REVISED CONSTITUTION OF THE NATIONAL BAPTIST CONVENTION, U.S.A., INC.

PREAMBLE

Whereas, it was the sense of the Negro Baptist of the United States as represented in several Baptist organizations convened in Atlanta, Ga., September 28, 1895, and known as the Baptist Foreign Mission Convention hitherto engaged in Missionary work on the West Coast of Africa; the National Baptist Convention which had been doing missionary work in the United States; the National Baptist Missionary work on the West Coast of Africa; the National Baptist Convention that these organizations should unite into one organization for the purpose of putting into effect the benevolent intentions of their constituents by eliciting, combining and directing the energies of denomination: therefore said organizations did unite and agree upon certain fundamental principles of organic rules, which as amended from time to time, are as follows:

ARTICLE I—NAME

This organization shall be known and styled as the National Baptist Convention of the United States of America.

ARTICLE II—OBJECT

This Convention by uniting Baptist churches and other Baptist organizations, such as may desire an organization of this kind, shall undertake to promote home and foreign missions; to encourage and support Christian education; to publish and distribute Sunday school and other religious literature; and to engage in whatever other Christian endeavor is required to advance the Redeemer's kingdom throughout the world.

ARTICLE III—MEMBERSHIP

Section 1. The membership of this Convention shall be representative, annual and life.

Section 2. Representative membership shall be composed of messengers from churches, associations, district conventions and state conventions all known to be in harmony with the purpose of this Convention. These organizations shall pay into the treasury of this Convention sums as are set out in sections of this Article.

Section 3. Basis of Representations. (a) Churches with 200 to 500 members, \$25.00; 500 to 1,000 members, \$35.00. (b) Churches above 1,000 members, \$50.00 paid in as representation, not to exceed two messengers. (c) District State Convention, \$50.00. (d) Associations, \$35.00.

Section 4. Life Membership—Any person who is in good and regular standing in any Missionary Baptist church that is a member of this Convention may become a life member by the payment of the sum of \$200.00 into the treasury of this Convention.

Section 5. Annual Membership—Any person who is a member of a church that is in good and regular standing with this Convention may become an ANNUAL member of this Convention by payment of the sum of \$10.00 into the treasury of this Convention. Said ANNUAL member may engage in the discussion of the Convention but not vote.

Section 6. Associations and State conventions shall elect their messengers to the National Convention in their annual meeting preceding the Con-

vention and certify said messenger to the secretary.

Article 3 would be so amended that section 7 would read as follows:

"Since the convention is primarily a fellowship, and since the fellowship owns the corporation, membership in the fellowship does not give to any individual member or group of members equity or special property rights in the assets of the corporation. The annual representation fees are designed primarily to carry the expenses of the convention and to help in its work in general and cannot be construed as capital investment in the corporation.

Section 8. The question of the rights and privileges of membership are settled only by the convention itself or its Board of Directors in the convention's absence.

Section 9. No member or group of members of the convention shall have the rights to use the civil courts to settle matters regarding membership rights and convention procedures. In these matters the convention itself is the supreme court from which there is no appeal. The majority vote of the fellowship is therefore binding on the individual, the convention and corporation itself.

ARTICLE IV

Voting in this convention shall be by the delegates assembled without reference to member organizations, states or sections of the country, and shall be by voice, or show of hands, or standing.

ARTICLE V

OFFICERS AND THEIR ELIGIBILITY

"Section 1. The officers of this Convention shall be a president, a vice-president-at-large, four (4) vice-presidents, and a vice-president from each of the states and territories from which messengers to this Convention may come, a secretary, four (4) assistant secretaries, a treasurer, a statistician, a historiographer, an editor and an attorney, all of whom shall be selected at each annual meeting of this Convention and shall hold office until their successors shall have been elected."

Dear Brethren: April 5, 1886, an open letter to the Baptist clergy and laymen was issued by Rev. Wm. J. Simmons, an American Baptist, asking if we should have a National Convention to discuss questions of interest to our beloved denominations. At that time the following reasons were given:

1. To promote personal piety, sociability, and a better knowledge of each other.
2. To be able to have an understanding as to the great ends to be reached by the denomination.
3. To encourage our literary men and women, and promote the interest of Baptist literature.
4. To discuss questions pertaining especially to the religious, educational, industrial, and social interests of our people.
5. To give an opportunity for the best thinkers and writers to be heard.
6. That, united, we may be more powerful for good and strengthen our pride in the denomination.

Having been solicited to write the Call by many whose names and endorsements are here unto affixed, the Call is hereby made by their advice and solicitations for said convention to meet in St. Louis, Mo., August 25, 1886, 10 o'clock a.m., in the First Baptist Church, and the pastor thereof is hereby requested to serve as a Committee of Arrangements, with power to select his associates.

Wm. H. Steward, Louisville, Ky., and Rev. R. H. Cole, 2609 Goode Avenue, St. Louis, are hereby requested to serve as a Committee on Transportation.

WM. J. SIMMONS.

The chronological report in our National Baptist Minutes is hereby corrected, viz: The parties as they appear below were officers of the Foreign Missions or National Educational Conventions, as were their predecessors. Said conventions merged into the National Baptist Convention in 1886 or met co-jointly with it, or otherwise.

SOME RECOMMENDATIONS ADOPTED BY THE BOARD OF DIRECTORS OF THE NATIONAL BAPTIST CONVENTION, U.S.A., INC.

Cooling the Long Hot Summer of Malcontent
With Justice and Goodwill

June 16, 1965, Tulsa, Oklahoma

The National Baptist Convention, U.S.A., Inc. is now and has always been committed to First class citizenship. It deplores the long delay on the part of our Country in granting full equality of opportunity to all Americans, and laments the evil effect of racial segregation and discrimination on all Americans. Therefore, in the interest of complete freedom and understanding, we recommend the following:

- I. That the people of this Nation will commit themselves whole heartedly to the full freedom of opportunity to all, in every area of life and do it now.
- II. That all Americans will dedicate themselves anew, to the task of respecting, upholding, and obeying, the just laws of the land.
 - (a) When a local law is in conflict with Federal Law, we would employ the available and prescribed method of correcting the same, that is, through the courts of the land.
 - (b) If there be any aspect of the Nation's Life that is not justly and adequately dealt with through the present provisions of the Federal Constitution, that the necessary amendments should be sought and adopted.
- III. While we support the American right to meet, and to state a grievance, freedom of assembly, and the freedom to protest a wrong, we seriously question all unlawful demonstrations that tend to do the following:
 - (a) Disrespect Government Officials as well as fair law enforcement Officers and the just Laws of the Land.
 - (b) Substitute demonstrations as the only method of correcting the evils of society and the errors in Government.
 - (c) Disregard the rights of others and seek to punish the innocent while attempting revenge on the guilty.
- IV. That public Officials and law enforcement officers will deal with demonstrators (legal or illegal) justly, and in a humane spirit, seeking always to uphold the laws and to protect the lives and property of all Americans.
- V. That no leaders or groups will seek to become dictators of the lives, thoughts, wills, and actions of all the people without allowing the people the freedom to accept or to reject their methods, and the right to evaluate their strategy. They must not directly or indirectly inflame the people by false hope or by suggesting violence.
- VI. That the struggle for Civil Rights shall be carried on not as a fight of Negroes against Whites, but as the struggle of all Americans to help remove the social evils and the unAmerican ideas and practices from this Nation's Life.
- VII. That those leaders and groups that insist on breaking the laws of the land shall be dealt with accordingly. Without any threats to other individuals

MINUTES

and members of said groups who are not involved in the acts of violation. For the errors of one individual or group of individuals shall not be laid to a whole race, or social group, and the penalty for the same levied against them.

VIII. That the Civil Rights campaign must be carried on in such a way that envy, hatred, strife, ill will, and the spirit of revenge will not take the place of the high ideals of social concern, love of country, goodwill, and the desire to build greater unity in the Nation as a whole, by building harmony and understanding among the neighbors in their respective communities.

IX. That we strongly urge all groups and all races in the United States to put the preservation of freedom, justice, goodwill, and the preservation and security of the soul of the Nation first, in all their efforts to secure their share of the good things of our democratic society.

X. That the Christian Church will not desert her true mission of Christian love, and her God given task of the salvation of all men and become a men protest organization, for protest organizations as well as those who would deny other men their Constitutional rights, need the influence, message and sustaining power of the Christian Church.

THE ANNUAL REPORT OF SECRETARY T. J. JEMISON TO THE EIGHTY-
FIFTH ANNUAL SESSION OF THE NATIONAL BAPTIST CONVENTION,
U. S. A., INC., MEETING IN JACKSONVILLE, FLORIDA

September 7-12, 1965

To our honored and esteemed President, Dr. J. H. Jackson, Dr. E. Doyle Billoups, our beloved Vice President-At-Large, and my State President, other members of the Official family, Delegates, and visiting friends of the National Baptist Convention, U.S.A., Inc. I am humbled beyond expression to be permitted once again to give an account of my Stewardship as your Secretary.

We have come again to the great state of Florida. Yes, I remember Florida well for when we met in Jacksonville last, in 1936, I was about ready to enter my Senior year in high school at Selma University. Then it was in Miami, in 1953, in the Dinner Key Auditorium early on Friday morning that I was elected to this high and important position. Yes, I remember Florida well.

I am happy to report to you this morning as your Secretary, that the fiscal affairs of your Convention are in good shape. The business of your Convention is being transacted in a very business-like manner. Reports that will follow this one will reflect progress in every area in which we are concerned.

You will be happy to know that we have paid our financial obligations as a Religious Body in the Baptist World Alliance, and the World Council of Churches. Speaking of the Baptist World Alliance, permit me to express my profound appreciation to you again for sending me to the Alliance as one of your official delegates.

It was a great meeting and many of you will attest to this fact. Our President played a leading role in the Alliance, serving as a member of the Nominating Committee. For it was on this Committee, that the nomination, that started in our Board Meeting, was completed and the Reverend Dr. William R. Tolbert, Vice President of Liberia, was elected President of the Alliance.

On the Sunday morning of this gathering of Baptists from around the world, Our President, Dr. Jackson, held a standing room only crowd spell bound as he preached on "The Relevance of Jesus." It goes without saying that he moved this vast audience as only he can. As I sat on the Platform with Dr. E. Doyle Billoups, Dr. E. A. Freeman and other officers and members of our Convention, one felt a deep sense of pride in being An Incorporated Baptist.

As your Secretary, I had very stimulating visits to several of our State Conventions, churches and ministers' conferences. The United Baptist State Convention of Maryland, Dr. W. H. Thompson, President, The Arkansas Consolidated Convention, Dr. F. T. Guy, President—Two visits to the Arkansas Baptist College, Little Rock—Week of Prayer and Commencement. Dedicated the New Headquarters for the Baptist Ministers' Conference of Detroit and Vicinity, Dr. C. H. Williams, President was also his guest on the following Sunday morning at St. Mark. In New York recently we shared with the Mt. Olive Baptist Church and the Ministers' Conference of New York and Vicinity—Dr. W. E. Gardner, President.

We wish to take this opportunity once again to thank Dr. D. C. Washington for his cooperation in getting the Minutes of the Convention printed. If you have not received a copy, please let me know by sending a post card to my office in Bates Rouge, and you will get one promptly.

We were given the regular allotment for the operation of this office—\$5,400.00.

Respectfully submitted,

T. J. JEMISON

ANNUAL REPORT OF THE SUNDAY SCHOOL PUBLISHING BOARD

NATIONAL BAPTIST CONVENTION, U. S. A., INC.
 330 CHARLOTTE AVENUE, NASHVILLE, TENNESSEE
 D. C. WASHINGTON, EXECUTIVE DIRECTOR

President Jackson, Officers, Members of the Board of Directors, and Messengers assembled here in the city of Jacksonville, Florida, I am pleased to submit the Annual Report of the Sunday School Publishing Board, for the fiscal year ended June 30, 1965.

"O Zion, haste, thy mission high fulfilling,
 To tell to all the world that God is light.
 That He who made all nations is not willing
 One soul should perish, lost in shades of night,
 Publish glad tidings, tidings of peace;
 Tidings of Jesus, redemption and release."

In full acceptance of this Christian challenge, the National Baptist Convention, U. S. A., Inc., shortly after its inception, organized the Sunday School Publishing Board, and delegated to it the responsibility of extending Religious Education through the printed word.

During the past year, your Sunday School Publishing Board published over three million pieces of religious literature, which were distributed throughout every state of the union, as well as in the South and Central Americas, the British West Indies, and parts of Africa.

While this is a gratifying distribution figure, we are entirely cognizant of the fact that many of our churches do not purchase any of their Sunday School material from us. Of the churches who do patronize us, either by direct ordering from the Board, or through our Branch Stores and Distributors, a great number buy only a portion of our literature. The Sunday School Publishing Board can fulfill its chartered purpose of providing our Convention constituents with doctrinally sound literature, if we receive your full support. In appreciation for your loyal cooperation, we pledge our continued efforts to produce progressively improving materials.

Publishing is a tremendous task. The transformation of an idea into a book requires the concerted energies of a large number of dedicated

persons. First, after educational and spiritual preparation, the writer must be inspired to crystallize his thoughts in written form. Next, the editorial department must check the authenticity, literary style and format, before the material can be given to the production department, where it goes through a number of expensive technical processes from which it emerges "a book." Nor is this the end of the story—for the sales department must market the product, and the accounting department must control cost and basis for financial judgment. Management brings together the personnel, materials, machinery and capital required to give birth to publication, for without each of these components, there would be no book.

The employed personnel of the Sunday School Publishing Board is both loyal and efficient. We have an informed Corporate Board, who under the leadership of our conscientious Chairman, work closely with the Executive Director in policy making, and with the General Board in promoting better public relations.

The invasion of death in our ranks causes us to pause and give due recognition to those who left us during the past year. We suffered several shocking losses. Dr. L. A. Bowman, Sr., long time Treasurer and Fiscal Agent—a tried friend and warm companion; Dr. Jesse Jai McNeil, Director of Publications, a prolific writer, dynamic editor and most cooperative fellow laborer; Dr. Vernon Johns, writer; Dr. B. Washington Coates, Board Member, and many others. The passing of these yokefellows left a void that only time will erase.

For the purpose of brevity, our work for the past year may be summarized in four phases: The Editorial and Christian Education Division, Financial Management, Public Relations, and National Baptist Convention, U. S. A., Incorporated, Objectives.

THE EDITORIAL DIVISION

Our Editorial Offerings are based on sound Baptist doctrines. While our study curriculum and material are addressed to current socio-religious confrontations, they are also fundamental in New Testament Concepts. Some of the leading minds in our nation prepare the Sunday School Publishing Board's manuscripts, and their erudition is reflected in the quality of our materials.

The Editorial Division of the Board, along with conducting its routine activities in publishing quarterlies, commentaries, and other Christian Education helps, did produce and publish a new study guide for the Sunday School and B. T. U. Congress, National Baptist Convention, U. S. A., Inc. Several brochures and publication tracts were developed and distributed along with promotional material for the first session of the National Baptist Leadership Convocation.

PROGRAM SERVICES

The entire Church staff must understand its role in accomplishing the goal of Christian Education. "When Christians cease to learn, they cease to grow." Just as secular educational standards are constantly being upgraded, so must our Churches accelerate their efforts in the promotion of stimulating leadership education programs which will inspire young people to stay with the Church.

The Sunday School Publishing Board provides the necessary resources for the development of continuing programs of Christian Education. As the Accrediting Agency for the National Baptist Convention, U. S. A., Inc., we offer a well planned, in service program of leadership training which enables our entire constituency to make simultaneous progress.

The statistical report of the Christian Education Department for the past year is as follows:

MINUTES

Leadership Schools Accredited	441
Deans Certified	64
Instructors Certified	1,474
Course Cards Issued	38,616

Certificates of Progress

First Certificates	253
Second Certificates	189
Third Certificates	90
Certificates of Achievement	6

Our denominational focus must ever emphasize "An Informed Membership." The Christian Education Department of the Sunday School Publishing Board continues to place its heaviest investment in revitalizing and enriching the Program of Religious Education through local Churches, District, State and National Congresses.

FINANCIAL MANAGEMENT

Our Board operates under a Cost Control System. Costs in a manufacturing enterprise are never static, but are subject to continuous fluctuation, caused by operational changes. There are numerous conditions that affect operations in any given period; a number of these are unpredictable, yet they are major factors in the financial forecast. Production costs, marketing and administrative expenses, public relations and profits are all enveloped in the Budget.

During the past year, we have operated within the framework of the Budget approved by the Corporate Board, at its Annual Meeting, October, 1964. Although Manufacturing Costs increased about 8 per cent over last year, we have not yet increased the prices of our materials. We have sought to do our work conscious of the sharp seasonal peaks and valleys in Church activities, both of which reflect in our sales and collections. We have put forth strenuous effort to improve the quality of our production. Our capable departmental Supervisors have been mindful of work measurements and cost standards, and have turned out representative work in spite of antiquated machinery.

In some of the areas where the equipment is old and limited, we will be forced to begin the installation of modern machinery. Keen competition from larger Publishing Houses indicates that it is more expensive not to buy new equipment than to buy it. The demand for color in our materials has made a new 2 or 3 Color Press an absolute necessity if our work is to compare favorably with that of other Publishers.

We are fast coming to grips with other factors involved in quality production and distribution. The Board is now faced with the tremendous task of analysis, planning, coding, conversion and upgrading of personnel as well as all other essentials of a successful business. We are cognizant of the fact that we are neither isolated nor insulated from the world about us. Increasingly, we realize that local, state, national and international developments exert an important influence on our growth and our survival. New Job Opportunities are being offered and our competent personnel must be provided with sufficient incentive to remain in the employ of the Board; at the same time, our job descriptions must be favorable enough to attract other capable people.

We recognize the need for additional high level personnel, but the difficulty in securing and holding good people lies mainly in relationships and economics. When prospective employees consider our pay scale, their interest wanes, especially when employment requires the establishment of residence in Nashville. When experienced applicants consider job security and other benefits they must give up to come to the Sunday School Publishing

ing Board, especially since there is no long term agreement involved in the proposal, they reluctantly decline employment. This has had the effect of narrowing the field of competent applicants, but we are working diligently at this point.

The attached Audit Report of the Sunday School Publishing Board, by Jesse B. Blayton, Certified Public Accountant, says:

"The current ratio of current assets to current liabilities of 3.6 to 1 as compared to 2 to 1 for last year, must be considered highly favorable and as an indication of continued growth."

"The records of this Board compare favorably with those maintained by the leading manufacturing corporations of America."

We enjoy a favorable relationship with the Banks and our Creditors. We are continuing to retire our long term commitments as per schedule, but will have to seek outside financing for needed equipment. Eventually we must expect to move our mechanical department out of the heart of the downtown Capitol Hill Redevelopment Area, and into a more suburban location. Fortunately, we already have a building site where an adequate structure which would house the production department and afford needed storage space could be erected. Our present location could continue to be used as an office building, with additional units available for rental income.

PUBLIC RELATIONS

We have sought to foster an effective program of Public Relations. In this connection, we have been fortunate in having dedicated Board Members who have helped to "Tell the Story" in their own communities. Invitations to appear at your Regional or State Meetings give us an opportunity to interpret our program. We will be pleased to send representatives to your meetings or to conduct Area Workshops, upon request.

During the past twelve months, representatives of the Christian Education Department have visited the following states:

Tennessee, Georgia, Alabama, District of Columbia, Pennsylvania, Ohio, Michigan, Oklahoma, Arkansas, Missouri, Florida and Mississippi.

Our Chairman, Dr. W. T. Crutcher, and the Executive Director were Messengers to the Baptist World Alliance in Miami, Florida, in July.

J. Robert Bradley, our Music Coordinator, appeared in Alabama, Tennessee, North Carolina, Missouri, New York, District of Columbia, Massachusetts, Louisiana, Kentucky, Oklahoma, Illinois, and Texas.

We are very pleased at his splendid performance as Guest Soloist, Song Leader and Music Coordinator at the Baptist World's Alliance. This marked his fifth opportunity to serve in this manner.

Mr. Bradley's services are available for your State Sunday School Congresses, or other Conventions, as a service of the Sunday School Publishing Board.

May we take this opportunity to thank you, our Patrons, for your past cooperation, and to enlist your continued support, as we humbly rededicate ourselves to the task presented in these closing lines:

"Proclaim to every people, tongue and nation,
That God in whom they live and move is love;
Tell how he stooped to save his lost creation,
And died on earth that Man might live above.
Publish glad tidings, tidings of peace;
Tidings of Jesus, redemption and release."

Further, that the accounting and reporting was done in a manner consistent with that of the year next preceding. In the conduct of this audit, the sampling process was employed to the extent which we thought required.

Respectfully submitted,

COMMENTS

The books and records of this board are maintained in accordance with best standards of organizations of its type. Your auditor observes that this board has difficulty in commanding short-term loans from banks. It is your auditor's opinion that this difficulty might be overcome if the Convention were to deed the Nashville property now used by the Sunday School Publishing Board to it, or make a lease of the property to the Sunday School Publishing Board retaining title in the Convention. This lease might be for a period of years, say, 25 years, or such other period as the board of directors of the Convention might select.

It will be observed that there appears in the assets of this board an amount due from the Morris Memorial Building which is in fact the National Baptist Convention. This asset could be, by the lease method, converted into an asset which would be recognized by lending institutions for credit purposes. Moreover, the Sunday School Publishing Board could pledge its interest in the property as represented by the lease for short-

term credit. It will be observed, also, from the statements contained here, that the annual sales of this board approximate \$900,000.00. It follows then that short-term credit in amounts ranging from \$50,000.00 to \$100,000.00 would be normal for an institution of its kind, competition considered.

The president of this Convention asked your auditor if depreciation were a necessary item in the profit determination of business boards and agencies. It is the opinion of your auditor that depreciation is a legitimate expense and necessarily a profit determinant. Notwithstanding this conclusion, in theory, your auditor has casted up a consolidated revenue statement in the usual manner and at the same time, one which deletes depreciation. The former has been used in net worth determination.

It will be recalled that the old National Baptist Convention bonds have been kept alive by periodic resolutions of the National Baptist Convention, U.S.A., Incorporated, only for the purpose of providing a means whereby the Sunday School Publishing Board may make short-term borrowings from banking institutions. If the sale, or lease arrangement, suggested above were to be implemented, the bonds could be cancelled; hence, no longer operative.

This unit of the National Baptist Convention, U. S. A., Incorporated is a Tennessee corporation. Its charter is rooted in the National Baptist Convention, U. S. A., Incorporated. This board is under the supervision of a board of directors approved by the National Baptist Convention. Its management is under the control of an executive committee composed of a chairman, executive secretary, a treasurer and one other member. Its active managing officer is its executive directors. The board is well managed.

We were singularly impressed with the adequacy of the internal control of the Sunday School Publishing Board which was evidenced by accounting and financial records properly designed, efficiently operated and by efficient company personnel whose duties were effectively segregated.

The financial condition of your company is revealed by the comparative balance sheet for years ended June 30, 1964 and 1965 as shown by Exhibit A. Although there is a \$26,662.14 decrease in net worth, the liabilities have decreased by \$107,636.67. The current assets increased \$14,835.28. The current ratio of current assets to current liabilities is 3.6 to 1 as compared to 2 to 1 for last year must be considered highly favorable and as an indication of continued growth.

Results of operations as shown by Exhibit C shows a decrease of \$22,031.88. The significant changes were a 1 1/2% decrease in sales and an 8% increase in Cost of Sales. There was an overall increase in General and Administrative expense of \$9,374.73. This increase was almost entirely offset by a net decrease in selling expense of \$5,217.10.

All bank accounts were reconciled and confirmations checked. Accounts Receivable decreased by \$11,230.76; however, uncollectible accounts totaling \$14,718.35 were written off which materially decrease the amount considered uncollectible in previous audits. We requested confirmations for approximately 67.8 per cent of the total dollar value of accounts receivable. The notes receivable were examined and the account analyzed. Entries were traced to the proper journals and the supporting documents verified. Physical inventories were taken by employees of the Sunday School Publishing Board under the supervision and instruction of management. We reviewed the method of inventory and test checked the inventory sheets. The inventories were increased by \$32,249.31.

Fixed assets increased by \$17,208.85. Cuts and mats showed the most significant increase. An analysis of prepaid expenses satisfied us that the computations are proper.

A decrease of \$19,362.72 in accounts payable and a decrease of \$88,147.00 in notes payable is gratifying and represents the major application of the net profit for the year.

The records of this board compare favorably with those maintained by the leading manufacturing corporations of America.

THIRTY-FOURTH ANNUAL REPORT OF THE HOME MISSION BOARD
OF THE NATIONAL BAPTIST CONVENTION, U. S. A., INC.,
CHARLES P. HARRIS, D. D., COR. SECRETARY
SUBMITTED IN THE EIGHTY-FIFTH ANNUAL SESSION OF THE
CONVENTION, JACKSONVILLE, FLORIDA

WEDNESDAY EVENING, SEPTEMBER 8, 1965

President Jackson, Chairman Cleveland, Fellow-Workers of the Home Mission Board of the National Baptist Convention, U.S.A., Inc., Delegates and Visitors to the Eighty-Fifth Annual Session of our great Convention:

As the Corresponding Secretary of the Home Mission Board of our beloved Convention, it again becomes my responsibility and privilege to report to you on the Home Mission phase of our Denominational work for the year 1964-1965. Indeed it seems but a brief few weeks ago that we reported to you on our work in Detroit, but, "Time marches on" and here we are again gathered together, this time in beautiful and balmy Jacksonville, Florida again to review before you some of the doings of the Home Mission phase of our Convention's over-all program during the year just ended, and to preview for you some of the Board's hopes, aspirations and plans for the fiscal year into which the swift wings of time will soon take us.

The task of Home Missions is not one of per se glamor or of built-in attraction. It adds but little to either one's prestige or purse to be numbered among the workers of the Home Mission Board, which has long since been regarded and oftentimes treated as the "stepchild" of our great Baptist Family. The Home Mission Board has but little to offer by way of remuneration, prestige or status as an attraction to draw workers to its ranks and therefore must recruit its workers from among those who are primarily if not solely interested in the great task of missions on the home field and the fostering of the Kingdom of God right here in America as well as in the far reaches of the world. It goes without saying that the recruiting of unselfish workers, whose sole interest is the Kingdom is not an easy task and that efforts at such recruiting have not resulted in any great in-flow into the ranks of the workers of our Board. However, I am happy to report that we have a few who through the years have been unselfish and dedicated workers and, further, that we have occasionally coming into our

rank of workers some well-prepared and dedicated souls who are ready to join with us in carrying on the Home Mission task.

The latest such addition to our staff is the Reverend Stanley B. Bagley, pastor of the Calvary Baptist Church of Oklahoma City, Oklahoma. The Rev. Mr. Bagley, son of the pastor of one of the outstanding churches of New Jersey, earned his baccalaureate degree at Morehouse College, Atlanta, Georgia and his B.D. from Crozer Theological Seminary, Chester, Pa. Since his seminary graduation four years ago the Reverend Mr. Bagley has served as a Y. M. C. A. secretary and as a youth staff worker of the Southern Baptist Convention and has recently accepted the call to the pastorate of the Calvary Baptist Church of Oklahoma City where he will be formally installed by his illustrious father next month—October.

Rev. Bagley has accepted the position of Home Mission Board representative for Oklahoma. It goes without saying that we welcome this well-prepared and dedicated young divine as a co-worker for our Board. It has been through such dedicated persons as the Rev. Bagley, together with long-standing veterans of the work, who have made possible the degree of effectiveness which our Board has experienced through the years and during the year just ended. Yes, it has been such workers of consecration, along with a growing list of pastors, churches, mission circles and lay supporters who have enabled me to report to you that the Home Mission phase of our National Convention work is definitely on the upgrade in pushing forward the work of missions here in America.

To all of our workers and supporters we extend our sincere thanks. Especially do we thank our great and big-hearted Chairman, Dr. M. C. Cleveland of Montgomery, Alabama, who has guided this work as chairman for more than a quarter of a century and who has supported the work financially from his own pocket as well as through his convention and his church. Dr. Cleveland serves as a fine example of a chairman with an unselfish, active and sacrificial interest in the work of his department, as well as in that of the whole Convention.

While we cannot take the time here to give elaborate words of appreciation to all who have worked with our Board during the year, permit me to express appreciation to Dr. B. F. Johnson of New Jersey, our vice-chairman; our Field Secretary, Mrs. Ethel L. Benson of Missouri; Rev. J. B. Waller of Pennsylvania, our Finance Secretary; Mrs. Isabelle Williams of New Jersey, our Women's Volunteer Workers Director; and, last but not least of our staff, Mrs. Betty Harvey of Pennsylvania, our office secretary, who so willingly and so efficiently attends to every last detail of her position.

Nor can we forget to mention Dr. Primrose Funches, Convention Publicity Director, for her great and active interest in promoting the work of our Home Mission Board. Dr. Funches has gone out of her way on numerous occasions to give emphasis to the work of our Board and, indeed, has given courage to an oftentimes discouraged Corresponding Secretary. It was she, along with Rev. Owen D. Pelt and President Clay Evans of the Chicago Baptist Ministers Conference, who opened the door of that great city to our work by staging a great "Home Mission Day" on our national "Home Mission Emphasis Week" opening day, May 17, last.

Nor can we forget President J. Wendell Mapson of the Baptist Ministers Conference of Newark, N. J. and vicinity, or President Arthur R. Adkins of the Baptist Ministers Conference of Philadelphia, Pa., both of whom, as usual, gave our Board a great day in their respective conferences. It is our hope and request that Baptist Ministers Conferences throughout the nation will give our work a place on their programs in making out their schedules for 1966. I beg that this request not fall upon deaf ears but that it may bring affirmative responses from conference presidents or program chairmen throughout the nation. To the brethren and all others who actively remembered us during the past year we express our deep gratitude and sincerely request your continued interest and support in the work we are trying to do.

BOARD MEETINGS

1. The annual meeting of our Home Mission Board was scheduled to be held during the annual session of our Convention in Detroit last year. However, due to conflicting and confusing announcements regarding the time and place of the meeting, the attendance was very poor. By reason of this circumstance the Corresponding Secretary did not make his board meeting report and only the most routine business, including the nomination of Board officers, was attended to.

2. The January Session of the Board was held in Hot Springs, Arkansas during the adjourned session of the Convention. Among the things decided upon in this meeting was a two-step liquidation of the first and second mortgages on the Walter H. Brooks Baptist Student Club property in Washington, D. C. The first step called for the payment of the balance on the smaller of the two balances, which was the balance on the second mortgage amounting to something less than \$1,000. I am happy to say that this first step has been taken and the balance on the second mortgage was paid April 7, 1965. So that the cancelled note and clearance papers on this second mortgage are now in our possession. It is our hope, determination and plan to take the second step in this matter by paying off the balance of a little less than \$4,000 due on the first mortgage in time to have a "Mortgage Burning" in Hot Springs in January. To this end we recently sent out from our office some 3,000 letters to pastors, ministers and others asking for the ridiculously small sum of \$1.00 or more to help us free our Board of this incumbrance on which we have been paying \$151.09 monthly since 1959. Persons responding to this call will be placed upon the Board's "Mortgage Burners Honor Roll" to be hung on the wall of the Brooks Club house in Washington. Can any Baptist pastor, minister or layman refuse to answer the plea for just one dollar (or more) to help us be free of this debt so that we may concentrate on the more definitely home mission aspects of our Board? I feel confident that we shall have but few, if any, refusals, since we have put the minimum contribution request within reach of every one.

Another determination made in the January Board meeting was the re-wording of our annual observance of May 17-23 formally known as the "Week of Prayer for Home Missions." The idea of the observance was threefold, viz., to arouse interest in, solicit prayers for, and receive financial support of the work of our Home Mission Board. It seemed, for three years of the observance, that a great many of the brethren were entirely too liberal in their interpretation of the wording "Week of Prayer"—and thus sent up, we trust, their prayers for the work but gave nothing for its support. Therefore our Board in its January meeting changed the wording of this observance from "Week of Prayer" to "Home Missions Emphasis Week." While we cannot fully appraise the possible value of this change in wording after only one year's trial, yet I can report that the monetary intake from the past May effort more than doubled that of any previous year—and that in spite of the fact that a number of persons receiving the "Week of Emphasis" buttons for distribution have not as yet made reports. It is still our slowly fading hope that conscience, integrity and love for the work may yet impel those who received buttons but have not reported on them to do so at an early date. Such reports may be turned in at the Home Mission Booth here this week and even partial reports will be appreciated.

3. Our Board meeting scheduled for Tulsa, Oklahoma during the week of the Congress there did not materialize, due, perhaps, to the dual fact of the distance and the meeting of the Baptist World Alliance scheduled for Miami, Florida the following week. It is quite possible that many of the brethren who could not arrange to attend the Tulsa Congress and the Miami Alliance chose to go to Miami. However, small Board sessions and small receipts at the Congress are no exception to the general experience of our

Board. It has been our experience that our Congress session Home Mission receipts and expenses never balance. Although we economized by reducing our Home Mission personnel at the Congress this year and although our receipts at Tulsa this year were 20% greater than those at Pittsburgh last year, yet we came out in the red. This repetitious experience would seem to suggest the wisdom of reconsidering the subject of our Board's continuing to attempt a Congress session.

THE BOARD'S ACTIVITIES IN 1964-1965

The regular monthly obligations or projects carried out during the year have been the same as in the previous year, with the exception of the M. C. Cleveland Chair in old Testament History at the Northern Baptist School of Religion, Newark, N. J. We have continued to sponsor the "Moving Evangelistic Ministry" jointly with the Paradise Baptist Convention of Arizona. Through this ministry a circuit preaching and teaching evangelism among sparsely populated and impoverished sections of Arizona and near-by portions of Utah, New Mexico and Nevada is maintained. Heading this ministry is the Reverend Alonzo Washington, a well-trained, experienced and dedicated minister and former pastor residing in Prescott, Arizona, who, personally or through selected ministerial assistants, covers the area and sends back full periodic reports to the Home Mission Board. These reports show that this Ministry is doing a pridefully effective job among the needy and otherwise neglected sections which it covers.

Another major project of our Home Mission Board is the Walter H. Brooks Baptist Student Club on the campus of Howard University in Washington, D. C. The purpose of this club is to minister to the more than 1,500 Baptist students currently enrolled at Howard University—more than double the number of any other denominational group of students studying at Howard. Here we maintain a regular Communion and, in a general way, supervise activities and advise the Baptists studying at the university in keeping with our great Baptist faith. The general idea is to return back to their several homes college students who have been kept in touch and practice with their great Denomination, in keeping with the other four denomination on-campus clubs at Howard. The Chaplain of our Baptist club is the Reverend Jerry A. Moore, Jr., a Howard graduate and pastor of the Nineteenth Street Baptist Church of Washington who, as his regular reports to our Board show, is doing a most magnificent job. As indicated earlier in this report, we own and soon will have paid for the beautiful clubhouse property located at 2124 First Street, N. W. in Washington.

In addition to our regular monthly obligations we have sent financial assistance to other needy causes. Among these have been Shaw University, one of our great Baptist institutions of higher learning, located at Raleigh, N. C., to which we have sent a total of \$250 during the year to assist in meeting its recent emergency. Also we have sent smaller donations to the New Era Theological Seminary of Philadelphia, Pa.; to the St. Labre Indian School of Ashland, Montana; the Piney Wood School of Piney Woods, Mississippi and have given a small donation to the son of one of our workers studying for the ministry at Crozer Seminary in Pennsylvania. We have also made donations to three churches that have found themselves with the disasters or other emergencies. It goes without saying that, for lack of funds, we have not been able to meet all of the requests that have come to us. You ask why so many "Macedonian Calls" come to us? We don't know; but we must be doing something right.

OUR MODUS OPERANDI

Before turning to the financial portion of this report let me say a word about the operation of the Home Mission Board.

It is probable that our Board operates at less expense than any other board of our Convention. This is probably true whether we think in terms of ratio to intake or in terms of total operational expenses. We have only

four salaried members of our operational personnel totaling \$285 per month. The four persons making this total monthly pay-roll are the Corresponding Secretary, the Field Secretary, the Finance Secretary and the Office Secretary. Is this not a most modest monthly operational stipend—especially when you consider that the Corresponding Secretary must make a 150-mile round trip between his New Jersey home and the Philadelphia office at an approximate cost of \$10.00 per trip without adding this amount as an expense item?

The operational expenses referred to above do not include the salaries of the Brooks Club Chaplain or of the "Roving Evangelist." You will also note in our Report, as you have been able to note in previous reports, certain expenditures indicated as "honoraria" and "commissions." These honoraria are not just gifts made to individuals, but are expressions of gratitude to officers of the Board who give of their time, energies and money for the fostering of the work in their respective states and communities. Likewise, the "commissions" are but expense refunds returned to workers in the field out of the amount which they collect in the field and send to our office. Let me hasten to say here that fully one-half of our workers who send in money from the field do not send in expense claims. As a matter of fact, some of our largest finance senders are among those who do not submit expense claims. While we most certainly do not criticize those who submit such claims—for, indeed, "the workman is worthy of his hire"—yet we feel that we owe special thanks to the large number of those who so liberally and so consistently support the work without even expense remuneration. To both categories of co-laborers we feel a keen sense of gratitude and of dependence upon their continued support if we are to meet the ever-increasing and enlarging challenge of the home mission field.

ANNUAL REPORT TO THE NATIONAL BAPTIST CONVENTION, INC.,
U. S. A. OF THE
AMERICAN BAPTIST THEOLOGICAL SEMINARY

September 9, 1965

Dr. Jackson, Dr. Hampton, and fellow messengers:

From July 31 to August 13 the Seminary was privileged to serve as host to the FIRST ANNUAL LEADERSHIP CONVOCATION of the NATIONAL BAPTIST CONVENTION, INC., U. S. A., with leadership provided by the Foreign Board in the person of Dr. Wm. Harris, the Sunday School Board under Dr. W. T. Crutcher, who also served as Director, and the Baptist Training Union Departments and the Seminary itself. Identical programs were offered for two one-week sessions; and what was lacking in numerical quantity was more than compensated for by a rich, quality school experience which every person to a man and a woman praised to the skies. Forty-two students coming from nine states applied themselves eagerly to the offerings presented by a crack staff under the leadership of Mrs. Vivian Saitley, the Dean of the Convocation. I was honored to be a part of such an outstanding ministry of helpfulness. We are anxious to serve again as host next year.

It is close to the heart of the Chairman of the Board, Dr. Hale, to re-

sume the pursuit of our goal with regard to Townsend Hall. The death of Dr. Bowman halted negotiations and hampered our recruitment drive for single women. At Hot Springs we shall present plans for picking up the project which we pray will meet with your approval. The present building still presents a hazard in ways which we cannot enlarge upon here; but we are encouraged by the interest displayed in helping to improve the building on the part of those who saw the needs for themselves while attending the summer Convocation. We are also mindful of the 1964 action at Hot Springs relative to Townsend Hall, and trust positive results will soon ensue as a consequence of that action.

Two thrusts to get the new image of the work being done before us takes these forms: 1. The release of a new Catalogue, exhaustive and comprehensive; designed to improve enrollment of good young students; and 2. The production of a film strip telling the story in vivid fashion, and which can be seen in our exhibit in the Hall. All questions will be answered about the school at the booth; and brochure free for the taking. You may leave your contribution there too should you miss out on the offering, which will be taken at this Convention session, and for which we are profoundly grateful.

We are pleased to announce cooperation with pastors in Nashville, eighteen of whom agreed at a luncheon meeting on the Hill to assist the administration in placing our students in churches to work under pastoral direction. We consider such pastors as members of the faculty as they share with us in the business of assuring our pulpits of good, solid leadership; and prophetic preaching. This Field Program is now a definite part of the curriculum, with credits and other recognition given for efficiency in this area of training.

We have a Counsellor for single women to replace the most recent one, who committed matrimony. She holds a PhD and has had five years of experience as Dean of Women at the Carver School of Missions, Louisville. This acquisition has helped us.

Enrollment should hold about the same this fall. There must be time allowed for the effects of the new recruitment program and catalogue to show themselves. A year from now we shall know something is remiss if we cannot report one hundred students on the Hill. About 75 should show next week for registration to begin our 43rd academic year.

A Board Member expresses it this way: "Strong pastors make strong churches; strong churches make strong associations; strong associations make strong state conventions; strong state conventions make strong national bodies." He's right.

As long as there are Negro churches there will remain a need for prepared Negro pastors. I realize the questions that are being raised with regard to the need for segregated colleges and seminaries, or the wisdom of United Negro College Fund drives; but the fact remains that cultural obstacles in the way of complete integration are still formidable, and a feeling of being at home with white people and they with us is a long way off. Meanwhile the need for educating Negroes is still acute; and the demands for a trained pulpit to serve our growing Negro church constituency are louder and louder on the part of Pulpit Committees and the increasingly larger number of educated people coming into our churches, who we can lose to the Presbyterians, Methodists, and even the Roman Catholics, if we cannot develop the intellectual perspicacity to hold them.

NATIONAL BAPTIST CONVENTION PROGRAM ON
CHRISTIAN CIVIC RESPONSIBILITYBy
PRESIDENT J. H. JACKSON

Prepared August 9, 1965, to be presented to the Board of Directors,
September 7, 1965, in Jacksonville, Florida

PREFACE

Since the historic decision of the United States Supreme Court, May 17, 1954, there have been far-reaching changes in American life and outlook. This decision struck down the old doctrine of "SEPARATE BUT EQUAL" that was formulated by the United States Supreme Court in 1896. The 1954 decision clearly stated that segregation had no place in American public schools and hence in the American way of life. This historic decision laid the foundation and paved the way for many other constructive changes regarding the rights of all Americans, the equality of opportunity, and the full participation of all American citizens in the privileges and responsibilities of the nation's life. The progress made toward the full realization of equality for all Americans during the past ten years has been more phenomenal and more far-reaching than it had been since Emancipation. Thus America has made more progress in the struggle and achievements of civil rights during the past ten years than she made in the previous one hundred years. These historic gains must not be lost through neglect or irresponsible action on our part. Neither must they be dissipated by those who would use these gains simply to magnify old grudges and to state new grievances and then seek to discredit the American way of life in order to plot the ultimate destruction of the nation itself. Therefore, we must encourage and urge upon our young people to stay in school and to get the best possible quality of education. We must help to teach our people thrift and a better control and a wiser use of all of their economic resources.

The National Baptist Convention, U.S.A., Inc., has in the past emphasized again and again the importance of the work of civil rights through law and order, and has had a greater share in this struggle than many people know about or are willing to admit. While all major Negro religious bodies have stood for first-class citizenship the National Baptist Convention, U.S.A., Inc., has been in the forefront in the insistence of maintaining the struggle for civil rights according to law and order and within the framework of the American tradition of freedom. The President of this convention, Dr. J. H. Jackson, has given definite and positive leadership in this field as some brief quotations from past addresses will reveal.

In his Denver address, 1856, he stated:

"Our most urgent request to the two major parties of this country, to the president of the United States, to every member of Congress, is to give to our brothers in the south the full right to vote. Take away intimidations, veiled threats and subterfuges. Take away the old phantom of yesteryears, and tie not our legal future to the grim ghost of the dead past, and bury not our most sacred rights in the sombre shadows of our grandfather's tomb. Give us our ballot now . . . Give us the security agents, and the officers of the law who will guard our sacred rights at every polling place."

Page 21

ANNUAL ADDRESS IN LOUISVILLE, KENTUCKY, 1857

" . . . The key to our struggle is the ballot, unrestricted and unhampered. . . . The new day shall never fully come in the southland until all citizens are allowed to exercise the right to vote. If the Federal Government will help us to secure these rights we will help secure for ourselves the rank and status that all citizens deserve."

Page 6

ANNUAL ADDRESS IN CHICAGO, ILLINOIS, 1958

" . . . The Federal Government should take a greater responsibility in determining and protecting citizenship rights. The government

should enforce uniform voting laws all over the nation and schools of instruction should be set up by the Federal Government in the southland similar to those for teaching new-comers how to become qualified and naturalized citizens. These schools in the south should teach all adults of voting age all of the requirements for voting, and once they have passed the test prescribed by the Federal Government they then would be granted the right to vote without question or intimidation. . . . The states of the south must accept the fundamental principles of the Federal Government regarding the right to vote for all citizens or the Federal Government must determine the voting rights of all citizens and enforce the same."

Page 13

ANNUAL ADDRESS IN KANSAS CITY, MISSOURI, 1961

"We must struggle for first-class citizenship because it is the promise of our nation and our nation cannot fulfill its mission unless all of her citizens are free. When men are comfortable in the failures of the way of life, they must be disturbed through protest and petition. Where men are indifferent to the high goals of American citizenship we must do all within our power to shock them and move them out of their lethargy. Where political leaders have fallen to sleep on the assumption that America can get along with second-class citizenship, we must speak and write and shout aloud America's claims for freedom until every sleeper is wide awake and on the job seeking to build a greater America in the name of freedom and truth. We must commend all heroic souls young and old, who are courageous enough to sacrifice fun and pleasure for the cause of winning a complete victory for freedom. . . . But it is my belief that all methods should be within the framework of the American ideals of freedom and guided by the supreme law of the land in obedience to, and in harmony with the Federal Constitution."

Page 15

The time has come now when we must emphasize the importance of seizing all of the new opportunities made available to us and help our people to consolidate all of our gains by entering fully into all the required obligations of first-class citizenship. Therefore, I recommend the following:

1. That there be created by our National Baptist Convention A Program of Christian Civic Responsibility, the purpose of which may be stated as follows:

A. To draw up literature on the Christian responsibility of voting. Since each citizen is responsible for the type of laws that are passed and the type of men who make and administer these laws, they should be well informed about the current issues and their Christian duty. Christians are concerned about building the highest type of social order of justice, freedom, equality, and goodwill. They can best do this by the proper use of the ballot.

It is therefore their sacred duty to learn how to use the ballot and then to use it wisely in helping to maintain a government "of the people, by the people, for the people." While all American citizens are entitled to the ballot, those who are in position to learn and to know the issues involved and are dedicated to the moral and social ideals of democracy, can make the best possible use of their ballot.

Literature referred to should include material for all age levels beginning with the youngest possible groups and extending up through adult. This literature should be made available to our church schools, B. T. U.'s, laymen organizations, and missionary societies.

B. Said Program will encourage through our local churches, reading classes, study groups, forums, and public lectures to help the people to

become more prepared to deal with the issues involved and to evaluate and make choice of the best possible candidate.

C. That this Program would encourage the organization of similar programs in all of our state conventions, associations and local churches.

D. There should be set up a budget sufficient to hire a full-time field secretary to work at this task if the proposition is accepted by the convention. We should seek to find a man who is intellectually prepared and who is dedicated to his race and to his nation, and who has the commitment as a Christian to understand the problems involved and the purpose that guides the convention in this and all other efforts.

E. This Program should seek to build a large segment of independent voters. There is a growing need for such a block of voters who will concentrate on the issues involved; good government, and the preservation and the future growth of all the lofty principles of American democracy. There is a need and an urgent call to the church for active participation in the civic life of the nation at all levels. There is a growing number of non-partisan voters in this country that hold no allegiance to either one of our major parties. Some of these voters are being sought by some leaders and groups whose purposes may be defined as anti-American. Such groups must not be allowed to capture and make use of the new Negro voter potential. The Christian church can make its best contribution to these new voters by helping them to become qualified and committed to the very soul of the nation.

One of the best ways to combat and to stop the spread of the dogma and "isms" that are hostile to the American way of life and to the Christian view of the same is to have the church as the church participate actively in practical politics if the latter is defined as the science of government. Partisan politics can be trusted to furnish the leadership of our major parties who will protect the persons and guide these parties as they labor for the security, the strength, and continued growth of the nation.

If they are to have the practical influence they ought to have in building a better nation, Christians must get into the main stream of American life at the point of the emergence of these new voters and they must help them through moral persuasion; and through the use of the ballot to bring the full weight of their numbers and dedicated voting strength to the making of a stronger America.

Thus we can help save our nation from plots and intrigues from without, and from the danger of saboteurs from within if we can harness our voting strength to help eliminate the persons and the groups who are not dedicated to the American ideal of liberty.

Also, we must help to protect honest officials from false accusations, unnecessary embarrassment and annoying intimidation on the part of certain minority groups who will force their will and way upon duly elected officials and some times do it in the name of the entire Negro community.

We must help to put in office men of integrity who are prepared for public service. The opportunity to vote carries with it not only the right to protest wrongs and to advance our own racial interest, but it carries with it the larger responsibility of helping to protect the American way of life by supporting the cause of justice and freedom, and by developing the soul of the nation itself through the election of the best prepared people to public office.

As Negroes who have suffered the iniquities of segregation we must overcome and rise above the ill-effects of this moral and political stigma. If we do not, we will carry with us to the ballot box the same type of narrow-mindedness that has characterized the white segregationist. Many of our racial leaders and groups have very often been motivated by desire to conquer segregation and to subdue the segregationist. There have been some evidences of the spirit of revenge, retaliation, and a desire to get even with those who have wronged us in the past, but we must not go to the

ballot box with a spirit that's anti-white. We must always elect the best man available for the office; so that if we find an American citizen whose skin is white, better prepared for a particular office than a man of color, we must be broad enough to vote for him. At the ballot box we must rise above the color line and vote for men because of their character and their ability.

1. The call is to education, dedication, and participation as first-class citizens.

2. Let us begin from this session to take the steps to build up a large block of independent voters across the nation dedicated to Christian patriotism.

3. Let us combine love of Christ, love of country, and love of mankind in such a way that a dynamic and inclusive form of Christian patriotism will emerge.

4. Let us undertake the serious responsibility of using this Christian patriotism to help create a public opinion in this country that will encourage our best men to seek public office. Such public opinion will help to influence the reading, listening, and viewing public in such a way that our news media in their freedom, will feel obligated to give to the people messages that will satisfy their desires for a higher moral tone in the nation's life.

5. While we as Baptists still believe in the separation of Church and state so far as support, management, protection, and control are concerned, but we must not seek to separate the ideals, the moral principles, and the dynamism of religion from the life and character of the state. In the past we have worked to get people of the state and community into the church. Let us go a step further and labor to put the creative and redemptive life of the church into the machinery of state.

6. Let us regard every vote as a petition and prayer for good government, for justice, peace, and good-will among men. Let us now realize that the church must do more than pass resolutions protesting the wrongs of the state. She must now help to create and produce the rights that are so essential to the creation of a just state.

This is our sacred duty as Christians and as Americans, and if we do not perform it we must bear a large share of the guilt for any future failures of this nation, and the blood of generations yet unborn will be on our hands, and we will stand condemned before the bar of history, and will be adjudged unworthy of our stewardship before the judgment seat of a righteous God. This is our task; it must not be left to other leaders and must not be delegated to other organizations and groups; for if we do they will be tempted to use us and our people, and then turn with disrespect to discredit and curse the church.

A CALL FOR NATIONAL UNITY

By DR. J. R. JACKSON
President, National Baptist Convention, U.S.A., Inc.

August 31, 1965

The United States of America is a great democratic republic dedicated to human dignity, justice, freedom, and equality of opportunity for all. Her supreme law, the Federal Constitution, is so constructed and so structured that it allows for political, social and economic evolution and basic changes by amendments. Therefore all Americans both conservative and liberal, can support and be loyal to the Federal Constitution and to the nation itself. All citizens can obey its fundamental principles and take part in its evolutionary changes through amendments when time, experience and change demand it.

Therefore in this hour of crisis we call upon all American citizens

and all groups to support the fundamental principles of the nation's life. We would call upon all to support the following ideas:

I. Unqualified loyalty to, and support of the nation as a whole.
II. Risk all that we have and possess, for the life, soul, and salvation of the nation and trust a just nation to protect and save us as citizens and all that we hold dear, so long as it does not include the values of religion which are above the dominion of the State.

III. Let us recognize that our common enemies are those persons and groups who by ideology and purpose are committed to the destruction of this nation and said enemies make use of all of our divisions to weaken and to destroy this republic.

IV. We must recognize the fact that it is better to live in an imperfect America with the freedom to work for its improvement and fulfillment than to be a helpless slave in a perfect totalitarian state without the freedom even to question its policies or to change its evil practices.

V. Let us always recognize the right of freedom of thought, freedom of expression, and freedom of action, and the right to differ with and to be different from others. But let us never seek to defend and protect these differences by denying to others their constitutional just and God-given rights as free men in a free society.

VI. Let us be as wise as the enemies of this nation, who when it is to their advantage will join with any groups in the United States and work through them for their evil purposes. If being a segregationist furthers their cause these enemies will join the ranks of segregationists. If and when they find being an integrationist serves their purpose to negate the nation's life they will become an integrationist and work through integration to achieve their negative ends. They will also play one group against another to divide and weaken the nation.

We are in a national crisis and at this moment are engaged in a bloody conflict with international communism in Vietnam, and are potentially in conflict with the same forces throughout the world as well as at home. Americans can no longer afford the luxury and the negative weights of past prejudices, hatred, envy, discrimination, disrespect for law and order, and for one another; race riots, and bloodshed. All of us must unite and work together as one for the nation's life and cause or eventually perish.

VII. All groups are called upon to rise above all differences of creed, color, caste, and join together as Americans and work for and live for, and if need be, die for the ideals, values and principles of justice, freedom, and equality as proclaimed by this great nation.

VIII. We are called upon not only to obey federal law, but we should rise above it and make a good neighbor policy of our own by which we will build a community spirit and community organizations based on goodwill for the education of our children, for the security and development of our families, the advancement of culture, and the moral and spiritual growth of all who dwell therein. This can be done only by cooperation and not by contest and conflict. Such community spirit will not only enrich our several communities, but will greatly strengthen our national government both home and abroad.

IX. This call is for positive thinking and positive action. It is not enough to be anti-communist, anti-poverty, anti-segregationist, anti-integrationist, we must be pro-America, pro-freedom, pro-justice, and pro-goodwill. A commitment to build a great democratic society for the enrichment of human personality is far more elevating and far more lofty than to set ourselves to the task of destroying the enemies that disturb us.

X. To paraphrase the historic statement of the great educator Booker T. Washington, (could not all Americans say) in all things strictly personal, and in all matters purely private, we can be as separate as the fingers but one as the hand in all things tending towards the mutual progress of the individual and groups, and the fulfillment of the nation's life itself.

KEY-NOTE ADDRESS BY O. V. PHILLIPS, PRESIDENT OF THE LAYMAN'S DEPARTMENT OF THE BAPTIST GENERAL STATE CONVENTION OF ILLINOIS

Delivered September 8, 1965, During the Annual Session of the National Baptist Laymen's Movement, Dayspring Baptist Church, Jacksonville, Florida

KEY-NOTE ADDRESS

To our honored President, Vice Presidents, Officers and messengers of the National Baptist Laymen's Movement.

Our Heavenly Father has permitted us to meet in another Annual Session. We are meeting under circumstances which need no elaboration from me. The State of the world demands some recovery of a sense of compass bearing if we are to steer our course through the difficult and very critical problems which, in the last few years, have forced themselves upon us, and which demand solution, if we are to avoid disaster.

It is a very moving thing for me to have the honor at a time like this, to proclaim to you as far as I can, The role of the Churchman in the Quest for Freedom. Dr. David N. Licoish has written an interesting and challenging book that has been called "A Study of the Twentieth-Century Challenge to Religion." The title of the book is "Tomorrow's Church in Today's World." But let us think now about

"Today's Church in Tomorrow's World." What is her role? What kind of people compose her membership? What is her aim? What is her message? What is the Secret of her success?

FIRST OF ALL, DO WE KNOW WHAT THE CHURCH IS TO DO IN THE WORLD?

We stand in danger of majoring in the minor and minoring in the major if we don't really know what the church of which we are members is to do. Dr. Licsrish in his book, "Tomorrow's Church in Today's World" tells us about Mr. William Corbin, who wrote an article some years ago in the American magazine under the title "Why I don't go to Church." Mr. Corbin excuses himself from going to church on grounds that the church has nothing to offer that is unique, peculiar to it, that is not found in a better form somewhere else. Mr. Corbin enunciates five points as the gist of his findings:

1. The Church, as a center of charity, has been replaced by secular, civic and community chest funds, administered by business and social workers.
2. The Church, as a fountain of healing, which once offered miraculous cures through faith and the "Laying on of hands," has been replaced by the science of medicine.
3. The Church, which once exorcised devils from the minds of men and restored tranquility of souls, is being replaced by gland specialists, dietitians, psychiatrists, and psychologists, who hold that crime and abnormality are the results of disordered glands, improper nourishment, poverty, ignorance, and mental derangement of one form or another.
4. The Church, once the cradle of education and founder of many colleges, is no longer the keeper of knowledge and the source of education.
5. Great art and music, once inspired by the Church, are now secular and for the most part have nothing to do with organized religion. "What then," says Mr. Corbin, "has the church to offer that is unique, peculiar to it, that is not found in a better form elsewhere?"

ALL OF THIS STEMS FROM A LACK OF KNOWLEDGE OF WHAT THE CHURCH IS TO DO

The Church is on orders from her King. She is divinely commissioned. What she is in the world to do no other organization or institution can do her job. Her Christ is a unique Christ.

THIS UNIQUE CHRIST HAS GIVEN HIS CHURCH A UNIQUE MISSION

That mission is tremendously more than mere charity; it is decidedly more than ministering merely to man's physical welfare; it is concerned with a malady of mankind that gland specialists, dietitians, psychiatrists, and psychologists cannot move, alter or adjust.

THIS IS A UNIQUE COMMISSION

It was not given to diplomats and statesmen; it was not given to gland specialists and dietitians; it was not given to psychiatrists and psychologists; it was not given to national governments or state governments. It was given to the church, and gave this church unique power.

THE CHURCH ALSO HAS A UNIQUE PLACE IN THE WORLD

It is not to duplicate other institutions or organizations, it is not to re-echo its surrounding. It must not become so much a part of this secular, materialistic age that it loses its power to challenge this age with the message of Christ. It must have a sense of loyalty that so transcends society that it can always be an effective critic of society.

WHAT SHOULD BE THE CENTRAL AIM OF THE CHURCH IN THIS MOVEMENT FOR FREEDOM?

That aim was so beautifully expressed by the eleventh Baptist World Congress which met recently in Miami Beach, Florida. It is "Complete freedom from sin and all its social ills. He desires the well being in ultimate spiritual values of all men." God has no favorite country, no favorite race, no favorite class. In God there is no East or West; in Him no South no North.

THE CHURCH-MAN MUST WORK FOR FREEDOM

The Churchman must do something more than join demonstrations and marches. These are good and have done much to sensitize the conscience of America. But if the Churchman of all races, had been doing the work of the church in its fullness, there would have been no need for demonstrations. The same God that asked Adam "Where art Thou?" also asked Cain "Where is your Brother?" The same influence of Christ's message that will change the individual will also change society, for when the individual is changed he will work to change the society of which he is a part.

Mankind has broken down the barriers of space and time, which have hitherto prevented the unity of the race from becoming essential and obvious. We have changed the whole meaning of time to an extent which, to many of us, is one of the most terrifying features of our day and generation. Mankind has attained all the circumstances to promote its own unity, but also seems to have found no common ideal, no common and agreed concept as to what constitutes the good life.

Meanwhile, a third of mankind thinks that life is a thing to be escaped from; another third thinks that it is a thing to be exploited and enjoyed; only a relatively small part of the remaining third perhaps only we churchmen think it is a thing to be redeemed; Unless we can get some real agreement here, there will be no lasting settlement to our problems.

Charles Raven who was asked to preside over a group of young people under 25 meeting in England under the auspices of the English speaking Union, part of them American and Canadian Scholars, English, Scottish and Welsh. They talked about freedom, and to his dismay it seemed as if every one of them thought that freedom meant liberty to do what you like, and to possess what you can pay for! And of course if that is the meaning of liberty, then liberty is the shortest possible road to hell.

Well, we know that is not what the religious churchman means by freedom. I believe that the only freedom is when we are at liberty to follow the highest in fellowship with our neighbors and in the service of God. Think the whole thing out. Its tremendously important, there is a real meaning in freedom, but its got nothing to do with following your own whimsy. What have and what are we as churchmen saying about this matter? Unfortunately not very much.

Quite plainly, whatever way you look at it, history, stands at a crisis. Never has this world of ours been so conscious of its own epilepsy, of its own twitching limbs and shattered nerves, and ineffective and paralyzed capacities, as it is at this time. Anyone who has lived in our country during this last twelve months and has been aware of the perpetual outbreaks of hysteria, first in this quarter and then in that, from generals to politicians, from businessmen to ecclesiastics, this twitching of the limbs in a helpless state of what looks like paralyzing fear; anyone who has observed that must be well aware of the intense need for a recovery of sanity, or wholeness, of confidence, of the faith which could replace fear, and the hope which could cast out despair, and the love which would rebuke us for the fostering of cold and calculated hate. We must see, as I am very sure masses of us are beginning to see, the need for the Christ.

The point I want to make and it is my last is this, Paul in the 8th Chapter of the Epistle to the Romans gives us a picture of Creation. You'll see it. He lays down four points. 1st Creation is incomplete; it is subject to vanity, that is to frustration. It has not reached the goal. It is still in the making. 2nd this incompleteness is a sort of pregnancy. Nature groaning and travailing in pain until this very moment, waiting for the thing which has not yet come, the manifestation, the birth of the children of God. 3rd in this process of agony, God himself is involved. He is not a spectator looking on from outside the world, but his spirit comes in along side us sharing in

our agony, inspires and initiates our effort. 4th Therefore we need not be afraid if God is involved, the end is sure.

Neither life nor death, nor things present, nor things to come can tear us from his keeping and even here and now he makes all things work together for good to them that love him. "For if the son shall make you free, ye shall be free indeed." "And ye shall know the truth, and the truth shall make you free." Go bring enslaved man to a saving Christ that he may be free, this is "THE ROLE OF THE CHURCHMAN IN THE QUEST FOR FREEDOM."

THE MODERATORS' AUXILIARY MEETING IN JACKSONVILLE, FLORIDA, SEPTEMBER 8-10, 1965

The Moderators' Auxiliary is an official part of the National Baptist Convention, U.S.A., Inc., Dr. J. H. Jackson, President, Dr. T. J. Jemison, Secretary.

The Moderators' Auxiliary was called to order by the President, Dr. J. L. Vaughn, Wednesday morning at 10:00. The opening devotional service was conducted by Dr. J. L. Simmons. The body was led in singing, "Jesus, Keep Me Near the Cross." The Scripture Lesson was read from Matthew 25:1-10. Following the scripture, prayer was offered by the Reverend C. M. Murdock. Following another song the devotional period came to a close. President J. L. Vaughn was presented and greeted the Moderators and

visitors present. His opening remarks were inspiring and challenging. The President appointed an enrollment committee and instructed them to go to work. The committee was composed of the following: Rev. J. L. Simmons, Rev. J. S. Lacey and the Rev. C. M. Murdock. The committee remained at work as the Moderators continued to come in during the day to register. A number of the men enrolled directly with the Parent Body.

The hour arrived for the President's Annual Address. President Vaughn was at his best and spoke very eloquently of the relationship between the Moderators and the Parent Body. He challenged the brethren to attend all sessions and to see to it that all Moderators and Associations are registered. President Vaughn encouraged a good attendance for the Annual Address of President J. H. Jackson in the main auditorium on Thursday morning.

Following the President's address a number of the Moderators came forward and expressed their loyalty to President Vaughn and to the Parent Body. President Vaughn urged all the Moderators to stand hard by the leadership of Dr. J. H. Jackson and to help our great National Baptist Convention to grow.

The Moderators were led in singing by the Choir of "Lift Him Up," after which all visitors were presented and some gave remarks. Other committees were appointed and the first session came to a close with benediction being pronounced by the Rev. C. M. Murdock.

SECOND DAYS SESSION

September 9, 1965—10:00 A. M.

The Moderators' Auxiliary of the National Baptist Convention, U.S.A., Inc., opened its session in the Abyssinian Baptist Church, Rev. B. L. Wynn, Pastor.

The session was called to order by President J. L. Vaughn. The devotional service was conducted by the Rev. E. D. Pankard and Rev. S. S. Kelly. The scripture was read from Matthew 10:1-5. Prayer was led by the Rev. C. M. Murdock. Following another song, "Pass Me Not O Gentle Saviour," the devotional period came to a close.

President Vaughn then opened the house for business and called for a report from the Finance Committee. This committee reported that they had on hand at this time the sum of \$1,690.00. This partial report was adopted. Reports from other committees and reports from officers of the Auxiliary were made and adopted. The expenses incurred in the amount of \$48.25 for programs, etc., was ordered paid by the President.

Again, many Moderators spoke of their work in the various States and pledged more diligence in their work in the future. The President spoke of the importance of having a key man in each of the States work up more interest in the work of the Moderators' Auxiliary. Key men were named by the President to help promote the work of the Auxiliary and the Convention as a whole.

Officers elected for 1965-1966 were:

Dr. J. L. Vaughn, President
 Dr. R. R. Freeman, Vice President
 Dr. C. H. George, First Vice President
 Dr. G. M. Murdock, Second Vice President
 Dr. J. S. Lacey, Recording Secretary
 Dr. W. J. Long, Assistant Secretary

The National Baptist Convention, U.S.A., Incorporated, Ministers and Delegates Assembled in Annual Convention, Jacksonville, Florida

Attention: Dr. J. H. Jackson, President
President Jackson, Ladies and Gentlemen:

I present herewith report of audit of the National Baptist Convention, U.S.A., Incorporated, its officers, boards and subsidiaries as of June 30, 1965.

This audit reviews the transactions of: The Sunday School Publishing Board, the Baptist Training Union Board, the Foreign Mission Board, the officer of the Treasurer of the Convention, the Home Mission Board, the Retreat for Foreign Missionaries, The Woman's Convention, the National Baptist Bathhouse and the Ministers' Retirement Fund. Other officers of the Convention, departments and agencies have not made their records available to your auditor. The American Baptist Theological Seminary refused to expose its book to your auditor's staff, although he had imported a staff into Nashville for that purpose.

It has been a pleasure to conduct this audit for your organization.

Respectfully submitted,

JESSE B. BLAYTON, Certified Public Accountant

ACCOUNTANT'S OPINION

I certify that I have audited the books and records of the Treasurer of the National Baptist Convention, U.S.A., Incorporated; the Sunday School Publishing Board at Nashville, Tennessee; the Foreign Mission Board at Philadelphia, Pennsylvania; the Ministers' Retirement Fund at Philadelphia, Pennsylvania; the Woman's Convention at Birmingham, Alabama; the Baptist Training Union Board at Nashville, Tennessee; the Retreat for Foreign Missionaries at Washington, D. C.; and the National Baptist Bathhouse at Hot Springs, Arkansas; and that the accompanying balance sheets at June 30, 1965 and the operating statements for the period ended June 30, 1965 are true and correct to the best of my knowledge and belief. Further, that the accounting and reporting was done in a manner consistent with that of the year next preceding. In the conduct of this audit, the sampling process was employed to the extent which we thought required.

Respectfully submitted,

JESSE B. BLAYTON, Certified Public Accountant

THE PARENT CORPORATION
COMMENTS

These are comments on the FY 1965 audit of the National Baptist Convention, U.S.A., Incorporated. This is a District of Columbia corporation with headquarters in Chicago, Illinois, Cook County. It is a national non-profit religious body, drawing its directorate from the membership of Baptist churches, associations, and state or regional conferences throughout the United States. The directorate is elected by delegates or messengers, accredited by their respective units (as above defined). The corporation conducts its affairs through its own religious and ecclesiastical techniques and unincorporated boards, unincorporated units and agencies and other representatives. During the fiscal year 1965, its overall operations are set forth in the consolidated income statement for the year just ended and its fiscal position is set forth by the accompanying consolidated balance sheet, which is made a part of these comments by reference thereto.

The operations of the National Baptist Convention, U.S.A., Incorporated insofar as they do not relate to strictly religious aspects are conducted through the office of its treasurer. The treasurer of the Convention maintains offices in the city of Philadelphia, Pennsylvania. Under his supervision, in addition to such fiscal matters as he supervises pertaining to the religious activities of the corporation, have to do with such matters as a Ministers' Retirement Fund, a "Great Societies" demonstration—a poverty farm. In addition, he is in charge of the finances of the National Baptist Educational Fund. The assets controlled by this officer are set forth in the statement of accounting for his office.

Your auditor has not been informed as to the purposes of the Educational Fund and the budget controlling its disbursements; nor, has he been provided with a budget concerned with the farm. The assets available to the educational fund and the farm are set forth in the report on the treasurer's accounting and made parts of this statement by reference. If liabilities exist with respect to the functions of these two operations, your auditor has not been advised. It is observed, however, that in FY 1964 and FY 1965, there were payments by the treasurer on "notes".

We now go on to the other boards, agencies and the like.

The Sunday School Publishing Board is operated in accordance with the highest standards of like enterprises in American industry. Comments with respect to its operations are set forth in its report and are made a part hereof by reference thereto.

The National Baptist Training Union Board has been discussed in the comments in the report on that agency. The same are made a part hereof by reference.

Appropriate comments accompany the report on the National Baptist Sanitarium-Bath House. These comments are made a part hereof by reference thereto.

The Foreign Mission Board is a non-profit corporation under the laws of the Commonwealth of Pennsylvania. Broadly, its functions include the supervision and conduct of the foreign mission activities of the National Baptist Convention, U.S.A., Incorporated on the African Continent, but not limited thereto. The fiscal affairs of this subsidiary are set forth in its fiscal reports for FY 1965 and made a part hereof by reference.

As shown in the comments of this subsidiary, there is a discrepancy between the amount of the mortgage receivable from the agency's foreign mission unit in the Republic of Liberia with respect to a hospital in that Republic. This discrepancy was discovered after audit computations had been concluded. The differential existing between the records of the Foreign Mission Board and the records of the Bank of Liberia should be reflected in the Foreign Mission Board's FY 1966 report.

MINUTES

Woman's Convention, Auxiliary to the National Baptist Convention, U.S.A., Incorporated is a subsidiary of the Convention. It conducts the fiscal affairs of the official Woman's Convention's activities, as they relate to the National Baptist Convention, U.S.A., Incorporated. This agency has conducted its affairs in accordance with the best standards. It has had problems. Among these problems have been the liquidation of obligations on its property at 1922 Maryland Avenue, Northeast, Washington, D. C., and its continuing problems in the liquidation of obligations on its Michigan property as set forth in the appropriate exhibits and/or schedules in the overall report herein contained relating to this subsidiary. The Woman's Convention concerns itself with the "Retreat for Foreign Missionaries" which should be resolved by the National Baptist Convention, U.S.A., Incorporated. Example: The maintenance of the Retreat is a responsibility of the Foreign Mission Board and the Woman's Convention. Research does not identify the exact responsibility of the supporting entities in this enterprise. Comments contained in the report of the Woman's Convention Auxiliary to the National Baptist Convention, U.S.A., Incorporated are made a part hereof by reference thereto.

The comments on the report of the fiscal affairs of the Home Mission Board are made a part hereof by reference thereto. It is pointed out that this board has purchased property in the District of Columbia (Washington, D. C.). The appraised value of such property is not known to your auditor; and apparently not known to the administrative officer of this board (subsidiary). There are two mortgages outstanding against this property, but audit research develops that one of these mortgages has been fully liquidated; as to the other, the comments contained in the audit report with respect to this board are cited and made a part hereof by reference thereto.

AUDIT REPORT OF OFFICE OF THE TREASURER
NATIONAL BAPTIST CONVENTION, U.S.A., INCORPORATED
FOR THE FISCAL PERIOD JULY 1, 1964 TO JUNE 30, 1965

COMMENTS

Your auditor presented himself at the treasurer's office in Philadelphia, Pennsylvania for the annual audit of the records.

These records show that the following items were paid by President Jackson personally and represent an obligation to him:

July 11, 1964—Chickashaw Electric Company	\$ 4 99
July 20, 1964—Northern Illinois Gas Company	23 75
August 11, 1964—B. (Taxes) Graham	146 51

Total \$175 25

Your auditor would strongly suggest that a fuller explanation appear in the cash book as to receipts and disbursements made by the treasurer. While all payments are by check, the book explanation often leaves something to be desired.

A memorandum found in the office of the Convention Treasurer refers in item titled "Loaned to Arkansas Baptist College". This item is not clear to your auditor, nor was he presented documents to support the authorization for this loan.

The early establishment of books for the farm activities of the Convention is indicated. The transactions for these activities are clearly a part of the fiscal affairs of the Convention.

The Board of Directors, National Baptist B. T. U. Board,
National Baptist Convention, U.S.A., Incorporated,
330 Charlotte Avenue, Nashville, Tennessee

Attention: Rev. C. R. Williams, Executive Secretary

Gentlemen:

We present herewith report of audit of the books and records of the National Baptist Training Union Board of the National Baptist Convention, U.S.A., Incorporated, as maintained in the office of the Executive Secretary at Nashville, Tennessee. The audit report covers the fiscal affairs of this board for the period July 1, 1964, to and including, June 30, 1965.

We are recommending that this board install a general ledger. This would expedite an accountant's time in auditing this board. As the records were presented, it takes a great deal of time to summarize the transactions for the entire year.

The management of the board and the accounting staff were most helpful and cooperative during the course of this examination.

We deeply appreciate the opportunity to serve in the capacity of auditors for your board.

Respectfully submitted,

JESSE B. BLAYTON, Certified Public Accountant

ACCOUNTANT'S OPINION

I certify that I have audited the books and records of the NATIONAL BAPTIST TRAINING UNION BOARD of the National Baptist Convention, U.S.A., Incorporated, for the fiscal period July 1, 1964, to and including, June 30, 1965; and that the accompanying balance sheet at June 30, 1965 and the operating statement for the period ended June 30, 1965 are true and correct to the best of my knowledge and belief. Further, that the accounting and reporting was done in a manner consistent with that of the year next preceding. In the conduct of this audit, the sampling process was employed to the extent which we thought required.

Respectfully submitted,

JESSE B. BLAYTON, Certified Public Accountant

NATIONAL B. T. U. BOARD
COMMENTS**

This board experienced a decrease in its total revenue of approximately \$10,000.00 during the fiscal year under review, but was also able to reduce its expenses by approximately \$8,000.00. Thus, its net profit from operations were decreased by only \$2,000.00 because of this drop in total sales. It is pointed out that among sales of this board an amount of considerable magnitude is paid to board members, who, while giving overall guidance to the board, do little else. If these amounts were eliminated, or significantly reduced, the profit would be importantly increased.

The books and financial records of this unit were examined by us and we wish to make the following comments:

Scope of Audit:

We examined the receipts journal and sales journal to determine the cash sales, sales on account, receipts on accounts receivable and all other receipts, tracing these receipts to the daily deposits in the depository bank. Likewise, we traced all disbursements through the cancelled checks returned by the depository bank. We inspected each monthly bank statement and checked each daily deposit from the receipts journal. All deposits were made on the following day. We inspected the Savings Account Book of the Isaac Memorial Fund, tracing all receipts from the "tally sheet" to the deposits in this account. We observed that one withdrawal of \$300.00 was made and it was deposited into the regular account from which two scholarship checks were issued totaling \$300.00.

The inventory was taken by the employees and presented to us. We did make a physical count of some items in stock and compared them with those that appear on the inventory sheet.

Balance Sheet

Cash (Deficit) \$16,602.01 derives from the fact that it is the practice of the Secretary to issue checks at the end of each month for all accounts payable. These checks are recorded in the disbursements journal but are held by the Secretary until he receives enough cash to deposit in the bank to cover the amount of checks he is holding. This accounts for the fact that the accounts payable figure is Zero.

Accounts Receivable of \$30,508.87 is the actual count of all accounts receivable in the book as of June 30, 1965. The Reserve For Doubtful Accounts of \$6,655.84 is the same reserve figure that was brought over from last year.

The postage and Second Class Mail deposit remains constant.

The fixed assets are the same as last year. We did inspect each office, stock and mailing room and the store and observed that the furniture and fixtures were the same as of previous years.

The Isaac Memorial Fund is the same with the exception of the change in the cash account. See our comment in Schedule 1, Sheet 2.

The advance to N. B. C. Units has remained the same for several years.

We wish to call your attention to the change in the Net Worth Account which was brought about in a large degree due to an adjustment between the Accounts Receivable Control and Subsidiary.

When we examined the accounts receivable ledgers, we discovered that the ledger only showed \$30,508.87 where as the control called for \$45,789.40 or a difference of \$15,280.62. Then we went back and examined the ledger at June 30, 1964 and found that it showed a total of \$26,751.81 as compared with the control balance of \$43,092.27 or a difference of \$16,340.46. Since we did not have the exact tape from last year to show a total of \$43,092.27 and the difference in the two years are fairly close to each other, we suggested to the Secretary that this difference should be corrected, therefore, we are taking the \$15,280.62 out of the control figure to bring it in line with the individual subsidiary.

The net loss for the year of \$894.90 is deducted from the net worth to give an ending balance of \$25,755.55.

Profit and Loss

This statement is prepared in detail to show the transactions for the whole year.

A comparison of your activity for the past three (3) year period would show the following:

	1962-1963	1963-1964	1964-1965
Net Sales	\$ 137,656 01	\$ 140,744 70	\$ 130,922 45
Less: Cost of Goods Sold	53,688 42	52,496 53	55,376 13
Expenses	\$ 83,967 59	\$ 88,248 17	\$ 75,545 83
	82,225 21	84,950 65	76,360 20
Balance	\$ 1,742 38	\$ 3,297 62	\$ (814 27)
Other Income			734 00

Other Deductions and Contributions	5,000 00	5,000 00	\$(80 19)
			814 71

Net Change in Surplus \$(3,257 62) \$(1,702 38) \$(894 90)

You will observe that the net sales for 1964-65 were almost \$10,000.00 less than the previous year, whereas the expenses decreased about \$8,600.00 under last year and I might point out the fact that the expenses for this year include an item of \$3,642.76 which was convention and congress expense.

ACKNOWLEDGMENTS

We wish to express our thanks to the Secretary, Reverend C. W. Williams and his staff for all the courtesies shown us while making this audit.

NATIONAL BAPTIST BATHHOUSE SANATORIUM
HOT SPRINGS NATIONAL PARK, ARKANSAS
The President's Suite Room 214

January 19, 1965

1. The special committee on the Retreat for Foreign Missionaries was called by the chairman, Mrs. E. W. Tyree to meet in the President's Suite, Tuesday, January 19, 1965 at 10 P.M.
2. The meeting was called to order by the chairman, Mrs. E. W. Tyree.
3. Prayer was led by Mrs. S. C. Holley.
4. Minutes were read from the December meeting held at the Retreat in 1964, and accepted with the following two corrections:
 - (1) Dr. Ross intended that her motion be a suggestion,
 - (2) Mrs. Baker was requested to send a report of personal bills to Mrs. E. W. Tyree instead of to either Mrs. Tyree or the Recording Secretary.
5. The question was asked: "Are the draperies on the bill yet?"
6. Letter was read from Mrs. Baker which contained the bill of \$3713.81. Total amount due on Retreat \$9402.62. At this time Mrs. Wilhelmina Cole stated that they had sent \$280.00 from Cleveland.

The letter stated:

Balance due on draperies	\$ 283 30
Page 1 of her report	3288 68
Page 2 of her report unpaid	2122 13
Monthly budget	
Page 3 of her report	3713 81
Unpaid bills which your committee reviewed	

A grand total due Retreat \$9402 62

7. Mrs. Gaillard stated that they never agreed to pay the light bills. We were to pay the heating bill. The budget was made for \$400 or \$500 as stated by Mrs. Baker. In 1963 Mrs. Coleman asked for \$800 which would clear all bills.
8. Mrs. Cole stated that the Retreat for Foreign Missionaries belongs to the Woman's Convention and all monies taken in should be accounted for to the Woman's Convention by the Retreat. She further asked whose furniture was in the Retreat.
9. In December, Dr. Gayden said "Let us start from here." He sent the roomies after the December meeting but nothing came from the Woman's Convention. We spoke of the allowance and allotment for expenses.
10. Mrs. Gaillard stated that shouldn't anything be sent without the convention's approval. It was an agreement to pay the \$500 in 1964 but no contract had been made. They said if we did this they would get up the phone bill, etc.
11. After much discussion a motion was proposed, seconded and carried that we would tell the men of the Foreign Mission Board that we had agreed upon the following points:
 - (1) That a Board of Directors be set up for the Retreat for Foreign Missionaries.
 - (2) Have a policy spelled out as to what we can pay and what we cannot pay.
 - (3) Set up a program for the Retreat.
 - (4) Set up an operating budget.
 - (5) Have a job description drawn up.
12. The proposed budget made in Detroit was accepted.
13. The meeting adjourned.
14. Those present were:

DR. M. O. ROSS, President
MRS. S. C. HOLLEY, First Vice President
MRS. M. B. GAILLARD, Treasurer

18. Dr. Harvey stated that he was authorized to say:

- (1) They agreed on the mutual support of the Retreat for Foreign Missionaries with the Woman's Convention.
- (2) The employees will have to work within the framework of the budget agreed upon.
- (3) The Foreign Mission Board money is for the foreign Mission Field and our support of the Retreat will have to be kept at a minimum.

He further stated that Mrs. Coleman receives \$200 from the Foreign Mission Board for writing brochures, etc., speaking engagements. Those monies will be terminated from speaking engagements back into the Retreat. If invited to speak for the Retreat, O.K.

The Foreign Mission money will be sent directly to the Retreat. The employers should make a report to the Woman's Convention.

19. It was stated that the Woman's Convention had neither a definite policy nor a definite budget.

20. Dr. Harvey asked if we could arrive at a budget.

21. After much discussion on a budget, a figure was given as \$15,465.00.

22. The Foreign Mission Board sends \$274.63 per month and for 12 months a total of \$3295.56 per year is sent.

23. Dr. Harvey suggested an audit be asked for to cover the past twelve months in order to arrive at a budget. The Foreign Mission Board is willing to go 50-50 on C. P. A. Fee with the Woman's Convention.

We have some hopeful signs in our common mission in an uncommon time—(1) Going back to scriptures, (2) Awareness, (3) Restructuring the churches for the laity, (4) Civil Rights Bill—greatest influence was the church. She would have us know that we are on a mission for Peace, Freedom and Justice, and in a mission in love. He further stated that more than one million students dropped out of school—all of that man-power wasted. How well is our Educational system preparing our young people for their responsibility to the rest of the world? The self-image of youth is one of the strongest factors in developing youth. A child does not come to school alone. He brings his entire surroundings—his loves and his hates.

(3) The speaker told us that down through the years we have reports of man's inhumanity to man, for example, The Hebrew Children, Peonage and colonialism. Unfortunately too many of us take the attitude "Why should I cry when I have cake in my mouth. Individual human rights are most important, not the mass."

Mrs. Blanche Carter, as a substitute panelist, talked about the war on poverty program of President Johnson and added, "Christians must be concerned in this area." The great society can only come when we add this dimension.

102. Mrs. Susie Holley urged the ladies to use the visiting courtesy cars and go to the Coliseum where Dr. Ross, our President is making her report to the Parent body.

PREPARATION FOR KINGDOM CITIZENSHIP

1. Economic
2. Educational
3. Social
4. Moral

Vice President Holley, Platform guests, Officers, Delegates and Friends of the Woman's Convention, Auxiliary to the National Baptist Convention, U.S.A., Inc. I am delighted to see and to greet you tonight.

This year which marks the mid-sixties, has presented the president of this convention, along with routine duties, an opportunity to do some of the many things which she regards as essentials to leadership. Five of these essentials are Looking, Listening, Learning, Lifting and Living.

She has looked not alone at some of the breath taking sights of science, but she has looked more closely into her own heart. She has listened not only to many of the sounds of the mid-sixties, but has listened to needs expressed, and to God's direction in the matter of supplying those needs. This has been a year of learning, not merely from study, but from everyday experience with God and neighbors. Yes, your president has lifted those with her, as the Lord lifted her to higher levels. Then this has been a year of loftier living by communicating more effectively the faith she proclaims.

Of course this year has disturbed us, and, yet disturbs us, with its situations in Vietnam, in Santo Domingo, in Cuba, and even uprisings on our own home front. But we have been thrilled, excited and inspired by the Gemini flight which took and kept two men in orbit for four consecutive days with an experience of a walk into outer space. We have been greatly gratified and inspired by the March from Selma to Montgomery. What could have reinvigorated and lifted us more than the awarding of the Nobel Peace Prize to Dr. Martin Luther King, Jr.? Since I began writing this address, the Right to Vote has been passed and signed by the President.

Added to all of these, is the election of a President for the World Baptists, from Monrovia, Liberia, West Africa, Dr. William R. Tolbert. These Baptists assembled at Miami Beach, Florida at the eleventh World Congress can never forget the Sunday morning sermon delivered by Dr. Joseph Harrison Jackson, the esteemed, dynamic President of the National Baptist Convention, U.S.A., Incorporated.

WHAT A YEAR! WHAT TIMES! WHAT A WORLD!

But this is God's world. He created it, still creates, sustains, judges, and loves it; and, is presently at work in His world reconciling it unto Himself.

THOSE WHO SLEEP THE BLESSED SLEEP

"Asleep in Jesus! blessed sleep,
From which none ever wake to weep;
A calm and undisturbed repose,
Unbroken by the last of foes.

We have already held Memorial Services for those that sleep; and their names are listed in this address.

OUR YOUNG PEOPLE

Our Young People's Department, under the leadership of Mrs. Zee Anderson Barron, Miss Primrose Funches, Mrs. Bertha Winston and Mrs. Corrine Watts, is moving sturdily forward. Its leaders are rightfully keeping themselves abreast with the opportunities as well as the problems facing youth today. This phase of our work, however, like other phases, needs improvement, which in time, will come to pass.

Over the last Fourth of July weekend, there were reports of continuous spree, wild parties, riots and fracas with the police on the part of Young People. Unrest, to riot proportions, among the students on and off college campuses, is a trend today. Not long ago, thirty odd youths from wealthy families were confined in Italy for robberies and pilfering. Invariably, when asked why? the young people reply: "We are confused; we have no sense of direction. The adults have failed us; we could find nothing else to do; or, we are in search of fulfillment."

What does this say to the church today? Have we adult Christians no special tidings for our young people?

This is certainly a part of Kingdom building. The Lord, our God, is calling you and me to involvement and commitment in the complete establishment of the fact of His Kingdom on earth.

"Thy Kingdom Come" is the second thing for which Jesus in His model prayer, told us to pray. One writer has said, "As we pray, 'Thy Kingdom Come', it is well to underscore the word 'come'. It is so much easier to pray, 'Thy Kingdom go'. It is not nearly as hard to pray for the conversion of Africa and give offerings as it is to face up honestly to the sins of our own lives, to repent and change our ways."

It is easier to crusade piously for world peace than it is to forgive someone who has done us wrong or whom we have wronged.

"Thy Kingdom Come" means that I look into my own heart and plead for God's cleansing power. It means that I bow before Him in faith and obedience. It means I am willing to surrender everything I possess in order to possess God. God demands our all or nothing at all."

"Thy Kingdom Come" means also that America must look into her heart and plead for God's cleansing power. "Thy Kingdom Come" in local missionary societies, in District Associations, in State Conventions, in National Conventions, in our work, in our schools, in our businesses and in our homes. God grant that all of these will look into their own hearts and plead for God's cleansing power.

We see and hear a great deal today about Economic Opportunity, with emphasis on War against Poverty. This is good; for we can never have a Great Society in the midst of great and grave poverty pockets. So the "rule of God" demands then that there must be preparations for better living, Economically, Socially, Educationally, and Morally.

So in this Sixty-fourth Annual Session, and my fourth Annual Address, I should like to emphasize four points of concern previously referred to.

ECONOMIC PREPARATION

Mankind must be economically prepared to live or he will be a noose about society's neck. In Biology we learn about the host and the parasite. The host involuntarily furnishes the substance on which the parasite lives. Some examples of parasites are: fleas, mosquitoes and other insects known as blood-suckers. There are blood suckers today in the human race. These are indeed draining our economy. We must strive to eliminate them.

In 1962, thirty-five million Americans, or 1/5 of the total population of our nation, were living in poverty. Eleven million of these are children, one-third of which are under 18 years of age. Then there are those adults of our society who have been victimized by industrial change. There are those in rural areas. Eight million of the poor are Negroes. One million are Puerto Ricans and three and one-half million are Spanish-Americans. Two and three-tenths millions are fatherless families. Six and eight-tenths millions are heads of families over age sixty-

five. Forty percent of Negro male workers have incomes of less than \$2,000.00 per year; and the median income of Negro men is about one-half that of the white men. There is no wonder we must wage war on poverty!

What does this bespeak of a country which is often referred to as "A Gospel Land and a Bible Country?" Yes, there is enough to go around; but it is just not being passed around. It reminds us of the communion service where the custom was to pass the wine glass around for each to take a sip, and pass it on to the next person. When it reached one certain man, he turned the glass up to his lips and drank all of the wine from the cup; of course, leaving none for the others to partake. In so much of our dealing, there is nothing left for our neighbor.

Has the church any message for this kind of behavior? Do the fortunate ones among us care enough to share? Dr. E. Stanley Jones says, "Christians are those who care."

Is there not too much of the spirit of the little girl who said:

"I gave a little party this afternoon at three; 'Twas very small, three guests in all, just I, myself and me. Myself ate up all the sandwiches, while I drank up the tea. It was I who ate the pie, and passed the cake to me."

In the implementation of The Great Society ideal, the National Government, through Economic Opportunity, has launched various projects for human improvement. Shall we not use these new advantages profitably? One cannot be helped unless he is willing to help himself. The physician cannot heal the patient who does not want to get well. The lawyer cannot defend the client unless the client desires defense. The teacher cannot teach the pupil unless the pupil wants to learn. The social worker cannot restore the degenerate, unless the degenerate wants to reform. Let us not be indifferent, but let us enthusiastically take hold of the last chance which can save us from economic ruin.

May I repeat a story I once heard of a Negro who clashed with the cook at the white folks house? Sam, working at the white folks house in Mississippi, had been given a biscuit crust for his breakfast. The cook saw him dip his crust into the ham gravy prepared for the white folk's breakfast. The cook, in disgust, went immediately and told her mistress what she had seen Sam do. The Mistress, in turn, scolded Sam quite severely for the offense he had committed. This scolding did something to Sam, so he faded away out of that community. One day after ten years of silence, the mistress on her front porch spied a big black man driving two sleek black mules, pulling a new wagon loaded with three bales of cotton. Arriving at the front of the house, the driver, speaking to the mules said, "W-o-o!" Seeing this sight, the mistress exclaimed, "Lord-de, is that you Sam! Where in the world have you been, and what have you been doing?" "Yes, Miss Mary, dis is me. I been with my family, down in de Mississippi bottoms, dipping my crust in my own ham gravy."

Does this story speak to any of us today?

EDUCATIONAL PREPARATION

The apostle Paul admonished us to study to show ourselves, workmen, approved unto God. Jesus, himself sought instruction from the wise men in the temple. The Greeks of old, held education in high esteem.

In this age where competition is so keen, and in every area of life, so demanding, education and training have become increasingly vital to human welfare.

We hear much about population-explosion and birth control these days. What do these mean? Ex-Senator Kenneth Keating of New York, in a newspaper article of July 11, 1965, said that "rapid population growth is one of the most serious problems confronting the world today. Every 21 hours enough children are born to populate a city the size of Rochester, New York. In the next fifteen years there will be one billion more people on the globe."

The problem is serious because one-half of the three and one-third billions of the world population go to bed hungry every night or suffer malnutrition. The situation is worsening every year, and history tells us that war follows in the wake of such human misery. This problem exists because modern science has

miraculously reduced the death rate, but not the birth rate. Today, twice as many people are being born as die.

In addition to our population increase, America is spending billions of dollars in foreign aid to improve living conditions throughout the world; but the population growth is destroying these aid programs faster than we can finance them. Many of us are abreast with the views of the Catholic church regarding birth curbs, and their disagreement on the means of what should be done.

What does the Senator mean? Does he mean that God's world is too small and the amount of His substance too deplete to make adequate provision for His people? The truth of the matter seems to be that there are too many people who have not been educated into providing for themselves, and are consequently a burden on society. This does not refer to the physically infirm or handicapped or mentally ill; but it refers rather to those who sneer at opportunities to prepare for living a profitable life. The school-drop-outs are a case in point. Now obviously we cannot embark upon a spree of killing people off, until we get the Population down to the number our known resources will adequately provide for; nor can we afford to entertain the idea of curtailing our attempts at prolonging life. The solution to the problem would seem to lie in an extensive education and training program.

The Peace Corps has much to do right here at home. Here again is an area where the Negro needs most help. Some reports say that 74.4% of Negroes that are 25 years or older have not completed their high school training. If we accept these statistics, this is a sad state of affairs.

Negroes have long since passed from the mere farm hand era, and through the ordinary industrial era, into the age of technology, with its missiles, rockets, satellites. There is very little in this for this 74.4%. We must insist that our children remain in school, and obtain knowledge. We must expose them to good books, cultural entertainment, physical fitness programs and wholesome sport activities. "Shoot-em-ups," cartoons, rock and roll shows and soap box operas are not absolutely undesirable T.V. entertainment, but we must insist that our youngsters also watch news programs, public affairs programs and documentaries, in order that they will know what's going on in the world. Yes, we have a long way to go in educational preparation, but let's be on our way. Let's do our homework.

Daniel Webster said, "If we work upon marble, it will perish; if on brass, time will efface it; if we rear temples, they will crumble into dust; but if we work upon immortal minds, and imbue them with principles, with just fear of God and love of our fellowmen, we engrave on those tablets something that will brighten to all eternity."

SOCIAL PREPARATION

Social preparation requires the equality of mankind under God. The struggle of minorities for equality is not new. Oppressed people as far back as the tribal days, have been seeking freedom from their oppressors. Through the ages, the world has experienced revolutions. The Russian Revolution, the French Revolution, The American Revolution, and, in modern times, the struggle of the New African nations for self rule, and Civil Rights movements of the American Negro.

The Negro, however, must prepare himself to assume an equal role in building an ideal social order. It is common knowledge that in the process of preparation, he is behind in every area. Has your house ever become so disorderly that you had to straighten up before you could clean up? Do we not find ourselves in this situation?

Whatever we think of some statistics, please permit me to quote from U.S. News and World Report, June 21, 1965. These may surprise us, aggravate us, tell us, or even, jolt us, but they do not merit some reflection. According to the records, 61% of all illegitimate births in the United States are among Negroes, 23% of all Negro births are illegitimate, (as compared with 2.5% of white births), 21.3% of Negro women are separated or divorced from their husbands as compared with 4.3% of white women.

Granted that there might be certain unrecorded statistics which, if revealed, might explain and even off-set some of those quoted here in this address.

there remains enough truth perhaps to suggest that some of us are too slow in "getting the point." There is the all important task of "Catching up" and "Catching on." I am not sure that some interpret correctly the purpose of the Civil Rights Movement. Some perhaps think that the objective is to "take over," when we are actually trying to "over-take." Some use legitimate protest rallies as opportunities for pilfering, rioting, and vandalizing. Some think we are seeking preferences, when we are rather seeking opportunities. Some think we are attempting to subdue the social order, when our objective is to undo social disorder. Some are trying to over-do when the objective is to overcome.

We must "Catch on" to good manners, industriousness, community participation (contribute our time and money to community projects); and do all within our power to help citizens to comply with the laws regarding integration. We must manifest a deeper interest in politics and good government; and those of us who are privileged to do so, must vote so as to establish and maintain the type of government which will protect the constitutional rights of all mankind.

Civil Rights, however, is not exclusively for Negroes, but is the right of all people to enjoy free Society and "A Great Society". The Negro will never be able to "go it alone"; but must look to and seek the cooperation of all men of good-will. Therefore, before we so quickly speak up and act up, we must be sure to wake up for they who talk and perform in their sleep are often known in our efforts before we get started. Let's do more thinking and less talking. Let's have more lightening and less thunder. Let's learn to trust one another, and conduct ourselves in such a manner that we can be trusted. We must substitute constant concern for complacency. We must cease to feel sorry for ourselves; but must appreciate the greatness of the past out of which we have emerged. Read, Africa's Gift to America; read "A Pictorial History of the Negro in America"; Re-read the Time Magazine—The January 3, 1964 issue which cover page bears the likeness of Dr. Martin Luther King, Jr. Read the late W. E. B. Dubois' article, "Behold the Land." Read Rev. Fred Shuttlesworth's article "Birmingham Shall be Free Someday." Read Benajah Richardson's articles "Sweet Bye and Bye" and "That's All Right." Read Gloria Richardson's "Focus On Cambridge." Read the new integrated History books. See that our children have access to these books which deal with all people. Much of this can be done through Parent Teacher Associations. Then we must discover our power, and pray to God that He will grant us wisdom to use it rightly. Of course society owes the Negro and all other minorities a debt—the deprivation of the Negro of his inherent rights for more than one hundred years. So do these groups of people owe society a debt. First class citizenship carries first class responsibilities. We cannot forever hide some of our people beneath the protective covering of excuses. Knifings, alcoholism, dope and prostitution are inconsistent with good citizenship. Yes, we owe a debt. Let's add up and pay up.

The home is certainly one of the most important institutions of our Social structure. "What therefore God has joined together, Let no man put asunder." These words constitute the climax of the sacred marriage vows, and yet in our modern society they appear to have become weak. The family is the backbone of this great order which we call the Kingdom of God. It was designed by God; for He said, "Be fruitful and multiply and replenish the earth, and subdue it. Again, referring to statistics, the divorce rate among Negro women is slightly more than four times that of white women. So there is needed more "catching on" in the matter of Negro family life. Let us acquire more respect for the family, so that our children will not have three strikes against them even before they have an opportunity to "come to bat."

We must face the fact, however, that the technological changes in our economy account for some of the friction in homes, due to loss of jobs.

Nevertheless, in spite of changes, we must be mindful that out of the families must come the women and men who must shape and guide the future destinies of our nation and of the world. With this end in view, husbands, wives, and children must have mutual respect and love for one another. Their lives must be God-centered. The children must share in the building and enrichment of home

and family life; and home, I believe, must be our children's headquarters. This, would reduce, in some cases, possibly eliminate, broken homes, illegitimacy, crime and delinquency. Here, again, lies the challenge. A Great Society demands stable home and family life.

MORAL PREPARATION

What is right and what is wrong?

Man has a tendency to set his own moral standards—to compile his own code of ethics—to map his own course of conduct. Socrates, the father of philosophy said, "men misbehave because they do not know any better." It is, however, indisputable that man rationalizes improper conduct where it meets his fancy. The thief tries always to justify the theft: the adulterer, the adultery; the divorcee, the divorce; the liar, the lie; the alcoholic, the alcoholism; the dope addict, the addiction; and even the murderer, the murder. God, however, gave Moses a universal Code of Morals, more commonly known as the Ten Commandments. These embrace the dos and don'ts of every known right and wrong course of conduct. To prepare for the Kingdom, morally, we must adhere to this code.

Today, we hear much about "New Morality". Is there need for a new concept? Has the old failed? Have we courage to stand by our convictions? Some youths would like to know what we think of and advise about this so-called New Morality.

Dr. Billy Graham, in his second message to the Baptist World Congress at Miami, Florida, said, "The New Morality is the old immorality brought up to date." He further said, "All that is happening in ethics today with its emphasis on sexual permissiveness, based on the idea that love gives freedom from the law, is described in several scriptures to which he referred. He then warned that God's law against adultery has not changed. Are we not inclined to agree with Dr. Graham?"

My Sisters, I earnestly entreat you to lead in the light of the fact that good leadership cannot divorce itself from good morals; for as someone has said, "Morality does not make a Christian, yet no man can be Christian without it." Here we would be reminded also of a quote from Shakespeare's Hamlet—"This above all: To thine ownself be true; And it must follow as the night the day, thou canst not then be false to any man."

If President Johnson's dreams of a Great Society materialize; even if every man, woman and child acquires social status, if all people become educated, and even if we all acquire enough material wealth for frugal living, will this mean everything is in readiness for the Kingdom?

The Prodigal Son demanded his portion of material wealth, which, when granted, prepared him economically. He did not become a whole man however, until he came to himself, avowed to arise, and went to his father and repented. The Rich, young Ruler was a man of wealth and of social prominence and power, but Jesus told him, one thing thou lackest. Saul of Tarsus was learned, but did not become a whole man, until he inquired, "Lord what will thou have me to do?"

A short time ago I was in a jet plane thirty thousand feet in the air. One of the stewardesses came and sat beside me, and we engaged in a conversation about our respective vocations. I asked her if she were a church woman. She replied, "No," and added, "but I have been thinking about it; and though I have a career, I feel the need of something to hold on to." Thanks be to God for the privilege of saying to the young woman, "It is God's unchanging hand you need." I talked further to her about the faith she needs, gave her a New Testament, and urged her to read it carefully. The young woman thanked me and said, "I hope to see you again."

The call to Christian action is not a call to bring in the Kingdom on one's shoulders. Indeed, the Kingdom of God is not dependent upon us. God moves in mysterious ways. We are not even called upon to win great victories in the cause of Christ. But we are called upon to witness the reality of the fact of the Kingdom—for it lies in and around us—this "rule of God"—prepared from the foundation of the world.

Still faithful to our God,
And to our Captain true,
We follow where He leads the way.
The Kingdom in our view.

In the Kingdom of God, the great order for which all things were designed, Women have a distinctive role to play. We were included in God's original plan. We are Daughters of the King; but this relationship is not without price.

Jesus shall reign wher'e the sun,
Does his successive journeys run;
His kingdom stretch from shore to shore
Till moons shall wax and wane no more.

Let every creature rise and bring
Peculiar honors to our King;
Angels descend with songs again,
And earth repeat the loud Amen.

ANNUAL ECHOES FROM THE HOME MISSION BOARD TO THE WOMAN'S CONVENTION AUXILIARY, N. B. C., U. S. A., INC.

By Charles P. Harris, D. D., Board Cor. Sec'y
Jacksonville, Florida—September 8, 1965

President Ross, Officers, Delegates and Visitors of The Woman's Convention, Auxiliary to the National Baptist Convention, U.S.A., Inc.:

I wish you to know of my personal and official appreciation, along with the gratitude of our Home Mission Board, for your great kindness and consideration in giving your crowded program in allowing me briefly to greet you and represent the work of our Board. I cannot but note that this is not the first time that you have thus shared your precious time with the Home Mission phase of our great Convention program, for since the first year of Dr. Ross' Administration you have been consistent in your annual recognition of our Board, so often thought of and sometimes treated as the step-child of our great National Baptist Family. We do not feel—and are encouraged to know that you do not feel—that this is the true status of the Home Mission Board in the over-all organization of our National Board. We feel—and are glad to know that you also feel—that the Home Mission Board, too, has a legitimate place at the table of our great Baptist Family and before the Family Altar. We feel—and are happy to know that you also feel—that there is more than literary esthetics in the Biblical declaration of St. Paul that, "The eye cannot say to the hand, I have no need of thee: nor again the head to the feet, I have no need of you." But God hath tempered the body together. . . . That there should be no schism in the body; but that the members should have the same care one for another. And whether one member suffer, all members suffer with it; or one member be honored, all members rejoice with it. . . . Ye are one body in Christ." (1 Cor. 12:21, 24, 25, 26, 27)

But although you have been exceedingly and consistently gracious in giving place annually on your chock-full program to allow me to represent the Home Mission work, yet I cannot help but feel that somehow and somewhere along the line obviously I must have failed effectively to lay the work and needs of our work upon our individual hearts. For, although you as a Convention have given regular support to our work—just as you were doing prior to my annual appearances—yet I am afraid I cannot boast of a single individual or mission circle convert to the support of our Board that has been won by my annual appearances before you. To paraphrase a familiar TV advertisement—for the possible bad taste for which I trust you will pardon me—"I must be doing something wrong." Whatever that "something wrong" may be, I beg you to overlook it and give our worthy and needy Home Mission work your individual support—and go back home and urge your church and/or mission circle to do the same. We need your financial support, in whatever amounts your hearts dictate and your purses will allow.

At this finality point of these remarks let me call your attention to just one of the several projects of our Home Mission Board: I have reference to the Walter H. Brooks Baptist Student Club off the campus of Howard University in Washington, D. C. I shall not take the time to go into the details of the schedule and program of the interest of the more than 1,500 Baptist youth studying at this great institution of higher education—for these details are available at our Home Mission booth direct from Chaplain Jerry A. Moore at the Club House, 2123 First Street, N.W., Washington, D. C. Here I shall speak only of the financial status of the project.

As you probably know, this project is the baby of this your Woman's Convention, having been begun by your illustrious and beloved late President, Dr. Nannie Helen Burroughs and others supporting the idea. The name was given in honor of the distinguished Pastor of President Burroughs, the eminent late Dr. Walter H. Brooks, for some fifty years pastor of the great 19th Street Baptist Church of Washington, of which Dr. Burroughs was a member from childhood. For a number of years your Woman's Convention contributed \$1,000 annually to the support of this project—\$500 on the two mortgages and \$500 for the salary of the Club's Chaplain. We gratefully acknowledge and greatly appreciate the continued annual contribution from the Woman's Convention which necessity has temporarily reduced in amount—which circumstances, we trust, are in their final stage.

Our Home Mission Board initially paid the greater part of the Chaplain's salary with your Woman's Convention taking care of \$500 of this item annually—the an-

annual salary being \$1,200. Also initially, the Club's Trustee Board took care of the mortgages on the property with our Home Mission Board furnishing household necessities and club supplies. However, since 1959 our Home Mission Board has carried the whole responsibility which amounts to \$151.09 on the two mortgages, \$100 per month Chaplain's salary, \$50 per month for office help and student aid fund and approximately \$50 per month for miscellaneous expenditures—making a grand total of about \$400 per month spent by our Home Mission Board on this project which, by the grace of the Woman's Convention, came into being. This statement is not meant to be facetious or sarcastic for, indeed, I believe that the Walter H. Brooks Baptist Students Club is one of the most current and potentially effective of the many fine projects of your great Convention.

I am happy to report that our Home Mission Board paid off the balance on the second mortgage on this property a few weeks ago. We are now making desperate efforts to pay off the balance of slightly less than \$4,000 due on the first mortgage in time to follow your recent example by having a mortgage-burning in Hot Springs in January. To this end I recently sent out 3,000 letters asking for the ridiculously small sum of \$1 or more. An Honor Scroll carrying the names of all who contribute one dollar or more in this effort will be placed on the reception room wall of the Brooks Club house and carried in the columns of our Home Mission Journal and in our next Annual Report. Is not that quite a bargain for a minimum contribution of \$1? Would it not be a fine thing to have the name of every woman here present placed on this forth-coming "Scroll of Honor"? With the kind permission of your gracious presiding officer and President Ross we will have a representative of our Board present at the close of this session to receive your gift and record your names. Should this not be convenient, you may make your gifts and have your names recorded at our Home Mission booth in the exhibit hall at the Auditorium.

Again I wish sincerely and humbly to thank Dr. Ross and your Program Committee for granting our Home Mission Board a hearing, and thank you fine ladies for listening to my words.

May God bless you, each and everyone!

TREASURER'S REPORT

Jacksonville, Fla.
Sept. 9, 1965

Madam, President, Officers, Messengers, Ministers and Friends—Greetings:

To every one of us is given a trust, a life to live, some work to do, opportunity to serve and a chance to witness to the goodness of God.

Love is the tie that binds this great family of ours—(The Woman's Convention, Aux., N. B. C., U. S. A., Inc.) together with a spirit of cooperation. To make this work a success—I believe that understanding, faith, a common interest and the spirit of unselfish love is responsible for whatever we have achieved. We have truly come by faith. The times in which we live are a trial to faith, but they are a challenge to Christianity. God will guide us through the most difficult places if we will only let Him. He is saying to us today: Fear thou not, for I am with thee, be not dismayed, for I am thy God; I will strengthen thee, Yea, I will uphold thee with the right hand of righteousness. Fear not for I have redeemed thee, thou art mine.

In submitting to you my annual report, I humbly acknowledge the goodness of God, and the Spirit of His presence which has actuated the service I have endeavored to render. The greatest reward for service rendered is His smile of approval and His words of "Well-done."

The work which has been trusted to me—I have done as usual to the best of my ability, and as best I could to the interest of all concerned. I thank you for the privilege to serve you; and I have tried to fill all duties that the office required.

Respectfully submitted,

Yours in His Service,

Margery E. Gaillard, Treas.

COMMENTS ON FINANCIAL REPORT OF "THE MISSION"

The printing of the Mission began with the fourth quarter of 1962 and has continued for each quarter thru the present issue of the third quarter of 1965.

The total copies printed to date has been 348,660 at a cost of \$63,372.08. This period of operation has been profitable in experience to the editor and staff and has brought benefits to the subscribers through knowledge and inspiration. Although we have been operating at a financial loss during this period, it is our hope to put The Mission on a self-supporting basis during the next fiscal period.

The first step in this direction has been to place the National Baptist Woman under a separate editor who is Miss Pansy L. Borders of East Orange, New Jersey in January of this year.

We are also endeavoring to stabilize our subscribers for each quarter so that we may estimate our printing requirements more accurately. This will prevent additional costs arising from over or under estimating our requirements for quarterly printing.

We are also in the process of exploring the possibility of getting the Publishing House to service our larger dealers.

Our long range plan is to publish the Mission annually. This would reduce our cost for freight, postage and handling and possibly printing.

Many subscribers are not aware of the cost of postage that should be remitted with each order. This necessitates additional billing or sometimes an unrecovered cost.

You may be sure that every effort will be made to bring you an interesting and enlightening Mission each quarter at the lowest possible cost which could put the Mission on a self supporting basis during the next fiscal year.

**REPORT OF THE PUBLIC RELATIONS COMMITTEE OF THE WOMAN'S
CONVENTION AUXILIARY, NATIONAL BAPTIST CONVENTION, USA, INC.**

Jacksonville, Florida, September 10, 1965

The Public Relations Committee of the Woman's Convention Auxiliary, National Baptist Convention, USA, Inc., wishes to make the following report:

A Press Luncheon was held in the dining room of Shiloh Baptist Church for President Mary O. Ross on Wednesday at 1 p.m.

A Press Kit was given to each of the following news media:

WAPE Radio Station, WBIX, WDCJ, WIVY, WJAX, WKTV, WMBR, WOBS, WFDQ, WQIK, WRHC and WZOK, all Radio Stations; WFGA-TV, WJXT, both Television Stations; The Florida Star, Florida Times Union and Journal, all Newspapers and the Associated Press.

Cooperation from the Press has been wonderful. When our President arrived at the airport, the local Courtesy Committee with General Chairman, Mrs. Williams and Mrs. Rice and the attractive ladies with Mrs. Ella Norton as Chairman met her on Sunday. Also, Television Channel No. 4 covered her arrival and the news photographers were on hand making pictures which appeared in the newspapers.

A continuous story of the Woman's Convention and its work has been told on various radio and television stations and in the newspapers. And, the story of the work of our president was told in the newspaper.

In addition to the above mentioned service, there were pictures of various delegates and officers of the convention appearing in the newspapers. And, there was a MOTORCADE TO BRING our president from the airport to her suite in the George Washington Hotel downtown.

A MOTORCADE, with Police Escort, also carried the President from the George Washington Hotel to the Shiloh Baptist Church where she officially opened the Annual Sessions on Wednesday morning.

CARS FOR DR. ROSS—We must say "Thanks" to the Courtesy Committee for providing a 4-door Cadillac for President Ross, who enjoyed the service and air-conditioning daily. Mr. George F. Smith, Emanuel Baptist Church, driver for Mrs. Ross is to be commended for his patience and loyalty during the week.

Our Committee, with the help of the local Courtesy Committee, provided transportation for Dr. Ross and many of the officers and committee members to and from their hotels and the coliseum when they were requested to attend a meeting there at any time.

A Scrap Book, engraved in gold with the Name and Office held for our President, Vice-President, Mrs. Susie C. Holley and Second Vice-President, Mrs. Blanch N. Carter.

The Books included a daily bulletin for each day, newspaper clippings from various newspapers, all concerning the Woman's Convention and the parent body; pictures of activities of the convention, an identical Press Kit as was given to the working press (including information on every phase of the Woman's Convention).

We published a Daily Bulletin with a report of programs and activities of the various features every day. A kit with a Daily Bulletin, was given to each elected officer of the convention and presented to them during the sessions.

We sent a letter to various workers in the states, presenting a program for the convention. We did not start our work in time for a complete success but we

are starting now for a grand success in 1966. However, we are grateful to those women, who came and made a report for the committee, although they received their directions late. And, we thank the following persons for bringing a VERY INFORMATIVE SCRAPBOOK:

FOURTH ANNUAL REPORT OF
 MRS. ZEE ANDERSON BARRON, NATIONAL DIRECTOR

Of the Young People's Department of the Woman's Convention, Auxiliary to
 the National Baptist Convention, U.S.A., Incorporated. Submitted at Zion
 Hope Baptist Church, 1198 W. Church Street, Jacksonville, Florida.

September 7-12, 1965

REPORT

President Ross, Officers and Members of the Woman's Convention, U.S.A.,
 Incorporated, Regional, State and Local Youth Directors, Officers, Delegates
 and Friends of the National Young People's Department—Greetings.

"Thanks be to God who giveth us the victory." We are assembled in
 the Fortieth Annual Session of the National Young People's Department.
 Sometime ago there was a popular book on the market entitled—"Life Begins
 at Forty." If that author's philosophy is correct—The National Young Peo-
 ple's Department begins a new life this year. The department has "come of
 age." We are ready now to really try our wings.

The foundation was laid by National Directors Craig and Frye. Those
 of us who followed have been building on that foundation. You here to-
 day represent the house we have built. What you are in this Christian
 race—we have fashioned. While we are here I want to call the roll of the
 years and find out where you came in.

We are happy to be meeting in the home state of our beloved Vice
 President Holley and the adopted state of our warm-hearted Southern Direc-
 tor Corenne Watts.

I am glad we are celebrating our Fortieth Anniversary in Florida, the
 land of sunshine and flowers. A state that lives up to the nickname of
 Alligator State at the same time that it bears the name of the state of mock-
 ing birds and orange blossoms. Florida whose motto is: "In God We Trust."
 The state in which Ponce de Leon discovered the Fountain of Youth.
 It is significant that we are meeting in Florida for these reasons and many
 others. This is the "Go State" for a "Go Generation." The famous Cape
 Canaveral now Cape Kennedy is located in this state, so we—the "Go Gen-
 eration" have come to the "Go State" to reflect, evaluate our history and
 determine where we are headed.

Florida is noted for its fisheries, resorts and industries, but most of all
 for its springs and for perhaps the largest output of water in the United
 States. It is noted for many rivers, but most distinctive of all—The St. John
 which defies the current flow of ordinary rivers and flows up stream for
 about 90 miles. We are told it flows east and west—curves and then flows
 into the Atlantic. Yes, we are challenged by the history of this unusual
 state and glad to be here.

1965 CONVENTION THEME

Our Convention Theme: "The Go Generation Where Headed?" is very
 appropriate for this age in which we live.

"Go Go." "All systems are go" are familiar expression to all Americans
 today. Whether it is shouted from the stage of "Hullabaloo," the Space
 Center at Cape Kennedy or on a Cattle Drive. "G. O." means Go. "Move
 out."

Yes, we are all on the Go, but the question is—where are we headed?
 In one of the most critical periods of his spectacular career the Apostle
 Paul, taking stock of himself, wrote to his friends in the distant city of
 Philippi, saying: "I propose to forget what is behind me, and I will strain
 forward to what is ahead, pressing on in the direction of the upward call of
 God."

The first fact to determine in answering the question where are you
 headed? is WHERE YOU ARE.

In attempting to determine where we are, as individuals, it will help
 greatly if we will sit down quietly, ask ourselves a few questions, and
 answer them with complete candor. Because no one need ever see the
 answers, aside from ourselves, we can afford to be absolutely relentless in
 our honesty. Only so can we enjoy the profit the exercise will pay. Ask
 yourself these questions young friends:

Is my religion making any real difference in my life?

Do my prayers produce any actual power?

Am I the real owner of my possessions or do my possessions possess
 me?

Are my present attitudes producing for me the results I really want
 in my life?

In what respect is my life unsatisfactory, and what can I do to make
 it different?

If I should suddenly lose all I own, how much would I be worth?

How sure am I of God?

How sure am I of myself?

How much of a disappointment does it take to make me bitter?

Am I a difficult person to live with?

How heavy are the demands I am making on my loved ones?

Can I be trusted to keep my word when the going gets really tough?

Sig.—13

Am I the master of my life, or am I the one who surrenders to his difficulties?

Precisely, WHERE AM I?

Now that you know where you are, let's see—Where do you think you are going? The word THINK is an important word in the question. It is so easy to THINK we are going in one direction when, actually we are speeding in another. There was the commuter, for instance, who boarded a Chicago elevated train THINKING it was headed for Evanston, and who did not discover his mistake until he happened to glance out the window of the coach and see the Southside "Jackson Park" on a station platform. THINKING had not clunged the direction of the train, no matter how honest or sincere he had been in his thinking. One of our Negro spirituals voices a timely warning when it says, "Everybody talking 'bout heab'n ain't going dere."

We would all be wise to take a little time off from the mad struggle for existence to ask ourselves—Suppose I arrive at the point toward which I am driving so furiously, will I then be where I want to be?

When we get to the moon then what? One of the attractions at the World's Fair is "To The Moon and Beyond." I wondered as I looked at it—Beyond and then what? Will that mean we have found what we are searching for?

Scientific advances have made man's life easier and have extended his horizons. But man's inhumanity to man continues, and today these same technological developments can bring total destruction. This is an age of science, automation, and labor saving devices, but it is also an age of anxiety and tension. A restless age, a moving age, a searching age. How can we achieve security? How can we find peace of mind, how can we find true happiness? Is it all to be found in the abundance of things or the accumulation of knowledge?

No, I believe it is the "prize of the high calling of God." That call is sounding in every hymn we sing, in the pages of our Bible, in every cry of need that resounds within our conscience and every holy cause that seeks to enlist us in a crusade for righteousness.

I believe with the Apostle Paul that when we reach forth unto those things that are before, we are pressing toward the "high calling of God."

Beside the highway which runs through Port Gibson in my home state, Mississippi, there stands an old brick Presbyterian Church surmounted by a slender steeple that stretches up into the blue. Atop the spire there is the figure of a human hand with the index finger extending and pointing toward the heavens. The old settlers say that some generations ago the church had a venerable old pastor whose favorite gesture in the pulpit was the up-raised hand and the extended forefinger, always pointing in the direction of the Infinite. When he died, the congregation, in seeking to honor his memory, arranged to have the figure of his hand set atop the steeple. Through all of the years since his death this pastor has continued his ministry in effective and eloquent silence symbolic of the "Upward call of God." The steeple of the Port Gibson Church and every church calls men to lift their thoughts upward toward high and holy things.

Where are you headed? Are you pressing toward the mark of the high calling of God in Christ Jesus?

PROGRESS ON NEEDS

We have made progress on our expressed needs. We have some literature on the market now. THE GUIDE FOR CHRISTIAN YOUNG PEOPLE, and our devotional magazine THE LIGHT are being used by many of our Youth Workers, but we still need more subscribers. We need writers for the magazine. We talked of making a package of material but we haven't gotten it out of the talking stage yet. I hope by the next session we can

have such a pack ready. I have one article for it, a playlet written by one of the Camp Counselors this summer.

We need more orders for the Emblem Pin.

President Ross plans to burn the mortgage on our National Youth Camp in this session. We had an excellent Camping Season but not nearly enough Campers to warrant calling it a National Camp. You must send some Campers to Constantine.

We regret to admit that we have not yet done anything about Scholarships. President Ross and I have discussed it and we promise you we shall do something tangible on the Scholarships next year.

You failed to support the Tags so the Seniors advised us to discontinue them. I still think "Tag Day" is a good idea. Why don't you cause the Seniors to give us another chance at it?

We have increased our numbers slightly but we are still in great need of more societies and a larger National representation.

I believe Director Winston and her workers in the East are leading the Department in Workshops, Conferences and Institutes. I hope the other Regions will follow suit. We cannot grow, if we do not know. We must "Study to show ourselves approved . . . workmen that need not be ashamed."

The Sunbeams came to us 100 strong last year. That points up the need of a Sunbeam division and Director, Mrs. Stanton has carried on beautifully, but she needs official status.

We still need to give more thought to the Red Circle Division of our department. Forty Years ago it was our only division. What can we do to give more emphasis to the Red Circle Girls?

Some boys came knocking on our doors last year. It pained us to tell them they could not function as bona fide members of the National Young People's Department. They belong to the Laymen. We need them over here and they want to be here. The Go Generation believes in working together. What can we do about that?

ACTIVITIES

This has been an eventful year. There have been many opportunities to share in the extension of God's Kingdom on earth.

NATIONAL MEETINGS ATTENDED

The Mid-Winter Board Meeting in Hot Springs, Arkansas afforded me an opportunity to meet with the Youth Directors, Officers and Workers who were present. We made plans which we are carrying out in this meeting.

I attended two Planning Conferences of the National Youth Camp Board on our grounds in Constantine, Michigan.

In April I shared in the program of the National Baptist Student Union Retreat held on the Campus of Howard University, Washington, D. C. The Baptist Student Union is the link between the College and University Student and the Baptist Church. I always leave these Retreats refreshed, rejuvenated and full of hope for the future of our Baptist Youth and Christian Youth work.

June was full of challenging experiences. Although no funds are provided for such, I try to attend all meetings that will give me information and inspiration to carry on this important task of Christian Youth development.

I attended the National S. S. and B. T. U. Congress in Tulsa, Oklahoma. I was able to meet with some of the Youth leaders there and receive suggestions for the National Program. We had a profitable meeting of the Past Officers' Council. President Emeritus Tiny Leake felt so keenly her duty to the Council that she turned down an invitation to President Johnson's inauguration to attend our meeting. It's that kind of dedication that has kept our department going strong for forty years.

Later in June I shared in the history-making Session of the Baptist World Alliance held in Miami Beach and Greater Miami. You have already heard that we elected Dr. William Tolbert of Liberia, Africa as President. During

this Convention we shall give you a pictorial report of the Alliance highlights.

SPEAKING ENGAGEMENTS

The speaking engagements I have filled since our last session are too numerous to mention in detail at this time. I do want to express my profound thanks to all who have invited me to serve as guest Speaker on various occasions, and express regrets to those whose invitations I could not accept. Please ask me again.

COORDINATED YOUTH CAMP PROGRAM

I went directly from the Baptist World Alliance Meeting to our National Baptist Youth Camp in Constantine, Michigan. Our National Camping period was held June 4-17, 1965.

We had a fine group of Young Campers from Wisconsin, Michigan, Illinois, Indiana, Ohio.

We engaged in a Program of worship, Fun and Fellowship centered around the theme: "That They Might Have Life." We were quite fortunate this year to have a Camp Pastor. A recent graduate of the American Baptist Theological Seminary volunteered his services as Pastor and Counselor for boys. He is the Rev. Fred L. Crouther of Milwaukee, Wisconsin. Rev. Crouther lifted us all with his spiritual messages. As a result of Rev. Crouther's spiritual guidance and counsel and the teaching received by other counselors, five young campers professed a hope in Christ. They were referred to their home Churches for baptism and membership. My friends, that is reason enough for supporting our National Youth Camp.

The Counselors to whom we are indebted for volunteer camp service are: Mrs. Sudie E. Tatum, Wisconsin, Missions Instructor and Assembly Chairman; Mrs. Maude Toney, Wisconsin, Recreation and Special Programs; Mrs. Clara Guster, Indiana, House Mother, Bible Study and Crafts; Mrs. Julia Childs, Wisconsin, House Mother and Crafts; Mrs. Emma Phillips, Ohio, Counselor Worship, Music and Bible Study; Miss Mary Louise Minor, R. N., Indiana, Camp Nurse; Mrs. Eloise Carter, Wisconsin, Counselor; Rev. F. L. Crouther, Wisconsin, Camp Pastor and Boys' Counselor; Mrs. Lula M. Haynes, Michigan, Worship Leader; Mrs. Pearl Sanders, Ohio, Dietitian; Mrs. Tatum, Ohio, Chef Cook and Mr. Floyd Russell Custodian Transportation. We sorely missed the services of Southern Director Watts who has directed Program activities since we opened Camp. She was unable to be with us this year. In the absence of our music teacher one of the Campers from Wisconsin served as Pianist.

We are grateful to Mrs. Ruby Robertson, Mrs. Thelma Phillips and others for bringing groups of Day Campers.

We thank our Camp Administrators for their contribution to the success of our Camp. Dr. Mary O. Ross, National President, Dr. Clyde Adams, Chairman of Board, Mrs. Hattie Drinks, National Camp Director, Mrs. Sudie Tatum, Associate Director, Mr. S. E. Grinstead, National B. S. U. Director, Camp Program Consultant and Producer, Mrs. Marsetta Wells, Secretary of Camp Board and National Director, Zee Anderson Barron, Co-chairman of Board and Coordinator of all Camp Program Activities.

Camp Director Drinks is giving a detailed report of our Camping Season so I shall not give it here. All of our hats should be doffed to Director Drinks for her untiring, dedicated, loyal Camp service. She works hard day and night, drives miles and miles in order to carry on the Camp Program. There is no way to pay for the service Mrs. Drinks renders to our Camp.

We have decided to keep on witnessing, keep on working for our National Baptist Youth Camp, no turning back, no turning back. Won't you help us?

MY PRAYER OR REDEDICATION

St. Francis of Assisi expresses my sentiments in his prayer and I pray with him, quote:

LORD

make me an instrument of Your peace;
Where there is hatred, let me sow love;
Where there is injury, pardon;
Where there is doubt, faith;
Where there is despair, hope;
Where there is darkness, light, and
Where there is sadness, joy.

O, DIVINE MASTER,

grant that I may not so much
Seek to be consoled as to console;
To be understood as to understand;
To be loved as to love;
For it is in giving that we receive;
It is in pardoning that we are pardoned;
and it is in dying that we are born to eternal life.

APPRECIATION

I want to express my sincere appreciation to President Ross and the Senior State Presidents for providing the leadership, the guidance and the cooperation we needed to carry forward our program this year.

My thanks go also, to the State and District Directors, the Junior Officers, Committee Chairmen, the writers, the Directors and Instructors of the Study Classes, the Program participants, our guests and all who have cooperated in the planning and execution of the Young People's work this year.

I have saved the most important orchid presentation for the last. If I had access to the most beautiful and most expensive orchids available I would give them all to our National Regional Directors. Without them we could do nothing. Thanks—Director Funches for 31 years of directing our finances and "going to the bat" for our Department. Thanks Director Winston for giving the "tone" and creating the Christian atmosphere we've needed. Thanks Director Watts for furnishing the vivacity and the spiritual fervor which undergirds all we do. Remember, you have just begun. "Life begins at forty."

I pray God's richest blessings upon you one and all.

Respectfully submitted,

Zee Anderson Barron, National Director

FORTIETH ANNUAL REPORT

Primrose Funches

Western Director

Serene, I fold my hands and wait,
Nor care wind nor tide nor sea;
I rave no more against time or fate,
For lo! My own shall come to me.

I stay my haste, I make delays
For what avails this eager pace?
I stand amid the eternal ways
And what is mine shall know my race.

Asleep, awake by night or day
The friends I seek are seeking me,
No wind can drive my bark astray
Nor change the tide of destiny.

What matters if I stand alone?
I wait with joy the coming years,
My heart shall reap where it has sown,
And garner up its fruits of tears.

The waters know their own, and draw
The brooks that springs in yonder heights;
So flows the good with equal law
Unto the soul of pure delight.

The stars come nightly to the sky;
The tidal wave unto the sea;
Nor time, nor space, nor deep, nor high,
Can keep my own away from me.

To the honored President of the Women's Convention, Dr. Ross, Directors Barron, Winston, Watts, Delegates to the Women's Convention and Delegates to the Young People's Department.

It is with a great sense of gratitude that I have as I humbly submit my Thirtieth Annual Report of the Young People's Department, Auxiliary to the Woman's Auxiliary of the National Baptist Convention, U.S.A., Inc. of which Dr. J. H. Jackson of Chicago is President and Dr. Mary O. Ross, Detroit, President of Woman's Auxiliary.

It is benefitting that I should give a resume of this department. When the Young People's Department assembled in Jacksonville, Florida this beautiful city of sunshine and flowers thirty years ago, I came delegated from the Mt. Vernon Baptist Church of Chicago representing the Young Woman's Auxiliary and a volunteer worker for the Foreign Mission Board, National Baptist Convention, Dr. J. H. Jackson, Corresponding Secretary, I was elected Western Director of the Young Peo-

ple's Department. Mrs. Leatha L. Craig of Atlanta, Georgia, was National Director, Mrs. Etta Versa Frye, Eastern Director. It was a great privilege to have known and served with these consecrated women. Mrs. Leatha L. Craig was dedicated to the development of Young Christian Women when she expired after a long period of service, we sustained a great loss and greatly missed her. After her death, the convention met in Dallas, Texas. Up to this time we had not elected a Southern Director. (The ruling was that Senior Directors be promoted.) She was elected National Director, Mrs. Bertha Winston of Baltimore, Maryland, Eastern Director, and Mrs. Corine Watts of Birmingham, Alabama, Southern Director.

I have had the privilege of watching the growth and development of this department. I can recall the day when we met in one room with less than 25 delegates and our finance was about \$35.00 for the entire meeting. I have organized more than five hundred Young People's Local Departments and visited every State Young People's Department. I have seen the department grow from around twenty-five delegates to about five hundred. We worked hard and long to develop it. I was appointed Finance Organizer, Project Organizer and Director of Finance by the request of President S. Willie Layton. The Queen Revue, Leatha L. Craig Scholarship, All States Tea and all other committees were named and promoted by me. Therefore our finance grew up to above ten thousand dollars at one time, and a large number of young women who grew up in our department have been promoted to the Women's Convention and are workers there. We are not to hold them back by not giving them appointments, they are to go forward for further service.

We sent to the National Training School in Nashville, Tennessee more than twenty girls. Most of them graduated from the school and are now working as Missionary Workers. Miss Annice Snodgrass is now working as an Educational Worker and Writer at the Sunday School Publishing Board. Some of the girls came from Bahama Islands and are now working as Foreign Missionaries.

We sent to the National Trade and Professional School a large number. Their scholarships were paid by the Young People's Department. The money raised by the Young People was used for Education and Mission.

I have missed one convention in thirty years due to the death of my sister. I had to return from San Francisco, California. I was not present when Mrs. Banks was appointed. This is an elected office and the Directors are officers of the Woman's Convention. The Constitution states same and are to report their activities to the Woman's Convention and not to the Young People's Department. The women must know of the work and sacrifices the Directors make, and the progress made by Directors in developing this section.

Thanks be to God for his unspeakable gift. I have been blessed by God and the Convention to represent this department on foreign soil three times. I was delegated to Copenhagen, Denmark; London, England and Beirut, Lebanon and was given a trip to the Holy Land and all the Eastern Countries each time. For this I am deeply grateful and indebted to this convention. I have walked the streets the Master walked. "How Great Thou Art." I have traveled all over the United States and worked in almost every state. "To God be the Glory, great things He has done" through me. I am a debtor. I know what it is to be criticized, accused, misused, disappointed, but like my Master I gave all to His cause. I can wait on Him.

PRESIDENTS—I have worked with three National Presidents, Mrs. S. Willie Layton, Dr. N. H. Burroughs and Dr. Mary O. Ross.

I was blessed to have known and worked with these consecrated women. Our newly elected President, Dr. Ross made a request that our department prepare its own literature. I have had the responsibility of disposing of it through my convention office. Having it printed and standing for the bills, I must be relieved of this responsibility. The one complaint—The Directors do not use enough of it. **The Light, The New Guide and A Mighty Army** should be in every young people's organization. "Study to shew thyself a workman—not to be ashamed."

FINANCE—I am very proud of the young women that work in our Department of Finance. They are dependable.

COMMITTEES—The All States grows more beautiful each year. The Queen Revue will be presented by Mrs. Wordlaw of Chicago this year. Illinois State Director, Mrs. Sadie Booker, our chairman was promoted to District President. We are very proud when the young women are promoted.

I would like to see some improvement on the Chain Rally. We must raise money

unless we will not be able to make a contribution to the onward growth of our convention. Home Mission, Foreign Mission, Scholarship, Education—all need our support.

We cannot just talk Religion, but we must put Religion in action. The Women's Convention increased our enrollment and representation fees.

THE BAPTIST WORLD'S ALLIANCE

I attended the Baptist World's Alliance in Miami, Florida and was greatly inspired by the meeting where 17,300 delegates, 90 nations represented. They represented twenty-six million Baptist.

I was more greatly inspired. President Ross was on the program. This year a negro was elected President of the Baptist World's Alliance, Dr. William J. Tolbert, Jr., Monrovia, Liberia. It was a great day to see the flag demonstration representing each country. The young people played an active part. Directors Barron, Watts and myself were present.

Dr. Jackson delivered a very inspiring message emphasizing—"the human cry for social justice and man's outreach for deliverance and hope. The expected one had come. The Lord had come, all didn't understand but a few resolved to follow him. When we face him and don't understand him it's good to let him speak to us."

In conclusion—I wish to thank the women of the convention for their loyal support and the Directors for their full cooperation. I am grateful to Mrs. Rosa Kemp for the contribution she has made and for the pageant she has written. To Dr. Boddie for his cooperation. Dr. Boddie, the President of the Seminary has helped us. We are grateful—the Young People gratefully enjoyed Him. He is appearing on the program at the request of the Young People.

I must be relieved of the responsibility of handling the literature also the responsibility of standing for bills for the Department. We have unpaid bills for Tags and Pins. I have no means of paying for them, for two years the tags were sold but the bills were not paid. The young people will not buy the pins. The money is turned over to the Treasurer of the Women's Convention, we do not pay bills. The Women's Convention pays bills. We turn finance over to the Treasurer.

Respectfully Submitted,

Primrose Funches
National Western Director

The world stands out on either side
No wider than the heart is wide;
Above the world is stretched the sky—
No higher than the soul is high.

The heart can push the sea and land
Farther away on either hand;
The soul can split the sky in two,
And let the face of God shine through.

But East and West will pinch the heart
That cannot keep them pushed apart;
And he who's soul is flat—the sky
Will cave on him by and by.

THEME: "THE GO GENERATION—WHERE HEADED?"
SHILOH METROPOLITAN BAPTIST CHURCH

MRS. BERTHA C. WINSTON, National Eastern Director
QUO VADIS

Peter, outworn,
And menaced by the sword,
Shook off the dust of Rome;
And, as he fled,
Met One, with eager face,
Hastening cityward,
And, to his vast amaze,
It was the Lord.

Lord, whither goest Thou?"
He cried, importunate,
And Christ replied, - - -
"Peter, I suffer loss -
I go to take thy place.
To bear thy cross."

Then Peter bowed his head,
Discomforted;
There at the Master's feet,
Found grace complete,
And courage, and new faith,
And turned—with Him,
To death.

So we, - - - - -
Whenever we fail
Of our full duty,
Cast on Him our load, - - -
Who suffered sore for us,
Who frail flesh bore for us,
Who all things bore for us, - -
On Christ, The Lord.

President Ross, Officers and Members of the Woman's Convention; Directors Barron, Funches, Watts; Officers and Delegates to the Young People's Department, National Baptist Convention, U.S.A., Inc.

Friends of the Cause of Christ:
I come before you today with profound gratitude to our heavenly Father, for His manifold mercies, and a deep feeling of appreciation for your generous support and the opportunity of serving you another year as your Eastern Director.

We are meeting in the state where sunshine and fruit bring health and happiness. The home of our Vice President Holley, Directors Watts and Morris, outstanding leaders of our day.

The pleasure is all ours to be in such beautiful surroundings and with such dedicated workers.

My Activities of the Year—

In January I attended the annual meeting of the United Council of Church Women. Among the hundreds of guests were ninety-two foreign students, representing sixteen foreign countries. These students appeared in native costume and gave a dramatic skit.

Several workshops were held with youth participation. Those held outside of the city were well attended even though some had to come very long distances.

A dream came to a reality when a Bible Breakfast and World Pageant was successfully presented during the first week of the year. Our young people represented many foreign countries and dressed accordingly. This was a morning affair and the attendance was gratifying indeed.

In February I presided at our Annual Interracial Workshop and Luncheon sponsored by the Woman's Convention, U. B. M. C. of Md., Mrs. Irene W. Paige, President.

During the Church-Wide Institute in March, a special workshop was held for Ministers and Presidents of Missionary Societies and Young People. Focus was the work of Missions in the various departments of our division.

Easter Week we planned and executed the Workshop of the Young People's Department of the New England Baptist Convention held in Wilmington, Delaware. Mrs. Elizabeth Thomas, is President of the Woman's Convention. Nine eastern states were represented. Attendance about 500. Mrs. Tiny Leuk, Chairman of Christian Education of N.B.C., Inc., and Rev. and Mrs. Faulkner, returned missionaries from Africa were among the leaders in this successful session.

I attended the Regional Conference on Civil Rights for Women of Conscience, sponsored by the National Council of Church Women of the U.S.A. at the Statler Hotel, Washington, D. C. Vice President Humphrey, was the Guest Speaker. This was also held in April.

May—Served as Co-chairman of May Fellowship Day Meetings of the United Council of Church Women of Maryland.

I was invited and appeared at many Woman's Day Services and Missionary Anniversaries for youth and adult groups. I am grateful indeed to our Heavenly Father who was with me and gave me health and strength to work in His vineyard.

It has been a rewarding experience to serve and work with the young people of the twelve Eastern states committed to my care. There were many occasions that brought us together during this past year. I can truthfully say that our Baptist youth of the Eastern States are moving forward together with Christ.

Our Maxim is "Onward Christian Soldiers, Marching as to war, With the cross of Jesus, Going on before."

THE GO GENERATION—WHERE HEADED?" "ON TO THE FINISH"

Opportunities Unlimited.

On all sides we find the world is sore, sick, torn, baffled, confused, frustrated and bewildered. Multitudes of ideas rush in upon a defenseless people. On all sides there is controversy, churches and religion. Some would say that this is the hour of trial. But upon reflection we would discover that this is the time of new opportunities for the advancing of Christian ideals. We must accept the opportunities to be path finders to keep pace with the progress of the day. Youth that would plant in God's furrows and expect to gather the rich fruitage of their labor must take long steps with God. Youth of Christ, be patient, go on quiet strife, promote peace, grasp each opportunity to emphasize justice, permeated with love, presented with dignity. You are not alone. God still reigns.

Our heavenly Father stood three years in the presence of the Roman Empire. Not once did He offer any criticism against Caesar or the government. His business was to strike the human heart. By striking the human heart, He overturned the Roman Empire.

President Lyndon Johnson, in one of his addresses said, "Let us look within our own hearts and our own communities. And let us each put our shoulders to the wheel to root out injustice wherever it exists." (Unquote) I suggest that the young people of our organization begin with our own hearts—begin inside our own homes—move to our own back yards, move next into our own neighborhood—take action in the wider community. Let us face the Christian response to world peace economically, spiritually, and physically.

Adlai Stevenson, once said: "Certainly, if every American had the same job opportunity, the same chance to earn a living and advance himself solely on the basis of ability, if every American were judged only by the gray cells of his brain, rather than the black cells of his skin, discrimination, because of race would vanish from the land." Unquote.

In the words of Mrs. Paul Douglass, Congresswoman of Illinois, after her experience in Selma Alabama: "We all have a chance to play a part in our daily life, in our neighborhood, in our city and our state. And perhaps above all—in the attitudes that we build into our young people, because racial prejudice only comes by adult poisoning of the child."

I think it is a privilege to be alive and to have the opportunity to participate in one of the great forward waves of progress. Ours is the privilege and each of us can play his or her part.

The Pattern—

Remember that the pattern given by Christ in the SERMON ON THE MOUNT IS THE PATTERN OF THE WORLD THAT JESUS would have men build. It must be accepted and practised by youth as the only hope of security for the human race in which the sense of justice and goodwill toward all men predominates. Only spiritual values endure. These true values are: Love, Truth, Justice, Mercy, Faith, Patience, prayer. These can meet life in all its crises, with confidence, laughter and song. No home, nor church, nor business, nor government can endure without these values.

For every great building there was a plan. For each blue print there was a master mind. If you cannot win individuals—you cannot line up the masses. The plan for such has been laid through the centuries. There is much happiness in life obtained through faith and prayer. They must be in the blue print of evangelism. Young people who are taking the forefront in leadership during these changing times, must not forget. Righteousness, and Truth, and Love of God in Christ, Love of your fellowman must prevail. With these things in mind, I advise you to—Go on to the Finish—with the Go Generation.

With all man's knowledge of Atomic Energy, with all of earth's beauty and splendor—without God—leads to nowhere. Youth of this generation must remember this fact. Every human being has personal worth. The very fact that we are made in the image of God, and that He loves us, gives us value. He gave the blueprint for the kind of world He wants us to have. It is the responsibility of Christian youth and their leaders to serve faithfully in evangelizing in Home Missions, Foreign Missions, Education and in business. Christianity must invade every facet of life. God works through human beings to reach other human beings and whenever people meet, in whatever areas of life, the spirit of love must permeate and perpetuate itself through contact with others. Youth must be prepared to answer the call when duty whispers low—"Thou must,"—let Christian Youth reply—"With God, I can."

Thou must be true thyself, if thou the truth would teach;
Thy soul must overflow, if thou another soul would reach.
The cross is such a simple thing,
And yet it touches everything.
We cannot feel that such a sign
Is other than a power divine.
It is a beacon ever lit
By One identified with it.
It needs the overflow at heart
To give the lips full speech.

Looking Ahead—

Thus, may I admonish you as Christian youth, move forward together with Christ. Be prepared for the future opportunities which will be offered to the prepared. You can't get tomorrow's jobs with yesterday's skills. Youth prepare for these opportunities that are opening to you in today's great society.

Economically, intelligently, spiritually and physically seek to make the

will of Christ superlative in your own life and in human society. To oppose in the Spirit of Christ every form of greed, selfishness, and vice. To establish righteousness among all people.

John Oxenham, catches the vision of today in his collection of poems named "Bees in Amber." This is what he says:

"Each man is captain of his soul,
And each man his own crew,
But the Pilot knows the Unknown Seas,
And He will bring us through.

We break new seas today,—
Our eager keels quest unaccustomed waters,
And, from the vast uncharted waste in front,
The mystic circles leap
To greet our prow with mightiest possibilities;
Bringing us what?

Dread shoals and shifting banks?
And calms and storms?
And clouds and biting gales?
And wreck and loss?
And valiant fighting-times?
And maybe, Death!—And so, the Larger Life!

And maybe, Life—Life on a bounding tide,
And chance of glorious deeds;—
Of help swift borne to drowning mariners;
Of cheer to ships dismasted in the gale;
Of succours given unasked and joyfully;
Of mighty service to all needy souls.

And maybe, Golden Days,
Full freighted with delight!
And wide free seas of unimagined bliss,
And treasure Isles, and Kingdoms to be won,
And undiscovered Countries, and New Kin

For each man captains his own soul,
And chooses his own crew,
But the Pilot knows the Unknown Seas,
And He will bring us through."
