It must not cost over Fifty Thousand Dollars. It will be a Memorial Chapel. The Memorial gifts may range from Twenty-Five Dollars to Five Hundred Dollars.

The gifts must be sent, promptly. Many of us have relatives and friends, whom we would like to memorialize in the Chapel at the Nation's Capital.

Let us have your pledge—NOW.

Home Missions

Our direct gift to Home Missions has gone to the Baptist student Center at Howard University, Washington, D. C. This property is being paid for through the Home Mission Board of the National Baptist Convention, U.S.A., Inc. The two major problems for the Committee are—

1. Payment of the property of the Center.
2. Paying the Chaplain in charge of the Student Center.

It is our hope that these two responsibilities can be taken care of, promptly. As we go forward with our Crusade, we realize that the entire Home Mission Field will not only be covered in an effective way, but that we will be helping our Home Mission Board do one of its major jobs. The Crusade is a Home Mission job—if done ever was one.

Young People's Department

Our Young People's Department passes its Thirty-Second milestone this month. That means an entire generation has grown up in our midst. In these years, we have

discovered some very fine young people. Some of whom are now leaders in Senior Church organizations, across the country.

The Young People have been going forward with a program of Education. Their National Director, Mrs. Etta Versa Frye, has been preparing the Quarterly Topics for the Department through the years. We are in definite need of more current material, and it is quite necessary that this need be considered and met, promptly.

Mrs. Frye has not been well for several months. For the Louisville Meeting, she requested that Mrs. Bertha Winston—Director of the Eastern Division—take charge of the Program; Miss Primrose Funches—Western Director—the Reports; and Mrs. Correne Watts—Southern Director—Visual Aid. We have requested Mrs. Susie Holly, our Second Vice-President, to Council with the Directors and report to us what we can do to help the three Directors in Mrs. Frye's absence.

The Young People have been so trained that they are quite able to present a challenging program, when given the responsibility. Mrs. Frye suggested that the Young People present "The Challenge Of The National Crusade" as their theme for the Louisville Meeting. If the Young People's Department catches on fire with this challenge—we are on our way to—VICTORY.

We have spoken elsewhere in this Message about discovering people for service. "The fullness of time has come" for our Young People's Department to take a major responsibility for a Camp or for an "IDLE HOUR WORKSHOP"—as a year round project. When we shoulder something definite and constructive, we will gain new heights for Negro Baptist young women.

Let us pray for Mrs. Frye and accept definite responsibility for the kind of National Project that will engage the imagination, purpose and dedication of our young women—who want to give themselves, fully, to Christian service, and the faith of those thousands who are looking to the Christian Church for direction, challenge and development.

Music in Our Churches

Our churches, choirs, quartettes and gospel trumpeters have about ruined many of our very best hymns, spirituals and songs of praise. They have jazzed and mouthed them out of the realm of the "spiritual" and thrown them into the aisle for "rock and roll".

All of the worshipful devotional praise to God has been taken out of them and prostituted to sensual loping, moping mannerism. Nothing could be a greater loss to the Christian church than to substitute and prostitute sacred hymns and heavenly music to earthly imagination and sensual emotionalism.

The words for practically all of our best hymns are taken directly from the Bible, and choirs and quartettes and Christian people should know that in Music, as in anything else, God is not mocked, and "You better mind what you sing" if it belong to Him. The churches are directly responsible for this modern prostitution of great hymns.

We have any number of new hymn books in our churches. Some of us do not know the words of our very best old hymns and many more do not take the time to learn the new words to the new hymns. Christians should do both.

In this meeting, we shall have some new songs as well as many of the standards. 1 Corinthians 14:15 tells us that we should sing with the spirit and with the understanding. The Devotions, Music and Teaching are as much a part of this Convention Program as the speaking and preaching.

What Shall We do About The World Day of Prayer?

Five years ago, many of you followed our suggestion to open every church door; ring every church bell at Seven O'clock in the morning and keep the church open until Nine O'clock at night—on the WORLD DAY OF PRAYER, in February.

The suggestion took well, but we found after several years advertising and urging, that the various groups of Christians have days of prayer, and this is as it should be—but it was difficult to get the kind of results, in interest and attendance, that the day should bring.

We sent out free material and asked no offering, unless the people desired to send gifts and to designate them. The full purpose was to get the people to assemble in the

House of Prayer, and to pray in their homes or at their work. We continued to urge that where it was possible, we joined together with United Church Women, in the Day of Prayer. **WE STILL URGE THIS!**

Last year, many of our National Leaders planned a Prayer Pilgrimage to Washington. Thousands came. It was most effective. Our suggestion here is, that we do not waste time talking about the best day and the best place. The Bible reminds us that "Men ought always to pray". The important thing is that the people be led to a consciousness of the importance of praying for their tragic needs; of giving thanks for their marvelous blessings and for a feeling of each other in great distress. Let us never lose the value of the sense of God's presence in the midst of the people—in victory and in trouble.

What Are Large Organizations For?

Statistics say that the National Baptist Convention, U.S.A., Inc., has a constituency of 4,500,000 Christians. That number of Christians,—if intelligent, concerned and dedicated, could become mightily "leaven in the lump". Their only business in the world is to do just that. Why do we become Christians, except to enlighten, inform and help God to transform men of every kindred, tribe and tongue. Religion is not the religion of Jesus Christ, unless it goes about cleaning up the human race. If our Conventions represent numbers only, we have missed the purpose of our creation.

The masses of Negro people, in America are passing through deep water. The race question, as it has been handled by unenlightened, self-centered leaders and unintelligent mercenary whites, is a mill-stone about the neck of over half of the Negroes of this country.

Today, the problems of mass (satisfied) ignorance, poverty, social degeneracy and ungodliness are staggering, and no comparable plans for their solution are being seriously considered by Negro classes or white philanthropy or reformers. A concrete, definite, over-all, down-to-earth plan should be inaugurated to reach, enlighten, challenge, inspire and deliver.

Negro slums in the great cities are dens of iniquity. Blighted houses are bad enough, but blighted souls out-number them by the thousands. What is this talk about—building a Christian Democracy going to amount to, unless we put the souls of men first. There is no way on earth to save America, unless America decides to help save the Negro, and unless the Negro decides to make it his major business to save himself.

The Negro conventions, in America, should get together and decide to lead in a program of service and not of self,—and the high purpose of that program will be to show the masses—the way out. This is not a small job, but it can be done—and nothing else is as important and challenging in Negro life at this time.

WHAT SHALL WE DO ABOUT IT? Shall we go on splitting or staying split? Shall we go on talking about who shall be greatest in the Kingdom when there can be no Kingdom—without people?

Race Acceptance

Perhaps you have noticed that most people are inclined to put their failures and shortcomings on someone else. That is too human, but it is not always true.

The time is come when the condition of the American Negro is embarrassing. The government is embarrassed by other nations, when brought face to face with the Negro situation in America. Excuses, apologies, explanations are made everyday. The fact of the matter is that both races are responsible. The White race is responsible for doing it, and Negroes are responsible for taking it.

This wrong doing has been going on a long time. It has become a habit. Both races have had time enough, experience enough and contact enough to know better and to do better. Taking a chance with God and Right and Righteousness is playing with fire. The recording day has come. God calls it—"the fullness of time".

To begin with, the day for giving or accepting less than Justice, Cooperation and Goodwill is gone. If the Negro is satisfied with less than the fundamentals of Democracy and Christianity, he does not belong in a country that is dedicated to these mighty ideals. And if the white race did not propose to share America with other races, that race should not have used other races to help lay America's national foundations in "blood and sweat and tears."

The supreme business of the American Negro is to study to show himself a work-

man that needeth not to be ashamed in any field of service. This clinching of citizenship, in a democracy, is exactly what Frederick Douglass meant when he said, "If the time shall ever come when we shall possess in the colored people in the United States, a class of men noted for enterprise, industry, economy and success, we shall no longer have any trouble in the matter of civil and political rights".

It is, therefore, up to the Negro to qualify for service "On All Fronts In American Life"—ask no more and take no substitute.

What Is—"The National Crusade"?

Where have you been if you have not heard about it? What have you been doing if you have not read about it? How can you live in America unless you are going to do something about it?

Briefly, today terrible conditions and serious race tensions and conflicts are tormenting the lives of the people of both races in every section of America. The facts have been published for the Crusade Campaign by the Woman's Convention—in twelve different tracts, ranging from four to sixteen pages each.

Since the First of April, 1957, we have published and circulated nearly a half million of these tracts. There are women and men in this Convention who will report to you—"How Goes The National Crusade Improving American Life On All Fronts?" Suffice to say, we have sent out over a half million pieces of literature for free distribution in this Campaign.

The Crusade is beyond doubt the largest social welfare Crusade ever undertaken by Negro people. Rejoice with us when we tell you we have just begun. People have been ordering Crusade material in all quantities—from one to five thousand!

We have invited Rev. Charles W. Kelly, of Tuskegee, Alabama, to tell us a word about "What Twelve Things The Negro Must Do For Himself" and "Twelve Things White People Must Stop Doing To Negroes" has been doing for the problem in Tuskegee.

In February, a representative of the North American Convention came to our office and saw two copies of CRUSADE material on our desk. She was struck by the titles—"DON'T LET ANYBODY FOOL YOU"

"TWELVE THINGS THE NEGRO MUST DO FOR HIMSELF"

"TWELVE THINGS WHITE PEOPLE MUST STOP DOING TO THE NEGRO"

She asked that we send Five Thousand of each to her office in New York. She has been most cooperative in making friends and contacts since that visit. This is the way THE CRUSADE has been spreading—North, South—East and West.

Many of you are wearing THE CRUSADE BUTTON. They are attractive and challenging. It is our hope that from reports, suggestions and the picture of tragic needs—as they will be presented in this meeting—by women who have looked upon the field and seen human beings going to waste, streets teeming with neglected children, homes blighted and wrecked by parents—who have no more regard for marital vows than they have for the value of a drink of water;—a record of juvenile delinquency that has never been matched in the history of mankind—It is our prayer that these disturbing sights shall compel hundreds of messengers to rededicate themselves, sign up—and go down from this place to "CRUSADE" FOR IMPROVEMENT OF AMERICAN LIFE ON ALL FRONTS" until the last, the least, the lost, shall be reached and we shall see a new light—a new day—breaking all over America.

It is hardly necessary for us to remind you that every church in America should be concerned and actively interested in this CRUSADE. The people need the Church and the Church needs the people. THE CRUSADE which we are pushing is a "highway and hedges" CRUSADE. Christ was very definite about what should be done to "highway and hedges" people.

Special Gifts

It is a pleasure to report to you that some people are faithful, regardless of what happens. You can always count on them. Their number is few, but their faithfulness is unfailing. Put them down as regular givers—or as friends, unfailing—but always put them down—month by month—year by year.

Will you or your church or Missionary Society become a Monthly Giver—for one full year? Match any one of these fine friends and let us show you what a magnificent thing your regular giving will do? You will be happy over the results, all your days, and it will be a remembrance of you when you are in eternity.

WE ARE ONLY REMEMBERED BY WHAT WE HAVE DONE.

In a work such as ours, some days are terribly dark. There is only one assuring light in our most tragic situation.

"Behind the dim unknown, standeth God
 within the shadows
 Keeping watch above His own."

For some reason, I have that rich assurance at times. It is so seldom that we receive gifts of any size for our work, that we know full well that God has been not only keeping watch, but He has been speaking.

In May 1957, we received a gift of Four Thousand Dollars, from Woman's Missionary Union, of Virginia—Southern Baptist Convention. We acclaim "Praise God from whom all blessings flow," and said in the same breath, "Bank it for the Chapel!" These loving Virginia friends of mine have never failed me in any crisis. Furthermore, the letters that have come to me this year—letters of confidence, interest, concern, faith and determination spell out more for the future than words can say. Christian women are believing, hoping, praying. White women are among them, strong and resolute. Negro women have re-dedicated themselves to the mighty task of making the world safe and just for Brotherhood.

We are on our way—together. The path is neither smooth nor the way clear, but we are facing in the right direction and together. Isaiah says, "The Lord shall make them see eye to eye."

Christians Must "Go Forward" Together

At this time, in the world's struggle, if leaders were not clear-visioned, just and courageous—almost spiritually reckless in their pronouncements on Justice, Good Will and Human Brotherhood—they would be unfit for the trust. Somehow, in a crisis such as the one through which we are passing—God has always raised up men of stature.

Last year, we reviewed briefly for you the development of a plan of Understanding and Cooperation of the White Baptist Women of the South. But, before that, we had given you glimpses of the progress from year to year.

But now, it does seem to us that the time has come for the women leaders in the Northern, Southern and National Baptist Convention to meet—TOGETHER—and to think and to think out a revised plan of cooperation. That plan should cover every phase for Christian work for the children, Young People and women of the four National organizations. The plans must be in keeping with the "New Day" that is dawning, and with a high purpose of Jesus Christ in Race Relations on this planet.

You, who know the women leaders in the Conventions involved, are not at all skeptical about the outcome—nor of the re-study—nor the recommendations that must follow.

There are more Christian women in America, going God's way than ever before. Some of them hesitate at the Crossroad, because they do not know which way to turn but God is there saying to all of us—GO STRAIGHT!

The last sentence in our Message to you at Denver, last year, was—"That Creation and revelation, art and science, song and story, learning, genius, and all earthly rules

reach their noblest heights when they bow in reverence at the feet of Jesus Christ." The scene was laid in Albert Hall, London. A mighty chorus had just sung Handel's "Hallelujah Chorus"—"King of Kings and Lord of Lords" rose in celestial notes. Our appeal to you at Denver was, "Let us join the mighty crusade, around the world, to help make Jesus Christ real and regnant in the lives of the millions, from shore to shore."

At our mid-winter Board Meeting, at Hot Springs, Arkansas, we worked out some details essential to the launching of a Crusade—designed to "MAKE AMERICA CHRISTIAN ON ALL FRONTS".

Today, we meet on hallowed ground, to report to you—how goes the battle on "all fronts" in America, and tell you that—for world conquest in the realm of the educational, social, economic, political and spiritual—America MUST "Spare not, (race prejudice) but must lengthen her cords and strengthen her stakes".

In 1954 someone asked, "Who is that speaking to America?" The answer came back, "It is the Supreme Court of the United States." I declare unto you, the Supreme Court of the United States was not speaking. "THE LORD OF HOSTS, in His name—the God of the whole earth", spoke through that Court on MAY 17, 1954.

The fullness of time had come, and when that time comes God always speaks. Our concern, here and now, is, that we know His voice and follow His command. God speaks again to the people who are called by His name in America—the people who are working with Him to make this nation Christian, democratic and everlasting. He says, "No weapon that is formed against thee shall prosper, and every tongue that rise against thee, thou shalt condemn."

With these promises, hot from the Divine Anvil, it seems that God brought us in 1957, to one of the fairest cities in America—to dedicate ourselves to the on-going of what the world will record as the beginning of the greatest year in the history of Christian Race Relations.

When you know what has never happened in Kentucky—no race riots; no separate street cars; no bitterness between the races, ever; no violent protest against Supreme Court mandates;—and when the future Historian dips his pen in the ink of immortality and writes these words, "and it came to pass"—no lion was there, nor any ravenous beast thereon. They were not found there, but the redeemed walked there. Kentucky is, beyond doubt, one of the fairest states in the Union.

The President of this Convention got her start in public life here, and she owes an everlasting debt of gratitude to Kentucky blue-bloods of both races and to the famous "Courier-Journal" and "Louisville Times" for the generous encouragement they gave her . . . "In the beginning." To that encouragement "in the beginning", I state—without reservation—that I owe the results of any service that I have rendered to the world.

The warm heart, the sincere desire, the unselfish wish could never be excelled nor regarded lightly. I am deeply moved by the scenes before me and around me. Kentucky, in general, and Louisville, in particular, have been making progress during all of these years, while we have been absent "one from the other", in body only. We have come a long way, but PROGRESS has been the watchword—not only in things material, but in things spiritual—in understanding and in good will.

It is no mere accident or convenience that the Woman's Convention, Auxiliary National Baptist Convention, U.S.A., Incorporated, is holding its meeting on the Campus of the Theological Seminary of the Southern Baptist Convention. This is GOD—

"Moving in a mysterious way,

His wonders to perform,"

and what more grateful and effective words can we say, at this hour than,

"—Have thine own way, Lord, Have thine own way,

Thou art the potter, we are the clay."

You, who are Christians, know full well that,

"God moves in a mysterious way,

His wonders to perform."

Oh yes! The "Age of Miracles" is opening, not only in Kentucky, but around the world. It is this mighty—moving miracle, moving period—to which we must dedicate our faith, our talents, our time and our substance.

The day is past and gone when we must think and act in terms of race, country and man-made limitations. The fullness of time has come when we must "lay aside every weight—and the sin that doth so easily beset us," and gird ourselves as "Crusaders" against ignorance, injustice and ungodliness, in America and throughout the world. America cannot lift any race alone neither can she sink any one race without losing her own soul.

My Co-Workers: some will ask—can we of this Convention do the things we have mapped out in Christian Education; in Foreign Missions; in Home Missions; in Interracial Cooperation; in Home Improvement; in helping make this a real democracy?

Yes, we can do it if we work TOGETHER. Speaking of the power that comes in time from working together, Lyman Abbott said, "I plucked an acorn and held it to my ear, and this is what it said to me: 'By and by the birds will come and nest in me. By and by I will furnish shade for the cattle. By and by I will provide warmth for the home. By and by I will be shelter from the storm to those who have gone under the roof. By and by I will be the strong ribs of a great vessel, and the tempest will beat against me in vain, while I carry men across the ocean.' 'O foolish little acorn, wilt thou be all this?' I asked. And the acorn answered, 'Yes, God and I.' " That's it. Submitted Sept.

"THE WISDOM FOR SUCCESS IN THIS TIME OF GREAT CRISIS"

Rev. Edward A. Freeman

Deut. 6:18-19—"And thou shalt do what is well-pleasing and good in the sight of the Lord thy God; that it may be well with thee, and that thou mayest go in, and take possession of that good land, out of which the Lord hath, with an oath, promised your fathers to drive all thine enemies from before thee as the Lord thy God hath spoken." (Septuagint)

Dr. Howard Thurman began his address before the National Baptist Convention, U.S.A., Inc. with this prayer: "Give me the strength to be free, and to endure the burden of freedom and the loneliness of those without chains." This prayer reminds us that we are faced by a colossal, and a very serious crisis in racial relations in America and the world. The great problem of freedom has many facets and we must see and understand them before we can make an intelligent approach towards its equitable solution. This is a must for all who are concerned and affected by this most formidable crisis facing mankind today.

Now just what is a crisis? Let us look at it for a moment. "A crisis is the result that emerges when two fundamentally positive impulses, or forces are at work within the same situation." This is the basis of conflict. One of these forces is characterized by the impulse to maintain the status quo in a rapidly changing order, while the other force is characterized by the impulse to move into the future, push on and spill over in new areas of achievement. (The crisis in a serious illness comes when the impulse to give up equals or nearly equals the impulse to keep living.)

Life and the future are on the side of that which remains to be fulfilled and achieved. Thus, a crisis is produced when the traditionalists and individualists of the society meet in opposing camps and each fails to recognize those worthy aspects of the other and attempts to fully discredit and ignore the rightful place of each other in our social order. When there is an attempt to force adults to deal and react like children, serious conflicts results. Yes, when an adult is forced to yield his manhood or womanhood and revert to the status of a child, this is the basis of conflicts and crises. If society is to find a proper balance between these opposing forces which produce the conflicts and crises within its framework, it must erect windbreaks behind which all

adults may deal and react like adults. And the buttress for such windbreaks is the moral and ethical code found in the teachings of Jesus Christ and they should be reflected in the rules and laws which society builds for its orderly perpetuation and in the attempts to offer protection and security to all its members.

The Responsibility of Freedom

Freedom involves responsibility and not freedom from responsibility. It is most unfair for one group in society to shirk its responsibility and cast it upon the other groups to assume while it goes leisurely along. Now the basis of freedom is option. Every free man or woman in society should exercise a wholesome sense of option. This is basic to true freedom. For when option is withdrawn, freedom disappears and whoever fails to exercise and maintain his sense of option fails to be really free. Thus to be free means that one has and exercises a rhythmic sense of option and assumes full responsibility to the whole of society for his actions. Therefore, when one assumes option and fills his responsibility to society, only then does he earn the right to be free. If he does not assume option and fill his responsibility to society not only does he lose his right to be free, but he becomes the plaything of those who do exercise option and assume the required responsibility.

In this great crisis and struggle for full freedom in the United States, more American Negroes must desist from soliciting guest privileges and charity, and begin exercising a regular and persistent sense of option and assume their full responsibility to citizenship, in politics, in civic and community improvements, in business, in home and family life, and in their economic and religious life. At this point, I would like to repeat the twelve basic things which the Negro in America must do for himself if he is to prove himself worthy of his persistent demands upon the American society. These twelve things are suggested by Dr. Nannie Helen Burroughs in "The National Crusade To Help Improve American Life on all Fronts." "This Crusade is to work throughout America to lick injustices, satisfied mass ignorance, race discrimination, laziness and standardless living." I highly commend them to you and all Negroes in America.

1. The Negro must learn to put first things first. The first things are Education, Development of Character traits; A trade and home ownership.
2. The Negro must stop expecting God and white folk to do for him what he can do for himself.
3. The Negro must keep himself, his children and his home clean, and make the surroundings in which he lives comfortable and attractive.
4. The Negro must learn to dress more appropriately for work, for business, for special occasions, and for leisure.
5. The Negro must make his religion an everyday practice and not just a Sunday-go-to-meeting emotional affair.
6. The Negro must highly resolve to wipe out mass ignorance.
7. The Negro must stop charging his failures up to his "color" and to white people's attitudes.
8. The Negro must overcome his bad job habits.
9. The Negro must improve his conduct in public places.
10. The Negro must learn how to operate business for people—not for Negro people only.
11. The average so-called educated Negro will have to come down out of the air. He is too inflated over nothing.
12. The Negro must stop forgetting his friends.
"Remember"—America is brim full of opportunities. Go after them! It is not easy—it's a "Rough and Rocky Road." "Stony the Road We Trod, etc."

America Must Understand The Problem

If America is to remain a strong force for good throughout the world, she must learn the lessons of history that "In unity there is strength." She must master the art of living together and face squarely the racial problems created by her heterogeneous citizenry. If democracy is to become a working force throughout the world, it must work here in America. We have one of the greatest opportunities in history to show that democracy and fair play can work. Our Christian heritage demands no less. This principle was unique only in the life and teachings of Jesus.

Let me give here for our clarification what is commonly called the "Negro Manifesto" which reflects the heart and core of what the Negro wants and expects from his America and its society.

1. A voice in community planning.
2. Opportunities equal to all in acquiring trade skills and the honest privilege to compete for jobs in non-menial positions as well.
3. Education, equal in quality and that which is available to all.
4. Recreation, health and housing facilities corresponding to his community needs.
5. The strict and impartial enforcement of constitutional liberties.
6. To accrue a steadily advancing level of culture and understanding among all groups in our American life.

Thus, he must, and I believe, wants to share equitably in the price for an America which has an unlimited economic reserve; inventive geniusness unsurpassed by any country in history; an America with inestimable natural resources. This is a summary of what it will take in our American society to solve this critical racial situation with which we have come to grips, and our Supreme Court has pointed the way.

The Wisdom for Success

In order to arrive at workable solutions for the present crisis which we now face, we shall now consider a few formulas which, I think, will bring America and the American Negro closer to an equitable solution. This injunction found in Deuteronomy 6:18-19, is very applicable to both sides in this dilemma. "And thou shalt do what is well pleasing and good in the sight of the Lord thy God, that it may be well with thee." The primary lesson we must learn in America and practice is the art of working together. We must learn that a combination of colors make pictures. Yes, the proper use of different colors artfully applied gives us the greatest paintings of art. Thus, it takes varieties in colors to give us our choice productions in painting.

Accordingly, the skillful combination of only eight notes gives us all our music. Yes, all our music from Tin Pan alley to the Symphonies emerges from the skillful manipulation and arrangement of only eight notes in the musical scale. Life is made up of varieties. Henry Van Dyke once said, "We are all alike in that we are all different." The variety of colors in the beautiful flowers is developed by the white light of the sun. Now, the sun does not make these colors, but it only develops them. Thus, the varieties which we find in our American society can be so skillfully and artfully applied, that the very best in these varieties may be blended to the extent that a rather unique society will emerge. (A woman never makes a fool of a man, she only gives him an opportunity to bring out what's in him.)

Success is not an accident, but an ordinary incident made most of by an extraordinary mind. Examples of this fact are clearly seen in the experiences of George Washington at Valley Forge; Abraham Lincoln and Slavery; Booker T. Washington and the Education; George Washington Carver and Science, and Martin Luther King and the Montgomery Boycott. Ambition alone will not bring success. History reveals that the American Negro is to succeed in this crisis, he must know and show that success in this sense comes through the proper development of character—that which goes into the heart and plants itself there. Character, therefore, identifies itself. Thus, he will not have to go about with loud boastings about who and what he is. (The Johnstown Flood—Fiery Furnace). He will soon learn that the world will soon find out if he has all his stock in the show-window and none in reserve. The character of his work and personality will identify him like Paul Gustave Dore.

Success in this time of great crisis will come when we exhibit common sense. Common sense is knowing what to do and how and when to do it. (One man and thirteen women). It is knowing where to go and how to get there. (Soldier in New York Book Store). Success will come in proportion as the Negro in America learns that it takes hard work and continuous service to achieve full freedom. He must engage in long periods of preparation, sacrifice, and faithful service to society. He cannot turn aside and neglect his main goals and succeed. He must remember the laws of life, like the laws of chemistry keep right on working. (Student and experiment in chemistry).

Success will reward the Negro's quest when he exhibits a "Faith" which sends

him searching—searching for those foundations upon which he may build securely for the future of his nation and his posterity. Success will come when he is possessed of a "Hope" that anchors and holds steadfast, and secure—secure from outside or alien influences which would undermine his loyalty to those high moral principles and ethical standards advocated by Christianity and secure from those influences which will undermine an abiding faith in God, in mankind, and in himself. The Christian religion fortifies him with his faith and hope. (Browning's "Pippa Passes") (Tennyson's "In Memoriam")

Finally, success will come as he maintains that vital relationship with his God—with "Jesus Christ who is the same yesterday, and today, and forever. Jesus is permanent, steadfast, durable and eternal amid this transitory shakale, unstable order of things. He is the same Jesus who has outlasted the Roman Empire. These times of upheaval and cataclysmic unrest are but the sign of the breaking of day upon a newer order of things. (Travellers in the Perynne Mountains.) God's inevitable will shall, and must be worked out. ("We Feel the Winds of God Today") However, we are to do our full duty and leave the rest to him. We must be motivated by his justice and will because we cannot escape his divine judgment if we fail him in this struggle. ("Amazing Grace, How Sweet the Sound"—John Newton).

Reports showed that the great National Crusade is reaping a fruitful harvest throughout the country. "12 Things the Negro must do for himself and 12 Things that white people must stop doing to the Negro" seem to be the most valuable piece of material because the National office had printed more than 40 thousand and they were yet in demand. Dr. Burroughs challenged us to MAKE BUSINESS FOR GOD PICK UP in the blocks where we live.

25. Mrs. Rosie M. Hill of Detroit asked that we have a Lost and Found Bureau in the Convention, and was authorized to open it in September, 1958.

26. COMMITTEE WOMEN were asked to stand and were given recognition for the great piece of work they are doing. Our President told us about the Committee Books and the Handbooks are on the press and will be off in February. Orders could be placed for them now.

27. Mrs. S. F. Ming asked if placards would be provided for her committee. Dr. Burroughs authorized her to make the signs she wanted and put them up at the next session.

28. Dr. Tucker wanted to know if there were field missionaries for the Crusade and the answer was "No".

29. Doctor Burroughs pleaded for better spelling, writing, and use of the Letter-heads. Use only one letterhead for a letter and let your second and other pages necessary be of a plain bond paper. She asked the committee women to let her know if they could not raise their quotas. She further asked the Presidents and committee members to send money beginning June 15 or July 15 to August 15, to the Treasurer's home in Tuscaloosa, Alabama, in order to get their receipts before the Convention.

30. The President asked for workers interested in Art, Institutes and Workshops, and Public Speakers with educational backgrounds. The following persons were given:

NATIONAL AND INTERNATIONAL CONFERENCES

Following are words depicting impressions made and sentiments adopted by women of our National Baptist Convention, attending National and International Conferences during the year 1957.

The conferences attended were the Second Continental Assembly of the North American Women's Union of the Baptist World Alliance, held at Toronto, Canada and the General Assembly of the National Council of the Churches of Christ in the U.S.A.

The themes for the two conferences were "The Family Circle of God" and "Oneness in Christ" respectively.

The Baptist Women's Conference was broken down into Conferences for Sharing, namely: Spiritual Life; Missions; Program for Women's Meetings; Christian Social Relations and Leadership Techniques.

Let us look at some of the sentiments expressed by the women attending these conferences.

Said Mrs. Lillian L. Hall, "Highlights from continental chairmen awakened us to our obligation to respond to the needs of others of the Family Circle of God. Reports from conferences for Sharing were informing and challenging. Dr. Burroughs' conference, "Programs for Women's Meetings" was a challenge to the entire Christian family to get busy. She stated, "Doing nothing is the most tiring job in the world, for you can't stop to rest." In the closing service, Dr. Applegarth used the three words of Jesus, "Remember Lot's wife", as a basis for meditation. She challenged us to

use our influence for good as we returned to our wicked cities, thus closing the session on a high spiritual plateau."

Mrs. L. S. Weatherspool who attended both conferences mentioned, said, "Both meetings were ecumenical in spirit. At the Toronto meeting, one could not help but feel a definite part was hers in the Family Circle of God. Space would not permit reference to all messages heard, but may I mention one which was so very impressive to me. Mrs. Marguerit Applegarth in her message based on the story of Lot's wife challenged her listeners to so live that one will never have to look back in remorse over deeds which one might have done to help make the world a better place in which to live."

Attending the North American Women's Union, Mrs. Bertha Winston reported, "The most challenging work reported was that of our own president, Dr. Nannie Helen Burroughs, United States of America. African highlights by Mrs. J. M. Ayorinda bespoke the effects of Christianity permeating the once dark continent of Africa. Robert S. Denny, Secretary of Youth of Baptist World Alliance, said, "Let no man despise thy youth" and depicted how the work has grown in influence around the world. Youth must catch from us and we must pass it on with confidence. Baptist women around the world are important in showing the way to peace."

Mrs. Mauddean Thompson Seward at the Toronto conference attended the group on Leadership Techniques. She reported:

1. The Wise Leader works with her group to study common needs and problems, outline possibilities and decide next steps.
2. The Democratic Leader used group discussions for Leadership Development.
3. Leadership Education Enlists Leaders and helps them to—deepen Christian commitments; enrich personality, widen knowledge and the like.
4. How we can interest every woman who is a member of our missionary society—Give each woman a job; find out what each woman wants to do and make your program both interesting and challenging.

Others attending the conferences and reporting were Mesdames: Esther Walker Tyree, who was added to the executive board of the North American Women's Union, Edna Bronson, Henrietta M. Gibbs, Correne Watts and Mary O. Ross.

All of us are deeply grateful to President Burroughs for the privilege of attending National and International Conferences.
