HISTORICAL REFERENCE

April 5, 1886, an open letter to the Baptist Clergy and laymen was issued by the Rev. Wm. J. Simmons in the American Baptist asking if we should have a National Baptist Convention to discuss questions of interest to our beloved denomination. At that time the following reasons were given.

1. To promote personal piety, sociability, and a better knowledge of each other.
2. To be able to have an understanding as to the great ends to be reached by the Denomination.
3. To encourage our literary men and women and to promote the interest of Baptist literature.
4. To discuss questions pertaining to especially the religious educational, industrial and social interest of our people.
5. To give an opportunity for the best thinkers and writers to be heard.
6. That, united, we may be more powerful for good and strengthen our pride in the Denomination.

Having been solicited to write the call by many whose names and endorsement are hereunto affixed, the call is hereby made by their advice and solicitations for said Convention to meet in St. Louis, Missouri, August 25, 1886, 10:00 o'clock a.m. in the First Baptist Church, and the pastor thereof is hereby requested to serve as a Committee of Arrangement with power to select his associates. Wm. H. Seward, Louisville, Ky., and Rev. A. H. Cole, 2066 Goode Avenue, St. Louis, are hereby requested to serve as a committee on transportation.

Wm. J. SIMMONS

The Chronological report in our National Baptist Committee is hereby corrected, viz.: The parties as they appear below were officers of the Foreign Mission or National Educational Convention as were their predecessors. Said Convention merged into the National Baptist Convention in 1886 or met jointly with it, or otherwise.

NOTE: Articles—6-8 At the Executive Board in Phoenix, Arizona. Adopted by standing vote.

Brother President, Officers and Members, with deep concern and prayerful consideration and a firm belief in our living Christ and Lord and further believing that there is a more beneficial way of remembering the Saints of God than naming an organization of our living Lord after a finite creature, I suggest that we give careful and prayerful consideration to the Following: That Article 10, Section 1, as recommended by a special Committee on Constitution September 6, 1968, will read as follows under Auxiliaries:

- 1. There shall be a Senior Woman's Auxiliary #1;

- All Auxiliaries of the National Baptist Convention of America.

If Section 1, Article 10 is accepted, I suggest Article 9, Section 10 that it be resolved that paragraph 2 under Foreign Mission read thus: That a special day be adopted by this Convention dedicated for Foreign Mission in honor of and be known as the M. A. B. Fuller Day.

Brother President, this is suggested in honor of the great work Mrs. M. A. B. Fuller has done in the Missionary cause and that a special offering should be sent under your designation either to the Convention Treasurer or the Foreign Mission Board in perpetuating the efforts made by her.

On the M. A. B. Fuller Day a special offering across this Nation should and could be taken and forwarded under your designation.

These recommendations are offered after much prayerful thought and I hope will find sympathetic consideration.

Yours sure of Eternal Life,
Dr. P. S. Wilkinson

Greetings

By the Eternal purpose of Him who has all eternity in his hand, we have been allowed to come face to face here in the 90th session of this our Convention. Since we met last year in St. Petersburg, Fla. the Sunshine City, the flower garden of America, with the Mt Zion Progressive Baptist Church, Dr. L. S. McCree host Pastor, at the Bay Front Center, many have been our experiences and therefore today they have been compiled in the likeness of another segment in the history-making of many of our brothers and sisters who walked with us in 1969. If they were called today they would refuse to answer. In all of this we do remember that we are the creatures of the Creator of all persons and things.

BAPTIST WORLD ALLIANCE

Just a few weeks ago during the month of July, many of us were sent and many went on their own to Tokyo, Japan. This was a great experience for everyone who made the trip. We come today to say thank you for having made it possible for our Convention to have been represented in such fine numbers. I say again we must stand together as a body, so much so if we find it necessary to go to the left or right, we must need be together. During our voyage some of our experiences were good and some not so good, but if we stay together we can and will be respected more by any power that may be in business. Our Convention gave us an opportunity to select an agency to work through, and this was done. As your president, if there were those who didn't get your money's worth, you may be assured you have my deepest concern and at all times I am waiting to help in all matters pertaining to our Convention to help make it right.

I am most grateful to the Lord for having each of you as a leader in this Convention. It is without saying, had it not been for you and your support we would not have the type of Convention that we have today. It is not all in its monetary values, instead, when Christians can meet together in Christian unity and have fellowship one with the other and bring and give inspiration; togetherness in programs, prayers, are among the many things we need today. We need to study ways and means how we may expand the program of Christ in evangelism and training, that we may be and become the true picture of Christ our Lord. This can be done best when each of us as a Christian will give ourselves totally committed to Christ in service wherever we may be.

We can only do for Christ and his work in proportion as we envision the need and join hands to help. Anybody can talk about the program and its needs, but it is another thing to find men and women to do some of what they are talking about. There are some people in each group present here today who feel they could and would do a better job than anyone of us in leadership, but he never has anything to offer while someone else is leading but talk.

OUR CONVENTION'S WORK

It is to be remembered that this Convention and its work is not James Carl Sams' Convention and work, but in every respect it is Christ's work through this Convention. I am only one among the many of you who believe this and are striving daily to help the purpose of God to find its fulfillment through us.

We admit that there are some seven or eight segments here among us as auxiliaries, but there is only one Convention. Also some seven or eight boards, but only one Convention. In preparing this address I made an attempt to count the departments and boards. You will find according to the records that we have fifteen, but there is only one Convention. By the same token we will need to stop somewhere a while and take a look at the many departments; for if we are not careful, we will have fifteen different conventions unless there is a unity in everyone of you as a leader of these departments. That is, willing to take orders for the Convention from its constitutional basis. You can never hope to be an asset but instead you will become a liability. We must never hope to make our Convention little or small. Example of one of our mayors welcoming a group of A.M.E.B.: I was invited to bring words of welcome to an AME Conference. The Mayor of our city was also to bring welcome. There was the presiding Bishop and some three out-of-state Bishops in attendance. In the pews were hundreds of pastors from every section. All were wearing round collars. So, the Mayor gave honor to the presiding Bishop whom he knew, and looked with amazement and said, "to all you Bishops, I don't think I have seen so many Bishops in all the days of my life." We Baptists must watch this all the way from our local churches, districts, states, and general associations; by the time you get to the top most of the essence may be gone.

BOARDS AND AUXILIARIES

We are making progress through the most of our departments. The only way to do this is through love and unity. No preacher can do the job in the church that the Holy Spirit has made him overseer by trying to be a "boss man." One cannot argue his way to success. It makes no difference who he is. Every board must study to know its work, and do it. You can't do your job and your brother's at the same time to save your life.

I come today standing before you for my third Annual message. I thank you again from the depths of my heart for having given me the opportunity to share the leadership of this great national body; one of which many men covet, some who are asleep and many who are still alive. Believe me brethren there is nothing wrong with anyone who aspires for a position in leadership; for any man who doesn't have an inspiration to go higher than where he is, might find himself to have poor vision. But at the same time one will need to use common sense about the position he desires; for there are two or three questions he may need ask himself: (1) What am I doing with what I have? (2) What would be my attitude toward others? (3) Where could God find me when he was ready for me?

Oh my brothers and sisters there are many people in all churches and conventions who wish so many of us would take our leave so they could take our places, but ever keep in mind while you wish someone else would move on and out, there is someone behind your door wishing you would move on and out. I am only trying to say thank you! It is not a question of how long one serves, but how well! But I am forced again to say as long as I am president, I will be president.

I trust you understand when a convention elects a president, it is similar to a church electing a pastor. He is to give oversight. He can't do well trying to be superintendent, caretaker, president of the brotherhood, or choir. In all of these he is to give leadership, but he has to have help. Let everyone just be one. Let the church be the church. Many members, but one body in Christ Jesus.

THE NEED OF EACH DEPARTMENT

We need men and women who have vision, patience, love, and concern for the Cause and others. I am not sure many of us have come to know some of the things that some of us know. You don't have to move in fear, talking about "I got to look out for myself when I am old and worn out nobody will be concerned about me," or "These young people will never know what I have put in this thing."

God's way for everyone of us is already fixed. I hear the prophet of my Bible saying, National Baptist, I once was young, now I am old, but I have never seen the righteous forsaken nor his seed begging bread. If you spend your life for God in your youth or young life, he will not put you on the begging list when you grow old. Our times demands from each of us adventuring faith, the type that moves not knowing where you are going. Pull up stumps, move mountains, scoop out valleys, keep moving. It matters not how long the journey. Keep walking—all he has for me is in the way.

THE MESSAGE TO THE CHURCH

"And Isaac spake unto Abraham his father, and said, My father: and he said, Here am I, my son. And he said, Behold the fire and the wood: but where is the lamb for a burnt offering? And Abraham said, My son, God will provide himself a lamb for a burnt offering: so they went both of them together."

This is the need for our time. We need to go up together. Togetherness is our great need. Both went up together facing death itself, but they went together. We are forced to cry, but we ought to cry together. Often we find broken planks in the bridge, but we need to walk together. Walk without fear and unity. Faith is the railroad track on which the train brings the cargo in for the soul. The ship that masters the bosom of the mad waters of the oceanway loaded with goods for the soul, and will be delivered at the port of Promise by the keeper of all things, and persons.

(Selection: "Be Not Dismayed, God Will Take Care of You")

No. 268—Christian Service Songs

In God's own time He provided for himself a lamb. He touch Isaiah 53:7 about 750 years before his coming: "He was oppressed and he was afflicted, yet he open not his mouth: he was brought as a lamb to the slaughter; and as a sheep before her shearers is dumb, so he opened not his mouth."

ANNUAL REPORT OF THE

COMMISSION ON CHAPLAINS AND ARMED FORCES PERSONNEL FOR THE NATIONAL BAPTIST CONVENTION OF AMERICA

Brother President, Officers Members and Visitors:

We the members of the Commission on Chaplains and Armed Forces Personnel for the National Baptist Convention of America come before you to make our Annual Report.

Since the last meeting of our Convention, we have endeavored to keep ourselves abreast with the function and ministry of the Chaplains and Armed Forces Personnel by attending the meetings in

Washington, D.C., where we are brought up to date by Chiefs of Chaplains from each branch of the Armed Forces.

October 14th through the 17th, 1970, the Fall Meeting will be held at the headquarters, located at 122 Maryland Avenue, N.E., Washington, D.C. In conjunction with this meeting the Twenty-Fourth Annual Command Chaplains meeting will convene.

Our Visit to Fuchu Air Base in Japan

At 12:45 in the afternoon on July 7th, 1970, we boarded the 747 Northwest Orient Jet, which made one stop in Seattle, Washington, before arrival in Tokyo, Japan on Tuesday afternoon at 3:30 P.M. A Taxi then took us to the beautiful Tokyo Hilton Hotel. After a good night's rest, contact was made the next day with Colonel Paul G. Schade, Chief Chaplain, USAF (30 miles out to Fuchu, Japan) by phone. The Fifth Air Force Base of Japan.

On Thursday Morning, July 9th at 8:30 A.M. Colonel Schade sent an official car to pick us up at our hotel and on arrival at the base, we were introduced to several of the staff members and his secretary, and was given a bird's eye view of all the air bases under his supervision, the chapel and their locations. Later we were invited to lunch with Colonel Schade at the Officers Club, where we met other Chaplains from the United States.

Colonel Schade escorted us to two hospitals after lunch and there we had the opportunity of visiting with wounded soldiers from different states in the U.S.A. The two hospitals visited were Yokota and Tachikawa. The wounded men are brought directly from Viet Nam to Japan where they are hospitalized.

We were then driven through the Airfield to view the Huge Fighter, Hospital and Cargo Planes. On our way to and from these bases Colonel Schade showed us the prison where soldiers are placed to rehabilitate back to civilian life. Some men are impossible to help because of their physical and mental condition.

He stated that there is a shortage of chaplains. Even though they get a lot of applications for the job, after they were thoroughly screened, many are found to be not morally qualified to become chaplains.

Colonel Schade informed us about the Sunday Service to be held in Gant Height Air Base and invited us to be his Special Guest for the Morning Worship. On Sunday Morning, July 12th at 9:00 A.M. he and one of his staff members picked us up at the hotel and drove to the Air Base, which was some thirty miles out of Tokyo. Dr. William R. Tolbert, Jr., Vice President of Monrovia, Liberia, the Republic, President of the Baptist World Alliance since 1965, Pastor of a Church near Monrovia and President of Liberia Baptist Missionary and Education Convention, was the Guest Speaker for the Morning Worship.

There were ten (10 Government Officials) from Liberia, accompanying Dr. and Mrs. Tolbert. Other outstanding men and their wives invited to the service were:

Dr. Carl W. Tiller, Special Advisor on Budgetary Development, U. S. Government of Washington, D.C. and Treasurer of Baptist World's Alliance.

Dr. Frank H. Woyke, Assistant Secretary of the Baptist World Alliance, Washington, D.C. and many others whose names we were unable to obtain.

A choir from Indonesia touring Japan furnished the Music for the Service. Dr. Tolbert spoke on "RELATIONSHIP TO THE WORLD." (Scripture JOHN 3:14-21).

QUESTIONS ASKED BY SPEAKER:

Are we testifying the truth to the world?

Are we demonstrating the truth in our actions?

Are we short, narrow minded, only thinking of our own personal needs?

He further stated that we must be responsible to the needs of the poor, the sick, the weary, the down trodden. We must start at home, Church, Community, State and Nationally to proclaim the truth to the world.

After the morning service at Gant Height Air Base, we went into the fellowship hall for a coffee sip. There we met all the invited guest and many others that attended services. From there we were escorted to the Officers Dining Hall for dinner with Dr. and Mrs. Tolbert and all the other Special Guests. There were at least 50 guest present at dinner. The choir from Indonesia sang and pictures were taken. Remarks were made by the Choir Members and after dinner everyone was introduced.

On Tuesday Evening, July 14th, Rev. and Mrs. John Thurston, Mrs. Sims and I were Special Guests at a banquet held at the Enno Hotel. Dr. A. Ray Applequist, Executive Secretary of the Commission on Chaplaincy for Armed Forces Personnel (U.S.) Washington, D.C. made the arrangements through Colonel Paul G. Schade in Japan, prior to our arrival in Japan. This affair was honoring one of the Chaplain's for outstanding services rendered. It was a delightful evening and we met Chaplains and their wives from various Air Bases in Japan, who were from the U.S.A.

High commendations must be given Colonel Schade for the beautiful way in which he received and entertained Mrs. Sims and me in Japan. He will long be remembered for his fine spirit of understanding and kindness and also his help in making our visit most enjoyable. May God Bless Colonel Schade and his wife in Japan.

WHAT IS THE COMMISSION?

This agency, established by the churches in 1917, is the instrument of its member denominations to coordinate and standardize civilian support and concern for the religious programs in the Army, Navy, Air Force, Veterans Administration, and Civil Air Patrol. Today thirty-five constituent denominations, plus several other contributing groups represented by consultants, use the commission as a permanent conference on the chaplaincy and the character and effectiveness of the religious programs in these federal agencies. No general agency attempts to fill the role of the separate denominations in this ministry. Residual ecclesiastical authority over all chaplains rest with the civilian religious body which ordains them and grants them the credentials to serve as clergymen. However, it is recognized that broad matters of Chaplaincy policy, standards, program and inter-faith relationships can best be negotiated by an association comprised of representatives of all major groups. This is the role that has been given by the churches to the General Commission on Chaplains and Armed Forces personnel.

The commission accomplishes its monitoring, coordinating, advisory and support activities through stated meetings, regular and special committees, conferences, publications, special projects, studies, and a small staff.

THE MAJOR ROLE

The commission has played a major role in establishing the present character and effectiveness of the chaplaincy.

1. By working for agreements as high and uniform qualifications for all Chaplain candidates.
2. By suggesting specific proposals in support of adequate pay, status, equipment and facilities.
3. By undertaking staff studies, conducting research, arranging conferences and making appropriate representation to Government Officials and on the Chaplaincy and related matters.
4. By maintaining liaison with the administration chief's and Directors of the several chaplaincies, with armed forces, chaplains board and with ecclesiastical authorities and chaplaincy executives of the various civilian faith groups and denominations.
5. By serving as coordinating resource agency and channel for information between the government and the churches concerning religion and morality in the Armed forces.

DUTY OF THE CHAPLAINS

Chaplains in the United States Armed Forces are commissioned which can neither be weighed nor valued by any known unit. If it were possible to compute loyalty and human kindness or moral character in term of spiritual calories or pounds, it would still be futile to ravel the cord which lead individuals and groups and to credit the chaplain with those threads of influence which he has exerted in the resolution of the soldier or the spirit of the regiment. When the spiritual impact of a sunset or a starry sky, a symphony or a throb of sympathy or affection can be measured, it may be possible to compute those potent forces outside the sphere of the physical sciences which the chaplain is in the army to intensify and direct.

Chaplain in the United States Armed Forces are commissioned under an agreement between the church and government. The chaplain is expected by the church and by the government to conduct his ministry in accord with the command of his conscience and the requirements of his denomination, as he deals creatively with his obligations and opportunities in the military community. These dual responsibilities to the church and state must be held in a balance, which is precarious at best. This delicate tension must always be recognized.

If in the course of his military ministry the inherent tension should become conflicting, the chaplain must use every resource of both church and state to seek reconciliation; to effect the necessary reconciliation, without compromising religious liberty, required patience and skill.

The Clergyman is a symbol of that which is spiritual about human life. A chaplain's presence among men is a constant reminder of the fact that the church is identified with persons in all conditions.

The chaplain conducts worship services in the chapels and hospital wards, and make regular ward and bedside visits to patients to provide personal and sacramental ministry, provide spiritual guidance, personal counselling, pastoral direction, assisting in the solution of the personal problems of the veteran patients.

He conducts funerals, weddings, baptisms and other religious rites. Also helps to maintain good morals by manifesting a general interest in the total welfare of the soldiers by means of visits to recreation halls, occupational therapy shops, library, etc.

The chaplain participates as a member of the healing team in the effort to heal the whole person. When healing is not possible, he assists the patient in accepting the reality of the situation. He gives fortifying strength of hope, faith and courage.

Preaching is always a challenge anytime, any place and may become more of a challenge and much more difficult under combat conditions. War can be desensitizing and dehumanizing on men but the chaplains message is definitely to proclaim release for prisoners and the recovery of sight for the blind, to let the broken victims go free. Many chaplains have testified that the challenge of the service has made them stronger in the Lord also.

Combined statistics for six (6) years beginning with July 1941, shows that religious workers in the army conducted about six and one half (6½) million services with one third of a billion in attendance, fifty million were visited in hospitals and five million in guard houses, one third of a billion sought pastoral ministrations, and the total receiving some form of religious service was about a billion.

Impressive as these figures may be, they reveal the means that were used but not the achievement, effort rather than accomplishment. Thus the ministry of religion recruits itself and the chaplaincy lives on holding high the standard of loyalty and reverence, righteousness and service, in every time of crisis.

Respectfully submitted:
COMMISSION ON CHAPLAINS AND ARMED FORCES PERSONNEL FOR THE NATIONAL BAPTIST CONVENTION OF AMERICA.

THE BLACK FINGER

I have just seen a beautiful thing
Slim and still,
Against, a gold, gold sky,
A straight cypress,
Sensitive
Exquisite,
A black finger
Pointing upwards.

Why, beautiful, still finger are you black?
And why are you pointing upwards?

A BLACK FINGER POINTING UPWARDS

by

Dr. E. Edward Jones, Chairman
Social Justice

I have been greatly impressed by this very short poem though it was written many years ago in the midst of chaos and crisis. It has a very relative meaning to America and to the world today. Many of us shun the word Black and look at it as though it is a great evil. Black is a color a very dominant color. For years we have been hurdle in communities where we would receive the least amount of attention and consideration from city fathers. We have often complained and many times justly so at the evils which are a part of the oppressed lives that we have inherited. It is not at all bad to be Black but it is bad when you are taken advantaged of because you are Black. There is no argument about whether or not we have been sold the worst goods at the highest prices and pestered by peddlers with second class vegetables and fruits, patted on the back and called good boy, uncle and auntie or even given a second class place of respect because we become the channel through which the white man received information to keep us oppressed.

The scars of our survival are many. Deeply inflicted are those of the Yester-years, the confiscations of valuable property from Negroes, the horrifying lynchings because a Black man may have looked at a White woman, the Emmitt Tills, the John F. Kennedys, the Medgar Evers, the Robert Kennedys, and the Martin Luther Kings, and many names are not spelled out as immortal martyrs as these men are but nevertheless the scars are many and they live ever fresh on the horizon.

NOW! THE NEW SCARS OF A CHANGING ENVIRONMENT: One of the scars that I would like to talk about is the "BLACK COMMUNITY" a BABEL; You will well remember the 11th Chapter of Genesis, when the people became so determined in a sense to "out do God." When they decided to make for themselves a name. The reason behind the whole movement was that they might stay together as a community, and in essence plot against God. They were determined to build that it may reach forth into the heavens. So they builded, and the Lord came down, and acted, and confounded their language that even though they be in the same community, they could not relate to each other, because of language barriers.

It appears to me that this total "BLACK THING" that we call ourselves having going now, is a deliberate effort to rule God out of His plan for mankind. This characterizes us. For there are many who would make for themselves a name. These do not really have regards for people, nor for the betterment of the community, nor is their intention even to bring Blacks together, nor for the noble cause which they push. It is because their names will be carried in the headlines, I will not go into the name calling business for it might end up that we would discover that someone cloaking under the banner of a Divine Call is striving to become a headliner in an area which is designed for his own selfishness.

History will record that in the days of Richard Allen, that great religious leader of the A.M.E. Church, there were untold efforts

to do for Blacks what Blacks are claiming to do for themselves, only then by White Folk who did not want to be bothered with Blacks. That was to colonize or in other words to remove all Black people to Africa or to some remote area to live to ourselves. It failed then, it will fail now. God is not color struck! He is no respecter of persons "Red and Yellow, Black or White, they are precious in his sight. God loves the Children of this World."

So then the idea of an all Black Community is not only against the law and orders of God it is against the strides of human dignity. We find ourselves plotting against God. God allows us to plot against him, for he knows the end results of the plans of our plots, even before we were born. God is not in a hurry! You cannot disturb him! He watches closely over all our activities. When we are through carrying on as we do, then God comes down, He lets us build and then he does something about what we have messed up. He confounds our language.

THE GRAVE DANGER OF TODAY'S THREATS:

If we'll admit it, our language is confounded. Not in whether we speak French, Spanish or English . . . our language is confounded. You see language is meant for communication and my honest appraisal is that there is very little communication in our world today. It is expressed by such phrases as: "Political run-around" "Pollution of our environment," "War in Cambodia, Israel, and War in Vietnam" the "Generation gap." We have talked over peace tables until they have broken to pieces. We have spent millions trying to better relations around the world. Yet there is a language barrier. God has confounded our language. The buck is passed from the Democratic to the Republican Party, from the Republican Party to the State Righters. We are going around in circles and getting no where.

Our language is confounded. For now we hear talk of pollution of our environment which has to do with contamination of water and air, but the greatest harm and disturbance today are caused by pollution of the soul. We must believe in America, and all of America must believe in its constituents. We must not desire to do right because of how we feel those abroad will accept or reject us. We must do right, because we must become one nation under God. The War in Vietnam is a chronic cancer to our society. Unless a cure can come out of the laboratory soon this chronic cancer will eat away the very existence of mankind. The Black man in America does not have to prove his loyalty to his country, for history records that he fought and died for his country and still is. Often he has returned home to be wounded and killed and wrecked in a psychological war.

This thing of the "Generation Gap" seems to say to me that our language is confounded. For the most part the adults and the youth speak a different language. This Gap has come about in numerous instances because of adults being hypocrites. Youth are rebelling across our nation and the world at their parent because, "some of it is not like they told them it would be." All of these are dangerous signs for the whole community. **OUR LANGUAGE IS TRULY CONFOUNDED.**

WHERE DO WE GO FROM HERE? One may ask. **WE GO FORWARD AND UPWARD.** We must not forget the road that we have trod. We must not forget how we have come from—where we were. Often we have been in a revolution but the cause was right! Often there has been blood shed but the cause was right! We must

lay our pistols aside for this is wrong! We must stop pointing the finger at others whom we feel have retarded our progress. The truth of it is nobody is in our way, not if God is with us. We must meet the challenge of our responsibility by condemning wrong in high places and praising right when it is done. We must meet our responsibilities by never for a moment letting up in our allowing our White brother and especially our preachers to forget that segregation is wrong even in the church where he preaches. We must never forget that the Christ that we serve was casted aside and abused for a cause and died for that cause. Our brothers who would allow themselves to be carried off with the idea of segregated schools in 1970 must be told that they are moving a step backward. If I am down and out, ragged and dirty, there is a reason. But as a Christian, your responsibility is to brighten the corner where you are, lift me up.

Our convention must arise to the challenge to say to the Black people that we serve, that it is time to stop talking so much and get up and register and vote, and become a part of the main stream of our society. We must make America aware that we are not trying to become a separate community, but we want our place in our community, for this is our land.

I plead with the National Baptist Convention of America to go on record as saying, "end the war in Vietnam, 'Bring our boys home.'" 1. I recommend that the National Baptist Convention of America would go on record as approving Federal Housing Program #235 which provides for housing for low income families at a cost of \$200.00 down and a very low monthly note. 2. I recommend that the National Baptist Convention of America go on record as supporting Public School Education as being the best system for all of the people of America. 3. I recommend that this Convention go on record as sending a telegram to the President of the United States of America stating our dissatisfaction and disapproval of all the mass misplacing and firing of Black Teachers and Principals and that this administration would help see to it that all of the students to be bused will not be Black young people simply because their former high school has been the easiest to dissolve, and that the telegram would farther read that we have been bused every since school buses have been in existence, and these nasty cries we hear about busing now are not the cries of the Negro for all of our tears are gone.

We have a responsibility for the black finger points upward to a God on high.

James Weldon Johnson puts it this way:

Lift every voice and sing
Till earth and heaven ring,
Ring with the harmonies of Liberty;
Let our rejoicing rise
High as the listening skies,
Let it resound loud as the rolling sea.
Sing a song full of the faith that the dark past has taught us,
Sing a song full of the hope that the present has brought us,
Facing the rising sun of our new day begun
Let us march on till victory is won.

Stony the road we trod,
Bitter the chastening rod,
Felt in the days when hope unborn had died;

Yet with a steady beat,
Have not our weary feet
Come to the place for which our fathers sighed?
We have come over a way that with tears has been watered,
We have come, treading our path through the blood of the slaughtered,
Out from the gloomy past,
Till now we stand at last
Where the white gleam of our bright star is cast.

God of our weary years,
God of our silent tears,
Thou who has brought us thus far on the way;
Thou who has by Thy might
Led us into the light,
Keep us forever in the path, we pray.
Lest our feet stray from the places, our God, where we met
Thee,
Lest, our hearts drunk with the wine of the world, we forget
Thee;
Shadowed beneath Thy hand, May we forever stand.
True to our God, True to our native land.

REPORT OF COMMISSION OF THE CHRISTIAN MINISTRY

Brother President, Officers and Messengers of our National Baptist Convention of America:

GREETINGS

We are pleased to present our 1970 Report of our Commission on the Christian Ministry.

The past four years have been revealing and rewarding to me as Chairman of this committee. I have had the pleasure and honor of attending several consultations on the status of the Christian Ministry—viz. American University, Washington, D.C.—Tulsa, Oklahoma's Youth Ministry—numerous college and university campuses—particularly seminars and institutes. Time will not permit me to give a summary format of each, but generally they were packed with information, inspiration, denunciation and a challenge. On each gathering there was one common thought "Where do we go from here?" To me this was nothing new as it relates to the long historical plight of the Jude-Christian concept of organized religion.

1. The Edward W. Hazen Foundation Study, 1965, showed a marked decline in the enrollment of black theological students in accredited seminaries.

2. The need for continued education, etc. emphasized.

3. All points to the fact that things are not getting better.

My limited experience and travel has not shaken my faith in Christ—nor my hope for the triumph of the Christian Church—in a confused, perverted and wicked generation. It has strengthen my love and dedication for the Christian ministry.

Your committee wishes to submit the following points for consideration, with emphasis on—

1. Continued education and training for the ministry.

2. Scholarship aid for promising students and persons of our Convention, who are interested in religious education and specialized training in new forms of ministry.

2. Support for all U.N.C.F. schools for they are accredited by the same accredited association for all other colleges and universities.
4. Put more emphasis on the spiritual gap than upon the chronological generational gap.

We read with interest and appreciation that Timothy was a third generation young man who continues in the faith that was first exemplified in his grandmother Lois and his mother Eunice.

5. Give liberally to the support of all of our Church related schools for they were founded by men who had faith in God and in the future of their Black brother and their children.

6. Keep the theology of the New Testament alive through unfringed Faith, Hope and Love for "God is a spirit and they that worship him must worship in spirit and in truth."

Finally all religions of the past that have been nationalistic in spirit with emphasis on race, creed or national origin have died or become static. May we resolve that Christ is alive, for he liveth in us.

REPORT OF COMMITTEE ON ORTHODOXY

By Rev. E. M. Elmore

DEATH

Natural death; end of the life of the body. Spiritual death; insensible to holiness; alienation from God (Matt. 7:22; Eph. 2; Rom. 6:21). The poetic expressions are "return to dust," (Gen. 3:19; "removal from the body" Job 10:21; "asleep" Jer. 51:39; John 11:11; "loosing the breath" Ps. 104:29; "the soul laying off its clothing" 2 Cor. 5:3; "to depart" Phil. 1:23; "for a great trial" 2 Cor. 1:10. GATES OF DEATH, Job 38:17; doors of the shadow. Some believe that we would be able to live forever if we did not break God's law. But the Bible is a spiritual book and not a treatise on natural history.

Death signifies "the separation of the soul from the body, Gen. 25:11. This is a temporal death. A separation of soul and body from God's favour in this life, which is the state of all unregenerated and unrenewed persons, who are without the light of knowledge, and the quickening power of grace, Luke 1:79. This is spiritual death. The perpetual separation of the whole man from God's heavenly presence and glory, to be tormented for ever with the devil and his angels. Rev. 2:11. This is the second death, or eternal death. To all these kinds of death, Adam made himself and his posterity liable, by transgressing the commandments of God in eating the forbidden fruit, Gen. 2:17.

A cessation of all vital functions without capability of resuscitation, either in animals or plants. Local death is going on at all times and in all parts of the living body, in which the individual cells and elements are being cast off and replaced by new; a process essential to life. General death is of two kinds: a death of the body as a whole (somatic or systemic death) and death of the tissues. By the former

is implied the absolute cessations of the function of the brain, the circulatory and respiratory organs; by the latter the entire disappearance of the vital actions of the ultimate structural constituents of the body.

Physical death is the separation of the soul from the body. We distinguish it from spiritual death, or the separation of the soul from God; and from the second death, or the banishment from God and final misery of the reunited soul and body of the wicked.

Although physical death falls upon the unbeliever as the original penalty of sin, to all who are united in Christ it loses its aspect of penalty, and becomes a means discipline and of entrance into eternal life.

To the Christian, physical death is not a penalty: Psalms 116:15—"Precious in the sight of Jehovah is the death of His saints." Rom. 8:10—"And if Christ be in you, the body is dead because of sin; but the spirit is life because of righteousness." Rom. 14:8—"For whether we live, we live unto the Lord; or whether we die, we die unto the Lord; whether we live therefore, or died, we are the Lord's." 1 Cor. 3:22—"Whether Paul, or Apollos, or Cephas, or the world, or life, or death, or things present, or things to come, all are yours. And ye are Christ's, and Christ is God's." "O death, where is thy sting? O grave, where is thy victory?" 1 Peter 4:6—"For unto this end was the Gospel preached even to the dead, that they might be judged indeed according to men in the flesh, but live according to God in the Spirit." cf. Rom. 1:18—"For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who hinder the truth in unrighteousness." Rom. 8:1-2.—There is therefore now no condemnation to them that are in Christ Jesus. For the law of the Spirit of life in Christ Jesus made me free from the law of sin and death." Heb. 12:6—"For whom he loveth he chasteneth."

Theologically—Man is an intellectual, moral and religious being, does not attain the end of his existence on earth. His development is imperfect here. Divine wisdom will not leave its work incomplete here. There must be a hereafter for the full growth of man's powers, and for the satisfaction of aspirations. Created, unlike the brute, with infinite capacities for moral progress, there must be an immortal existence in which those capacities shall be brought into exercise. Though the wicked forfeit all claim to this future, we have here an argument from God's love and wisdom to the immortality of the righteous.

Ethically—man is not, in this world, adequately punished for his evil deeds. Our sense of justice leads us to believe that God's moral administration will be vindicated in a life to come. Mere extinction of being would not be a sufficient penalty, nor would it permit degrees of punishment corresponding to degrees of guilt. This is therefore an argument from God's justice to the immortality of the wicked. The guilty conscience demands a state after death for punishment.

Historically—The popular belief of all nations and ages show that the idea of immortality is natural to the human mind. It is not sufficient to say that this indicates only such desire for continued earthly existence as is necessary to self preservation; for multitudes expect a life beyond death without desiring it, and multitudes desire a heavenly without caring for the earthly. This testimony of man's nature to immortality may be regarded as the testimony of God who made the nature.

Scriptural grounds.—The account of man's creation, and the subsequent allusion to it in Scripture, show that, while the body was made corruptible and subject to death, the soul was made in the

image of God, incorruptible and not subject to death, the soul was made in the image of God, incorruptible and immortal.

Gen. 1:26, 27—"Let us make man in our image"; 2:7—"And Jehovah God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul." It is not the divine image, but the body, that is formed of the dust; and into this body the soul that possesses the divine image is breathed.

The animating soul is every where distinguished from the earthly body. Gen. 3:22-23—"Behold man is become as one of us, to know good and evil; and now lest he put forth his hand and take also of the tree of life, and eat, and live forever; therefore Jehovah God sent him forth from the garden of Eden." Man had immortality of soul, and now, lest to this be added immortality of body, he is expelled from the tree of life. Eccl. 12:7—"The dust returneth to the earth as it was, and the spirit returneth unto God who gave it." Zech. 12:1—"Jehovah, who stretcheth forth the heavens, and layeth the foundation of the earth, and formeth the spirit of man within him."

Mat. 19:28—"And he not afraid of them that kill the body, but are not able to kill the soul; but rather fear him who is able to destroy both soul and body in hell." Acts 7:59—"And they stoned Stephen, calling upon the Lord, and saying, Lord Jesus, receive my spirit." 2 Cor. 12:2—"I know a man in Christ, fourteen years ago (whether in the body, I know not; or whether out of the body, I know not; God knoweth), such a one caught up even to the third heaven." 1 Cor. 15:45-46—"The first man Adam became a living soul. The last Adam became a life giving spirit. Howbeit, that is not first which is spiritual but that which is natural, then that which is spiritual."

The first Adam was made a being whose body was physical and mortal—a body of flesh and blood, that could not inherit the kingdom of God. So Paul says the spiritual is not first, but the physical; there is no intimation that the soul was also created mortal, and indeed external appliances like the tree of life, before it could enter upon immortality.

Seventy-Sixth Annual Report

HOME MISSION BOARD

of the

NATIONAL BAPTIST CONVENTION OF AMERICA

September 8-13, 1970 — Shreveport, Louisiana

Greetings: Dr. Sams, President; Dr. Mingo, Chairman; Officers and Members of the National Home Mission Board and National Baptist Convention of America:

Since last we met in an Annual Convention setting, we have passed through the decade of the sixties. It was one of mystery. It was filled with violence, war, and protest. And yet it was a decade of accomplishment, for we had a moon walk, and heart transplants, and some who accepted Christ as their personal Saviour. Now Father Time has ushered us into a new decade—"The Exciting Seventies," quote Dr. Norman Vincent Peale.

We have entered the decade of the Seventies, and already we are having failures and many of the other evils that we had in the sixties. As your Corresponding Secretary of the Home Mission Board, I am humbly grateful to have this privilege to be among the living, who have been spared to cross this another threshold of time. A

good many people have lived some seven decades; some eight decades, some nine decades, but only a few have lived ten decades. Perilous times are ahead. The handwriting is on the wall. The final end-events of this age are rapidly coming to pass. In this Chaotic Climax soon to come, everyone will have to trust God completely. Terrible days are just ahead, but Christ promises, "He that endureth to the end shall be saved."

One can't help but observe the times. Problems within one's self are causing other exploded problems in every crevice of the universe—homes, schools, colleges, universities, churches, government, racial conflicts, rioting, immorality, drugs, pollution, generation gap, and many others. "Come now, and let us reason together, saith the Lord: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool."

An Ancient Missionary once said, "I am His," and his constant cry was, "I must breathe gladness. I must show joy, and by showing joy I will prove the wonder of redeeming love." Here then is the secret of living a real life—LOVE. What then is the power that will make the secret work? The answer is: the power that can come to you from CHRIST. It is not in literature. It is not in philosophy. It is not in science. It is in CHRIST.

As I close this, my third presentation, I wish to thank all the brethren across the nation for your constant contribution to the Home Mission Board, that the work of Christ might stay alive in the hearts of men. Many churches have been helped, and many souls rejoiced because of your gifts. To the other brethren who have not felt the call to give, I beg of you now to open your hearts and feel the "Call."

"Every good and perfect gift is from above." Giving is an expression of LOVE. "For God so loved the world He gave . . ."

Will you make ready now to pledge and give, so that the work of the Home Mission Board may continue to help lift the burden of needy places and souls may be saved?

Humbly submitted,

Rev. O. B. Williams, Corresponding Secretary
of the National Home Mission Board.

Dear Dr. Williams:

On behalf of all of us here at St. Paul Missionary Baptist Church, we would like to thank you for the donation. It was needed and very much appreciated. We thank you for thinking of us. May God bless you richly.

St. Paul Missionary Baptist Church
 Sis. E. Duton, Sec., Portland, Oregon

Dear Dr. Williams:

This is to recognize the gift we just received from you a few days ago. This church was so grateful to God and to you, for certainly it was a gift from God. We pray God's choice blessing upon you and your Board.

Yours for Christ,

Rev. B. J. Smith
 New Lebanon Baptist Church
 Okolona, Mississippi

Rev. O. B. Williams,

Dear Brother in Christ:

We received your letter and donation. Words can never express our gratitude to you for remembering us here at New Life.

Since last hearing from you we have enlarged our Lord's house and the membership is still growing. We do thank and praise the Lord for His goodness and for knowing Christians like you. May God forever bless and keep you and staff. Again, many thanks.

Yours in Christian Love,

New Life Baptist Church
 Rev. H. L. Barnewell, Pastor
 Sis. K. Bellamy, Corresponding Sec'y.
 Phoenix, Arizona

Dear Dr. Williams:

Words fail me to express my thanks to you and your Board for the donation to our church. The work is under way. We have a long, long way to go yet. This donation will help. By the help of the good Lord and people like you, we will make it.

Again, thank you, and as often as opportunities present themselves that something can be thrown this way, I will appreciate it, and my little congregation will be grateful too. May God ever bless you in your field of labor and pour his richest blessings upon your family.

With appreciation, I am your Brother in Christ,

Rev. W. T. Smith, Pastor
 Tabernacle Baptist Church
 Mobile, Alabama

Dear Fellow Labourer in Christ:

It is with a heart full of pleasure that I pause at this time to thank you for your most kind thoughtfulness of us at this time.

We are still in the realm of success in this our effort for our new church edifice, and now reaching that period to where our funds have run so short that your contribution suddenly means much to us.

I am compelled to believe God, for in this He has promised to supply our needs, and I do further believe that God's way of serving humanity is truly through man.

Dr. Williams, we shall ever pray God's richest blessings upon you and your field of labour while we shall ask you to pray for us. Again we thank you for considering and remembering us in your contributions.

We remain yours for the Cause of Christ.

Annual Report of the Evangelical Board of the National Baptist Convention of America September 8-13, 1970

TO DR. J. C. SAMS AND THE OFFICIAL FAMILY OF THE CONVENTION:

TO THE CHAIRMAN, DR. E. H. BRANCH, AND MEMBERS OF THE BOARD AS STATE REPRESENTATIVES AND OUR MANY FRIENDS:

The ship of time has moved into the gate of eternity. Many of our friends were on board.

We are blessed to be here today, to give an account of our stewardship for another year's work.

We were able to conduct a three-day meeting in Houston, Texas with Rev. J. J. Roberson at Mt. Hebron, B.C.

We had a simultaneous revival in Polk County during the month of April, in which five churches participated. Fifty five souls were saved.

We are soliciting the prayers and support of our brethren for the Board.

You will note our financial report. We are deeply grateful for all of your contributions.

Humbly submitted,
Dr. H. H. Robinson,
Corresponding Secretary-Treasurer
2309 9th St., N. E.
Winter Haven, Florida 33880

Ten Commandments For Peace

1. Peace is always in God. God is peace.
2. Only men who bow their heads before God are capable of giving the world a true and lasting peace.
3. Unite, all honest people, to bring closer the victory of human brotherhood and with it the recovery of the world.
4. Banish lies and rumor and in their stead let truth and charity reign supreme.
5. Affirm human dignity and the orderliness of liberty in living.
6. Give generously of aid and relief—State to State, people to people, above and beyond all national boundaries.
7. Assure the right of life and independence to all nations, large and small, powerful and weak.
8. Work together toward a profound reintegration of that supreme justice which reposes in the domination of God and is preserved from every human caprice.
9. The Church established by God as the rock of human brotherhood and peace can never come to terms with the idol-worshippers of brutal violence.
10. Be prepared to make sacrifices to achieve peace.

ANNUAL REPORT OF THE EDUCATIONAL BOARD NATIONAL BAPTIST CONVENTION OF AMERICA

SEPTEMBER 8-12, 1970

SHREVEPORT, LA.

DR. P. S. WILKINSON, Chairman

REV. PRESTON ALLEN, SR., Recording Secretary

DR. W. EARL HAUSER, Secretary-Treasurer

To our President Dr. J. C. Sams, Vice Presidents, Officers of the National Baptist Convention of America Assembled in its 90th Annual Session, Chairman Dr. P. S. Wilkinson, officers and members of the Educational Board, Brothers and Sisters;
Greetings:

Grace, Mercy, and Peace from God our Father and Jesus Christ our Elder Brother.

I truly count this a distinct privilege and above all a divine blessing to come before you to make my second annual report as Secretary-Treasurer of the Educational Board of this great Baptist Convention. First, permit me to say thanks to each pastor and church, non pastors and laymen for the financial support that you gave in the Annual Session in St. Petersburg, Florida last year, your response and words of encouragement meant so much to me.

Permit me to say that I respect your intelligence that you are fully aware of the struggle of the church related schools to keep their doors open and function as educational communities. The world needs Christian institutions of higher education. This National Baptist Convention recognized the need of Christian schools, thus this convention created a creature and named it the Educational Board, and assigned to this board the responsibility of appealing to the constituency of the convention to contribute to its aim and objectives to support the following schools, namely: Mary Allen College, Virginia Seminary and College, Conroe College, Mississippi Baptist Seminary, Easonian Baptist Seminary, Guadalupe Baptist Seminary, Morris College, Florida Normal & Industrial College, Union Baptist Theological Seminary and Liberty College.

I am an optimist, and I am optimistic about the support that this board will receive in the future.

As you recall in my message at the mid-winter board I proposed the following:

100 Churches to contribute \$10.00 per month	\$12,000.00
50 Churches to contribute \$ 6.00 per month	3,000.00
10 State conventions and district associations to contribute \$100.00 annually	1,000.00

With these monthly and annual contributions added to the funds received from the parent body would give us a representative amount to be distributed among our schools.

THE 1969-70 REPORT

OF THE

SECRETARY-TREASURER

OF THE

National Baptist Publishing Board

OF THE

National Baptist Convention of America

It is again my pleasant duty to greet you, the members of our National Baptist Publishing Board and the National Baptist Convention of America. The members of our National Baptist Publishing Board are unique, in that they are a very constant source of encouragement to the Secretary and employees of the National Baptist Publishing Board who are ever striving to provide for our constituency the very best literature and the finest service possible. The administrative division of our staff is constantly seeking methods of improving our total service to You, for service to You is our purpose in being here.

Our world today is a highly competitive world and we cannot, under any circumstances, become complacent in any phase of our work at the Plant. During the last several months our printing department has become almost totally computerized—with some of the latest equipment and the most competent operators. This step has been realized through much planning and hard work and the results are evident in the last few issues of our quarterlies and, of course, our National Baptist Union-Review.

For all of this we are first most grateful to God, and then to all of You, our supporters. Our purpose on this earth is to glorify God, and how better can this be done than by saving souls? And, one most important tool used toward this end is His Word in print!

At this time we ask that you accept our sincere appreciation for all past support and we solicit your continued support by giving us the opportunity to serve you in the future.

Our financial report for the year ending June 30, 1970 follows:

"FROM GOD TO GOD"

Then since from God those lesser lives began, And the eager spirits entered into man, To God again the enfranchised Soul must tend, He is her home, her Author is her End. No death is hers; when

earthly eyes grow dim Starlike she soars and Godlike melts in Him.

MISSIONS IN A CHANGING WORLD

The Missionary Message of the Bible. M. Theron Rankin, late secretary of the Foreign Mission Board, was asked once to name his most decisive experience outside his conversion. He answered, "to study Ephesians 3 under Dr. W. O. Carver." He was then asked, why this experience? "Because," he said, "it made me a missionary." Perhaps, Ephesians 3 better than any other New Testament passage sums up the missionary message of Christ.

It teaches that God has an unfolding plan for the world which centers in Jesus Christ as the Redeemer of all men. The church is responsible for its proclamation, and the church will share the victory at its consummation. But, this is not the only passage that teaches missions. In fact the whole Bible must be taken as a missionary book. The church, in its teaching, must go beyond a few popular texts on missions to communicate the meaning of all the Bible.

The Progress of Christian Missions. Missions are not merely a modern phenomenon of the Christian movement. Ever since the remarkable mission accomplishments recorded in the Acts of the Apostles, churches have been moving forward. Sometimes slowly, other times in a great flood, but, always abounding to greater and more significant places of service and opportunity. The history of missions is more than a story with a beginning and an ending. It is the living story of something that is still happening, and will continue to happen until the end of time.

The closing verses of Matthew 25, reminds us of our Lord's interest in and concern for the hungry, the thirsty, the stranger, the imprisoned, the sick, etc. When we have ministered unto these, in our district, our state, and the nation, our Lord says, "we have done the same to Him." The Gospel set forth in terms of God's concern in Christ, that the blind see; the deaf-hear; the lame walk; lepers, be cleansed; the dead raised; and the poor, hear the Gospel.
By Sister Anna B. Thomas

STATISTICIAN'S STATEMENT

Sister President, Officers, Members, and Friends of the Woman's Auxiliary to the National Baptist Convention of America. Greetings: Friends it is with regret at this time I am not able to make a full report. Sister Presidents of the State Convention, we hope you will realize the potential support you will be giving in submitting the information asked for. Your responsibility in Christian Service is a great responsibility. We must progress and we must keep others informed of our progress. Sisters, I am pleading to your conscience that we will cooperate if we hope to have a frontline convention. It is our wish to have a history making statistical report for the Annual 1971 Session. You are needed to submit your information today. We want to comply with the wish of our president who desires compilations for the years, 1968, 1969 and 1970 please.

Sister R. L. Jacobs

HISTORIAN'S REPORT

Sister, President, Officers, Messengers and friends of the Senior Woman's Auxiliary, National Baptist Convention of America. Another

year of labor and labor not in vain for while the seed we've planted God gave the promised rain.

Certainly, God has given the increase, for since our last session many wonderful experiences have been ours. New societies have come into many of our State Conventions, bringing in new workers, and the greater number of Christian women we can get involved in Christ's cause, the sooner will, "the Gospel be preached in all the earth." Matthew 24:14.

In February, we journeyed to Galveston, Texas to the Mid Winter Executive Board Meeting, where we were richly fed by outstanding ministers of the convention. President Sams gave detailed plans for enlarging our mission fields in Africa, the Bahamas and Panama, and for greater support to our Colleges. He said, and I quote, "The time is far spent when we can spend thousands of dollars for plane fares, hotel rooms and food, and bring \$15 or \$25 to the convention" unquote. I'm sure we can all heartily agree with him in this matter.

In June the great event was the National Baptist Sunday School and BTU Congress held in Kansas City, Missouri, where thousands gathered to learn how to better train our young people in all phases of Church work. Then in July many others of our group journeyed to Tokyo, Japan, where faithful Baptists from 71 countries assembled in the 12th session of the Baptist World Alliance. It was a most unforgettable trip, highly inspirational and educational. Our own Dr. John W. Williams, who is one of the vice presidents of the Alliance presided with dignity over one of the sessions, of which we were very proud. Many took the trip around the world in connection with this event.

We are urgently requesting that each local society, district and state convention send us the name of your organization, with the correct names and addresses of the officers, with the number of churches represented and the number of members so that we can compile a general report for next year. O blessed, blessed harvest of souls for Christ our King when we who toil in weakness with joy our fruit shall bring then let us not be weary but work and watch and pray hold fast His hand, march onward still trusting day by day.

Sister Amelia E. Houston

Dialogue: Man's Search for Meaning

Sis. Lois Allen, in charge, Texas

Sis. Nellie Newman, Mo.

Told us she can only tell us about Salvation.

Sis. Mildred Jeffrin, La.

Man Should look to Jesus Christ for everything.

Sis. Eunice Sims, Ill.

We have an inner conscienceness that tells us when we are doing right and when we are doing wrong. Look to the Bible for the answer.

Sis. Pattie Pace, Ky.

We as Missionaries are not doing our job, if we were man would not have to search for meaning.

Sis. Lillie M. Thompson, Ill.

Have faith in God.

Sis. Ernestine Shaw, Okla.

Seek ye first the Kingdom of Heaven and all other things will be added unto you.

This "Man's search for Meaning" started back in our creation when the first sin was committed.

The mistake we have made is that we have not fully accepted Jesus Christ as our own Personal Saviour.

PRESIDENT WILLIAMS MESSAGE

Recommendations:

1. Christian Center be reconsidered.

2. Each year a 1 day retreat be set aside.

3. Special Fund raising Project for next year.

President Williams told us that today is the day for knowing. Love is the answer, the world today is in need of love. We must love our neighbors as ourselves.

She told us that God is unemployed today. He may not be all we want but he surely is all we need.

God has a purpose for every life.

Solo: I'm A Child of the King, Sis. E. S. Branch, Texas

The President had a most inspiring message and also a challenging one. She gave us much food for thought.

Sis. Annie Galloway, recommended that all rules be suspended if there be any and Sis. H. L. E. Williams, be elected to succeed herself; also accepted all recommendations proposed by her. The motion was seconded with an unreadiness. The President Message was not included in the Original motion, agreed and accepted by all.

Greetings National Nurses.

I look forward to this time of year when we all meet for the purpose of broadening our knowledge in our profession, as to the service of all mankind. I am always filled with a new fulfillment to press

forward toward higher achievements in this work of our Heavenly Father.

If you fail to see any of your names or churches unrecorded it is because I did not have the record. I've done my best to make a clear recording. By your help in submitting all records, I shall be better able to give you better records.

To our second vice president, Sis. Alberta Talbert, I wish to say thanks very much in helping me to make things pleasant for the visiting nurses coming to Shreveport, La. last year. You did a beautiful job. You tried to bring all of Los Angeles, Calif. hospitality with you.

To our (New Orleans, La.) Freedmen Nurses, you were just swell with your Red Beans. Thanks for your support in helping me to give the Natl' Nurses taste buds a new delicacy of the south. I wish you to know that you are very important to the nurses corps, for without you there would be no La. Freedmen nurses corps. I solicit your support for a continued growth, and prayers for preservation.

May the God, whom we look to for all our well being, support and protect us as we go from state to state trying to work for the glory of the Kingdom.

NURSES' CORPS AUXILIARY OF NATIONAL BAPTIST CONVENTION OF AMERICA ANNUAL ADDRESS

by

PRESIDENT: RUBY GILES ROWE

To the Vice Presidents; Officers; Messengers; Co-Workers and Friends of the Nurses' Corps Auxiliary of the National Baptist Convention of America.

Greetings: In the name of our Lord and Christ: We come before you at this time with a deep concern, and a great compassion for the Nurses' Corps of this Convention, and the work of the Kingdom "That the world may know the motive behind the service we render."

As we come to the close of another year, my heart overflows with praise and gratitude; first to God who as a loving Father, overlooking my shortcomings, mistakes and allowed me to work with Him, and with you another year, for that we are grateful. We turn to you Dear Co-workers, with sincere appreciation for your loyal support across another year.

We have attended two Board Meetings, one in Galveston, Texas and the other one in Kansas City, Missouri. The accomplishment was gratifying, we pause to thank each of you who attended the Board Meetings and assisted in any way, and the many who sent in their representations to meet with the requirement of the Mid-Winter Board.

In coincidence with the General Theme of the Convention: That the World may know, selected from St. John 17:23. Let us elaborate on *Christian Identity*. When lives are changed the World will take note. We do not become Christians through mental assent to truth, but through the acceptance of the person of Jesus Christ (a life committed to Christ). In part, the Bible has been given to us to know that the Lord of heaven and earth, God revealed in Jesus Christ, is with His people in the world today.

Vital religion, obviously, has to do with relationship with God, with self, and with the world around us. The people of God must live in the midst of unbelieving people. Jesus used a parable about tares and wheat. They grew together. During this age, God ordains that Christians must live in relationship with people who do not fear God, and who do not follow His ways, and who are set against the rule of His Kingdom. Christians are to be in the world but not

of the world. They are warned against hypocritical self-righteousness exalting themselves above other people, but we are also warned against involvement with the practices of sin-in idolatrous worship, moral corruption, ethical compromise, and empty futility of atheism. Christians must achieve a quality of life, through the help of God's spirit, that demonstrates to the World the reality and meaning of faith, hope and love found in Christ.

Nurses we need to get out into the field of human need (that the world may know) go among the poor and the sick in a ministry of love with resources of help; help a group of teenagers find something to do that will challenge their initiative, and give them a sense of worthwhile achievement.

Christians should be willing to be misunderstood for Jesus' sake; why should we not be willing to bear His reproaches, to be called names for His sake, to be stoned and ridiculed for being friendly toward outcasts and persons of other races, to be falsely accused as misguided zealots of justice, or to be rejected as impractical idealists or narrow moralists? We should be willing to suffer ridicule or loss if such results from being honest, or for helping a righteous cause, or going to the relief of a person in distress. This means involvement in Christ to save the world.

Truth and responsibility that the world may know, the Kingdom of God is in many ways a revelation of truth, it is a fact in the life of the world, it is light for a world in darkness.

This is suggested by the parable of the lamp and lampstand. Christian Nurses Ye are the light of the world. A city that is set on a hill cannot be hid. A lamp is never meant to be covered up. It is placed so that its light will dispel darkness. Likewise, the truth of the Kingdom of God does drive back darkness of evil. It provides moral and spiritual directions for persons willing to receive the Kingdom. Ultimately, the truth of the Kingdom will expose the hidden things of evil. Also, its joy, blessedness, power and glory will come to light. Let your light so shine before men, that they may see your good works, and glorify your Father which is in Heaven.

Take your identification, or credentials with you and letting it live in you. Nurses a Christian's credentials come from Christ. We are not to wait for invitations, and ideal conditions, and certain hospitality. (We have a responsibility). We are to go and declare that the Kingdom of God is at hand, that Christ is the Saviour of the World, that the wages of sin is death, that God requires us individually to do justly, and to love mercy, and to declare that every person is of infinite worth in God's sight regardless of race or class.

Yes skill and tact and experience are of utmost value for the Nurses' witness and work, but the credentials which matter most are a Christlike Spirit of compassion, and sincerity, a sense of conviction that one is under orders from Christ himself, and trust in the help of the Holy Spirit exemplifying Christ that the World may see.

**PROPOSED BY-LAWS OF THE NATIONAL BAPTIST

Realizing that the religion of the Bible teaches that man's physical
