MINUTES

REVISED CONSTITUTION
of the
National Baptist Convention, U. S. A., Inc.

PREAMBLE

Whereas, it was the sense of the Negro Baptist of the United States as represented in several Baptist organizations convened in Atlanta, Georgia, September 28, 1895, and known as the Baptist Foreign Mission Convention hitherto engaged in Missionary work on the West Coast of Africa; the National Baptist Convention which had been doing missionary work in the United States; the National Baptist Missionary work on the West Coast of Africa; the National Baptist Convention that these organizations should unite into one organization for the purpose of putting into effect the benevolent intentions of their constituents by eliciting combining and directing the energies of denomination; therefore said organizations did unite and agree upon certain fundamental principles of organic rules, which as amended from time to time, are as follows:

ARTICLE I—NAME

This organization shall be known and styled as the National Baptist Convention of the United States of America.

ARTICLE II—OBJECT

This Convention by uniting Baptist churches and other Baptist organizations, such as may desire an organization of this kind, shall undertake to promote home and foreign missions; to encourage and support Christian education, to publish and distribute Sunday school and other religious literature; and to engage in whatever other Christian endeavor is required to advance the Redeemer's kingdom throughout the world.

ARTICLE III—MEMBERSHIP

Section 1. The membership of this Convention shall be representative, annual and life.

Section 2. Representative membership shall be composed of messengers from churches, associations, district conventions, and state conventions all known to be in harmony with the purpose of this Convention, such sums as are set out in sections of this Article.

Section 3. Basic of Representations: a) Churches with less than 200 members, \$10.00. No church will be allowed more than 10 delegates for \$10.00 each; Churches with 200 to 500 members \$25.00; 500 to 1000 members, \$35.00; Churches above 1,000 members \$50.00 paid in as representation. b) State Conventions, \$200.00, not to exceed two messengers and \$50.00 for each additional messenger. c) District State Convention, \$50.00. d) Associations \$35.00.

Section 4. Life Membership—Any person who is in good and regular standing in any Missionary Baptist church that is a member of this Convention may become a life member of this Convention by the payment of the sum of \$200.00 into the treasury of this Convention.

Section 5. Annual Membership—Any person who is a member of a church that is in good and regular standing with this Convention may become an ANNUAL mem-

ber of this Convention by the payment of the sum of \$10.00 into the treasury of this Convention. Said ANNUAL member may engage in the discussion of the Convention, but not vote.

Section 6. Associations and State conventions shall elect their messengers to the National Convention in their annual meeting preceding the Convention and certify that said messenger to the Secretary.

Article 3 would be so amended that section 7 would read as follows:

"Since the convention is primarily a fellowship, and since the fellowship owns the corporation, membership in the fellowship does not give to any individual member or group of members equity or special property rights in the assets of the corporation. The annual representation fees are designed primarily to carry the expenses of the convention and to help in its work in general and cannot be construed as capital investment in the corporation.

Section 8. The question of the rights and privileges of membership are settled only by the convention itself or its Board of Directors in the convention's absence.

Section 9. No member or group of members of the convention shall have the rights to use the civil courts to settle matters regarding membership rights and convention procedures. In these matters the convention itself is the supreme court from which there is no appeal. The majority vote of the fellowship is therefore binding on the individual, the convention, and the corporation itself.

ARTICLE IV

Voting in this convention shall be by the delegates assembled without reference to member organizations, states, or sections of the country, and shall be by voice, or show of hands, or standing.

ARTICLE V

Dear Brethren: April 5, 1888, an open letter to the Baptist clergy and laymen was issued by Rev. Wm. J. Simmons, an American Baptist, asking if we should have a National Convention to discuss questions of interest to our beloved denominations. At that time the following reasons were given.

1. To promote personal piety, sociability, and a better knowledge of each other.
2. To be able to have an understanding as to the great ends to be reached by the denomination.
3. To encourage our literary men and women, and promote the interest of Baptist literature.
4. To discuss questions pertaining especially to the religious, educational, industrial, and social interests of our people.
5. To give an opportunity for the best thinkers and writers to be heard.
6. That, united, we may be more powerful for good and strengthen our pride in the denomination.

Having been solicited to write the Call by many whose names and endorsements are here unto affixed, the Call is hereby made by their advice and solicitations for said convention to meet in St. Louis, Mo., August 25, 1888, 10 o'clock a.m., in the First Baptist Church, and the pastor thereof is hereby requested to serve as a Committee of Arrangements, with power to select his associates.

Wm. H. Steward, Louisville, Ky., and Rev. R. H. Cole, 2809 Goode Avenue, St. Louis, are hereby requested to serve as a Committee on Transportation.

WM. J. SIMMONS

The chronological report in our National Baptist Minutes is hereby corrected, viz: The parties as they appear below were officers of the Foreign Missions or National Educational Conventions, as were their predecessors. Said conventions merged into the National Baptist Convention in 1886 or met co-jointly with it, or otherwise.

1894 Montgomery, Ala.	Rev. A. R. Griggs, D.D.	W. H. Steward

There was no convention on a national scope as the National Baptist Convention, 1895. The Foreign Mission Convention, however, having been organized in 1880, the National Baptist Convention accepts that day as the starting point.

ANNUAL REPORT

TO THE 22ND ANNUAL SESSION OF THE
NATIONAL BAPTIST CONVENTION, U.S.A.

INCORPORATED

FORT WORTH, TEXAS

Mr. President, the Presiding Officer, Members of the Cabinet, other Officers, Delegates, Visitors and Friends, I am happy to greet you again in another Session, this year being held in Fort Worth, Texas.

The last time we met in Fort Worth it was in 1926. It is needless to say that this morning we have grown by leaps and bounds since that time. Under the dynamic far-reaching leadership of our illustrious leader, Dr. J. H. Jackson, this convention has enjoyed unprecedented growth.

We come to Texas because we were invited by that Veteran Baptist Leader, President of the Texas Baptist Convention, Dr. S. T. Alexander. We anticipate of the greatest sessions in the history of our Great Convention. As we gather in Fort Worth you will be pleased with the fine reports of growth and interests in the work of this convention. The Stewardship Loan Program continues to grow as it should. Our Chieftain has great plans for the Pastors and Churches of the convention. This program is designed to aid struggling Churches in their desire to build or to renovate. If we all share in this phase of our giving, we will be able to wonder among ourselves and for ourselves.

We have kept our relationship and affiliation with other National and world bodies by contributing to the various programs and by paying our annual assessments. Our President serves on the Executive Committee of the Baptist World Alliance, which is held in high esteem by this group. We have paid our \$2,500.00 to the Baptist World Alliance, \$3,000.00 to the World Council of Churches and \$3,000.00 to the National Council of Churches in the United States. While we are a part of these bodies, the Board of Directors of this Convention has voted to reserve the right to speak for this Convention on political and social issues.

We are indebted to Dr. D. C. Washington and his fine staff of workers at the Publishing House in Nashville for assisting us in getting the Minutes out and to the Board. Without his cooperation and love for the work of the Convention it would be difficult. So we salute Dr. Washington and his staff at this time. We hope you have received your minutes by this time.

As in the past, my office has worked in complete harmony with the office of the President of this Convention. This we feel is no more than our duty. That is what our President always says when on his mind, and this helps to maintain peace and order in the work. It has been a real pleasure working with him. Please know I have endeavored to be a good Secretary and to answer all of your requests.

We were given the usual amount to operate the Office of Secretary for the year, \$5,400.00.

Thank You—Your Secretary

T. J. Jemison

Annual Report BAPTIST TRAINING UNION BOARD

JONES, ANDERSON & COMPANY
CERTIFIED PUBLIC ACCOUNTANTS

August 31, 1972

National Baptist Convention, U.S.A., Inc.
Assembled in Convention
Fort Worth, Texas

Gentlemen:

We have examined the balance sheet of the National Baptist Union Board of the National Baptist Convention, U.S.A., as of June 30, 1972, and the related statement of income year then ended. Our examination was made in accordance generally accepted auditing standards, and accordingly in such tests of the accounting records and such other auditors as we considered necessary in the circumstances; however, we did not observe the taking of the physical inventory. We tested the clerical accuracy, reviewed the basis of inventory pricing and other auditing procedures and have satisfied as to the validity and amount of the inventory.

In our opinion, the accompanying balance sheet and statement of income present fairly the financial position of the National Baptist Training Union Board of the National Baptist Convention, U.S.A., Incorporated at June 30, 1972; and the results of operation for the year then ended, in conformity with generally accepted accounting principles.

Very truly yours,

JONES, ANDERSON & COMPANY

Gentlemen:

We have examined the balance sheet of the National Baptist Sanitarium and Bath House at December 31, 1971, and the related statements of income and expense and changes in financial position for the year then ended. Jackson, for his excellent, progressive leadership, and the help he has given this office. Our president is concerned about every aspect of our convention. Thus, he gives his time, energy and thoughts to the plan and work of our conventional objectives. He stands in the forefront with the leaders of the world today.

Our convention is moving forward in the area of Christian service and usefulness. Social, political and civil rights leaders desire to know what we think about the issues that affect life today. Dr. Jackson's advice is sought by leaders throughout the world. Thank God he is able, capable to give to the world intelligent, provocative and pragmatic answers to the questions that affect the world.

This day of planned and organized opposition to the church, and social and economic advancement for all people, we need to unite our forces, direct our aims, package our ideas to the highest spiritual height possible for only through unity and Christian fellowship can we attain freedom, dignity and charity.

Report Of Women's Department

President Jackson, Officers, Messengers and Friends of the National Convention, U.S.A., Incorporated:

May All Joy be yours and mine, as we humbly lift our hearts to Almighty God for His blessed grace and His boundless goodness. What a divine opportunity has afforded us, in this Annual Session, to dispense our sacred responsibilities in this beautiful Christian fellowship and friendship. It is a wonderful and a privilege for us to be a part of this National Baptist Fellowship, under the leadership of one, whose plans, procedures and programs are directed by the Spirit of Living God. The Women's Convention Auxiliary is proud, pleased and privileged to follow the leadership of our esteemed President, Dr. J. H. Jackson; and to receive God's richest blessings upon him as he continues laboriously to extend the Kingdom of God's Kingdom.

Our theme for the past two years is, "New Paths In These Significant Times."

In the Hot Springs Board next January, we plan to introduce our new theme for the years 73-76 for our Diamond Jubilee Session.

The Convention's Stewardship:

1. African Clothing Drive, which enabled us to send about two (2) tons of clothing to Malawi in East Central Africa.
2. The trip to Africa—five countries, 23 in party, visited Ghana, Liberia, our Mission Stations in Liberia, Malawi, Swaziland. Had every one needed on the tour—Dr. Harvey the most able efficient, distinguished and was Big Brother.
3. Our celebration of 70th Anniversary and gifts of Scholarships in institutions—namely:
Natchez College, Bishop, Shaw, Benedict, Morris Booker, Arkansas, Selma University, Morris College, Birmingham Baptist College, Alabama Baptist Theological Seminary, Walter H. Brooks Fund, Bryant's Theological Seminary and Spelman College.
4. Now—Our hearts and minds are turned to the J. H. Jackson Museum and Cultural Center, the last word in a Cultural Venture.

We are happy that our President is pleased with our participation in Self-Help. Many individuals and organizations of our Women's Convention have made contributions to the Drexel Bank, I hold \$100.00 now. Mauddeen T. Seward for The Self Help Fund. We gave \$3,000.00 and are giving \$2,000.00 today.

Report Of Commission On Denominational Coordination

President Jackson, Most Judicious Presiding Officer, Other Distinguished Presidents, the Board of Directors, and Delegates:

Commission on Denominational Coordination most respectfully submits the following report.

Causes for Rejoicing for Our Coordination

Kansas the state motto is "Ad Astra per Aspera," which means "To the stars through hardship." Some interpret it as "to the stars through joys and jers." Outstanding accomplishment has a background of much discipline, patience or waiting, and suffering. Included in the causes for rejoicing for our coordination is the fact that our leaders survive the heavy burdens of program planning, the attention of minute details of follow-through as practicable, and the weight of responsibility as possible.

Two in the cause for rejoicing for our denominational coordination are our School Publishing Board, our Baptist Training Union Board, Our Women's Convention Auxiliary, our National Sunday School and Baptist Training Union Con-

gress, Our Laymen Movement, our Ushers Convention, our Foreign Mission, our Home Mission Board, the tremendous youth movements and contests, our Convention, the Beth House Hotel, the American Baptist Theological Seminary, growing funds for most worthwhile causes which we give as we follow the lead of our Chieftain, and all other auxiliaries and boards with literature, share. Their clearly seen results refresh!

The Sunday School Publishing Board continues in its very great service to the denomination as the central agency through which our educational coordination is being carried out brightly. It has plans for promotion of Children's Work, Adult Work, Education, Vacation Church School, and for all types of our church work. It continues from the 1951 Department of Christian Education "Plan Book of Education in the Local Church" to the most recent and relevant brochures, prospectuses, and publications for these trying times. What efficiency! What joy! What coordination! These are in the cause for rejoicing.

And in the cause for rejoicing for our denominational coordination are the many meetings throughout the denomination, the fellowship and the following of God be the glory!

II. The Challenge of the Task of Coordination

A challenge is an act of being called into question. The question of coordination involves more promotion, and closer, continued promotion already we are doing through our boards and in more of our local churches. The challenge, which calls us to the struggle has to do with what ways individuals be assigned to use prepared materials, and promote activities, which be part of plans for a more efficient congregational outreach for more years. The challenge includes getting more of our people to give more attention to the extremely fine promotional materials mailed by our boards, especially the Sunday School Publishing Board and our Baptist Training Union Board.

The challenge is to find, and to develop in each church, each association, each state convention a dependable, tactful, bold, praying person of clear vision and ability to win all of our people to use our own literature, which leads to the best on earth!

Your Commission on Denominational Coordination has the conviction that much more can be done as we seek to cooperate more with Departments of Christian Relations, and of Promotion throughout our denomination. Can pilot projects be started? Can they be watched and evaluated? Can excellent personnel be developed in individual churches, individual associations, and in individual conferences? Can specific work of the specific promotion for more use of our own literature?

Can each ask himself,

"Must I be carried to the skies on flowery beds of ease,
While others fought to win the prize,
And sailed through bloody seas?"

May we use what Dr. Isaac Watts wrote? As we meet the challenge of coordination you and I can commit ourselves in the words,

Sure we must fight if we "would reign;"
Increase our "courage, Lord!"
We'll "bear the toll, endure the pain,
Supported by Thy word."

Humbly submitted,

COMMISSION ON DENOMINATIONAL COORDINATION

Report Of Commission On Intercultural Relationships

Maxie S. Gordon, Chairman

President, Mr. Presiding Officer, gentlemen of the Board of Directors, messengers from the churches, ladies and gentlemen, greetings in the name of him who came to redeem the world.

I am pleased to undertake to make another report for your Commission on Intercultural Relationships. It is our responsibility to bring to the attention of the denomination the people, the books, the issues and problems, the successes and failures on the world scene, as these might affect the interest and action of our community. Again, as so often before, we have the difficult task of trying to draw so vast a field (the whole world) a few of the intercultural things which we regard as highest on the priority list. And, of course, I knew that we do not all agree on the giving of priorities.

For one thing, our once "big world" has become a rather small world through the advancements in communication and transportation systems. Ours is a world in that we can "reach" each other so quickly, but it is at the same time a "big world" in that we are so far from each other in our approach to many of our human hopes and aspirations. Indeed, we have seen the meaning of "intercultural" change within the life time of my generation. When I was a child in Greenville, South Carolina, even our state capital, Columbia, was a long, long distance away, although, in fact, it was just 120 miles from one city to the other. Only those who had extremely important business ever dared to make a trip from Greenville to Columbia. Such a trip was too taxing on the person, on the horse, and, most of all, on the horse and buggy, or mule and wagon, the form of transportation! What a great change since we've been born! We never, our children, and our grand children can go to Africa, Asia, and Europe with more ease and in far less time than it took our parents and grand parents to make a trip from one of the larger states to another. I have three little grand children each one of whom has made at least one major air plane trip before reaching the age of six months. Their grand daddy was 20 before he made his first trip a few miles from his home. It is reasonable to assume that our great grands will be able to land among the planets in our solar system with ease, and in record time, unless we use our scientific and technological skills to destroy ourselves.

Intercultural relationships are more important to all of us now than in former times. We are all so close to each other in terms of geography. Vast oceans are now surmountable to the small branches that use to separate neighborhood farms. We see nearly in the customs regulations against transporting fruits, flowers, and animals from one country to another without special customs clearance. This, of course, is a precautionary measure to prevent unwanted insects, and/or disease germs from being brought from one country to another by the millions of tourists who move about the world. I lost two beautiful peaches which I had bought in London as "fruit" part of my lunch on a transatlantic flight. It so happened that I had a lunch without the peaches, but I had to leave them at the customs desk Kennedy International Air Terminal.

Greater precaution is taken against the "fall out" that comes from nuclear tests. Great effort is being made to keep the megaton limits within safe control, lest the fallout should follow the wind drifts that could result in disability or death to anyone anywhere in the world. Geographically, we are just this close to each other. Sky-jacking (or sky-jacking) is the most lurid example of this closeness. First, it is regarded as an unpleasant nuisance. It involved at worse the inconvenience

of a few hours of a side trip to Cuba. That was bad for people who had commitments to keep. Today, it is far worse. With piracy added to it, hijacking has become a serious international crime. Human lives and large sums of money are at stake. And, of course, the political implications immediately made it intercultural. Just a few months ago, some hired Japanese gunmen, disguised as tourists, turned the Tel Aviv International Air Terminal into an international victims were from many nations and cultures. When a 747 is blown up in Egypt, or when families plan and export a million dollars and finally land in Egypt, we have reached the crisis level. Our communication and transportation systems are unmatched in human history, but we are taxing international diplomacy for solutions to these problems. International society must have law and order to survive, even as the same must be true at every level of society. The problem is truly intercultural, for we must come to understand and respect each other, which means agreement on the international level to "extradite" those who commit crime, that they may stand trial at the bar of justice. Nations will retain their sovereign right to grant asylum to persons whom they should not extradite, but this must be a result of mutual agreement, a fruit of international and intercultural relationships. Neither race, nor culture, nor particular revolutionary claims can be the basis of decision.

Religious Outlook In Our Pluralistic Society

We had some reason to believe that we were at the point of a breakthrough in terms of fellowship, cooperation, and unity (if not union) in the 60's. The late Archbishop William Temple had called the ecumenical movement the "greatest single fact of our time." Even the Roman Catholic Church, with suspicion on the Second Assembly of The World Council of Churches, met in Evanston, Illinois in 1954, sent official observers to the Third Assembly in New Delhi, India just five years later. This was also the decade of Vatican II, with some opportunity given to the leaders of other Faith Communities to input to the agenda. Our own leader, President Jackson, was invited to an audience with the Pope. Vatican II definitely felt his influence and was because of Dr. Jackson's input. His book, *Many But One*, (Sheed and Wadsworth) shows how we may share oneness in Christ, although we may differ in many ways. High Church officials in the decade of the 70's began to hold ecumenical plenary sessions and to renew fellowship on a broad basis. Pope John especially showed knowledge of and deep compassion for the whole world. It began to appear at the church level we "would get it all together."

COCU (best known as the Committee On Church Union) became the instrument whose objective was to eliminate divisions and make of the church a united force for Christ in the world. Some good resulted from these efforts. The United Methodist Church is perhaps the best example of concrete results. Its "honeymoon" is over. Movements toward unity have stalled, and a crisis in fellowship threatens gains already made. This is most obvious in the breakup of the ecumenical Church leadership, which church was among the leaders in the ecumenical movement. The war between Catholics and Protestants in Ireland continues, who thought that we had progressed beyond religious wars. Now we see a war threat that certainly cannot be taken lightly.

In the world that has been brought so near to us by systems of communication and transportation, we are in the tensions of war, poverty, race conflict, and of the political ideologies which make us an intercultural fellowship. It is evident that the United Nations, itself an intercultural body, deemed it necessary to have a Church Center as a part of its visible structure.

Reconciliation, All Got

Reconciliation must be the word of the 70's. Unfortunately, we are still down in Indo-China. The President has been to China, and he has been to

we still have Viet Nam and Cambodia. It will be years before the nation will know what happened on these trips. Personally, I do not doubt the honesty of the report, but Egypt and the Middle East, Rhodesia, Kenya, and South Africa are with it. The world market in drug traffic is inter-racial and intercultural. The mission of the church in the 70's is what that mission has always been: to tell mankind of mighty acts of God and what He has accomplished for us through his Son. The Commission believes that our concern goes deeper than building a new world, as important as that task is. We must combine social concern with evangelism. Men Must Become Reconciled to God, that they may be saved in both for time and for eternity. In awareness, in prayer, in compassion for all people of earth, the beautiful New Testament word RECONCILIATION is all we repeat: "Social Concern must be combined with evangelistic compassion." In verse of "Did You Hear About It Lord?" Robert Casale's Prayers From A (Out City). Thank you, M. S. Gordon, Chairman

COMMITTEE MEETING Of Heads Of Departments And Boards Of The NATIONAL BAPTIST CONVENTION, U. S. A., Inc.

AT
THE OLIVET BAPTIST CHURCH
485 E. 31st Street
CHICAGO, ILLINOIS
March 28, 1972
CALLED BY
PRESIDENT J. H. JACKSON

THE PURPOSE

As president of the National Baptist Convention, USA., Inc., I have called you here as the leaders of the auxiliaries, departments, and boards of our convention for several reasons:

1. That we may, through questions and answers, general discussions, and fellowship get to know each other better and exchange suggestions and ideas for improvement both of our respective departments, and of the convention as a whole.
2. To solicit your full strength and united cooperation for the implementation of the total program of our convention. It is understood that we are not here to set up a program or to write any new rules, or propose new laws for the governing of the parent body. For this latter purpose, the Board of Directors is the only body to act in this capacity in the absence of the convention assembled.
3. We are here to seek ways and means by which our several departments and agencies can best serve the united cause of the convention as well as the people to which our several agencies are committed.

I. The Strategy Of The Meeting Then Should Be As Follows.

A. A review, discussion, and a clearer understanding of the structure of the National Baptist Convention, USA., Inc. and the relationship of all of the departments to said structure.

1. We must then begin with the Articles of Incorporation of the convention in order to know the basis and the supporting facts of this religious corporation. This pledge should reveal to all of us most clearly that the National Baptist Convention is not three or four independent bodies meeting with several independent programs and objectives. Rather, it is one organization with many departments and agencies all dedicated to a common task and a common goal.

To each board and department the convention itself has delegated certain duties and certain functions, and must trust the respective leaders in these several departments to perform their tasks in such a way that the unity and strength of the whole convention will be reflected thereby.

2. We must also be conversant with the Constitution and Bylaws of the parent body. This is important for the following reason:

a. This instrument is not only the guidelines for the functional relationship of all of the parts, but through amendments, can make those changes essential to greater growth and harmony.

3. The practical working relationship of all of the parts to the whole is the best way to strengthen the whole body and to assure progress and growth in every area of the convention's life.

II. The New Ideas Or New Emphases That The Parent Body Is Now Assuming Must Be Shared With, And Explained To All Of Our Several Departments For The Following Reasons:

- A. The leaders of all of these departments must be conversant with these new emphases.
- B. It is expected that all of the departments will share proportionately in the new responsibilities that are being assumed by the parent body.

III. Some Aspects Of The New Emphases Of The Parent Body.

A. The effort to spread and render convention control of all of its assets more meaningful, and more comprehensive, and more creative.

B. The annual sessions of the convention are to be convention centered and convention directed.

C. A copy of the guidelines that we were asked to prepare for this purpose is available. Said guidelines have been accepted by the two presidents of the conventions in California and unanimously approved by the local committee there for the next meeting of the 1973 convention in Los Angeles, California.

D. There is an attempt to expand the financial resources of the convention so that we do more not only to execute its program, but to serve our constituents and the people in general.

E. The Purchasing of new facilities here in Chicago at Oakwood Blvd. and West Grove Avenue.

F. This building, as it now stands, has enough space to house some new programs, some of the activities of our many departments. In this building we are to have the following:

1. A library that will include historic documents, manuscripts, and other materials that will reflect the culture and achievements not only of our convention, but of the Negro race and of the United States of America.

These—Offices for special work of our Convention—

2. There should be in this building a department of research where young people can be engaged in writing the current history of the National Baptist Convention.

3. The research department should also include a study of current history of denominations and religious bodies in America.

4. There should be elements that would deal with the Negro race and the growth of the United States of America.

5. Also, an office for the loan department will be located in said building.

6. The office of the Historic Commission of the National Baptist Convention.

C. In addition to the above, it might be possible to make these new buildings mid-west office of the National Baptist Convention, U.S.A., Inc. that would be the following:

1. A bookstore
2. Offices for the Women's Convention
3. Some space for all of the other departments as indicated in the minutes of the discussion of the new building.

Where departments do not at the present time have offices, it is possible that these departments to have their central office here, and the records of the departments could be kept so that there will be a continuity of the documents and history of said departments, and future generations could have access to the study and general information.

IV. The Need For A Greatly Expanded Budget For The Work Of Our Convention.

It is clear from what has been stated above that there is a great need for an enlarged and expanded budget for our convention. We cannot enlarge the budget of our program to include many of the essential things to which we have subscribed unless we enlarge our budget. And the budget of the convention cannot be enlarged unless we succeed in acquainting our constituency with the expanding needs of the convention that we must assume for the present and future growth of the convention.

Our budget must now include the building of additional funds to maintain future loans to our churches in their effort to maintain themselves, and to pay mortgages for new churches.

A. Some Methods By Which The Expanding Budget Can Be Realized

1. By appealing to our churches to give voluntarily beyond the established contribution fee. We have called this stewardship giving.
2. The Board of Directors adopted in the Hot Springs board meeting in 1972 of this year, the Self-Help Saving Plan. Under this plan the National Baptist Convention has printed for us special deposit slips with envelopes. Churches and individuals can now mail funds for the loan program and the library directly to said bank.
3. We must ask all of our departments to help in the program of education.
4. Also, we must ask our departments to write into their budget the program of the parent body. This does not apply to designated funds of the agencies.

V. Some Things To Be Remembered

We must remember that the burden of our convention is upon us. When a National Baptist Convention is built we must build it. There is no other body in the world that is going to make sacrifice and give to us the finances for us the strong and creative organization that we must be.

Our fathers left to us a great heritage and noble assets. We owe it to them to build and wisely on the foundation that they laid, and we owe it to the generations unborn to build a super structure that can stand and survive the storms of the future that are sure to come, and to advance a type of program that will not die away under the stress of opposition and in the heat of imposed affliction and suffering.

J. H. Jackson, President

National Baptist Convention, U.S.A., Inc.

"THE FOLLOWING ARE TWO RESOLUTIONS UNANIMOUSLY PASSED IN THE NINETY-SECOND ANNUAL SESSION HELD IN FORT WORTH, TEXAS AND WERE TO BE MAILED TO ALL DELEGATES."

RESOLUTION ON THE RIGHT TO BE HEARD

Booming is one of the most primitive methods of expression in the twentieth century. Before civilized men learned the art of speech like other animals

about in the jungles uttering hisses, boos and other inarticulate expressions. It is one technique that is designed to destroy the right of assembly, the freedom of assembly, and the freedom of speech.

If this practice continues to gain vogue and popularity in modern society, it will only break down sensible and meaningful communication between human beings. It will mark a backward step in human relations.

Since the granting of the right of assembly and the freedom of expression does in any way impede or hinder the right of choice and the freedom to object to one's own, it is therefore unnecessary to employ it in self-defense. Therefore, suggest the following:

That we urge upon young and old the higher quality of tolerance and respect for the rights of those with whom we do not agree.

We strongly condemn and completely reject any political ideology and any person of any candidate for any office who will allow themselves to be bussed in any assembly or any gathering that does not accept or condone their ideology of us who were once sympathetic to Senator McGovern's cause will not support him since some of his supporters or sympathizers sought to interrupt the Annual Session of the National Baptist Convention, U.S.A., Inc., a six member religious organization on September 7, 1972, Fort Worth, Texas.

We vigorously contend to protect the rights to be heard against any organized group that will bus to boo, be they political or otherwise.

PASSED ON SATURDAY, SEPTEMBER 8, 1972)

RESOLUTION ON DOPE

We regret the fact of the growing menace of dope in this country, and especially the concern about dope addiction among the young as well as the old within our own race and communities. We urge upon the Sunday Schools, B.T.U.'s, and leaders of our convention the task of seriously considering the dope menace and they can within their power to aid in the prevention of the spread of this habit.

While we wish to encourage all that local, state and federal government are doing, we must not seek to escape the moral and religious responsibility that we have for creating an atmosphere of prevention. We must tell young people of the sacredness of their bodies and call upon them to regard themselves as stewards of their own minds, system and physical structure. We must not blame others for this menace, but take our responsibility in helping to overcome it.

Recommendation On Television

By

President J. M. Jackson

August 26, 1972

We recommend that we send a message to the national television channels of the United States of America expressing our regrets and disapproval of that type of programming which takes from sincere listeners and viewers the freedom to choose what they desire to see and hear. If the T.V. guide informs us that a convention or assembly is to be programmed at a certain hour, citizens who desire to hear said assembly are in tune in at the appointed time. There is no justifiable reason for any news-

We would like for the publishers and managers to know the statesman people they assigned to cover our convention this week are greatly appreciated.

THE CHICAGO PLAN

December 28, 1972

A group of pastors met in Chicago on the above date to hear brief reports from the president of the National Baptist Convention on the progress of the work on the library and also the stewardship program. When these two items are combined they are termed the Self-Help Program of the National Baptist Convention.

After a full and free discussion, the pastors were elated and greatly encouraged both with the progress and the outlook of these two far-reaching projects. They further agreed that this fiscal year would be divided into two sections—the first would run from February 1st through May. The section section would be from May 1st through the date of the National Baptist Convention in September. They further recommended that the financial emphasis would be on the library during the first section, and the stewardship emphasis would extend throughout the second section.

In the first section gifts would be made as follows:

Churches would be asked to give \$250.00
Pastors would be asked to give \$100.00
Moderators of Associations would be asked to give \$150.00
Presidents of Baptist Minister's Conferences, \$100.00
Presidents of State Conventions, \$250.00
Adult members of our respective congregations, \$10.00 each.
Sunday School children would be asked to give \$.10 per week from February to May 13th.

In the second section—June through September, churches, pastors, and presidents of minister's conferences and state conventions, would be asked to give the same amount for the Stewardship Program.

We hope all of these names will be recorded in a volume as supporting the work of the Joseph H. Jackson Library. Those whose names are to appear on a plaque would be those whose combined gifts to the library totals \$1500.00 or more.

to manipulate the public and switch from the expected program to confusion and demonstrators on the outside of the assembly hall.

The influence of these undesirable events tend to influence and affect young people in a negative way.

It is our conviction that much less will be known of such demonstrations if the television industry did not lend its resources and its talent to publicize it, bringing it into our homes, and lifting it on the same level as orderly assemblies, conventions and discussions for the good of the people and for the advancement of the nation.

We believe that a twelve month moratorium on such dual programming will greatly reduce the initiative and the popularity of the demonstrations designed to disrupt and to disorganize.

Resolution on Israeli Matter

The tragedy surrounding the death of 11 members of the Israeli Olympic contingent has been deplored by Christians throughout the world.

The National Baptist Convention, U.S.A., Inc., recommends to its delegates and 6.3 million members of their congregations that this act by a group of Arab commandos serve as a lesson to strengthen our ties with the Church.

There have been discussions to suspend the Olympic Games because they are costly and have become a forum for political protest.

The Convention has weighed the values of the Olympic games and we feel it would be an even greater tragedy to destroy the opportunity for teamwork that unites its participants to unit forces for world peace.

At a time when many nations are at war with one another, the games bring our people together in an atmosphere of camaraderie. The games teach our youth to seek out their individual strengths and capabilities and reach for the highest levels of human understanding.

The attack was another act of violence of one nation against another that represents precisely what we have been teaching for many years. Violence, whether manifested in open violence or proposed as non violent action, is an invasion of the rights of people to live under the law of the land.

The Constitution of the United States of America guarantees every citizen a right of free expression and it is only through legislation and the selection of responsible officials to high office that we can achieve these goals.

We commend the young men and women who so gallantly continued in their competitions and we can only pray this tragic event will develop greater men and women from these competitions.

Resolution on the News Media

We the members of the National Baptist Convention, U.S.A., Inc., assembled in Fort Worth, Texas, greatly appreciate the positive, fair and unbiased reporting of the news of this convention. We are fully aware of the justice and necessity of the kind of news coverage that we have had from the Fort Worth News Media.

It is this kind of coverage that will aid us in achieving our desired goals which are to make this a better country in which to rear our children, to live and work. We believe this is truth, the best reporting that we have enjoyed from the Press in the history of this nation.

PRESIDENT ROSS, OFFICIAL FAMILY
STATE, LOCAL, DISTRICT PRESIDENTS,
COMMITTEE CHAIRMAN, MESSENGERS AND
DISTINGUISHED GUEST:

Early last Easter Monday morning, God summoned Mrs. Georgia L. Gayden, our Corresponding Secretary from labor to reward.

Her passing leaves a void in the total structure of the Women's Convention, Auxiliary to National Baptist U. S. A., Inc., for Mrs. Gayden was:

- ... deeply dedicated and dependable.
- ... motivated and moved.
- ... served with zeal and zest.
- ... gave of herself and time tirelessly.
- ... loved her Convention.

Our beloved president, Dr. Mary O. Ross, flew from Monrovia, Liberia (for she just landed there two days before,) to New York to attend the funeral services. April 6, 1972, President Ross appointed me to carry out the unexpired term of the Corresponding Secretary.

The moment I was appointed, I longed for "the wings of a bird" . . . It was easier to fly away, yet, one must humbly bow to the will of God. Ask Him for His Divine Guidance and help, adjust to a new physical condition, come to grips with the total situation and with His help, move fearlessly forward.

Because of my love for my denomination, my profound regard and esteem for President Ross, I accepted the responsibility to serve.

Today five months and six days later the Interim Corresponding Secretary comes to submit an account of her stewardship.

These months have been full of pride, challenges, opportunities and rewarding experiences. There has been pride in realizing who the decedants of this convention were and in the knowledge of those committed Christian women who blazed the paths before . . . pride in recognizing that those who now exist are always encouraging, molding and building onward and upward for our Master.

Within two weeks of the appointment my first challenge came. It was my responsibility to notify the constituents of this convention of the Homegoing of our National Officer, Mrs. Cassielle G. Davis, the Pianist; and to compose the resolution to the family. Mrs. Davis' dedicated services, her consistent attendance, her ability to lift our spirits and souls as she touched either instrument, verified her commitment to the cause of Christ. While we were saddened, it wasn't too hard to write about her life.

Later in April an opportunity and rewarding experience presented itself. President Ross wanted representation in Washington, D. C., for the Naamie Holm-Burroughs' School, at a Fund Raising Dinner. We heard an inspiring, motivating and challenging message by the First Black woman candidate for the Presidency of these United States, a woman of dauntless courage, Congress Woman, Shirley Chisholm.

The office of interim corresponding secretary has handled more than four thousand (4,000) letters, many cards, telegrams and telephone communications.

We received a wonderfully warm letter of response from President Tolbert of Monrovia, Liberia for our convention sent him a thank you expressing our thanks for the reception, kindness, courtesies and Distinct Honor he bestowed upon us. President. (See copy in this report.)

It was a joy to send messages to Mr. Margery B. Gaillard and Dr. Ebel for the Honorary Degrees conferred upon them by Selma University, Selma, Alabama, and to Mrs. Blanche N. Carter as she became the First Black President of the Board of Education in Santa Monica, California.

In addition to all of this, the office of Interim Corresponding Secretary wishes to thank this august body of women for mailing your pre-registrations to the treasurer, Mrs. Margery B. Gaillard. Will you continue to help the secretary to speed all correspondence to you by making sure that the office has your correct name and/or change of address. It is more convenient and extremely helpful when you notify the office upon "the passing," of a member of our convention, is a first endeavor to correspond with you, seventy two letters were returned, "no address," "moved," "left no forwarding address," or "deceased." We need your continued cooperation in the above matter to help the office run smoothly and better serve you.

A very special Thank You to President Ross for your confidence to appoint me to carry out the unexpired term of Corresponding Secretary. For your encouraging letter from Nairobi, Kenya. You always had a listening ear and understanding heart for I telephoned you endlessly, amid a multiplicity of trials and tribulations only a deeply dedicated divinely motivated woman, with dynamic faith in God

could ever carry out the many responsibilities of President. For within the month of this 71st Session, the grim reaper took Mrs. Beatrice Brookins, your mother, to her richly deserved reward.

The Women's Convention has receipts and acknowledgement of your messages and reply from President Ross and family.

Many thanks to all who sent congratulatory messages to me, those who telephoned, sent flowers, and offered your personal help.

A special thanks to my State Presidents, Mrs. H. B. Shaw, Ministers' Wives, Widows, Mrs. Mary J. Heckney, Women's Convention; Mrs. Ruth V. Banks, Day School and B. T. U. Congress; Mrs. Walterine Stribbling, the Youth Department; Mrs. Minnie Anderson, The Uahers, and to all of the New York Delegation.

A very special thank you to my husband and pastor of the Cornerstone Baptist Church, Dr. Sandy F. Ray, for his compassionate understanding and loyal support. Mrs. Beatrice J. Walls for her efficient manner in continuing her secretarial duties, without her my term could not have been carried out as smoothly. To Martha Benton for her secretarial assistance.

A very dear person reminded me that a Star is a Star no matter where you are. The poem Petition, by Belee N. Wilson captures what I've been feeling at the appointment and the responsibility:

God give us the heart of a star,
So that we may ride in the darkness.
So that others may look and wonder
What fills us with light
And be led to the source.

God give us that heart of a star,
Poised in silence,
Trudging the upward search,
Deepening the awareness of the inner hunger
Which is the indwelling God.
God give us the heart of a star.

Respectfully submitted,

Cynthia P. Ray

of the

WOMAN'S CONVENTION, AUXILIARY OF NATIONAL BAPTIST CONVENTION, U.S.A., Inc.

RESOLUTION I

WHEREAS CHRIST WAS THE FIRST Liberator of Womenkind,
WHEREAS, we believe that we are living in a time when there is a great need for women to fill high positions—places that have for ages been called male positions, and

WHEREAS, the shortage of men in church-life has created a need for women to be placed in policy making and administrative positions of the church,

BE IT THEREFORE RESOLVED, that the Women's Convention, Auxiliary of the National Baptist Convention, U.S.A., Inc., go on record as endorsing the FREEDOM of women in administrative positions of the Church,

BE IT THEREFORE RESOLVED, that the Women's Convention, Auxiliary to the National Baptist Convention, Auxiliary to the National Baptist Convention, U.S.A., Inc., go on record as endorsing the FREEDOM of women in administrative and policy making positions of the Church.

RESOLUTION II

WHEREAS, people who live in a Commonwealth which is continuously at war, become a people hardened and unconcerned about human suffering,

WHEREAS greed, selfishness and gain which accompany war, create a dangerous danger over, and a temptation to the very elect of Christ.

BE IT RESOLVED, that as Christian women, we rededicate ourselves in prayer and the will to sacrifice monetary gains that war bring, in order that others might live in peace.

RESOLUTION III

WHEREAS crime against women, such as sex crimes and abduction, is already at an all-time high rate;

WHEREAS a few books are being published whose authors are sanctioning nudity;

WHEREAS the first man that God made did, after having become wise, respect enough to wear clothes,

BE IT THEREFORE RESOLVED that as Christian women, we go on record as being concerned about preserving human decency and Christian dignity.

RESOLUTION IV

INASMUCH as we are challenged to meet the demands of new ideas, new paths, new goals and a rediscovery of the true mission of the Christian Church regarding crimes committed by youth gangs against person and property, perpetuating demeaning images of our inner-city neighborhoods wherein lie the potentials for some of America's most influential and powerful future leaders.

THEREFORE, BE IT RESOLVED that the Women's Convention, Auxiliary to the National Baptist Convention, U.S.A., Inc. go on record as endorsing and promoting the formula of the Non-violent Neighborhood Club as presented to us by Mrs. T. E. Bailey, St. Louis, Missouri, on Wednesday, September 6, in this session.

INASMUCH as we are this year of our Lord in a crucial period in the life of our nation; and,

WHEREAS, National Baptist Women are aware of the many conflicting ideologies rampant in our country today, and

WHEREAS, Christians must increasingly assume responsibility for community welfare;

THEREFORE, BE IT RESOLVED:

That the Women's Convention go on record as urging every member to register and vote in all elections, both local and national;

BE IT FURTHER RESOLVED that we encourage all people within the radius of our influence to do likewise; and

The Camp and Retreat Board of Directors of the Woman's Convention, A.M.E. Church, Inc., met on the above date in the Hollenden House, Cleveland, Ohio, the Chairman, Dr. Mary O. Ross, presiding.

Mrs. Rose L. Kimp led in a brief, but spirited devotional, with Mrs. Katharine Lindsay at the piano. Mrs. N. O. Fant offered the opening prayer. The Chairman made opening remarks and called the house to order by calling for the minutes of the last meeting which were read by the secretary. Minutes adopted.

Total number of members in attendance: 22. Business called for and discussed as follows:

1. Clarification of the Lake on camp property. The Chairman informed the board that the lake is jointly owned by the Woman's Convention and the State of Michigan and that plans are in the making to have the lake put in order and perhaps that lake and swimming pool would be connected into one; all details have not yet worked out, but there is a possibility. This was accepted by the board.

2. The need of a Housekeeper was expressed by Mrs. Sudie Tatum. It was stated that Mr. and Mrs. Floyd Russell are now serving as caretakers; however, the need is greater, therefore the matter of our trying to secure Mr. Russell as Supervisor of grounds and Mrs. Russell as Housekeeper was sent down to The Woman's Convention as a recommendation with our Chairman to fill these positions as she deems fit.

3. It was announced that a development program is to set up which will help laymen as well as laywomen. Some suggested projects to be a part of our plan are as follows: A small chapel, a general assembly hall, a building for unwed mothers with a supervised program. All of these suggestions are for a long range program.

4. The naming of our Camp. What shall we name our Camp. This was left to the table with a question mark.

5. Our present Chairman, Dr. Ross, asked the board members to be thinking of naming another person to serve as Chairman. She expressed the concern due to her taxing schedule. After some discussion the board agreed to give this matter some consideration.

6 Mrs. Rose L. Kimp gave tentative plans for the 1972 Leadership Conference. Mrs. Hattie Drinks spoke on the need for 100 mattress covers at \$14.00 per cover, a water fountain at \$200.00, a drink machine at \$500.00 which is now rented at a cost of \$40.00 per month.

7. Rev. Mrs. Trudie Trimm pledged to give \$1,000.00 to be used for Camp improvements.

8. Rev. and Mrs. McGlouchton of Detroit, Michigan were presented.

9. The financial report: Total money on hand and owed to contractors to be paid completion of their work: \$11,454.41 with \$12,000.00 in Constantine Bank.

10. Mrs. Tatum urged everyone to support the president's banquet. The profits will be applied to the Camp projects.

11. The entire Board went in prayer for the President and The Woman's Convention sessions which will be in its 70th Session here in Cleveland beginning Monday, Wednesday, September 8, 1972.

12. Rev. S. C. Henderson of Flint, Michigan showed interesting slides and talked of his heart to us about our beautiful Campsite. The Chairman and members gave high praise to him for this service.

13. Miss Primrose Funches made an urgent appeal either for the money from the buttons, or the return of the buttons to her.

Due to the lateness of the hour, the meeting was closed to be called in 1972 with the understanding that the Chairman is permitted to call the whole or a part of the board should there be a need before then.

Adjourned.

THE ELEVENTH
ANNUAL ADDRESS
OF
PRESIDENT MARY O. ROSS

Tonight, I Sing the Song of my Soul:

In the depth of my soul there is a wordless song—a song that lives in the seed of my heart. It engulfs my affections in a transparent cloak and flows, but not from my lips. How can I sing it? To whom shall I sing it? It dwells in the house of my soul, in fear of harsh ears.

It is a song composed by contemplation and published by silence,

and shunned by clamor,
and folded by truth,
and repeated by dreams,
and understood by love,
hidden by awakening, and sung
by my soul.

It is a song of abundant grace, and boundless gratitude. Naught but a thankful heart can sing it. No power or voice can enslave it. It is a heart found in the Spirit's secret; and as profound as the Still Small voice in prayer. Who dares to sing the song of my soul? The deeds of my hands heed its Presence as a lake must reflect the glittering stars; my tears reveal it, as bright drops of dew reveal the fragrance of a rose.

In the depth of my soul there is a wordless song—a song that lives in the seed of my heart. It is a song of God's goodness, lovingkindness and mercy.

Our Dynamic Vice-Presidents, Mrs. Susie C. Holley and Mrs. Blanche N. Carter, Officers, Committee Chairwomen, Convention Workers; our Distinguished Guest on

the Platform and in the Audience; each Dedicated Messenger from across the Lands; My Fellow Baptist, My Family and all of My Faithful Friends:

Tonight, my heart refuses to deny you its secrets of overwhelming joy. I am happy and highly honored to greet each of you, in the Name of Him who has taken possession of my heart which He has blessed, and enslaved my soul which God has honored, Your presence, your prayers, your patience and your praise here in this 71st Annual Session, will promote Beauty in this Baptist Fellowship and throughout the world. This Beauty is that which attracts your soul, and that which loves to give and not to receive. When this Beauty fills your life, you feel that the hands deep within your inner self are stretched forth to bring her into the domain of your heart. It is magnificence combined of sorrow and joy; it is the Unseen you see, and the Vague which you understand, and the Mute which you hear, it is the Holy of Holies that begins in yourself and ends vastly beyond your earthly imagination.

My life is sustained by the Beauty of your graciousness. You are the right hand of Truth and the heart of kindness. Truly, you are God's messengers. Thank you kindly, for your cooperation, elevation, inspiration and participation in helping our Convention to grow in the glory of God's Love and in the Light of His Beauty.

O Thou who art the Way, the Truth, and the Light,
Lead us in Thy paths,
Illumine us by Thy Spirit, and
Show forth Thy Love and Grace in our lives.

A Pean of Praise to Fort Worth, Texas

Proudly we praise our Host City, Wonderful Fort Worth, and the Lovely Lone Star State Texas, for your robust vitality, serenity of beauty, and power of personality, that gives strength, stability and service to life's movements and structures. All of which have gladden our hearts and brought much joy to us. Let us praise God for this day, the stir of life and the comforts of this city.

For the profound privilege to be assembled in the fourth largest city in Texas, and the seat of Tarrant County, located in the north central part of the state; a city that was established as a small Army outpost on the banks of the Trinity River in 1849, and soon became known as the spot "where the West begins"—Let us praise God for this earth, for the hills, the plains and for the beauty of the fields.

For your gracious invitation and generous friendship for us to come and share the many breath-taking landscapes, superb Religious, Educational, Cultural, and Recreational facilities, we pour out our gratitude to God and to each of you who has enabled us to enjoy this palatial paradise—Let us praise God for the pleasant people here whose ordered lives and sweetness of labor have hallowed their work and directed their ways.

In the deepest spirit of humility and gladness, we wish to thank, personally, Dr. Alexander, Mrs. Chism, and Mrs. Johnson as well as all of the wonderful members of their committees who worked so intelligently and diligently for the success of this Annual Session. Each of you has so

sensitized our hearts by your love that we may be touched by His Spirit here to find our way in peace, strength and in confidence. Deservingly, you are to be lauded and applauded—Let us praise God for friends who rejoice with us in our joys, who encourage us in our troubles, and who lighten our tasks by a labor of love, and in a purity of purpose. May God consecrate us to repay them in fellowship and sincere service.

We pray that our brief stay in your Great and Charming City will be a hallmark on the pages of progress, an everlasting freshness of faith in Almighty God, a unique experience to enhance our stewardship, and for the newness of living each day in the Spirit of Jesus Christ.

In Memoriam

Deep within my heart I can hear the soft voices of our belated and beloved officers of this Convention, and the many distinguished and dearest friends say:

"Let me sleep, for my soul is intoxicated with love, and let me rest for my spirit has had its bounty of days and nights. Dry your tears, my friends, for I have passed a mountain peak and my soul is soaring in the firmament of complete and unbound freedom. The songs of the waves and streams, and the voices of the throngs are reduced to silence. Now, I can hear only the music of Eternity. I am in comfort; for I am in peace."—Gibran

***"Wanted: Rebuilders of Broken Walls
and Restorers of Houses in Ruins"***

Seemingly, today in our society the Lamp of Wisdom is dimming; it is time to furnish it with the oil of His Grace. The household of faith is being destroyed; it is time to rebuild it and guard it with His Word. The thieves of ignorance have stolen the treasures of our peace, prayers and power; it is time to retake them!

The words of Isaiah, through their own rich sincerity and meaningfulness to our present situation, reach the deepest recesses of our emotional and spiritual awareness. Let us listen to his admonition:

"The ancient ruins must be restored by your own kindred, and you will build once more on ancestral foundations; you shall be called Rebuilders of Broken Walls, Restorers of Houses in Ruins."

In the written passages of Isaiah, Truth calls to us. The Human Heart cries out for help, and our Souls implore us for deliverance. We cling to the material things of the earth, while the gates of the Lord's House stand wide open. We trample upon the Bread of Life, while the hunger of sin and selfishness gnaw at our hearts. How good is God's Grace to us; yet, how far removed we are from living abundantly by His Grace! This day, we must look into our conscience and amend our faults. If we fail in this duty, we are untrue to the God-Image, knowledge and reason within us.

He is wise who loves and obeys God. Our merit lies in our knowledge and in our deeds; not in our color, comforts, race or descent. The true wealth of a nation lies not in its

gold or silver, but in its knowledge of God's wisdom, and in the righteousness of its sons and daughters. God has bestowed upon us intelligence and wisdom. Will we extinguish the lamp of Divine Grace or let the candle of wisdom die out in the darkness of degradation, greed, lust, and selfishness. As Christians, we are compelled to approach these dark and desperate days with the Torch of Tenderness to Light Us the Pathway for Humanity.

We do not want to be like him who sits by his fireside and watches the fire go out, then blows vainly upon the dead ashes. We must resolve not to give up hope or yield to despair. Our world should, therefore, be viewed in the perspective of life lived to the full and in depth, and with meaning as well as with due regard for our spiritual heritage and Christian hope. Our future holds both the urgency to build our world anew, and the necessity of beginning again—Now!

Let us turn our scrutiny to the light in our hearts to see wherein we have lived without harmony for righting our relations with all of our sisters and brothers, whatever their race may be, and seek ways to break the discord and ease the tensions in which our lives are surrounded. With this Scriptural verse anchored deep in our souls and activated daily in every phase of our lives, I firmly believe that we can be "Builders of Broken Walls and Restorers of Houses in Ruins" with all people working together for World Reconciliation Through Jesus Christ:

"God through Christ changed us from His enemies into His friends, and gave us the task of making others His friends also."—2 Corinthians 5:18.

We are mindful of the agonies that are sweeping over our world. We know, too well, the facts that keep us bouncing back and forth between our dreams and our dilemmas:

We love peace but we find ourselves at war.

We are an affluent society but it's a fact that our poor, our ignorant and our hungry number into the millions.

We sing praises of America the Beautiful, but we are steeped in all manner of ugliness. Our air is polluted, our streets congested, our waters are contaminated, and our slums are growing like weeds.

We pay lip service to truth and honor; but some of our best people are not sure what truth is and daily dishonor themselves, their fellowmen, their sacred institutions, and their American citizenship.

We praise patience as a virtue but we rarely demonstrate forbearance in our dealings with others.

We relish the comforts and conveniences that have resulted from our dynamic technological advancements, our intellectual curiosities and our ever changing economy; but many of us turn around and denounce change itself as an evil.

We send our children to school to broaden their knowledge, to heighten their horizons and enlarge their viewpoint, only to find some of them squatting defiantly in the classrooms to deliberately stop the academic process—or paying dues to the devil with drugs, sex, space and speed.

We pay homage to the great leaders of history and revere the prophets of antiquity who tried to point the way to the good life; yet, we constantly harangue the contemporary prophets who dare to say that we must give of ourselves to others if our own existence on earth is to have any meaning. This means seeing the world as it really is and recognizing every person in it as someone worthy of love and understanding.

Each of us must heed the call of his conscience and face the facts of our problems. Each of us must ask ourselves what we can do to bring a measure of composure and sanity to our lives. I believe the answer lies in each of us getting involved, becoming a solver of our human problems, and admitting that we are not only our "brother's keeper," but we are our brother's brother and our sister's sister—"God through Christ changed us from enemies into His friends. . . ."

Deliberately we turn, therefore, to consider anew the following:

1. World Mission of Reconciliation Through Jesus Christ.
2. Better Human Relationships: What Life is All About.
3. Recommendations for His Presence, His Promise, His Power and His Peace.

World Mission of Reconciliation through Jesus Christ

Opening the windows of our spirits to the cries and to the agonies of those whose needs cry out to God and to us, the Executive Committee of the Baptist World Alliance, recently met in Wolfville, Nova Scotia, Canada, and proudly proclaimed a Call to Commitment, for World Reconciliation Through Jesus Christ. This commitment was formerly approved and adopted by the 12th Congress Session of the Baptist World Alliance, Tokyo, Japan, 1970. As a Christian witness and a member of the Executive Committee, I share and sanctioned this Call to Commitment.

World Mission of Reconciliation Through Jesus Christ

"God through Christ changed us from enemies into His friends, and gave us the task of making others His friends also."—2 Corinthians 5:18.

CALL TO COMMITMENT:

As chasms of misunderstanding, fear, and hate cleave our world into hostile factions, we boldly proclaim our faith that Jesus Christ is the one hope or reconciliation.

Remarkable spiritual victories in many countries challenge us to intensify our endeavors to fulfill the mission to which Christ calls us.

We acknowledge that some of today's problems and crises result from our failure to proclaim and practice the gospel. We confess that we have not always loved others as Christ loves us, and have often been guilty of inconsistencies with the gospel we preach.

We, therefore, seek divine forgiveness and genuine spiritual renewal. We commit ourselves to the privilege and responsibility of being ambassadors for Christ seeking to bring about reconciliation between man and God, and between man and man.

We appeal to the Baptists of the world to unite our resources in a World Mission of Reconciliation through Jesus Christ, dedicating ourselves:

- 1) to seek spiritual renewal through repentance, prayer, and Bible study,
- 2) to express the love of God in positive, practical ministries of reconciliation,
- 3) to proclaim in word and deed through creative, relevant approaches, the gospel of Jesus Christ to all men,
- 4) to motivate believers to discover, develop, and use their God entrusted abilities in dynamic witnessing,
- 5) to lead new believers immediately into warm Christian fellowship and active service for Christ and men,
- 6) to see the transforming of society by challenging all people, individually and corporately, to apply Biblical principles to personal conduct and social relationships.

Suggestions for Implementing World Mission of Reconciliation through Jesus Christ

Recognizing the extreme urgency for reconciliation of social, racial, economic and political structures, as well as of man with man, and believing that God calls us who have been reconciled to be instruments in His purpose to reconcile the world unto Himself and to create, out of the many diverse factions, one new humanity in Christ Jesus,

We appeal to all Baptists to join in the World Mission of Reconciliation through Jesus Christ, praying and working zealously for brotherhood and world peace.

We believe the following ideas suggest practical, redemptive ministries of reconciliation and evangelistic endeavors that can help to achieve the ideals of this Mission:

1. spiritual renewal;
2. re-discovery and involvement of the laity;
3. cooperative and diversified evangelistic witnessing; and
4. positive expressions of the love of God through ministries of reconciliation.

I. COOPERATIVE EVANGELISTIC ENDEAVORS

A. Personal Witnessing

1. Personal Witnessing
2. Training for effective witnessing
3. A planned program of visitation and personal witnessing
4. Scripture distribution
5. "One Step Forward" (Personal involvement, one step at a time, in witnessing and service.)
6. Coffee-houses (and other modern means of attracting young people for dialogue and opportunities for personal witnessing.)
7. "Crisis Service"—a telephone answering service, day and night, to offer friendship, counsel and

aid to those in crisis . . .

8. Street (market place, etc.) gospel story telling through use of flip charts, appropriate scripture portions, etc.

B. Witnessing to and through Small Groups

1. Family evangelism
2. Neighborhood Bible and prayer fellowships ("call" meetings, etc.)
3. Target Groups: University students, vocational groups, housing areas, youth groups, drug addicts, alcoholics, broken families, labor union leaders and members, management, professional groups, key leaders, etc.

C. Witnessing through Preaching

1. Mass rallies—preparatory to and as an integral part of city campaigns, concentrating their efforts through meetings in the churches, reinforced by combined mass meetings.
2. Cooperative use of radio and television—presenting the gospel through drama, musicals, testimonies, special "briefs," etc.
3. Saturation evangelism:
This plan envisions the concentration of large numbers of pastors and laymen, trained to work with members of local churches in house to house visitation and witnessing, assisting in choirs, counseling, and in follow-up day by day along with central preaching rallies or meetings in the churches.
4. Simultaneous evangelistic campaigns in the churches
5. City campaigns:
This plan includes personal witnessing on a vast scale in preparation for campaigns in mass rallies or in the churches, mass distribution of scripture portions and pamphlets, major rallies, simultaneous campaigns in the churches.

6. Preaching and special programs using musicians, choirs, laymen, concert artists, and others in schools, industries, office buildings, apartment houses, prayer rooms, coffee houses, etc.

II. MINISTRIES OF RECONCILIATION

A. Social ministries that express the redemptive love of God in alleviating misery and in reconciling men with God and with one another:

1. Ministries of health education, medical assistance, preventive medicine, etc., ministering in the name and spirit of Christ that people may be both physically assisted and spiritually awakened to need and reality of spiritual health through Christ.
2. Groups of committed Christians specializing in literacy work, in vocational guidance and training, in leading and providing wholesome recreation and sports, in ministering to those suffering from drug addiction, and other afflictions.

B. Fellowship meetings between those of various races and groups:

1. Inter-racial coffee times—home fellowship involving a few people of various races and groups in cordial Christian fellowship.
2. Church fellowships—churches of various races and classes meeting together in hours of regular worship or special occasions, such as church dinners, praying together for the Baptist World Mission of Reconciliation through Jesus Christ.
3. Pastors and laymen of various races and groups meeting together to share positively testimonies of God's grace and blessings and to plan joint projects of Christian ministry and evangelization.
4. Pulpit and choir exchanges between different churches of different races and groups.

- C. Joint work or relief projects in which members of various churches of different races and groups work together to meet human needs—ministering to those of different races, languages, economic groups, etc. (Groups to be contemplated in these ministries: immigrant, socially and economically underprivileged, prisoners, estranged youth, the aged, the affluent—who are not being reached by anyone but whose loneliness may be acute as those who are underprivileged—juvenile delinquents, alcoholics, broken homes, victims of natural phenomena or riots, war, or other disasters.)
- D. Counseling and assistance in Christian home building and spiritual education in the homes.
- E. A "Vision Walk-Through"—(a pastor in South America led his church congregation to walk-through the area around their church to become acquainted with the physical circumstances, needs, and opportunities of that neighborhood). This walk-through was followed by a "believers invasion"—church members going to the homes to become personally acquainted with the people, their needs, problems, frustrations, loneliness, etc., in order to establish friendly relationships, to leave scripture portions and helpful pamphlets, to witness personally, to discover needs that could be met by the church, and to overcome, where possible, misconceptions of the gospel and of the churches.
- F. Ministries to seamen, transients, migrants, people in the inner city, people on holiday and those too poor for holiday, etc.
- G. Person-to-person ministries and goodwill missions in active pursuit of better understanding between peoples of different countries, developing and strengthening bonds of friendship and good will.

- H. Ministries to those in hospitals, convalescent homes, and other institutions.
- I. Ministries in collaboration with other bodies, in harmony with our basic principles, in active pursuit of world peace and social justice.
- J. Encourage Christian statesmen and businessmen to use their influence and relationships to promote Christian brotherhood, better international relationships, and improved mutual trust and understanding.
- K. Encourage youth and laymen to dedicate their life and abilities for a year, or more, of special Christian service in areas of special need and opportunity.

"The 12th Baptist World Congress issued the Call to Commitment and the invitation to the churches of the various Baptist Conventions and unions to participate in a World Mission of Reconciliation through Jesus Christ, expressed through such cooperative enterprises as evangelism, with the clear understanding that each national or regional Baptist body will be completely free to determine the nature and expression of the Mission of Reconciliation expressed through this endeavor, adopting and adapting such materials, methods, schedules, etc., as may be determined and dictated, by their own needs, denominational programs and calendars, or political and social circumstances.

"Let a period of time, preferably beginning in 1973, and culminating at the time of the 1975 Baptist World Congress, be set aside as a period of special effort in evangelism and missions as a means of reconciliation through Jesus Christ, our Saviour and Lord."

May we be caught up by the movement of His Spirit and this Call to Commitment in our hearts so that we may become His living agents of usefulness and redemption; challenging all humanity to apply Biblical principles to personal conduct and all social relationships.

***"Better Human Relationship:
What Life is All About"***

If we would be "Rebuilders of Broken Walls and Restorers of Houses in Ruins," we must know what life is all about. To many, the following quotation is valid and acceptable:

"Life has been called a game, a struggle, a combination of disappointments and pleasures. Life has also been termed a picture that each of us must paint, a search for identity, and a way station between birth and death."

I believe that life is a dynamic process rather than a sum of years, and it is most rewarding when we are least conscious of demanding concessions from it. Life is reaction, rather than action, reflection rather than projection. Life has meaning only when interpreted in terms of human relationships. Every person we meet can teach us to be more aware of each human being as someone unique and priceless. Learning this can help us to become more loving, more forgiving, more generous, more kindly toward all people on this planet, whatever their cases of placca, or wherever they live.

The famous Greek architect Constantin Doxiadis, has declared: "There is but one way that leads to a worthy life—man must be a good receiver, a good processor, and a good transmitter—if he doesn't pass along to others what he has assimilated, he has reached a dead end and is of no value to himself or his fellow man."

The stirring of our hearts and the thoughts that focus themselves in our minds challenge us to intensify our endeavors to fulfill the mission to which Christ calls us.

"God through Christ changed us from enemies into His friends, and gave us the task of making others His friends also."

Sadly, we acknowledge that many of today's problems and crisis are the results of our failure to practice and proclaim the love of our Lord. We have failed to love where it was clear that to love was a necessity of our well being. Sadly, we must admit that we have indulged ourselves in smallness, hostilities, meanness, and now we are mindful of them in a strange and striking manner. We, therefore, must seek divine forgiveness and seek genuine spiritual renewal. We must ask God to purge us from our sins, redirect our lives and reorder our purposes so that we will come into creative and full possession of ourselves. Thereby, becoming responsible and respectable ambassadors for Christ, seeking to bring about reconciliation between God and man, and better relationships between man and man.

Thanks be to God and to all of the wonderful women of our Convention who expressed their love of God in positive and practical ministries of reconciliation through friendship, scholarship and fellowship.

We rejoice that we were able to make scholarships available to worthy young men and women at the following institutions: Natchez College, Natchez, Mississippi; Shaw University, Raleigh, North Carolina; Florida Memorial College, Miami, Florida; Morris College, Sumter, South Carolina; Morris Booker Memorial, Arkansas; Bryant Theological Seminary, Fitzgerald, Georgia; Birmingham Baptist College, Birmingham, Alabama; Walter Brooks Student Fund (Howard University) through the Home Mission Board, Dr. C. P. Harris, Chairman, Philadelphia, Pennsylvania; Benedict College, Columbia, South Carolina; Spelman College, Atlanta, Georgia; Bishop College, Dallas, Texas; American Bible College, Nashville, Tennessee; Arkansas Baptist College, Little Rock, Arkansas; and Selma University, Selma, Alabama.

It was a happy privilege to share together friendship, fellowship and the bounty of our blessings with our beloved African brothers and sisters, for 23 days in April of this

year. All around us, throughout our journey, there were surprises that truly manifested the grace of life, loving kindness and the mercy of God. Again, and again, we were overwhelmed by so much genuine affection, sincere joy and lovely gifts. Our hearts overflowed with thanksgiving for the network of relationships we firmly established with our African friends. All that came to us, lifted our spirits and renewed our hope and helped us to understand more fully how all people are bound together in the bundle of life.

We are deeply grateful to Dr. William J. Harvey, III, the distinguished Corresponding Secretary of our Foreign Mission Board, for so ably accompanying our President and a dedicated group of our women on our African tour. Dr. Harvey's close relationships, concrete commitments as well as his profound knowledge of African culture, highlighted many of our unique experiences during our trip. We were delighted to witness the successful work Dr. Harvey has done, and is doing, in the various missions and churches in Africa. We salute him for his boundless vision, spiritual quality and his religious faith.

None of us can ever forget the happy experiences we encountered when we visited the Suchn Industrial Mission, a secondary school serving over 250 students; and the Bendoo Industrial Mission, the first mission founded by the National Baptist in 1880. Both of these missions are located in Monrovia, Liberia. The Providence Industrial Mission at Chiradzulu, Malawi was founded by the Rev. John Chilembwe in 1900. We shall ever cherish the opportunity that was afforded us to worship and talk with our missionaries and students in Liberia, Malawi and Swaziland, all of which, greatly inspired us and gave us lasting insights into the problems, needs, and objectives of our Foreign Baptist Missionary Program.

The mottoes of the following African countries we visited are, to me, resources for strength, stability and security. We would do well to take them and let them speak to our hearts and to our spirits.

LIBERIA: *"The Love of Liberty Brought us Here."*

KENYA: *"We Walk Together Today for a Better Tomorrow."*

MALAWI: *"Partnership and Participation."*

SWAZILAND: *"Faith in the Future."*

It was a great pleasure and intimate privilege for us to attend the 21st Annual Session of the Liberian Baptist Women's Mission Union Convention, which convened in Monrovia, April 9-12, 1972. The First Lady, Mrs. Victoria A. Tolbert, President. The Convention Theme—"Attempt Great Things for God . . . Expect Great Things from God," helped us communicate, cooperate and to relate as members of God's Family, and to lay claim to the full strength of our Christian heritage and to follow the guidance of our faith. Through the hush of prayer, the songs of praise, and the power of witnessing, our delegation of National Baptist Women, were constantly reminded that although our lives move out in many directions, they must spill over into each other. For without this active relationship, we are not, and cannot be called the children of God.

Happily, I recall with grace and gratitude my delightful fellowship and friendly moments of worship, witness and warmth of affection at the 37th Annual Session of the Bahamas Women's Convention, Auxiliary to the Bahamas Baptist Missionary and Educational Convention, which met in Nassau, July 12-14, 1972. Our own beloved Reverend Mother Lavenia Stewart, is the President. It was a blessed joy to share with them their Theme—"Anchored in Jesus," and for each of us to affirm with our hearts that God has not left Himself without a specific witness in every age, in every land, with every people. Together, we saluted the Lord of Life for the unique relationship we have enjoyed through the years.

In the Spring-Summer Issue, 1972 of our National Baptist Woman, your President voiced her profound thanks to all of the wonderful women of this Convention, who contributed so generously to the African Clothing Drive. Two

tons of clothing were sent to our Foreign Mission Board for distribution throughout Africa. On our African tour in April, 1972, your President was pleased to present \$2,500 to our Mission Stations. This was in addition to our annual contribution to our Foreign Mission Board. Our gifts were graciously received and many hearty thanks were given to you for your kindness and thoughtfulness.

In the future, the Woman's Convention hopes to sponsor other clothing drives as well as to give more generously, financially and spiritually, assistance to Africa and other needy areas of the world.

We will continue to put our words into deeds and make our love and relationships real.

We welcome a National Survey that indicated a high tide of change is rolling across our American colleges, sweeping away many old broken relationships between students and teachers, and leaving students in a fresh mood of reconciliation. This new course appears to be far away from confrontations and violence, and moving toward some kind of working agreement with the world outside college walls. The survey also indicated that students now seem to be reassessing the value of their universities and also their traditions; and finding them not so bad, after all. Several authorities agree that "the change now is more than just a switch from war to peace on college campuses. Among today's student there is renewed interest in community service, politics and religion."

Observers of the college scene this year found a new sense of purpose among young people as well as a kind of solemnity. In the student-union building at Boston University, there is visible evidence of young people's interest in good causes. On a bulletin board are notices of openings for volunteers to work on farms, hospitals, to operate telephone hot-line problems for Latin Americans, and to work in state schools for the retarded. We salute all of our dedicated youth.

Let us pray for the students of the world. Especially for those who are lonely, aimless and confused. We ask for strength and divine guidance, to hold them steady before

God's Altar, that He may invade the living contexts of their lives, and all of their surroundings with His wondrous wisdom and steadfast love, and make His Kingdom the end of their goals.

Unfortunately, racism has not lost its place of prominence in our lives. Black and white bigots are still among us. Bigotry has been properly called the child of ignorance and the father of prejudice and persecution. I pray to God we will never be controlled by bigots. For each of us is duty-bound to prove himself a strong link in the chain of enlightened progress. Each of us has the capacity to create friendship or destroy understanding, to help or to hurt, to effect ourselves and the lives of others for better or for worse, informing and inspiring, leading and guiding to new heights of accomplishment and happiness.

Have you ever sat down and talked to other people about the deterioration of our human relationships, in which we are all caught and dangerously entangled? Would we dare to be different, to act as Christians ought, and get out of our little circle of friends, and create an inter-cultural or an inter-racial or an international circle of neighbors? I believe this would get rid of some of the stupid prejudices and help us to develop trust and mutual respect for each other; transcend suffering; tackle and contain the problems of drugs, diseases and poverty; utilize communication techniques; educate more effectively and activate a real breakthrough for world peace.

Starting with a Spirit of love, patience, and tolerance, bringing together all races, creeds, on all levels economically and socially, we can make the brotherhood of man a living reality. This very day can become a starting point, a stepping-off place for each of us, who for too long, have neglected our full responsibility and duty toward our fellow-man, our city, our state, our nation, and our God.

"Humanity is the spirit of the Supreme Being of God on earth, and He extends His loving hand to all, offering completeness of spirit to all, anxious to receive all."

Have we extended our hands in love to offer completeness of Spirit to our brothers and sisters in Bengadaleh;

in Vietnam; in South Dakota; Washington, D.C.; New York; Philadelphia; in the Mississippi Delta; in our neighborhood; in our home? Let us adopt these paraphrased words of St. Francis of Assisi:

Where we have been selfish, we can prove ourselves more generous.

Where we have been narrow-minded and prejudiced, we can open our eyes and our hearts.

Where there is need, we can supply assistance.

Where there is ignorance, we can shed the light of learning.

Where there is despair, we can bring hope.

Where there is frustration, we can offer faith, understanding and love.

We can accomplish all of this if we have the determination to do our duty as reconciled Christians of Jesus Christ. Blessed are they on whom God has conferred the gift of giving of themselves one to the other.

***"Recommendations for His Presence,
His Promise, His Power and His Peace"***

"I had fainted, unless I had believed to see the goodness of the Lord in the land of the living. Wait on the Lord; be of good courage, and He shall strengthen thine heart; wait, I say, on the Lord."

"I can do all things through Christ, which strengtheneth me."

"We are troubled on every side, yet not distressed; we are perplexed, but not in despair; persecuted, but not forsaken; cast down, but not destroyed . . . Knowing that He which raised up the Lord Jesus, shall raise us up also."

"If the Lord stands beside me, nothing, nothing can prevail against me."

From behind the walls of mischief, misbehavior and misunderstanding of the Present, we can clearly hear the hymns of hate, hurt and humiliations of Humanity. Nevertheless, we do not have to be unduly disturbed, for the stated Scriptural passages are current reminders that we can keep an unfailing God. We, who will claim the future, and be "Builders of Broken Walls, and Restorers of Houses in Ruins," must lift up our lives unto the Lord and follow, daily, the Ways of Faith:

Faith in His Presence

Faith in His Promise

Faith in His Power

Faith in His Peace.

It is good to refresh our minds, rekindle our memories and remember God's grace, by which our lives have been

sustained. Oh, how well I do remember, the day He touched me and overwhelmed my soul. For more than forty years, now, His Presence has filled my memory, ruled my heart, and guided my feet. God's Presence, His Promise, His Power and His Peace, enabled me to fly through the friendly skies on the wings of man more than 50,000 miles, thus far, this year—and—through many hours of agony, having to confront presidential pressures, personal and private problems, God has steadied my hand and stabilized my heart, and He has stilled many storms in my life.

Yes, "The Lord has promised good to me; His word my hope secures; He will my shield and portion be, as long as life endures."

We all agreed that we need to bring into sharp focus the Gospel of Jesus Christ in our lives, which will cause us to shift away from hostility, exploitation, and selfishness, to Renewed Paths of cooperation, participation, trust, sharing and love. There is a universal urgency for personal, social and spiritual stability. This urgency can become a reality only by having our lives anchored deeply in Discipleship of Christ-like involvement and actions. In essence, it is knowing that we can do all things through Christ who strengtheneth us, and working untiringly to channel His Power and His Peace to our wounded world.

Elmo Ellis, in his book entitled *Happiness is Worth the Effort*, tells how the Apollo astronauts looked down from more than 200,000 miles and saw a little round ball that was too minute to be full of ferment, too quiet and still to be wracked with unrest and war, too smooth and symmetrical to be warped with fear and indecision—the astronauts were looking at our small world.

"By miracles of scientific achievement that won the admiration of friends and foes alike, the United States succeeded in proving that man can literally escape from the troubles of the world. It is worth noting, though, that upmost in the minds of the three brave men who rode to the moon was the thought of returning home—back to the good, green earth, to loved ones, to friends, to crowded

streets and traffic jams, and all of the multitude of trials and tribulations that every earthling must bear.

"The farther those three astronauts sailed away from the earth's gravitation pull and the deeper they flew into space, the more clearly were they able to see what is beautiful, noble and endearing about this globe we inhabit. If everyone could have a similar experience, perhaps we might be better able to understand how big are the evils we commit against one another and how small they make us appear in the vastness of the universe.

"Why should the little creature man spend any of his precious moments making his life, or the lives of his neighbors, miserable? Why should any human demean himself when he is capable of being a giant, a Samaritan and a genius? If our schools and our industries can produce technicians an dequiptment capable of flying to other planets with unerring accuracy and dpendability, then we also can produce volunteers with the will and know-how to prevent war, eliminate disease, lick poverty, and overcome hunger.

"It is within the capabilities of man to remove the obstructions that block sensible advancement, to erase the ugliness that blights so many communities, and to erase the suffering and sadness and adversity that beset so many lives.

"Any social order that is able to build a bridge to the moon can also build bridges of human understanding and inspire men, women and children of all races and creeds to live in harmony and to use their immense technical knowledge for peaceful, humanitarian purposes.

"As we move forward into a new age of chance and challenge, one resolution should be on every person's lips—a pledge to complain less and cooperate more in overcoming our common problems.

"It's such a small world. The family of man, for all its four billions, is still a tiny tribe. Our astronauts saw this from afar. There's still time to profit from their observations and make this planet a place of peaceful progress and unlimited opportunity."

The Spirit of God has descended upon us and we have learned the language of love. We shall advance toward human growth and fulfillment. To achieve this we will use, more effectively, every existing system which promotes goodwill to all races and creeds, in our churches and in our societies, to enlarge every individual's opportunity and help each life to march under the mantle of our Lord and Master, Jesus Christ.

Bill Wither's song, "Lean On Me," has captivated many minds and is embraced by many hearts. I challenge you to "Lean On The Everlasting Arm The Lord," and be proud you have His Presence, His Promise, and His Power to overcome the shortcomings of our world. As this is a Day of Judgment on Yesterday as well as a Day of Decision for Tomorrow, I ask, "How proud are you for your kinship with a Loving, Lifting, Living Lord?"

You should be intensely proud for you are a divine mortal marvel. Think what you can do with your God-given talents. With your hands you can reach out in friendship to strangers, and with your fingers write letters to someone who is lost or lonely. With your arms you can lift the weak and the fallen, play games with children, comfort the aged, or embrace a loved one. With your eyes you can see a world of infinite promise, and glimpse a multitude of incomplete projects begging to be finished. With your ears you can hear the sweet call of opportunity to become a child of God and a servant of man, and answer its challenging appeal. With your lips you can utter your thoughts, freely and fully, kiss your beloved with unrestrained devotion, and praise Almighty God. With your mind you can dream and plan, outlining the route you wish to follow toward a happier future. With your senses keenly alert you can touch and feel, smell and taste, see and hear all that's fascinating, mysterious and exciting in our universe. With your legs you can walk in the direction you choose, selecting the destination your talent and ambitions direct.

How marvelous your versatility! How infinite your powers to question, to perceive and to master your destiny

under divine guidance. You are indeed a Blessed Person, blessed a thousandfold with strength, wisdom, patience, perseverance, imagination and ideals.

What will you do with your greatness? Will you share your abilities and blessings with those who are less fortunate? What contributions will you make to help your fellowman? What legacy of charity and noble deeds will you multiply through others?

How proud are you of the gifts you possess? Are you selfless enough to submerge your pride in acts of kindness and compassion? Are you gentle enough to love all people, of all classes, cases and in all places? Are you proud enough to be humble and follow faithfully in the footsteps of Him whose Name is Love?

Our mission today is addressed to World Peace, and the Lordship of the Prince of Peace. As heirs of Christ, we must live His message and guard our precious Christian values. To protect His Way of Life, must be our charge and our joy. Across the races—across the nation—across the generations, we will walk on our way together. Together, we will see the needs of our darkening world, we will hear the cries of hungering souls, and we will proclaim Christ to waiting hearts. For us, Christ is the only Way, and therefore we are unafraid to walk down New Paths into a new day—If God stands beside us, nothing, nothing can prevail against us!

Assembled in Convention

Gentlemen:

We have examined the balance sheet of the Woman's Convention Auxiliary of the National Baptist Convention, U.S.A., Incorporated, as of June 30, 1972; and the related statement of receipts and disbursements for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statement of receipts and disbursements fairly present the financial position of the Woman's Convention Auxiliary of the National Baptist Convention, U.S.A., Incorporated, at June 30, 1972, in conformity with generally accepted accounting principles.

Very truly yours,

JONES, ANDERSON & COMPANY

GENERAL COMMENTS

1. The \$5,000.00 that was borrowed in October 1971 in order to make a down payment on our Parking Lot was paid off in full April 1, 1972.

2. Our Parking Lot has been landscaped, partial black topped and marked off in order to provide uniformed parking and also allowing more cars to be parked thereon.

3. An increasing economy in the city of Hot Springs, Arkansas and the surrounding area may be exemplified as one of the reasons for an increase in net income for the National Baptist Sanitarium and Bath House. We believe this will be a constant trend in the years to come, and for that reason we believe a program of modernization for the Hotel and Bath House could be effective in increasing income in future years.

Respectfully Submitted,

Alroy L. Puckett
Manager
