*Call for a National Convention of Colored Baptists.

Dear Brethren: April 5, 1886, an open letter to the Baptist clergy and laymen was issued by Rev. Wm. J. Simmons, an American Baptist, asking if we should have a National Convention to discuss questions of interest to our beloved denominations. At that time the following reasons were given:

1. To promote personal piety, sociability, and a better knowledge of each other.

2. To be able to have an understanding as to the great ends to be reached by the denomination.

3. To encourage our literary men and women, and promote the interest of Baptist literature.

4. To discuss questions pertaining especially to the religious, educational, industrial, and social interests of our people.

5. To give an opportunity for the best thinkers and writers to be heard.

6. That, united, we may be more powerful for good and strengthen our pride in the denomination.

Having been solicited to write the Call by many whose names and endorsements are hereunto affixed, the Call is hereby made by their advice and solicitations for said convention to meet in St. Louis, Mo., August 25, 1886, 10 o'clock a.m., in the First Baptist Church, and the pastor thereof is hereby requested to serve as a Committee of Arrangements, with power to select his associates.

Wm. H. Steward, Louisville, Ky., and Rev. R. H. Cole, 2609 Goode Avenue, St. Louis, are hereby requested to serve as a Committee on Transportation.

WM. J. SIMMONS.

The chronological report in our National Baptist Minutes is hereby corrected, viz: The parties as they appear below were officers of the Foreign Missions or National Educational Conventions, as were their predecessors. Said conventions merged into the National Baptist Convention in 1886 or met co-jointly with it, or otherwise.

The September Board Meeting of the National Baptist Convention, U.S.A., Inc., opened with the singing of "Lift Him Up" at 2:45. The Scripture lesson was read by Dr. Floyd Massey, Jr., who chose to read from Romans the 12th Chapter. Following the Scripture we were led in prayer by Dr. Massey. The President then requested Secretary Jemison to read a prepared statement, "Re-Affirmation of Our Faith In The Nation." Several made expressions of commendation concerning the statement. Dr. D. W. Hoggard moved and seconded by Dr. E. A. Freeman that the statement be adopted. Dr. T. S. Harten spoke in defense of the motion with a second and praise to President Jackson for such a well prepared document. Dr. M. L. King, Sr., raised a question about the term fight in the document and suggested the term contend instead; Dr. E. A. Freeman spoke in favor of wide publicity of the statement. This view was also supported by Dr. L. M. Terrill of Georgia. Dr. S. T. Alexander amended the motion that the document be widely publicized. The motion as amended was adopted unanimously.

Rev. Paul Fullilove moved that the document be printed for distribution to our churches. Dr. Wendell Liggins seconded the motion which was adopted. MINUTES OF BOARD OF DIRECTORS, N.B.C., U.S.A., Inc.

San Francisco, Calif.
September 9, 1959

The Board of Directors of the National Baptist Convention, U.S.A., Inc., met in extended session, Room 200, Pacific Auditorium, at 6:00 P.M., with President J. H. Jackson, presiding. Dr. W. L. Wilson, S. C., led in prayer.

Following a brief statement by President Jackson, the report of the committee, designated to give the titles and define the functions of the two officers, previously passed upon by the Board of Directors, to conduct the affairs of the Sunday School Publishing House, Nashville, Tennessee, was called for. Dr. E. C. Estell, Chairman of the committee, called for the reading of the minutes of the committee action, which were read by Dr. E. A. Freeman. Then, Attorney Benjamin F. Wilson, who had been assigned the task of presenting the necessary Constitutional changes in the Constitution of the National Baptist Convention, U.S.A., Inc., and the necessary changes in the By-Laws of the Sunday School Publishing Board so as to provide for the proposed changes in the operational functions of the Sunday School Publishing Board, was recognized. (See Report on Proposed Constitutional Amendments and Proposed Amendments To By-Laws of Sunday School Publishing Board).

At this point, Dr. D. E. King offered a motion, properly seconded, that whereas the proposed change in the Constitution of the National Baptist Convention, U.S.A., Inc., provided for an Executive Director, that said proposal would be stricken, and the title would remain Corresponding Secretary. The vote resulted,

six (6) for, and fifty-nine against. Then, Dr. M. L. King, Sr. offered a motion, properly seconded by Dr. F. W. Gambrell that the vote be made unanimous favor of the proposed Constitutional change, providing for Executive Director of the Sunday School Publishing Board.

Dr. M. W. Whitt offered a motion, seconded by several, that the report of the committee on constitutional changes be approved, with necessary correction. The motion was unanimously passed. The Board of Directors pinpointed the conflicting proposals as set forth in the duties and responsibilities of the two officers, and advised the Attorney to take full cognizance and set them in their proper relationship in the Resolution prepared to be presented to the convention, Thursday, September 10, 1959. Dr L. M. Terrell offered a motion, duly seconded by many, that the Resolution on Constitution Amendments of the National Baptist Convention, U.S.A., Inc., and the Amendments to the By-Laws of the Sunday School Publishing Board, as corrected will be presented to the convention. The motion passed without a dissenting vote.

The committee submitted a report on the salary of the Executive Officer of the Sunday School Publishing Board and the salary of the Secretary of Religious Education. Following a brief discussion, this report was resubmitted to the committee for further study. At this point, the Board of Directors observed a break for dinner. Following the dinner, the committee recommended that the salary of the Executive Director of the Sunday School Publishing Board be set at $9,000.00 per year and that the salary of the Secretary of Christian Education be set at $8,000.00 per year. Upon motion, duly seconded, the report was unanimously adopted.

The committee, on Recommendation of the Personnel to fill the two positions at the Sunday School Publishing House, submitted the following names:

1. D. C. Washington, Anniston, Alabama, Executive Director of the Sunday School Publishing Board.
2. Reverend Charles L. Dinkins, Nashville, Tennessee, Secretary of Religious Education.

A motion, duly seconded that the report be adopted, was arrested by Dr. D. E. King, who offered a substitute motion, seconded by Dr. U. J. Robinson that the names of Reverend Washington and Reverend Dinkins be taken in the reverse order of the recommendation submitted The vote was eleven (11) for and thirty-two (32) against. Thus, the motion was lost. The vote on the original motion to adopt the report of the committee, naming Reverend D. C. Washington, Executive Director and Reverend Dinkins, Secretary of Religious Education, resulted, forty (40) for and (8) against. Thus, Reverend D. C. Washington was elected by the Board of Directors to be recommended to the convention as Executive Officer of the Sunday School Publishing Board, and that Reverend C. L. Dinkins be elected by the Board of Directors as the Secretary of Religious Education, and recommended to the convention.

Upon motion by Dr. L. M. Terrell, seconded by many, a vote of thanks was extended to President J. H. Jackson, Attorney Benjamin F. Wilson, Dr. E. C. Estell, Chairman and the committee as a whole, consisting of: Dr. E. C. Estell, Dr. E. A. Freeman, Dr. A. L. Davis, Dr. L. A. Bowman, Dr. W. T. Crutcher, Dr. C. L. Dinkins, Dr. C. B. Knox, Dr. J. A. In his opening remarks the president challenged the delegates and visitors to forget the lines of distinction for here we are all one. We have come today because the United States needs us and because we feel the power of the Gospel to lift our burdens. We have come to reaffirm our faith in the Christian Charter. We have come not to write a charter, we have one already. In the name of the God of this charter, I declare this 79th Annual Session of the National Baptist Convention, U.S.A., Inc., open to do business for our King.

President Jackson asked the convention to stand for a moment of Silent Meditation in memory of our departed members. Rev. O. M. Hoover, Cleveland, Ohio, sang a vocal solo, "How Great Thou Art."

After a lengthy discussion, this proposal was [illegible] down by the Board of Directors of the National Baptist Convention.

A meeting was called of the Bath House Commission following the Board [illegible] ing. It was decided in this meeting that a "Letter Campaign" should be la[illegible] to raise funds to free the Bath House of the old accounts and the balance on [illegible] tal improvements. We proceeded with this effort by sending out more than [illegible] letters to churches, associations and conventions. We did not receive One D[illegible] ($1.00) from this effort.

The time has come again for me to make my annual report to you as your s[illegible] tary, the officer that is the keeper of your records, your history in detail. I w[illegible] you to know that I have endeavored to be a good secretary and I have ke[illegible] the proceedings of this convention with meticulous care.

As we have stated before in our reports to you, the work of this office is [illegible] over. There are requests that come from every section of the country and [illegible] parts of the world for information concerning this great National Baptist C[illegible] tion. As you know, we are the third largest Protestant group in the United S[illegible] —The Methodist Church, The Southern Baptist and us. As you know we are [illegible] largest organized Body of Negroes in the World. I believe our statistician [illegible] report to you this morning that we are now in excess of 5,000,000 members.

This year I am happy to report that the minutes of our last session which was [illegible]d in Chicago, Illinois were mailed to you before you came to this meeting. I [illegible]pe that each of you received your copy. However, if you didn't receive it before [illegible]u left for this meeting, and if you don't find it there upon your return home, [illegible]ease inform me by postal card in Baton Rouge and I will be most happy to send [illegible]u a copy immediately.

As your secretary, I am a member of the General Board of the National Council [illegible] Churches of Christ in the United States. I attended the two meetings of the [illegible]ard during the year.

And again, just about two weeks ago as your secretary, I was invited to a [illegible]hite House Conference by the Head of the National Council to discuss matters [illegible] grave importance to our nation, and the matters of world peace. This confer[illegible]ce was held in Washington yesterday, shortly after the president's official trip [illegible] Europe and before his meeting with Russia's Premiere Khrushchev. It goes [illegible]thout saying, that I regret it was necessary for me to miss this conference. [illegible]Then too, I want you to know that this office has worked in complete harmony [illegible]th the president's office and has answered every request.

Respectfully submitted,

Your General Secretary

CORRESPONDENCE

Your attorney has carried on correspondence with various individuals, governmental agencies, and boards, touching upon matters having legal bearing upon the convention. Such correspondence had to do with:

1. Requirements of the New York State General Business Law with reference to Certificate of Report of Existence.
2. Federal Director of Internal Revenue in connection with certain convention deposits.
3. The Sunday School Publishing Board.
4. The American Baptist Theological Seminary.

REAL ESTATE

Much time, consideration, and action has been given to matters involving convention owned real estate. The Board of Directors has authorized your attorney to inquire into title conditions of real estate owned by the convention, and accordingly, we make the following report concerning that part of the convention real estate which has been located through examination of deeds. Original deeds which have been seen and examined, photostatic copies of which are in our possession, cover the following:

1. General Warranty Deed covering Bath House properties at Hot Springs, Arkansas.
2. Deeds covering the old Roger Williams College property located on White's Creek Pike in Nashville, Tennessee.
3. Deeds for properties on which the Sunday School Publishing Board Building is located were not available due to contract arrangement between The Nashville Housing Authorities and the Sunday School Publishing Board, wherein, because of certain real estate improvements and contract committments, the deeds are being held by The Nashville Housing Authority, pending the completion of said developments.

Your attorney did, however, examine the document entitled, "Irrevocable Offer for Contract of Sale," and obtained a photostatic copy of said document. The documents as hereinabove referred to were examined on August 18, 1959, in the offices of the Sunday School Publishing Board at Nashville, Tennessee, and the photostatic copies of said documents were mailed to us on August 25, 1959.

Due to limited time, we have not been able to check or examine the chain or present condition of title to these properties.

SUNDAY SCHOOL PUBLISHING BOARD

Although a more detailed report concerning the Sunday School Publishing Board will be made at this convention, your attorney wishes to report that said Publishing Board is a creature of the laws of the State of Tennessee as enacted in 1921, and later amended. Examination of the original charter of incorporation was made, and photostatic copies of same were procured, examined, and are now in our possession.

RECOMMENDATIONS

In view of the foregoing, your attorney wishes to make the following recommendations to this convention:

1. All boards that are incorporated under the laws of any of the several states should make available copy of their charters, the enabling acts under which they were organized, and their by-laws.

2. It is important that said boards should also make available to us for examination, deeds to real estate and evidence of title, such as guaranty title policies or abstracts. It is to be noted that deeds and mortgages do not necessarily give us complete information as to title conditions of real estate. We hope, within the next year, to have evidence of title (abstracts or title guaranty policies issued by a recognized title company), to all convention real estate.

When such is obtained, we will be in a position to report as to the exact title condition of said properties. It is our hope that when such documents are in our possession, they will be and with the authorization of this convention or its Board of Directors, delivered to the proper officer of this convention for safekeeping.

Respectfully yours,
BENJ. F. WILSON
Convention Attorney

REPORT OF COMMITTEE ON FINDINGS

General Sunday School Publishing Board

Nashville, Tennessee
June 4, 1959

We, the Committee on Findings, wish to make the following report:

1. We find that a very healthy state of mind exists within the Publishing House, among the Administrative Officers and Personnel during this period of transition.
2. We find that a very sympathetic and understanding attitude was taken by the Administrative Officers of the Sunday School Publishing Board in rendering whatever services that they could to the family of the late lamented Dr. A. M. Townsend during that period of crisis in their lives.
3. We find that the General Board paused for a brief memorial to Dr. A. M. Townsend and Dr. Henry Allen Boyd, which was conducted by Rev. Moses W. Beasley of Alexandria, Virginia.
4. We find that the Fiscal Officers of the Board in cooperation with the Board of Directors and the Executive Committee, have set forth a sound business program for guiding the Sunday School Publishing Board through this period of change that follows the death of the former Corresponding Secretary.
5. We find that the report to the constituency of the National Baptist Convention that the Morris Memorial Building is the property of the Convention, and that the Board and Convention is not in any indebtedness financially to the late Secretary, Dr. A. M. Townsend, will be most reassuring and encouraging.
6. We find that the members of the General Board had the privilege of seeing and reading the deeds personally, which gave added enthusiasm to the members of the Board. The deeds to the property on which the Morris Memorial Building stands, shows registration and ownership in the name of the National Baptist Convention, U.S.A., Inc.
7. We find that other properties were inspected by some of the members of the Board and found ideal for future expansion.
8. We have had an opportunity to witness the progress of the renovation program and found it up to the schedule which was so notably begun by Dr. A. M. Townsend.
9. We point with pride to the wholesome attitude and relationship between the Publishing Houses of the city and the Sunday School Publishing Board, and that plans are afoot to increase our own Board's facilities, purchase new machinery, and discard outmoded machinery, in order that our production may be handled within the house.
10. A very reflective, constructive, comprehensive, and challenging report was presented to the General Board from the Board of Directors and from Secretary Charles L. Dinkins.
11. The General Board expressed the desire to carry out every law, and directive, of the National Baptist Convention, U.S.A., Inc., and Dr. J. H. Jackson, our renowned President. We wish to express thanks to Hon. Benjamin F. Wilson, Attorney of the Convention, for his opinions given to guide our actions, and to thank Mr. J. B. Blayton, auditor, for his valuable service in audits and organizational structure.
12. The Auditor's report reflects the idea and shows that we are organized and following the same line of progress as in other American industries in printing and distributing.
13. The Findings Committee notes particularly with gratitude, the progressive plans and program outlined for the Board by Dr. Dinkins, our Secretary. We

find in Rev. Charles L. Dinkins, the type of genius for his generation as that of Dr. Townsend's was for his. The type of dedication by family background and inheritance, training, and experience, makes him a suitable leader to succeed his predecessor.

14. The Committee notes with appreciation the service of Dr. L. A. Bowman, Sr., Treasurer of the Sunday School Publishing Board for his unfailing devotion, work and loyalty to the work of the Publishing Board and the National Baptist Convention, U.S.A., Inc., during the past years and especially in this period of transition.
15. The Committee gives a special word of commendation for the able manner in which Chairman M. H. Ribbins has presided over our meetings.

BOARD OF DIRECTORS, NATIONAL BAPTIST CONVENTION, U.S.A., INC.

Memphis, Tennessee, June 24, 1959

REPORT

This is to announce officially the death of the late Dr. A. M. Townsend, for many years the Corresponding Secretary of the Sunday School Publishing Board of the National Baptist Convention, U.S.A., Inc.

Dr. A. M. Townsend was an officer of the National Baptist Convention, U.S.A., Inc., and served said Convention in the capacity referred to above. The responsibility for filling this vacancy is the duty of the Board of Directors in the absence of the Convention in session.

ARTICLE V, Section 1, of the Constitution of the Parent Body:

"It shall be the duty of the Board of Directors to complete the business of the Convention; and to adjust such matters, as may be referred to it by the Convention and to fill any vacancies which may occur in the roster of the Convention, and during the recess of the Convention have entire charge of its affairs."

This is in harmony with the Charter of the National Baptist Convention, U.S.A., Inc., and also, in harmony with the Sections of the Charter of the Sunday School Publishing Board and those By Laws which are in strict conformity to the Charter of the National Baptist Convention, U.S.A., Inc.

Section 14 of the By Laws of the Sunday School Publishing Board of the National Baptist Convention, U.S.A., Inc., June 18, 1951, gives directions for action in the event of the death of the Corresponding-Secretary.

Note the exact quotation of Section 14, of the By Laws of the Sunday School Publishing Board of the National Baptist Convention, U.S.A., Inc.:

"In the event of the death, disability or absence of the Corresponding Secretary, his duties shall be performed and powers exercised by the Assistant Corresponding Secretary and in addition, said Assistant Corresponding Secretary shall perform such duties as may be prescribed by the Corresponding Secretary."

The Advisory Committee of the Board of Directors recommends to the Board that the laws both of the Sunday School Publishing Board and those of the National Baptist Convention, U.S.A., Inc., will be followed to the letter in this matter and since there was an Assistant Corresponding Secretary alleged to have been elected in the annual meeting of the National Baptist Convention, U.S.A., Inc., last September, the Advisory Committee recommends that he still perform according to section 14, quoted above.

We further recommend that the Chairman of the Board, M. H. Ribbins, and the Treasurer, L. A. Bowman, and Mr. S. H. Nesbit will be asked to lend every possible assistance to the Assistant Corresponding Secretary of the Sunday School Publishing Board of the National Baptist Convention, U.S.A., Inc.: that the office of Corresponding Secretary of the Sunday School Publishing Board of the National Baptist Convention, U.S.A. Inc., will remain vacant until the annual session of the Convention, September, 1959.

We further recommend that the working staff of the Sunday School Publishing Board will remain as it was at the time of the death of the Corresponding Secretary.

We recommend further that the proper method will be taken to inform the Convention of the action of the Board of Directors; that the Chairman of the Sunday School Publishing Board will advise the members of the Sunday School Publishing Board of the oversight and error of their actions in attempting to elect a Corresponding Secretary contrary both to the laws of the Sunday School Publishing Board and the Parent Body itself.

ADMINISTRATIVE REPORT

BOARD OF DIRECTORS AND MANAGING OFFICERS

SUNDAY SCHOOL PUBLISHING BOARD, NATIONAL BAPTIST CONVENTION, U.S.A., INC.

JULY 1, 1958—SEPTEMBER 3, 1959

The Chairman, Secretary, Assistant Secretary, Treasurer, and Board of Directors of the Sunday School Publishing Board of the National Baptist Convention, U.S.A., Inc., are pleased to make their Annual Report to the National Baptist Convention, U.S.A., Inc. We express appreciation for the opportunity to serve in the management of the affairs of the Sunday School Publishing Board and for the privilege of serving the cause of our Lord and Savior Jesus Christ through the National Baptist Convention, U.S.A., Inc., Dr. J. H. Jackson, President. We come at this time to bring a report of our stewardship during the past year.

This report is overcast with sadness due to the death of Dr. A. M. Townsend who passed on April 20, 1959, in his thirty-ninth year as Secretary of the Sunday School Publishing Board. The history of the Sunday School Publishing Board is to a very large extent the history of A. M. Townsend in his service to the National Baptist Convention. Dr. Townsend came to the leadership of the Board when the Board was publishing three periodicals, occupied rented quarters, and with a small sales volume. The Board at that time was not chartered, but operated under the authority and credit of the National Baptist Convention.

Dr. Townsend was directly responsible for procuring the Board's charter, and with the assistance of the officers of the Sunday School Board of the Southern Baptist Convention, secured the passage of an enabling act in the Tennessee legislature which permits the chartering of non-profit Sunday School Boards owned and controlled by parent corporations. Dr. Townsend was responsible for building the Publishing House and conducting the financial transactions and the campaigns which resulted in the publishing house being paid for. Under his leadership the Board's sales increased to $800,000 a year, employees increased to 130, and the credit of the Board was firmly established.

In addition to service to the Sunday School Publishing Board, Dr. Townsend served the National Baptist Convention as Chairman of the Board of the American Baptist Theological Seminary; Chairman of the Board of the National Baptist Missionary Training School; Executive Secretary of the Finance Commission of the National Baptist Convention; Director General of the National S.S. and B.T.U. Congress; Managing Officer of the National Baptist Bath House; Secretary of the Transportation Commission and through other services. Through his hands over two and one-half million dollars of the net operating income of the Sunday School Publishing Board has been channeled into various National Baptist Convention Institutions, causes and projects.

For nearly thirty years Dr Townsend had as a close associate Dr. L. A. Bowman. Time alone will measure the invaluable contribution that Dr. Bowman has made to the Sunday School Publishing Board and the National Baptist Convention in its various financial negotiations and transactions. In this period of transition Dr. Bowman has been a pillar of strength, and the Board is fortunate in having his full confidence in the future of the Sunday School Publishing Board and in its present managing officers.

Those of us who tarry on realize that it would be the wish of Dr. Townsend that the Board continue to make progress, to further strengthen its convention standing, and to improve its services to the Convention constituency, to the end that the boys and girls, men and women, in the Sunday schools and church associations and conventions, may have their eyes lifted and their Christian witnesses strengthened.

Adequate provision for the emergency which accompanied the passing of Dr. A. M. Townsend was made many years ago by the National Baptist Convention through its Charter and Constitution, and through the Charter and By-Laws of the Sunday School Publishing Board, which were duly approved by the Con-

vention. The transition has been made much easier because the Convention provided, through its Constitution and through the By-Laws of the Sunday School Publishing Board a legal framework in which the Board of Directors of the Board could continue the operation of the Sunday School Publishing Board without interruption. The Sunday School Publishing Board is a legally chartered Tennessee Corporation with corporate powers residing in its Board of Directors.

It was on April 20, 1959, at 9:56 A. M., that the emergency came. At that time Dr. A. M. Townsend, Secretary, passed away, having been stricken by a heart attack as he was planning to come to his office on that morning. Clothed with the authority given by the By-Laws of the Board, providing that the Assistant Secretary assume the duties of the Secretary in case of the "death, disability or absence" of the Secretary, Dr. Charles L. Dinkins, the Assistant Secretary, in consultation with the Chairman and the Treasurer of the Board immediately went into action. Notice of the death was given to Dr. J. H. Jackson, President of the National Baptist Convention, the parent corporation. An Executive Committee meeting was called for 10:00 A. M., on Tuesday, April 21st, Dr. Jackson having been told in telephone conversation the previous day that this meeting would be held.

At the Executive Committee meeting the Chairman reported that a request had been made by the President of the Convention that the General Sunday School Publishing Board be called to meet on Wednesday, April 29th. However, the Executive Committee felt that at this time it did not have enough information in hand, for no audits, information, or adjustments could be ready so that the General Board could be given a reasonable and responsible report in so short a time. However, in accordance with the By-Laws of the Board, a meeting of the Board of Directors of the Sunday School Publishing Board was called for Tuesday, April 28, 1959, and President Jackson was duly notified by telegram that this meeting would be held.

The Assistant Secretary and Treasurer of the Board, together with Dr. A. M. Townsend, Jr., examined the contents of the office of Secretary A. M. Townsend, and the personal effects of Dr. A. M. Townsend were removed. In the meantime the Chairman, Assistant Secretary and Treasurer were developing schedules for the re-assignment of many of the responsibilities which were carried by Dr. Townsend.

It should be noted here that over a period of 39 years Dr. Townsend grew with the Sunday School Publishing Board and at the time of his death was carrying many of the same responsibilities that he carried when the Board was doing an annual business of $50,000 a year. By his own admission, Dr. Townsend did the work which could have been spread to other persons within the organization. In the meantime, however, looking forward to this day of transition, there had been drawn to the staff of the Board persons who could assume responsibilities for various aspects of the Board's program.

In this period of transition following the passing of Dr. Townsend, the officers of the Sunday School Publishing Board have been in close touch with the office of the President of the National Baptist Convention, and have kept the President advised on all aspects of the work of the Board. Communications from the President's office reflect an interest in the continuation of the work of the Board within the framework of the Charter and Constitution of the National Baptist Convention, and the Charter and By-Laws of the Sunday School Publishing Board.

PHILOSOPHY OF THE SUNDAY SCHOOL PUBLISHING BOARD'S WORK

The Sunday School Publishing Board is one of several Boards owned and controlled by the National Baptist Convention, U.S.A., Inc. It is charged with the responsibility of producing the educational program, preparing the literature, distributing literature and other items, to serve the needs of Sunday schools and churches, especially as it relates to educational work. The place of the Board in the National Baptist Convention organization is defined in the Charter and Constitution of the National Baptist Convention.

The Sunday School Publishing Board is a service institution. Although it has been considered as a commercial Board of the Convention, it is commercial only

In the sense that it provides the cost of its services through the sales and distribution of literature for church supplies. The Publishing Board plans a program for use in the churches, and then provides material to service this program. In order to render greater service, then, it is necessary that the Board use the income from the sales of its merchandise to expand its own operation, and improve its own service, as well as to make contributions to other National Baptist Convention causes.

Over the past forty-five years, the Sunday School Publishing Board has advanced over two and one-half millions dollars to National Baptist Convention interests and causes while at the same time it has accumulated assets in the amount of approximately $700,000.00. It has conducted an educational program in the States, Districts and Churches, which has in turn led the constituency to expect more in the way of service from the Board's operation.

Because it is a service institution, the work of the Board is thoroughly integrated. The Department of Christian Education of the Board is responsible for the development of plans and programs for use throughout the Convention as it relates to Christian Education. The Editorial Department creates the literature to be used to service this program. The production unit of the Board manufactures the literature and materials to be used, and the Sales Department makes these available to the Churches. The business aspect of the Board's operation keeps the whole process in balance.

II. THE LEGAL STRUCTURE OF THE SUNDAY SCHOOL PUBLISHING BOARD

The Sunday School Publishing Board is a legally chartered corporation operating under the laws of the State of Tennessee. It is chartered under Senate Bill No. 870, Chapter 96, Public Acts of Tennessee, 1921. This bill permits the chartering of a Sunday School Board under the ownership and control of a parent corporation.

The Sunday School Publishing Board is amenable to the National Baptist Convention, U.S.A., Inc., as well as to the laws of the State of Tennessee and of the United States of America.

Legal authority in the management of Sunday School Publishing Board resides in the corporate Board of Directors, which is composed of nine men, including the managing officers of the Board. The members of the Board of Directors are elected by the Convention or its General Publishing Board, and are responsible to the Convention and the General Publishing Board.

A review of the By-Laws under which the Board operates will reveal that the control of the Sunday School Publishing Board by the National Baptist Convention, U.S.A., Inc., is extensive and complete.

III. REPORT OF BOARD OF DIRECTORS

The Board of Directors of the Sunday School Publishing Board (the corporate board) has held four meetings during the year. In these meetings this Board has had reports from the managing officers and has passed upon such matters as were brought to its attention.

This Board gave the authority to the managing officers to negotiate a loan in the amount of $125,000.00 from the Fulton National Bank of Atlanta, Georgia, with which to complete the renovation on the Morris Memorial Building. This Board also gave authority to the managing officers of the Board of cooperate financially in whatever ways possible with the National Baptist Convention and its auxiliaries so as to protect the good name and reputation of the Convention in business matters. A report of these services to the Convention will be found in Section XI of this administrative report.

A responsibility of the Secretary of the Board is the custodianship of official documents of the Board. The official documents in our possession are the original Charter of the Sunday School Publishing Board; copy of enabling legislation making possible the Charter of the Publishing Board; official copy of the Minutes of the Corporation, 1921 to the present; Original Deed and Supplementary Deeds to the property on which the Morris Memorial Building stands (said Deeds are the property of the National Baptist Convention and held in custody by the Publishing Board on Convention authority;) Deed to Forehand property purchased at 1st and Jo Johnston, and Deed to a lot in Washington, D. C. Deeds to Parcel B-1 and B-2 adjacent to the property owned by the National Baptist Convention at 7th and Charlotte Avenues, Nashville, Tennessee, are held in trust by the Nashville Housing Authority pending completion of Renovations on the Morris Memorial Building.

There are also in custody papers reflecting the various transactions in building and paying for the Morris Memorial Building, schedule of inventory of equipment, furniture and fixtures as of 1949, and copies of contracts being held by others against the Sunday School Publishing Board.

The principle upon which the managing officers of the Board operate is that the Chairman is the chief officer for the determination of policy and for official contact with the convention and its president, except those which are routine in the Board's operation and have not been in turn directed through the Chairman. The Corresponding Secretary is the chief managing officer of the Board and is responsible for directing the operation and the affairs of the Board. The day-to-day management of the Board's activities and the custodianship of Board official documents are in the hands of the Secretary. The Treasurer is the chief fiscal officer of the Board. He is the custodian of the Board's assets and, together with the Secretary, negotiates the financial instruments, contracts and other fiscal and financial documents which command the Board's credit and its assets.

The definition of these responsibilities as a matter of principle and policy helps to facilitate communication in the top levels in the Board's administration, and working together, the activities of the Sunday School Publishing Board are the activities of an official team rather than a single individual. They also allow for those who must deal with the Board to know the channels into the official circles of the Board. These definitions of responsibility are in line with corporate procedures which are now operating in the best business institutions.

The members of the General Publishing Board and the officers of the National Baptist Convention, U.S.A., Inc., have been given a memorandum report following each meeting of the Board of Directors of the Sunday School Publishing Board.

IV. THE BOARD'S PROGRAM OF EDUCATIONAL SERVICES

The Sunday School Publishing Board exists for the enhancement of Sunday School work and Christian Education work within the constituency of the National Baptist Convention. The operational aspect of the work of the Board must include services, in addition to production and sales. While the Board's records reflect that it has a manufacturing unit (the printing plant), and a distribution unit (the sales department), the mandate of the Board also is to provide educational services as a part of its work. These activities are reflected through the program of the Board's Christian Education Department and the Editorial Department, and through other services which the Board performs which will not directly fit into either of these two categories.

During the past year the Board has enlarged its program of service. In July 1958 a new quarterly publication for Laymen was issued. Named "The Baptist Layman," the publication provides program materials and suggestions for laymen groups in the church, and is the official organ of the National Baptist Layman Movement.

In October 1958, the Board came forth with its re-organized literature program for children in the Sunday School. A new teacher's quarterly, integrated with new pupil units from nursery through junior departments and based on the uniform Sunday School lessons, was issued. Plans are for additional work books and supplementary material to be developed as a part of this program.

In July 1958, a new Christian Education year book was put into use to guide State and District Departments of Christian Education in the development of their programs. This Year Book coordinated with the Board's Manual for State Departments of Christian Education.

The Board's program of Leadership Training now over 30,000 Leadership Training Credits being issued in about 800 Leadership Training Schools and Congresses, held throughout the National Baptist Convention constituency. The Board also undertook a program to guide instructors and to encourage and inspire them through the National Baptist Fellowship of Leadership Educators.

Although progress has been made in the educational and Christian educa... field, the hiring of personnel and expansion of the program have been kept ... a minimum because of heavy commitments on the Board due to renovation on t... Morris Memorial Building. However, during the year contact was made wi... qualified trained persons who may be brought to the Board to give further lead... ership and direction to the program of Board services, because the officers be... lieve that the Convention constituency is due the best personnel available in ter... of training and experience. The matter of procuring personnel is proceeding "wi... deliberate speed."

Personnel is greatly needed as follows: Editor of Children's publications, Edit... of Youth Publications, Director of Children's Work (including Vacation Bib... School), Director of Youth Work, Director of Leadership Education, and Direct... of Field Programs. The work of these persons will be coordinated by Director... of the Program Services and Curriculum Services of the Board. In the educa... tional field the Board is moving toward a corps of resident editors, with the cur... riculum program being serviced by writers who may be in the field. Personnel i... the program services will be expected to do office work and in addition give ser... ice in the field.

Each year at the National Baptist Convention the Sunday School Publishi... Board gives the S. N. Vass Award to an outstanding church, its pastor, and th... outstanding person who has contributed to the educational development of hi... church. The winner of the S. N. Vass Award for 1959 is the First Baptist Chur... of North Tulsa, Tulsa, Oklahoma. The pastor is Dr. Calvin K. Stalnaker, and th... outstanding lay worker is A. L. Morgan. Honorable Mention is won by Gu... Street Baptist Church, Dallas, Texas, Dr. Caesar Clark, Pastor; Mr. O. B. Law... rence, Lay Leader. This Award will be given Sunday, September 13, during th... Sunday School hour at the Convention.

As a service department of the Board, the Editorial and Christian Education De... partments are not expected to carry themselves financially, although the Christi... Education Department does produce some income through service fees for lead... ership education schools. The expenditure for the Christian Education Departme... is at present about seven times the income through the Department. About 5... per cent of the cost of the Editorial Department is directly chargeable to the de... velopment of manuscripts, the other 50 per cent chargeable to improvement i... Board personnel, research and other such matters.

The Sunday School Publishing Board is a member of the Division of Christi... Education of the National Council of the Churches of Christ in the United Stat... of America, and cooperates with all aspects of the Council's operations. Staff per... sons are represented on the boards and committees and commissions of the Di... vision of Christian Education. In addition, the Sunday School Publishing Boa... is cooperating on behalf of the National Baptist Convention with the 1960-1... Emphasis of the Baptist Jubilee Advance.

V. PRODUCTION

Production of literature and items for sale is the responsibility of the Board's production unit (its printing plant). Much of the equipment in the printing pl... is above 25 years old, and is subject to periodic break-downs. However, duri... the past year the Board has made equipment purchases to facilitate its print... operation. A new stitching machine has been installed, the cost to be recover... through the elimination of certain replacements in the Bindery Department. An other stitcher for large books has been put back in operation. A new series of point type has been installed which will make printing appear in a more read... form. A special machine for plastic binding recently has been installed, makin... possible the sale of piano and organ editions of the Board's song books. A new li... truck facilitates the loading and unloading of paper and supplies.

During the past year the Board spent nearly $100,000 for printing done on con... tract outside the house. The installation of new and faster equipment will make it possible for most of this work to be done inside the publishing house at sub... stantial savings to the Board.

VI. SALES AND DISTRIBUTIONS

The bulk of the Sunday School Publishing Board business is in the sale of literature. Each year the volume of sales has increased. The Board also stocks for sale other books and merchandise items to serve the needs of Sunday schools and churches.

During the past year the Board instituted a procedure to speed up the handling of orders within the house and answering of inquiries and complaints regarding the Board's operation. Merchandise is shipped in record time from the time an order reaches the house. Additional inventory is being provided to offer more items for sale. In the fiscal year 1958-59, sales were $965,000.

The Sunday School Publishing Board owns three book stores—in Nashville, Tenn., St. Louis, Mo., and Los Angeles, Calif. In addition the Board serves about fifty authorized distributors who buy from the Board on commission to resell to churches and Sunday schools. Six of these outlets are now owned by State Conventions, and when changes in distributorships become available they are offered first to States before they are offered to individuals. This is part of a program which would help profits from the sale of literature and service items to stay within the National Baptist Convention and its various operating units.

VII. PERSONNEL

The Sunday School Publishing Board at the present time has approximately 130 employees with a payroll of approximately $32,000 a month. Last year the Board instituted a retirement program and at the end of the year seven (7) employees were so retired. The Board also participates in the federal Social Security program, and in a hospitalization and surgical insurance plan for the protection of its employees. Liability insurance and workman's compensation adequately protect employees in case of injury on the job.

The personnel department is making a study of jobs in the house, so that when vacancies occur it will be possible to determine:

(1) Whether an employee is needed.
(2) Whether a replacement can be more efficiently made by the institution of new machinery, or,
(3) Whether a replacement is not needed.

New personnel being hired by the Board are being given efficiency tests to determine where they are best suited to serve, and the individual worker who is hired is being placed in relationship to his greatest usefulness.

VIII. BUSINESS MATTERS

The Business Department of the Board takes care of those matters which have a relationship to the Board's assets and liabilities. The Business Office is responsible for centralized purchasing control, approval of requisitions, developing of contracts, pursuits of accounts, and such other aspects relating to the business operation of the Board. The Accounting Department is a custodian of the operating records of the Board. The efficiency or lack of efficiency in any unit is reflected in the accounting records.

Internal controls provide checks and balances within the Board's operation so that no single individual handles any business matter from beginning to end by himself. Some studies are under way in the Business Department which will give the officers of the Board internal checks every three months, and provide the Board of Directors with the information needed in determining business policy for the Board.

The Sunday School Publishing Board enjoys a favorable relationship with its creditors. The Board basically does a quarterly business and schedules payment on its debts to fall in time when its income is greatest. Pledges of cooperation from banks, and supply houses and other businesses with which the Board does business have been very helpful to the managing officers during the year. In addition the Board has enjoyed the influence of Dr. Bowman, who has been the financial backbone of the Sunday School Publishing Board's operation, especially when it has become necessary to borrow money beyond that which can be secured by the negotiable assets of the Board.

IX. THE MORRIS MEMORIAL BUILDING

The Sunday School Publishing Board is the custodian of the Morris Memorial Building. The building is owned by the National Baptist Convention, U.S.A. Inc. and houses the operation of the Sunday School Publishing Board, the National Baptist Training Union Board and four(4) business institutions which rent space in the building.

During the past year a renovation program has been under way at the Morris Memorial Building, as required by the Nashville Housing Authority for this building to remain in the Capitol Hill Redevelopment Area in downtown Nashville. The work on the outside of the Building has been completed, except for painting. A picture of the elevations which were improved is found in this report.

Original estimate of the cost of doing the work outside of the building was $127,000. However, as is usually anticipated in this type of work, costs have gone up, so that the outside renovation has already cost approximately $150,000. To this must be added the cost of land adjacencies purchased in the name of the Board in order to protect the Morris Memorial Building. The cost of the renovation is being amortized on the books of the Board by the auditor under a Lease-Hold arrangement (See Auditor's Comments). Outside painting and inside renovations will be made on a pay-as-you-go plan out of the available net operating income of the Board. It is expected that the entire renovation project, when completed, will cost over $200,000.

The Sunday School Publishing Board charges itself rent of $24.000 a year for its use of the Morris Memorial Building, and collects rental for space occupied by others. The Board pays all of the operating expense of the Morris Memorial Building, the excess above income being a contribution to the Convention for upkeep of the Morris Memorial Building.

A new gas-fired conversion unit is being installed in the boilers in the building and other improvements are being made as necessary to insure that the Morris Memorial Building remains one of the best constructed and best equipped buildings in Nashville. It is one of the best buildings owned by Negroes anywhere in the world, and is a credit to the National Baptist Convention and its constituency.

X. THE AUDIT

The audit report, as prepared by Theodore A. Jones and Company, Certified Public Accountants, of Chicago, Illinois, as to the condition of the business, June 30, 1959, is in another section of this report. It should be noted that the net operating income for the Sunday School Publishing Board, Inc., for the period July 1, 1958, to June 30, 1959, was $13,208.00. During this same period the Board has made large contributions to the National Baptist Convention, mostly through upkeep and renovation of Convention property in custody of the Board. The renovation of Morris Memorial Building has already cost $108,600.00. The installment of windows and aluminum shields has been completed at a cost of another $35,000.00. To this must be added $5,752.00, the cost of printing and mailing the 1958 Convention Minutes; $6,000.00 for insurance and maintenance of the Training School Property until a lease transfer can be effected; $8,200.00 for operating the National Baptist Voice; $2,000.00 for printing, postage and stenographic help for the Seminary Campaign, and an additional contribution of $1,000.00 to the Seminary, and $600.00 for expenses of the Convention Committee investigating the legal structure of the Sunday School Publishing Board. During the past year, alone the Sunday School Publishing Board has advanced to Convention causes some $164,000.00, or almost thirteen times the net operating income of the Board. These advances were made possible only by heavily committing the Board's credit and its net operating income to payments on the Board's obligations.

The audit shows that notes payable, (including $25,000.00 borrowed from Dr. Bowman) amount to $170,448.00. In addition, accounts payable amount to over $60,756.00. The Board also has issued a contract for the purchase of equipment in the amount of $42,000.00. This means that the commitments of the Board at the present time are about $275,000.00. This money must be repaid out of the Board's net operating income.

It is easy to see, therefore, that it will take careful management on the part of the officers of the Board to produce the income which can retire these obligations.

It would appear that the net operating income of the next three years would need to be applied to these obligations. In the meantime, however, machinery which is 35 years old continues to break down, and other improvements which will enhance the Board's fiscal position may necessitate some long term financing. However, the Board is not in trouble, so long as it is free to use its income to retire these obligations.

The schedule shows cash on hand in the amount of $109,665.00. This includes $41000.00 in reserve funds, committed against Board borrowing, and $51,600.00 in special accounts restricted for use in the renovation program. This means that on June 30, 1959, the Sunday School Publishing Board had in its coffers for operational purposes approximately $17,600.00, with advances due to the Government for income taxes withheld and Social Security of over $8,000.00, and insurance payable of $1,700.00. Operating expenses of the Board are running at the rate of $1,500.00 per day. It is easy to see that only by the strictest economy and by applying net operating income to its debts can the Board expect to come out.

However, we are pleased to report that we have reduced many of our financial obligations since June 30, 1959, without having had to resort to additional borrowing. The Board is in good shape, financially, and enjoys a favorable credit rating because our creditors continue to express confidence in the Board and its present managing officers.

XI. THE SUNDAY SCHOOL PUBLISHING BOARD AND NATIONAL BAPTIST CONVENTION INTERESTS

The Sunday School Publishing Board is a service unit of the National Baptist Convention and exists to serve the Convention and its constituency. The Board does not operate independently of its connections and affiliations with the Convention itself and other Convention units.

The Sunday School Publishing Board uses auditors and an attorney approved by the National Baptist Convention. Legal advice on certain Board matters has been requested and secured from the Convention attorney.

The Board has printed the Minutes of the 1958 session of the Convention as a service to the Convention. In addition, the Board has paid the expense of the Secretary of the Convention in coming to Nashville to bring the Minutes, and expense of shipping the Minutes to the Secretary's office in Baton Rouge, Louisiana.

The managing officers of the Board have answered the call to a conference by President J. H. Jackson in Chicago, and assumed the expense of a committee appointed by Dr. Jackson to come to Nashville for the purpose of study and revision of the By-Laws of the Sunday School Publishing Board.

The Board has printed the National Baptist Voice without cost to the Convention, and has paid the expense of mailing the Voice, letterheads, envelopes, and other local expenses. The Board also pays the salary of the subscription clerk for the Voice, and is assisting the Voice in making this clerk available to receive subscriptions at the Convention.

The Board has sustained a fine relationship with the National Sunday School and B. T. U. Congress. The Board provides accreditation of the Congress work, and makes its professional staff available to the Congress. Because of the close cooperation, the Congress in turn assist the Board by providing an opportunity for promoting the Board's work and for interpreting to the constituency the program of the Board, and to the Board the needs of the constituency.

The Board has assisted the American Baptist Theological Seminary. In addition to a $1000.00 cash contribution to the Seminary, the Board has assumed the responsibility for printing letters and bulletins, envelopes and pledge cards for the Trustees' $50,000 Campaign without cost to the Seminary. The Board has also used its labor force in addressing and mailing the letters, and in paying the postage so that the Campaign can be conducted without cost to the Trustees.

The Board has assisted the officials of the National Baptist Missionary Training School in the cessations of operation at the school, and in the upkeep and maintenance of the property owned by the Convention and used by the School until it receives a directive from the Convention as to how to dispose of this property.

Advances have been made in the form of loans to be repaid out of the sale o the furniture, fixtures and equipment at the school. Those in charge of the school are also the managing officers of the Sunday School Publishing Board, and since it is understood that the American Baptist Theological Seminary is to have use of the porperty under a lease from the Convention, the officers of the Board have been working with the Seminary officials to make the transition as easy as possible and at the least possible cost to the Seminary.

By request of the President of the National Baptist Convention, the managing officers of the Sunday School Publishing Board have been retiring National Baptist Convention Bonds, 1944 Series, as they have been presented. Funds for this purpose have been transferred from accounts which were in the name of the Finance Commission of the National Baptist Convention and are now in the Bond Redemption Fund of the National Baptist Convention. The Sunday School Publishing Board will advance money to this Fund as is necessary to take care of the Bonds that are presented.

In all these relationships with the Convention, the Sunday School Publishing Board's interest has been that of serving the National Baptist Convention. The Board has printing facilities and resources which can be placed at the disposal of the Convention whith can result in substantial savings to the Convention, enabling the Convention to perform other services. These services are a continuation of the relationships sustained between the Board and the Convention over the past forty-five years.

CONCLUSION

Again, the managing officers and Board of Directors of the Sunday School Publishing Board express appreciation for the opportunity to serve during the past year. We have tried to serve the Convention well. We have seen renovation on the outside of the Morris Memorial Building almost completed. We have seen enlargement in the program of the Board in its service to its constituency. The production unit has completed the Board's literature in record time, so that in the first time in a number of years literature is ready for mailing more than a month in advance of the date of its first use The influence of the Board in the Convention and the National Sunday School and B.T.U. Congress is firmly established.

The officers and directors and members of the General Sunday School Publishing Board look to the future encouraged by what has been done in the past, hoping that the Convention will approve our humble effort, and that we have been worthy of the trust and confidence placed in our hands.

Sincerely yours,

CHARLES L. DINKINS
Assistant Secretary

MEMORANDUM

OTHER ACTIVITIES OF MANAGING OFFICERS OF SUNDAY SCHOOL PUBLISHING BOARD IN HANDLING SPECIAL CONVENTION ASSIGNMENTS

In addition to his position as Secretary of the Sunday School Publishing Board, Dr. A. M. Townsend served the National Baptist Convention in a number of ways. At the time of his passing he was still responsible for some Convention functions in addition to his position as Secretary of the Board. In order to protect the good name and reputation of the National Baptist Convention, the President of the Convention was notified of these activities of Dr. Townsend. Adjustments have been made so that these functions are still being continued.

(1) The National Baptist Missionary Training School

Dr. Townsend served this institution as Chairman of its Board of Directors. This school, which is no longer operating, had in its custody the property on White's Creek Pike, owned by the National Baptist Convention. The property is no longer in use. Photostatic copies of original deed to the property have been sent to the Attorney of the Convention. The original deeds will be turned over to whomever the Convention directs to assume custody of the property.

The Board of Directors of the Training School elected Rev. Charles L. Dinkins as Chairman. The responsibility of this Board now is to handle matters relating to the cessation of operations at the Institution. The Training School owns some furniture, fixtures and equipment in the buildings on the campus. The school has some outstanding debts—Notes being held by the Sunday School Publishing Board. The plan is to dispose of this equipment and make settlement with the Board as much as is possible. In the meantime, the Sunday School Publishing Board by authorization of its Board of Directors is making such loans to the Training School as will make possible payments of utilities on the building, keeping a man on the place and providing minimum repairs until further orders from the Convention.

(2) Transportation Commission

Dr. Townsend served as Secretary to the Transportation Commission of the National Baptist Convention. It is our understanding that this function will be transferred to another office. In the meantime, we are holding files to be turned over to whomever the Convention may direct.

(3) Finance Commission

Dr. Townsend was Executive Secretary of the Finance Commission of the National Baptist Convention. This Commission has ceased to function except for the payment of such Bonds, 1944 Series, as were being presented against the Convention.

By orders of the Convention, Rev. Charles L. Dinkins and Dr. L. A. Bowman transferred the monies which were being held in the name of the Finance Commission and has deposited some in a new account known as "The Bond Redemption Fund of the National Baptist Convention." We are paying off Bonds as they are presented for payment.

(4) The Bath House—Hot Springs, Arkansas

For a number of years Dr. Townsend was the managing officer of the Bath House, Hot Springs, Arkansas. At the time of his passing, he had in his possession original deeds to the Bath House property as well as certain files containing the operation of the Bath House during the years he was in charge.

Photostatic copies of the original deeds have been filed with the Attorney of the Convention and these original deeds will be turned over to whomever the Convention directs to receive them.

(5) Morris Memorial Building

The Sunday School Publishing Board is the custodian of the Morris Memorial Building by Convention resolution.

A fuller report of the Lease-Hold arrangements for this custodianship and the amortization of money spent for repairs and renovations is made in another section of this report.

SIXTIETH ANNUAL REPORT OF THE NATIONAL BAPTIST TRAINING UNION BOARD OF THE NATIONAL BAPTIST CONVENTION, UNITED STATES OF AMERICA, INCORPORATED

JULY 1, 1958 - JUNE 30, 1959

IN SESSION IN THE CIVIC AUDITORIUM - SAN FRANCISCO, CALIFORNIA

September 8 - 13, 1959

J. W. GAYDEN, Chairman **A. L. DAVIS, Treasurer**
C. R. WILLIAMS, Secretary

President, Doctor J. H. Jackson, Officers and Fellow Members of the National Baptist Convention USA., Incorporated, assembled in San Francisco, California, for the Seventy-Ninth Annual Session:

Greetings to you. We give all honor and thanks to Almighty God our Father, whose kindness and mercy have kept us and brought us together again for another Annual Session. It is with sincere and profound gratitude we bring to you our second Annual Report as Corresponding Secretary of the National Baptist Training Union Board of the National Baptist Convention of the United States of America, Incorporated, for the year 1958-59

In striving to fulfil our obligation as the channel for training through Christian Education, we realize it is not enough just to produce literature as a business, but we must constantly seek to improve the training program of our churches and serve the needs of our constituency through dynamic subject matter in our publications.

You already know the vital role Christian Education plays in producing Christ-like persons and in establishing the position of your church in the community . . . but have you considered that your training program in the church is like a ball being pushed up-hill? It can never remain static. As soon as you stop pushing, the ball will roll back down hill until it reaches a level so low it can go no lower.

We can never afford to slacken our efforts toward building a bigger and better program of membership training in our churches. Teamwork counts—the Board and churches. Let the Baptist Training Union Board take a larger share of the burden from your shoulders. Our literature is written to—

- **Increase Attendance** by making the Union so very interesting that the members, young and old, WANT to come!
- **Train Leaders** who can maintain a strong Christian education training program for all age groups.
- **Secure Church-Home Cooperation** which enables parents to continue Church membership training throughout the week.
- **Aid in Conducting Meetings** and Services with Worship Resources carefully arranged for each division

The basic purpose of training in church discipleship provides many opportunities for the church. Through the Training Union we can:

1. Combat the acute shortage of capable, trained adult leaders.
2. Conserve the work of the Sunday Church School and other teaching agencies of the church.
3. Strengthen loyalties to the local church, through a strong Baptist witness in every phase of Christian endeavor.
4. Help develop articulate Christians, particularly in their verbal testimony and consecrated service.
5. Attract and hold large numbers of young people for the Sunday evening service as well as all services of the church.

Our young people must have a "training ground" where they can learn to work before we can expect them to lead. They need to be grounded and rooted in the Word of God and in our Baptist distinctives. The social nature of young people demands fellowship. The Training Union meets this need in a Christian atmosphere rather than forcing our youth to activities and interests outside the church.

OUR PUBLICATIONS

We write and publish four (4) quarterlies:
Primary-Junior
Junior High (Intermediate)
Baptist Youth
(Senior High and Young People, combined under one cover)
Baptist Adult

The Baptist Training Union Leader Magazine published by-monthly, is a supplement to the quarterlies with the most up-to-date information on how to build a great church training program, strong in soul winning and Bible teaching.

A four year program of study emphasizes themes chosen from four basic areas of thought:

Christian Living (First Quarter)
Church History (Second Quarter)
Missionary Endeavors (Third Quarter)
Church Doctrines (Fourth Quarter)

Now is the time to carry out our object: "Secure the Spirituality of Baptist Young people; Give them greater stimulation in Christian service; Edify them in Scriptural knowledge; Instruct them in Baptist Doctrine and History; Enlist them in missionary work and service."

ISAAC SCHOLARSHIP FOUNDATION FUND

The Isaac Scholarship Foundation Fund was established to provide scholarship and loan assistance to worthy Baptist students seeking to further their education. Many have already been helped by the fund, and many others may be helped, if there is general and widespread support which will permit additional grants from the Fund.

This is a herculean task and we solicit anew your full and hearty cooperation in every way so that we may continue to "help send the Light."

TWENTY-EIGHTH ANNUAL REPORT OF THE HOME MISSION BOARD NATIONAL BAPTIST CONVENTION, U. S. A., INC.
CHARLES P. HARRIS, D. D., Corresponding Secretary

SUBMITTED IN THE
Seventy-ninth Annual Session of the Convention Held In
SAN FRANCISCO, CALIFORNIA
September 8 Through 13, 1959

Honorable and beloved President Jackson, Chairman Cleveland, Members and Co-Workers of the Home Mission Board, Messengers and Visitors to this Seventy-Eighth Annual Session of the National Baptist Convention, U. S. A., Inc.:

I have the honor to submit herewith my second annual report as Corresponding Secretary of the Home Mission Board of our great Convention. While this will be my second report, it will be my first covering an entire convention-year, as my report made in Chicago covered only the period from the date of my election to the secretaryship in January, 1958 to July 1, 1958. This current report will cover the full year from July 1, 1958 through June 30, 1959.

ACKNOWLEDGMENTS

I wish, first of all, humbly to acknowledge with deep appreciation the much-needed encouragement and positive cooperation which have been given by a constantly increasing number of co-workers on, and well-wishers of, the Home Mission Board during the year. Our first grateful acknowledgment goes to our great and big hearted Chieftain, Dr. Joseph Harrison Jackson. While giving us free rein to carry on the Work within the limits of our phase of the overall program of the Convention, President Jackson has, at the same time, stood ever ready to receive, council and assist us in every way consistent with highest ethical ideals and business principles. I might add that this is all we ask or desire, for it is our determination that our Board shall be conducted only on the highest level of honest, ethical and business-like procedure. Our great President has not considered nor treated the Home Mission Board as a step-child of the Convention, but as a blood-member—although confessedly a somewhat anemic member of the great Baptist Family of America. Perhaps the greatest and most reviving single shot-in-the arm that our great President has given us was by way of his recommendation of last year that the Home Mission Board be included in the general budget of the Convention. While we do not know just when this magnanimous recommendation will become operative, yet the thoughtful solicitude of our President regarding our task has provided the very stimulant we needed to spur us on greater effort and sacrifice to carry on the work assigned to our hands.

I wish, next, to acknowledge with gratitude the fine cooperation and dedicated leadership furnished our Board by its veteran Chairman, Dr. C. C. Cleveland of Alabama. Although Chairman Cleveland has been with the Board as member and chairman for many years, yet he has not deigned it beneath the dignity of his priority in years and experience in the field of home missions to work with this newcomer corresponding secretary in the work of the Board. Motivated by interest in the work rather than in himself, Dr. Cleveland has carried on without fixed compensation or expense account, travelling and serving the Board, for the most part, out of his own pocket.

I wish, further, to acknowledge with profound personal as well as official gratitude the fine and untiring work of our Field Secretary, Mrs. Ethel L. Benson of St. Louis, Missouri. Mrs. Benson is a great lover of the work and is eminently well acquainted with its many ramifications, methods, personnel and problems. I have found that the title, "Secretary's right arm" as she was referred to by the late Secretary Lovelace, to be quite a fitting cognomen.

I wish, further still, to pin a bouquet of appreciation on Mrs. Mazie Watkins of Orange, New Jersey. Mrs. Watkins, who once served the Board as receptionist-housekeeper for our Brooks Baptist Student Center in Washington, D. C., now heads our Women's Volunteers of the Home Mission Board. In this capacity she is seeking to corral the women of the Convention who may be interested in our work. Although restricted by lack of funds to enable her to travel widely in the interest of the work, Mrs. Watkins is making a fine effort and doing a great job. She is entirely worthy of the cooperation of the brethren and sisters of their churches.

Time will not permit me to comment at length on all who have made contributions to our work during the year. Dr. C. S. Stamps of New York, Director of our annual membership drive and whose church, the Metropolitan Baptist Church of New York City, with its contribution of $500.00, was the largest single contributor during the year; Dr. L. D. Revoal of California, our Pacific Coast Director who is doing a good job under trying circumstance Rev. J. B. Waller of Pennsylvania, our Finance Secretary since January who is doing a marvelous job in ordering and itemizing our expenditures and recording our receipts by states, churches, weeks and months, all of whom, along with a number of others and some (but not all) of the members of the Board who have made significant contributions to our work during the year—all of these have our deepest expression of appreciation.

Last but not least, I wish gratefully to acknowledge the increasing number of pastors, churches, mission circles, Sunday schools, B. Y. P. U's, state presidents and conventions, district moderators and associations, women's department leads and their groups who have supported our work during the year. It has been this support from those who have worked with us that has kept our heads above

drowning waters and enabled us to "make brick without straw."

We come to make no claims of spectacular, meteoric or phenomenal success so far as attaining all of our goals is concerned. We have not attained all of our goals nor successfully met all the challenges that we have faced. The satellite of our efforts has not as yet orbited around the moon of our goals, but we can report that, by hard work and sacrificial, honest endeavor we have had a successful take-off from the firing-pad and the projectile of Home Mission Board usefulness is on its way up!

GOALS

Let us now review some of the goals which we set before us a year ago, some of which, I am proud to report, have been realized completely, some of which have been realized only in part and some of which would seem to be attainable in the reasonably near future and others, still, which remains to be set.

One of the goals set before us a year ago was the clearing up of all inherited legitimate claims against the Board, the grand total of which amounted to more than $2,000. I am happy to report that the last of these claims was liquidated upon the recent payment of $300 to Dr. C. H. Pearson of Washington, D. C. in complete compromise settlement of his long past due claim of $449.25 for salary as former chaplain of the Brooks Baptist Student Center in Washington. In addition to this and with reference to the Brooks Student Center, we have sent to the trustees of the Center a total of $1,230.12 during the year for the liquidation of a number of years of past due taxes, repair and maintenence bills against the Center property which is property of the Home Mission Board of the National Baptist Convention. Upon the payment of these and other inherited obligations we are pleased to say we have attained one of the goals which we set for ourselves at the beginning of the year.

But there are other goals which we set for ourselves which have not been completely attained to date, although some of them seem to be definitely in the offing. The full time staffing of our Philadelphia office for the more speedy, less cumbersome and more efficient handling of our ever-growing volume of business, the publication of a home mission periodical; the strengthening and expansion of our far west and deep south frontiers of operation and the extension of our off-campus college student center project are goals not yet attained but which may be realized within the reasonably near future.

OTHER ACCOMPLISHMENTS

We believe that the liquidation of our inherited obligations has gone a long way toward regaining any possibly lost confidence in the Board and faith in its integrity. As happy as this makes us, yet this has not been the only accomplishment of the Home Mission Board during the year. In addition to this debt-elimination, we have been able to add certain necessary pieces of equipment our office set-up, pay our share for office space and utilities in our Philadelphia missions headquarters building and keep up our current operational and salary expenses, with the exception of that of the Corresponding Secretary, including the $100-per-month salary of our Brooks Center Chaplain. Also our Board has contributed $200 to the emergency fund of the American Baptist Theological Seminary in Nashville, Tennessee, $100 to the Northern Baptist School of Religion in Newark, New Jersey and $50 to the St. Labre School for the orphaned Indian boys located in Ashland, Montana. I am happy to point out that, in spite of these debt liquidations, equipment purchases, operational expenditures and contributions to worthy and needy causes, our current finance statement will show a present balance in the bank which exceeds by $51.09 our total receipts for last year as shown in my report a year ago, this current balance being as of June 30, 1959. Our current statement will show nearly an 800% increase of receipts of this year over those last year. Is this not encouraging?

UNMET CHALLENGES AND UNVOICED CALLS

One of the most grievous experiences that the Home Mission Board has had during the year has been the number of calls for help which we have not been

able to give. While many of these calls have been verbal, many of them have been unvoiced ones that have come to us via the stark needs which have stood out before us. Among the positive calls that have come to us is a plea from Arizona for a missionary and director of Christian education in conjunction with the Southern Baptist Convention and in keeping with a plan of work once carried on by our Board. Also we have had requests to re-establish work formerly sponsored in New Mexico, Idaho, Wyoming, Kansas and Nevada, all of which has been allowed to die as projects of our Home Mission Board. In these as well as in other sectors of potential usefulness not only subsidized workers but buildings, also, are need for the carrying out of the home mission task.

Also, pleas for town and city missions to deal with the questions of juvenile delinquency, poverty and crime have come to our ears. Requests for literature and professional guidance mission and Christian training centers, schools and classes have come to us. It is grievous indeed to report that, because of the lack of funds, we have had to turn a deaf ear to all of these Macedonian calls. We trust that, with your increased support, our report may be different regarding these avenues of Christian services another year.

But the total challenge to meet human need within the scope of the Home Mission enterprise is not contained in the vocalized calls alone that have come to our Board, for there are the unvoiced needs that have met our eyes within the scope of our responsibility. We regard it within the scope of that responsibility to set up and sponsor foster homes for unwanted, orphaned and delinquent children as well as sunset homes for the indigent aged and infirm. These could be set up and operated on a regional basis and located at the most strategic points of maximum usefulness. This is a real and growing need.

Although we know that several years ago the evangelistic program of our Convention was lifted from the sponsorship of the Home Mission Board and placed under that of a separate board; and although we have no disposition to question the wisdom of this action, yet we do find it difficult, as a mission board, to steer entirely clear of evangelistic activity. However much we may wish to avoid duplication and overlapping, yet certain phases of evangelism just seem to intrude themselves upon us as a board of Christian missions, for how can there be missions without a little preaching, a little teaching, a little evangelizing? Allow me to say here, however, that we do not think here of evangelism as being completely confined to gymnastic, ejaculatory, sonorous and spectacular preaching displays before large, excitable crowds in big churches, tents or auditoriums in great cities and big towns where big collections are laid on the table by hysterical crowds, but we think here of evangelism as, "rescuing the perishing, caring for the dying, Snatching them in pity from sin and the grave, Weeping o'er the erring one, Lifting up the fallen, Telling them of Jesus, the mighty to save." To us Evangelism is, "preaching the Gospel to the poor, binding up the brokenhearted, setting at liberty them that are bound, preaching the acceptable year of the Lord, and the vengeance of our God." We think of evangelism here, not simply going where there are churches, but also going where there are none; not simply in terms of going where we can receive something for our service, but where we can give something as we serve. As we look out with missionary vision upon this land of ours we find the field so white and ready for harvest and the laborers so few that we seem to find it hard to come to an abrupt halt when we come to the imaginary line between missions and evangelism. It is our sincere hope that ultimately some plan of cooperation—if not of coordination—may be worked out whereby the Home Mission Board and the Evangelistic Board may somehow unite their forces in the great task of making real the motto, "America First for Christ."

FINANCES

We now turn to the important subject of finances. Here we shall say a word regarding our system of keeping record of the monies you send in and the monies we pay out, for we feel that you are entitled to know just what happens to your money. We shall then read to you (in whatever detail you may desire) our audited finance report of receipts and expenditures for the year, July 1, 1958 through June 30, 1959.

When you send money in to the Home Mission Board it is processed in the following way: (a) it is checked and recorded by the Corresponding and Finance secretaries; (b) if in the form of a check, both the bank and check numbers, along with the bank on which it is written, the date and the amount are all recorded on the report-sheet or on the letter accompanying the contribution. If the amount is in the form of a money order the serial number is recorded and if the amount is cash, that fact is noted on the report sheet or letter. In all cases the date on which the amount is banked and the receipt number sent to the donor are also recorded on the report sheet or letter, these letters or report sheets being kept on file for future reference. Official carbon duplicate receipts are made promptly to each donor, along with a new report sheet and return envelope.

Our records are kept by the week, by the month and by states in alphabetical order and by churches—that is to say that we can, at a glance, see what amount was contributed by any church, mission circle, Sunday school, etc., during any week or month, or its total contribution for the year to date. Likewise we can, at a glance, look up the record of the total contributions coming from any given state. (I am happy to say that this portion of our system of keeping our financial record was worked out by our new Finance Secretary, Rev. J. Bernard Walker of Pennsylvania.) In addition to this record we also keep an alphabetical card index record of all contributing groups.

All monies received by the Home Mission Board are banked weekly and all of our bills are paid by check, all checks being issued on drafts drawn by the Finance Secretary. Hence, all incoming and all outgoing finances are doubly checked by the Corresponding and Finance secretaries—as well as being checked again in routine passage through our office book-keeping system and through the bank. We do our business through the Citizens & Southern Bank, a Negro bank located two blocks from our office in Philadelphia. I am happy to say that this is one of the not too many banks able to keep their doors open through the bank closing epidemic of the depression several years ago.

CONCLUSION

Ladies and Gentlemen of our great National Baptist Convention of the United States of America, Incorporated—My Fellow-Laborers in the Lord:

I have presented to you in outline the record of the efforts, successes and failures of the Home Mission Board during the year, July 1, 1958 through June 30, 1959 and laid before you something of a chart of our aspirations and plans for extended and more effective endeavors during the year that lies ahead. Since our meeting in Chicago our field of potential service automatically has become geographically larger by reason of the statehood gained by Alaska—a great state pregnant with potentiality and challenges for our Board. We are anxious to meet this and the other great challenges to missionary service which I have laid before you already in this report. We cannot meet these challenges without Divine guidance and human support. As we constantly ask God to guide us, we now just as fervently ask you to support us—If, indeed, our conduct of the work in the past would seem to merit your support. If our record for honest endeavor and sacrificial labor in the past year does not merit your confidence and trust, then we do not—we could not—ask for nor expect your support during the year that lies ahead. If, however, our record for the past year would seem to warrant your giving us an "A" for honest effort—even if not for actual accomplishment—then we ask for your full support in order that our accomplishment may be brought up to par with honest effort next year.

I plead with you to support our Home Mission Board! "Help us to help the Convention to help the Kingdom of God to succeed in America. . . ."

"America First—For Christ" is our motto.

Humbly submitted,

Charles P. Harris, Corresponding Secretary

In view of the large investments made in the Brooks Baptist Student Center in Washington, D. C. as shown in our Financial Statement, I have asked Chaplain Moore to submit a brief summary of his work in order that you may be acquainted with the activities carried on there. Chaplain Moore's report follows:

REPORT OF THE CHAPLAIN

REV. JERRY A. MOORE, JR.

I am pleased to make the following report to the Officers and members of the Home Mission Board of the National Baptist Convention, Inc., U. S. A.:

The ministry to our Baptist students during the past three semesters was interesting, encouraging and fruitful. Student interest was keen and well defined. Many students stated their felt problems and sought earnestly to find workable solutions through guidance, group studies, prayer, lectures, group discussions, etc.

As our young people unfold their lives one could see in them the struggle to adequately mature into useful Christian adults. Their bold frankness about life's issues left one with the feeling that once the foundation of their thinking was properly laid each of them would make a distinctive and good contribution to the Kingdom of God. Such issues as race prejudice, citizenship right, family relations and world politics were often discussed. No doubt could exist that they were searching for answers for their own lives. In religious affairs prayer, faith, Bible readings, meditation and church attendance were constantly emphasized. The challenge to the campus ministry perhaps faces its greatest possibilities in the above named areas.

In addition to the weightier and matters of more serious import, there was the consideration of the social side of student life. Great enthusiasm was seen as they fellowshipped in the "stay acquainted" sessions. Many pleasant friendships were formed among students from various sections of the United States and throughout the world. The social occasions were organized and promoted by the social committee within the group. Much use was made of the Baptist House at 2324 1st Street, NW., (being purchased by the Home Mission Board for our convention). The Baptist House gave a rich and personal setting for many of our religious and social meetings, where the students enjoyed many wonderful hours. Experiences and acquaintances gained in such settings could last for a life time.

Of the 5,580 students registered for the fall semester, 940 or approximately 17% of them were Baptist. For the spring semester there were 5,958 students registered. 950 or approximately 16% were Baptist. The summer session reflected an enrollment of 1,698. 331 or approximately 20% were Baptist. The remainder of the student body was distributed throughout other Christian denominations, religions and non-professors.

The Trustees of the Walter H. Brooks Baptist House, chaired by the Rever... G. E. Stevenson, have given excellent cooperation to the Chaplain by paying ... utilities, repairs, and notes on the property, with your contributions, so it ... remain available for the use of Baptist students from year to year.

Dr. C. P. Harris, our efficient secretary, has supported the work enthusiastica... as far as limited funds would allow. His encouragement and frequent letters ha... meant much to my morale.

Our denominational support for the campus ministry was greatly improved t... year. We were fortunate to be visited by several of our denominational leade... Among those visiting the campus were Dr. C. M. Cleveland, Chairman of t... Home Missions Board, Dr. Coleman, Secretary of the Home Missions Board, a... Dr. C. P. Harris, Executive Secretary of the Home Missions Board. Outstandi... among our convention leaders to speak to the students were, Dr. Nannie ... Burroughs and Dr. E. L. Harrison and Reverend Andrew Fowler. The studen... were glad to receive these religious leaders and to know that they were pledg... to promote their general welfare.

Your Chaplain hopes in the coming school year, with your support, to ... the ministry to Baptist students to the point where more of them will be reach... with greater effectiveness, so that a larger witness for Christ will be borne on ... college campus.

Many stood and made brief remarks as follows: Arthur Bond, Houston, Texas; James Buchanan, San Francisco, Roy Beverly, San Francisco; Theodore Speights, Durham, North Carolina; Willis Gray Jr., San Francisco; Fred Edmond, Fort Worth, Texas; Words of expression were given by Mrs. Abernathy, Alabama. Rev. Vivian was presented and spoke on "Missions." An offering of $16.09 was taken. Vice President Ryles was presented to preside over the Deacons' Period. He discussed the duties and qualifications of deacons. Brethren Belton and Brown made remarks on the "Deacons and their Relations to the Church and Pastor." They emphasized preparedness. Dismission.

Vice President Nichols was presented by Vice President Jones. Vice President Nichols presented Mrs. Ware to sing a solo, "When the

Storms of Life are Raging."

At this point Dr. Martin Luther King, Jr., arrived and was given a tremendous ovation. PresidentJordan presented Dr. Ralph Abernathy, Alabama, who made an appeal for the work in which Dr. King is engaged, stating that not one cent would go to Dr. King, but to his work. An offering of $1,213.30 was taken, for which Dr. Abernathy thanked the body.

President Allen presented Dr. M. L. King, Jr., to deliver the sermon. Dr. King, after mentioning the fact that his father and brother, both ministers, were present, announced as his subject, "Going Forward By Going Backward." His words were full of comfort. By stressing his intense faith in God and spiritual values, he held the vast audience in his grip and many amens were heard from the audience. Willie Hale, Minesota, sang a solo, "My Heavenly Father Watches Over Me." Many had one dollar bills for him to place his signature. National Director of Regions B. F. Taylor then submitted his report, showing receipts of $252.00. The next order of the day being the election of officers, Dr. Floyd Massey, Minnesota, was asked to preside. The Committee on Permanent Organization submitted its report, which was adopted and officers elected. At the close of the election Dr. Massey offered prayer. Allen Jordan, reelected president, Thanked Dr. Massey for conducting the election and thanked the body for its continued confidence in his leadership. Benediction by President Jordan.

Friday Evening

National Baptist Laymen's Convention
ELMORE BAKER, Treasurer

San Francisco, California
September 11, 1959

Mr. President and the members of the National Baptist Laymen's Convention, The Resolution Committee wish to submit the following Resolutions for your

consideration and approval in helping to improve and strengthen the work of the Laymen's Organization.

1. Resolved that the Program Committee be structured so that the most progressive thinking in our organization be represented in making the program with particular emphasis in the following particulars:

   a. That punctuality be emphasized and all speakers be required to stay in the time specified.

   b. That the program be structered in such a way that there be more extensive participation by laymen from the various states, and a greater exchange of ideas and experiences among the laymen represented. This may be accomplished through panel discussions, by the representatives of the various states.

   c. While we enthusiastically subscribe to our present programming of preaching, we feel that in some instances we might use the time more profitably in arranging the program so as to be of more practicable value to the laymen.

   d. That the program include that time be arranged so the members may hear the President of the National Baptist Convention in his annual address to the Convention. Further we recommend that the program include one-half day during which time the host committee shall arrange a program of sightseeing and/or entertainment.

   e Since any program for youth will be complicated because our Convention is held on or about the beginning of the regular school term, and since it is unlikely that the youth would be able to participate at their best advantage in the adult program of our convention, now therefore, we recommend that an evening be set aside on which the total program include singing, speaking, panel discussions and/or other phases of the program, all be performed by the junior laymen.

   f. That space be allowed for the placing of the name and state of the delegate to the laymen's convention upon the badge card.

   g. That the host committee arrange to hold the Laymen's meeting in or near the location where the General Sessions are being held.

   h. Whereas the officers of the National Baptist Convention, Inc. are informed and believe that the officers and members of the National Baptist Convention desire to unite and merge with the National Baptist Convention unincorporated, and that such a merger is consistent with the Spirit of ecumenical Christianity and Brotherhood.

   Now therefore, the Resolutions Committee recommend that this Convention by resolution extend an invitation of welcome to the Laymen of the National Baptist Convention to unite and merge with us and that the President of this Convention be authorized by us to take the necessary steps to negotiate and accomplish a merger. We recommend further that a copy of this resolution be delivered to the President of the laymen's movement of the National Baptist Convention indicating our sentiments.

   It is our firm Prayer that this resolution will show that it was approved by the unanimous consent of the members of our lay movement in Convention assembled.

Done on this ———— day of September, 1959.

Respectfully submitted,

REPORTS AND IMPORTANT RECOMMENDATIONS

RE-AFFIRMATION OF OUR FAITH IN THE NATION

By

J. H. JACKSON, President
National Baptist Convention, Inc.
September 3, 1959

1. We believe in the United States of America: land of opportunity, a country dedicated to freedom and democracy.

2. We believe in its Constitution: the supreme law of the land.

3. We believe in the right of all citizens to participate equally according to their several abilities in all the cultural privileges, in all the political and economic affairs of this great Republic.

4. We believe that all citizens should take their full share of the responsibility in building a greater, stronger, and better America for the weal of man and to the glory of God.

5. We believe that segregation and discrimination based upon race, national origins, or religion are not only sins against the fundamental laws of the land but also against the Supreme Lawgiver. We must continue to fight the sins against human freedom without apology, without compromise.

6. We are convinced that every state has far more to gain by applying the principles and the ideals of the Federal Constitution at the local level.

7. We believe that no race or group should be discouraged for seeking to improve their mental, economic, political and moral status but rather should be encouraged and guided since the development of a part contributes to the enrichment of the whole. To neglect a minority greatly weakens the nation as a whole handicapping the majority and penalizing those in places of power and influence.

8. We believe that a voluntary togetherness of the race based upon constructive and creative ventures is desired and should be encouraged in the interest of the preservation of racial values and the growth of the group as a whole within the democratic framework of the nation.

9. We believe that our leaders, our organizations, and our press should more and more recognize the presence and the positions of a vast number of white people who are dedicated to the laws of this land, who are ashamed of the sins being committed against the soul of nation, who are working for the growth of democracy and who are SUFFERING for the fulfillment of America's dream of freedom.

10. We also believe that all minority groups should be willing to cooperate with other people of goodwill whenever and wherever they are committed to

the task of upholding the laws of the land, defending the country's cause, working for complete democracy, and a full victory for freedom.

11. We believe that the battle for freedom is not only America's battle but also the battle of all humanity supported by the moral laws of the universe and by the God who made out of one blood all races of men to dwell in peace on the face of the earth. And the struggle must move forward to victory since right is right and God is God.

12 We believe that first-class citizenship is essential for the realization of a first-class democracy and that a first-class democracy will give first-class freedom in which will be developed first-class personalities, first-class people, first-class thinkers, and first-class statesmen; all of these working together will build a first-class social order of good will, justice, understanding, and peace.

13 While we believe in the separation of Church and State, we believe in the Christian Church not only as a community of believers held together by a common loyalty to Jesus Christ but also as a redemptive influence and a vital part of the soul of the nation.

14. We believe in God, the Creator of heaven and earth; we believe in the dignity of man, in the triumph of justice, and in the victory of truth.

APPRECIATION FOR THE PROGRESS IN SCHOOL INTEGRATION

By

J. H. JACKSON, President
National Baptist Convention, Inc.
September 3, 1959

We stand un-compromisingly for first-class citizenship and are committed without reservation to full freedom as proclaimed and promised in the Federal Constitution. We are therefore committed to the struggle for the realization of the American dream of complete democracy in every phase of our national life. In this struggle we must work without envy, prejudice, strife, bitterness, and hatred. We must use the courts, economic growth, education, the church, and all of the political, civic, moral, and spiritual resources at our command.

In such a struggle we must always remember that we fight not only for ourselves as a race, but for all American citizens, for the life of the nation, for freedom, and for all the preservation of human personality, and the building of a community in which all citizens may enjoy the good things of life according to their capacities and abilities without prejudicial restrictions and limitations.

While we know that the battle for full freedom in the United States of America is still a long and hard one, yet we do rejoice in the signs of progress that may be seen here and there in different sections of the nation. We appreciate the constructive steps that have been taken in the several states in the cause of integration and in the fulfillment of the ruling of the Supreme Court May 17, 1954.

We here and now commend Little Rock, Arkansas for the constructive things it has achieved in the name of democracy and freedom. We today, have a Little Rock more glorious than the old. It is not a perfect town, but it is a town where citizens have demonstrated what can be done for law and order and for free public education when people work together at the local level in the interest of all the citizens of their community. We commend the school board for reopening the four public high schools that formerly had been closed in the name of and in the defense of segregation.

We commend them because they have broken the organized resistance led and launched by the governor of the state in 1957.

We commend the Chamber of Commerce of Little Rock and the businessmen of the city for giving their support to the constructive efforts of the new school board. We commend the police department of Little Rock for their courage and for their positive stand in putting down mob violence and in protecting citizens in upholding law and order. We commend the City Council of Little Rock for sustaining the police department in the discharge of their duty on August 12th. We commend also, those white citizens of Little Rock who supported the idea of opening these schools on the principle of integration, though limited.

We commend the Negro ministers and all of the other civic leaders of the

race who worked for the opening of the schools and for sanity and calmness during the trying hours through which they passed.

These words of commendation do not at all accept or condone any law in Little Rock based on prejudice, segregation or discrimination. Our approval of the constructive things that have been done does not by any means say that we are satisfied with, or approve that which has not been done. This is the rejoicing which comes when a part is done on the road to the proposed and the designated and desired goal.

It is the same as the joy of a football squad and their spectators when the squad is forty yards away from its goal. With a fourth down and two yards to go, the squad makes a desperate effort, the ball is snapped, and some speedy back field man, fleet of foot and strong of body dashes over the line in an attempt to gain the two yards. There is some uncertainty about its gains. The officials call for time; the referee beckons for the measuring chain, spectators sit quietly. The players look with silence and great anticipation. The measurement is made, the referee looks up, swings his hands toward the goal indicating that the two yards are made and it is another first down. The cheer leaders spring to their feet, spectators clap their hands and throw their hats in the air, and the players themselves momentarily show signs and demonstrations of joy. Not because the game is won, or even the goal is reached; for there are still thirty-eight yards to go before a touchdown. But they rejoice because now they have four more chances to try to go the thirty-eight yards or to make another first down to win four more chances for still another first down.

We know that there is much more to do in Little Rock. We know that the goal has not been reached, but some gains have been made and some undisputed achievements have been recorded.

What was done was done by Little Rock, for Little Rock, in Little Rock.

RECOMMENDATION
By
President J. H. Jackson
June 24, 1959

Because there is available land in Liberia for scientific farming, and because the country would profit by the establishment of Christian communities, and because we are desirous to help strengthen such countries as the republic of Liberia, and because we wish to appeal to the heroic and the creative in our young American Negroes, and desire to call them to a life of adventure in helping to build and to expand the great free world;

We therefore recommend that our National Baptist Convention undertake through its missionary department to inspire young men and women to establish permanent communities in Liberia. We would ask them to be trained in the field of scientific agriculture, in medicine and in the teaching profession so that they could make a definite contribution towards the progressive program of Liberia that has already been launched The National Baptist Convention because of its vision, owes a debt not only to its own constituents, but to sixteen million Negroes in the United States and to the small countries struggling to come to greater power in the community of nations.

We would suggest that the Foreign Mission Board would purchase the available land from the Liberian government to be purchased from the board and used by our young people who are desirous of building permanent Christian communities in Liberia. We would further solicit those trained in agriculture and in medicine, teaching; and in the mechanic arts, and aid them in this venture if they have the vision and the drive

If the Board of Directors approves this proposition, we would recommend it to our convention in San Francisco for its consideration.

We regret the recent tragedy of the lynching of Mack C. Parker in the state of Mississippi. As a group we do not condone crime, but we put our faith in the law of the land, and believe that all criminals should be dealt with according to the laws of the land. While we know there are many fine citizens north and

south who are opposed to mob violence and lynchings, we believe however, that at the present time there is a great need for federal assistance where local states are handicapped in the execution of laws for the good of all citizens. This recent tragedy reveals the great need for the type of civil right legislation that will give the justice department the power and the authority to take full charge where the law enforcement agency of the state fails, or is hindered by the ancient traditions of discrimination and segregation.

While we believe in mercy as Christians, we believe first in justice. Where men break the law be they black or white, the law must be upheld, justice must be meted out, and mercy must in no wise condone criminals or wink at the seriousness of their crimes.

We commend the recent achievements in Little Rock where the citizens of that community by their vote stood against the will and the opinion of segregationists on the board of education and voted to sustain law and order, and to protect those teachers who will perform their duty under the decision of the Supreme Court of the United States. The hope of our fair southland rests with such courageous citizens who have the power to create healthy public opinion for justice, and to lead their communities into a deeper loyalty to the ideals of justice and freedom.

REPORT

This is to announce officially the death of the late Dr. A. M. Townsend, for many years, the Corresponding Secretary of the Sunday School Publishing Board of the National Baptist Convention, U. S. A., Inc.

Dr. A. M. Townsend was an officer of the National Baptist Convention, U. S. A., Inc., and served said Convention in the capacity referred to above. The responsibility for filling this vacancy is the duty of the Board of Directors in the absence of the Convention in session.

ARTICLE V, Section 1, of the Constitution of the Parent Body:

"It shall be the duty of the Board of Directors to complete the business of the Convention; and to adjust such matters, as may be referred to it by the Convention and to fill any vacancies which may occur in the roster of the Convention, ... and during the recess of the Convention have entire charge of of its affairs."

This is in harmony with the Charter of the National Baptist Convention, U. S. A., Inc., and also, in harmony with the Sections of the Charter of the Sunday School Publishing Board and those By Laws which are in strict conformity to the Charter of the National Baptist Convention, U. S. A., Inc.

Section 14 of the By Laws of the Sunday School Publishing Board of the National Baptist Convention, U. S. A., Inc., June 18, 1921, gives directions for action in the event of the death of the Corresponding Secretary.

Note the exact quotation of Section 14, of the By Laws of the Sunday School Publishing Board of the National Baptist Convention, U. S. A., Inc..

"In the event of the death, disability or absence of the Corresponding Secretary, his duties shall be performed and powers exercised by the Assistant Corresponding Secretary and in addition, said Assistant Corresponding Secretary shall perform such duties as may be prescribed by the Corresponding Secretary."

The Advisory Committee of the Board of Directors recommends to the Board that the laws both of the Sunday School Publishing Board and those of the National Baptist Convention, U. S. A., Inc., will be followed to the letter in this matter and since there was an Assistant Corresponding Secretary alleged to have been elected in the annual meeting of the National Baptist Convention, U. S. A., Inc., last September, the Advisory Committee recommends that he will perform according to Section 14, quoted above.

We further recommend that the Chairman of the Board, M. H. Ribbins and the Treasurer, L. A. Bowman, and Mr. S. H. Nesbit will be asked to lend every possible assistance to the Assistant Corresponding Secretary of the Sunday School Publishing Board of the National Baptist Convention, U. S. A., Inc.; that the office of Corresponding Secretary of the Sunday School Publishing Board of the National Baptist Convention, U. S. A., inc., will remain vacant until the annual

session of the Convention, September, 1958.

We further recommend that the working staff at the Sunday School Publishing Board will remain as it was at the time of the death of the Corresponding Secretary.

We recommend further that the proper method will be taken to inform the Convention of the action of the Board of Directors that the Chairman of the Sunday School Publishing Board will advise the members of the Sunday School Board of the oversight and error of their action in attempting to elect a Corresponding Secretary contrary both to the laws of the Sunday School Publishing Board and the Parent Body itself.

TUESDAY—JUNE 23, 1959

The special call Advisory Meeting of the National Baptist Convention, U. S. A., Inc., was held in the Columbus Baptist Church, Memphis, Tennessee, Dr. A. E. Campbell, Pastor, at 11:30.

The meeting opened with the singing of "What a Fellowship" led by Dr. D. C. Washington who also read the 1st Psalm as the Scripture lesson. Prayer was offered by Dr. W. T. Crutcher. We then sang, "Savior More Than Life to Me."

Following the devotions, the Meeting was officially called to order by President Jackson. President Jackson stated the following reasons for calling this special Advisory Meeting. (1) One day too short to take care of all business before us; (2) Because there are some matters we need to think over before taking action; and (3) The Fellowship together will do us good.

President Jackson then spoke of a new venture in Foreign Missions, that is the purchasing of the land and sending young people there to live and become citizens and help in general with living conditions in Africa. After the reading of the recommendation by the Secretary the following men spoke in commendation of the idea.

Drs. C. A. W. Clark, E. J. Benton, C. C. Coleman, F. D. Haynes, B. H. Hunter, T. S. Harten, C. H. Hampton, W. O. Mays, Lewis L. Beauchamp, R. P. Means, D. W. Hoggard, J. A. F. Finlayson, A. B. Coleman, W. R. Haney, W. T. Crutcher, M. M. Morris, S. T. Alexander, D. C. Washington, W. L. Wilson, W. R. Matthews, M. W. Whitt, Cyrys Weaver, A. E. Campbell.

It was moved by W. R. Haney and seconded by B. H. Hunter with the idea be accepted. The motion carried unanimously.

The Secretary then read the prepared statement by President Jackson on current conditions in the country and the South particularly. The statement was unanimously approved by the body on motion by Dr. W. T. Crutcher and seconded by Dr. D. C. Washington, with the addition of praise for the Jury and Judge of the Tallahassee rape case.

The matter of the Sunday School Publishing Board was then called to the attention of the men by President Jackson. The President stated that after receiving the notice of the passing of Dr. A. M. Townsend he immediately got in touch with Dr. W. H. Ribbins, Chairman of the Sunday School Publishing Board and stated that he would call a special meeting of the Board of Directors at the time of the funeral so as to make the necessary adjustments due to the passing of Dr. Townsend. The President stated that he did not hear further from Dr. Ribbins.

President Jackson stated that the naming of a Secretary to fill the unexpired term of Dr. Townsend was the duty of the Board of Directors of the Convention and not the duty of the Sunday School Publishing Board, in as much as Dr.

Townsend was an officer of the Convention. The naming of the Secretary of the Publishing Board and how it should be done is clearly stated in the Charter and Constitution of the Convention as well as the Charter and By-Laws of the Sunday School Publishing Board.

The call committee on motion by Dr. C. A. W. Clark and seconded by Dr. W. L. Wilson that a statement be prepared and presented to the Board of Directors relative to the work of the Sunday School Publishing Board.

It was also recommended that the Board through the President would appoint a committee to study the conditions at the Publishing house. This recommendation was approved unanimously.

Thus the meeting came to a close, the closing song led by Rev. L. W. Craig and the closing prayer was pronounced by Dr. A. L. Davis, Jr.

MINUTES OF "SPECIAL COMMITTEE"

The "Special Committee" meeting called by President J. H. Jackson in Chicago, Illinois, on Tuesday, July 21st, in the Olivet Baptist Church opened at 10:30. President Jackson opened the meeting and called for Dr. C. B. Knox to lead in prayer.

The following were present: Dr. L. A. Bowman, Tennessee; Dr. W. T. Crutcher, Tennessee; Dr. A. L. Davis, Jr., Louisiana; Dr. C. L. Dinkins, Tennessee; Dr. E. C. Estell, Texas; Dr. E. A. Freeman, Kansas; Dr. W. H. Hall, Georgia; Dr. J. H. Jackson, Illinois; Dr. T. J. Jemison, Louisiana; Dr. C. B. Knox, Arkansas; Dr. R. P. Means, New Jersey; Dr. M. H. Ribbins, Tennessee; Dr. J. L. Ware, Alabama and Dr. D. C. Washington, Alabama. (Absent: Dr. E. Doyle Billoups, Louisiana; Dr. F. D. Haynes, California.)

The purpose of the meeting was given by President Jackson as being, "To face frankly the problems of the Sunday School Publishing Board and to come forth with sound recommendations that will be presented to the Board of Directors of the National Baptist Convention, U. S. A., Inc., in September at San Francisco, California."

President Jackson then recommended that Dr. E. C. Estell would serve as Chairman of the meeting. The recommendation was sustained on a motion by Dr. A. L. Davis and seconded by Dr. J. L. Ware. The motion passed unanimously. From this point in the meeting, Dr. Estell presided. A general discussion followed that was entered into by each one present.

Working from an agenda headed, "Some Problems for Consideration" we began with Item No. 3 which states: Should there be created an office of Secretary of Christian Education or Religious Education, whose job it would be to specialize in the literary field, writing and improving the materials for the Board and doing those things which are related exclusively to the intellectual and religious development of our resources?

After a brief discussion a motion was made by Dr. R. P. Means and seconded by Dr. J. L. Ware that there should be created an office of Secretary of Christian Education. Before the motion was voted on an unreadiness was caught by Dr. E. A. Freeman who asked, "Is this motion in the form of a recommendation to be presented to the Board of Directors of the Convention?" The answer was "Yes," and after other unreadiness by Dr. L. A. Bowman and Dr. M. H. Ribbins the motion passed.

Item No. 2 which states: Does the Board of Directors of nine of the Sunday School Publishing Board have more power than the general board? If so is it in harmony with the Constitution and Charter of the National Baptist Convention?

It was discovered from reading the By-Laws and Charter of the Sunday School Publishing Board that the Board of Directors of nine did have more power than the general publishing board. It was also discovered that at several points the By-Laws and the Charter of the Sunday School Publishing Board were not in harmony with the Charter and Constitution of the National Baptist Convention.

After a general discussion on the number of men to make up the Board of Directors, it was suggested that the number would remain at nine (9) but that the convention would exercise greater care in the selection of the nine.

It was moved by Dr. J. L. Ware and seconded by Dr. E. A. Freeman that the President, Secretary, one member from the Sunday School Publishing Board, and the Convention Attorney would follow up on the Charter and By-Laws of the Sunday School Publishing Board, and have both to conform to the Charter and Constitution of the Convention. Before the motion could be put Dr. Jackson declined to serve on the Committee and stated he thought it should be Dr. Estell. The motion then passed unanimously, after naming Dr. Charles L. Dinkins as the member of the committee from the Sunday School Publishing Board.

Item No. 4 which states: What are the securities advanced by the Sunday School Publishing Board to secure the loans that are to be paid? This report was to be sent in by Dr. Dinkins the Assistant Secretary of the Board.

Item No. 5. which states: What of the bonds that were sold some years ago by the Convention? Who holds them and how are they to be redeemed?

It was discovered that the money to redeem the bonds was in an account in an Atlanta Bank under the name of the Finance Commission of the National Baptist Convention. Inasmuch as the Finance Commission of the Convention was abolished in 1955 by the Convention, it was moved by Dr. C. B. Knox and seconded by Dr. D. C. Washington that the account in Atlanta be closed and a new account be set up in Nashville, Tennessee, with Dr. Charles L. Dinkins and Dr. L. A. Bowman as the signers and in charge of the account. The motion passed unanimously.

Thus the meeting came to a close with prayer and benediction by Dr. W. H. Hall.

Dr. E. C. Estell, Chairman
Dr. T. J. Jemison, Secretary

Assembled in Convention

Gentlemen:

We have made an examination of the treasurer's records of the National Baptist Convention, U. S. A., Incorporated for the year ended June 30, 1959. Our examination was made in accordance with generally accepted auditing standards and included such tests of the accounting records that we considered necessary in the circumstances.

We certify that in our opinion, the accompanying schedule of assets and the supporting schedule of receipts and disbursements present fairly the financial position of the treasurer's office at June 30, 1959 in accordance with generally accepted accounting standards.

Very truly yours,

AUDIT REPORT
JUNE 30, 1959

AUDITOR'S CERTIFICATE

We have examined the balance sheet of the Sunday School Publishing Board, a subsidiary of the National Baptist Convention, U. S. A., Inc., as of June 30, 1959

and the related statements of income and expense for the period beginning April 21, 1959 to and including June 30, 1959. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion the accompanying balance sheet and related statement of profit and loss present fairly the financial position of the Sunday School Publishing Board as of June 30, 1959 in accordance with generally accepted accounting standards.

Very truly yours,

THEODORE A. JONES & COMPANY
William S. Anderson

COMMENTS

Operations

We made a detailed audit of operations for the period beginning April 21, 1959 to and including June 30, 1959. In addition we reviewed and tested operations for the entire year.

Net income for the year amounted to $13,208.78, as compared with $81,629.72 earned in 1958. This reduction of income in the amount of $68,420.94 was due mainly to new and extra ordinary expenses incurred during fiscal year. These expenses were as follows:

1.	Retirement Insurance Plan	$34,262 44
2.	Cafeteria Loss	15,461 55
3.	Special Board Meetings	10,000 00
4.	Rent Increased	12,000 00
	Total	$71,723 99

We reviewed the retirement insurance plan and discussed it with management. We concluded that the plan was satisfactory and in the best interest of the employees affected and the Sunday School Publishing Board. The initial expense of the plan falls heavily in the first year of the plan. The retirement plan is based on level premium payments, the yearly expenditure will result in a net cost of approximately $34,000.00. This expense will be partially or entirely offset by the eliminated salaries of the retired employees. In the first year six employees will be retired. Their aggregate salaries amount to approximately $18,000.00 per year. As more employees are retired and their positions consolidated or eliminated this $18,000.00 salary reduction figure should increase and reflect itself in larger net profits in future years. Operation of the cafeteria was started during the fiscal year and resulted in a net loss of $15,461.55. Management states that the cafeteria is operated principally for the benefit of the employees but that they are disturbed by the loss and corrective measures are being made. The death of Dr. Townsend necessitated special board meetings. The additional expenses of these meetings cost approximately $10,000.00.

Balance Sheet
Assets

We examined cash receipts and disbursements in detail and traced book entries to bank statements. Each bank account was reconciled by us and compared with ledger balances. We also, obtained written confirmation of cash balances from their depositories.

The cash balances per book and per bank were reconciled in agreement. We reviewed their method of handling cash receipts and found that the internal control checks were in effective operation.

The accounts receivable subsidiary ledger was reconciled with the controlling account and aged. We found that approximately 5% of the receivables were potential bad debts.

Physical inventories were taken by employees of the company under the instruction and observation of management. Management outlined to us their inventory procedure and their method of pricing. We found these procedures to be satisfactory and their method of pricing conservative. We examined and test checked inventory count sheets.

The various classes of property and the related depreciation allowances are summarized in schedule A. During the year the Sunday School Publishing Board entered into major contracts for building improvements. The Sunday School Publishing Board does not hold title to the Morris Memorial Building and these improvements ($108,598.61) had been charged off as a direct contribution to the National Baptist Convention, U. S. A., Inc. We re-classified this expenditure as leasehold improvements to be charged against operations over a period of 20 years.

Liabilities

Note payable to Fulton National Bank is payable in quarterly installments of $15,000.000 and bears interest on the unpaid balance at the rate of 5%. The next payment is due September 15, 1959. The loan is secured by $127,000.00 second mortgage bonds of the National Baptist Convention (now first mortgage bonds) representing a first lien on the Morris Memorial Building. This note also bears the personal endorsement of Dr. L. A. Bowman, Sr. We obtained confirmation from the holders of the balance of the notes listed in schedule F.

The Commerce Union Bank confirmed to us a note balance of $15,000.00. This note is listed on the books as $10,000.00. The explanation we received was that Dr. L. A. Bowman, Sr., discounted a $5,000.00 due him at the Commerce Union Bank. This additional $5,000.00 has been added to their note balance.

We examined accounts payable creditor's statements as of June 30, 1959 and reconciled these statements with the purchase journal, cash disbursements, subsidiary ledger and the controlling account. All known liabilities direct or contingent, are included in the accompanying balance sheet.

We express our thanks to the officers of Convention and to the staff of the Sunday School Publishing Board for their cooperation during this engagement.

Very truly yours,

Theme—"CHRISTIANITY AND DEMOCRACY CAN DO IT"

THEME SONG: MY PRAYER

(Page No. 32—"Glad Tidings")

Lord, make my life today A life of prayer,
That I may intercede For souls ev'rywhere.
Lord, give me a burden today
For the lost on life's perilous sea;
Help me guide them safely to Thee,
Lord, help me, I pray.
Lord, make me more like Thee,
Be Thou my Guide; O fill my life with love,
In Thee to abide.
Lord, grant my desire today,
That my life may bring glory to Thee;
Saving souls from life's treacherous sea,
Lord, help me, I pray.

SATURDAY AFTERNOON

September 13, 1959

1. The Board of Directors of the Woman's Convention Auxiliary to the National Baptist Convention, U. S. A., Inc., was called to order at 2:00 o'clock Saturday afternoon, September 13, 1959 in the Third Baptist Church, San Francisco, California, by the President, Dr. Nannie Helen Burroughs, who led us in prayer for Guidance.

2. A statement was made from the Young People's Department by the Eastern Young People's Director, Mrs. Bertha C. Winston, who assured us that they had done their best. They raised more than five thousand dollars. They recorded some of the young people's work to send to Mrs. Etta Versa Frye, the National Director so she could feel a part of it.

3. Mrs. Corenne Watts, Southern Director confirmed the report of Mrs. Winston and had a fine experience with the young people and their leaders. They missed Mrs. Frye very much but they had a successful year.

4. Dr. Burroughs encouraged the leaders to send young people to the meeting. The President stated that she had a 5-page telegram signed to elect someone in Mrs. Frye's place. She said that our first step is to continue the service of the present people until adjustments are made. The Young People must participate. So much of it will be their interests. Whatever we are to do for getting the camp ready we must do it. Every missionary society is asked to pay $25.00 on the youth camp in Michigan. Let the young people raise it. She appointed Mrs. A. A. Banks, Jr., as Chairman of the Board. We want it Tax-exempt and we needed someone to qualify in Michigan.

She further stated that the longest distance that we had travelled was to this meeting in San Francisco, California; that our expenses would be much, but we had to protect the interest of the Woman's Convention.

7. The President announced that the Baptist World's Alliance was going to meet in Rio De Janeiro, Brazil, South America, and our Convention should be represented. It is not possible to carry all the expenses. 29 said they would attend; 16 will represent organizations; 14 are going on their own, and 20 would go if they had one-half of their expenses defrayed.

8. Voted: That the President be sent to Rio de Janeiro with all expenses paid to the Baptist World's Alliance. Dr. Burroughs wishes to raise one-half of her fare.

9. Mrs. H. M. Gibbs opposed Dr. Burroughs wanting to pay half of her fare. She said that it was an honor to send the President. Further statements were made in favor of Mrs. Gibbs' expressions by Mrs. Henrietta Hopkins and Mrs. Susie C. Bolley.

Ross be copywritten and a copy be placed in the hand of each missionary society that we may use it on our Annual Woman's Day in memory of the one who founded Woman's Day.

(2) The Recording Secretary recommended that the minutes be mailed to the delegates from the secretary's office next year instead of being given out at the Convention.

16. Mrs. Mary Hubbard, Oakland, California was asked by the President to close the meeting with prayer.

17. Adjournment.

23. Hymn: Must Jesus Bear the Cross Alone was sung with the congregation standing.

Preaching will always be essential and important. Man cannot live by bread alone. Where there is no vision, the people perish.

No setting forth the will of God—the Word of God; they cast off restraint; they give up self-discipline and perish. We always need to hear the Word of God and know the will of God, and we have to hear this quite often.

I have to go to church every Sunday We have some folks who do not feel that they need to go to church only Easter Sunday and two other special days like Mother's Day.

The Prophetic Word means prophetic Words and not always Pastoral Words for the people need to be distressed in mind to see the need and feel the need of the Word of God; for we have too many secret sins, and we cannot get by; whether anybody sees them or not, we know God knows and our sins will shortly be made known.

Sin of Righteous people is principally selfishness. We have some so-called Christians who rejoice to see the downfalls of his brother. But you'd better take heed how you stand lest you fall.

Where there is no revelation the people perish. Everything God says is not always within the printed Word—the Bible. Some is revealed. God talks and walks with us. God wants to come to our house but we are not at home. He speaks to us about victories in living and the defeats in living. He finds us in this kind of situation. We act all out of proportion. Something is wrong with us inside of us; not so much what we do in the midst of crises, but what we lack in a crisis. If one carries a lantern with him every day he doesn't find himself in need of a light when death comes for God will go through the valley and shadow of death. If we just live every day in faith. Young people need to know that there is a crucial time when we must have His divine presence and His divine guidance. Our preparation for death—going home where are a lot of folks gathered there. Folks you know; folks you do not know, but they are there We must have a vision to meet the needs and emergencies of people without vision. We are duty bound to help people who need our help; keep on waiting; keeping on following His leadership. A great vision is needed.

24. Hymn: Standing on the Promises of God. Amen.
25. Invitation to Discipleship: Assistant Pastor.
26. Hymn: Keep Me Every Day.
27. President Burroughs thanked God for the message and the messenger who talked like one with authority; a scholar, a Christian, a preacher, which is no sufficient. The next opportunity belongs to you and to us We owe an obligation to the fine man who pastors this congregation. His devoted wife has gone out of the way to be nice to us and we shall never forget her.
28. Offering of appreciation to this church—a public offering. Dr. Burroughs stated that this was the first offering for the week. The offering was [illegible] was left with the treasurer of the Woman's Convention, and Mrs. Gaillard.

29. Hymn: Amazing Grace was layed softly in memory to the late Dr. A. M. Townsend whom Dr. Burroughs said left us several months ago; who dedicated his life to the service of his people; a business man with a vision. This was his favorite hymn. May we rejoice while him in our sacred memories while we worship and giving. She further stated that Mrs. A. M. Townsend contributed to us our denomination our first great hymnal. Dr. Townsend gave us more than any other man has done in the last 25 years. As the congregation sang the first stanza softly in his memory, she continued by saying, "Yes, his sacred memory, . . . who is now looking down on us from the battlements of glory."
30. Financial Statement from the treasurer, Mrs. H. M. Gibbs: $51,822.93 raised in this session plus advanced money received in the Treasurer's office.
31. Closing prayer was prayed by Rev. Jackson, Gary, Indiana.
32. Hymn: O For a Thousand Tongues to Sing.
33. Benediction: Rev. Jackson, Gary, Indiana.

THREE BASIC CAUSES OF THE PRESENT RACE CRISIS IN AMERICA
Unchristian Practices
Undemocratic Attitudes
Unconstitutional Application of Laws

THE ELEVENTH ANNUAL MESSAGE
of
MISS NANNIE H. BURROUGHS
President of the
WOMAN'S CONVENTION AUXILIARY
to the
NATIONAL BAPTIST CONVENTION, U. S. A., INC.
Meeting in
THE MASONIC TEMPLE
1111 California Street
SAN FRANCISCO, CALIFORNIA
SEPTEMBER 9, 1959

Christian Friends, Fellow Laborers,
Dearly Beloved:

I greet you in the name of our Lord and Saviour Jesus Christ. This is my Eleventh Annual Message, as President of the Woman's Convention, Auxiliary National Baptist Convention, U. S. A., Inc.

I thank God for the opportunity He has given me for service—I thank Him for you and the fine cooperation which you have given me during my administration. My only regret is that I have not been able to do more for the ongoing of the Kingdom of Jesus Christ.

I have put all I had in it, but if you help me a whole lot I will put more effort in it in the hope that this Convention can accomplish two miracles in the next year—Pay the Balance of Thirty Thousand Dollars due on the Retreat for Foreign Missionaries, that is easily worth Two Hundred Thousand Dollars; and Pay the Balance of Forty-five Thousand Dollars on Our National Youth Camp, which is easily worth nearly Three Hundred Thousand Dollars when put in running order and, if you will give Twenty Thousand Dollars to the National Trades and Professional School, we will dedicate our new Chapel, worth One Hundred Seventy-Five Thousand Dollars—DEBT FREE—and that without any debt on the entire property of that School.

If you do that we will have accomplished miracles so far as Negro women's organizations are concerned. God has done all of this for us and we dedicate it all to Him.

We meet at a time when civilization, particularly Christian civilization, is on trial. The nations of the earth are in confusion. The crusade, the world over, is for RIGHT and JUSTICE.

The words that promise Justice to people, even American citizens, are meaningless when it comes to the application of those words to races that are not white. Present day race attitudes and applications are grossly demoralizing. The dead weight of color prejudice prevails in practically every walk of life in this so-called Christian land. Because of entrenched exploitation in Africa and entrenched color prejudice in America, we have nothing less than poverty in the midst of plenty; rags in the midst of riches and injustice in the place of Constitutional promises. There is no excuse for these unfair conditions and ungodly attitudes.

The races of mankind can equal each other in achievements and character only if exploitation and subjugation are stopped. Only an all-out war against these injustices will give us a future civilization that will endure.

In this long and difficult struggle, Negro churches and organizations must stop splitting over personal and petty matters and put on the whole amour of dedication to the program of Jesus Christ and fight sin and ungodliness and not each other.

A united Christian army dedicated to the cause of human rights and godly resistance to all policies of race supremacy could, through faith and love, subdue kingdoms, work righteousness, obtain God's promises, stop the mouths of slanderous men, quench the violence of race hate, without the use of the sword; and out of weakness races can become strong and victorious.

God's Church, UNITED, can do it.

Put this fact down in your Bible. "The Church of God cannot be content with defining attitudes, preaching sermons and passing resolutions. The Church must be an instrument of change and of redemption of the world."

That is its only mission. For this mighty task, we must build a leadership that smiles at fears and gives impossibilities the laugh.

San Francisco, We Greet You

Jack Jonas says that San Francisco is a "City of pure delight." That is doubtless why so many of you have come so far to see her famed hills, overlooking San Francisco Bay.

The Golden Gate opens to statues and memorials, her beautiful Japanese garden, the Steinhart Aquarium, a Dutch windmill, Shakespeare garden, arboretum, and miles of pleasant paths and driveways.

There is ugly Alcatraz Prison. Below lies the famous Embarcadero, San Francisco's waterfront street with its 50 piers sending 400 vessels monthly out to sea.

There is Chinatown, its 25,000 inhabitants making it the largest Chinese area outside the Orient.

There is an exciting cable-car ride that takes you to Fisherman's Wharf, home of half a thousand fishing craft, markets for the sale of fresh seafood, and excellent seafood restaurants. The cable cars, clanging over three lines, have for years been drawing tourists from all over the world.

You would know that the schools, churches and social welfare and fraternal organizations have played the major role in making this "the city of pure delight."

San Francisco was founded by the Spanish in 1776. It grew tremendously after the 1848 "Gold Rush." Its early history is not glorious.

The opening of the Panama Canal brought new life and new light. It is one of the most important ports in the United States. It is the seat of a great University.

This is a commitment following your vote at the meeting of the 1958 Executive Committee. Your President has tried hard to follow through because we must not vote to do things and straightway forget our pledge and responsibility.

Check the assignments We have done the very best we could in 1959 on ten points.

Numbers three and four were impossible for reasons which we shall present to the Board.

Gone Home

DR. A. M. TOWNSEND, the man who made the largest contribution to Negro Baptist business life went home. Few men passed his devotion, acumen and versatility in two major professions. It will be the most difficult job to fill his place that has come to this denomination in the past half century. Soon after Dr. Townsend left

HENRY ALLEN BOYD, another business genius—the other wing of the Baptist family departed. It is our hope that we will close ranks and go forward in this day when the printing press is our greatest instrument of public service. The passing of

MADELINE LAYTEN TILGHMAN, daughter of our late president, Mrs. S. W. Layten, brought memories of how her mother kept her close to her in service at our Annual Meetings. I requested Mrs. L. M. Thomas, President of the Pennsylvania State Convention to purchase the floral tribute and represent this Convention at the funeral. After a long illness

MRS. E. M. KING, President Emeritus of the Pennsylvania State Convention departed this life. Mrs. King was a most active and loyal member of this Convention for a number of years and in fact, presided in Atlanta, Georgia, over the election in the last meeting attended by our late President, Mrs. Layten. Her friends in Pittsburgh were faithful in ministering to her through all the years of her illness.

SEVERAL OF OUR WOMEN serving on National Committees and several Life Members went to the Glory Land this year. We do not have their names, but we urge the Chairmen of Committees on which they served, to call the names at the Memorial Hour and put one rose in the "love basket" as they do so. Kentucky has lost one of its truly great and gracious Christian leaders—

REV. W. H. BALLEW, who was Chairman of the Entertainment Committee when we met in Louisville, in 1957. It was he who secured the prefect meeting place for us at Southern Baptist Theological Seminary. Mrs. Ballew is Kentucky State President. She is one of our most devoted and dependable associates. Mrs Lula Haynes, our Fellowship Chairman, represented us at the funeral.

As we think today of the loved ones whom we used to know, it seems that

"They never quite leave us,
These friends who have passed
Through the shadow of Death
To the sunlight above;
A thousand sweet memories are holding them fast
To the places they blessed with
Their presence and love.

"NATIONAL CRUSADE TO IMPROVE AMERICAN LIFE ON ALL FRONTS"

It has been two years now since we launched a nation-wide "Crusade to Improve American Life On All Fronts." This is a pretentious program some might think, "Well, the needs are far more obvious and staggering."

Millions of homes are little less than houses or hovels. More millions of children are without parents who care or who take care. Idle men and pants-wearing women infest our streets, jobless, hopeless and characterless. Thousands are on relief who should be on jobs. The government would rather pay Negroes not to work than to give them an equal chance to learn trades and mechanical skills that would fit them for skilled services of all kinds and remove excuses for relief.

The attitude and barriers can be broken down if ever Negroes decide to work to remove the well-known excuses for them. Blighted areas, neglected homes and lawns, public conduct and dirty neglected children are unmistakable signs of standardless living. Most of the cause is injustice.

The only way to make real progress in this country is to highly resolve to live up to standards. It can be done. In the past two years we have printed and distributed over a million and a half leaflets, absolutely free—not enough when compared with the conditions and needs but this is more than any other organizations has done in this field of self help.

Many women are working on the CRUSADE and will report to us here what they have done.

Our plan is to enlist more CRUSADERS to reach more people and communities. Too many people are down, dirty and discouraged. Simply talking about the awfulness of people and their misconduct is "Pharisaic"; doing something to help them get up and get well is "Samaritanic."

JOIN THE CRUSADERS and become a Good Samaritan. Over six million people have wandered far away from God and decent living in this Christian land. Get up and do something constructive to help them back to decent living.

Hot Springs Meeting

It is always a delight to go to Hot Springs, Arkansas to our Board meeting for three reasons.

1. Mrs. Ida A. Drew, President Arkansas Woman's Convention-Consolidated and Mrs. M. L. Coleman, President Arkansas Regular Woman's Convention are gracious hostesses and the staff at the Hotel is most courteous and cooperative.
2. The local pastors and church people give us warm welcomes and the people of Arkansas come smiling and helping.
3. The programs by students from both colleges is the one high light for which we wait with great expectancy. It's a long way, but we know what awaits us and we therefore make the yearly journey with high hopes and unalloyed expectations.

The program of our Annual Board meeting is well planned. Women come from every section of the country and take an active part in it. They rededicate themselves to the cause and go away enlightened and inspired.

Our Board meeting is a miniature National meeting with just enough meaningful trimmings to make it worth-while—in spite of the distance.

The Young People's Department

I say to you in this 1959 meeting what I have said emphatically before. "PROGRESS IS OUR KEYWORD." For our Young People's Department, we must have a magazine. It should carry weekly topics for three groups and such other reading matter as will inform and challenge children and young people from 16 to 30. Pictures and current stories should also be a feature.

Of course, you know that Mrs. Frye issued topic cards for a number of years. We have been without even this service since she has been physically incapacitated. We must find two highly capable Bible women with some business ability and

dedicated to Youth work for this service. Where are they? Put this need on your prayer list and then join us in the search.

Mrs. Etta Versa Frye, our capable and devoted National Director, has not recovered as fully as we all had hoped and prayed. She prepared the material for the Young People's meeting and then came to inform the President that she had prayed over the whole matter and, because of the distance and responsibility incident to the meeting, that she had decided not to go. She wept as she said, "I have talked with God, and now I must retire from active duty. I leave the entire future of our Young People in the hands of the Woman's Convention. Give my girls my love and tell the Woman's Convention to please help them grow in grace —and as for you, Miss Burroughs, I know you will help them." I must retire. Mrs. Frye continued to weep as she left me standing stark still.

Women, Etta Versa Frye gave to our Young People's Department a character pattern, a devotion and a quality of leadership that we will not soon match.

The Board of Directors and this Convention will pray much, plan wisely and watch closely the entire program of this Department, because out of it must come many of the future leaders of this convention. Pray for clear vision, wisdom, calm judgment and unselfish purpose as we face this unexpected official responsibility. "Lead us Lord, as we plan for and with our young people who have a long way to go.

At Last! We Have the National Youth Camp

At the Chicago Convention, September 9-14, 1958, the Board of Directors of the Woman's Convention, Auxiliary National Baptist Convention, voted that their President, Miss Nannie H. Burroughs, go ahead with the long delayed NATIONAL YOUTH CAMP project. I have done just that and raised the first "down payment" of Fifteen Thousand Dollars.

We are now putting the buildings and grounds in order and we shall have it ready for dedication to Christian service and fellowship by May 1960.

The Camp is located at Double J. Ranch, Jones, Michigan—five miles from Constantine, in St. Joseph's Country. It lies two and one-half miles south of M-60 and four miles north of U.S. 112—the two principal roads between Detroit and Chicago.

It is an eighty acre tract. Half of the land is tillable. There is a wooded section for hunting, picnicking and hiking.

A great and picturesque lake covers fifteen acres. There is a beautiful orchard, with fruit trees and a vineyard.

There is a stately—beautifully furnished—mansion on a commanding hill; a twelve unit Motel, built of cedar; a farmhouse, a barn that will be converted into classrooms, a chicken house and tool house that can be turned into classrooms.

There is a tennis court; swimming pool, lake for fishing, boating and canoeing, golf course and a large area for outdoor games.

The entire place is electrically lighted, and has all modern equipment, furnishings and conveniences. There are porches all lighted and furnished.

THE PURPOSE of the National Camp is to give young people, between the ages of 15 and 24, vantage for growing Christian character and building Christian fellowship. They are the ones who must make secure the foundation and lead the church of tomorrow. TO HELP PREPARE young people for an over-all program of Christian service, the Camp will offer—

1. Annual studies of Missions in all lands.
2. Training in worship and modern church programs.
3. Recreation.
4. Social Action.
5. Drama and Music.

The Camp program will run June, July and August on an Interracial, Interdenominational and International basis. We are praying and looking for the best trained, the supremely dedicated, the gloriously consecrated, the divinely social-minded and the superbly faithful and happy women and men to help us meet the great challenge for training young people and rededicating seniors to building the Kingdom of Jesus Christ for this era and then pass the lighted torch on to

the next generation.

To insure care, upkeep and standardized Christian Camp ideals—a Camp Committee has been selected. The following men and women—all active members of the Woman's Convention and of the National Baptist Convention and the Young People's Department constitute the Board of Trustees.

Miss Nannie H. Burroughs	Washington, D. C.
Mrs. A. A. Banks	Detroit, Michigan—Chairman of Committee
Mrs. Bertha Winston	Baltimore, Maryland
Mrs. Zoie O. Smith	South Bend, Indiana
Mrs. Zee Anderson Barron	Mound Bayou, Mississippi
Dr. D. E. King	Louisville, Kentucky
Rev. James B. Cayce	Philadelphia, Pennsylvania

Committee Work

The National Committee Plan is still the best for getting close to more people and laying the various features of our great work before them and getting their interest and cooperation. There are loop-holes and problems that can be stopped or worked out and, this year, we devoted much time to trying to solve these problems and stop certain loop-holes in the whole Committee Plan.

We share with you some reasons for irregularities.

1. Chairmen or Co-Chairmen do not go to the business table at definite hours
2. Reports are not made to proper authorities.
3. Receipt books are not filled out completely or turned in promptly.
4. Chairmen do not hold a proper business session with their members, at a stated time.
5. Lack careful listing of Co-members by State President and Committee Chairman.

This unbusinesslike conduct of Committee business apply only to about one-fourth of the Committee Chairmen or Co-Chairmen, but this is too many.

We supply stationery It costs money. Some Officers, who use more than one sheet, use letterheads for each page. I am sure they know better. All pages, after the first, should be written on plain paper, similar quality of letterhead and the same size as letterhead.

QUOTA. We know Committee Members do their best but our Constitutional Committee Membership requirement is Twenty-Five Dollars. This means that no woman should accept the position unless she is reasonably certain that she has time and influence and interest enough to raise Twenty-Five Dollars in a whole year.

We use the money as stated in the Committee Book and the major part of our budget is based on the expected income from the Committee plan. In a large Convention, such as ours, the members should have definite assignments.

The Retreat for Foreign Missionaries

"A place for everything" is an old slogan. The Woman's Convention leads all other Negro women's organizations in providing needed, meaningful and beautiful places for the training, comfort and development of their constituency and for building Christian fellowship.

Our "RETREAT FOR FOREIGN MISSIONARIES" is a real shrine. It is a token of our appreciation for the dedication of those who prepare for foreign service and go in our steads to teach and minister to peoples in other lands. The Retreat is the house "beautiful" and meaningful.

Recently, Mrs. Sarah Williamson Coleman reviewed the high purpose and the program of the Retreat in the Foreign Mission Herald. This is what she said:

> "The Retreat is a gift of the Woman's Convention Auxiliary to the National Baptist Convention, U. S. A., Inc. Dr. Nannie H. Burroughs, President, to the Foreign Mission Board of the National Baptist Convention, U. S. A., Inc. This national shrine stands majestically in a triangle at the corner of Eleventh and Maryland Avenue, Northeast, in Washington, D. C. It is furnished with the kind of taste that enables us to entertain, with ease, the righteous or royalty.
>
> In this gift, the Foreign Mission Board has the most beautiful, meaningful and valuable property owned by Negroes and dedicated to Foreign Mission Service anywhere in the world. Many doubtless know about The Retreat and its high purpose, but many more do not. It is a gift from the largest organization of Negro women in the world.

The Purpose of the Retreat

1. A RETREAT for the missionaries under the Foreign Mission Board of the National Baptist Convention, U. S. A., Inc., when they come to America on furlough, for study, or on business incident to their work in connection with the Board.
2. A FOCAL POINT for intellectual, interracial and international relations in missions.
3. A LIBRARY to promote a program of education on Africa.
4. A NATIONAL BUREAU OF MISSIONS for collecting, assembling, and distributing missionary information.
5. HOLD CONFERENCES and special fellowship meetings with returned missionaries.
6. ANNUAL THREE-DAY INSTITUTE for the purpose of teaching and acquainting missionary workers and the general public with the social, racial, and political aspects of African life. Scholars and specialists in the field, will teach African life and history.
7. THE HEADQUARTERS for the Missionary Committee of the Woman's Convention Auxiliary to the National Baptist Convention, U. S. A., Inc., for the national missionary activities of the Woman's Convention in cooperation with the Foreign Mission Board.
8. TO BE KEPT as "The House Beautiful and Useful" in Christian Service.

Eternity alone will reveal the value of this Retreat dedicated in appreciation to those who go in our stead and give their lives a ransom for the millions who sit in darkness. As the morning light breaks and Missionaries by the hundreds will be going and coming—coming and going, that beautiful Retreat at the corner of Eleventh and Maryland Avenue, Northeast, in the Capital of the Nation will be a haven for the weary, a rest for the tired, a friendly Retreat for those in need of Fellowship and mental refreshment. Then, too, this Retreat will help make possible and effective the ties that should bind the Africans and the American Negroes together, as they face together the mighty world of Tomorrow.

Inside the Retreat on the right and left walls of the grand stairway, the distinguished artist, Lois Mailou Jones, has told in art a moving story of Africa—past, present and future. These are magnificent murals that simply enthrall you as you stand there and behold the handiwork of Almighty God in a continent to which the Creator gave more than He gave to any other continent on this planet.

The right stairway mural represents the past—pyramids, recalling the rugged, heroic, unmatched achievements of Africa from the days of the Pharaohs and the Phoenicians. The large colorful map is marked by red [illegible] where raging currents of social, economic and political unrest have swept millions from barbarism to the modern age in one short generation—through Emperors and Queens, Kings and Dictators, Premiers and Princes—as Nasser of Egypt, Haile Salassie of Ethiopia, Tubman of Liberia, Nkrumah of Ghana and Kenyatta of the Mau Mau.

Showing on this great map are Mission Stations where the teachings of Jesus and Educational Centers, made possible by Christian churches in America, are preparing Africans spiritually so that today, in every tongue, in every dialect the cry is "FREEDOM!"

Flanked at the bottom of the stairway in full length figures is Africa of Tomorrow, represented by an African family—educated AND IN modern attire, ready

for service. This mural is truly a challenge, not only to Africans, but to the peoples of the world crying in many languages "CHRISTIANITY AND FREEDOM!" In the midst of these changes, it is evident that Christian Missionaries are on the march, too.

Ghana Mural

On the left wall is Ghana—The Morning Star of the Africa of Tomorrow. The mighty man in Ghana's struggle for freedom is Kwame Nkrumah.

The Artist presents Kwame Nkrumah in a heroic bust in the extreme left of the mural. Through his years of preparation, independence for the Gold Coast was his aim. After almost ten years struggle of detention, positive action, imprisonment he arrived. He and his entire country were set free.

It was on September 17, 1956 that he was handed a piece of paper by the Governor, Sir Charles, a man who had both imprisoned and released him many times. On March 6, 1957 a new Nation was born. Freedom was proclaimed throughout the land and to all the inhabitants thereof.

The Artist gives a view of the New Ghana rug, the Coat of Arms and the people at work for which they have training and aptitude. In the past, they worked for others. In the present and the future they have joined the grand army of free people to use their skills cooperatively. The Artist has lifted a whole people out of darkness, destruction and death into a FREE world of their own, where light and skill and beauty and determination are written in the faces of her people as they list the letters and apply the skills with hands and machinery that have waited thousands of years for light and leadership. The man Kwame Nkrumah, is the answer to the call for clearvisioned, dedicated leadership.

The mural carries a map. It has great meaning, showing the beginning of trading with the world in Ghana's greatest export—Cocoa. On the extreme left side of the Ghana mural is an African tree reaching the height of the ceiling with colorful tropical birds seemingly chirping Ghana's "hallelujah" song that declares "It is far better to be free to govern or misgovern yourself than to be governed by anybody else."

As Africa breaks her shackles from Cape Town to Cairo and from Congo to Casa Blanca—North, South, East and West—Missionaries of all races will make a beaten path to the Retreat to tell the story of the triumphs of the Gospel in a land that has been plundered, robbed, beaten and neglected for centuries. But the God who is no respector of persons or races has built in Africa a patient, rugged people that will accept the Gospel of Jesus Christ and set their land on hallowed fire.

Our beautiful Retreat will stand in the midst of these changes with open door and welcome hands to give fellowship and comfort to Missionaries and great leaders who helped to bring the Light to the dark continent.

We owe Thirty Thousand Dollars on this valuable property. In our "12 Point Program," we asked you to wipe out the debt without further delay. WE CAN DO IT.

Then, too, remember the Retreat in your will. Make its future secure.

The Worker

If you discover a woman in a Baptist Church who has never seen or heard about THE WORKER, please send us her name and address.

The magazine grows quarter by quarter in circulation, service and appreciation. Thousands of women bear witness to the fact that it has brought light, life and love to their societies. We want TWO THOUSAND MORE readers by January 1st, 1960.

Please send us just two new subscribers for the Christmas edition and we shall still lead in the field of Christian magazines, published by Negroes. This we say with gratitude to you who have stood by us in our effort to meet a real need and at the same time give you the best in material and service.

Thank you for your fine cooperation.

Demand for Literature Increasing

Leaders must be learners in order to keep abreast of the times and keep ahead of their followers.

It is gratifying to note that the demand for various kinds of Christian literature is greatly increasing. The joy in it all is that method books and challenging materials by well-known authors and new writers fill our bookshops.

This year the national study book was never more informative, timely and challenging. Best of all, the study is practically graded. The Senior Study Book is "AFRICA DISTURBED," and in addition there are books for your young people—girls, boys and children.

If the Study Plan is properly set up, you will learn more about the inside of Africa and the mighty moving spirit coming over her teeming millions than you have ever dreamed of. Truly, the morning light is breaking.

Gifts of Equipment for Suehn

Miss Gladys East, of Suehn Industrial Academy, spoke during our Foreign Mission Period in Chicago, last year. She told of the urgent need of kitchen equipment, dormitory furnishings and complete equipment for a General Science classroom.

We promised Miss East to help provide some of these things. In keeping with our promise, we sent an appeal to Twelve Hundred friends and also published it in THE WORKER. As a result, we have received $1,233.22. This is much less than we need. It was our hope that we would have a good supply of equipment on its way.

We got prices on some of the basic needs to the sum of $856.50.

12 each 30 x 72 Banquet Dining Tables @ $26.00 each Price	$312 00
6 each 6 Gallon Aluminum Pots @ $12.80 each Price	76 80

The cost of shipping of that small supply by one company was $838.74 and by another $1,400.00. This, of course, is out of the question.

We decided to let Miss East make the purchases through a Company that serves Liberia.

We hope to raise more to help meet the urgent need for the successful operation of the school at Suehn.

The Summer Institute

If you only knew what a terrific and satisfactory job we are doing in Christian Education on Lincoln Heights and the glorious results that accrue to the women who attend, you would not consider any sacrifice too great to be a part of it. Women leaders in our churches need refilling after a year's service. Too many would-be leaders are running on a flat.

The Institute Committee On Evaluation has this to say in its 1959 report:

Christian women-leaders, in various fields of Christian service, spent the month of July on beautiful Lincoln Heights taking courses.

The program of the Institute initiated thirteen years ago by Dr. Nannie Helen Burroughs, President of the school and of the Woman's Convention of the Na-

tional Baptist Convention, U. S. A., Inc., is directed to the development of Christian education and leadership training.

One of the features initiated eight years ago is the organization of the students into a Council. The theme of the Summer Institute for 1959 was—

"STUDY TO SHOW THYSELF—A WORKMAN."

Notably among the students was Miss Verlene B. Farmer of Hinton, Oklahoma who will sail October 1st from New York as a missionary of the Foreign Mission Board, National Baptist Convention, U. S. A., Inc., to Suehn Industrial Academy, Monrovia, Liberia. An increasing number of leaders come each year for refresher courses.

The instructors are outstanding Christian leaders of both races. MISS BERNICE COFER represented the American Baptist Convention and MRS. CARL TILLER and MRS. MARY THOMASON represented the Interracial Committee of the Southern and Northern Baptist Conventions.

The lecture on Health was given by DR. C. HERBERT MARSHALL, an outstanding Washington physician. The American Red Cross held two classes, daily, with twenty women each, in Home Nursing—directed by MRS. CLEO ROBERTS of Chicago, Illinois.

Books and other literature used in the courses included latest texts on race relations, youth problems and world crises. Other courses with their instructors were—

Worship	Mrs. Lula Haynes
"This Revolutionary Faith"	Rev. Earl L. Harrison Washington, D. C.
Public Speaking and the Church Is Challenged	Miss Nannie H. Burroughs
Understanding the Christian Faith	Mrs. Carl Tiller and Mrs. Mary Thomason
What Interracial Cooperation Should Mean	Miss Bernice Cofer
Music and Its Meaning and Might	Miss Mildred Williams
Pageantry—Its Power	Mrs. Rosa L. Kimp
Christian Etiquette	Mrs. Grace Lormans
Upholstering	Mrs. Laurene Smith
Arts & Crafts	Mrs. Margretta Wanzer

The class in Pageantry and Drama was highlighted by the presentation of the pageant, "CHRISTIANITY IN A CRISIS" written by the 1958 class. Mrs. Rosa L. Limp, of Michigan, directed the pageant. Miss Mildred Williams, of Maryland, directed the music for the pageant. Certificates were awarded to those who had attended the Institute four consecutive summers.

States represented were Alabama, Arkansas, Colorado, California, District of Columbia, Florida, Illinois, Kansas, Kentucky, Louisiana, Maryland, Massachusetts, Michigan, New York, North Carolina, South Carolina, Ohio, Oklahoma, Georgia, Texas, Virginia, West Virginia, Pennsylvania.

Officers of the 1959 Student Council were: Mrs. C. M. Pearson, President; Mrs. Laurene Smith, Vice President; Mrs. Lucille Pauley, Secretary-Treasurer; Mrs. Carrie L. Moragne, Superintendent of Sunday School.

State Presidents attending were: Mrs. C. M. Pearson, Georgia; Mrs. Viola Harris, Colorado; Mrs. Rosa L. Kimp, Michigan; Mrs. Ruth E. Price, West Virginia; Mrs. Lurline Trotter, Illinois and Mrs. Lessie H. Fortune, Washington, D. C. Five National Chairmen of the Woman's Convention, Auxiliary National Baptist Convention, U. S. A., Inc., attended.

The Institute closed on a high note, Sunday, July 26th. The following women who attended the Institute four consecutive years received Certificates:

Mrs. Emma R. Anderson, Pennsylvania
Miss Mattie Lee Foster, Georgia
Mrs. Marie Jackson, New York
Mrs. Willie B. Jenkins, New York

The student leaders dedicated themselves to go forth to train others for service and thus put into action their 1959 theme.

A Beautiful Chapel

Our reason for not operating the National Trades and Professional School for Women and Girls, Inc. the full year, for the past two years was that if we did, we certainly could not build the much needed Chapel. It takes all of the income to pay salaries and operating expense.

We have operated full on the Institute and Special Study Conferences Plan. As a result of this, I am happy to report that one of the most beautiful, simple and worshipful little Chapels on any campus is nearing completion and will be dedicated within the next thirty days.

We shall go forward with our full program. The only request we have to make to friends who care are that each one of you will—

1. Make it your business to send us just one fine Christian young woman whose sole desire is to be come a Christian leader in her community or somewhere. The fields are ripe unto harvest.
2. Take a seat in the Chapel. Name plate put on it for Twenty-Five Dollars or help us pay for a piano.

What we have done and built on Lincoln Heights is a lasting credit to Negro Baptist Women.

Virginia Women Celebrate

It was a moving scene in the First Baptist Church, Dr. Theodore F. Adams, Pastor, Richmond, Virginia, when white and Negro women marched side by side down the church aisle singing that immortal spiritual "Great Day!" filled the middle aisle and opened the great program celebrating Twenty-Five years of triumphant trudging in their State-wide program of Interracial Cooperation.

Mrs. George A. Martin and Miss Nannie H. Burroughs were the guest speakers and the choir of Virginia Union University did itself proud in a program of Music well chosen for that great occasion.

No other Southern state has made as much solid progress in the field of understanding, cooperation and appreciation as Virginia. The leaders are the stalwarts in the field of religion, who are not afraid to try to be Christian in human relations. They are making a go of it without cheap fanfare.

They promote programs of Christian education, distribute literature, hold institutes, conduct a Summer Camp, give scholarships and act real natural and at home in interracial gatherings. Nothing of the patronizing, condescension, nose turned up manner.

Woman's Missionary Union of Virginia is interested in the National Trades and Professional School for Women and Girls, Inc., Lincoln Heights, Washington, D. C. and has given five thousand Dollars a year, undesignated. We have used the entire gift in our building program.

The gift this year of Five Thousand Dollars was a tremendous lift of a heavy load, because we wanted to complete and dedicate the Chapel before the end of October. That we shall do.

The Baptist World Congress

The Tenth Baptist World Congress will be assembled in Rio de Janeiro, June 26—July 1, 1960. This Alliance is a voluntary and fraternal organization for promoting fellowship and cooperation among Baptists.

The Rio de Janeiro meeting promises to be the greatest gathering of Baptists ever held. Over ten thousand men and women will come from Africa, Asia, Australia, Central America, West Indies, Europe, South America and North America.

As a member, our National organization will send its representation fee. Other means of representation will be worked out.

The Woman's Department of the Alliance is presided over by our Mrs. George A. Martin, of Virginia. We are a member of the Woman's Department of the Alliance. Those who are going should make basic preparation NOW.

1. Study the country.
2. Learn a little Spanish if you have time.
3. Study "Travel Manners."
4. Make your reservation now.
5. Know the climate and the occasions.
6. Check your wardrobe Lay out the most suitable and the very minimum then leave half of that at home. Beware of too much luggage.
7. The travel is by air, steamer or land. The approximate cost is several thousand dollars.

Choose Capable Representatives

Representation in all Christian meetings should be meaningful. Our connection should be for education, fellowship, understanding and sharing and this must be on the basis of interest and cooperation.

Going to meetings, simply to be going, is ill becoming of Christians who should have high purposes and something of value to contribute to the work of the organization with which they desire to be affiliated.

We wish to make it quite clear that it takes money to run a service organization and those who desire to be affiliated, should see to it that they share in the financial responsibility of the organization and that their respresentatives are capable of making a worth-while contribution to the general program.

Seconding the motion is necessary, but intelligent participation is the first essential We are in the midst of change. We face a crisis and for this situation, we should have representatives who meet basic intellectual and spiritual qualifications; know what they are going to do and how to do it.

Representation without qualifications is useless and a reflection on the entire organization.

For our "1960 PROGRAM," we must push our NATIONAL CRUSADE with even greater vigor and directness. It is our "MUST"—and it is our "MUST" all over America, until we begin to see marked improvement in Negro communities, lawns, homes, conduct and everything that makes for respect and progress.

We are exceedingly anxious to reach and get One Million Women definitely interested and lined up to push this tremendous job. We have furnished FREE material without stint. It is good material and it must accomplish the purpose whereunto it is sent. "CLEAN UP! AND KEEP CLEAN!" is our slogan.

We have appointed Mrs. Wilhelmina Coles of Columbus, Ohio as the National Chairman and we have asked Mrs. Hattie S. Kelly, Dean of Women at Tuskegee Institute, Alabama, to serve as the Co-Chairman. We have a number of women who have already signed up and, the reports from the field show that we are making real progress but we have not touched the fringe.

It is time now that daily newspapers, radio and television will cooperate with us, because we are doing the most practical job of any Negro organization to improve American life, where the problem is most challenging and obvious.

We Must Have Workers—Not Shirkers.

Are there ONE MILLION WOMEN who will give two hours a day, working on some phase of the program of the NATIONAL CRUSADE?

Races Not Related in Things That Make for Real Understanding

All is far from well in the field of race relations in our country. From reports in the daily press and the apparent silence of the American public there is "hush" and "hands off" understanding from the White House to Congress and from Mississippi to Delaware.

Without definite action, the world takes for granted that these citizens and organizations have simply spelled out their position. For centuries God spelled out His love for man through prophets and acts of mercy. The multitude simply became more ungodly and the acts of a few believers less effective. Finally, in Exodus 3:2. He issued a mandate to the few who said words to Him but had not implemented them into action.

Two of our great Baptist bodies have taken forthright positions on the problems but implementation words must become flesh, in order to show the people of both races what those words mean. Even beautiful words are ineffective unless something definite is done in a crisis, such as we face. "Do nothing" is equivalent to aiding the multitude. That verse in Exodus 23:2 says "Thou shalt not follow a multitude to do evil."

In my 1958 Message, I suggested as a definite feature of our overall program, that this Convention seek to arrange a conference with White Baptist and Negro Church leaders. I have worked on the idea all the year. My position is that, after all that has happened, many are the evidences that race relations will not get better on the whole unless we work on an overall program.

Both races are definitely hurt but the Negro catches the brunt of the blow first A conference is the first step to understanding and mapping out the way to progress. Preliminary correspondence is now going on. I have received heart-warming letters from national leaders endorsing such a conference between now and January 1st.

Human Waste and Human Responsibility

From the way it looks on our city streets these days, Hell will have to be enlarged to make room for Church members who like sin, idleness and evil so much that they cannot resist the temptation to join, straight out, sinners in their dens, brothels and dives and walk hand in hand with the devil's best imps down the road to perdition.

Ask the world who are these who neglect their children, husbands, wives and homes and outdo the leading sinners in every evil known to the wicked? Or go to the streets and witness the heartbreaking scenes. Rome at her lowest was not any worse than American slums today at their best. If the Christian ministry and Church member cannot be moved to tackle this problem of human waste, laziness and degenracy then what good is our brand of Christianity and what is the Church for.

Placing the blame, passing by on the other side of the street, moving away and simply talking about conditions is no means of escape from the wrath to come.

Too much money has been put into our churches for them to serve only a handful of people while nine-tenths of the race is going to waste through downright indifference and neglect by those who make their living looking superior as they make their living off of those about whose condition and status they care little or nothing.

The Negro masses can and must be reached, enlightened, enlisted, challenged and inspired. All of this talk about race progress is only whistling in the dark to keep away ghosts. It is glorifying the petty done and ignoring the vast undone If teachers, parents and race leaders had vision, intelligence, interest and deep concern for the people, they would unite in a down-to-earth plan and program that would not only wake Negroes up all over, but would challenge this nation to assume the full responsibility of proving what a democracy can do if and when the leaven is put in the whole lump.

We submit to you that suggested "IDLE HOUR WORKSHOPS" for young people would be a splendid starter. Is there a Christian anywhere in this nation who would underwrite one shop as an experiment? It would pay in human dividends. In God's name, Come on! Let's do something. Millions are, even now, on their way to nowhere but to the dogs.

Day is Breaking Over the Dark Continent

The study book for 1960 is "AFRICA DISTURBED." It is time for this great continent to be disturbed—after centuries of European marauding, exploiting and appropriating.

All books on Africa today are highly informative and challenging. The fulness of time has come. The races of mankind will not be content any longer at being subject races. Domination is out. Christian democratic cooperation is the order of the day.

ON WITH THE LIGHT!
ON WITH THE RIGHT!

Africa must look well to the quality of her leaders, her schools, her trades, her arts and crafts, her religious faith and her dedication to basic character ideals. No "Cush men" should be allowed to get in anywhere.

Africa has the men, the minds, the material wealth and the rugged stamina to get up and get on with building a quality of civilization that will bring glory to God in the earth. Vision, rugged determination and skilled labor of her own will do it.

The following is a list of books that should be studied by every forward looking church or church group.

"Africa Disturbed" by Emory and Myrta Ross
"The Way In Africa" by George Wayland Carpenter
"Adult Guide On Africa" by Edwin Tewkesbury
"The Church's Mission In Town and Country" by Rowend McCutchen
"African Eagle" by James Kwegyir Aggrey
"Get Through or Die" by David Livingstone
"They Thought He Was Mad" by Albert Schweitzer
"How To Use Paths That Cross" by Ethel Schellenberger.

Equality of Opportunity is the Eternal Goal

God made only one race. He has only one plan for its destiny. The Bible and science declare this fact, unequivocally. Then, the major business of God's Church and of democratic governments is to accept the fact of the brotherhood of man and initiate and promote plans and programs that will insure the development and building of brotherhood and justice for all on this planet.

We cannot deny the oneness of the human race and the oneness of human destiny. Putting the emphasis on the whiteness and the rightness of one race and the inferiority of all men who are not white, is not only fictitious but deliberately false. It can bring only endless racial warfare and destruction to the entire world. Men are not going to be mud-sills and puppets any longer without exacting an eternal ghastly and costly toll.

The hour has come when the Christian Church and democratic government must join heart and hand, and clean the world of prejudice and ignorance.

Today, the Nations that call themselves superior got that way by gross exploitation of the races whom they can inferior. Christianity and Democracy were both born to promote brotherhood and justice throughout the world. Neither is living up to its purpose and promise.

Liberty, equality and fraternity are cravings created in the human heart by God himself so that all His children may utilize and enjoy his bounteous provisions.

All members of the human race have the divine gift of native appetite, craving and love. Democracy must stimulate the desire for the full meal. That's what Jesus meant when He said "I am come that they might have life, and that they might have it more abundantly." Snacks will not satisfy man's needs.

We shall not lose out in this race struggle if we decide in our hearts to let nothing stop us in our desire and determination to work until the shackles of injustice are broken.

God wasn't playing when He made man in His own image. Whoever seeks to destroy that image is in danger of hell fire. We are not playing when we declare unto you that we shall not cause God to regret that He took the time and His perfect breath to make us.

Equality of Opportunity to attain unto His high purpose for us is our eternal goal. The weapons of our warfare are—desire, work, faith and unswerving determination to get through to our trust and heritage and possess it.

Write these three words down—IGNORANCE, LETHARGY, INDIFFERENCE and you will spell out the main cause of the present condition of the masses. Practically all of the masses and a majority of the so-called "classes" or educationally and economically advantaged Negroes fall into one or all of these three groups.

The so-called "classes" should be concerned and helpful so as to aid in establishing the upward going of the masses, but they are not.

Let nobody fool you. Race prejudice is not the major cause of the untoward condition of the race. The main trouble is inside the race. If we make up our minds to work on the fundamentals that build human beings—no man—conceived instrument or agency can stay our progress.

Class indifference to mass conditions has contributed largely to the present chaos. Turn this indifference into concern, dedication and dynamic enthusiasm and determined desire for self help and the entire race will be on its way to work and to take its God-ordained place in the galaxy of the progressive races of mankind.

If we do not get from first base, we will at least make A TRY. Even in an effort to reach the Moon, scientists are doing just that.

"What seems to be urgently needed by our world is a peace force drawn from people of every country and race and colour, and from every religion and none, who will be the pioneers of a new and undiscovered country. It will not be an army of bigots and fanatics. But it will be a force that has a divine enthusiasm for tolerance and forgiveness. It will glory in the maximum of uncertainty and doubt on many matters of doctrine, definition and name-calling. It will have no loyalty oath to any race or nation or tribe, to any earthly boundaries or arbitrary limitations, because it will be an army more like a religious order with its citizenship in heaven. . . Such an army will not be afraid of breaking laws that are unjust, or of the methods of boycott and non-cooperation where laws and customs prevent people living in peace and friendship with one another and where they wish to, being educated together and worshipping with one another. . .

The watchwords of this army will be prayer and action. Never one without the other, always together, prayer and action; as from Bethlehem to Gethsemane, its members will never cease from the struggle for right and justice on earth. They will build and work with their brains and their hands for what Lewis Mumford calls "a more co-operative and serviceable civilization."

In this mighty struggle to improve race relations, let us lay aside the weights of doubt, hate and indifference. Let us pray the prayer of the great Franciscan Order—

"Lord make me an instrument of Thy Peace;
Where there is hatred, let me sow love;
Where there is injury, pardon;
Where there is doubt, faith;
Where there is despair, hope;
Where there is darkness, light;
And where there is sadness, joy.
O Divine Master, grant that I may not so much
Seek to be consoled, as to console;
To be understood, as to understand;
To be loved, as to love;
For it is in giving that we receive;
It is in pardoning, that we are pardoned;
And it is in dying that we are born to eternal life."

Therefore, let us selflessly dedicate this Convention to help construct something in America that we can call a Christian civilization. God is for it. Let's join Him.

NANNIE H. BURROUGHS, President

NINTH ANNUAL REPORT OF CORRESPONDING SECRETARY ESTHER WALKER TYREE

President Burroughs, Officers, Members of the Board of Directors, Messengers, and Friends of the Woman's Convention, Auxiliary to the National Baptist Convention, U.S.A., Inc.

Greetings:

I am grateful to the greatest body of organized Christian Women in the world for having had the privilege of serving as an officer for another year and to bring to you an account of my activities since last we met in annual session. I give thanks to our God, whose graciousness has permitted us to assemble to bear witness to Him; and through Christian Fellowship and unity of purpose while here assembled; we will go forth from this place carrying the message of Christ.

IN MEMORIAM

As the years roll on, many of those who were pioneers in the Organization of the National Baptist Convention, U.S.A., Inc., friends to, and workers in, the Woman's Convention, Auxiliary to the National Baptist Convention, U.S.A., Inc., have gone to their reward. The past year has seen the deaths of many whom we held in high esteem and deep regard and affectionate memory. In sorrow at their absence from us, but in gratitude for their lives and their work, let us remember their associations with us.

Mrs R. A. McKenzie—Sarasota, Florida. Co-Chairman of Deacons' Wives.

Dr. A. M. Townsend, Secretary of the Sunday School Publishing Board.

Dr. Wm. H. Ballew, Pastor Mt. Lebanon Baptist Church, Louisville, Kentucky and Host for the Louisville Meeting.

Dr. Ralph W. Riley—former president of the American Baptist Theological Seminary—Pastor, Hopewell Baptist Church, Newark, New Jersey.

Dr. Henry Allen Boyd—Secretary National Baptist Publishing Board, National Baptist Convention of America.

THE OFFICERS

It seems to me that the officers of the Woman's Convention have set a new record of interest and devotion to their respective offices. The spirit of peace and unity exists with each officer undergirding her share of the load with a full measure of co-operation.

The state, district and local meetings I have attended reflect the spirit of the National Woman's Convention.

We are delighted at the way you have responded to our request to send all money to the treasurer, Mrs. H. M. Gibbs. Please do not send any money to the corresponding secretary. We will tell you what we do want you to send me; your name spelled correctly, address (including city and state), and the office you hold, if any. Whenever there is a change of President and Secretary please notify.

We have mailed 4418 letters since the Chicago meeting. To my knowledge, at this time there is not an unanswered letter on my desk. But out of that 4418 letters we had 278 returned because of improper address. That costs money, 4c each. Most of them stated that the addressee had moved and left no forwarding address. One state president has not notified us of her new address. Five new presidents have not notified us that they are presidents—We received information by the grapevine

We can understand that we are a nomadic group, and then with free-ways, expressways—new highways, slum clearance, turn-pikes, etc., more people than ever have had to move Even if you have not moved, but have a new office in your organization, please send your name and address to your Corresponding Secretary, whoever she may be.

HOME MISSIONS

I have a letter-head of the Woman's Convention, Auxiliary to the National Baptist Convention, U.S.A., Inc., before me and it states "Let's get on with the Building of a Christian Civilization." It intrigues me. What does it mean. The first phrase. Let's get on seems to imply that we started at some earlier date to build a Christian Civilization but that we stopped, or slowed down or we have turned our attention elsewhere. Have we become too concerned about the technique of guiding huge missles and sputniks, etc. Are we only interested in earning more money for bigger cars, finer clothes and more extravagant living. We must not forget the cause for which Christ died. we must not forget the objectives of the Woman's Convention, Auxiliary to the National Baptist Convention, U.S.A., Inc. Let us undergird these objectives of Missions and Education with our gifts, our talents our time, our money and a wholly consecrated life. Thus we will build a Christian Civilization.

"The Church's Mission in Town and Country", is our home emphasis for 1959-1960 This particular theme reminds us that a special concern for the people in the town and rural area is most needful at this time. Ever so often something is brought in sharp focus to remind us, the Woman's Convention, Auxiliary to the National Baptist Convention, U.S.A., Inc., that we ought to be permitted to carry the message of Christ to the most neglected woman in America; the Negro woman in rural America Let's get on with the Building of a Christian Civilization in the Rurals.

OVERSEAS

It seems such a difficult task to secure qualified persons to become missionaries. Could it be that we are expecting others to make all the sacrifice and we are not willing to accept a share in providing the means for them to have a decent living, supplies and equipment for their work? Our missionaries run clinics for the sick and aged, hold church services, conduct schools for children, help build school rooms, and churches, help cultivate the land, teach the women and girls to cook and care for their homes.

There is also a new approach to the cause of Christian missions, and we must accept it. We must help the undeveloped countries, the under-privileged peoples and the non-Christian wherever we find them. We must assist them by teaching them to help themselves.

Our colleges and universities must train Christian people and send members of the faculty who are Christian to help in the overseas program. Do you see how meaningful to have the National Trade and Professional School training Nationalist of other countries and returning them for service?

Shiloh Baptist Church, Columbus, Ohio, Dr. James W. Parrish, Pastor, is underwriting the expenses of Miss Verlene Farmer, who will sail in October for Africa. Miss Farmer is at this meeting. This is the first time this church has sent a missionary. I am so grateful because I am a member of Shiloh.

TWO NEW STATES ARE BORN

Alaska and Hawaii having become the 49th and 50th states respectively, also present a missionary challenge. Many changes will be made politically, numerically and economically. A new culture will appear. Will we accept the challenge to assist with the religious need and help them "build a Christian Civilization."

THE INSTITUTE

Several years ago I attended a meeting at Rushville, Indiana. It was reported that 40,000 people attended. There was no building to hold them, so they used the Fairgrounds. People watched the speaker and listened as if he were their "Savior." He inspired them, they left there with a determination to do or die. But their efforts were of no avail because the thing which inspired them was material gain.

But at Washington, the month of July was the time, thirty days—women studied, attended class, prayed, listened. Early in the morning—I mean at 4:00 A.M. and 5.00 A.M. one would hear women and girls up praying and studying the Word of God. Conversationwise the discussions were of the message they had heard, the challenge received or the experience in the Nursing class, always with the look of devotion to the Master on their faces.

Fifty-three persons registered representing 22 states and D. C. Ohio led with 12, New York was second with 6.

A woman or girl who ever attends the Institute in Washington can never be the same. Their lives are so enriched that there will be a change for the better.

FAMILY LIFE

As we visit the churches and conduct workshops and institutes, we find a disorganization of our family life. The church is partially responsible in that we do not have enough "family centered" activities. We know that our recent emphasis has been on age-group activities. We must not have children activities, youth activities, adult activities at the expense of the family as a unit.

The family is the primary social group in our society. While it shares with the church and the school the responsibility for the conserving and transmitting of our culture, our values, and our faith, and for nurturing of Christian persons it more than any other group determines the society we shall have today and tomorrow. The family is the first teacher, the first school of religion.

"Because the role of the family is so crucial we in the church must be aware and we must help the home to be aware of what is happening to the family in a changing environment through such factors as mass communications, family migrations, the increased numbers of working mothers, community organizational pressures and the like." Not only must we be keenly aware of the effects of these pressures on the family—we must be prepared to deal with them in such a way that the unity and inner peace of the family is not destroyed but enhanced.

The churches must concern themselves more actively with the strengthening of families and homes, with more adequate preparing of persons for Christian marriage, and with more thorough-going guidance of families.

The latest year (1957) for which figures are available, juveniles accounted for more than

2/3 of all arrests for thefts
1/2 of all arrests for burglary
1/2 of all arrests for larceny
1/2 of all arrests for robbery.

In 1957 (the figures for 1958 have not been compiled) one out of every thirty U. S. juveniles was arrested for violation of the law.

These figures are of our Christian Church-minded U. S. There are 129 million churched against 45 million unchurched.

We have more money than anyone else, so we spend more. We spend 3.6 billion for religion and welfare, but we spend 6.0 billion for tobacco and 9.1 billions for alcoholic beverages

We have many churches, 306,893, but we have 437,933 places to buy alcoholic beverages. In 1945 there were 2,632,000 alcoholics, today 5,015,000. Since 1950 the population has increased 13%, crime has increased 56.2%.

These conditions exist because of the absence of practice of the Christian faith in the family. The Church must assist the family to become a dynamic Christian force in the community.

THE CAMP

At the Chicago meeting the Board of Directors gave the President the authority to make arrangements for the purchase of a much needed camp. This the President has done.

Ohio can especially see the need because the Women of Ohio have sponsored and underwritten a camp program for the girls of Ohio for twenty-four years.

We know the need of trained workers as camp counsellors. We know the program of the camp will help Ohio. We know the camp program will help all the states.

WHY SEND THEM TO A CHURCH CAMP

by Reynold E. Carlson, Assistant Professor of Recreation, Indiana University, Bloomington, Indiana

1. It helps them become self-reliant
2. It promotes physical development
3. It gives new skills and interests
4. It teaches them to adjust to others
5. It gives them practice in democracy
6. It offers a chance to give service
6. It offers a chance to give service
7. It teaches them to understand others

We will have summer conferences for youth to give them new purposes and new skills in Christian living. (Apologies to International Journal of Religious Education.)

a: They will learn to know and to associate with youth from other churches who have the same aspirations and problems as themselves. They will gain courage and inspiration to live according to Christian standards.

b: They will have their horizons widened. We are always praying and seeking for talented young people to give themselves to Christ. At our conferences, some youth may discover some unsuspected talent that will enrich his personal life and the life of the Youth Fellowship back home.

c: They will study the implications of the Christian faith.

d: They will learn to be leaders.

e: They will make decision for Christian living and many will dedicate themselves to full-time Christian service in some worthy vocation.

THE NORTH AMERICAN BAPTIST WOMEN'S UNION

The executive committee of the North American Baptist Women's Union was held May 15 and 16, 1959 in the Carver School of Missions, Louisville, Kentucky. The following recommendations were made:

Clause 5, Section A of the old constitution contains the sentence "In no case may any officer exceed two such terms in office." After discussion we recommend "A second term be considered only when continuity in office appears to be vital."

Article 8. That the Nomination Committee consisting of three continental chairman and four other members be appointed by the Administration Committee.

That the three continental chairmen be chosen from areas not represented by any of the four otherwise named.

That in succeeding years such continental chairmen be chosen from areas whose chairmen did not serve on the previous Committee.

That the nominations committee seek nominations from each continental area.

Letters of appreciation were read from Europe, Asia, and Africa for grants to assist members in attending the Rio Congress. These grants were Five Hundred dollars ($500.00) to Europe, One Hundred dollars ($100.00) to Asia and Five Hundred dollars ($500.00) to Africa. In addition, Five Hundred dollars ($500.00) has been given to the Alliance Relief Committee.

The Treasurer, Mrs. R. L. Mathis, gave a statement of receipts, expenses, appropriations and the Auditors Report, from June 1, 1958 to April 30, 1959. The receipts of Twelve Thousand Seven Hundred Seventy-five dollars and Fifty-five cents ($12,775.55) included an amount of Five Hundred dollars ($500.00) from the Woman's Convention Auxiliary to National Baptist Convention, U.S.A., Inc.

It was voted to increase the amount allocated to assist officers to attend the Women's Union and the Congress in Rio de Janeiro in 1960 to Five Thousand dollars ($5,000.00). It was also voted that expenses for attendance at the Executive Committee meeting in Rio de Janeiro be in the same ratio as for the meeting in Louisville.

Mrs. George Martin gave a report stating that during the past ten years all the Baptist Women of the world have been organized in area unions.

The Executive Committee was the guest of the Crescent Hill Baptist Church, Rev. Rollin S. Burhans, Pastor, on Sunday May 17 and of the Southern Baptist Woman's Missionary Union Convention, Mrs. R. L. Mathis, President, Monday May 18 in Freedom Hall, Louisville, Kentucky.

The next Executive Committee meeting will be held June 25, 1960 prior to the World Baptist Alliance Congress in Rio de Janeiro.

The next meeting of the North American Baptist Women's Union Congress will be held in St. Louis, Missouri, November 13-15, 1962. The Kiel Auditorium has been reserved and the Sheraton Hotel chosen as Congress headquarters.

OUR HOST CITY

Three times we have held our annual meeting in California but this our first meeting in San Francisco. This is an interesting Port city with its Golden Gate and Oakland Bay Bridge. Cable cars, Treasure Island and skyscrapers atop steep hills. Yes there is the Civic Center, Golden Gate Park, Lincoln Park, the residential sections such as St. Francis Wood, Sea Cliff, and course, Chinatown, the Fisherman's Wharf and Knob Hill. We recall that San Francisco gave birth to the United Nations.

Yes, San Francisco is "One of the world's most unusual cities," states Herb Caen, "gleaming like a jewel on the western shore of America . . . a compact, teeming metropolis of 800,000 people compressed into 44 square miles at the tip of a peninsula, surrounded on two sides by the greatest landlocked harbor in the world and on the third by the boundless pacific."

Sherwood Eliot Wirt in "Crusade at the Golden Gate" states: Nearly every other sizable city in America has been born out of a strong Christian witness which has helped to shape the city's character. But San Francisco has never known that kind of ordered Christian Conscience.

It is true that San Francisco can exhibit as many church edifices at a greater cost than any other city of its age in the world.

But lest anyone think that San Francisco is a city of churches, George West hastens to reassure that "No where in America is there less in evidence the cold theological eye . . ."

Don't you recall that a study was made prior to the Billy Graham crusade and stated in part, "There are many people, non-white and foreign-born whites in San Francisco who are ignorant of the Christian message. There are also many American-born people who have been here a long time and as a result have never had the slightest Christian training. These people are either indifferent or hostile to the church. They are lost and bewildered, they try to escape their problems by dope or drink or money or pleasure, but it never occurs to these that Christ might have the answer."

This could be stated to a degree of many of the cities from which we come. While we are in San Francisco, San Francisco must know, as an outgrowth of this meeting, that we know, we believe and we live—Christ.

There are two things that I shall always remember about this city:

1. The friendship, the hospitality of the women, which we felt even before we arrived and the gracious way in which they have supplied our every need.
2. A song which rings in my heart, that I first heard coming from the Cow Palace during the Crusade of Billy Graham.

Oh Lord my God when I in awsome wonder
Consider all the worlds Thy hands have made.
I see the stars—I hear the rolling thunder,
Thy pow'r throughout the universe displayed.

And when I think that God His Son not sparing,
Sent Him to die, I scarce can take it in;
That on the cross, my burden gladly bearing
He bled and died to take away my sin.

Then sings my soul, My Savior God to Thee,
How great Thou art, How great Thou art,
Then sings my soul, My Savior God to Thee
How great Thou art, How great Thou art.

CLOSING

Again may I say the closing of the year, like the closing of the day, work lying before us unfinished in the shadow of the evening. The close of the day and the dawn of the darkness with work undone. He who has worked faithfully upon his task from the rising of the sun has no regrets.

"DOWN THRU THE YEARS"

Dedicated to Miss Nannie Helen Burroughs, President of the Woman's Convention, Auxiliary to the National Baptist Convention, U.S.A., Inc., as she delivered her 10th Annual Message.

1

Down thru the years, with goals and purpose high,
Have we pressed on to bring the Kingdom nigh,
Down thu the years led safely by the hands;
Of those who heard and heeded God's command.
Down thru the years led safely by the hands.
Of those who heard and heeded God's command.

2

Down thru the years, with grateful hearts to one
Whose life is known by all the work she's done;
Down thru the years, her fame will ever live.
Inspiring all to God their service give,
Down thru the years her fame will ever live,
Inspiring all to God their service give.

RECOMMENDATION

San Francisco, California

President Burroughs, and the Woman's Convention Auxiliary:

We the recommendation Committee beg to submit the following recommendations:

Our great and only leader of the Woman's Convention Auxiliary has challenged us and we recommand a closer articulation and fellowship and complete acceptance of the challenge to help improve American life on all fronts.

Do not wait until some deed of greatness you may do
Do not wait to shed your light afar
To the many duties ever near you now be true,
Brighten the corner where you are.

THE NATIONAL YOUTH CAMP AND SENIOR RETREAT REPAIRS AND IMPROVEMENTS

Work assigned to the various members of the Board of Directors by the National President.

Here are the nine "first things" that must be done. Each members' assignment is as follows:

PROJECT No. 1—CONVERT THE STABLE

(a) Basement—to be made into a Game Room or Ping Pong and other table games.
(b) Second Floor—Public Assembly Room.
(c) Third Floor—Dormitory—partitioned into bedrooms to accommodate two two persons, each. Put in showers, two basins and two toilets.

Have asked Rev. D. E. King to accept this project and secure the assistance of Rev. T. Hadley and Rev. Vaughn. These two fine ministers live in the community and are interested in the Camp.

PROJECT No. 2—OUR PICTURESQUE LAKE MUST BE CLEANED

I am asking Mrs. A. A. Banks to accept this project. As a citizen of Michigan, I believe she can interest the Governor of the State and the Parks, Lakes and Rivers Commission in getting this project done.
It is significant that State property adjourns ours and the State should, therefore, have mutual interest in putting the lake in satisfactory condition.

PROJECT No. 3—THE DRIVE into the grounds SHOULD BE ASPHALTED

to get rid of dust near the Motel and other buildings. I am asking Rev. James B. Cayce, of Pittsburgh, to accept the responsibility of covering the driveway.

PROJECT No. 4—GOLF COURSE AND PLAYGROUND

We must have a Golf Course on the lake side and a Playground on the Motel side. These projects must be adequate and modern. I am asking Mrs. Trudie Trimm to accept the responsibility of getting this project done.

PROJECT No. 5—TENNIS COURT AND WIRE FENCES

We are assigning this responsibility to **Mrs. Bertha C. Winston.**

PROJECT No. 6—PAINT FOR RECONDITIONING AND SWIMMING POOL

Secure paint for all buildings inside and outside. Mrs. Zee Anderson Barron is requested to secure gifts for the reconditioning and to be responsible for gifts to put the swimming pool in first class condition.

PROJECT No. 7—GROUNDS EQUIPMENT AND TOOLS

Tractor—Lawn Mower—Ploughs—Axes—Shovels and Spades Cross Cut Saw and other Saws.
This Equipment Project is an assignment to the **Young People** themselves under the direction of **National and State Directors.**

PROJECT No. 8—FIRST AID ROOM AND FELLOWSHIP SHELTER

Convert the 4-car garage into an Emergency and First Aid Room and the Ice House into a Fellowship Shelter for Bible games.
Mrs. Zoie Smith is responsible for transforming the garage into a First Aid Emergency Room and the Ice House into a Fellowship Room—with patio.

PROJECT No. 9—GENERAL IMPROVEMENT AND OPERATING FUND

We shall need FIVE THOUSAND DOLLARS for labor and other services. We are asking each Friend who is interested in providing a National Camp for Christian Young People to contribute at least Five Dollars **EACH,** to the 1960 General Improvement and Operating budget.

Easter Week, 1960 will be known as —"NATIONAL YOUTH CAMP WEEK." By this time we must have all repairs and improvements well under way.

We can do every bit of this work if the people in our churches are really interested in the Young People who are the Leaders of tomorrow.

1. Decide which project or projects you are most interested in.
2. Decide how much you are going to give.

3. Think of some other persons and interest them.
4. Get your Pastor, Church and Missionary Society to make gifts to the project or projects of their choice.
5. Get the contributors to sign the enclosed cards and send the cards to the person whose project you are supporting.
6. Send all contributions to the National Treasurer:

Faith in God, vision, unselfish interest and Christ-like attitudes are the keys to our mighty program and responsibility.

She closed by saying, "My heart, mind and spirit will be with you every day and hour, and God shall give us a great victory during this Conventional year."

Sometimes she has to send the minister the letter about them and some never send a good check to pay for the bad ones.
(5) Mrs. Florence Alexander of Mississippi, stated how the committee plan had helped them but they are having one difficulty: How can you get the National Committee Chairman to recognize members who have paid to the treasurer? She said that they did not recognize or honor their receipts. Mrs. Ross said that there was no reason why they should not recognize them. So Mrs. Gibbs suggested that that member take her receipts to Doctor Burroughs and she would straighten that chairman out.

Mrs. Gibbs further stated that Rev. Hill of 2nd Mt. Sinai of Ohio has not sent money for bad check, therefore the society is not represented.

59. Receipts were distributed.

60. Mrs. O. P. Captain, 206 S. Blake Street, Lake Charles, Louisiana, gave $2.50 to the general operation fund for the treasury after hearing the treasurer say that they were low in a previous discussion. She gave it as a donation from Calladen Missionary Baptist Association Woman's Auxiliary.

61. An additional financial report was made after the secretary reported six more registration bringing the total registered to 216 instead of 210, and other monies made a total of $2016.75.

62. Mrs. B. C. Winston brought greetings from the Young People's Department and assured us that their interest was in Kingdom Building. She spoke of their concern for putting a wire fence and a tennis court at the National Youth Camp. She further brought greetings from our National Director, Mrs. Etta Versa Frye, to whom she had communicated with over the telephone the night before. Physically, she was just about the same.

63. The First Vice President asked the Recording Secretary to make a statement about the minutes. Mrs. M. T. Seward asked the ladies to please see that their missionary presidents take time to fill out their letters properly for there are many letters this year without names of persons, churches, cities or states, which makes it difficult to give proper credit to the church sending the money.

64. Mrs. B. C. Winston asked the question as to whom she would send the young people's program from the Philadelphia meeting. The answer was, "To Dr. N. H. Burroughs."

65. It was announced that the Institute would be held July 5-31, 1960 at the National Trades and Professional School, Washington, D. C., and are invited to attend.

66. Mrs. Mary O. Ross asked for at least two people to give some thought to improving the enrollment.

(1) Mrs. Wilhelmina Cole of Cleveland, Ohio suggested that our money be sent to the treasurer for early registration; that the programs be sent to the treasurer so she could mail them with their receipts to avoid standing in a line so long.

(2) A second suggestion was to have systematic lines for registrations. Have a line for those who had sent in earlier registrations seperate from the others.

(3) A third suggestion was to have separate windows for the different types of registrations.

(4) Rev. Davis of Michigan suggested that we use machines to eliminate the "Egg Scramble."

67. It was announced that Mrs. Sallie F. Ming, Chairman of Secretarial Service was ill in her home and had been for six months, by Mrs. Sallie P. Robinson. She gave her new address as 4540 Prairia Avenue, Chicago, Illinois, and asked us to sent her a card.

68. A rising vote of thanks was given to show appreciation to our vice presidents who had carried on so well during this Executive Board meeting.

69. Mrs. Ross announced that Mrs. Abbie White had taken sick in St. Louis and was sick there in Hot Springs. She is a member of the Second Baptist Church in Detroit, Michigan. She further announced that the husband of Mrs. A. M. Hunt was ill why she did not come to the meeting, and asked all to pray for them.

70. It was announced that the financial report was $2017.75 at this time.

71. The presence of Rev. Sandy F. Ray was recognized by Mrs. M. O. Ross.

72. Mrs. Vivienne Penick, former Secretary of the Woman's Convention, was asked to come forward to bring greetings. She brought greetings from the Pacific Northwest and the President, Mrs. Ethel Smith. She suggested that we send the President a Card Shower from the Board meeting.

73. Greetings were further brought from Mrs. Corenne Watts, Southern Regional Director of the Young People's Department who is making her home at 778 Santa Ray Avenue, Oakland, California. Her membership is in the First Baptist Church, Bay View, California.

74. Mrs. E. Arlington Wilson, the Historian, brought greetings, also.

75. An announcement from the Minister's Wives Committee was made by Mrs. I. S. Powell of Pencacola, Florida.

76. Mrs. M. O. Ross asked us to go away remembering the worship experiences.

77. Recognition was given to the United Church Women Presidents who were present. The President of the Atlantic Church and the United Church Women of Michigan, Mrs. Jesse Jai McNeil were presented to make remarks. The latter brought greetings and assured us that she would help Mrs. Ross make her trip to Rio.

78. Mrs. Ross asked that we stand and sing God Be With You as a closing song, and join hands around the room.

79. Prayer and Benediction was offered by Rev. Sandy F. Ray of New York.

"DOWN THRU THE YEARS"

Dedicated to Miss Nannie Helen Burroughs, President of the Woman's Convention, Auxiliary to the National Baptist Convention, U. S. A., Inc., as she delivered her 10th Annual Message.

1

Down thru the years, with goals and purpose high,
Have we pressed on to bring the Kingdom nigh,
Down thru the years led safely by the hands;
Of those who heard and heeded God's command.
Down thru the years led safely by the hands,
Of those who heard and heeded God's command.

2

Down thru the years, with grateful hearts to one
Whose life is known by all the work she's done;
Down thru the years, her fame will ever live,
Inspiring all to God their service give,
Down thru the years her fame will ever live,
Inspiring all to God their service give.

Tune:—"Be Still My Soul"

Written by Mrs. Mary O. Ross
