# REPORT OF THE SECRETARY OF THE NATIONAL BAPTIST PUBLISHING BOARD

To the Chairman and Members of the National Baptist Publishing Board of the National Baptist Convention of America:

With your indulgence and your patience, I shall endeavor to make to you at this meeting a full and comprehensive report covering the work in its various phases of the institution here that you have honored me as its Secretary, Treasurer and Manager, for the past year.

In the midst of conditions that would challenge every atom of gray matter of the most experienced, well-trained and far-seeing seer of business methods and activities, the Lord God, our Heavenly Father, has seen fit to take us through the year and bring us face to face with you at this particular time.

## THE NATIONAL BAPTIST PUBLISHING BOARD'S PERSONNEL AND MEMBERS

There has been no change in the personnel of the Board during the past year. The membership consists of J. L. Harding, pastor of the North Third Avenue Baptist Church, Nashville, Tenn.; H. A. Alfred, former pastor of the Tabernacle Baptist Church, Nashville; E. R. Carter, pastor of Friendship Baptist Church, Atlanta, Ga.; H. M. Burns, pastor of the Mt. Lebanon Baptist Church, Nashville; J. B. Ridley, pastor of the Mt. Olive Baptist Church, Nashville; G. B. Taylor, pastor of the Second Baptist Church, Nashville, Vice Chairman; P. Robinson, Chairman, pastor of the First Baptist Church, Little Rock, Ark.; and your humble servant, Henry Allen Boyd.

It has been a pleasure and a joy unspeakable to mingle with these Christian men who are dedicating their lives to the cause, by pushing this institution forward for kingdom extension and the spread of the gospel through the printed page, books, songs and denominational requisites. Meetings have been held from time to time in the chapel of this, your institution, at 523 2nd Avenue, North. At practically every meeting held Dr. J. P. Robinson, the efficient chairman, has presided. The attendance from month to month and from time to time whenever these meetings have been held, has been full. Dr. E. R. Carter has journeyed often from Atlanta to the headquarters in Nashville to attend these meetings.

The Board has divided itself up into sub-committees for the purpose of expediting the work of the institution, and in delegating some phase of the work to these particular and specific committees. These Committees comprise first, an Executive Committee, consisting of the Vice Chairman, Rev. J. L. Harding and your Secretary. The Lesson Committee which consist of the Secretary, Dr. E. R. Carter, the Editorial Secretary, Dr. D. J. Hall, and the Rev. Ernest Hall of Cleveland, Ohio. These two Committees function regularly and do the work assigned to them by the Board.

## BUILDINGS THAT MAKE UP THE HOUSING QUARTERS OF THE PLANT

Perhaps it is needless for me to describe the domicile of your institution and to name the buildings, but for fear that there may be those in the denomination who will read this report do not know the facts we recite them here. The Plant is housed in seven brick buildings located at Second Avenue and Locust Street. Second Avenue was formerly known as Market Street. The Administration Building is situated right on the corner, and is the first piece of property purchased by the late Dr. R. H. Boyd, the founder and first Secretary of the Board, whose very name and memory all of you revere and idolize. This is a two story structure with a stone foundation. The outside walls are 18 inches and the partition walls are solid brick, 13 inches; it has a slate roof. In the rear of this building is another two-story brick structure with a composition roof, that is used as a Stock Room, on the ground floor, where from two to three car-loads of paper are stored quarterly, and where the big Duplex Printing Press is located. The second floor of this building is used jointly between the Bindery and the Second-class Mailing Departments.

The third building is situated at 521 Second Avenue, North, it being a two story structure. The front of the first floor is sales and show rooms; the rear is a store room for finished books and products, and is also used for wrapping and the sending out of denominational books and merchandise. The second floor, front, is used for Editorial Rooms, the Correspondence Course Department, and for the managing Editor of the National Baptist Union-Review; while the other half of the second floor is used as a Chapel, where services are held daily, where we gather from 9:30 to 10:00 each morning and give thanks to our Heavenly Father for his manifold blessings.

The fourth building is in the rear of 521 2nd Avenue, and is three stories high with a basement. The basement is used for storing metal and other articles that are not constantly in use. The first floor is a press room where various printing presses are housed, that are in service for the Plant. The second floor is a Book Binding Department, and the third floor is the Composing Room Department.

The fifth building is located on two lots, at 517 and 519 Second Avenue. It is a one-story building with a rock foundation. It was originally intended to be a four-story structure. The wood working and cabinet machinery is housed in this building. It has a composition roof. In the rear of this building are two other buildings joined to the fifth building.

In one of these is the boiler room, engine room and power house, from which the institution gets its light, heat and power. Adjoining this is a two story building used as a work shop and finishing room; the work shop is down stairs and the finishing room is on the second floor. These buildings are joined together in three various units. The first unit consists of two buildings, two stories in height; the second unit consists of two buildings, one two stories and one three stories; and the third unit consists of three buildings, one one story and the other two stories. You therefore, have plot and plan, and a brief description of the property and buildings situated on four city lots, bounded by two streets and backed up with a ten-foot alley.

#### MACHINERY

Aside from the adding of several typewriters and some small printing machinery, there has been no addition of any note in the purchase of new machinery during the past fiscal year; although you know that your institution boasts of be-

ing the Alpha when it comes to printing and book-binding machinery among members of the race.

It was the first to own and operate linotype machines, made by the Mergenthaler Linotype people of Brooklyn. You were the first to install a Smythe Book Sewing Machine; the first to use a Cross Paper Feeder; the first to install a Duplex Printing Press for newspapers; the first in the south, as well as in the race, to install and operate a Scott's All-size Rotary Press. Printing machinery upon which we can manufacture books, pamphlets, papers and denominational tracts of every description are to be found in the Plant. This machinery is not only properly installed, but is operated by experienced operators, most of whom have been trained here in your own Plant.

There is however, a need for additional linotype machines and printing presses to keep up with the ever-increasing demand made upon us by the religious, educational and commercial world within as well as without our denominational ranks.

#### DENOMINATIONAL BOOKS AND HELPS

You have maintained the lead that you gained years ago by setting the pace as a Printing and Publishing Plant in the output of books, denominational helps and printed matter. You are prepared to furnish the ministers, teachers, missionary workers and religious forces with the books that they need from time to time in pushing their work.

The Board publishes more song books than any Religious Plant within the race. It has a larger list of denominational publications, standard, like ministers' helps and publications on religious themes, that have ever been offered, and yet the Board, in keeping with the policy adopted more than a quarter of a century ago, has refrained from becoming responsible for the thoughts advanced by authors and writers in their various publications, in that the Board does not own copyrights nor purchase manuscripts, neither do they print upon the royalty basis. When your Secretary came into the work he found that this policy was in vogue, and he has, through your cooperation, religiously adhered to it.

#### SUNDAY SCHOOL, B. Y. P. U. AND ORGANIZED CLASS LITERATURE

Publications for use in our Sunday Schools, our B. Y. P. U. Societies, our Organized Classes, the Camp Fire Girls, the

Boy Cadets and other similar organizations are written, manufactured, printed, supplied and sent out from your institution. We are pleased to report that notwithstanding the unusual financial depression and the shortage of funds, with the unemployment situation, there has been only a slight decrease in the circulation during the past year of these publications. This is due to the fact that hundreds of new schools have been added to your list of patrons. This has supplemented the reduction in circulation from some of the older schools and regular patrons, who found it necessary, in the conserving of an economic program, to reduce their orders.

We are pleased to report to you that much improvement has been made in this literature and these publications, from a literary point of view as well as from the denominational make-up. Our Editorial Committee, working with the Editorial Secretary and his department, is at work and is constantly seeking new material and keeping the literature up to a standard of efficiency.

#### THE INTERNATIONAL COUNCIL OF RELIGIOUS EDUCATION, AND THE WORLD'S SUNDAY SCHOOL CONVENTION

Keeping abreast with the forward movement of religious organizations that have to do with the Sunday Schools and Young People's Organizations, your Secretary has not only attended the World's Sunday School Convention held recently, but he, in company with members of the staff and workers in the institution, attended the International Council of Religious Education and the International Youths Conference held in Toronto. From this gathering, the Secretary, with his workers, had an opportunity of listening in on the plans and program for the future development of the youths of America as well as those in other parts of the world. The meeting was informational and inspirational, and while we do not wish to be considered as egotists, we want to report to you that we found that we are not far behind in the pursuance of our own work in comparison with the work of this International Body, especially when you take into consideration that many of the things advanced by them and much of the work attempted would not at all fit in with the masses, and certainly not with many of our schools located in various sections of the several states far removed from the metropolitan centers.

We would recommend however, to your Board that the Secretary and at least three others be sent to the World's Sun-

day School Convention to be held in Rio De Janeiro, Brazil in 1932, that we might further our study and complete our survey as well as keep in close contact with the religious world, and that we too, might be present when the plans for the new Cycle of Lessons will be outlined and submitted. We believe that the Sunday Schools of our denomination would assist your Board in defraying the expenses of the Secretary and his delegation.

We might recall to you that our visit to the World's Convention in Los Angeles, Cal., as well as in Tokyo, Japan placed your denominational work before the world as it had not been in the history of the organization.

#### THE SUNDAY SCHOOL CONGRESS

For twenty-five years your Board has fostered a Summer Sunday School of Methods for Sunday School Workers, B. Y. P. U. Forces and other Auxiliaries, known as the Sunday School Congress. The last meeting was held in Chicago, Illinois with the Baptist Forces of Chicago. An abbreviated statement of this meeting, in the form of a story of the Congress, stenographically taken, together with an attempt at the correct enrollment, is submitted in his report for your information and further study.

BAPTIST CONVENTION OF AMERICA

39

Chicago, Illinois,

June 11, 1930.

The Sunday School-Congress of the National Baptist Convention of America convened in its twenty-fifth annual session Wednesday morning at 10:30 in the auditorium of the Ebenezer Baptist Church 45th St. and Vincennes Avenue. Rev. J. P. Robinson, D. D., of Little Rock, Arkansas, the Chairman of the Congress, called the meeting to order and led in congregational singing, "Leaning on the Everlasting Arms"; prayer was offered by Rev. T. J. Smith of Dayton, Ohio; song, "None but the Righteous", after which the Sunday School Congress Band from Nashville, Tenn., led by the Congress Secretary, Henry Allen Boyd, marched into the auditorium playing "Onward Christian Soldiers". Prof. H. B. P. Johnson, the National Chorister, led the congregation in singing "Am I a Soldier of the Cross?"

Chairman Robinson made a few preliminary remarks, after which there was a thirty minutes song service conducted by Prof. H. B. P. Johnson, who led in singing several selections from the National Jubilee Melody Song Book and the Victory Song Book. Dr. Robinson then presented the Congress Secretary, Henry Allen Boyd. There was an outburst of applause when he arose and came forward, and in his own unique way, he shook hands with every one in the audience. He brought greetings, information and inspiration to the large concourse of delegates, messengers and visitors who completely filled the spacious auditorium. At the conclusion of his remarks, he made announcements, read the Themes for discussion for departmental and sectional meetings for the five days, gave a general outline of subjects and work to be done in the general session each day; then he called to the platform the conductors of the sixteen departments or sections of the Sunday School Congress and presented them to the audience, giving a vivid description of the services that each performs during the entire Congress session. The Sunday School Congress Band rendered a selection, after which Rev. L. A. McIntyre of Evansville, Indiana led in singing "Working on the Building" from the National Jubilee Melody Song Book.

Rev. L. K. Williams, pastor of the Olivet Baptist Church, Chicago, was presented by the Congress Secretary, Henry Allen Boyd, and made timely remarks. Benediction was pronounced by Rev. D. J. Hull, Editorial Secretary of the

National Baptist Publishing Board's Periodicals, Nashville, Tenn., and the meeting adjourned.

*Wednesday—Afternoon Session*

The session re-convened at 2:30 P. M., being called to order by the Chairman, Rev. J. P. Robinson. The opening song was played by the Congress Band, then the congregation, led by Prof. H. B. P. Johnson, sang "Bye and Bye, When the Morning Comes." The conductors of the various departments were called by the Secretary, Henry Allen Boyd, and again presented, after which the delegates marched out of the auditorium led by the conductors of their particular departments, to the places assigned to them for the holding of their session. They marched to spicy music by Mrs. R. B. Porter of Kansas City, Mo., the pianist for the Sunday School Congress. These departmental sessions were held until five o'clock.

*Wednesday—Night Session*

From 7:30 to 8:00 there was a band concert by the Sunday School Congress Band, in front of the Ebenezer Baptist Church, then sixteen members of the band marched into the auditorium of the church playing the Sunday School Congress Song. After rendering several selections, Chairman J. P. Robinson declared the meeting open, and turned the same over to Prof. H. B. P. Johnson, the national chorister, who had charge of the program. Prayer was offered by Rev. D. J. Hull, then the Congress Chorus, consisting of three hundred voices, sang "Our Father," from the National Baptist Anthem, and an excellent literary and musical program was rendered by Chicago's local talent, augmented by several numbers from the great Chorus.

At the conclusion of the program benediction was pronounced by Rev. Dr. Robinson.

*Thursday—Morning Session*

Rev. Ernest Hall, D. D., of Cleveland, Ohio, the conductor of the Bible Conference, opened the meeting at 8:30. Devotions were conducted by Rev. D. J. Hull, prayer by Rev. T. C. Phillips, pastor of the Union Baptist Church of Detroit, Michigan. Dr. Hall read the scripture, and then spoke for one hour, electrifying his audience with his Biblical knowledge and his eloquent delivery.

The Home Department was next in order, and Mrs. Mattie Anderson of Nashville, Tenn., the superintendent of Fireside Schools led off with a half hour's lecture on the

Home Department work. The subject of her discourse was "The Sunday School's Challenge to the Unreached". Then Rev. L. A. McIntyre of Evansville, Indiana, spoke for a half hour on the same subject. Both addresses were instructive as well as informational. At the conclusion of this period a selection was rendered by the Tulane Avenue Quartet from the Tulane Avenue Baptist Church of New Orleans, La., pastored by Rev. J. A. Sharpe, after which Rev. Sharpe, the superintendent of Teacher Training, spoke for one hour, taking for his subject, "The Sunday School and its Teachers." As usual Rev. Sharpe's lecture was filled with much valuable information that the Sunday School workers clamor for each year. At the conclusion of his address the congregation sang "Bye and Bye, when the morning comes."

Dr. J. C. Austin, D. D., pastor of the Pilgrim Baptist Church, Chicago, was presented by the Secretary, Henry Allen Boyd, and in a very timely address he welcomed the throng of messengers, delegates and visitors who had invaded the city; pledged his support to the Congress and its officials, and offered his church building and his home for the comfort and convenience of the workers. Dr. Austin's address elicited great applause, and created general satisfaction among the vast audience assembled.

The next feature on the program was the presentation and reading of papers prepared by the messengers on the twelve Sunday School Congress Subjects. Rev. D. J. Hull, D. D., the Sunday School Congress Arbiter, called for papers prepared on the first four subjects, and the following responded: Mrs. Frankie McClelland of New Orleans, La., read a paper on "How should the Sunday School teachers regard their work?" Mrs. Emma G. Broadnax of Detroit, Michigan, read a paper on the same subject. Miss M. L. Hinton of Nashville, Tenn., read a paper on "What is the ultimate aim of all Sunday School workers?" Mrs. H. E. Cole of Nashville, Tenn., delighted the audience with a paper on the same subject. Then Mrs. D. Glover of Greater Union Baptist Church, Chicago, gave her views in a paper written on the subject, "What have I gained by attending the Sunday School Congress?"

The Secretary read telegrams from Rev. H. M. Williams of Galveston, Texas, Dr. Wm. Johnson of Houma, La., and Rev. P. P. Eaton of Norfolk, Va., who sent greetings and expressed their regrets at not being able to be present at

the meeting. Benediction was pronounced by Rev. J. P. Robinson and the meeting adjourned.

*Thursday—Afternoon Session*

Promptly at 2:30 the messengers assembled in the auditorium, and the meeting was opened by a selection from the Sunday School Congress Band, "Onward Christian Soldiers", after which Rev. C. H. Lewis of Kokomo, Indiana offered prayer; then Prof. H. B. P. Johnson led the congregation in a short song service; prayer by Rev. J. S. Givens, pastor of the Mt. Moriah Baptist Church, New York City; song, "There is sunshine in the shadow". The conductors of the various departments then stood and marched from the auditorium, followed by their respective groups, to their headquarters where they held sessions until five o'clock.

*Thursday—Night Session*

At the conclusion of a half hour's concert by the Sunday School Congress Band, the Sunday School Congress Chorus, under the direction of Prof. H. B. P. Johnson, opened the meeting by singing "Let Us All Give Thanks" from the National Baptist Anthem, then an interesting program was rendered consisting of solos, readings, quartets and selections from the Chorus. The meeting adjourned with prayer by Rev. D. J. Hull of Nashville, Tenn.

*Friday—Morning Session*

At 8:30 the Bible Conference was opened, with devotions led by Rev. T. C. Phillips of Detroit, Michigan; prayer was offered by Rev. N. L. Scarborough of Columbus, O.; the congregation sang "All hail the power of Jesus' name", after which Rev. Ernest Hall of Cleveland, Ohio, the conductor of the Bible Conference, read the scriptures, and took for his subject "Walking With Christ". He spoke for one hour, and received much favorable comment on his instructive discourse. Rev. Dr. Hull led in singing "Leaning On The Everlasting Arms".

The Home Department hour was next. Mrs. Mattie Anderson of Nashville, Tenn., superintendent of Fireside Schools and the new assistant to Dr. L. A. McIntyre, opened the discussion for the Home Department and talked for a half hour on "The Test of a Successful Home Department." At the conclusion of her lecture Dr. J. P. Robinson, the chairman, led in singing "Home Sweet Home", then

Rev. McIntyre spoke and gave blackboard demonstrations for a half hour.

The next hour belonged to the Teacher Training Department, but Dr. J. A. Sharpe, the superintendent of Teacher Training and the conductor of this department, was preceded by a selection from the Tulane Avenue quartet, after which Dr. Sharpe talked and gave instructions on "Organization" as it pertains to the Sunday School. Then Mrs. Rostie W. Strang, manager of the Vocational Bible School For Children, of Cincinnati, Ohio, was presented and made a timely talk, demonstrating the work done by the children in the school.

The reading of papers was next called for by Rev. D. J. Hull, the arbiter, and the following were read: Miss Lovie Woods of Nashville, Tenn., took for her subject, "What are the advantages of teaching Baptist Doctrine in the Sunday School?" Mr. Charlie E. Coleman of Ebenezer Baptist Church, Chicago, Mr. L. E. Brown of Cincinnati, Ohio, Miss, Inez A. Williams of Cincinnati, Ohio, and Miss Mattie M. Johnson of Lockland, Ohio, all read papers on the subject "The Front Line Sunday School, What Is It?" Mrs. C. L. Holt of Lockland, Ohio, read a paper on "What is the ultimate aim of all Sunday School Workers?" All of these papers were well written and ably presented, each containing splendid information. After announcements by the Secretary the meeting adjourned.

*Friday—Afternoon Session*

Rev. J. P. Robinson, the Chairman, called the meeting to order at 2:30. After fifteen minutes devotions and selections by the Sunday School Congress Chorus, the Congress Secretary called the conductors to the platform, presented them and gave a general outline of their departments and work. Each department was then called by the Secretary and the conductors with their followers marched from the auditorium to their various departments where a session was held until five o'clock.

*Friday—Night Session*

It had been announced that Rev. O. J. Allen, D. D., pastor of Second Calvary Baptist Church, Norfolk, Va., would deliver a sermon, and by eight o'clock the auditorium of Ebenezer was filled. A short musical and literary program preceded the sermon, and there were several selections from the great Sunday School Congress Chorus, then Dr.

Allen preached a soul-stirring sermon, one that will be long remembered by the vast audience. At the conclusion of his sermon he sang "I'm Going Through", which added to the emotion to which the audience had already been stirred, thus religious fervor was at its height when benediction was pronounced by Rev. J. P. Robinson.

*Saturday—Morning Session*

At 8:30 the Bible Conference, conducted by Rev. Ernest Hall, D. D., of Cleveland, Ohio, was opened with devotionals led by Mr. E. D. Tucker of Atlanta, Ga., prayer was offered by Rev. J. H. Brewer, D. D., of St. Louis, Mo., the congregation sang "Draw Me Nearer". Dr. Hall read the scripture, consisting of the first six verses from the third chapter of Revelation, then for one hour he delivered his last discourse for this Congress session, reaching the climax and putting the finishing touches upon the five days of Biblical instructions and sermons delivered each morning.

Rev. L. A. McIntyre, the conductor of the Home Department, took charge at 9:30, and for a half hour he gave instructions, using blackboard demonstrations on how to conduct a Home Department in the church. At the conclusion of his discourse Mrs. Mattie Anderson, pulled off a very unique little playlet demonstrating the duty of the Home Department. This was interesting, entertaining and helpful, and Mrs. Anderson received much praise on this very timely and instructive demonstration. After a selection by the Tulane Avenue Baptist Church Quartet, Rev. J. A. Sharpe, superintendent of Teacher Training concluded his series of lectures for this Congress period when he talked for one hour on "The Sunday School And Evangelism." Then Miss I. A. Williams of New Orleans, La., rendered a solo, after which the Congress Secretary presented Rev. I. C. Nicholson of Carter Chapel C. M. E. Church of Chicago, who gave a very interesting talk. Dr. A. Wayman Ward, pastor of Greater Bethel A. M. E. Church, was next presented by the Secretary, who made timely remarks and gave words of welcome to the messengers assembled.

The reading of papers was next in order, and the following read papers on the subjects prepared: "Front Line Sunday School, What Is It?" by Rev. Shepherd K. Holland of New York; "For What Does the B. Y. P. U. Stand?" by Miss Mary Hardy of Cincinnati, Ohio, Miss Lillian K. Hamilton of Cleveland, Ohio, and Rev. B. M. Cooper of the Antioch Baptist Church, Chicago; "How the B. Y. P. U.

Can Help the Church" by Mrs. Lucy Norwood of San Diego, Cal. Miss Myrtle Simmons of Mt. Nebo Baptist Church, Nashville, Tenn., presented and read a paper on "The B. Y. P. U., For What Does It Stand?" After announcements by the Congress Secretary the meeting adjourned with benediction by Rev. D. J. Hull.

*Saturday—Afternoon Session*

At 2:30 Chairman Robinson opened the meeting; there were devotionals conducted for fifteen minutes, then the Congress Secretary made announcements concerning the street parade and mass meeting for Sunday afternoon, after which the conductors with the participants in the various departments filed out of the auditorium and for two hours held session.

*Saturday—Night Session*

Saturday night, usually termed "Cadet Night," was given over to the program committee, and an excellent literary and musical program rendered in the auditorium of Ebenezer Baptist Church.

*Sunday—Morning Session*

The Model Sunday School featured this session. Promptly at 9:30 Rev. D. J. Hull of Nashville, Tenn., and Prof. J. P. Eugene of Beaumont, Texas, acting superintendents, opened the school, using as the opening song, "What a friend we have in Jesus"; prayer was offered by Rev. J. P. Robinson; singing, "Stand up, stand up for Jesus." After the formal opening the classes were divided by states, and the lesson was taught for thirty minutes in the various classes with their respective teachers selected. At the conclusion of the lesson period, the collection was lifted, which resulted in Ohio again capturing the prize banner for the largest collection reported by states.

Immediately upon the close of the Model Sunday School the eleven o'clock services were opened by the choir singing "Holy, Holy, Holy"; prayer by Rev. J. P. Robinson; selection by the choir. The Congress Secretary, Henry Allen Boyd, then presented the speaker of the hour, Rev. Homer Nutter, Jr., of Lexington, Ky., who led the congregation in singing "Must Jesus bear the cross alone?" Rev. Mr. Nutter took for his text the fifth verse from the sixty-second Psalm, "My soul, wait thou only upon God, for my expectation is from him." The subject of his text was "The Sure Expectation", and for forty minutes he held the

### Sunday—Afternoon Session

One of the best programs during the entire Congress was rendered at this meeting, and missions, home and foreign, were particularly stressed. Diplomas were awarded from the Teacher Training Department. Dr. J. C. Austin, pastor of the Pilgrim Baptist Church, Chicago, and Dr. A. Wayman Ward, pastor of Greater Bethel A. M. E. Church, Chicago, were presented. The speakers scheduled to deliver addresses for the afternoon were Dr. Vernon Johns, President of the Virginia Theological Seminary and College of Lynchburg, and Congressman Oscar DePriest of Washington, D. C., both of whom delighted the audience with their masterly and scholarly addresses. These speakers were presented by the Congress Secretary, Henry Allen Boyd.

*Sunday—Night Session*

The visiting ministers occupied the various pulpits of the city and delivered sermons, but the main sermon was preached by Rev. A. A. Graham, D. D., Secretary of the Foreign Mission Board, Washington, D. C., who held sway at Ebenezer. These services concluded the 1930 Sunday School Congress, and the curtain fell on one of the greatest and most enthusiastic meetings ever held by this course of Sunday School and B. Y. P. U. Workers in the history of the organization.

## OUR DEPARTMENTS AS THEY ARE ORGANIZED

Organization in departmental work has characterized the Board's activities during the past year, as in previous years. The foremen of the various departments, the chief clerks, the office secretary and the secretary hold their regular conferences and discuss ways and means of expediting the work of the institution. They lay no claim however, to perfection, but that you might keep before you the personnel of the heads of these various departments and the complete organization of this institution, we submit herewith, the following, beginning with the secretary and going clear through.

Henry A. Boyd, Secretary; Miss S. B. Wilson, Office Secretary; Mrs. Zula Campfield, Bookkeeper; Mr. Joseph Boyd, General Foreman; Mr. Geo. Davis, Foreman Press Room Department; Mr. Ernest Jordan, Foreman Bindery Department; Mr. G. P. Baker, Foreman Second Class Mailing Department; Miss Nell E. King, Chief of Proof Room Department; Mr. L. Landers, Chief Clerk, First Class Mailing Department; Mr. D. R. Fenton, Foreman, Composing Room Department; Mr. Chas. Watkins, Foreman, Cabinet Department; Rev. D. J. Hull, Editorial Department; Rev. J. L. Harding, Union-Review Department.

## PANAMA CANAL ZONE

Rev. and Mrs. Thorbourne, located at Canal Zone, Panama, your resident missionaries whom your Board decided to support and sustain as far as they could, financially, have been kept in Panama. It was thought to bring them home this year, but owing to the falling off of collections and the large increase in bills and notes receivable, your Board found it not expedient to embarrass itself further financially by having this couple to cross the waters and come home during this year, but we have sent them their salaries regularly. A check has been mailed from Nashville on the 15th or 16th of each month. Rev. Thorbourne reports the need of a church building to take the place of the one destroyed by fire, and the need of an additional house of worship to house the congregation he has organized. He is very desirous of having an associate worker, due to the fact that Mrs. Thorbourne, who has labored for more than fifteen years with her husband in keeping the denominational work to the forefront in Panama, is not as young as she was, and to the further fact that her children who are increasing in age, are claiming her time and atten-

tion, as she must train them for future work and activity. We are asking the Board to use its influence with the constituents of our Convention to increase their donations to the Panama work, as these resident missionaries find it necessary, because of their growing family, to receive larger pay. We have endorsed their application, and are in sympathy with their request. We had hoped to have had at this meeting a full and comprehensive report on the Panama work. It must however, have been delayed in transmission, as Rev. Thobourne had promised to have it to us.

## CIRCULATION OF THE NATIONAL BAPTIST PUBLISHING BOARD'S PERIODICALS, BOOKS, PAPERS AND DENOMINATIONAL HELPS

The spread of the gospel through the printed page, from a denominational viewpoint, is the biggest objective of your institution, because in it the Board believes that it is carrying out by precept and example that great commission, "Go ye therefore, into all the world," etc. The failure to reach the two millions per month mark that we had set as our goal for this past year has not daunted us in the least, nor discouraged us one bit. We feel that there should be a piece of denominational literature, in the hands of every member of our denomination. In fact, our slogan, "A piece of Baptist Literature in the hands of every Baptist" is just beginning to gain nation-wide approval, and we feel that this Board and the Convention of which it is a part, should join with us in making this slogan become a reality.

Literature and books that are purely Baptist and strictly orthodox, should supplement much of that being read in our homes, or rather it should increase the reading material in the home. We submit however, to you our circulation by Periodicals for the past year.

## CIRCULATION FOR THE YEAR

## WHAT THE DENOMINATION SHOULD DO IN PERPETUATING THE WORK OF THE NATIONAL BAPTIST PUBLISHING BOARD

If my co-workers and those who are supporting the National Baptist Publishing Board's Plant and work will pardon this bold assertion, I would say that among the things to be done would be the perpetuation of the name of R. H. Boyd, and the building of a Memorial in recognition of his founding and establishing the largest printing house of its kind in the world, owned and operated by members of the race.

Second, that the denomination would put itself upon a cash-paying basis, that is to say, every minister, church clerk, superintendent, secretary of religious organizations and leaders of our denomination, regardless of whether they are connected with an Association or an auxiliary to the church, should become subscribers, paid subscribers I mean, and regular readers of the denomination's official, weekly publication, plus the literature. If the denomination would do this one big thing for itself it would do three things: First, it would serve as a medium of indoctrinating our forces and thereby, weed out all the weakness that we suffer from in not being able to defend ourselves when an attack comes from the outside. It would materially increase the work of the National

Baptist Publishing Board's Plant, because it would increase the printing and circulation of literature; and third, it would help to decrease unemployment by giving positions to a larger force of workmen, men and women, boys and girls.

The economic situation that confronts us demands our personal attention. Of course these are big words at this particular time, but they mean that we will improve our opportunities by doing things ourselves for those dependent upon us as well as those who expect us to make good.

#### THE NATIONAL BAPTIST UNION-REVIEW AS A DENOMINATIONAL ORGAN AND NATIONAL PUBLICATION

*By Rev. J. L. Harding*

An instrument is useless without an object and contact; its value is determined by relation and its contributory service to a specific interest. The merchant uses the printed handbill, sheet, and page to make known the fact that he has certain wares or goods for sale; the printed sign is used to make easy the identification of his place in the community of competitive interest.

The National Baptist Union-Review is an instrument of incalculable worth to the Baptist denomination. A denomination is an energized name individualized, therefore, it can die as do other individuals. The creature receives life and energy, and is motivated by the spirit of, and is constrained to effectuate the objects and purposes of its creator. Along the religious highway of time we observe that the fields of human endeavor are dotted with cemeteries marked as the resting places of ancient denominations, unable to hold in tact, and withstand the pressure of the slow, but ever changing vicissitudes of time, when disintegration, competition and opposition made double-quick time a necessity in the denominational march in order to outdistance the local and national trend of thought, and stem the rising tide of public opinion.

The leaders exhausted, fell and expired and confusion and disaster was the fate of the devotees.

#### NOT SELF-SUPPORTING

The warships, machine guns, calvary and militia as instruments and units of warfare of the government are not self-supporting. But the citizens of this Republic pay the cost of maintenance in the time of peace and assume the operating expense in case of war.

Dr. R. H. Boyd, the founder of the National Baptist Publishing Board, which belongs to the Negro Baptist National Convention, Negro Baptist State Conventions, District Associations and the Negro Baptist Churches; and should all these cease to function, that institution belongs to the Negroes throughout the length and breadth of this country who compose the Missionary Baptist Denomination. The National Baptist Union-Review is a Denominational creature and recognizes the fact that it has a great mission to perform as an alert and faithful witness to the faith and doctrine, and as a medium of information and inspiration in all that makes for our denominational life and progress.

It is a well known fact that nearly every denominational paper in America is being operated at a loss, and in many cases subscription lists are steadily diminishing. The National Baptist Union-Review should be an exception to the above, because it is the only religious, and strictly denominational paper in America, published by, and for the millions of Negro Baptist fundamentalists throughout the world. This paper is the only authentic and reliable denominational organ that our group has. It gives no uncertain sound on questions of faith and doctrine, racial uplift and world-wide evangelism; as an organ of expression, its columns are open to the Baptist who lives in the dell, as well as the Baptist who resides in the greatest metropolitan center.

The right of speech is respectfully granted to the humble and uneducated and also to the erudite and prolific penman; and in hundreds of cases their failure to write is a sinful omission. It is evidence of having eyes but they read not their own paper, (Mouthpiece) and having ability they speak not.

Thus the individuals are refused valuable information. Churches are deprived of inspiration, and the denomination is robbed of immeasurable prestige without which it can not survive.

#### TELEPHONE AND OUR DENOMINATIONAL PAPER

There are thousands of Negro Baptists with telephones in their homes that cost from \$2.00 to \$4.00 per month, used to make and receive social and business calls, more social than business of course. The phone bill is paid cheerfully, and often at a sacrifice to avoid the humiliation of having the service (speaking service) discontinued.

The National Baptist Union-Review is our denominational telephone, the cost of which is only the pitiful sum

of \$2.00 annually. It brings a message, always friendly from the four corners of the United States of America every week, and for three days in the week tarries at our threshold waiting for a return message or reply.

A family that does not get weekly, a religious paper is not well provided for; every Negro Baptist family that does not welcome and provide for the reading in the home of their denominational paper is choking his own organ of speech, and strangling his own denomination to death; Let Go Your Hold Brethren; Let Go Your Hold.

### THE VIEWPOINT

"I read a book last week.  
The author dipped his facile pen in fire  
And seared raw facts into my brain.  
Up from the mire he dragged dark truth  
And flaunted it. He made all youth  
Abnormal, all love lust, and God a jest.  
And, as I read, I knew his soul was warped;  
His mind must know despair, thinking all truth  
Was ugliness laid bare.  
And then I read another book.  
The author sat upon the very throne of Truth  
And used a pen far mightier than a sword.  
He wrote of youth triumphant, clean and fine.  
He wrote of Sin, compassion in each line.  
He wrote of Love—it blossomed like a rose  
Sprung from good soil. He wrote of One  
Giver of that great Trinity of Gifts:  
Life, Love and Beauty, and when he was done  
I knew somehow my stumbling feet had trod  
The trail he'd blazed for me to his friend God!"

### UNPAID ACCOUNTS AND NO-GOOD CHECKS

Not in the history of the existence of the Publishing Board have we staggered so under the weight of unpaid accounts, no-good checks and uncollected bills. According to the last report made to us after the examination of the books, we find that between \$75,000.00 and \$100,000.00 are owing to the institution by individuals, Sunday Schools, Churches, District and County Conventions, Associations, State Conventions, the National Baptist Convention and the several Boards operating under the Convention.

We feel that the denomination should desist from borrowing money from the institution, because it is all they do,

when we fill their orders, whether they are for printing supplies, books or what not, and then they do not pay the accounts, they are borrowing the institution's money without paying interest thereon. It seems that few ministers or Sunday school leaders realize this fact; they do not seem to know that it is an imposition upon the National Baptist Publishing Board when a Sunday school superintendent or pastor will purchase on credit, the Sunday school or church will change leadership, and then the incoming officer does not feel that it is his or her duty to see that the old account is paid. Very often these organizations collect the money, turn it over to the minister or superintendent, and he will put the money in his pocket or on his bank account and send us his personal check; this check will come back to us unpaid each time, with an added fee. We will notify, or try to notify them, and that is the end of it.

Oftentimes checks are sent to us on banks and then the banks will close before the checks get back for collection; but in either case the Publishing House must sustain the loss. Only several weeks ago your Secretary published a list of unpaid checks covering a period of perhaps a year or more. This was only a sample of what we had on hand.

In concluding this Report, we wish to state that the National Baptist Publishing Board's Plant has been audited by Certified Public Accountants and by the auditor of the National Baptist Convention. These Certified Accountants not only audited the Plant, but made a full report of the same.

The plant has also been appraised by the Lloyd's Appraisal Bureau at Chicago, one of the recognized Appraisal Bureaus of America; therefore, in submitting the facts to you as we have, we have done so knowing that they are backed up by recognized concerns that the financial institutions of Ameri-

ca have faith and confidence in. We herewith submit a statement from our auditor of the Convention, over his own signature.

Nashville, Tenn., August 8, 1930.

TO WHOM IT MAY CONCERN:

This is to certify that I have audited the books of the National Baptist Publishing Board and found them correct.

J. B. BECKHAM, General Auditor,  
National Baptist Convention of America.

Now gentlemen and brethren of the Convention, I ask a continuance of your prayers, your cooperation, that this institution that is now entering its thirty-fourth year of existence, and that has prepared an incomparable service for you, may continue to carry on and go on down the ages blessing unborn generations.

HENRY ALLEN BOYD.

Acts 5:38-39. "And now I say unto you, refrain from these men, and let them alone: for if this counsel or this work be of men, it will come to nought; but if it be of God, ye cannot overthrow it; lest haply ye be found even to fight against God."

Father Time has decided every man's destiny, whether for good or bad. He is a judge who has and will decide every one's case, and so perfect is he in his decisions that no man yet has been able to appeal therefrom. He is never hasty in his dealings, only if the one who is to be tried by him urges his own case.

From the beginning until now, he has not failed in giving justice to every one who has come before him for trial. Every well thinking man has found that it pays to wait on him and while he is making up his court to prepare well ones self, so that when he is called to trial, he can prove himself worthy of, "Well Done."

Time is the greatest tester of all things. Things material have stood their day and brought to ruin by him. Time marks the life of kings on their thrones and has caused cities and temples to rise and fall in his arms. He awakes to life persons and nations, and draws the span of opportunity to active existence, and then brings them to account for what they have done. He is the oldest judge on the bench today.

His beginning is in God and his existence is not determined by centuries, but by eternal ages. He is present to welcome every New Year and in say good bye to the old; he has said good morning to every rising sun since God said, "Let there be light;" he has lifted every dew drop and blown back to the place from whence it came every fallen rain;

he has kept company with every generation, and stood by their bedside when dying and marked the steps to their resting place, and while they lay sleeping in the clods, he walked on from generation to generation. Today, that, that has not been proven by him: He stands like a hero to prove. He brought Christ to Calvary and then to Mount Olivet where he commissioned his disciples and ascended.

Now we find the apostles on their mission, bending their every effort in the face of the most stubborn opposition to do the work in preaching what they had seen and heard. They are now before the court of man, and questioned and cautioned with severe threats to discontinue their work. But the zeal of God that was in line with knowledge was controlling them and they stood ready to die rather than give over to the wishes of men.

The whole counsel before whom they stood, with one exception was ready to go their human limit, to bring them to their way of thinking. But through some way of God's and His way is past finding out, one step forward of their own number that shocked the counsel like an earthquake and brought them to amazement like Belshazzar, when the hand of God wrote his doom on the wall of his palace, when he was in the height of his worldly glory and said, "Refrain from these men, and let them alone: for if this counsel or this work be of men, it will come to nought; but if it be of God, ye cannot overthrow it, lest haply ye be found even to fight against God."

Every religious organization is on trial before the court of men today. They stand not convicted, but awaiting conviction. Just before the sentence is passed upon them, God has a way of setting it aside and giving them another chance. The court of opposition cannot conclude on such, for the mystery of them baffles their judgment every time on the eve of their decision. If such a decision could be reached and carried out, religious organizations would have been wiped out and their officers gone home not to return and Christians would be as silent as mummies. But in every instance there has been a way out for Christianity.

Elijah escaped the cruel hand of Ahaziah by God dropping fire from heaven as he sat by the road side when he had sent word that "God said he would not come down from the bed on which he was sick, from a bruise he had received from a fall. The Hebrew boys escaped the hand of their persecutors by the way of the furnace in which they had been placed to be destroyed; Daniel escaped by a night in the lions den which was a better secret chamber in which to pray than his room in which he prayed with his window open toward Jerusalem.

Isaiah escaped his bad surroundings by seeing the Lord in the year that King Uzziah died. In that year he not only saw the Lord, but heard Him calling some one to go, and he said, "Here am I, send me."

Paul and Silas escaped from their prison sentence by putting on a midnight prayer meeting, and God in answer to their prayer sent an earthquake and broke down the gate so that they could come out when they wished without being disturbed any more by those who had been cruel to them, etc.

And, now, the Disciples of Christ standing before the Sanhedrin court, where their lives had been threatened, and who did not want to reason the matter out. Any cause is lost when it no longer can be argued in the court of reason, when its only argument is the sword or the stake or the rod or the prison cell. No outside influence could have stopped this Sanhedrin Court for the power was theirs, and when they decided to do a thing, it was done whether right or wrong.

But God is able to raise up a defense for His cause in the ranks of His enemies. He had His apostles to stand aside while the reasonableness of His cause was argued among them by one of their own number, Gamaliel. Gamaliel was a common sense type of man, undisturbed by zeal, of clear judgment, unbiased by prejudice. Tradition is not clear as to the after life of this man. But regardless of what it was, he stands here as a monument for justice and righteousness and a chance for time to work.

Gamaliel gave evidence of past knowledge as his reason for the counsel that he was giving his colleagues. Said he, "For before these days rose up Theudas, boasting of being somebody; to whom a number of men, about four hundred, joined themselves; who was slain; and all, as many as obeyed him were scattered and brought to nought; after this man, rose up Judas in the days of the taxing, and drew away much people after him; he also perished; and all, even as many as obeyed him were dispersed."

If the work or the counsel of these men be of men, it will pass away like Theudas and Judas; but if of God, it will stand regardless. Experience teaches that movements which have no vitality in them, come to an end if left alone. If they are left alone, they will die for lack of fuel, while persecution supplies that fuel on which they live. It was the thought of Gamaliel that if they continued to persecute these men, their cause would live longer, but if left alone, they would die if there was nothing vital about what they were doing. The power behind Christianity is hid from natural view, but its affect can be vivid enough for the natural eye to behold its presence.

Time is required that the true nature of a movement be clearly seen. If that is given, the truth therein will walk forth with a brilliancy that will blaze the way for it to travel in the midst of opposition. A new force cannot be judged by the first appearance and manifestations. There are movements started for God whose sudden end was predicted by some who were not in sympathy with them, but under God they have

lived and prospered, until today they have been so well routed by time that their work and counsel stand as God approved.

These times in which we live are throwing in the pathway of Christianity bulwarks that are making a mighty fort against the progress of Christianity. The schools, with a few exceptions, are trying to take out of Christianity all the self denials and striving for the kingdom and making it no more than any other course of life one wishes to travel; and the church no more than any other social club that one belongs to. But today, we need men in the pulpit like the Apostles of old who will defy the powers that be, disregard the shame like Christ, the Redeemed to feel the Holy fire from heaven within that makes them feel that it is better to obey God than man.

What this day needs is powerful, fearless gospel, a gospel that is not ashamed of Jesus; a gospel that will be a witness when foes arise and enemies mark and threaten. For the gospel is the power of God unto salvation to every one that believeth. It haunts the atheist until he comes to the open door and sees that there is an eternal One; it rides the infidel on his dying bed and makes him see his mistake; it lifts the hand of persecutors and weakens their force of opposition. Truth can never harm us if we are on its side, nor can it be defeated by any power on the other side. Had the advice of Gamaliel been followed by all men in similar crisis of religious history, much bloodshed and retardation of the good causes would have been avoided.

If you wish to preach, follow these men as they moved in the path of their duty, relieving the condition of the people, with the power of God that was upon them; and when they were thrust in prison, that did not daunt them, and for such, the Lord sent an Angel and opened the prison doors and brought them forth and said, "Go stand and speak in the temple to the people the words of this life."

Time has and will prove that things that be of God will stand. "The earth is the Lord's and the fullness thereof, the world and they that dwell therein." Christianity is of God. If these men had put the Apostles to death, some other persons would have been raised up to carry on the work. At the same time they would be found to fight against God and would thus bring upon themselves his omnipotent vengeance. According to this opinion which was the verdict of common sense, supported by the most conclusive arguments, Christianity has continued to this day.

It is religion, neither supported by human authority, (for Paul said, "I did not confer with flesh and blood, but was moved by the revelation of God"), nor paying court to any man's corrupt passions. It is opposed by power, wealth, philosophy, learning, superstition, idolatry, open profaneness, false religion, vice and popular prejudice of the whole world. It is a religion that declares exterminating war against all the

corrupt propensities of the human heart, without favoring one more than another. It speaks for itself that it is no work or counsel of men, but indeed a revelation from God, and those who oppose it actually fight against God.

It has blazed its way from the cradle of infancy when the anger of Herod waged war to wipe it out; when the truth of His birth was verified by the Wise Men from the East having been led by the star directed by providence. He was seen by the eagle eyed Prophet coming from Edom with dyed garments from Boza treading the wine press alone. He held his own when threatened with stones, and finally brought before the court of evil passion, and condemned by the testimony of his enemies and without a word of defence, He was sent to Calvary to die on the cross and made to bear the wood on His shoulders on which He was to die.

The hatred of His enemies grew more intense as they applied the whip to Him as He staggered beneath His final place of torture in this life. The religion of Christ Jesus was never seen with a finer feeling and spirit than when Jesus, who had power within Himself to rise from beneath the torture of His enemies, and with one stroke could have cleared Himself of all that was upon Him, and could have stood His enemies by the roadside in silence, helpless to charge upon Him further. But He chose instead to give encouragement and help to all His followers and made the hand of the poet ready to write:

"Must Jesus bear the cross alone,  
And all the world go free?  
No, there's a cross for every one,  
And there's a cross for me."

As the world looked on, it saw by some the cross being sanctified and consecrated, so the poet wrote again:

"The consecrated cross I'll bear,  
'Til death shall set me free,  
And then go home a crown to wear  
For there's a crown for me."

He showed that there was glory where God was and the Son would soon be, and all who go by the way of the cross would surely enter the land of bliss:

"How happy are the saints above,  
Who once went sorrowing here;  
But now they taste unmingled love,  
And joy without a tear."

Christianity has an unobscured tread; it is sharper than a two edged sword and for this reason, it is able to cut its way where there is no way and make its presence where needed. It can descend into the low-

est valley and ascend the highest mountain; it can walk through the darkest shade and never yield to fear; The darkest hour for Christianity was not when these men stood before the Sanhedrim Court, but when Christ was on the cross. It was the time when hell beneath and hell on earth had united to humiliate and disgrace God's son and so blacken His death as to make men hate His life. But it was God's opportunity to shine through His Son, and to make Him desired by those who saw the worth of a real life, rather than be ashamed.

For to know that He was the Son of God caused men to follow Him in that day as they will now, for when the sun veiled its face, the temple rent in twain, and the earth rocked like a drunken man and those who were making his death on the cross said, "Truly, this must be the Son of God." What will be the result today when some of the pulpits are weak on the Son of God, and the schools and colleges are at war as to the true setting of the Son of God in the lives of men?

When the larger number of intellectuals of today are teaching that the intelligence of man should be his director in life, rather than the revealed word of God? All this is to be offset today as it was in the days of the Apostles, when they stood before the brains of that day and so moved in the power of God, and so worked by His guidance, and so counseled by the will of the Holy Spirit until the best learned one in the crowd said, let them prove who these men are and what they represent.

When Elijah was threatened for his stand against the evil of that day and for God, he desired death rather than life because he was having such a hard time, and felt that he was the only one being treated thus. The Lord told him that he had seven thousand who had never bowed a knee to Baal. Let the redeemed of the Lord say so; that Christianity with its unmoored tread will step from generation to generation, beat back every army of opposition, destroy every fort of the enemy that is arrayed against it.

Prove itself equal to the condition of every age, weather every storm; keep its cause clear and motive unselfish; go on to the battle field and fell the enemy with a small stone; brake up the kingdom of kings with a few written words on the wall of time from the pen in His hand divine, reduce men to sack cloth and ashes and afflict them to death with the poorest of earth, and with shame and disgrace. Then bring them back to health and wealth, to honor and fame so that their last days can be their best days.

Our fathers who started this Convention fifty years ago, though they are asleep, their cause was a righteous one and still they live. Morris and Boyd, with hodies in mother earth, but still they live for their work wrought here; Jones and Woods who handled the gavel as Presidents of this body are gone, but we who knew them cannot and will not forget them.

We who are here today are carrying on as they did in the wake of the unmoored tread of Christianity. Fifty years from today we will have passed on from the stage of time, but let the Convention go on over the hills of years with the bloody banner of Calvary's Cross lifted high that Jesus may draw all men unto Him.

### REPORT OF THE RAILROAD COMMISSION OF THE NATIONAL BAPTIST CONVENTION OF AMERICA

MADE TO THE FIFTIETH ANNIVERSARY CELEBRATION AND GOLDEN JUBILEE CONVENING IN NEW YORK, SEPTEMBER 10-15

Mr. President, and members of the National Baptist Convention of America: We, your Commission elected at your Norfolk, Virginia session last September, beg leave to make the following report:

The Commission, upon its election and notification of this election by the secretary, met in Calvary Baptist Church, Norfolk, Va., with the following members present: G. L. Prince, Denver, Colo.; C. T. Dorroh, Jacksonville, Fla.; S. S. Jones, Chicago, Ill.; Henry Allen Boyd, Nashville, Tenn.; answering present. C. H. Clark of Chicago, Ill., was absent. There being a quorum present, Dr. S. S. Jones stated that the purpose of the meeting was to perfect an organization for the ensuing year.

Upon motion of Henry A. Boyd, seconded by C. T. Dorroh, Rev. S. S. Jones of Muskogee, Okla., was elected chairman; motion put by Henry A. Boyd, who presided as chairman pro tem. Upon motion of G. L. Prince, seconded by C. T. Dorroh, Henry Allen Boyd was elected secretary. The report of the Railroad Commission which was read to your august body having been previously agreed to by the Commission, became the records of the body. Chairman Jones announced that there being no further business, the Commission would adjourn to meet subject to the call of the chairman.

The first getting together of the Commission after the adjournment of your Convention was during the Executive Board session of the National Baptist Convention, held last January in St. Louis. Those present at this meeting were S. S. Jones of Oklahoma, who had since moved to Chicago, G. L. Prince of Denver, and Henry A. Boyd of Nashville. The Commission, at this St. Louis session, by vote, instructed the secretary to apply for rates to the National Baptist Convention of America. The Commission further instructed the secretary to get in touch with the presidents of the various railroads, both trunk lines and short lines, and assure these railroads that the members of the National

Baptist Convention of America were in sympathy with the developments that the railroads are sponsoring throughout the United States.

Acting upon the orders given to it by the Executive Board of the National Baptist Convention of America, in its session held at St. Louis, Missouri, in January, 1930, at which time the Executive Board authorized the addition of a Transportation Committee composed of members located in the several grand divisions of the territory of the Convention, the Railroad Commission took the following action to wit:

They nominated and confirmed the following Transportation Committee; Rev. E. H. Branch, Chicago, Ill., Executive Secretary; Rev. J. H. Brewer, St. Louis, Mo.; Rev. Frank Clark, New Orleans, La.; Rev. G. C. Coleman, Oakland, Calif.; Rev. S. R. Prince, Fort Worth, Texas; Rev. J. W. Anderson, Portland, Oregon.

This Transportation Committee was to function under the rules and regulations of the Railroad Commission of the National Baptist Convention of America. These six members of the National Baptist Convention were notified of their appointment and designation, and each agreed to accept the same.

Your Commission further begs leave to report that both the Railroad Commission and the Transportation Committee of this Commission have worked in harmony and unison in serving the Convention, with a view of facilitating the travel of the various state groups, and in securing the proper accommodation, in getting the best that the railroads could offer for members of the race, whether they be members of the Convention or not.

The Commission further instructed the secretary to conduct a campaign of publicity among the members of this august body, with a view of soliciting their unstinted support in using the railroads of America, thus assuring the railroads by this patronage, that they are not against the railroads' program in giving employment to members of the race as well as other races who make up this great populace, these teeming millions. The following work has been performed by the Commission during the past year:

Ten (10) whole pages of advertising matter has been inserted in several newspapers calling attention of the nation and soliciting a big attendance at the New York Convention, using as its slogan on various occasions, "Use the Railroads, they help to develop America;" "Ride the Railroads to the National Baptist Convention, New York, September 10-15;" "What Would America do Without her Railroads?"

Application was made to the various Passenger Associations, Bureaus, viz: the Trunk Line in New York, the Eastern in New York, the Central in Chicago, the Western in Chicago, Trans-Continental in Chicago, the Canadian in Montreal, the Southwestern in St. Louis, the Southeastern in Atlanta, Ga., for reduced round-trip rates to this Con-

vention. These rates were granted upon application of your secretary, upon the Identification Certificate Plan, for messengers and dependent members of their families. Five thousand (5000) Railroad Identification Certificates were secured, printed and distributed by your Commission, and an average of ten to twenty of these Certificates were mailed out to several leaders or "key men" in charge of delegations.

Constant communication has been kept up through your Commission with the powers that be, in an effort to secure better accommodations, convenient schedules and comfortable routes on all the railroads. Your Commission has advocated that the spirit, as well as the letter of the law, be maintained not only by the patrons of the railroads, but by the several states through which these railroads traverse or pass.

Your Commission believes that the inter-state traveller on all railroads should not be subjected to the same rules and regulations that govern the intra-state; that is, persons traveling within the prescribed boundary lines of any particular state. For example, a person purchasing a ticket from Chicago to New Orleans and desiring Pullman car accommodation is not violating the separate coach law, due to the fact that the contract, in the form of this ticket, is issued in Chicago in the state of Illinois, where there are no separate car laws. Your Commission has insisted that those individuals, persons and groups who are anxious to bring about a better condition of affairs, should support the railroads and those public carriers whom the Commission believes are anxious to give fair and impartial treatment to the patrons of the public carriers. But in the case of the inter-state traveller, for example, a person purchasing a ticket in Atlanta, Georgia, with its destination either at Brunswick or Savannah, would, under the Georgia State Law, be prohibited from using Pullman accommodation, except in the case where they have separate compartments, as it is understood by the Commission that the Georgia Law interprets the Jim Crow Act as prohibiting members of the Negro race riding in the body of the car with the white race, as does the state of Texas, Oklahoma, Mississippi and Arkansas.

Your Commission however, is of the opinion, and would recommend that the National Baptist Convention of America take the necessary steps and raise sufficient finances to assist the public carriers in having the legal interpretation of these laws made by the several supreme courts, and eventually by the supreme court of the United States.

Your Commission has from time to time, urged the patrons of the railroads to spend their money with the railroads, use the accommodation and convenience prepared by these roads for the general public.

Your Commission further went into the subject of the waiting room problem, as it was stated that in many sections of the country and in several of the small towns, there seems to be no accommodation in railroad stations and waiting room for Negro patrons. It was found upon

investigation, that some of these waiting rooms are not opened until after certain hours of the evening, or until within ten, fifteen and sometimes thirty minutes before the arrival of the trains, and that oftentimes these rooms are closed immediately upon the arrival of the train notwithstanding there are patrons of these roads compelled to use the railroad stations and waiting rooms while waiting the arrival of their train connection. Specific instances of this have been called to the attention of railroad officials.

Your Commission has further put before the railroad authorities the practice of some station agents in refusing to sell members of our race tickets on exclusive trains, like the Solid Vestibule Pullman Train that traverses certain sections of the south. In many instances it was found that members of our race, when missing one train, are compelled sometimes to wait one whole day in a town before they can secure accommodation on another train. For example; the Pan American limited, going south to New Orleans, carries no day coach accommodations. Negroes are forced at times to wait all day in Memphis to get a through train to New Orleans. In another instance, the Pan American going from Nashville to New Orleans or from Nashville to Cincinnati, carries no accommodations for colored passengers. When if a member of our race could board the Pan American at Nashville for New Orleans, they would save one whole day of the time between these two cities; or if they board the Pan at Nashville going to Cincinnati, they could save a half day; on the other hand, if they miss the morning train from Nashville to Cincinnati, they must remain in Nashville all day, thus spending the night on the road, as they are not generally accommodated on the Pan from Nashville to Cincinnati.

Your Commission would further recommend that the National Baptist Convention of America, through its constituted representatives, and with the aid of its large membership, call upon the railroad officials and through them ask the state authorities and the inter-state commission for a fair and just interpretation of the laws and regulations of these roads, as they pertain to traveling, and as they effect members of our group.

Your Commission begs leave to hand in herewith, the following itemized report for postage, printing and correspondence conducted by the secretary of the Railroad Commission, with the approval of the said Commission.

Respectfully submitted,

G. L. PRINCE, C. H. CLARK,  
S. T. DORROH, S. S. JONES, Chairman.  
HENRY ALLEN BOYD, Secretary.  
Commission.

During the session of the 1925 convention President Wood recommended that the country as our convention's territory be divided into regional districts, with three regional secretaries to cover the entire field of the National Baptist Convention, including districts and state secretaries, superintendents of Missions, etc., to reach the remotest section in evangelizing and educating our people in the work of the Redeemer's Kingdom. This to be done by institutes, denominational literature, colportage, revivals, building schools, erection of churches, organizing mission stations and aiding missionaries, wherever and whenever conditions warrant, also the disseminating of our religious newspapers, such as the National Baptist Union-Review and state papers owned and operated by the denomination.

**THE GOLDEN JUBILEE PROGRAM**  
Of the  
**HOME MISSION BOARD OF THE NATIONAL BAPTIST**  
**CONVENTION OF AMERICA**

**Fifty Years of Baptist Prosperity**

A half century of kingdom achievement by Negro Baptists is now coming to a close. This month we celebrate our Fiftieth Anniversary as a National organization, and the Forty-fourth Anniversary as an organized Board. We have received from our Founders a glorious heritage. We have had fellowship in this half century with the choice pioneer spirits of America, men and women who laid the Foundation of our denomination at a time when it cost sacrifice and suffering.

Through these years our messages have been the Eternal truth of God, that message remains unchanged. We take delight in declaring in no uncertain terms, our abiding faith in the reality, vitality and power of the Gospel of Jesus Christ.

It is not enough to round out this half century—just to make Baptist history—rather let us crowd into these years the maximum of service for our Christ. It is not a time for the faltering, or for retrenchment, believing in the eternal Omnipotent God, inspired by the thought that these closing years of our half century (Golden Jubilee) parallel the Nineteen hundredth anniversary of our Lord and challenged by the faith and achievements of our Baptist Pioneers. We are determined by the help of God to make these Years worthy of their heritage.

In this spirit the Home Mission Board offers or presents to the National Baptist Convention, through the Jubilee Commission this program of work, which is the result of an extended effort and study by the Secretary, as recommended by the Executive Board, January, 1930.

We presented to you in the first part of the program a brief sketch of history through one of the founders and pioneers of Baptist achievements. Dr. Chas. H. Clark, D. D., LL. D., pastor of Ebenezer Baptist Church, Chicago, whose life has been a blessing to many. Missionary achievements were offered through Dr. J. W. Anderson, of Portland, Oregon, our Regional Secretary for the Western section of the United States. Second, a Missionary Pageant depicting the

work of missions on the Home Field, by Mrs. Belle E. Hendon, featuring the work of Missions from 1886 to 1930. The third part will give insight to the future work of our Baptist people in Missionary endeavors through scholarly and eloquent Dr. Ernest Hall, of Cleveland, Ohio. The group of young people presented in the Pageant represents the activities of our missionary work in 1940, ten years hence.

The fourth part gives plans and methods of reaching the goals.

**PART I.—OUR GOALS**

**I. Baptist Loyalty to Christ.**

- (a)—The Spiritual Life.
- (b)—The Home Life.
- (c)—Baptist Moral.

**I. The Spiritual Life**—We recognize the need for a new emphasis upon the care and culture of the spiritual life, the supreme need of these closing years of the half century is for more spiritual power. "Ye shall receive power when the Holy Spirit is come upon you," said our Lord. To this end we should come back to a re-study of the life and teachings of Jesus Christ. This will lead us into a more vital prayer life.

**II. The Home Life**—Great changes have been taking place in the home life of America, other things have almost pushed Christ out of our home programs. Let us resolve to restore Him to the throne of our homes.

**III. Baptist Morals**—To the end that we may all have a high estimate of our spiritual life and denominational connection.

**II. EVANGELISM.**

**I. In every Baptist Program.**

**II. Personal Workers Class.**

**III. New Baptist Churches.**

(a)—In every Church Program—"Every Baptist and Evangelist."

(b)—Personal Workers Class.—Special instructions at least once each year regarding personal work and how to reach the unsaved.

(c)—The organization of New Baptist Churches, wherever the opportunity warrants.

**III. CHRISTIAN EDUCATION.**

Christian Education, including Missionary Education, must necessarily be a part of our Golden Jubilee Program. Education is a prerequisite to all other types of activity. Mis-

sionary benevolence is but an expression of Missionary Education. To grow our denomination we must develop them. To do this we must educate.

#### IV. STEWARDSHIP.

- (a)—Stewardship Class—Teaching the idea of giving.
- (b)—Tithers Leagues—The Bible teaches clearly God's way of giving.
- (c)—Life Enlistments—Every Member a doer—"Worker."
- (d)—Finances—The use of money is a divinely appointed means of grace. We can go into all the world by our Missionary giving.

#### OUR IMPERATIVE NEED IS

- I. Enlightenment.
- II. Enlistment.
- III. Enlargement.

1. The first half century has been a period of making Baptists. These days and all the days ahead of us call for organization. To do this we must enlighten. Our enlightenment must in all candor begin in the pulpits. When our leaders are brought to a consciousness of a real Christ method. They will enlighten the parishers. Not until then.

2. We cannot hope to enlist men for service until we enlighten them. Study courses must be given in Stewardship, covering every need in Religious culture and development. When this is done, we can enlarge our borders and do God's work on a larger basis.

3. The second half of this century with our already achievements as Baptists should put the denomination in the front rank of all religious groups of the world. This can be done and will be done if our leaders will only cooperate.

#### V. BAPTIST LITERATURE.

The Reading Contest is one of the best means we have discovered for the spread of Missionary Education. This should be universally encouraged. Let the whole church and every organization in the church get behind the plan. We must double the number of subscriptions to the National Baptist Union-Review, and our other State Denominational papers. No denomination can boast of a finer paper than the UNION-REVIEW. The same should be said of our Baptist Literature. Our Motto, is 100,000 new subscribers for our Union-Review.

One of the finest ways to spread missionary information is through the use of the columns of our Baptist papers. There is no denominational body that publishes any better literature

than our own NATIONAL BAPTIST PUBLISHING BOARD, located at 523 Second Ave., North, Nashville, Tenn. Founded by the late Dr. Richard H. Boyd, D. D., LL. D., and is now managed by the eminent business genius his son, the Rev. Henry Allen Boyd, Corresponding Secretary. We recommend that all churches and Auxiliaries of this Convention purchase literature from this our own Publishing Plant, covering every kind of religious information and instruction to meet the needs of our religious development.

**MONEY.** During these incoming years in our Missionary giving should be on the increase. We have set our goal at \$10,000.00 additional each year. This means just about 8 per cent increase the first year, and a less per cent of increase each year until 1940. More than one-half of the members of the average Baptist churches are not giving any thing to our Missionary work. A persistent effort upon the part of missionary committees, and pastors of local churches would secure larger results just here. Each local church should put on a persistent campaign to secure a regular missionary offering from every one of its members. This increase of \$10,000.00 each year may be secured in most churches from their members who are not doing any thing.

**APPORTIONMENT.** Every year in January a suggestive budget should be sent to each church in regards to its missionary giving. Every Baptist church should take this matter up and have the suggestion accepted by the Board and the church. Then be sure to work to a finish the accepted plans for the cause of missions.

**REMITTANCES.** Our Goal is at least 300 Baptist Churches sending in their missionary money every month, and two hundred of these sending one-twelfth every month, it would mean three thousand dollars per month, and that is a big item. Send in all you have each month. If your money is sent to Headquarters on the fifteenth of each month, it will be on its way to the fields to which it is sent by the twenty-fifth.

#### A STANDARD ADOPTED FOR THE NATIONAL BAPTIST CONVENTION

- 1. Mission church is one that gives \$1.00 for missions for each \$5.00 for current expenses.
- 2. Striving Church is one that gives \$1.00 for missions for each \$4.00 for current expenses.
- 3. Average Church is one that gives \$1.00 for missions for each \$2.00 for current expenses.

4. Leading Church is one that gives \$1.50 for missions for each \$2.00 for current expenses.

5. Exceptional Church is one that gives \$1.00 for missions for each \$1.00 for current expenses.

**WORKERS.** Among the many workers in the employment of the Board, none of them receive salaries only as they raise on their territory. Hence we could not expect a great deal of them.

Dr. J. W. Anderson our Regional Secretary of the Western States who through his untiring efforts has brought to our Convention 14 pieces of property deeded to the denomination together with many other already established churches, and one State Convention. Dr. Anderson has worked insiduously since 1925. His salary is being taken care of by the States of Oregon and Washington as long as he resides in Oregon and he is in the Board's employment. He has done more in aiding our workers through courtesies secured from the Western Railroads, than all the men of our Convention. He justly deserves the support and praise of this Convention.

Dr. C. T. Dorroh with Florida, and Rev. R. W. Woullard of Mississippi have RUNG TRUE to our Cause. Indiana for five years stood in the front ranks, arm and shoulder with Illinois but lost the place this year.

Mrs. Fannie E. Morton, our Eastern Secretary has touched many individuals and organizations in the East and Southeast this Conventional year. The Lot Carey Conventional Territory being her field of labor. The finances have been low but not even a minister in our denomination has been able to reach as many organizations with favor as has Mrs. Morton. A goodly number of our workers in fine developed fields could have been a blessing had they sacrificed for the Cause. However we are glad to release to you the possessions acquired through these workers.

North and South Dakota, Idaho, Arizona, Washington, Oregon, parts of New Mexico and a greater part of Michigan, through constant efforts we are regaining those who went away in 1915.

#### OUR OPPORTUNITY

If the churches through their leaders would respond to appeals we could take fields like Michigan and California. If aid could reach Michigan today especially Detroit VICTORY would be ours. Our Baptist people are tired of the so-called brothers in white—over-lords. It's miserable in these northern and eastern sections where hired secretaries of our own group

are paid to purchase Negro Baptist strength for other people. Thank God the laity has awakened and declared war on this kind of leadership. They are coming home some of them are here now and home to stay.

If organized states like Texas, Louisiana, Oklahoma, Arkansas, Kentucky, Tennessee, Mississippi, North and South Carolina, Alabama, Indiana, Illinois and Florida would rise up in their God given strength, the next ten years would bring our home field to the place of doing big business for the kingdom. But some of our leaders like Rev. J. H. Brown, D. D., pastor of Calvary Baptist Church, San Diego, Calif., offer criticism instead of contribution. A part of the good doctor's criticism is true, quoting them as follows, "Our Home Mission Board has a great field, and tremendous responsibilities upon it, but for several years this board has seemed to be simply a means for some brother to have a place. The Corresponding Secretary, or Field man, has been the pastor of a church and has simply sent out appeals, and set in his home awaiting results, which never came. It is impossible for any man in our ranks to take care of the many responsibilities of a Board with so wide a scope as this Board and pastor a church, either the Board or the Church suffer. But when it is remembered that in 1928 the present secretary went all the way from Indiana to California on program by invitation of this good Dr. and received only \$17.30 more than half of which was used for railroad fare to make the side trip from Los Angeles alone.

Not one penny has been received from this good pastor nor church since that date. The secretary feels that since the Convention has never set aside one penny for Missionary operation out of its treasury and the Board must raise its own funds, set its own salary with an unorganized and undeveloped program the course of procedure in a campaign of enlightenment is the sanest, cheapest and most profitable method as outlined in the foregoing of this address. It takes time and patience to educate a people especially our Baptist people who have so much liberty they lead well but won't drive.

#### OUR ACHIEVEMENTS

From the organization of the Home Board in 1886 to 1925. We have no exact account or details of the work done only as we secured from a periodical written by Mrs. Belle E. Hendon for the Woman's Auxiliary National Baptist Convention in 1927. And the development of our Home field. The organization of the Publishing Board and other active agencies.

Beginning the present administration in 1925 Dr. J. E. Wood our lamented president recommended that the Home Field be organized in regional Districts 1, 2 and 3, with each State represented through Board members or Superintendents of Mission as the occasion may require. In 1926, Dr. S. S. Jones offered a resolution to incorporate the Board so as to secure properties and holdings, support mission churches and pastors. These orders have been kept as far as was the Board's power to do. As a result we hold deeds to church properties in the States of North Dakota, Montana, Oregon, Washington, California and have helped churches in many other sections, secure titles in the name of the churches.

Our financial report for the Years is as follows:

1925	\$ 659.53
1926	43,625.54
1927	135,553.80
1928	86,850.36
1929	23,114.18
1930	46,363.42

Total receipts since 1925 .....\$336,166.83

We have cooperated with our Board listed 33 workers consisting of Board members in States, Superintendent of Missions, Regional and Field Secretaries. The work of the Home, Church, Extension and Evangelical Boards are so close together in point of activities it has been hard to differentiate or interperate our field and duties, hence this condition has served to hamper in a large way for fear of misunderstanding, however it has been ours to help major all the causes of our Convention.

Special work done in the West and Northwest by Dr. J. W. Anderson our Regional Secretary.

As follows: Property bought and its value.

First Baptist, Vernonia, Ore., 1926, \$500.00.

Shiloh Baptist Church, Portland, Ore., 1926, \$5000.00.

Mt. Pleasant Baptist Church, Fresno, Calif., 1927, \$7000.00.

Second Baptist Church, Minot, Dakota, 1928, \$4500.00.

This church had been taken over by the North Dakota Baptist Convention (white) through fraud by some of the state leaders. The Board through Dr. Anderson went into the Courts and reclaimed this property.

First Baptist Church, Toppinsh, Wash., 1928, 4000.00.

Second Baptist Church parsonage, Everett, Wash., \$1400.

Second Baptist Church at Ellensburg, Wash., 1928, \$3200.00.

These churches are small but the denomination owns them and they are free from any encumbrances.

## PRESIDENT'S ANNUAL ADDRESS

## THE GOLDEN JUBILEE OF THE NATIONAL BAPTIST CONVENTION OF AMERICA CELEBRATING OUR FIFTIETH YEAR—1880-1930

We are assembled in the Metropolitan City of the world, the GREAT CITY OF NEW-YORK. Brethren and co-workers and gospel yoke-men, heaven's brightest lights of all the world. Greetings:

I bring to you today the old banner with a double triple-ration printed in gold, Eph. 405, One faith, one Lord, and one baptism.

Through the providence of God and our constitution the duties of president of this great religious body were conferred upon this, your humble servant.

Dear Christian co-workers, looking over this vast, beautiful and intelligent august body, my heart is made to abound, my spirit is given new courage, my soul is happier. For I know after looking in the faces of your Christian characters that God's work is safely entrusted into your hands; that here among you are the gospel bugglers, buggling God's message to the utmost corners of the world. Standing up like mighty oaks brave, fearless and courageously telling the world that there is only one National Baptist Convention, unincorporated of America, and that this Convention sitting in the most wonderful city of New York is by the deeds accomplished, letting the world know who and what we are and for what we stand.

We suffered a great set-back in the death of our sainted President, J. Edmund Wood, a man who had led us on to victory for a number of years, and who is now with the aid of his sainted spirit leading us on. God called him home, but he in His mighty wisdom kept J. Edmund Wood with us until we were lambs, not sheep, able to stand on our feet and go about our Master's work. Here let us pause in silent prayer, thanking God for our late President.

To prove to this world what we are, depends greatly upon the support given the one man chosen to lead us. Regardless of the man's ability to lead, he cannot make a success unless he has your support.

We must take our thoughts off "SELF" and try to find the Joshua—a Joshua that has our cause at heart, one that will front for us, plead

our cause, and will give his time, his assistance to the least one of us. When we find him let us all give him our hearty support.

Let me appeal to your better selves. Let us stop back-biting, bickering and clamoring for office. This Convention, fellow messengers, is not a political convention nor an organization of the world. We are God's chosen elect, with a mission ahead, a goal set, and a reward to work for. Not for the pitiful few dollars that we may earn, nor the man made honor which comes our way. Let us put the Convention first, last and always, feeling that beside the convention, we are naught.

Dear co-worker, let me pause to thank you, yes, each of you for your consideration, your loyalty and your hearty co-operation. I want to thank those who did not rally to us, for you played a large part in whatever success that I have made as your president. Had not you opposed me, I could not have overcome. For my pathway would have been smooth sailing. To you loyal brethren who have given me every assistance, who put your shoulder to the wheel and pushed, not to make Hurse's regime a success, but the National Baptist Convention a success. I thank you.

We have been sought to join the incorporated Convention, tactfully we have refused—refused because we knew that we are the proper convention. Our reports show that we are stronger numerically, financially and educationally. We have within our fields the only Negro owned and controlled Publishing house in the world. We are free from our white brethren, our schools are among the leading schools of this country. Let us fight to keep it so—to keep our convention on the heights where our incorporated brethren have placed us. Let us strive to continue being their star, always wanted but just out of reach. To obtain and to hold this element will require the untiring strength and support of each of you. The Convention needs it, duty demands it. May we count on you?

When we left the most exquisite city of Norfolk, Va., last year, we left behind us a record that is hard to surpass. We had an A-1 attendance, with an addition of brethren from the incorporated Convention. To day I see new faces among us. To you brethren we welcome you into our midst.

The finance of this meeting is excellent. Our Boards, various departments and individual messengers rallied as never before.

A year's program was mapped out, and to the best of my ability I have carried out the plan with your assistance. For to accomplish our aim the support of all is needed. I am delighted to say that we were not found wanting. You came to my support like twice born men. Yes, men we knew, preached and believed that there is a God, and that His work had been entrusted into our hands. For when He issued the call to

"Feed my Sheep" he was talking to us. We have not let the slackers which we find in every organization cause us to weaken.

This spirit shown is the true Christian spirit. With this we want to add honesty, courageousness, sacrifice and the feeling that each of us is an important cog in the machine. We want to say to ourselves, "If each member in our convention was just like me, what kind of convention would it be?" We not only want to ask ourselves the question but live up to its principles, for in that way we can make it the kind that it should be.

At last we are members of the World's Alliance, you know the fight our late President made to secure our membership. You know the fight that was launched against us. Therefore I am appealing to you to make it possible for this Convention to keep up its dues, to make the meetings, to love and abide with all requirements. For when the world has ceased to be we want to be found members of the Baptist World Alliance.

The Educational Board, Home Mission Board, Foreign Mission Board, Evangelical Board, Church Extension Board, B.Y.P.U. Board, Benefit Board and all other Boards, let us continue to work in peace and harmony. Always remember that you are not the convention, but an auxiliary to the convention. You could not exist if the convention saw fit to disband you. But the Convention feels that it could not properly thrive without you. We need you. Therefore I am asking that you continue giving of your best to the Master through the Convention. Your reports were excellent and we bid you God speed. We only ask you to remember the great commandment: "Love ye one another." For in doing this we believe success is yours.

To the Woman's Convention, we extend our greetings. We love this Convention, we thank you for the support, the strength, the encouragement, you have given us. We count on you at all times. Your Home and Foreign Missionary work is a credit to you. We earnestly pray for your continuance.

Our aim dear co-workers, is to baptize the world, to convert our heathens, and to make the world a better place for our being here. We want our actions, and our achievements to live long after we are forgotten.

Let us study the needs of this Convention, of our churches, educational facilities and foreign friends. Study the ways and means of bettering them. Then proceed like soldiers to battle, never looking backward but ever pressing on, looking forward to our goal. In this is our method of success.

#### RECOMMENDATIONS

1. I recommend that we sell the school property at Nashville in order that we may not become the laughing stock of the world, and throw all our educational strength to our great school in Virginia.

2. I recommend that all expense bills of the Convention be brought before the convention on Saturday, and passed on by the Board on Monday. I do believe that the people who bring the money here ought to know the going of it.

3. For 10, these many years of my connection with this religious body there has been a continuous clamor among the delegates asking for an itinerary of office. I therefore recommend the four years itinerary for the President and that he be elected every year, but not to exceed four years.

4. Owing to the extreme cold weather in January, I recommend that our winter meetings be held in the month of March prior to the fourth Lord's Day. In my opinion this will enable all of the boards to be present, and we will be able to raise some finance.

5. I recommend that for the good of the field that the Secretaries of the Foreign Mission Board, Home Mission Board, Church Extension Board and Evangelical Board give their entire time to the field. All of which I humble submit for your prayerful consideration.

#### CONCLUSION

In conclusion I want to quote this verse:

"Life is like a mountain railway,  
With an engineer that is brave,  
We will make the run successful,  
From the cradle to the grave,  
Always mindful of obstruction,  
Do your duty, never fail,  
Keep your hand upon the throttle,  
And your eye upon the rail."

When quoting that verse I always think of the sainted dead for it reminds me of their noble lives. It so wonderfully expressed their sentiments and their theme of life. For they are: J. Edmund Wood, R. H. Boyd, E. C. Morris, Wm. Beckham, Dave Over, C. T. Walker, L. Lee Campbell, George Lilae, B. F. Farrell, R. D. Phillips, Drain, Hawthorne, Cross, Marshall, Crawford, Mitchell and a host of others made the run successful, always with their hands on the throttle, making a brave and courageous run; giving this old world great institutions, organizations, religious education and the one and only Negro Baptist Publishing House owned and controlled by Negroes in the world and this great Convention unincorporated.

Yes to you great men who imitated the wonderful Son of God in giving your lives for the cause, we bow in memory. We honor your greatness. We are striving to, in this the Fiftieth Anniversary of our great Convention to leave a record that you could be proud of, that the world

is proud of, and we are proud of; we are leaving the city and the Convention with you in our minds; with your immediate lives before us; with the determination to push onward and departing, leave behind us footprints on the sands of time.

#### CORRESPONDING SECRETARY'S REPORT

Immediately after the close of the Norfolk session of the Convention, I began a correspondent campaign in the interest of this convention and consulted a few of the Eastern Railroad officials, requesting that they cause the summer tourist rate to apply S. E. South and S. W. not only at gateways but at principal cities in order that our delegations could use these if they should find them profitable. In November the lamented Dr. J. E. Wood wrote me his health would not allow him to do any traveling, and asked that I make the S. W. and S. E. visits for him, extended me a call to its ministry, while I was being installed, the \$51.50. In the meantime the great Friendship Baptist church, Chicago, Ill., extended me a call to its ministry while I was being installed, the news flashed to us the Death Angel had visited Danville, Kentucky and carried our leader home for his final reward, he had already ordered me to call the Executive Board to meet at St. Louis, Mo., at a cost of \$31.20 for 800 letters. His death made it necessary for me to notify the country, Dr. Henry A. Boyd joined me in getting this news to our brethren and announcing his funeral date. However I sent telegrams to leaders of the following states: Florida, Tennessee, Oklahoma, Kentucky, Virginia, Alabama, Pennsylvania, Arizona, Michigan, California, Ohio, Missouri, Texas, Arkansas, Louisiana, Georgia, and Colorado. At cost of \$41.20 and long distance phone calls at \$25.25 (See bill, Ex. A). A large number of our National Leaders attended our president's funeral, his body was laid peacefully to rest at his home city in Danville, Kentucky, December 20, 1929.

A voluntary conference was held by a few leaders as they returned home, they decided to ask Dr. Boyd to take the lead in trying to save the National Baptist Seminary at Nashville, until this meeting. As soon as I could get back to Chicago and strengthen a few pressing matters I went to Kansas City, Mo., to hold a conference with the new President, Dr. J. W. Hulse, he suggested that I issue another call for the National Boards, both commissions and other leaders and promised he would do all he could to pay for the regular call. I managed to get the money and made this second call, for January 23, 1930 for detail minutes of this board see (recording secretary's book). The 1200 letters cost of this call was \$43.90 paid \$16.50 balance due \$27.40 among other things the board held rallies for Home Missions, raised \$90.00, Foreign Missions raised \$235.50, Education raised \$50.00 and pledged

\$1950.50 which was to be sent to Dr. H. A. Boyd if sent him he would see that the National property be kept within our reach to this meeting, World's Baptist Alliance dues \$50.00.

2nd.—The World's Exposition Committee did not meet us in St. Louis nor the committee on the Virginia Seminary at Lynchburg. Dr. Hall made the trip to Virginia Seminary alone. (See his report) Ex. B.

3rd.—The Executive Board ordered the commission on the Fifty Year Golden Jubilee enlarged so leaders from all points may help, including the women who are connected with our convention. The commission organized themselves by electing Dr. G. L. Prince of Denver, Colorado as director, Dr. S. S. Jones, Secretary and Dr. Henry A. Boyd, publicity manager.

4th.—The board approved of a national transportation committee hoping they would be of some help to the brotherhood generally. Total amount raised at this board \$212.00.

The sub zero weather prevented many of the National leaders attending, this doubled and trebled our work of letter writing, trying to keep the leaders thinking together and too, the Golden Jubilee Commission work was pressing for attention, this caused us to send out hundreds of letters every few weeks (see Golden Jubilee Commission report.) (See Ex. C.) The reported number who passed from labor to reward is as follows. (See Ex. D.). Office expense \$95.25, for this week alone. The last Executive Board was held in Chicago, Illinois, during the Sunday School Congress, no appeal was made, no money raised. The program for this session was made and approved, the corresponding secretary's report was adopted. The amounts of money sent to this office for our dues in the World's Baptist Alliance are as follows: (See Ex. E.) Due \$552.50, \$5.00 amount of monies collected for Golden Jubilee Certificates (See Ex. F. Golden Jubilee report.)

Finally I call attention to the Telegram this convention received from the incorporated National Baptist asking for a commission to meet a like commission to consider uniting all the Negro Baptists into one fellowship. This convention in reply to them, we look upon this with favor and would set a time to consider same, this has not been done.

#### NEGRO BAPTIST CHURCHES NOT LOSING.

According to the Department of Commerce Bureau Census of the U. S. Government, year ending with 1929 released to the press, shows an increase of the membership of many of the Christian churches of this country and the increase last year is not as great as the year before, the records show a gain of the membership of the Methodist 2,440, and is the first report on them since the Civil War. Methodist Episcopal lost 25,000, the Methodist so had a substantial gain and the Roman Catholic church had a gain of about 77,307 but in 1928 they had a gain of 350,353.

15 groups of Baptist churches had a gain of 53,333 per cent. There is no mistake about these figures, the churches are gaining, the Baptists are gaining every year, it is hard to tell how many Baptist or how many Baptist churches are in our connection as many of the Baptist churches will not report to any one at any time nor will they register any where where so they may be counted.

The following are incomplete statistics of communicants in the U. S.	
3 Bodies of Catholics	17,297,147 Gain 84,303
16 Bodies of Methodists	9,162,240 Gain 2,400
15 Bodies of Baptists	9,141,856 Gain 53,333
9 Bodies of Pres	2,998,132 Gain 58,785
10 Bodies Oriental Catholics	749,125 Gain 13,800
5 Bodies 7 D. Adventists	159,731 Gain 5,099
10 Bodies Other Bodies	8,301,837
Total Communicants	46,810,164
	Total Gain 217,760

The churches are not losing we are gaining, so march on.

Adopted at N. Y., Sept. 13, 1930.

All of accounts herewith have been submitted to the auditor and O.K'd, hence I ask that the same be paid. Yours in hope of eternal life, S. S. Jones, 218 N. Ada St., Chicago.

In the first executive board, January, 1930, the board enlarged the commission by adding a large number of leaders including many women from our Women's Convention. The commission met amid the execution and organized by election Dr. G. L. Prince of Denver, Colo., Dr. S. S. Jones of Chicago, and Dr. H. A. Boyd of Nashville, as chairman, Secretary and publicity manager respectively.

The following plans were agreed upon:

1. To have the state leaders name a number of leaders in each state as commissioners.
2. To have Golden Jubilee Commission Certificates printed in gold for each Commissioner and deliver to him.
3. To have Golden Jubilee Badges made to be sold by Commissioner.
4. To ask each Board of the National Convention to cooperate with the Commission in making the New York session a record breaker.
5. All money collected by any Commissioner must be sent to the Secretary of the Commission.

## CORRESPONDING SECRETARY'S REPORT FOR THE YEAR ENDING JULY 31, 1930

To the Officers and Members of the National Baptist Convention of the U. S. A. Christian Greetings:

We miss the face of our President, Dr. Wood, but we thank God for spiritual unity.

I beg to herewith submit my annual report and the report of the Executive Board of this Convention. It would be entirely out of line if I did not in some way express my very high appreciation and thanks to you for conferring upon me the high honor of holding this office, brethren I see much about me to give thanks for and if I know my heart I am thankful to be here.

While my success with this office during the year has not been all I desire nor hoped for still I can say that I have been able to keep the records and the work going.

God has given us a broad field in which to labor reaching from the Atlantic to the Pacific and from the icy peaks of the North to the hot sands of the South, not only so but over yonder in the Isle of the seas, yea, all the world. Just a glimpse will convince the most skeptical mind "there remaineth much land to be possessed" much work for this convention to do, this convention is just about a little over half organ-

ized, some of our Boards seem to be playing with the work entrusted to them.

One of the objects of this convention in its annual meeting should be to strengthen the weak places in our fortification in order that this mighty army could make united efforts in giving directions. I note with pride that the rainbow of hope is still beaming from the brow of our constituents, and the ensign of prosperity is prominent in their frontlets.

So we are here today to relate our experiences and express our sentiments, to preach, sing, and pray in hope to inspire each other and arouse in one another a greater educational and missionary activities, that our educational institutions and missionary endeavors might be successfully operated.

Now in justice to the cause we represent I must again say to you the proper relation of our Boards' one to another and to this convention is not existing. And too, I am to remind you enough time is not given in the discussions of the objects of the essential Boards.

This convention is the parent body of all Baptist organizations in the U. S. A., who do business under her banner or in her name, the Boards are but creatures, (or should be). Therefore the convention is or should be indirectly responsible for the debts of all of its Boards and should propose to be no stronger than the weakest board connected with it. This convention should be the clearing house for all of the Boards. Not only so but this convention should be the incubator for educational, publication and missionary and even evangelical endeavors. The people as a whole will never rally fully to the support of any of the boards until they are enlightened as to the working of the boards which we wish them to help, first handed information is what many of the state leaders are telling your secretary they want. And the boards who have that part of this convention work in hands which is essential to this convention's existence should be given more time to educate the constituency up to their ideas.

The records of this convention should be made to show the numerical strength of the denomination, show the property we own, both real and personal, show where it is located, what board holds it in trust, its value, its liability, when said liabilities are due, the insurance policies therefore, and to whom these policies are made payable to in case of loss by fire or otherwise, also the Baptist position on all denominational questions of national or world-wide importance. All of these things and others prepared to bring to the attention of the business and professional philanthropists of this country should be kept at fingers' tips in a well bound book and open to the inspection of all who may wish information touching these things.

The convention through the Executive Board ordered the Corre-

sponding Secretaries of the various boards to communicate with your secretary when they proposed to launch a campaign. I am sorry to report to you that none of the boards obeyed this order except the Home Mission Board.

### REPORT

Brother President, Sisters and Brothers of the National Baptist Convention of America. I come to you at the close of another year to report the condition in which I found the books of the boards of your Convention. I am indeed pleased to report that although we bring you this report, allowances must be made for the extreme quiet times which the most of the chairmen of boards have and are experiencing.

However we have audited the books of the Publishing Board and found them correct. Our secretary, Dr. H. A. Boyd was out of town but had the bookkeeper and his private secretary well instructed to turn over to me all books and accounts that were to be audited by me, which they seemed delighted to do. Let me say that it is remarkable that the secretary is able to keep the doors of the Publishing House open, especially when we are requiring him to make bricks without straw. There are not quite so many worthless checks, but you have made your orders smaller. And yet I think there are about as many orders this year as there were last year.

Next we audited the books of the Home Mission Board, whose secretary is Rev. Mr. Ira Hendon. We found that his books were correctly kept and that he had complied with that part of your constitution which provides that your individual auditor first audit the books, and then turn them over to the general auditor. We audited the books of the Women's National Baptist Convention auxiliary to the National Baptist Convention. Because of sickness of the Secretary and bookkeeper, I was not able to get the possession of all the vouchers and cancelled checks, but what I did get and the observation I made of the books, they were all correct.

Dr. S. S. Jones and Dr. Banks both sent me their reports, and I went over them carefully, but did not audit them, and could not because those reports were not accompanied with cancelled checks and vouchers.

Dr. E. H. Branch sent me his report also, but did not send me his book that it might be audited.

The following have not been audited: The foreign Mission Board's books, Trustees of the National Baptist Seminary and really you have no seminary, Educational Board, Church Extension, neither the Lott Carey Convention's books. The Laymen's League and B. Y. P. U. boards books were audited along with the Publishing House books, nor the Evangelical board.

REV. J. B. BECKHAM, D. D., Auditor.

PROCEEDINGS OF THE NATIONAL  
REPORT OF CORRESPONDING SECRETARY OF THE EDUCATIONAL BOARD TO THE GOLDEN JUBILEE SESSION  
OF THE NATIONAL BAPTIST CONVENTION  
OF AMERICA

In Session at Salem M. E. Church, New York City, Sept. 10-15, 1930

To the Chairman of the Educational Board, Officers, Members and Friends of the National Baptist Convention of America, Ladies and Gentlemen:

Two scores and ten years ago, our forefathers, having but recently emerged from a period of two hundred and fifty years of involuntary servitude, and still bearing upon their wrists the crimson scars made by the galling chains of slavery, assembled around the council table in an humble little church in Montgomery, Alabama, and there brought forth upon this continent, a new organization, dedicated to the proposition that Negro Baptists are, and of right ought to be free and fully capable of projecting, organizing, maintaining and controlling their own religious, educational and commercial institutions.

Until the fertile brain of our forefathers evolved the idea of coordinating, amalgamating and federating the various lesser bodies of Negro Baptists into one gigantic denominational effort, nothing quite so stupendous in its territorial ramifications; nothing quite so universal in its influence for good; nothing so potential in its possibilities for moulding racial consciousness and denominational solidarity had ever dared project itself into the mind of the most fanciful dreamer. But when those old patriarchs sat around the council table a half century ago, they gave to the world an organization built upon the hope, the faith, the trust and confidence that Negro Baptists had in the ability of the race to extricate itself from the mudsills of American civilization into which it had gradually degenerated through two and a half centuries of involuntary servitude.

Fifty years have come and gone, and today finds us gathered here within the walls of this magnificent structure, offering as living testimonies, ourselves and such exhibits as we have accumulated during the past, to prove whether or not, any organization so conceived, so constructed and so dedicated can long endure.

And now, may we venture the hope that those who are not thoroughly acquainted with the development of Negro Baptist affairs, will not mistake the enthusiasm with which we are celebrating this fiftieth anniversary of the National Baptist Convention, as being a celebration of the fiftieth year of organized effort among Baptists of our race. For, be it remembered that fifty years before the National Baptist Convention came into existence, plans were in the making for the organizing

of the Providence Baptist Association of Ohio. And a half century before that time the first colored Baptist church in America was brought into existence.

That we may be chronologically correct in the matter of the development of early church activities among Baptists of color, we beg to remind you of the fact that just three years after Crispus Attucks, on Boston Commons, had poured out his heart blood upon the altar of American Independence, a little group of Negro Baptists assembled at Silver Bluff, just across the river from Augusta, Ga., and there brought into existence the first church organized by and for Negroes on the American Continent.

In the year 1776, when the framers of the Declaration of Independence were declaring that "These United Colonies are and of right ought to be free and independent states," a little congregation of baptized believers in Jesus Christ, was assembling themselves in Petersburg, Virginia, where they organized the Harrison Street Baptist Church, which is the only organization among Negroes whose chronological Genesis and recorded years of continuity run parallel with that of the United States of America.

In 1780, just one year before Cornwallis surrendered to Washington at York town, another congregation of baptized believers assembled at Richmond, Virginia and there formed the first Baptist Church of that city, which today, is one of the most vigorous and progressive churches in the Old Dominion. Five years later, came the First Baptist Church of Williamsburg, Virginia. This was followed in 1788 by the organization of the First Baptist Church of Savannah, Georgia, which came into existence at the time when the Constitution of the United States was being adopted and George Washington was being selected as the first President of this American Republic.

When we recall the fact that the foundation of our Denominational work was laid away back in those days when the atmosphere was saturated and pregnant with the spirit of Revolution and Independence, it should not seem strange to any one that after standing firmly for "One Lord, One Faith and One Baptism," the next and most important plank in our denominational program is "utter and complete independence of all ecclesiastical, political, civic or legal authority and influence.

But in the early period of the organization of Baptist churches among our race, many congregations were organized, directed and supervised by our white Baptist brethren. Because of the altruistic, magnanimous and beneficent spirit shown by these white Baptists, it was a very easy matter to have many of the colored members of these early churches believe, that next to sinning against the Holy Ghost, the

worse possible sin that they could commit would be to show to these white Baptist brethren that Negro Baptists had a desire to run and control their own religious affairs.

But there was still another group in whose heart and soul burned the spirit of utter independence in all matters in which Negro Baptists were concerned.

Thus it can be seen that at an early period of our development two separate and distinct schools of thought were developed among Baptists of our race. Simultaneously with the ending of the Civil War, the Home Mission Board of the Northern Baptist (white) entered the south and started the establishing of those educational institutions that have meant so much in the Educational advancement of our Race. Foremost among these institutions were Morehouse College and Spelman Seminary, Atlanta, Ga.; Leland University, New Orleans, La.; Shaw University, Raleigh, North Carolina; Benedict College, Columbia, South Carolina; Roger Williams University, Nashville, Tennessee (now combined with Howe Institute, Memphis); Bishop College, Marshall, Texas; Jackson College, Jackson, Mississippi; Virginia Union Seminary, Richmond, Virginia and Storer College at Harpers Ferry.

Aside from the above mentioned schools, the American Baptist Home Mission Board has extended substantial aid and assistance to Arkansas Baptist College, Little Rock; Selma University, Selma, Alabama; Houston College, Houston, Texas and a number of other schools doing preparatory work.

Negro Baptists are and of right ought to be eternally grateful to the Home Mission Board for the establishing and maintenance of these Educational institutions in the southland. But we must not lose sight of the fact that out of the small earnings of their constituents, the pastors and churches with their auxiliaries, the Associations and Moderators with their auxiliaries, and the State Associations or Conventions with their presidents and auxiliaries, kept a constant stream of donations flowing into the treasuries of these institutions. And while we know that we have no legal equity in these institutions, we do feel that at least a MORAL equity is ours by reason of the financial and moral support which we have contributed.

By reason of this support, in many instances we were given the right to have members of our race on the trustee boards as well as on the faculties of Educational institutions located in the various states. By this means we were able to obtain some practical information and experience in establishing, maintaining and controlling of Educational institutions of our own. As a result of this experience it was not long before the idea of owning and controlling our own schools began to spread from state to state.

Taken alphabetically by states the records show that the first school of importance established in Alabama was the Alabama Baptist Normal and Theological School which was founded at Selma, in 1873. In 1880 this school was adopted by the American Home Mission Board and its name changed to Selma University, but controlling power remained in the Alabama Baptist State Convention. Following Selma came the Baptist Industrial Academy at Monroeville, Livingston College at Livingston, Marion Academy at Marion, North Alabama Academy at Courtland; Union Springs Normal at Union Springs; Union Central College at Birmingham and other institutions that have given a group of trained Christian workers of which we may justly feel proud.

Arkansas started out with the Arkansas Baptist College located at Little Rock, and today scattered over that state will be found Arkadelphia Academy at Arkadelphia; Interstate Academy at Helena; Emanuel Institute at Almyra; South East Baptist Academy at Dermott; White River Academy at Brinkley; Wynn Normal at Wynne and the Union Agricultural College at Little Rock, founded in 1915 by Dr. J. P. Robinson, owning 78 acres of land, six buildings and other accessories worth more than \$50,000, all free from debt.

Florida, with its Florida Normal School at St. Augustine and the Florida College at Live Oak, has played no small part in the preparation of men and women for more efficient service as Christian workers.

Morehouse College was the nucleus around which the educational efforts of Negro Baptists of Georgia were organized. Americus Institute at Americus, Chattahoochee Institute at Fort Gaines, Jewel Baptist Academy at Athens; Negro Normal Institute at Social Center; Pilgrim Baptist School at Guyton; Rome High and Industrial School at Rome; Twin City Seminary at McRae; Walker Baptist Institute, Augusta and Washington Institute, Sandersville are some of the Baptist schools of which we boast in the state of Georgia.

Kentucky Baptists started out in 1873 by establishing what was then called the Kentucky Normal and Theological Institute; eleven years later the name of this institution was changed to the Baptist State University; nine years later, it was again changed to its present name of Simmons University. Aside from this wonderful institution there are today at least six other schools of record that are doing their bit to give to Kentucky a more thoroughly trained Baptist constituency.

Louisiana got its educational inspiration from Leland University at New Orleans. As a result of the fire kindled here, the Fourth District Association was able to establish the Baton Rouge Academy, at Baton Rouge, while other district associations were establishing Israel College at Bel Alliance, Bunkie Academy at Bunkie, Coleman College at Gibsland, East Carroll Baptist Academy, Lake Providence; Lege at Gibsland, East Carroll Baptist Academy, Lake Providence; Houma Academy, Houma; Howe Institute, New Iberia; Louisiana Col-

legiate Institute, Shreveport; Seventh District Academy, Opelousas (later moved to Crowley); Chaneyville Academy, Chaneyville; Leland Academy, Donaldsonville (later moved to Port Barrow); Minden Academy at Minden; Monroe Baptist Academy at Monroe were among the schools that have helped in a great way to shape the educational destiny of our race in this state.

Jackson College, located at Jackson, Mississippi, is the germ from which the educational work among Negro Baptists of that state sprang into being and as a result, today, Mississippi boasts of Baptist Normal and Industrial Institute at Holly Springs; Baptist Normal Institute at Friar's Point; Central Mississippi College at Kosciusko, Baptist Seminary at Meridian, Mound Bayou Industrial College at Mound Bayou, Ministerial Institute at West Point, Natchez College, Natchez and Sardis Industrial College, located at Sardis.

In the state of Maryland, Clayton Williams Institute was established as the outstanding Negro Baptist School of that state.

In recent years, Baptists of New Jersey have established what is now known as Northern University, located at Long Branch. This institution is located on and is now purchasing one of the finest pieces of property in that state.

In North Carolina, Shaw University gave the impetus which resulted in the establishing of Albemarle Training School at Edenton, Colored Training and Industrial School at Faison, Bettie Academy at Kinston, Pee Dee College at Hamlet, Rich Square, Institute, Rich Square, Roanoke College, Elizabeth City; Thompson Institute, Lumberton; Hertford Training School, Winton, Tar River Industrial Institute at Greenville, Western Union Academy, Rutherford, and Baptist College at Kenly.

From the establishment of Benedict College at Columbia, South Carolina, has grown Morris College at Sumter, Friendship Normal, Rock Hill; Kendall Institute, Sumter; Martha Industrial School at Beauford and Seneca Institute at Seneca.

Beginning with Roger Williams, Tennessee was able to establish Howe Institute at Memphis, Nelson Merry College, Jefferson City; Clarksville Normal, Clarksville; and our own Theological and Training Seminary at Nashville.

In Texas, after the establishment of Bishop College at Marshall, came Gaudalope College at Seguin, Central Texas College at Waco, Texas College at Tyler, Conroe College at Conroe, Brenham Normal at Brenham, Beaumont Normal at Beaumont, St. John Institute at Austin and North Texas College at Denison.

After the establishing in Virginia of Virginia Union Seminary at Richmond came Virginia Seminary at Lynchburg, Bluestone-Harmony Industrial School at Keyville, Northern Neck Academy at Ivandale, Pennsylvania Academy at Chatham, Rappahannock Institute at Ozeanna and Tidewater Institute at Cherrytown.

Storer College at Harpers Ferry and West Virginia College at Red Star are the Baptist schools that we have in the State of Virginia. The last available report of the schools of our denomination was as follows:

State	Schools	Teacher	Students	Income
Alabama	7	56	1854	\$ 59,801
Arkansas	8	41	740	41,500
Georgia	12	115	2738	145,435

In pursuing the records pertaining to the organization of our Educational Board we find that the first Corresponding Secretary was the late Dr. Bishop Johnson, who was elected in 1891. It was under his administration that the Educational Board became a chartered institution. Several secretaries were elected between that time and the year 1915, when the late C. J. W. Boyd became secretary, with Dr. G. L. Prince, chairman. Following Dr. Boyd came Secretary G. A. Long who was succeeded by your humble servant.

Throughout all the years, your Board has stood unwaveringly for One Lord, One Faith and One Baptism, but it has been no less loyal to the principles of Negro ownership, Negro control of Negro schools, Negro Churches and Negro commercial institutions. We are not unmindful of the fact that it was because of the unwavering loyalty to these principles that the luster of immortality has been added to the names of R. H. Boyd, William Beckham, L. L. Campbell and a host of other illustrious characters both living and dead. This the school of thought that permeates the very heart and soul of every loyal pastor, every loyal church, every loyal Association and every loyal Convention which forms a part of the constituency of this Convention assembled

here today. It was our loyalty to these principles that enabled us to withstand the wiles and onslaughts that were made against us in 1913; it was our loyalty to these principles that enabled our Publishing Board to win a favorable verdict in the courts of Tennessee; it was and is our loyalty to these principles that has made of the National Baptist Publishing Board the greatest institution of its kind in the world. That our unswerving loyalty to these principles has enabled the Negro to make unparalleled strides toward the meridian of the highest and best achievements no student of history will deny. But while he has shaken the dews of a dark and benighted night from his locks, and helped to burst the chains of his own enslavement, so that he now stands with his face to the rising sun; new environments and stronger barriers, almost insurmountable are being constantly hurled across his pathway to contest his right to live among a people, whose traditions, language, institutions, and laws are all against him. What ever sympathy he enjoyed in the morning of his sympathy is now passed away like the mists of the mountaintop before the rising sun; whatever friends stood in his way and battled for his betterment, with voice and purse and pen have disappeared from the arena of public life and usefulness leaving him without sentiment, to make sentiment; without law, to create law for himself; without a voice, that he may become his own voice crying in the wilderness of American prejudice for the right to live and move and have his being, not as a slave, not as a criminal, not as a moral leper, but as an American citizen. In spite of the hardships and obstacles that we have had to overcome during the past 50 years we are by no means discouraged but we are ever mindful of the fact that

The man that wins is the average man,  
Not built on any particular plan,  
Not blessed with any particular luck  
But grim and steady and full of pluck.

When asked a question, he does not guess,  
He knows, and answers, no or yes.  
When given a task the rest can't do  
He bends and buckles and puts it through.

Three things he's learned, that the man who tries  
Finds favor in his employer's eyes  
That it pays to know more than one thing well,  
But all he knows, it pays not to tell.

The man who wins is the man who works  
Who neither labor nor duty shirks,  
He uses his head, his hands, his eyes,  
The man who wins is the man who tries.

## RECOMMENDATIONS

1. We recommend that the convention make every effort to increase its financial and moral support of the Virginia Seminary at Lynchburg, and that we co-operate with President Johns and the trustees in every way possible, in trying to aid them in the reduction of the debts of that institution.

2. Since the corresponding secretary of the Board is asked to go on the field to raise funds for our Educational work, we recommend that he give to the secretary of the Convention a surety bond of \$5,000.

3. Since the late Dr. J. E. Wood was a member of the Trustee Board of the Women's Training School at Washington, D. C., and since the charter of that institution is of such that all Baptists regardless of Convention affiliation can without in any way jeopardizing the principles for which they stand, give aid and assistance to that school, we recommend that this convention endorse some one to fill the place of Dr. Wood as Trustee of the school and that we make an effort to give to the institution whatever aid and assistance we can, without in any way obligating this convention.

### REPORT OF THE SECRETARY OF NEW YORK STATE BAPTIST ASSOCIATION, AFFILIATED WITH THE NATIONAL BAPTIST CONVENTION OF AMERICA, HELD AT SALEM CHURCH, NEW YORK CITY, SEPTEMBER 10-15, 1930.

To the President, Officers and Representatives, of the Golden Jubilee Session of the National Baptist Convention of America, held at Salem M. E. Church, New York City, September 10-15, 1930.

Dear Co-Workers and Christian Friends:

Great was the satisfaction, when the votes were counted in Norfolk, Virginia, last September, and it was announced that the Convention would meet with the New York State Baptist Association in 1930. How fortunate, and blessed are we to entertain the Convention in the most important session in its history, "The Golden Jubilee." This is truly a year of rejoicing.

Our mouths are filled with laughter, and our tongues with singing, as we shout, "The Lord hath done great things for us, whereof we are glad."

Our existence is dependent on a succession of changes, which are taking place at every moment, over which we have no power; but the necessity of the existence, and the superintending power of the Deity.

It is He that stilleth the noise of the seas, the noise of their waves, and the tumult of the people. The Lord reigneth, let the earth rejoice, let the multitude of the isles be glad. Clouds and darkness are round about Him; righteousness and judgment are the habitation of His throne.

This Year of Jubilee for our Convention, is a period of devotional rejoicings. The more we exercise the feeling of devotion, of love, of gratitude, and of submission towards God, the more profound pervading, intense, and habitual will these feelings become.

It is one thing to be an admirer of devotion, and another thing to be really devout. It becomes us, therefore, to cultivate these feelings, by actual exercise towards God, the very tempers of mind, indicated by our circumstances, and our progressive knowledge. Thus, submission to His will, thankfulness for His mercies, trust in His Providence, reliance on His power, and sorrow for our disobedience, should be, not the occasional exercise, but the established habit of our souls.

Fellow-workers: Let us subject our will to the will of Jehovah, and our whole course of conduct regulated by His commands, then the more ardent will be our devotion, and the more filial shall be our temper, from which our actions proceed.

May the Omnipotent hold the reins in this Jubilee Session, and direct all things in His own way; then, and only then we will be able to begin the fifty-first year by work and prayer, that the people may look beyond all interventions, and face to face with Him who was dead, and is alive forever more, and shall return to claim His own.

We have brought to this Convention as Enrollment fee \$100.00.

Respectfully submitted,

G. E. STEWART, Corresponding Secretary,  
252 W. 131st Street, N. Y. C.
