HISTORICAL REFERENCE

April 5, 1886, an open letter to the Baptist Clergy and laymen was issued by the Rev. Wm. J. Simmons in the American Baptist asking if we should have a National Baptist Convention to discuss questions of interest to our beloved denomination. At that time the following reasons were given.

1. To promote personal piety, sociability, and a better knowledge of each other.
2. To be able to have an understanding as to the great ends to be reached by the Denomination.
3. To encourage our literary men and women and to promote the interest of Baptist literature.
4. To discuss questions pertaining to especially the religious educational, industrial and social interest of our people.
5. To give an opportunity for the best thinkers and writers to be heard.
6. That, united, we may be more powerful for good and strengthen our pride in the Denomination.

Having been solicited to write the call by many whose names and endorsement are hereunto affixed, the call is hereby made by their advice and solicitations for said Convention to meet in St. Louis, Missouri, August 25, 1886, 10:00 o'clock a.m. in the First Baptist Church, and the pastor thereof is hereby requested to serve as a Committee on Arrangement with power to select his associates. Wm. H. Seward, Louisville, Kentucky, and Rev. A. H. Cole, 2066 Goode Avenue, St. Louis, are hereby requested to serve as a committee on transportation.

Wm. J. Simmons

The Chronological report in our National Baptist Committee is hereby corrected viz.: The parties as they appear below were officers of the Foreign Mission or National Educational Convention as were their predecessors. Said Convention merged into the National Baptist Convention in 1886 or met jointly with it or otherwise.

NOTE: Articles-6-8 At the Executive Board in Phoenix, Arizona. Adopted by standing vote.

Brother President, Officers and Members, with deep concern and prayerful consideration and a firm belief in our living Christ and Lord and further believing that there is a more beneficial way of remembering the Saints of God than naming an organization of our living Lord after a finite creature, I suggest that we give careful and prayerful consideration to the Following: That Article 10, Section 1, as recommended by a special Committee on Constitution September 6, 1968, will read as follows under Auxiliaries:

If Section 1, Article 10 is accepted, I suggest Article 9, Section 10 that it be resolved that paragraph 2 under Foreign Mission read thus: That a special day be adopted by this Convention dedicated for Foreign Mission in honor of and be known as the **M. A. B. Fuller Day**.

Brother President, this is suggested in honor of the great work Mrs. M. A. B. Fuller has done in the Missionary cause and that a special offering should be sent under your designation either to the Convention Treasurer or the Foreign Mission Board in perpetuating the efforts made by her.

On the M. A. B. Fuller Day a special offering across this Nation should and could be taken and forwarded under your designation.

These recommendations are offered after much prayerful thought and I hope will find sympathetic consideration.

Yours sure of Eternal Life,
Dr. P. S. Wilkinson

NATIONAL BAPTIST CONVENTION OF AMERICA

In the year 1895, on the 28th day of September in Atlanta, Georgia, three Black Religious Conventions came together and formulated a plan that would unite them into one great congregation governed by one Constitution. The name National Baptist Convention was adopted, thus making it the largest Black organization in America, with a membership numbering in the millions. This, however, was a new name but not a new organization. It had its roots as early as 1880 in the form of the Baptist Foreign Mission Convention. Also involved were two other Conventions, The American Baptist Convention and the National Baptist

Educational Convention. These three Conventions would meet simultaneously in the same location and worked in accordance with each other but had separate Constitutions. Therefore, the National Baptist Convention accepts 1880 as its starting date.

In 1896, Dr. Richard Henry Boyd established an institution in Nashville, Tennessee for the Publication of literature desired by the Sunday-School of the Convention. This also has become the oldest and largest Black owned and operated religious Printing Plant in America with a standing Book order of 5,100,000 books annually.

In 1915, a Convention split occurred from which an incorporated segment was born. The Mother Convention has always been unincorporated from the days of its very beginnings. This incorporated segment also has a Publishing House located in Nashville. Even after this tragic split in 1915, the National Baptist Convention (unincorporated), is still one of the largest organizations of Blacks in the Western hemisphere with a membership of 3,500,000 people.

Each year the Convention meets in September in a selected major city. It is composed of seven boards and seven auxiliaries. The boards consist of: The Foreign Mission Board, the Benevolent Board, the Baptist Training Union Board, the Evangelical Board, the National Baptist Publishing Board, Home Mission Board, and the Educational Board. The auxiliaries consist of: The Woman's Missionary Auxiliary, the Woman's Missionary Auxiliary No. 2, the Junior Women's Missionary Auxiliary, the Brotherhood Union, the Church Ushers, The Nurses Corps and the Youth Convention Auxiliary.

Biography Of Dr. James Carl Sams

JAMES CARL SAMS was the third of five children born to Charlotte and Lonnie Sams in Corchran, Blakley County, Georgia. He attended the County Public school and completed the fifth grade at the age of thirteen. At this age he was brought by his parents to Jacksonville, Florida, where he pursued his education through the eighth grade at night. When he was eighteen God layed it upon his heart that he was a chosen vessel to preach the Gospel of Jesus Christ; however, his trial sermon was not preached until he was twenty years old at Little Rock Baptist Church of Jacksonville, Rev. G. W. Jenkins was the pastor. He was happily married to his wife, Cornelia Fleming, at the age of twenty — for forty-four years it remains the same. A human interest note is entered here about the providential care of God. Rev. G. W. Jenkins was James Carl Sams' brother-in-law. James Carl was already a member of the church and God used him to guide his brother-in-law into the membership of the church. A year later, brother-in-law G. W. was called by God into the Ministry of Jesus Christ and called by the Church he made James Carl Sams a deacon and later licensed him as a preacher. For four and half years he served as the Missionary for the East Florida and Bethany Baptist Association. He was ordained to the Gospel Ministry by the Little Rock Baptist Church in March, 1935.

Our honoree's first pastorate was the First Baptist Church of Oakland, Jacksonville, Florida. He was called in February 1935 and led this church for 23 years, 6 month and 14 days. Having been called of God and this local congregation, he took seriously the injunction which says, "Give of your best to the Master" he enrolled in the Florida Memorial High School and College, where he continued until he received a Diploma as a high school student and graduated with the first four year College class with a B.S. degree. Seeking to give his best to the Master, he matriculated at Florida A. & M. College at Tallahassee, Florida, an accredited institution, and was awarded the B. S. degree. He pursued a semester of graduate studies at Garrett Theological Seminary at Evanston, Illinois, and a semester at Columbia University, New York City, and was awarded B.Th. degree from Florida Memorial College in 1943. He has been honored by three of our Schools with honorary degrees: D.D. and LL.D from Union Baptist Theological Seminary,

Birmingham, Alabama and D. D. from Independent Baptist Theological Seminary, Philadelphia, Pennsylvania; D. D. from Edward Waters College in Jacksonville, Florida. The fourth and last D. D. from Central Baptist Theological Seminary in Indiana.

As pastor of the First Baptist Church, Oakland, Jacksonville, the church building was completely rebuilt, an educational building was erected and a pastorium was built. Many souls were added to the kingdom, the total church program was restructured, and Missionary and education work was developed and financed.

He was called to Pastor the Second Missionary Baptist Church of Jacksonville in August, 1958. He has been pastor for over 15 years and there are over 3,500 members on the present roll. He has led the church to purchase and build more than a half-million dollars in houses and lands. An 8 acres tract of land with a pastorium on it has been purchased and plans are completed for the erection of a new church building and relocating the congregation. They have saved over \$75,000.00 toward building a new building. They hope to start construction in 1975.

During his 15½ years as pastor, the Lord added over 2,000 members. The annual income is over \$150,000.00 which has been used on a 50/50 bases; that is 50% must go for the causes of missions, education and benevolence which are the heart of the thrust of the church. Naturally there have been many marriages, funerals and baptisms. In fact they have baptized every Tuesday evening before the first Sunday for the 15 years he has been pastor, missing only one or two times.

Dr. Sams is a member of the NAACP, Southern Christian Leadership Conference, Urban League, the Minister's Brotherhood of Jacksonville—Duval and adjacent Counties, Past President and member of the Interdenominational Alliance, and member and Past President of the Interracial Ministers' Alliance. He is a Prince Hall Mason, Pastor Master of Crystal Square Lodge No. 532 (P.H.A.) of Jacksonville; he is a Scottish Rite Mason and a candidate for the 33rd and last degree (Southern Jurisdiction) in October.

He served for 6 years as the First Vice President of the Progressive Missionary Baptist Convention of Florida and is in his 26th year as the President of said Convention, which two years ago merged with the Educational Convention of Florida and the merged body is now styled the Progressive Missionary and Education Convention of Florida.

This and these conventions have made outstanding records of giving to denominational causes. They were contributing 35 to 40 thousands of dollars before the merger and approximately 55 thousand per year since the merger. Here also, 50% of all monies raised must be used for the causes.

In keeping with an agreed purpose of expanding facilities for youth and aging members for housing and recreation, they have purchased 3 acres of land with one house valued at \$20,000, and in 1974, eight acres of valuable land in the city of Jacksonville, with one of the fine resort lakes was purchased at \$50,000.00, and third, a tract of land 20 acres and valued at \$60,000.00 dollars was donated in West Florida.

Dr. James Carl Sams held offices in the National Baptist Convention of America for more than 20 years. For 6 years, under the late Dr. G. L. Prince, he was Second Vice President; for 10 years, under the late Dr. C. D. Petteway, he was First Vice President; then in 1967, Indianapolis, Indiana, he was elected President. He has worked untiringly to restructure the total program of the Convention and to increase the total income for the causes and expenses. He has led the convention to buy an orange grove and raised an additional \$65,000.00 for the expansion of the foreign mission work.

During the month of February he was moved to give leadership to some 22 of the officers of the National Baptist Convention of America, to accompany him to Africa to motivate the work on foreign fields -- Africa, Jamaica and Panama. Some \$61,000.00 was pledged for this work of which \$45,000.00 has been paid. A Master plan is now being drawn for completion.

Reports Of Boards And Commissions

REPORT OF COMMISSION OF THE CHRISTIAN MINISTRY

"Tomorrow Is Here" . . . President J. C. Sams, 1st Vice-President, B. O. Byrd, 2nd Vice-President, M. L. Price, and to all other officers, messengers, and visitors to the 94th Annual Session of our National Baptist Convention of America.

Giving Honor to God and our continued recognition of the enormous contribution of countless number of the past, whose spirit is with us today.

The Theme of your Commission on the Christian Ministry was borrowed from the late Dr. Kenneth Scott Latourett, a distinguished historian and writer who spent his last years at Yale University, wrote five volumes on the History of the Expansion of Christianity from the Ministry of Jesus and the spread of Christianity to the 20th Century. Along with him was William Richey Hogg. We all here assembled with grateful memories, that in 1976 we will celebrate the Bi-Centennial of the United States of America. It is amazing what God can do through us when the faith that was first delivered to the fathers, be the compass of our lives. You must take unpardonable pride in our doctrine beliefs as Missionary Baptist. That, "the foundations of God standeth sure," (II Timothy 2:19)

"Tomorrow Is Here," we are standing on the peak of a new age Socially, Politically, Economically, yes, even Spiritually, our thrust in this new age must continue our faith in the doctrine of one blood, God made all nations dwell upon the face of the earth.

In the past 25 or 30 years we have experienced World War II coupled with the continued conflict and rumors of wars. There have been many unparralled experiences by our Country and World, that speaks to the fulfillment of God's word as is revealed the Holy Scriptures Viz.

Violent deaths and assassinations from the highest office of our land to the villages and hamlets of many nations. Our Supreme Courts

decision are May 17, 1954, we now have in the highest office of our land a president and a vice president designate, who will give leadership to more than two hundred million americans of our country for the next two years, without being elected by the people.

The Christian Ministry must re-think and re-evaluate our Ministries, (a) The Professional Clergy, (b) The Layman and his work, (c) Our Church related Schools.

The Gospel of God is as whole as the Creation and as modern as the Morning Sunrise. It is our sacred duty to our roll in fulfilling the ministry of Jesus with love and compassion toward all people, with aftermath to the end of our physical lives. **This cause for the devine guidance in all of our ministries.**

Once to every man and nation comes the moment to decide, in the strife of truth with falsehood, for the good or evil side; Some great cause, God's New Messiah, Offering each the bloom or blight; And the choice goes by forever Twixt that darkness and that light.

Through the cause of evil proper, Yet 'tis truth alone is strong; Though her portion be the scaffold, And upon the throne be wrong, Yet that scaffold sways the future and behind the dim unknown, standeth God within the shadow keeping watch above His own." A-men.

OUR NEED FOR CONTINUED EDUCATION

If a minister wants his continuing education to have payoff, personally and in the life of the Church, attention must be given to involving many other parts of the Church System along with the Pastor in the continuing education process.

The major purpose of continuing education is to bring about change in the Church is to help clergy increase their insights and skills. Clergy are, afterall, major actors in the church. They are the most prominent representatives of the church in every community where a worshipping congregation is located. The life and work of most congregations depend to a great extent upon the leadership which clergy provide. Preordination **seminary education** is not sufficient to equip the modern minister with all that is needed for an effective witness today.

Planning for development is the first step in effective continuing education. It seems unnecessary to make such a statement for one tends

to assume that professional persons in any field, including the ministry, engage in educational processes according to thought-out plans related to individual developmental needs. Yet, those of us who work in the church, related career centers know from day-to-day conversation what a number of research reports have shown about the clergy: That very frequently continuing education is pursued without adequate understanding of developmental needs. Often, when such planning is attempted, it is unbalanced in perspective and insufficient in scope. This seems to be true among persons in professions other than ministry, as well; Though it is the intention of this to suggest a process, whereby planning, which is balanced in perspective and adequate in scope may take place.

Such a process must give attention to the individual's need to find satisfaction and satisfactoriness must be evaluated and related as developmental needs are discerned and plans are made for the meeting of them, values and etc.

"If the minister over the years has not grown in religion, or if he has not increased in effectiveness, in a positive witness there is a real necessity to consider an honorable exit from the ministry of the four walls of the church."

That all previous recommendations be continued with emphasis on "Tomorrow Is Here":

- I. The fulfillment of our commission through enlistment, training, involvement and evaluation.
- II. That our Convention support financially our Bi-Centennial celebration when we meet in Detroit, 1976.
- III. That our Commission is timely and timeless.

"THE CALM AFTER THE STORM"

REPORT OF THE COMMISSION

SOCIAL JUSTICE

Dr. E. Edward Jones
Chairman
to the

NATIONAL BAPTIST CONVENTION OF AMERICA

Dr. J. C. Sams, President

Thursday, September 5, 1974

President Sams, Vice Presidents Byrd and Price, Officers, Delegates and Messengers to this 94th Annual Session of the National Baptist Convention of America.

Last year in Chicago, Illinois I retraced, in synopsis, some previous reports to the National Baptist Convention. My purpose for doing so was to illuminate the prophecies that I had made with reference to the National Administration. The Title of Last Year's Report was "What Is Watergate Saying?" I am not to sure that this would not still be a good title for the report for this year. I am of the persuasion and I submit to you that whatever Watergate was saying then, is being perpetuated now. However, I have chosen for the title of this years message, the "CALM AFTER THE STORM." This title within itself ought to suggest to us even before we hear the message, what the message is all about.

I do not find it necessary in this year to again attack Mr. Nixon and his administration, for I feel that it has not only been attacked but it has been bombarded. The previous years have ushered in a storm which has literally torn America apart. My what a storm. The storm however, should not just be traced back to the Watergate episode mind you, this is a storm within itself. Remember that during the past administration of the OEO Program was being dismantled by the former President. Remember during the last administration, we rushed off into this business of the Volunteer Army. Remember that under the former administration we got caught up into escalating prices that have caused

inflation to literally bring on a great depression in America. Remember that under the former administration that a so call gas and fuel shortage was forecasted and now prices of fuel and gasoline are skyrocketing. Remember that during the past administration the rich got richer, and the poor got poorer. We have hailed the President as making great strides in Red China, in Russia and many other places around the world, but here at home our conditions have grown progressively worse. The storm is in America.

We have become so bent in America as being a world police power, that we've forgotten to take care of our own. We have sought to make friends by selling them our basic needs, such as wheat and other grain, while we end up with shortages of the very substances that we need. I would submit to you, that if our motives are right then we would look at the poor and depressed people not only of the world, but of America and find a way to take care of our own. The storm has not ended, the winds have just abated.

We are living in a historical and yet it is a crucial setting. Changes of such magnitude as we have never witnessed before have gone on before our very eyes. America, the great nation finds herself bathed in shame as we retrace the past several years. Morality in high places seem to be a thing of the past. (I should hope that under President Gerald Ford, who seems to be a man of prayer and a church man that things will be better). It has not been a day of jubilee for us. Even though we strongly

oppose many of the programs of former President Richard Nixon, it is not funny at all when the President of the world's greatest free country literally drives himself away from office because of his involvement in such scandals as Watergate. These new chapters in American history that have seen an elected vice president leave from office because of his involvement in a scandal and then to see the elected president having to leave because of wilful lying, leads me to a moment of Prayer for the well being of our nation.

Maybe Watergate is still saying something! I only hope that we can hear it loud and clear. Will the new president give immunity to the former president? Will the buck be passed from one person to another in high office? Or is it that Richard Nixon is really above the law? This would be a tragic day in the life of the free world, for he or any other man to go foot loose and fancy free and then be retired on almost a

million dollars a year for the operation of his office, salary and what have you.

I cannot wish upon anyone ill will. This convention cannot uphold unbearable suffering for any man regardless of his race creed or color, not even Richard Nixon.

Our stand however, must be that no man is above the law. If in fact Mr. Nixon or any of the persons who have been so involved in Watergate do go free, then our theory of double standards of justice will be substantiated. We, as Black People have long known of the double standards of justice in our courts. One for the Black and one for the White. Will it now come to be a four way street? One for the Black, one for the White, one for the Rich and one for the Poor. I would only hope that the abated wind and the subsiding rain of this horrible Watergate Scandal is a sign that the storm is over. But whether or not it is over, you and I are left with the horrifying, nightmarish memory of what a terrible storm we have already come through.

With the ushering in of Former Congressman Gerald Ford of Michigan, who has not distinguished himself so well in the area of Civil Rights and liberal thinking, there seems to be calmness. I think though, that it is a relief from the pent up tensions that the whole of America suffered because of the day to day unfolding of Watergate. And now we have seen the climax of this episode, all or the most of us have this feeling of relief, which is our calmness.

After such a horrifying storm, any degree of calm would be acceptable. But the storm, though it appears abated is not really over. I call upon us as a convention to be mindful of what seems to be a period of calm after the storm. The storm has been so rough and so difficult that we are not able to really sense the strong gale-like winds that are still blowing in this post administration. There is a call for an increase in gasoline taxes. Inflation continues its rise. There is still a strong feeling about continuing to federal money through state and local government. There is no sight on the horizon for adequate programs to replace those that have helped Black People pull up by their boot strings. These are more than gale winds, still blowing from the storm. What I am really saying is that the storm has not ended. These next two years will be years of real depthful thinking. Ford does not want to rock the boat when he has a good chance to stay on the ship. For this reason I am not

too sure that there will not be some hypocriting and camouflaging in this present administration for the next two years.

What must our reaction to this period of seeming calmness be? The first thing that I would submit to you is that Black People cannot become too apathetic and too ready to accept tokenism and things as they are. The people who make a noise about what they want are usually the persons who get it. Too long, have we sat down and waited for God to rain down Bread from heaven when we could easily go into the kitchen and make biscuits. Too long, have we misused our intelligence in methods of keeping other Black people down while our intelligence should have been channeled to help others rise up. Too long, have we heralded our criticism in the wrong place, while places have been filled by other people. We must make the difference! We must not fall for ghosts, but only for that which is real. The greatest thing that this convention could do is to go down in prayer and pray for the well being of our nation.

We cannot become hung up on parties but we must become hung up on principles. No longer can we afford to sell our brother for a mess of porridge that ends up being venison meat. We must stand together on principles or fall individually into the prison of selfishness. Governments must answer to God. This government and all governments of the world have a UN meeting day. It is not in Geneva or New York but rest assured that it is. The day will come when every man must stand before his Maker. I cannot entrust my life into the hands of any government but I can entrust my life into the hands of the Man that calmed the sea. It was that man, who one day on the sea of Tiberia, setting sail for Gadra, when the winds begin to blow and the lightening flash and the thunder roared and the calmness had flown as the fleeting years, the sea had gone beyond the excitement, it had become terrified.

It was then that the sacred disciples went down into the ship and woke up Jesus. Their words to him were "Master carest thou not that we perish?" Jesus did not even bother to answer their inquiry, but simply walked up to the deck of the ship stepped on board, looked out into the hazy elements before him, he saw the dark clouds rolling. He saw the lightning licking her ugly tongue across the blacken sky. He saw the wind, howling and heard them whistling. He saw the waves of the

sea white-capping beyond the heights of the little ship. Not in a loud boisterous voice, but in the calmness of his own soul, he said, "Peace, Be Still! It was in those moments that all the fuss was hushed up and the Commander of the world took his rightful place, so much so, that it was heard among the disciples these words, "what manner of man is this that even the sea obey his will." I submit to you today that as a church group, as believers in him, that:

My hope is built on nothing less
Than Jesus' blood and righteousness;
I dare not trust the sweetest frame,
But wholly lean on Jesus' name.

When darkness seems to hide His face,
I rest on His unchanging grace;
In every high and stormy gale,
My anchor holds within the vale.

On Christ, the solid Rock, I stand;
All other ground is sinking ground,
All other ground is sinking sand.

REPORT OF COMMISSION OR ARMED FORCES CHAPLAINCY

DR. J. C. SAMS, PRESIDENT NATIONAL BAPTIST CONVENTION
OF AMERICA; VICE PRESIDENTS - PRICE AND BYRD.

The Commission on Chaplains and Endorsing Agent of the National Baptist Convention of America, appreciate this privilege to make our report on the Commission on Chaplains and Armed Forces Personnel.

As you know, our job is to check credentials and pass on applications of qualified ministers who are desirous of becoming chaplains in one of the five branches of service. Navy, Air Force, Army, Veterans Administration and Civil Air Patrol.

Since we last met in our Annual Session in Chicago - 1973, your Endorsing Agency has endorsed three chaplains, all of which are serving in the V.A. (Veterans Administration at this time.)

I. THE RELIGIOUS ACTIVITIES OF CHAPLAINS:

There was a time in my life, when I looked upon religious services, and religious activities in military ranks with a critical eye. I am sure I joined a vast number of other Civilian Clergymen whose knowledge was as limited as mine concerning Military Religious Worship, saying, "A Chaplain in these branches of services could only preach what was handed down to him by the government. I also had the false notion, just like many of my fellow clergymen that a military chaplain could not be dynamic and forceful in the delivery of his message."

Now, that I have been blessed with the opportunity to visit various Military Installations, and made a close up study of the chaplains Religious Activities, I have been convinced that the Religious programs in the Armed Forces ranks are far in advanced of the local churches program. I say this regretfully, but this is a fact.

Chaplains in Military Services are providing front line spiritual guidance for men and women in all branches of service.

A Chaplain goes on active duty as an officer, but first of all, he is an Ordained Minister of the Gospel — A Priest or a Rabbi. Yet, he enters the Service as an officer. His Commission from God must come before his Commission from any branch of Military Service. His foremost duty lies in his Divine Service, according to the rites and practices of his own church.

The effectiveness of a Chaplains Leadership is enhanced by the fact that he wears the uniform of the men he serves. (He wears no Special Garb) The two symbols worn are The Cross, worn by Protestants and Catholic Chaplains and the Tablet worn by Jewish Chaplains.

I have visited Military Installations in Asia, Europe, Greenland, Alaska, Canada and the United States. They all wear the same uniforms and the same symbols.

II. CHAPLAINS WORKING TOGETHER FOR ONE COMMON CAUSE:

Military Chaplains have always more or less worked together, and Christian Churches have occasionally aided one another in much the same way. On the whole though, this picture of Christian togetherness has left much to be desired — meaning our local churches have not

reached that point yet. Teamwork is not new to the Chaplain Corps. . . But in the present day there is a renewal and soul searching about ecumenism, which opens a broader view of what team ministry can mean. Because of the Spirit of ecumenism, the Chaplain has opportunities to serve the military which have never been possible in time past. Opportunity for TRUST, FOR SUPPORT OF FELLOWSHIP, which would have been unheard of ten to twenty years ago.

III. SPECIAL VISIT

On August 22-23, 1974, The Rev. Dr. John Thurston, a member of the Endorsing Commission and I made a visit to Two Military Installations in the state of Colorado. (1) The United States Air Force Aero-Space Defense Command, where we were special guests of Chaplain Col. Newton V. Cole and Chaplain Lt. Col. James T. Myers. We were picked up at our hotel by a chauffeur driven Military car, carried to the Administration Building where we spent more than two hours in a briefing of the Chaplains Activities. Slides, tapes and diagrams were shown. The scope of their ministry is so great it would have taken all day to have completed the briefing.

PAMPHLET — INSTRUTEACH

(2) The Second Installation visited: The United States Air Force Academy, which lies in the foothills of the Rocky Mountains near Colorado Springs, where the Majestic Mountains stands as symbols of the steadfast spirit aspiring men of our nations needs as leaders.

This sight was chosen for the erection of the academy to be a constant reminder of the mission to educate future leaders equal to the strength and stature of the towering mountains, the academy has inscribed these words by Sam Walter Foss above the Portal leading to the Cadet Parade ground.

"Bring me men to match my mountains,
Bring me men to match my plains,
Men with empires in their purpose
And new eras in their brains"

The United States Air Force Academy meets the Challenge of Man's Spiritual Resources as well as his Technology — This is done with a

comprehensive religious program for all young men of the cadet wing. Under the leadership and supervision of Air Force Chaplains, a program is provided that includes Formal worship, Bible Study, Religious Study Groups, Spiritual Retreats, and Humanitarian Projects. Cadets assist in the Program by serving Ushers, Sunday School Teachers, Choir Members, Lecturers and Commentators.

Three Cadet Religious Councils: Catholic, Protestant and Jewish, made up of members from each class, keep the Chaplains apprised of cadets spiritual problems. All cadets are urged to attend religious services in the Cadet Chapel or a church of their choice. Holy Day Services and other services of Special Religious Significance are scheduled so that cadets of all faiths may carry out their obligations.

ANOTHER SLOGAN — I SAW POSTED ON THE GROUNDS: "Man's Fight Through Life is Sustained by the Power of His Knowledge."

As soon as a Cadet has been admitted to the Cadet Wing, he is expected to assume the obligation of living by the Honor Code, which reads "WE WILL NOT LIE, STEAL, OR CHEAT, NOR TOLERATE AMONG US ANY ONE WHO DOES."

There are 1350 Cadets of that number 80 are black men. All their Education Free — College Degree — Masters — \$250.00 month.

EDUCATION A NECESSARY PRE-REQUISITE

II TIMOTHY 2:3 — The Apostle Paul writing to Timothy, encouraging him to "endure as a Good Soldier of Jesus Christ" — I hear him saying again — Study to show thyself approved unto God, a Workman that needeth not to be ashamed, rightly dividing the word of truth.

Men and women in Military Service have already been trained and alerted to render service in the defense of their country.

The Chaplain — The Gospel Preacher is to keep those men and women in service mindful of the fact that they are already soldiers of Jesus Christ. They must be told — the highest priority in military service is not guns and ammunition, not other fighting equipment important as they are to combat the enemy — Chaplains in Military Service know that the souls of those men must come first.

Chaplains are called to preach a living Christ — They are called to

preach a living Gospel. God's word is alive.

I say we do not preach a dead gospel, No! — The Gospel we preach is alive because Christ is alive — I know he is alive because he said one day — After his resurrection — just before going back home to His Father, he declared that ALL POWER — ALL POWER OF HEAVEN AND EARTH IS IN HIS HANDS — I KNOW CHRIST LIVES, BECAUSE THE WORLD STILL STANDS.

REPORT OF THE TRANSPORTATION COMMISSION

Rev. M. M. Malone, Chairman

President Sams, Vice-Presidents, Officers and messengers to the National Baptist Convention of America.

It is with a sense of humility and at the same time, an honor to have the opportunity to give an account of our stewardship of the past year for the Transportation Commission formerly known as the Railroad Commission.

We said in last year's report that we wanted to get more people to the Convention the most economical way. I am sure that you can see the increase in the attendance. There are many people from all over the nation who have come in groups to this Convention. This brings about a greater attendance as well as a great fellowship which is so badly needed in the Baptist family.

Much of our time this year has been spent in making arrangements for the 13th Baptist World's Alliance to be held in Stockholm, Sweden July 8-13, 1975.

In order to receive room accommodations, according to the General Secretary, Mr. Robert S. Deury, whose office is in Washington, D.C., everyone must register for the Alliance in order to receive a room. Agents are requested to collect the registration fee of the Alliance when

the initial deposit for the tour is collected. Registration forms are available now.

It is also our objective to have a substantial number in attendance from this Convention at the Baptist World's Alliance. It is definitely our purpose that no person will be taken advantage of. Brethern, my reputation is at stake. My reputation is worth more than a few dollars.

I have with me some registration blanks, so that, you who plan to go, may register in order that you may have hotel rooms.

We must have some statistics on the approximate number of people in attendance at our Convention each year. This gives us something with which to negotiate with in dealing with travel agencies, airlines, buslines, trains, etc. We also must know the mode of transportation by which you have come. Next year, if the Lord wills, we will have a booth or table with cards for you to fill out giving name, address and the method of transportation to the Convention.

Brother President, I should like to recommend that we broaden the Commission and provide for representatives for four regions.

We also have need of stationary and letterheads in order to write to different people throughout the nation and urge them to attend the National Baptist Convention and to tell them by what means of transportation that is available to them in their areas.

Humbly Submitted,
Rev. M. M. Malone, Chairman
Transportation Commission

WORLD BAPTIST POPULATION INCREASES
2.25% in YEAR; NOW 33,492,813

Washington, D. C. USA increased this past year by another 2.25 per cent, bringing the new figure on baptized believers of the Baptist faith to 33,492,813, the Baptist World Alliance has announced. While records for some years are not available, it is believed that the Baptist population has increased every year since the Alliance was founded in 1905.

The continent with the greatest increase during the past year was North America from 29,013,168 to 29,596,096, a growth of 582,928 or nearly 2%. The continent with the greatest proportionate increase was Africa, which shot up from 652,198 to 716,032, an increase of 63,834 or 9.8%.

North America is the principal continental area for Baptist, with its 29,596,096 share of the overall total. Within North America, the Southern Baptist Convention is the largest body; it has 12,297,346. The second greatest Baptist population by continent is in Asia, with 1,160,983; the third largest is in Europe with 1,158,972.

The analysis by countries shows the leading Baptist locations to be:

A NEW BEGINNING

By

Marvin C. Griffin, Historian

After having served as chieftian of the Nat'l Baptist Convention for ten years, Dr. C. D. Pettaway resigned Thursday, September 7, 1967 during the 87th annual session which convened in the State Fairgrounds Colliseum in Indianapolis, Indiana. Dr. James Carl Sams was elected to the convention presidency. Dr. Sams had served for ten years as first Vice President with Dr. Pettaway.

The change in National leadership was a smooth transition which may be compared to the shift in the leadership of Israel from Moses to Joshua and from Elijah to Elisha. In the evening of his years Dr. Pettaway was stricken, though his spirit was willing, his body was without the physical strength to perform the burdensome responsibility of president of the National Baptist Convention of America.

In a meeting with his cabinet in his hotel room Tuesday, September 6, Dr. Pettaway discussed his decision to resign or retire from the duties of the presidency that the work might continue to grow and prosper through the diligent efforts of strong and vigorous leadership.

Speaking to a crowd estimated at 5,000, Dr. Pettaway in his annual address called for an end of violence. He said,

"For the first time in the long agony of American Negro History, the spirit of vengeance is on some of our people. Certainly, there is a wide gap between the promises given us through Federal laws and the reality of our lives."

During his address Dr. Pettaway offered his resignation and recommended Dr. J. C. Sams, President; Dr. B. O. Byrd as first Vice President, and Dr. Robert H. Wilson as second Vice President.

Following Dr. Pettaway's annual address, Dr. P. S. Wilkinson made remarks related to the motion that Dr. Pettaway be made President Emeritus. It was seconded by Dr. John W. Williams. The Rev. Robert Wilson offered a second to the motion and amended the motion to include an annual honorarium of 2,500.00 with office and expense to the annual meetings. The motion as amended carried.

With Dr. P. S. Wilkinson presiding, Rev. Luke Mingo made a motion

that Rev. J. C. Sams be elected President, Rev. B. O. Byrd Vice President and Rev. Robert Wilson, Second Vice President as recommended by President Pettaway. It was seconded by others.

The motion was arrested by Rev. N. T. Burks of Houston, Texas, who made a substitute motion that the name of Rev. M. L. Price be inserted in the place of Rev. Wilson, for the second Vice President. It was carried. The vote was 552 for Rev. Wilson and 779 for Rev. Price. Rev. Price was declared elected.

So it was an end and a beginning. It was the end of Dr. Pettaway's tenure as president. The veteran leader spent twenty-six years as a leader of the convention; sixteen years as Vice President prior to his election as president. After his election as president he served for 10 years. This session marked a new beginning for Dr. J. Carl Sams. Having served as a Baptist minister for thirty-five years as a pastor of a number of churches and as President of the Progressive Baptist State Convention of Florida.

President Sams began by issuing a ringing challenge to the convention to go forward. He expressed a desire to hold a special meeting before the Mid-Winter Board. It was decided that a special meeting be held Tuesday prior to the Mid-Winter Board and that 100 churches would be enlisted to bring \$100.00 to the special meeting.

So it was that the 1967 session of our convention in Indiana marked a transition in our leadership. We remember Dr. C. D. Pettaway as part of our yesterday. Dr. Sams is identified with our today and our tomorrow. We honor these leaders of yesterday, today and tomorrow.

So much to do, so little done
 Ah, yesterday I saw the sun
 Sink beamless O'er the vaulted gray
 The ghastly ghost of yesterday
 So little done, so much to do,
 Each morning breaks on conflicts new,
 But eager brave we'll join the fray
 And fight the battle of today.
 So much to do, so little done,
 But when it's O'er the victory won.
 Ah, then my soul this strife and sorrow
 Will end in that great glad tomorrow.

RESOLUTION COMMISSION OF PUBLIC RELATIONS

In as much as Public Relations has become a specialized art in our Society and a critical necessity for any organization attempting to accomplish program aims which involves influencing others, and

In as much as the National Baptist Convention of America is dedicated to a program of service to the Christians within the churches and earnest seeking for the sinners as well as attempting to influence the society of which we are a part toward christian commitment, and

In as much as our present Constitutional provision of a Reporter falls far short of desirable means;

Be it therefore resolved:

That a Commission on Public Relations be established with seven members charged specifically with the responsibility of using all available media and other means to present our Convention in the best possible light to aid in the accomplishment of our objectives;

Be it further resolved that the following comprise the Commission: Reverend Brothers A. J. Jeffrey of Oklahoma, A. W. Goforth of South Carolina, J. D. Williams of Indiana, J. E. Obey, of Texas, Leonard Williams of Louisiana, W. E. Cook of Pennsylvania and Robert T. George of California.

**80TH
ANNUAL REPORT

Nashville, Tennessee**

Greetings:

To our President, Dr. J. C. Sams; Vice Presidents, Dr. B. O. Byrd and Dr. M. L. Price; and to our Chairman, Dr. Luke W. Mingo of the Home Mission Board; Executive Officers; Brothers and Sisters:

God bless our togetherness here today for this great cause of kingdom building. It is with a prayer of thanksgiving though Jesus our Saviour for this another privilege to present you our Annual Home Mission Board report. I can truthfully say that God is good, God has been good and God is good right now. As we keep plodding through the years of the Seventies, we are encountering many strange experiences — many we've never heard or dreamed, but by the grace of God we've come this far by faith. I wish to express "Thank You" in the name of Christ to every one of you who has felt divinely called upon to support the cause of Home Mission through this your National Board.

In any people's struggle for self-realization and relief from unjust hardship, some must advance above and ahead of others in order to lift

the rest. The Bible enjoins us: "to cast thy bread upon the waters! for thou shalt find it after many days." We are also warned in the Holy Writ, "But whoso hath this world's good and seeth his brother have need, and shutteth up his bowels of compassion from him, how dwelleth the love of God in him?"

In the parable of the Good Samaritan, Jesus does more than praise the good Samaritan for showing compassion on a non-Samaritan. He also condemns the Jewish Levite and Priest for an unneighborly attitude that ignored a beat-up and passed-up fellow Jew.

Yes, the saying is true: "Charity begins at home" and spreads abroad. Fellow yokeman, whatever donation you have given, be it large or small, has been used to support the many churches and relief of the needy to the best of our ability. Tragedies, tornadoes, floods and flames have struck in many areas of our nation this year, however, by the help of God we've done through the Home Mission Board what we could to bring cheer.

In these confused and utterly chaotic times we've heard much of the Watergate. We've seen the change of the presidency in the middle of the stream; but amidst it all, there is the Great President of the Universe who is the same today, yesterday and forever. Let's take note of the watergate at Jerusalem, when Ezra read the word of God to the people. Take note of their eagerness to hear the word of the Lord. Take note how long they listened. May we not become so hurried and rushed that we fail to hear that still small voice: "Be still and know that I am God." As I prepare to close these words of accountability as your secretary of this our Home Mission Board, those of you who have contributed and to the ones who have not contributed at all, may the Lord stir your hearts to do something for the fields are ready for harvest, but the laborers are few.

By way of expressing gratitude, I am deeply grateful to have been able to share with the Baptist of the world in serving on the local committee for the 8th Baptist World Youth Conference held in our city, Portland, Oregon, July 31 to August 4, 1974, where more than 60 nations were represented. Conference theme was "Christ, our Challenge to Live."

Paul, the veteran missionary, leaves this challenge with us: "For me to live is Christ, and to die is gain." Accept the challenge to pray, preach, teach and give of your means to support our missionary field

through the Home Mission Board. It's a challenge to set an example for other people, to show that you are a Christian and that Christ does make the difference. And they'll know we are Christians by our love. Express it with your gift now. Won't you give?

Prayerfully submitted,
Rev. O. B. Williams, Secretary

ANNUAL REPORT
OF
The Benevolent Board
OF THE
NATIONAL BAPTIST OF AMERICA
AT
NASHVILLE, TENNESSEE

Dr. J. C. Sams,
National President

Rev. W. M. Bowie,
Chairman

John W. Williams, Th. D.
Secretary-Treasurer

Florence E. Billingsley
Recording Secretary

To the President, Dr. J. C. Sams, Chairman, Rev. W. M. Bowie, Officers and Members of the National Baptist Convention of America, Greetings!

Again, it is a pleasure to be able to fellowship with you in our National Baptist Convention and to serve you in the capacity of Secretary-Treasurer of the Benevolent Board.

The report sent in to the Auditor gave account of monies received and paid out up to June 30, 1974. It showed a grand total of \$9,866.00 received. This included \$1,000.00 received from the Convention in our Executive Board in February, in Houston, Texas; and \$1,000.00 given to the Benevolent Department in June immediately following the National Sunday School and Baptist Training Union Congress. Last year we had a deficit of \$76.26; this amount subtracted from \$9,866.00 left a balance of \$9,789.74.

During the year we had 25 deaths which were reported to the

Auditor in a total amount of \$7,300.00. After disbursements were made, we had a balance left of \$1.74. We have had 5 more deaths since the report was made to the Auditor; 4 @ \$300 and 1 @ \$200. These claims are to be paid in this Convention Session.

I repeat what was stated in the report last year as it is very important to all of us: I should like to remind all of you that when an individual dies who is a member of the Benevolent Department, you should send the death certificate along with your receipt for the fiscal year payment. When the notice is received, I write the check and send it to President Sams; he signs it and sends it to Dr. Boyd who signs it also and returns it to me. This I send it to the beneficiary. Sometimes I am out of the city when the notices come and at times Dr. Sams and Dr. Boyd are not immediately available and we have to wait several days before we can process the claim.

Please be considerate and do not spend money or use time in writing about your claim. I am sure you know by now that the Convention stands behind all claims and yours will be paid as soon as the claim is processed.

Remember, your benevolence is not in force unless you pay the \$12.00 membership fee each year.

ANNUAL REPORT
OF THE**Educational Board**NATIONAL BAPTIST CONVENTION
OF AMERICA

September 4-8, 1974

Nashville, Tennessee

Dr. P. S. Wilkinson, Chairman

Rev. J. B. Adams, Recording Secretary

Dr. W. Earl Hausey, Secretary-Treasurer

To our President Dr. J. C. Sams, Vice Presidents, Officers of the National Baptist Convention of America Assembled in its 94th Annual Session, Chairman Dr. P. S. Wilkinson, Officers and Members of the Educational Board, Brothers and Sisters.

Greetings:

Jesus said, "He that hath an ear let him hear what the spirit (Holy Spirit) says."

I feel that I am reporting to Saints of the Lord who understand that the kingdom of our Master is not of this world. That His kingdom is spiritual, and the responsibility of the Saints is to make disciples for the kingdom.

But can one do the job demanded of him or her by the master unless he or she is trained?

Jesus said, "Teach them" this command brings into clear focus the need of the church related school.

Since all education is centered on some given objective, and truly the objective here is to train and develop laborers for the spiritual kingdom

of our Lord. Not only must the church related school have an objective, but it must have teachers, curriculum and students. The spiritual kingdom of our Lord needs Christian institutions of higher education. The National Baptist Convention recognized the need of Christian schools, thus the Educational Board is its agency through which it supports Missionary Baptist Christian Educational Institutions.

The following schools are approved and supported by the convention. (Mary Allen College destroyed by fire February 1972, funds are being raised to rebuild same), Virginia Seminary and College, Conroe College, Mississippi Baptist Seminary, Easonian Baptist Seminary, Guadalupe College, Morris College, Florida Normal and Industrial College, Union Baptist Seminary and Liberty Baptist College.

We as leaders of the Church whom the Lord has made us "Overseer" must be more serious about the work for which the church is established in this world. Remember Brethren there is a "Judgment Seat" and we must all appear and give account of our stewardship.

I have faith in God and His people to support the Educational Board. The proposed financial plan for the board is as follows:

| | |
|--|-------------|
| 100 Churches to contribute | |
| \$10.00 per month | \$12,000.00 |
| 100 Churches to contribute | |
| \$100.00 annually | 10,000.00 |
| 10 State conventions and District associations to contribute | \$100.00 |
| annually | 1,000.00 |

With these monthly and annual contributions added to the funds received from the parent body would give us a representative amount to be distributed among our schools.

THE 1973 - 1974 REPORT
OF THE
SECRETARY - TREASURER
of the
National Baptist Publishing Board
of the
NATIONAL BAPTIST CONVENTION
OF AMERICA

For the Fiscal Year Ending June 30, 1974

Established and Founded by the Late R. H. Boyd, D.D., LL.D.

S. H. Simpson, Chairman T. B. Boyd, Jr., Secretary

Nashville, Tennessee

To our esteemed President, Dr. James Carl Sams, officers, ministers, delegate and friends, we heartily welcome you to this 1974 session of our National Baptist Convention of America convening here in our city of Nashville, Tennessee. We pray that your stay here will be a pleasant one.

During the last 12 months, we at the National Baptist Publishing Board have been extremely busy. First of all, we have been striving hard to prepare and supply Sunday School, Training Union and other church literature as well as other helps to the many churches in our Convention. Though at times we seem to face insurmountable obstacles in getting the literature out, with the help of God and our faithful employees, we get the job done.

Secondly, we have been engrossed in the mighty task of the construction of our new plant which is nearing completion at this time. We are so very grateful for your support of the National Baptist Publishing Board down through the years, for without it, none of this would be possible. We humbly thank you, and ask that you will continue to allow us to serve your "printed word" needs. In our new, more spacious quarters, we are sure we will do an even better job of pleasing you, and with God's help and your continued support we pray that we shall be able to serve you from 7145 Centennial Boulevard for many years to come.

Our financial report for the fiscal year ended June 30, 1974 is as follows:

IN MEMORY

Sister P. S. Wilkerson of the State President's Council; Sister Pearl Ryan of the State President's Council; Sister B. W. Noble of the Ministers's Wives Council; Brother John D. Thompson of the Brotherhood Union and the husband of our President.

Forever in their Lord abiding, Who can their Gladness tell;
Within His love forever hiding, They feel that all is well.

The brief history of the Senior Women's Convention is a grand and glorious affirmation of the claim of the Christian Women and their Christian deeds. This Convention has attempted great things for God, the works of our National Christian leaders serve as an inspiration, not

only to us but also to the unborn generations to come. It has become increasingly evident that there is more strength needed and work of value to be done. It will be difficult to mention all of the work achieved by our dynamic leaders, who have made outstanding contributions. Let me expand upon the fact that it took and will continue to take Christian teamwork of all Christian women, regardless of race, color, creed, or national origin, to achieve any goal successfully.

Prior to the year of 1915, the women of the National Baptist Convention did their work through various boards of the Convention. They continued to work, looking forward to the day when they would meet as one body. On September 15, 1915, the women met in Chicago, Illinois. Under the recommendation of the President of the Parent Body, the Auxiliary of the Senior Women of the National Baptist Convention, began the task of enlisting and directing their effort toward collecting and raising monies for education and Mission services, not only for Foreign countries, but also for our needy home states as well. They felt as we should feel that men everywhere should know their God. In 1915, a division came, giving us the National Convention, Incorporation, and the National Convention of America. It was not until 1916, in Kansas City, Missouri, when the Senior Women Auxiliary was organized. The officers were as follows:

President—Mrs. Georgia D. Asburn of Illinois
 Vice President—Mrs. Annie Washington of Indiana
 Corresponding Secretary—Mrs. M. A. B. Fuller of Texas
 Assistant Secretary—Mrs. G. E. Dennis of Arkansas
 Recording secretary—Mrs. Helen A. Moore of Ohio
 Treasurer—Mrs. Emma Grimblin of Louisiana
 Statistician—Mrs. E. O. Woods of Oklahoma
 Auditor—Mrs. Abner of Texas

Mrs. Anna Washington of Indiana, was elected Vice President in 1916 and served faithfully, until she became disabled after many years of service. She has gone from labor, to receive her reward. Prior to the time of separation in 1915, we had only a small paper called "The Workers." In 1916, our Corresponding Secretary, Mrs. M. A. B. Fuller began writing literature for the Convention "Guide for Home and Foreign Missionary Societies," and the Young Women Auxiliary. In 1917, the first Motto selected was, "Women Arise, He Calledth For

Thee." This organization has been and still is a powerful factor in the religious lives of our Baptist women. We have grown by leaps and bounds, intellectually, spiritually, and financially.

In Shreveport, Louisiana, in 1928, Dr. M. A. B. Fuller was elected by an overwhelming majority as president. She was an authority on works of Christian women a professional and business woman. She organized the Starlights Band, introduced a resolution asking the President to appoint a committee to name a boy's organization. It was named the "Shepherd Boys League." The next resolutions were the formation of a Girls Auxiliary, Mother's Union and Junior Missionary Youth Department. Mrs. Hattie L. Williams was elected President of the Junior Women Missionary Department and is now serving as President of Missionary Department Number Two.

Rev. A. E. Chew of Fort Worth, Texas, who was only a youth at that time, was named President of the Youth Department. We had the honor of organizing this department under the divine guidance of God. The Children's Department was the last department to be organized, and the only department remaining in operation, under the Senior Women, with Mrs. Allene E. Lewis of Texas as Supervisor. We must commend her for a job well done.

In February of 1917, Dr. Fuller ended her life's journey. She fought a good fight, kept the faith and went home to rest from her labor, where she received her reward. We must pay homage to our great President, Sister Fannie E. Thompson, elected in 1967 at San Antonio, Texas, for a remarkable job, well done. You can see her great works and many achievements throughout igniting to higher heights. Let us continue to pray for her that she will continue to succeed in her many endeavors.

In our 1967 Session at San Antonio, Texas, Mrs. Gladys C. Vaught of Florida was elected Vice President. She has been like a crutch helping where ever she could on every occasion, working to make the President's every effort a success.

Let us not forget our other officers who have made many sacrifices and worked very diligently to make every effort of this great undertaking a success. I can't close this presentation without acknowledging the great women of the nation, for without you this would be in vain.

We closed a glorious Session in 1973 in Chicago, Illinois, and marked

another fruitful year, with our Winter Board meeting in Houston, Texas. Plans were made in this Session for our leaders to visit our Missions in Africa. From that meeting, plans were made to enlarge our work. Our president will tell us more about the trip. In closing, I would like to leave this thought with you. Work in your Local Missionary Society, District, State and National Department. "Work while it is day, when night cometh no man can work."

Respectfully submitted,
Amelia E. Houston, Historian
Belle Glade, Florida

EXECUTIVE BOARD AND SPECIAL CALL

Houston, Texas, February 26-28, 1974, Mount Sinai Baptist Church, 902 West Eighth Street, Reverend S. I. Gilbert, Pastor. The spiritual and hospitality tone was set with the presenting of the Welcome Program. Dr. M. L. Price, the General State President was presiding. The chours sang for us, "Magnify Him." Greetings were extended from the Office of the Mayor, Councilman Judson Robinson, Business Community, Dr. L. B. Bickham, Brother G. Smith of Mt. Sinai gave greetings for the church and pastor. The Chorale Group sang, "I Heard the Voice of Jesus Saying," after which, Dr. W. M. Bowie, Jr., greeted us in behalf of the State Convention. Surely, we felt welcomed but nothing was as impressive as the Texas Women March, led by Sister Lois Allen. Following this, we were led in the singing of, "Amazing Grace." The Sermon was preached by the Reverend J. F. Hargrett. In the Keynote Message, Dr. Sams, our President had challenged the entire Board. He did not say do you love the Lord? He simply reported the conditions of the Fields of Foreign Missions and expressed his desire; He seem to be saying I Love the Lord enough to do this, Do you Love the Lord. From this feeling of concern and love, Thousands of dollars were pledged and many pledges were payed before the Session closed. Of course, we, sisters pledged and paid our pledges, we are ready to start again.

3:30 P.M., Reassembled. "God's Servant's Hour," was beautiful, with Sis. Ruby Collins in charge. Before President Williams gave her message, she gave highlights on her trip to Africa and thanked the members for making it possible.

Excerpts from Presidents Message: As we come to the end of another year, let us step through the open door of 1975 with assurance and joy, and with a thankful heart for God's provision and sustaining grace.

Thinking through our movement, Mission No. Two Auxiliary, I thought to address you from this promised "Mission No. Two the Way Up." Certain key ideas came to my mind. Here are the ideas: Goals, Creative, Living, Security, Thanksgiving, Upliftment, Balance and Order, Dedication, Awareness, Flexibility, Renewal, Expand and Growth.

Goals: The size of your life is determined by the size of your thoughts. Make no small plans, accept no little ideals. Your plans will shape your life in a limiting or exciting way depending on you.

Creative Living: God's life is your life; Your life is God's life.

Awaken to this truth. Listen to what God is telling you. Live accordingly. This is Creative. (unquote)

THE NATIONAL BAPTIST CONVENTION AS I SAW IT BY IRA L. CLARK

For 33 years, the National Baptist Brotherhood Union has been trying to make a name for itself, not only in total membership, but the amount of assistance in money and cooperation. This dream was finalized at Nashville, Tennessee, September 3-9, 1974 at the National Baptist Convention of America.

1. More men attended this convention than at any other time before.
2. More men participated on the program than at any time before (approximately 500).
3. They were better prepared than at any time before.
4. They gave more money than at any other time before.
5. We had as good or better preaching than at any time before.
6. More sincerity and fellowship was exhibited than at any time before.

In other words (Matthew 1:23b), "And they shall call his name

Emmanuel," which being interpreted is, **God With us.** Surely we hailed these words as they have come down through the centuries, **God with us.** It does not yet appear what this great movement will be in the years to come, but, we do know that **God with us,** we will be like Him.

Dr. F. Benjamin Davis

PRESIDENT'S ANNUAL ADDRESS

To First Vice President, Rutland, Second Vice President Knight, Third Vice President Rand, all officers, members of the National Junior Women's Auxiliary, all Ministers of the Gospel and everyone present.

Unto Thee, O God, do we give thanks for another year of thy wondrous works. Thanks unto each of you for your prayers, and support given, which has helped our work to grow Spiritually, financially and numerically.

I stand boldly in the name of Jesus to say that I, may be physically stronger than last year, but by the Grace of God I am Spiritually stronger because a few years ago by the mercies of God I presented my body as a living sacrifice, holy, acceptable unto God. And being not conformed to this world, but transformed by the renewing of my mind and forgetting those things which are behind and pressing towards the mark for the prize of high calling of God. For these reasons, I can say that I am what I am today because of what I was yesterday. I will be what I will be tomorrow, because of what I am today. For I was a

sinner sinking deep in sin, trying to find my way. But now, I am a sinner saved by grace, washed in the blood of the lamb and I will be tomorrow and throughout eternity the same because one day I told the Lord that it would be all right if He signed my name and He chose me, cleaned me up, filled me and now He is using me.

Realizing that the fields are white and ready to harvest, we began in fields at home and spreading abroad.

November— I attended the Foreign Mission Board Meeting in Hattisburg, Mississippi. Contributions were made to M. A. B. Fuller Christmas Offering and towards our pledge for work in Africa. Bibles were sent to West Indies and Virgin Islands. February We attended our National Winter Board, held in Houston, Texas. The work increased spiritually, numerically and financially. Attended National Area Meeting in San Diego, California. March— Held Meeting in Los Angeles, California. April— National Area Meeting Followship in San Francisco, California. Sunday we returned to San Diego, California.

Upon the request of President Sams, each president was asked to accompany him to Africa to make a survey of Foreign Mission Project.

I thanked God for having the opportunity to travel to uttermost parts of the world. Thanks to each of you for your prayers, and support given. I want you to know that it is no secret what God can do. We arrived in Monrovia, Liberia on May 21. May 22 to Sione County to our Mission Sight. We were met by our missionary, Rev. Cottman, and members of Sione Village, singing in native tongues, "Glory To His Name." Dr. Sams stated that funds collected had been placed in the bank and will be used for improvement there in Sione County. We thank the Lord because we were able to witness and a young man accepted Christ.

We toured Nigeria, Ghana, Ivory Coast and left National Mission Guides. Arrived home June 4 from Africa and left June 7, for Oklahoma City, Oklahoma for a Mass Meeting. The Lord just filled our cups there. June 10, arrived in Wichita, Kansas for National Sunday School Congress, Enrollment tripled.

Thanks to each of you who responded to our National Mission Day in July. August 1-4, in Dallas, Texas for Mass Meeting.

Throughout the year, we have been on street missions, in hospitals, and prisons, and many souls have accepted Christ. The Lord blessed us and our reporter published our 1st. News Letter.

Thanks to each of you for making our Junior Mission a success.

The me: "Challenging Conditions Through Enlargement of Missionary Works." Isaiah 54:2

There is a striking similarity between the Book of Isaiah and the Whole Bible. The Bible has two main divisions, Old and New Testament. Isaiah has two divisions, 1st and 2nd. The Old Testament has 39 books. 1st Isaiah is comprised of 39 chapters. The New Testament has 27 books and 2nd Isaiah has 27 chapters.

Isaiah was a Hebrew Prophet, individualist, but always aware of the social and political needs of his nation. His message was not designed to mislead sinners, but to warn and challenge them. He was King Uzziah's cup bearer. King Uzziah was smitten with leprosy and had to withdraw from public affairs.

When Uzziah died Isaiah anticipated a crisis, but instead of a crisis there came God. He saw God, Himself and his call to duty.

God's instruction to men, women, preachers or teachers is to abide in Him. This is a divine and unchangeable imperative. The divine commission is applicable to all that listen. The Theme of our Message, if it is to follow, the divine mandate, must be God's Word. Our Mission is imperiled today by many temptations in the rapidly changing society. The church is operating under many kinds of pressures which are designed to detract our interest from the main stream of her divine purpose. And the main purpose is saving souls.

The book of Isaiah was written many years ago, but I am sure you can see that we are faced with the same conditions today. Such as National Crises, Political Tensions and Social Unrest. Injustice and corruption had entered into the structure of our nation. Men in high places are confused. Sin is not only lodged in the heart if the individual, but also in evil customs and unjust laws. Economic and social conditions are at their lowest level. Inflation has become a reality, drugs and crimes are rapidly increasing.

Man's heavy emphasis on education has resulted in what we call knowledge explosion. Some are saying education, not Salvation. Lack of Knowledge is not our problem. What Men lack is Wisdom to use their knowledge. No University offers a course on Salvation, or in Wisdom. Man can only get Salvation and Wisdom from God. When we rely upon education, we get what education can do; when we rely upon organization, we get what organization can do. Oh! but when we rely

upon prayer, we get what God can do. What the church needs today is not more machinery, not new organization or more methods, but men whom the Holy Ghost can use. Men of prayer. The Holy Ghost does not flow through methods but men. He does not come on machinery, but on men, he does not anoint plans, but men of prayer. II Chronicles 7:14, If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and I will forgive their sins and will heal their land.

We must not enlarge the condition of the world, we must challenge them through Enlargement of Missionary Works. In Challenging conditions, the church must stretch forth the curtains of their habitations. Spare not, it must strengthen its stakes as well as lengthen its cords. The church must anticipate enlargement. We should take the attitude and actions of those who are on the outside. We must realize that every church of today is the product of the Missionary Work of yesterday. Each one of us are sinners saved by grace.

When I think about the church being enlarged, I wonder if some are ready for enlargement. Do you have what it takes to enlarge. Are you the right person. You see David wanted to build the Temple, but God didn't want David to build because he had been a man of war, He wanted Solomon, his son, to build. David didn't insist or force himself. He advised Solomon to take heed; for the Lord hath chosen thee. It is unjust to force ourselves into enlargement before God calls. Isaiah was laid a live coal on his mouth, he said, "Here am I, send me," and then he was ready.

If the Lord hath not touched us, we are not ready to challenge conditions, because our ears are dull, our hands are filled with blood, our inward parts are wicked, our thoughts are vain, our tongues are unruly and full of deadly poison and our bones are full of sin. And we are in no condition to do Missionary Work. But when God comes, we are ready to cry aloud, "I must work the works of Him that sent me, while it is day; the night cometh when no man can work."

Night is coming and we must go where the problems exist and compel men to come that the Lord's house maybe filled.

For too long ministers and teachers of God's Gospel are only interested in enlarging church buildings and large memberships. Some of our churches have 500 to 600 members in Sunday School and

morning worship, and maybe 10 out to mission, 5 or 6 out to prayer and nobody to go on street missions or hospital and prison.

I don't know what each of you attend the Convention for, but we should come for the expressed purpose of learning and know how well each mission did last year. If you have only raised money and have not been the instigator of some soul having been saved, your enlargement is not in focus. If you have not stopped hating since last year, then your heart is not changed. And God can not use loveless men.

Are you still hiding in hate zone and strife one. Highways and alley and with someone doing your dirty work of undermining the society? And when the storm is over, you show your face and try and start another one and never ask the question, Is there any word from the Lord? If so, let the redeemed say so.

Where I stand to is not an easy task, it looks easy, but it is not. It is workable through Christ's enlargement of Missionary Work. I stand boldly in Him, lest manner that I was ever taught to say that I have enlarged my tent in my home. I have kept wayward boys and girls, fed and clothed them. Stood by bed sides of sick, stretched out my cord, tightened my stakes. Because whenever you call me, I answer your call, some times by even coming. Many times I traveled sick, no money, not knowing where I was going to stay. I speak in languages of Paul who said, I learned how to be hungry and how to be full, how to be abased and exalted by God.

But Jesus opened many ways and doors. I have led the National Junior Women as high as the Master's teachings permitted. Conditions may have made me sound a little harsh and cause you not to follow as you should, but I was led by the Holy Spirit in spite of. Many cries were made and you didn't answer as Christ would have you do. But I accepted the Lord, and challenged conditions through enlargement of Missionary Works.

So let the work that I've done, speak for me. For I shall let nothing separate me from the Love of God.

But, to find Joy there must be One Requirement met and that is to Find and Have Jesus. There is Joy in knowing that we have done our Best and Remember that this Joy is always available; for Jesus said, "ALL YE THAT ARE HEAVY LADEN COME UNTO ME. FOR JOY IS IN THE LORD." There's Joy in knowing that when life is over and we've done our best, there will be

a Savior to receive us in the end. Don't be dismayed whatever be tides for in any and all conditions there's always a time when we can find Joy. Services ended singing, "PRECIOUS LORD TAKE MY HAND." A spiritual and soul stirring sermon was delivered.

Speakers text was Luke 10:25-37, Verse 34: Subject: "DEAR MASTER DON'T PASS ME BY." Highlights: A nurse can't afford to pass anyone by that needs your service. He stated Our Savior will not come until we ask him. It's a good thing to ask the question, "WHAT SHALL I DO TO INHERIT ETERNAL LIFE?" There are men and women in the church of God that should be helping us, but pass us by, refusing to Help. But with assurance we can cry unto the Master, DO NOT PASS ME BY. He entreated us as we go home tonight to bow down on our knees and Beg God by saying, MASTER PLEASE DO NOT PASS ME BY. To sum up all the things God can and will do, HE is a Heart Fixer, stressing I know the Lord will Make a Way. As the Spirit dwelled with the speaker, the Holy Spirit filled the temple and our Souls were spiritually fed. Meditated with, "SAVIOR HEAR MY HUMBLE CRIES."

PRESIDENT'S MESSAGE THIRTEENTH ANNUAL SESSION NATIONAL BAPTIST NURSES CORPS AUXILIARY OF NATIONAL BAPTIST CONVENTION OF AMERICA SEPTEMBER 6, 1974

To the Vice Presidents, Officers, Co-workers, Messengers, Visitors and Friends,

Greetings: In the Name of Our Lord and Saviour Jesus Christ.

Once again we are privileged to be assembled together in another Annual Session. This marks our Thirteenth Session as the National Baptist Nurses Corps and Christian Friends coming together to combine hearts, Minds, and talents in the efforts of Kingdom Building, for this we are grateful.

In-keeping with the General Theme for this Session now convene

"The Gospel of Liberation for The Sin-Bound; John 8:32-36"

Webster defines the word Liberation as, The act of liberating; Liberate means to set free, to release from restraint or bondage to set to liberty. We choose for a Subject "Freedom After While" Scripture Basis: John 8:36; I Corinthians 6:9-20; Ephesians 4:22-25; Revelation 3:4; 7:9-14; 22:14

The moral nature of man makes him feel that sin should be punished, when we read of a drunken driver causing a wreck, we say, "That Fellow ought to be sent to prison, we read with horror about some man or woman taking a life to receive money or some personal gain, we feel that no penalty can be too severe. God however does not,

and says, "All Who Sin are worthy of Death." On the other hand, eternity would be lonely for God with everybody banished, so Jesus came to the rescue "I'll pay the penalty, and send them a helper and guide in the Christian Life," He said. It is like a man today saying, I'll pay the fine and be responsible for the offender. The plan was acceptable to God, and He permitted Jesus to come to earth to pay the penalty which man deserved to pay, promising the forgiveness of sins to all who would accept His sacrifice. God gave the Law through Moses, but Grace and Truth came through Jesus Christ. O' What a mighty God we serve. One who gave His Son that we may have life. John 8:36 states: "If The Son therefore shall make you free. Ye shall be free indeed."

Now if Christ had not died, we would still be bound in our sins. Divine justice would not be satisfied, there would be no mediator or reconciliation, and there would be no certainty of a life beyond.

Christian friends beware of Satan, for he has power too, he is shrewd and always on his job, he is confusing. Since the world seems so confused today—Don't-Forget-To-Pray. We have to live in this world, but we should not be of the world. Do you have a Saviour today? Do you have the certainty of a life beyond the grave? Choose a life for Christ with the conduct of a true believer. Paul states: I Corinthians 6:9-20 "Know Ye not that the unrighteous shall not inherit the Kingdom of God for we are bought with a price; therefore glorify God in your body, and in your spirit, which are Gods. " Practice True Worship, it will bring your whole life into harmony with God's way. Put away the old personality which conforms you to your former course of conduct, we should be made new in the force of actuating our mind and should put on the new personality which was created according to God's will in true righteousness and loyalty; (Ephesians 4:22-25). Putting on the new personality means, putting away obscene, lying speech in favor of clean truthful language. Having an upright honorable conduct, cultivating, not greediness, but unselfishness, and with generosity. We must give of self, time and talent to the glory of God. For by Grace are Ye saved through faith; Faith is our first requirement. Hebrew 11:6 states: "But without faith it is impossible to please Him; for he that cometh to God must believe that He is, and that he is a rewarder of them that diligently seek Him."

Yes, life is a struggle, but when you have faith in God, you never need to fear, no matter where life leads you, because on this Christian

journey there are mountains so steep and hard to climb, many stumbling blocks, thorns and thistles get in my pathway, but as I look to the hills, from whence cometh my help asking Lord, don't move my mountains, but give me strength to climb, now Lord, don't move my stumbling block, but lead me all around them.

We were never promised roads wide and smooth without a stone, nor life without sorrow and pain, all sunshine and no rain. You don't know how it feels to be over if you have never been under, you don't know what it is to wear a smile, if you have never worn a frown; you don't know how it feels to be free if you have never been bound; you don't know how it is to be up, if you have never been down. Christian friends, when you have faith, you are never left alone, storms may rage, and thunder may roll, waves of sin dash high to conquer your soul, fear not God is still on the throne. He watches and cares for His own. (His grace is sufficient).

Blessed be God, even the Father of Our Lord Jesus Christ, the Father of mercies, and the God of comfort; who hath comforted us in all our tribulations that we may be able to comfort them which are in any trouble.

In closing there are many rewards for the true, and faithful. Heaven is a representative of all miseries of life, Nurses, keep the Faith, have a Hope. Love one another, and have Charity.

I have a Hope in Christ Jesus, and He has assured me that if I walk in the path-way of duty, righteousness, keep His commandments, and work until the close of the day, I shall see the Great King in His beauty, when I've gone the last mile of the way. The darkest night is just before dawn, the hardest fight is just to keep holding on. I am a witness, and I am determined.

After having met all requirements: I shall exchange my cap for the crown of life (James 1:12 tells me about the overcomer crown) Blessed is the man who perseveres under trial; for once he has been approved he will receive the Crown of Life, which the Lord has promised to them that love Him. Revelation 3:4 assures me that if my white garment is not defiled I shall wear white again, and they shall walk with me in white; for they are worthy. Also Revelation 7:9-14 tells me what John saw, don't you know I want to be in that number, a great multitude which no one could count. The 14th verse says, "These are they which

come out of the great tribulation, and have washed their robes, and made them white in the blood of the Lamb. Blessed are they that do His commandments, that they may have the right to the tree of life, and may enter in through the gates, into the city.

If in my heart I do not yield I shall be free some day.

EIGHTH ANNUAL MESSAGE

Strength for the day, oh Jesus I pray,
 Strength for each moment, if bright or gray,
 Strength to overcome, when life's billows roll high,
 Strength when sun rises, shines in the sky.
 Strength for my labors, if little or great,
 Strength for each task, e'er the light does abate,
 Strength to accomplish, yes all to the end,
 Strength for a moment, with others to spend.
 Strength Lord, from thee e'er life's spanning shall flee,
 Strength for whatever the morrow may be,
 Strength every step of the lone way,
 Strength to meet boldly, my last living day.

To my Vice President, Brother Walker, Officers, Ministers, Pastor, Ushers, Visitors and Friends.

Today is a great day with me. I am so grateful for God allowing me to be present. I have had so many good friends and some of the Ushers that were here last year, that on today, their voices are silent, and He has been so good to spare me, not on my goodness, it was His grace and I am thankful.

Today is my eighth time to rap this Gavel. Eight years ago in Kansas City, Missouri, you elected this your humble servant as your President, and I have not had to miss one meeting. He is such a good God. That is why I say a charge to keep I have. A God to Glorify, who gave his Son my soul to save, and fix it for the sky. To serve the present age, my calling to fulfill. In all my power engage, to do my Master's will.

May I pause here and express my eternal gratitude to all of you, including the Ministers, who also played such a wonderful part, in helping me on my tour to Africa, it was a trip I will never forget. And I will never forget you and your kindness. I will be telling you more

about the trip later. All the places I have been, I will not attempt to name, but I do appreciate all your cards and gifts, as well as your prayers.

THEME

"THE GOSPEL OF LIBERATION, FOR THE SIN-BOUND" St. John 8:32-34

GOSPEL—The Gospel is good news or Tiding. One of the four Gospels read, it is a part of "Divine Service" trying to get people to see and know God.

LIBERATION—Set free, release from bondage, deliver, or to release, for the sin bound.

So we are going to talk about how the gospel can save and set you free from sin. Sometimes we wonder today, is the whole world sin bound. When you read the paper, listen to the radio, or look at T.V., you see or hear of so many sin bound people, Murders, Dope Addicts, Alcoholics, sin bound, but the Gospel will save.

St. John 8:32, And ye shall know the truth, and the truth shall make you free.

St. John 8:33, They answered Him, We be Abraham's seed and were never in bondage to any man: how sayest thou, ye shall be made free?

St. John 8:34: Jesus answered them, Verily, Verily, I say unto you whosoever committeth sin is the servant of sin.

St. John 8:42: Jesus said unto them, if God were your Father, ye would love me: for I proceeded forth and came from God; neither came I of myself, but he sent me.

St. John 8:47: He that is of God heareth God's words: ye therefore hear them not, because ye are not of God.

You don't have to worry about a person doing right if he or she knows God, this work is easy to do. It is easy to do as the President ask you to do, but if you don't know God, it becomes a burden, and you will make all kind of excuses. Listen to the Gospel it will change the sin bound. Now I know God through the Gospel, it changed my sin sick soul one day, as I was bound for hell, he lifted me through the Gospel, and I was set free. The Gospel of Liberation for the Sin-Bound.

There was an old colored salve for forty years, a man asked one day,

what is Grace? "Grace," he replied, "Is what I should call giving something for nothing." Let Grace and goodness be the principal loadstone of thy affections. A Christian Grace is like perfumes, the more they are pressed, the sweeter they smell. I wonder sometimes why my way seems so hard, dark, and dreary, but now I see I have more Grace, and it has to be pressed. Like Stars that shine brightest in the dark, like trees, the more they are shaken, the deeper the root goes, and the more fruit they bear. Grace comes into the soul as the morning sun into the world, first a dawning, then a light, and at last the sun in it's full brightness. You pray for the graces, of faith, hope and love but prayer alone will not bring them. They must be brought in you through labor, patience, and suffering. The being of Grace must go before the increase of it, for there is no growth without life, and no building without a foundation. As Grace is from God, so it is continually from him. As much as light is all day long from the sun, as well as at first dawn or sun rising. As heat is to cold, and light to darkness, so is Grace opposed to sin. Fire and water may as well agree in the same vessel, as Grace and Sin in the same heart.

How often we look upon God as our last and feeblest resource. We go to him, because we have no where else to go, and then we learn that the storms of life have driven us not upon the rocks, but into the desired heaven.

I have read upon many strange religions, and there is nothing like the old thing. After all I have looked into the Philosophical systems and have found none that will work without God. God should be the object of all our desires, the end of all our actions, the principle of all our affections, and the governing power of our whole souls. Whenever I am troubled, and lost in despair, I bundle up all my troubles, and go to God in Prayer. I tell him I am heartsick, lost and lonely too. That my mind is deeply burdened and I don't know what to do. But I know He stilled the tempest, and calmed the angry sea. And I humbly ask if in his Love, He'll do the same for me. And then I just keep still and think only thoughts of peace. And if I abide in stillness, my restless murmurings cease.

This completes another year's work today, You have been wonderful. I do thank the Almighty God.

As each of you know this is my Theme, and I am Sincere.

Have thine own way, Lord, Have thine own way.
 Thou art the Potter, I am the Clay.
 Mold me, and make me after thy will,
 While I am waiting, yielded, and still.
 Have thine own way Lord, Have thine own way.
 Search me and try me Master, today whiter than snow.
 Lord, wash me just now, as in thy presence I bow.
 Have thine own way Lord, Have thine own way.
 Wounded and weary, help me I pray, Power all Power surely in thine,
 Touch me and heal me Saviour Divine.

"I Have Done My Best"
 Thank You

MESSAGE FROM THE ASSISTANT RECORDING SECRETARY'S DESK

To the National Usher's Convention. I am blessed with the privilege of having to serve as your Secretary in this Session and to compose the minutes due to the illness of our Recording Secretary, Sister Dorothy Garrison. It made me happy to know you have placed such confidence in me that you have chosen me to serve you. Pray that I shall continue to do my best and do a better job. It has been one of my greatest pleasures to serve. I have tried to give you the best report I could. However, if you find any mistakes please forgive me, because it was through an oversight. If you would report your Registration Copies correctly, then I would have been able to give you a better report. I am always open for corrections. So, if you let me know where the wrong is, then I'll be more than happy to correct my work. Thank you and may God's rich blessings flow upon all of you.

Assistant Recording Secretary

History of the National Baptist Convention of America - Usher's Auxiliary

To the President, Sister Allen, Rev. Davis, our Bible Instructor,
Constituents of this Auxiliary, Visitors and Friends:

I greet you in the name of our Lord and Saviour Jesus Christ.

When I think about our togetherness here this week, what it represents, and what it means to us, I have to take a retrospective look, and thank God for His being responsible for our being here in this wonderful fellowship representing eight (8) years of our auxiliary.

Then too when I think of Joseph, the dreamer, my mind reflects back to another man who had a dream, and in his dream he envisioned a togetherness of all Ushers of the Churches in our National Convention to be known as an auxiliary to our National Convention. This dream materialized in September, 1966 in Kansas City, Missouri, during the setting of the Annual Session of the National Convention. It was during this time that the Usher Auxiliary was organized, by the dreamer, Dr. P. S. Wilkerson, Pastor of New Light Baptist Church, San Antonio, Texas; Dr. M. L. Price, Houston, Texas and Rev. S. L. Davis, Austin, Texas.

It was at this time that a candle was lit which was the organization of the group. The Officers were elected as follows:

Sister Katie Allen, President, Austin, Texas
Sister Annie B. Johnson, First Vice President, Louisville, Kentucky
Sister Helen Porter, Second Vice President, Kansas City, Missouri
Sister Dorothy Garrison, Recording Secretary, New Orleans, Louisiana
Sister Viola F. Johnson, Assistant Recording Secretary, Jacksonville, Florida
Sister Louvenia Jefferson, Second Assistant Recording Secretary, New Mexico
Sister Willie M. Young, Corresponding Secretary, Kalamazoo, Michigan
Brother Charles Williams, Treasurer, El Cerita, California
Sister Elma Horton, Historian, Seattle, Washington
Sister Ethel Wills, Religious Leader, Pasadena, California

Very few changes have been made in the official roster since the organization. The candle has continued to glow.

During these few years, since the organizing of this group, much wind has blown upon this candle, but thanks be to God, it has never been blown out. Today, we can see and truthfully say it is burning, growing and glowing as never before. Growing in numbers, in finance as never before and glowing with the Holy Spirit.

Under the marvelous leadership of our President, a beautiful spirit of love and fellowship have been created; a sense of loyalty has been

instilled in the Ushers and they have been made aware of their great responsibility.

Under the instructions given annually by our most capable Instructor, Brother Nelson Rowland, we have become more enlightened to our duties and more helpful to our Church services.

With the teaching of God's Word by our own most efficient, qualified, knowledgeable and able Bible Instructor, Rev. Davis, our spiritual lives have been deeply enriched and our understanding of the Bible very much improved.

Not only have we been rendering service at home but also we have started to reach out to those in foreign countries by the way of the Mission Stations. Remember, we can never do too much for falling humanity wherever it is found.

As we go about our activities let us always let our lights glow and grow, always remember that we are serving the Lord Jesus Christ.

Our present Officers are: Sister Katie Allen, President; Brother Charles Walker, First Vice President; Sisters: Helen Porter, Second Vice President; Dorothy Garrison, Recording Secretary; Viola F. Johnson, Assistant Recording Secretary; Frankie Carter, Second Assistant Recording Secretary and Financial Secretary; Lucille Dobbins, Corresponding Secretary; Brother Charles Williams, Treasurer; Sisters Ethel Wills, Religious Leader; Mary K. Heard, Historian; Rev. S. L. Davis, Bible Instructor; Rev. Brandon McClellan, Assistant Bible Instructor; Sister Ruth Davis, Musician; Sister Cleo McVey, Secretary to the President; Brother Nelson Rowland, Usher's Instructor and Sister Bertha Hutchinson, Chairman of Finance.

Yours for Christian Service,
Sister Mary K. Heard, Historian
