REVISED CONSTITUTION
of the
National Baptist Convention, U. S. A., Inc.

PREAMBLE

Whereas, it was the sense of the Negro Baptist of the United States as represented in several Baptist organizations convened in Atlanta, Georgia, September 28, 1895, and known as the Baptist Foreign Mission Convention hitherto engaged in Missionary work on the West Coast of Africa; the National Baptist Convention which had been doing missionary work in the United States; the National Baptist Missionary work on the West Coast of Africa; the National Baptist Convention that these organizations should unite into one organization for the purpose of putting into effect the benevolent intentions of their constituents by eliciting combining and directing the energies of denomination; therefore said organizations did unite and agree upon certain fundamental principles of organic rules, which as amended from time to time, are as follows:

ARTICLE I—NAME

This organization shall be known and styled as the National Baptist Convention of the United States of America.

ARTICLE II—OBJECT

This Convention by uniting Baptist churches and other Baptist organizations, such as may desire an organization of this kind, shall undertake to promote home and foreign missions; to encourage and support Christian education; to publish and distribute Sunday school and other religious literature; and to engage in whatever other Christian endeavor is required to advance the Redeemer's kingdom throughout the world.

ARTICLE III—MEMBERSHIP

Section 1. The membership of this Convention shall be representative, annual and life.

Section 2. Representative membership shall be composed of messengers from churches, associations, district conventions, and state conventions all known to be in harmony with the purpose of this Convention, such sums as are set out in sections of this Article.

Section 3. Basic of Representations: a) Churches with less than 200 members, $10.00. No church will be allowed more than 10 delegates for $10.00 each; Churches with 200 to 500 members $25.00; 500 to 1000 members, $35.00; Churches above 1,000 members $50.00 paid in as representation. b) State Conventions, $200.00, not to exceed two messengers and $50.00 for each additional messenger. c) District State Convention, $50.00. d) Associations $35.00.

Section 4. Life Membership—Any person who is in good and regular standing in any Missionary Baptist church that is a member of this Convention may become a life member of this Convention by the payment of the sum of $200.00 into the treasury of this Convention.

Section 5. Annual Membership—Any person who is a member of a church that is in good and regular standing with this Convention may become an ANNUAL mem-

ber of this Convention by the payment of the sum of $10.00 into the treasury of this Convention. Said ANNUAL member may engage in the discussion of the Convention, but not vote.

Section 6. Associations and State conventions shall elect their messengers to the National Convention in their annual meeting preceding the Convention and certify that said messenger to the secretary.

Article 3 would be so amended that section 7 would read as follows:

"Since the convention is primarily a fellowship, and since the fellowship owns the corporation, membership in the fellowship does not give to any individual member or group of members equity or special property rights in the assets of the corporation. The annual representation fees are designed primarily to carry the expenses of the convention and to help in its work in general and cannot be construed as capital investment in the corporation.

Section 8. The question of the rights and privileges of membership are settled only by the convention itself or its Board of Directors in the convention's absence.

Section 9. No member or group of members of the convention shall have the right to use the civil courts to settle matters regarding membership rights and convention procedures. In these matters the convention itself is the supreme court from which there is no appeal. The majority vote of the fellowship is therefore binding on the individual, the convention, and the corporation itself."

ARTICLE IV

Voting in this convention shall be by the delegates assembled without reference to member organizations, states, or sections of the country, and shall be by voice, or show of hands, or standing.

ARTICLE V

Dear Brethren: April 5, 1886, an open letter to the Baptist clergy and laymen was issued by Rev. Wm. J. Simmons, an American Baptist, asking if we should have a National Convention to discuss questions of interest to our beloved denominations. At that time the following reasons were given.

1. To promote personal piety, sociability, and a better knowledge of each other.
2. To be able to have an understanding as to the great ends to be reached by the denomination.
3. To encourage our literary men and women, and promote the interest of Baptist literature.
4. To discuss questions pertaining especially to the religious, educational, industrial, and social interests of our people.
5. To give an opportunity for the best thinkers and writers to be heard.
6. That, united, we may be more powerful for good and strengthen our pride in the denomination.

Having been solicited to write the Call by many whose names and endorsements are here unto affixed, the Call is hereby made by their advice and solicitations for said convention to meet in St. Louis, Mo., August 25, 1886, 10 o'clock a.m., in the First Baptist Church, and the pastor thereof is hereby requested to serve as a Committee of Arrangements, with power to select his associates

Wm. H. Steward, Louisville, Ky., and Rev. R. H. Cole, 2609 Goode Avenue, St. Louis, are hereby requested to serve as a Committee on Transportation.

WM. J. SIMMONS

The chronological report in our National Baptist Minutes is hereby corrected, viz: The parties as they appear below were officers of the Foreign Missions or National Educational Conventions, as were their predecessors. Said conventions merged into the National Baptist Convention in 1886 or met co-jointly with it, or otherwise.

Benediction, Rev. William Shaw.

THURSDAY, JANUARY 23, 1975

9:30 A.M. Devotional period

The convention choir led in singing "I Am On The Battlefield" The Rev. Jasper Williams read and commented on St. John 3:1 and led in prayer.

Dr. Billoups, vice president at large, called the meeting to order and with the words: "We are so glad for another day, to be alive, and have an opportunity to pray." He then presented President Jackson.

Dr. Jackson came forward and submitted two recommendations:

(1) No National officer will go into any church and appoint anyone to do anything without the consultation and approval of the pastor. The Rev. C. Hampton moved for the adoption of the recommendation; it was seconded by Dr. Mapson and unanimously approved.

(2) President Jackson also recommended that no auxiliary of the N.B.C., U.S.A., Inc.) take any membership in or join any other organization without its [N.B.C., U.S.A., Inc.)' approval: It was moved by Dr. P. H. Rankins and seconded by Dr. Louis Beauchamp that the recommendation be adopted; it was unanimously approved.

At this point, Dr. Jackson spoke to the Board of the importance of coordinating the energies and efforts of the constituents of N.B.C., U.S.A., Inc. to provide money to make loans to churches who might need them, and recommended that a special committee continue to work with the congress in pursuit of this goal; Dr. Charles Williams moved for the adoption. Dr. Mapson seconded the matter: it was adopted.

In an effort to enlighten the delegates with respect to the $5.00 registration fee for hotel reservation, Dr. Jackson spoke extensively on the subject and stated that presidents of State Conventions should be responsible for the application forms in their respective states. A lively discussion followed Dr. Jackson's remarks. It was agreed that registration for hotel reservations would continue during the Board meeting in Hot Springs and subsequent to the Board meeting the president of a State Convention or some other responsible person would be responsible for distributing forms and collecting the fees: All funds should be mailed to Dr. Carr, treasurer of the Convention; checks should be made to the National Baptist Convention, U.S.A., Inc.

Dr. Williams of Detroit Michigan raised a question: "What if a president of a convention does not cooperate in disseminating reservation forms?" Dr. Jackson responded by suggesting that we move on the assumption that the presidents of conventions will cooperate; he further stated that he would rather loose the delegation of a state than to embarrass a president of a convention.

The discussion was interrupted to announce that Dr. Caesar Clark had in his possession a pocketbook which someone had lost.

The discussion was resumed with a question by the Rev. J. L. Robinson, "What happens if a person who gives $5.00 does not attend the convention?" Dr. Jackson stated that he would favor giving the money back to the person.

Dr. Mapson moved that the forms be sent to State president without charge: there were many seconds, the motion was approved.

Dr. Carr was presented to make a statement with reference to "Tour" to the "Baptist World's Alliance" which will convene in Sweden; he stated that those persons who plan to attend the convention and who wish to travel with the N.B.C., U.S.A., Inc. sponsored "Tour" should act with dispatch. Each person should send $35.00 to secure a room. An exception would be a husband and wife in such case the husband would send $35.00 for himself and an additional $25.00 for his wife. He further stated that there are twelve seats left on the tour to Russia.

At this point, Dr. Jackson called for the pastor of the First Corinthian Baptist Church of Chicago: he was not in the Convention Hall at the time.

Rev. T. Weedon, Rev. Warden; Rev. Moses Javis comprised a committee to study and make recommendation on honorariums to convention workers. This committee recommended the following: 1) Four Vice Presidents, $250.00 each, 2] Vice President at large $500. 3) Secretary $7,200.00, 4] four Assistant Secretaries $250.00 each 5] Treasurer $1,500.00, 6] Historian $600.00. 7] Statistician $600.00, 8] Executive Secretary $15,000.00 = a total of $27,400.00. The Rev. Victor Wells moved for the adoption of the report; there were many seconds, the report was approved unanimously.

The Rev. Roy Dove of Buffalo, N. Y. asked a question and made some observations concerning the musical of the last convention; people were involved in the musical in responsible roles who are not affiliated with the N.B.C., U.S.A., Inc.

The Rev. Dove and others were assured that in view of the fact that steps have been taken for the convention to have control of the musicals, similar situations will not occur in the future.

Dr. Jackson reminded the Board members and other attendees that the offering on Sunday morning of the Annual Session of the N.B.C., U.S.A., Inc. represents a new and special interest in the financial needs of our colleges; this offering will be given to a college or colleges of given State each year. Dr. Jackson stated that "Selma University" was the recipient of the offering last year 1974 and suggested the two colleges in Arkansas be the recipients this year, 1975.

Both President of Morris Booker College and President Oliver of "Arkansas Baptist College" thanked Dr. Jackson and the Convention for the action taken to help the schools.

Dr. Jackson responded by stating that he looks forward to the time when we will raise in the offerings for the schools fifty or sixty thousand dollars.

President Jackson called for the Loan Committee to make a report to the members of the Board (names to be inserted] the report revealed that the churches to which loans were made have lived up their agreements. Dr. Jackson reminded members of the Board and others that it was decided that States in which churches, desiring loans, are located would take the lead in negotiating and facilitating loans.

The Rev. Day of Buffalo, New York was accorded the floor; he stated that the musical in Buffalo was recorded and Albums are being sold. Rev Day wanted to know who authorized the recording of the musical and the sale of Albums and; also, were the actions proper ones. To which Dr. Jackson replied that he had not discussed nor approved of such actions as were described by Rev. Day and if there be those who are engaged in such actions, they are in error.

The record should show, Dr. Jackson continued, that the convention accepts the interpretation of its attorney with respect to recording and the sales of the proceedings of the convention: "You cannot stop people from recording but you can stop them from selling the proceedings of the N.B.C., U.S.A., Inc. A motion was adopted that steps be taken to contact those who recorded the proceedings in Buffalo and inform them of the convention's stand.

A musical selection was rendered by the convention's choir; "O How I Love Jesus." After which Dr. Jackson presented Dr. Carr, treasurer of the Convention to report on the status of the loans made to churches. Dr. Carr reported that not only was the "Corinthian Baptist Church up-to-date in their payments but that this church had paid $3,000.00 in advance of their agreement to repay the loan. Also the "New Covenant Baptist Church, Rev. Emory Johnson, pastor, was also in good condition.

Dr. Rankins made a report on the work of the B.T.U. Board of the N.B.C., U.S.A., Inc.; he paid tribute to Dr. Jackson for his outstanding leadership given to the convention and all its auxiliary bodies and reported that the B.T.U. Board had reached new heights in its accomplishments. Dr. Rankins reported to the convention

$500.00 from the Stewardship Fund of the B.T.U. Board.

Dr. Jackson asked that copies of the recommendations passed by the Board be placed at the door so that those persons desiring a copy could get one at the close of the session.

The convention choir led in singing "How Well Do I Remember."

President Jackson remarked that the choir is a great help to these meetings and pointed to Mrs. Franklin as the person, who, he feels is the right person to direct the musical in St. Louis, Mo.

Dr. Hanes stated among other things that the Stoffers Hotel is headquarters for the Annual Session of the Convention in September, 1975.

Dr. Stalworth reported on the finances: Tuesday, January 21, 1975, $7,384.00, Wednesday, January 22, 1975, $8,530.00, Thursday, January 23, 1975, $4,595.00 = Total $20,309.00—Partial Report.

Dr. Adams observed that in connection with money collected by Christian Institutions the term "raised" should be replaced with the term "received."

Dr. Burson reported breakdowns of the sources of finances realized from the convention in New York by his Committee which totalled $27,728.31.

The choir led in singing "Amazing Grace." After which, Vice President Hampton presented Moderator Cook, who in turn introduced and presented the Rev. W. L. Ubshire to deliver the closing sermon of the session. St. Matthew 16:13-18 comprised the context of Rev Ubshire's sermon, which was enthusiastically delivered and appreciated by those present.

"There Will Be Peace In the Valley" was sung by Rev. Turner.

Vice President Hampton remarked: "this has been a great session" he then announced the adjournment of the session. The Benediction was pronounced.

MINUTES—Board Meeting in Birmingham, Alabama—June 18, 1975

A period of singing was conducted by the convention choir under the direction of Dr. Johnnie H. Franklin Brown.

Vice President Hampton called the meeting to order and presented the Rev. J. Edward Henry of California who conducted a devotional period.

At the conclusion of the devotions, Dr. Hampton presented Dr. J. H. Jackson, president of the National Baptist Convention, U.S.A., Inc., Dr. Jackson made an opening statement and called upon Secretary Jemison to read the agenda which was proposed for the meeting; the Rev. Bell of Kentucky moved that the agenda be adopted as a guide for the proceedings of the meeting; the motion was seconded by Rev. Daniel Hughes, and adopted by the Board.

Item number 9 was the first considered—a report on the 1975 convention in St. Louis, Mo.

1. Dr. Harvey reported that fifty (50) booths had been sold and that he had turned over to the treasurer four thousand seven hundred dollars ($4,700.00) and that he had received one registration for a church.

2. Mrs. Cecelia N. Adkins reported on the progress made in the development of the Souvenir program, with respect to the finances, she had collected eight thousand dollars ($8,000.00).

3. Dr. Johnnie Howard Franklin Brown reported on the musical: "she had solicited 1,122 persons to comprise the choir; they had had seventeen rehearsals; since the platform will accommodate only 500 persons, the other singers will be distributed in a balanced manner: there are nine directors and directresses assisting with the planning of the musical."

4. Dr. Burson reported that all auxiliaries and Boards of the convention are expected to assume the financial responsibility for their banquetes. He also stated that (a) the convention bureau shall exercise control of the tickets; (b) the publishing board will send persons to St. Louis to work with the local committee.

Dr. Carr reported on the money which he had received for reservations: he had had communications from 1,176 persons who had sent $5.00 each for reservations which totaled $5,861.00. He received at the meeting in Birmingham June 18, 1975, from Dr. Henderson, Sr., $90.00 for 17 persons, Dr. Wilson of Michigan, $600.00 for 120 persons, Dr. Billoups of Louisiana, $30.00 for 6 persons, Dr. W. L. Wilson, of South Carolina, $5.00 for one person, Dr. F. W. Coleman of Indiana, $175.00 for 35 persons. Monies received prior to and during the board meeting June 18, 1975 for reservations amounted to $6,766.00.

Dr. Jackson called the board members' attentions to the convention guidelines which had been made in the 1972 minutes by referring to pp. 139-140. Dr. Jackson then asked Dr. Jemison to read the guidelines for the convention in its annual sessions, which he did. Dr. Jackson stated, "we are bound by these guidelines. Dr. Jackson stated that he had visited St. Louis and that several meetings were held with the leaders of the St. Louis area. Dr. Jackson reported that there are two committees and two chairmen—somebody has made a mistake, he further stated. Dr. Jackson continued his comments on the St. Louis question by stating that the intention of the Board is to carry out the mandate of the convention; he elaborated the question and then asked for a standing vote as to whether or not the Board understood what the convention has said with respect to the question under consideration. The vote was in the affirmative. Dr. Jackson then suggested that the St. Louis Committee and the Convention's Committee meet and discuss the question with a view to arriving at a workable solution.

Dr. Jackson presented to the Board for its approval, an alternate choice of one of two statements: No. 1 "The call to continue the struggle for a racially integrated society in the United States of America"; No. 2 "The call to abandon the fight to establish a racially integrated society in America." The No. 1 statement was adopted unanimously. After the affirmative vote, Dr. Jackson suggested that those persons voting keep the document and write on it the reason they voted as they did.

To alleviate the frustrations which many young people are experiencing in seeking summer employment, Dr. Jackson suggested that every Church that is able or have the potential ability, hire some young person to work and pay that person. Dr. Jackson requested the approval of a budget of $50,000.00 to employ some young people for July and August to work in the J. H. Jackson Library in Chicago, Illinois. The young people's parents or churches would pay their fare to Chicago and while the young people are in Chicago, they would live on their salaries; the suggestion provoked a lively discussion. After adequate time had been given to discuss the question of employing young people to work in Chicago, Dr. C. C. Coleman of Mississippi, moved for the adoption of the proposal and Dr. W. R. Haney of Michigan, seconded the motion; it was carried. A special committee was appointed to work with the details of the employment project; this committee is composed of: Rev. William Shaw of Penn., Rev. L. R. Curry of Illinois, Rev. David Matthews of Mississippi.

Rev. Moses Javis suggested and moved that the Chicago area be approved for the experiment of summer employment for some of our young people; the motion was seconded by Dr. W. T. Crutcher, it was approved.

Dr. Jackson sought and got the approval of the Board for the following recommendation: that a plan be developed for a program for the convention's participation in the Bi-Centennial Celebration of our Nation; the Rev. W. T. Crutcher of Tennessee offered the motion for adoption of the recommendation and it was seconded by the Rev. Charles Williams of Michigan, the motion was carried. It was also recommended that the ideals of America as set forth in the book "In the City of Men," by Johnny J. Williams be accepted as the Bi-Centennial document; Dr. Victor Wells moved for the adoption of this recommendation, the motion was seconded by Dr. Burson; it was adopted. The Board adjourned for lunch at 12:15 p.m. The Bene-

diction was pronounced by Rev. George W. Lucas, Ohio.

The meeting resumed at 2:00 p.m. The convention choir led in singing "Pass Me Not Gentle Savior"; Dr. Hampton presented Rev. Victor Wells to lead in prayer.

Dr. Jackson presented Secretary Jemison to read a communication from the World Council of Churches regarding delegates to its assembly; it was revealed that the N.B.C., U.S.A., Inc., is entitled to send eight delegates to the Assembly. Dr. Jackson stated that the policy of the Council has changed since he first began participating with it.

At this time Dr. C. C. Coleman, Mississippi, spoke to the question of the sovereignty of Baptists; Dr. Jackson then appointed a committee of the following persons: Dr. R. D. Lyle, Dr. Warren Lewis, West Virginia; Dr. R. D. Thomas, Louisiana, chairman, to study the situation and report to the convention in September.

Dr. Jackson spoke of methods to be used in helping denominational schools: Representatives of the schools in Arkansas, which will receive financial help from the convention this year, were asked for; Dr. Mazique came forward and spoke briefly, Dr. Guy was not present.

Dr. Jemison read an open message which was drafted to be sent to President Ford; Dr. T. H. Rankins moved for the approval of the letter and that it be sent to the President; it was seconded by the Rev. W. T. Crutcher and was enthusiastically approved by those present.

Item No. 7 was presented for consideration (concerning the transfer of the activities of the women's camp in Michigan to a part of the Freedom Farm in Fayette County, Tennessee). Dr. Ross, President of the Women's Convention, requested that she and the other women of the convention be given time to consider the proposal; the request was granted.

Item No. 8 inquired for a position on help for Jessie Harris who grew up on the convention's farm and completed high school in May and plans to go to college. The consensus of the members of the board was that the earlier position taken by the convention to help any boy or girl who completed high school while working on the farm with his or her parents be reaffirmed.

Dr. C. L. Long was presented to speak on behalf of the Baptist Chaplaincy; he stated: "many men to whom he ministers are beginning to recognize the concern that Baptists have for their welfare."

Mr. Alroy Pickett reported on the Bath House; he reported a total income of $81,986.42 and an expenditure of $76,986.42; $28,000.00 were expended for an adjacent lot; he also reported that there is an account of $32,984.57 to be paid over a long period of time. Dr. Jackson responded to Mr. Pickett's report by asking whether or not it would be necessary to send the convention's auditor to Hot Springs to audit the accounts; the question was decided negatively since an audit had been made by a certified auditing firm. Rev. Charles Williams made the motion and it was seconded by Rev. E. T. Caviness.

After some discussion on fees for registering in the N.B.C., U.S.A., Inc., Dr. Jemison was instructed to send to constituents information on the new fees for registration and to instruct those persons/institutions, who may wish to pre-register, to send their letters and fees to the Foreign Mission's Office in Philadelphia.

Dr. Jackson reported that Dr. Wills, a former superintendent of schools in Chicago had given books to the J. H. Jackson Library valuing $10,000.00. This information was appreciatively received by the board and the Rev. W. R. Matthews offered a motion which was seconded by the Rev. C. C. Coleman that a letter of appreciation be sent to Dr. Wills; the motion was enthusiastically approved.

"Baptist Voice"—Dr. Clark made an affirmative report; he stated that a new interest is on the increase, but support, news-wise and money-wise, is needed. Dr. Clark requested that payment for allotments of the paper be made to the managing editor, Mr. Williams. Dr. Clark also stated that he would send to Dr. Jackson

$1,000.00 the following Monday to be applied to the budget for the employment project for young people.

Dr. Jackson responded with appreciative remarks and reported that the Sunday School Board had sent a check for the self-help program in the amount of $2,000.00. Dr. Carr, treasurer, presented the check and Mrs. Adkins stood to receive the Board's appreciation.

Dr. Jackson called upon Secretary Jemison to make a statement on the minutes. Dr. Jemison cited the punctuality which has always characterized his work as secretary of the convention, but because of the burglarizing of his office, the death of a brother, and the deaths of other persons close to him, he had experienced unusual problems and, consequently, a delay in getting the minutes updated. However, Dr. Jemison assured those present that the 1973 minutes would be received before the convention in St. Louis and the 1974 minutes subsequently. It was emphasized that there would be three stated meetings of the board each year: January, June, and September.

Loan Program—Dr. Jackson stated that if there were churches willing to make loans, the convention would back up such loans. After a discussion, the general sentiment was that monies for loans be channeled through the N.B.C., U.S.A., Inc. The Rev. Paul Fullilove spoke commendably on the fact that we have begun a loan program and urged that we explore the possibility of expanding the program.

The committee on guidelines for the convention made its report and urged a re-affirmation of the established guidelines.

Rev. Luxas offered a motion that the concept advocated in the morning session—that Chicago be the target area for the employment of young people, be confirmed; Rev. Rankins challenged the procedure by stating that it was out of order.

Mr. Donis Myers, Sr., made a brief report on Scouting and recommended a new manual for the scouting program.

Dr. Jackson stated that the convention's program would be modified to accommodate Bi-Centennial emphases. Dr. Jackson also selected the Rev. Lovelle Maxwell, pastor of the Mt. Olivet Baptist Church, New York, New York to respond to the welcome program in St. Louis.

The board was informed that the Rev. Homer Nutter and Joe Moore were sick. The Rev. A. Doyal McGraw, President of the Texas Baptist Convention was asked and led in prayer for the sick brethren.

A committee was appointed to work on the program for the September meeting; the following were to serve: Rev. W. R. Matthews, Michigan; Rev. R. B. Lyles, Illinois; Rev. Louis Beauchamp, Wisconsin; Rev. F. W. Coleman, Indiana; Rev. Morris Burrell, Louisiana.

Thus the meeting of the June Board of Directors of the National Baptist Convention came to a close.

5. Peace of the world—Rev. W. H. Wofford

At the conclusion of the devotional period President Jackson was presented; officially called the 95th Annual Session of the N.B.C., U.S.A., Inc. to order. Jackson then proceeded to speak on the Nation's Bicentennial Celebration and by the members of the N.B.C., U.S.A., Inc. and others with a similar heritage and ethnic identification should celebrate. Dr. Jackson cited a statement made by Professor Bennett, a Negro historian, as to why we as a people should not participate in the celebration of two hundred years of experience. Mr. Bennett gave two reasons for his position; 1) "two hundred years have not brought us freedom; we are still chained; 2) we will never have full freedom unless we seize every opportunity to tell white America that we are not free."

Dr. Jackson emphasized that there are still obstacles to overcome, burdens to be [illegible]med, etc., but took a strong counter position to that of Professor Bennett by [illegible]ing affirmatively that we are free! free to think, free to travel, free to worship. [illegible]we were not free, there would be no Baptist Church in the United States nor [illegible] world. The delegates registered their approval of Dr. Jackson's position by ap[illegible]nding enthusiastically as he spoke on the theme of freedom and why we should [illegible]rticipate in the Bicentennial celebration. Dr. Jackson concluded his remarks by [illegible]ing that the Convention's position be recorded in every State Institution, in all [illegible]ups and nationalities, in every state house; wherever men and women gather [illegible]celebrate the Bicentennial, we want the word to get back that we said here in [illegible] Louis, "we are free."

Mrs. Ethel Vail Warner of N.Y. sang a solo: "Ride on King Jesus."

Then followed the welcome program: words of welcome were spoken by Dr. [illegible]l. Henderson, Jr., President of the Missionary Baptist State Convention of [illegible]souri, Dr. Neal J. Haynes, Moderator of the Antioch District Association; Mayor [illegible]s Poelker.

Mr. J. Robert Bradley sang: "He Touched Me."

Dr. Lovelle A. Maxwell of N.Y. responded to the welcome on the behalf of [illegible] Jackson and the members of the N.B.C.

For the worship period the Rev. Elroy Day read a scripture and offered a prayer. [illegible] Hymn "Amazing Grace" was sung and Dr. G.B.J. Burson of N.Y. was intro[illegible]d and presented to deliver the first sermon of the session. Dr. Burson preached [illegible]he Convention's theme: "The Hour of Decision" Joshua 24:15; the sermon was

Dr. Hale reported that Southern Baptists have committed themselves to unde writing the costs of new buildings on the campus and National Baptists are ask to furnish the buildings—to furnish a room will cost $350.00. Dr. Hale argued t justification for support for the school by citing the following: The many ministe and other Christian workers who were trained at the school, the student body campus, in-service ministers studying at the school; there are 26,000 churches in t convention that will need trained ministers from time to time.

THE ANNUAL REPORT

OF

GENERAL SECRETARY

T. J. JEMISON

ST. LOUIS, MISSOURI
1975

Mr. President, to the Presiding Officer, other members of the Official family, delegates, visitors, and friends assembled here in the City of St. Louis, Missouri. The City that has ascribed itself the name, "Gateway To The West." To further emphasize this name and concept, the City has built a gigantic Arch that stands tall and over-looks the city.

As we gather here in our 95th Annual Session, I am happy to again make to you my Annual Report. As I have stated to you in the past, I have endeavored to be a Secretary you could be proud of and thankful for.

You will be interested to know that our convention, under its present leadership continues to grow. We have taken in to my knowledge 46 new churches and one new convention in New Jersey. The record will also show that we have taken in 2 former member churches. We have new churches inquiring all during the year that are interested in becoming a member of the largest organized body of Negroes in the United States and perhaps in the world.

We are not only adding new churches, new associations, new conventions, but new individual or personal enrollments, but a new interest in the work of this convention can be seen even by a casual observer

The National Baptist Convention, U.S.A., Inc., is a powerful organization, and this is due largely because of its large membership and its accumulated assets. Only God knows what this great body can and will become.

The Educational Foundation continues to grow with assets of better than $285,000.00 This Fund was designed from the very beginning to assist our struggling Baptist Colleges and churches. The Retirement Fund continues to grow but at much too slower a pace This Fund has grown above $400,000.00. Remember, brother Pastors, this Fund was organized for your benefit. We will not always be strong and receiving large salaries and anniversaries. We must make ready now for the days of our inactivity and for the security of our families.

The Stewardship—Self-Help Program is one of the finest of this convention. The Self-Help Program was born in the mind of our President and was designed to help churches build and to renovate, and to save our members churches from the high exorbitant interest rates. This Fund has already made several loans to member churches—One for $50,000.00, one for $40,000.00, one for $35,000.00 and one for $25,000.00.

We are receiving more loan applications then we have funds to loan. We need as Pastors and member churches to join in and support this Self-Help Program. There is nothing in the world like being able to help yourself, and to be secure within your own organization.

The National Baptist Convention, U.S.A., Inc., is a member of the World Council of Churches, The Baptist World Alliance, and the National Council of Churches in the United States. We have paid our annual quotas to these bodies of $3,000.00, $2,500.00 and $2,500.00 respectively.

As we have stated before, we are members of these bodies for the fellowship of kindred minds On social and domestic issues, the National Baptist Convention, U.S.A., Inc., reserves the right to speak for itself.

Since we last gathered in our session in Buffalo, New York, last year as your Secretary I have been invited to speak to the California State Baptist Convention, Dr. E. V. Hill, President. This is a great convention and under the leadership of Dr. Hill, the State Convention is growing and bringing about some new programs that are far reaching. We were invited to Address the Alabama State Convention, Dr. A. W. Wilson, President. This is truly one of the great conventions of our National Convention. I was greatly please to be invited to return to my home State and the State Convention that my late Father, Dr. D. V. Jemison was the President for 34 years. I was honored as a favored son of this convention and presented a beautiful plaque by President Wilson for the convention.

We were also invited to Address the General Baptist State Convention of Florida, Dr. A. B. Coleman, President. This convention met in Pensacola, Florida. This is another of our great conventions. I was accorded every courtesy by the leadership and constituents.

We enjoyed ourselves as we visited with and Addressed the Baptist State Convention of West Virginia. This group is led on by Dr. W. A. Jones as the President and Dr. Warren S. Lewis is the Executive Secretary. This was indeed a happy experience. Never was I so surprised when I arrived at Hill Top to find such a beautiful physical plant owned and operated by this great convention. This State Convention I believe is just about unique amongst us when it comes to facilities. This convention meets each year at Hill Top its headquarters.

We are happy to report to you our Minutes are about up-to-date again. I want to take this opportunity to express my deep appreciation to each of you for being patient with us. The vandalism to our church and office caused quite a stir and confusion. Many of our records were stolen or destroyed. We are deeply appreciative of the cooperation given our office by Mrs. C. N. Adkins, Executive Director, of our Sunday School Publishing. Without her cooperation and understanding we could never have gotten the Minutes to you as soon as we did.

The Treasurer, Dr. L. G. Carr will tell of the more than $168,083.13 received during the Annual Session. The Auditor's Report will also reflect the same amount as reported by our Treasurer. The Auditor will also report on all of the Auxiliaries and Boards of the Convention for our fiscal year.

Our office was given this year a raise for expenses in light of the extra work in getting out the new form for our Annual Minutes. Instead of $5400.00 we were given $7400.00.

Thank you again for the opportunity to serve,

Humbly Submitted,

T. J. Jemison

REPORT OF STATISTICIAN

SEPTEMBER 11, 1975

Rev. B. Joseph Johnson, Sr., A.B., B.D., D.D.

President Jackson, presiding officer, officials, members and friends of the National Baptist Convention, U.S.A., Inc., it is with pleasure and supreme joy that I come before you today as your humble statistician to make my annual report. A smiling Providence has permitted us to meet again in the city of St. Louis in the 95th session.

It is a tremendous, irrefutable fact that missionary Baptists are to be found throughout the world, but the vast majority of Baptists are to be found on the continent of North America. We adhere to the divine Commission of our Master: "Go ye therefore into all the world and make disciples of all men—He that believeth and is baptized shall be saved, teaching them to observe all things and lo, I am with you always even to the end of the ages." This divine commission is direct from the mind and heart of our Great Captain. Therefore, we must never shirk our responsibility to elevate and cultivate the less fortunate. We must continue to:

"Rescue the perishing, care for the dying,
Snatch them in pity from sin and the grave,
Weep o'er the erring one, lift up the fallen,
Tell them of Jesus the Mighty to save."

Baptists do not trace their beginning to a modern founder as do other denominations. The Lutherans began with Martin Luther, the Presbyterians with John Calvin, the Methodists with John Wesley, the A.M.E.'s with Richard Allen, the Disciples with Alexander Campbell. Not so with Baptists. There is no personality this side of Jesus Christ who is a satisfactory explanation of our origin. The New Testament churches were independent, self-governing, democratic bodies like Baptist churches are today. We did not originate from the reformation, nor in the dark ages, our marching orders came from Jesus. Our principles are as old as Christianity. We acknowledge no founder but Christ.

Missionary Baptists are a peculiar people, our beliefs are distinct and unique.

We believe the Bible is the final authority in doctrine, polity, and life. We do not recognize the authority of creed, nor Ecclesiastical decree.

We believe in Salvation by grace through faith. There are two sides to this experience—the divine side and the human side. On the Divine side, it is regeneration or a new birth. On the human side, it is conversion, or a turning from sin to the Saviour.

We believe in sanctification as a process of spiritual growth in the believer, that it does not mean human perfection, but it is the divine work of the Holy Spirit, culminating in complete likeness to Christ.

We believe in the eternal security of the believer. "And I give to them eternal life, and they shall never perish, neither shall any man pluck them out of my hand."

We believe in the resurrection of the dead, with eternal life for the righteous, and eternal death for the wicked.

We believe in the supreme worth of the individual and the dignity of human personality. We are opposed to all totalitarian ideologies, both civil and religious, in which the individual is a mere cog in a machine.

Baptists have always cherished and defended:

1. Soul-competency, or the ability of the individual soul to deal directly with God.
2. Soul-freedom, or the right of every individual to deal with God for himself without the interference of man or the church. He has the right to

read and interpret the Word of God for himself, and the right to worship God according to the dictates of his own conscience.

We believe that the church is a company of Baptized believers, organized according to New Testament principles. In organization, the church is a spiritual democracy. It is spiritual in that it is composed of individuals who have had a spiritual experience, those who have been born of the spirit of God.

We believe in a regenerated church membership.

We believe that there are two unique and distinct ordinances:

The Lord's Supper, and Baptism.

We believe in the separation of Church and State.

Summary

1. Ours is a fellowship of six million, three hundred thousand members.

2. We have twenty-seven thousand, six hundred fifty-five preachers, and twenty-seven thousand churches.

3. We have twenty-two thousand, one hundred ninety-four Sunday Schools, with a total enrollment of three million.

4. B.T.U.'s, twelve thousand twenty-four.

5. Total number of Missionary Societies, twenty-four thousand, three hundred forty-eight, with a total enrollment of two hundred fifty-five thousand, one hundred twenty-six.

6. Total number enrolled in Daily Vacation Bible School, over thirty thousand pupils.

"Stand up, stand up for Jesus,
Ye soldiers of the cross,
Lift high his royal banner,
It must not suffer loss.
From victory, unto victory,
His army shall be led,
Till every foe is vanquished,
And Christ is Lord, indeed."

REPORT OF THE COMMISSION ON DENOMINATIONAL COORDINATION

St. Louis, Missouri — September, 1975

President Jackson, Vice President-at-Large Billoups, General Secretary Jemison, other general officers, heads of national auxiliaries, chairmen of boards, delegates, ladies and gentlemen:

The very great progress of our denomination in so many ways is a reason for much, continued giving of thanks to the Heavenly Father. The fellowship of Christ the Lord in our convention makes coordination an efficiency-causing, systematizing, accelerating, balancing, controlled ongoing of deep meaningfulness. The obvious teamwork with our beloved, illustrious Chieftain and his Board of Directors is a thing of beauty to behold!

Coordination increasingly is for what can be called reaching out. Such words can be considered as meaning missions, or the very substance of our living Christ. Each focus of both the Home Mission and Foreign Mission Boards is a stirring vision to experience, and which moves you and me very deeply. We agree that we must reexamine and rededicate ourselves to the efforts to win the lost overseas, and also the unsaved around us.

Should not our denomination through its teaching, training, and serving auxiliaries try to reach out even more through advanced plans for seasons of directed prayer, special BIBLE studies, timed enlistment campaigns, and soulwinning and varieties of definitely proposed objectives with follow through or preliminary visitation in a step by step way over a period of months, quarters, or years? Can we not pray with our overloaded leaders, and our faithful workers, who too often carry on in an overlapping way in order to try to get the job done? Can we not pray that they will be encouraged to help determine whether there can be, and when there can be continent wide, area wide, state wide, or city wide projects of activities simultaneously as mentioned above?

Is it not ours to remember ever that in the Great Commission there is first the command to teach with the command to baptize; then there is the command to teach, which is to nurture? The human heart is an example or illustration. A beat brings in blood to be cleansed by its trip through the kidneys and through the lungs; a beat sends the cleansed blood throughout all the tissues of the body made for circulation. Is not this picture an encouragement to let God help us to keep a sequence connected in proper order? Should it not definitely be as in the arrangement set forth by the Lord Himself? Is not this the time for the project of winning wicked people even more than before to THE ONE, who died and rose again for them? Following their being born again should we not make it our business to give them the nurture as quickly as possible that we with them shall follow through with that pulse beat of heaven sequence, even more than spending God's time in so many meetings that no strength or time is left for the lost in the communities of hedges and highways to feel the pulse beat of heaven's Good Samaritan concern for their souls?

The sand is running out in the hour glass. The Glorified Christ, as you and I submit to Him, will direct our paths.

In Him yours humbly,

Commission on Denomination Coordination

W. A. Scott, Chairman

Report:

Commission On Intercultural Relations
National Baptist Convention, U.S.A., Inc.
Dr. J. H. Jackson, President
Maxie S. Gordon, Chairman

St. Louis, Missouri, Sept. 13, 1975

Mr. President, Mr. presiding officer, messengers, friends:

Perhaps there has never been a time when we could more aptly use at least a paraphrase of Charles Dickens' introductory words of his classic historical novel, A Tale of Two Cities. Dickens with unusually keen insight regarding his day wrote of the "best of times in the worst of times." He might well have been speaking to the second half, or, indeed, the final quarter of the 20th century. And, in a sense, this Convention year has been quite a supportive index to the Dickens-like appraisal of these years.

1. **Strides Towards Peace**

Some way, we are out of Viet Nam! Honestly, I do not myself stand tall enough, nor do those whom I have talked with as dependable resource persons whose opinions must be taken seriously because of their knowledge and expertise experiences

stand tall enough to see merit in the phrase "Peace with honor!" But at least we are out, and that is itself a major stride toward peace because of the hour by hour danger of getting into a bigger war as long as we were actively engaged in that undeclared war.

Despite the pros and the cons, it is good to have a breather in the Middle East. The problems in that area are many and very serious. It is no extremist view to say that Israel is in the midst of unfriendly nations, the holder of lands and heritage equally claimed by others. For example, Judaism, Mohammedanism, and Christianity (three monolithic religions claim what we call "The Holy Land" their very own. You talk about a problem of "co-existence," the negotiators and diplomats of peace seeking peoples of the world surely have such a problem in the Middle East. I repeat that it is something at least to have Israel and Egypt talking instead of shooting. That's almost like an extended laboratory of the United Nations' philosophy, that man should organize and talk it out rather than shoot it out. We may or may not like Secretary of State Henry Kissinger, but the man is entitled to our prayers for success in the reopened "Shuttle Diplomacy."

It is also significant that tiny specks of improved relations have shown recently in regard to U.S.A. relationship with Cuba. It is too early to know how far or how fast the reconciliation movement may go, but thanks for at least a start. These situations mentioned fall into the category of the positive. They are germ cells of what could flower into the "best of times."

2. Counter Strides

Have you heard about the Greek-Turkey struggle over Cyprus? This has created a serious threat to our posture and power as a nation in that part of the world. In a reminder of our need to maintain bases of operation in the Mediterranean, and as a direct attempt to apply pressure on the U.S. Congress to lift the Arms embargo against Turkey, Turkey now has charge of our military bases on her territory and reserves the right to say "Go home, Americans" at any time she might decide to do so. O but we have power; we won't stand for anything like that! Those who say that may be right, but this is exactly what all of us should be concerned about and seek to offset. Such a confrontation could set this world on fire. Rumblings in Turkey, Greece, and Bangla desh; the threat of revolution in Portugal. Outbreaks in several points in Africa, the continued struggle in Ireland, the ever present tension between North and South Korea are just a few of the trouble spots which represent strides away from peace—an index of the worst of times.

3. Moral Roots of the New Despair

I am indebted to Sidney Lens for the title words of this section of the report. See the Christian Century, Feb. 26, 1975 for Mr. Lens' article written under the caption mentioned. In previous months, Mr. Lens who is a layman well known for his role as an activist in peace and radical movements, wrote several articles that gained national and larger world attention. Readers were warned that tempers can boil over in hard times. He compares us emotionally with the people of the Great Depression years, hence a new despair whose roots are moral. While America is the focus, the concept itself and the evidence of the victims of the new despair are found in the larger world. In our system built on greed, Lens says "There has arisen a welfare state for the rich which is awesome to contemplate. Business risks have shifted through governmental subsidies and bail-outs, leaving the public to take the risk while private tycoons take the profit. In America, and in much of the world a new aristocracy holds the political and economic power. "Most people are not concerned to vote nowadays because they feel that they can do very little to influence decisions that range from overthrowing the government in Guatemala to setting the price for oil. Whatever the particular exhibit, the despair that shows in so many parts of the world ultimately has moral roots.

In our own country, many serious students of current affairs see our despair

in the distrust of government from city Hall to the White House, with Watergate and its ramifications peaking the pyramid. It is a questionable deduction, but some insist that it is true that the rise in crime and the frequency of the attempts to overthrow governments can be traced to despair. If the dictionary definition of morality has merit, that morality is concerned about what is good and right, we do have a significant instrument to measure the health of the people of this nation, and of this world. Read the list of uprisings, put into perspective the concept of Third World People, wherever they chance to live. Hear the serious words about the C.I.A. and even the F.B.I.; hear the rummage sale cries regarding basic moral values such as the sanctity of marriage and the family, the right of a life that did not ask to be conceived to be born, once it has been conceived; the right of rulers to rule only by consent of the governed. We could go on, if we had time to do so. But this enough in this area to point up the Worst of times. Marc Connelly says in his play Green Pastures, "Everything nailed down comin' loose." Is this what we see in the worldwide "inflation-recession" spiral? Is this what we have in the growing disregard for life itself, and in the all time crime peak of rape and robbery? Are we not desperately needing new moral guidelines by which we can direct our efforts to the enhancement of human life? May these years not become a part of the "best of times"?

4. Is There Hope?

I am interested in getting ourselves together before everything literally comes apart. It is late, terribly late, but I do not think that it is too late. Little bits of light shine through the darkness. Those words in Isaiah (21:11), "Watchman, Watchman, what of the night?" The Watchman answered, "Morning cometh" In heart conviction, if not in words, every Christian must be an optimist, but his optimism must be set to a higher frequency than that of any person or system on this earth.

In a spirit of fellowship, and of learning, and of rededication through five countries in Europe and Israel this Summer, I looked as it were beneath the surface and beyond the limits of the geography to try to determine how people were facing and beyond the limits of the geography to try to determine how people were facing danger and hunger, how they were getting along paying the equivalent of $2.50 per gallon (liter) for gasoline. After crossing again oceans and seas; after visiting churches, cathedrals, and mosques after being where so many of the giant men and women of history made their contributions to the world's good, including the Nobel Peace Hall (where two of our own have been honored, Dr. Ralph Bunche and Dr. Martin Luther King, Jr.), beyond giving young ministers and their wives and other church leaders the benefit of our experience by taking them to places of so much importance in history, general culture, and religion, what did the trip mean to me that I can share with you as my brothers and sisters here assembled, as members of our common faith? B.W.A. via its Bible based theme gave me the answer, "that we must be **New Persons for a New World.** "If any man be in Christ, he is a new creation, II Cor. 5:17. In this spirit we hope, work, and wait for positive intercultural relations with God's children.

I do not wish to imply easy solutions to the problems which we face. There aren't any either on the national or international level. That is too much to expect even among religious groups in these "worst of times." Actually, many of the tense points among us center in religious quarrels with or without religious overtones. North Ireland is a case in point. Both sides name Jesus Lord, but both seem committed to destroy each other. The Committee on Church Organization and Christian Union has come a loose at its seam. Groups are forming, fussing, fighting over the place and use of charismatic life style. This problem has reached the highest level of the Anglican Church and threatens to split the church. Many of the cults, plus some of the more prestigious cults are hung up on the merits of shouting or not shouting, clapping the hands or not clapping the hands, in a word, to shout or not to shout. Still other cults and sects come on the scene, make their claim, and immediately begin to out grow what we know as the regular churches. They find that their growth depends on what they are against, not what they are for.

As always Baptists are out front among those who suffer for their convictions. On Feb. 2, 1975, Georgi Vins, the key leader among Russian Reform Baptists was arrested, tried, and sentenced to five years in jail because he was accused of "damaging the interests of the citizens." The fact is, Mr. Vins is not in favor of the U.S.S.R. because he is identified with those who do not belong to the "approved All-Union Council of Evangelical Christian-Baptists." Other members of the Council have been urging the Reform Baptists to return to the Council which they left because of the rigid restrictions that were imposed upon them. So far the Reformed Baptists have refused the invitation, saying compromise cannot be tolerated where the question is Freedom or no Freedom. The World Council of Churches has entered into the picture and is trying hard to ease the tension and open the way for harmony and peace in an otherwise explosive situation. The 13th Congress of the Baptist World Congress was courageous in its dare to use the words "New People for A New World" as its theme. It looks more like No People at the end of the worst of times! But faith is a daring, and the 33.6 millions of Baptists represented by more than 10,000 messengers at the Congress are men and women of faith. We are called to "launch out into the deep!" Let us intensify our belief and launch out.

What about us as a nation? As a racial component in the nation? Well, I have been talking about the nation and implying some things about ourselves through out the report. In closing, all I would say is that this nation, like all nations, is under the judgment of God. The nation is yet young, but she is tied into the whole world in one way or the other. Others may shout "Kissinger" or "Ford" go home! But it is not that easy. O as persons those men could come home. The record of leaders being rejected, put out of office, and/or assassinated (legally or illegally) is too imposing for us not to know that any individual may go home or be carried home. But the nation will still remain in the Arena of life.

Persons interested in one of the best statements I have seen pertaining to America in the approach to her Bicentennial in general, and the status of our people in particular should read Burdens To Be Borne, by Doctor J. H. Jackson, National Baptist Voice, No. 7, July 1975. All I can say is that Doctor Jackson uniquely points up the ideals of this country, notes some of the unfinished business, and challenges the nation and all of the racial strands in it to live up to the ideals. The Burden To Be Borne actually reflects and summarizes for us at the Buffalo, New York session, but it is a significant index that points to the best of times while so many voices accent the worst of times. Practically, the challenge is to become a part of the group that will have done with indolence, alcoholism, drugs, the immorality of sex abused, murders a dime a dozen. Jesus Christ calls us to be the New People for the New World. Shall we heed his call and rise up and follow? He is the Way to the Father and therefore the way to the "best of times!"

A MESSAGE FROM OUR ACTING EXECUTIVE DIRECTOR

Cecelia Nabrit Adkins

"For the structure that we raise,
Time is with materials filled;
Our todays and yesterdays
Are the blocks with which we build."

President Jackson, Officers, Members of the Board of Directors and Messengers assembled here in St. Louis, Missouri, I am very pleased to submit the Annual Report of the Sunday School Publishing Board.

In this year of the Bi-Centennial Celebration of our country, we, as citizens, are

called upon to review America's past and learn from her history; to participate in finding solutions to the problems she presently faces, and to reaffirm our faith in her future by rededicating ourselves to work to insure her preservation as a viable democracy. These are some of the responsibilities of citizenship, for like all other privileges, freedom has its price and must be paid for.

The two-hundredth birthday year for our country, marks the seventy-eighth birthday year for the Sunday School Publishing Board. Our Directors, Officers, and Employees consider this an appropriate time to reflect upon the untold sacrifices of our founding fathers, the devoted efforts of our predecessors, the daily contributions of those presently involved in our operation, and the price which will be exacted from those who come after us in accomplishing our goal of spreading the message of Jesus and His love for all people.

From an humble beginning in 1897, through God's guidance and your cooperation, your Sunday School Publishing Board has become the third largest of the thirteen religious publishing houses located in Nashville in terms of the quantity of material mailed through the post office, exceeded only by the Methodist Publishing House of the United Methodist Church, and the Baptist Sunday School Board of the Southern Baptist Convention. Today, the impressive Morris Memorial Building, home of the Sunday School Publishing Board, stands on the spot where our forepareпts were once sold into slavery, proudly lifting its rooftops in tribute to those noble souls, who in the face of obstacles which now seem insurmountable, laid its foundation, erected, and paid for this edifice of which we can all be justly proud.

The memory of our predecessors now gone from labour to reward, whose blood, sweat and tears formed the mortar binding together the various facets of our purpose to give dimension and direction to our program, inspires us to redefine our goals and to intensify our efforts to accomplish them, as we accept our responsibility for service.

During the past year, the Sunday School Publishing Board has functioned efficiently, with the full cooperation of our very competent staff. In addition we are appreciative of the support of our Board members and the keen interest evidenced by our dedicated Chairman, Dr. W. T. Crutcher, with whom we have enjoyed an excellent working relationship.

During the year ending June 30, 1975, we mailed over two and one-half million pieces of literature, an increase over last year's circulation in the amount of some two-hundred thousand pieces of literature. We appreciate your generous patronage and urge you to avail yourselves of our complete offerings of Sunday School and Church supplies, as well as our Curriculum and Program materials.

We are continuing to devote our best efforts to improving our service to you, our constituents. We have rescheduled our production program in order to accomplish our number one priority, which is to publish informative, interesting, Bible oriented, doctrinally sound curriculum materials, and to see that they reach you **ahead of time.**

Publishing is a chain operation, and we are gratified at the dedicated efforts of our editors and writers and our production people. We have augmented our editorial staff with the addition of a new Director of Publications, Dr. Odell McGlothlan, who joined us on April first of this year, replacing Dr. Maynard P. Turner, who left us in August, 1974. His pastoral background, in addition to his experiences as Director of Educational Services at the Detroit Urban League, help make Dr. McGlothlan sensitive to the needs of our youth, and coupled with his training and creative ability, uniquely qualify him for this position. We feel confident that his enthusiasm, dedication and erudition will be reflected in our forthcoming publications.

Our Public Relations staff, under the direction of S. E. Grinstead, has been active in visiting various areas in the interest of our work. We have added Reverend Lum Woodard, a graduate of the American Baptist Theological Seminary, to our Public Relations staff, and are pleased at the contribution he is making.

Like other businesses, the Sunday School Publishing Board has been plagued

during the past year with rising costs of material and labor. Much of our equipment is old and breakdowns are frequent. Competent production and clerical workers are hard to come by, so we must train them, and this is expensive. Interest rates are high, and credit terms are strict. Yet, through management economies, we have been able to show a reasonable increase in profit, while keeping our prices competitive. We enjoy an excellent credit rating, and have the respect of lending institutions and the business community.

The Morris Memorial Building, Home of the Sunday School Publishing Board, is the only race owned business building which was permitted to remain in the downtown Capitol Hill area of Nashville. We are engaged in an ongoing program of building improvement, in order to meet the changing requirements of the city building codes, as well as to preserve its beauty so that you may continue to take just pride in its ownership.

We have cooperated fully with the program of our Convention, and will continue to support its objectives. We are deeply grateful for the assistance received from our President, Dr. Jackson, who despite the tremendous load he carries, is never too busy to counsel, and is always approachable and encouraging.

The work of the Sunday School Publishing Board is conducted through five main divisions, Editorial, Production, Sales, Fiscal Management and Public Relations. The following pages highlight some of their activities during the year, and picture some of the many loyal employees who form the links in our chain of operation.

Looking backward, we see how far we have come from the days of the inception of our work to the present. We rejoice that much has been done and are humbled by the contributions of our predecessors. Looking at the present, we see how much remains to be done, and are grateful for the opportunity to serve. Looking forward, we realize that like the runners in a relay race, we can carry the message only so far, before it becomes ours to pass the unfinished task to succeeding generations.

This year, as citizens, we celebrate the Bi-Centennial birthday of our country and commemorate the coming to America of the pilgrim fathers two hundred years ago, in search of religious freedom. On the seventy-eighth birthday of your Sunday School Publishing Board, we rededicate ourselves to spreading the message of One who came to earth almost two thousand years ago, bringing freedom and forgiveness for our sins, and abounding love for all mankind.

An Appraisal Of
The Mini-Congress
By
President J. H. Jackson

The National Baptist Convention, USA., Inc. is a national religious corporation comprised of boards, auxiliaries, departments and member corporations. These units are joined together by a charter and a constitution which give to the respective departments specific duties and rights while reserving for the parent corporation the authority and the power to superintend all the activities of all of the member corporations.

More than the two instruments referred to above, the National Baptist Convention is held together by a common faith and commitment to Jesus Christ as Lord, and by will—individual and corporate, to maintain Christian harmony and fellowship as the task of kingdom building is jointly and individually pursued.

The charter and the constitution of the National Baptist Convention are flexible enough to grant to each board and auxiliary the latitude to do their assigned work and to perform their prescribed task. But these guidelines are positive and firm enough to demand of each department obedience to, and loyalty to all of the goals and objectives of the parent corporation.

Article VI of the Constitution of the National Baptist Convention, USA., Inc., Section 2, Paragraph 2, reads as follows:

> ". . . During the interim of the convention, each board shall have sole management of the affairs connected with the business for which it is created; but such management shall be in strict accordance with the constituted provision adopted by the convention and with such other instructions as may be given by the Board of Directors of the Convention or by the Convention. . ."

The Constitution of the National Baptist Convention is also clear and specific as to who are the subsidiary bodies of the National Baptist Convention. Article VIII, Section I. reads as follows:

> "The Women's Convention, auxiliary to the National Baptist Convention; Sunday School and B.T.U. Congress; and the Baptist Laymen's Movement are, and the same are hereby recognized as subsidiary bodies and shall work in harmony with the convention, contributing as they are able to the general needs of said convention."

It is therefore clear and unmistakeably clear, that the relationship between the parent body, its subsidiaries and its boards; is the same in fact, in principle, and in reality as the relationship between a local church and its departments and auxiliaries.

Therefore as president of the convention, I wish to set forth ten reasons why we should advise the suspension of the Mini-Congress:

1. The so-called Mini-Congress created by the National B. T. U. and Sunday School Congress is a new structure and a new functional requiring new dates, new places, independently of the places and dates needed and used for the National B. T. U. and Sunday School Congress.

2. The purpose as set forth in the preamble in the Mini-Congress of 1973 and the Mini-Congress of 1974, can be approached and possibly achieved by state conventions with the same directives being given to their state congress leaders as the Mini-Congress is now giving to the state conventions.

3. National bodies, including the National B. T. U. and Sunday School Congress should and must respect the territorial right of every state convention.

4. The so-called Mini-Congress of the Sunday School and B.T.U. Congress in their two sessions have in reality and functionally, proved to be mini units of existing state conventions with the presidents of these respective states taking an auxiliary position to the leaders of the National Sunday School and B. T. U. Congress.

5. If the leaders of the National Sunday School and B. T. U. Congress can exercise this kind of authority in and over state conventions, is it not reasonable to assume that the leaders of state congresses may by this token take mini congresses to the associations in our respective state conventions?

6. It is also reasonable to assume that a study of the methods of these mini groups will not finally drift into the local church where the superintendent of the church school assumes the responsibility with his staff to hold conferences in and with departments within the church without the vote of said church.

7. Anything that is done in a National Baptist Convention or a National Sunday School Congress that may lend itself to the disruption or confusion of a local church is too risky to say the least, to carry with it the sanction and approval of the parent body or the National Baptist Convention.

8. In the first Mini-Congress in Charlotte, North Carolina, the sponsorship as outlined on the front page of the program is ascribed to the National Sunday School and Baptist Training Union Congress. Under this sponsorship comes the following units: Sunday School Publishing Board, National Baptist Training Union Board, National Baptist Convention, USA., Inc. Thus the leadership of our National Sunday School and B. T. U. Congress changes the position of the National Baptist Convention in this text so that the Congress appears as the parent body and the National

Baptist Convention as the last among the auxiliaries to the Mini-Congress.

9. The work of the National Baptist Convention, USA., Inc., is done by boards. The Mini-Congress has taken two of the boards and has rendered them auxiliaries to itself.

10. The Mini-Congress program is a program that tends to divide by ignoring the directives and the program of the National Baptist Convention itself. In the last few meetings we have emphasized and have launched a program of closer unity. Conferences on such unity have been called more than once by the president of the convention. The Mini-Congress ignores or overlooks the thrust for unity and does what it says, it "moves into a new identity," and it is the type of identity that will create in the long run, more problems than it solves.

From the reading of the above statement I am sure it is clear to you that I do not believe that the leaders of our respective state conventions need tutoring from any of our national organizations when it comes to their particular work and functions. I have visited many of our state conventions. I am yet to find any one of them so deficient in leadership that I would be inclined to suggest supplying them with leaders from our national body. These state leaders are some of our strongest national leaders, and my belief is they are well qualified to plan programs of progress and development.

PRESIDENT ROSS, OFFICIAL FAMILY,
STATE, LOCAL, DISTRICT PRESIDENTS, ,
COMMITTEE CHAIRMAN, CO-CHAIRMAN,
MESSENGERS AND DISTINGUISHED GUESTS:

> The earth is the Lord's and the fullness thereof; the world, and they that dwell therein.—Psalm 24:1.

Abba H. Silver begins the poem America Thusly, God built Him a continent of glory—and filled it with treasures untold.

During the Bicentennial year much thought is being given to fundamental issues of our country—what it is—how it got this way—where it is headed. During September the American Issues Forum suggests the topic, "A Nation of Nations." Under this patriotic umbrella, I have a stirring sense of humility in submitting the 3rd Annual Report of the office of the Corresponding Secretary.

From the time I arrived home in Brooklyn from Buffalo last September through November 1st, the office of the Corresponding Secretary was exceedingly involved and busy preparing the "On The Ground Records of Registration, from our 74th Annual Session to be forwarded to the office of our President and other officers who required them. Each year it becomes more evident that the duties and responsibilities of this office afford months full of challenges, and months of opportunities coupled with awakening surprises!

JANUARY found me along with many of you in attendance at the Board Meeting

in the Little Theatre in Hot Springs, Arkansas. Our hearts are always thrilled as we pause in our session to hear the choir from Arkansas Baptist College, directed by our own Mrs. Hazel Hynson and the choir from Morris Booker sing to the glory of God, as they pause to pay tribute to our stalwart president for a job well done.

In APRIL I had the opportunity to attend a conference sponsored by the Woman's Division of the L. K. Williams Institute at Bishop College, Dallas Texas where the Theme was: "What the World Needs Now" . . . .

JUNE was upon me before I was really ready for it. All of the correspondence to you—across the nation had to be prepared and mailed out before the National Sunday School and B. T. U. Congress, which met in beautiful Birmingham. My report would be incomplete unless it mentioned to you and thanked the wonderful women of Alabama for their thoughtfulness in having a beautiful luncheon.

You are to be congratulated individually and collectively for 99-3/4 percent included their zip code on the registration blanks. . . . The women in our Registration Department under the leadership of Vice President Holley, are to be commended for you played an important part in making sure that each registration card carried a zip code.

Each year, a number of letters are returned for one reason or another. We still forget to contact the corresponding secretary when we've moved or when one of us has been called from labor to rest. . . . , it is disturbing to have a letter returned "Deceased." Nonetheless, let me continue to urge you to notify the corresponding secretary's office. . . and I agree with one writer who said, "the world is moving along, not only by the might shoves of its heros, but by the tiny pushes of each human being," so it is with your bringing to the attention of my office any change that affects the correspondence to you. . . what you consider a small matter equals a "tiny push" that will help the office run smoothly.

Further, congratulations for your cooperation are in order, a vast number of you Pre-registered, forwarding your monies and forms to the office of our tremendous Treasurer, Dr. Margery B. Gaillard by the Deadline date August 15th. A few forgot and forwarded your forms to the corresponding secretary, and she in turn had to forward it to our treasurer. Thank you for that fine spirit of cooperation. . . by 1976 we'll have it right, won't we?

JUNE continued to add richness and fullness to our responsibilities. The National Ministers Wives met at the Statler Hilton in New York and we were delighted to greet some of you in "The BIG APPLE."

JULY 6-13, the World Baptist Alliance, met in Sweden, exploring the theme: New People for a New World Through Jesus Christ. There are no words to thank you for electing me in the Saturday afternoon Board Meeting in Buffalo, as one of your delegates. My life will never be the same, I was sent to Stockholm July 3 to be a part of the Women's Department. Our theme: One World, One Lord. The entire experience was inspiring, informative and challenging. I now have a deeper realization that responsible Christian women from the four (4) corners of the earth praising God, loving one another, sharing and fellowshipping can do much to turn this sinful and suffering world, Right Side Up.

President Ross was at her best as she led the Bible Study Group on Thursday morning, the theme: "Our Unfinished Task."

As we approach our Diamond Jubilee Celebration, plans and preparations are being developed which will enlarge, enhance and add new dimensions to some of the pertinent questions relative to our convention similiar to those being focused on during the Bicentennial—What is our convention?—How did we get this way?—Where are we headed?

Let me thank President Ross for her consideration in appointing me in 1974, National General Chairperson along with Mrs. Beatrice Bates, Young People's Department and Mrs. Maurice Riley as Co-Chairpersons. With the outstanding and exceptional guidance of our President, the other chairpersons and co-chairpersons

we will leave a legacy.

President Ross your continued confidence and the unusual quality of patience in helping me to become an efficient corresponding secretary is a source of inspiration for which I am grateful.

Thank you's are in order to my State of New York. Without the surrounding love and concern of Women's Convention of The Empire State led by Mrs. Mary J. Hackney—the Ministers Wives and Widows, led by Mrs. H. B. Shaw, the Sunday School and B. T. U. Congress, led by Mrs. Ruth Banks,—Our vibrant Young People led by Mrs. Waltering Stribbling and the Laymen, led by Mr. Clemnon Hodge, it would be difficult to carry out my responsibilities.

It is impossible to relate to you the kind of commitment, loyalty and devotion that is mine to enjoy as Mrs. Martha Benton, a devoted choir member and church worker, the Stenographic Secretary to Speaker Stanley Steingut, Speaker of the New York State Assembly, helps efficiently and effectively enabling me to get my work out. Thank you, Mrs. Benton, also thanks to Mrs. Gladys Putney, Pres. of our Missionary Society,—Mrs. Delores Ingram, both of my church.

A very special thank you, to my husband, Dr. Sandy F. Ray—without your unselfish love, compassionate understanding and total support, I could not carry out my responsibilities.

Leonardo Da Vinci has said about determination. . . O 'Lord, Thou Givest Us Everything at the Price of Our Effort. . . . It has been my earnest determination to serve you with excellence. Thanking God for the privilege, of being a part of the convention—asking for strength, understanding, and Divine Guidance all along the way.

Respectfully submitted,

CYNTHIA P. RAY

GENERAL COMMENTS

The first nine months of 1975 have been relative good despite the economic recession.

Litigation has been instigated by the State of Arkansas for payment of a state unemployment compensation tax, retro-active to January 1, 1972.

The state contends that since the National Baptist Sanitarium and Bath House caters to the general public, its exemption for liability of the state tax may be invalid.

The total of the contingency is approximately $8,000.00. Our attorney has appealed this case to the Pulaski Circuit Court in Little Rock, Arkansas.

Respectfully submitted,

Leroy L. Puckett

A MESSAGE FROM OUR ACTING EXECUTIVE DIRECTOR

"For the structure that we raise,
Time is with materials filled;
Our todays and yesterdays
Are the blocks with which we build."

Cecelia Nabrit Adkins

President Jackson, Officers, Members of the Board of Directors and Messengers assembled here in St. Louis, Missouri, I am very pleased to submit the Annual Report of the Sunday School Publishing Board.

In this year of the Bi-Centennial Celebration of our country, we, as citizens, are called upon to review America's past and learn from her history; to participate in finding solutions to the problems she presently faces, and to reaffirm our faith in her future by rededicating ourselves to work to insure her preservation as a viable democracy. These are some of the responsibilities of citizenship, for like all other privileges, freedom has its price and must be paid for.

The two-hundredth birthday year for our country, marks the seventy-eighth birthday year for the Sunday School Publishing Board. Our Directors, Officers, and Employees consider this an appropriate time to reflect upon the untold sacrifices of our founding fathers, the devoted efforts of our predecessors, the daily contributions of those presently involved in our operation, and the price which will be exacted from those who come after us in accomplishing our goal of spreading the message of Jesus and His love for all people.

From an humble beginning in 1897, through God's guidance and your cooperation, your Sunday School Publishing Board has become the third largest of the thirteen religious publishing houses located in Nashville in terms of the quantity of material mailed through the post office, exceeded only by the Methodist Publishing House of the United Methodist Church, and the Baptist Sunday School Board of the Southern Baptist Convention. Today, the impressive Morris Memorial Building, home of the Sunday School Publishing Board, stands on the spot where our forefathers were once sold into slavery, proudly lifting its rooftops in tribute to those noble souls who in the face of obstacles which now seem insurmountable, laid its foundation, erected, and paid for this edifice of which we can all be justly proud.

The memory of our predecessors now gone from labour to reward, whose blood, sweat and tears formed the mortar binding together the various facets of our purpose, to give dimension and direction to our program, inspires us to redefine our goals and to intensify our efforts to accomplish them, as we accept our responsibility for service.

During the past year, the Sunday School Publishing Board has functioned efficiently with the full cooperation of our very competent staff. In addition we are appreciative of the support of our Board members and the keen interest evidenced by our dedicated Chairman, Dr. W. T. Crutcher, with whom we have enjoyed an excellent working relationship.

During the year ending June 30, 1975, we mailed over two and one-half million pieces of literature,- an increase over last year's circulation in the amount of over two-hundred thousand pieces of literature. We appreciate your generous patronage and urge you to avail yourselves of our complete offerings of Sunday School and Church supplies, as well as our Curriculum and Program materials.

We are continuing to devote our best efforts to improving our service to [illegible] our constituents. We have rescheduled our production program in order to accomplish

our number one priority, which is to publish informative, interesting, Bible oriented, doctrinally sound curriculum materials, and to see that they reach you **ahead of time.**

Publishing is a chain operation, and we are gratified at the dedicated efforts of our editors and writers and our production people. We have augmented our editorial staff with the addition of a new Director of Publications, Dr. Odell McGlothian, who joined us on April first of this year, replacing Dr. Maynard P. Turner, who left us in August, 1974. His pastoral background, in addition to his experiences as Director of Educational Services at the Detroit Urban League, help make Dr. McGlothian sensitive to the needs of our youth, and coupled with his training and creative ability, uniquely qualify him for this position. We feel confident that his enthusiasm, dedication and erudition will be reflected in our forthcoming publications.

Our Public Relations staff, under the direction of S. E. Grinstead, has been active in visiting various areas in the interest of our work. We have added Reverend Lum Woodard, a graduate of the American Baptist Theological Seminary, to our Public Relations staff, and are pleased at the contribution he is making.

Like other businesses, the Sunday School Publishing Board has been plagued during the past year with rising costs of material and labor. Much of our equipment is old and breakdowns are frequent. Competent production and clerical workers are hard to come by, so we must train them, and this is expensive. Interest rates are high, and credit terms are strict. Yet, through management economies, we have been able to show a reasonable increase in profit, while keeping our prices competitive. We enjoy an excellent credit rating, and have the respect of lending institutions and the business community.

The Morris Memorial Building, Home of the Sunday School Publishing Board, is the only race owned business building which was permitted to remain in the downtown Capitol Hill area of Nashville. We are engaged in an ongoing program of building improvement, in order to meet the changing requirements of the city building codes, as well as to preserve its beauty so that you may continue to take just pride in its ownership.

We have cooperated fully with the program of our Convention, and will continue to support its objectives. We are deeply grateful for the assistance received from our President, Dr. Jackson, who despite the tremendous load he carries, is never too busy to counsel, and is always approachable and encouraging.

The work of the Sunday School Publishing Board is conducted through five main divisions, Editorial, Production, Sales, Fiscal Management and Public Relations. The following pages highlight some of their activities during the year, and picture some of the many loyal employees who form the links in our chain of operation.

Looking backward, we see how far we have come from the days of the inception of our work to the present. We rejoice that much has been done and are humbled by the contributions of our predecessors. Looking at the present, we see how much remains to be done, and are grateful for the opportunity to serve. Looking forward, we realize that like the runners in a relay race, we can carry the message only so far, before it becomes ours to pass the unfinished task to succeeding generations.

This year, as citizens, we celebrate the Bi-Centennial birthday of our country and commemorate the coming to America of the pilgrim fathers two hundred years ago, in search of religious freedom. On the seventy-eighth birthday of your Sunday School Publishing Board, we rededicate ourselves to spreading the message of One who came to earth almost two thousand years ago, bringing freedom and forgiveness for our sins, and abounding love for all mankind.

CERTIFIED PUBLIC ACCOUNTANTS

National Baptist Convention, U.S.A., Inc.
Assembled in Convention
St. Louis, Missouri

Gentlemen:

We have completed our examination of the books and accounts of the Sunday School Publishing Board, a subsidiary of the National Baptist Convention, U.S.A., Inc., for the fiscal year ended June 30, 1975. We have examined the balance sheet as of that date and the related statement of income and expense and supporting schedules for the year then ended. We reviewed the system of internal control and the accounting procedures employed. We tested accounting records and other supporting evidence by methods and to the extent we deemed appropriate. Our examination was made in accordance with generally accepted auditing standards and included all procedures we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet, statement of income and expense, and supporing schedules present fairly the financial position of the Sunday School Publishing Board as of June 30, 1975, and the results of their operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Very truly yours,

JONES, ANDERSON & COMPANY

National Baptist Convention, U.S.A., Inc.
Assembled in Convention
St. Louis, Missouri

Gentlemen:

We have examined the balance sheet of the National Baptist Training Union Board of the National Baptist Convention, U.S.A., Incorporated as of June 30, 1975, and the related statement of income for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances; however we did not observe the taking of the physical inventory. We have tested the clerical accuracy, reviewed the basis of inventory pricing and other auditing procedures and have satisfied ourselves as to the validy and amount of the inventory.

In our opinion, the accompanying balance sheet and statement of income present fairly the financial position of the National Baptist Training Union Board of the National Baptist Convention, U.S.A., Incorporated at June 30, 1975; and the results of its operation for the year then ended, in conformity with generally accepted accounting principles.

Very truly yours,

JONES, ANDERSON & COMPANY

William S. Anderson

CERTIFIED PUBLIC ACCOUNTANTS

National Baptist Convention, U.S.A., Inc.
Assembled in Convention
St. Louis, Missouri

Gentlemen:

We have examined the balance sheet of the National Baptist Sanitarium and Bath House for the year ended December 31, 1974, and the related statements of income and expense, and changes in financial position for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and other such auditing procedures as we considered necessary in the circumstances.

In our opinion, the aforementioned financial statements present fairly the financial position to the National Baptist Sanitarium and Bath House at December 31, 1974, and results of operations for the year then ended in conformity with generally accepted accounting principles applied on a basis consistant with that of the preceding year.

Very truly yours,

JONES, ANDERSON & COMPANY

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 Operations -

The operations of the organization include the operations of both a hotel and bath house. Revenues of the two divisions are accounted for separately. Some of the expenses of the two divisions are accounted for separately, other expenses are apportioned on a logical basis.

NOTE 2 Contingent Liabilities -

Litigation has been instigated by the State of Arkansas for payment of a state unemployment compensation tax, retro-active to January 1, 1972.

The state contends that since the National Baptist Sanitarium and Bath House caters to the general public, its exemption for liability of the state tax may be invalid.

The total of the contingency may be $6,553.34 as of December 31, 1974. Following is a schedule exhibiting the composition of the liability.

Unemployment taxes for the first quarter of 1973 were paid on time, as suggested by counsel.

Gentlemen:

We have examined the balance sheet of the Women's Convention Auxiliary of the National Baptist Convention, U.S.A., Inc., as of June 30, 1975; and the related statement of receipts and disbursements for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statement of receipts and disbursements fairly present the financial operations of the Women's Convention Auxiliary for the year ended and as of June 30, 1975, in conformity with generally accepted accounting principles applied on a basis consistent with their application in prior years.

Very truly yours,

Assembled in Convention

Gentlemen:

We have examined the balance sheet of the Women's Convention Auxiliary of the National Baptist Convention, U.S.A., Inc., as of June 30, 1975; and the related statement of receipts and disbursements for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statement of receipts and disbursements fairly present the financial operations of the Women's Convention Auxiliary for the year ended and as of June 30, 1975, in conformity with generally accepted accounting principles applied on a basis consistent with their application in prior years.

Very truly yours,

JONES, ANDERSON & COMPANY
