WELCOME TO PENTICTON

We who make up the membership of Eckhardt Avenue Baptist church count it a great privilege to host this the tenth annual session of our Canadian Southern Baptist Conference.

We wish to extend to each of the messengers from far and near, a warm and sincere welcome in the name of our Lord, Jesus Christ.

We wish to be made aware of anything we might do for you while you are in our beautiful city to make your stay with us a memorable one. Not that it will get done, we just want to be made aware of it.

Our deepest and fondest prayer is that each of us will be led to a deeper acquaintance with the Holy Spirit. That we will find in Him the successful way of reaching "Our Cities for Christ."

Howard Cooper, Pastor
Eckhardt Ave. Baptist Church.

PENTICTON WELCOMES THE TENTH ANNUAL CANADIAN SOUTHERN BAPTIST CONFERENCE

Everyone's life is spent in the pursuit of self-fulfillment but not everyone reaches his objective. Those who succeed are persons who have realized in time that satisfaction does not arise merely from being good or mediocre at something. One must be a certain kind of person. There must be a dedication in life to small purposes and to exhibit quality in ambition. One must also have faith in oneself and in fellowman.

We all must have something in which to believe. In our troubled world we look to our religious institutions for guidance and leadership. They can be powerful forces in developing good will and in setting up ideals which profoundly influence people in their beliefs of trust, hope and love of mankind. These are the factors which will lead toward the development of good citizenship, both young and old.

On behalf of the council and the Citizens of Penticton, we wish your Conference every success.

F.W.Laird,
Mayor

A MESSAGE FROM THE PRESIDENT -

I count it an honour to be serving as your presiding officer at this our tenth annual conference. We are very young as church conferences go, but old enough to look back to assess our progress. Also, I trust we are still young enough to catch a fresh vision of the opportunities and the challenges before us as churches.

God is on the move in Canada! We hear of the kindling of revival fires - may we be caught up in the flame of a mighty revival and be used of God in bringing many souls into the Kingdom. I trust however, we will not forget that as Baptists we have been called of God to a distinctive ministry in Bible witnessing, teaching and training. We are a people of "The Boom." "Let us hold fast the profession of our faith without wavering," and fulfill our ministry in our churches.

In our business sessions, you will be asked to consider important resolutions that will begin to chart the direction of our work in Western Canada for the next ten years. I ask that you prayerfully consider these. When I thought of the decisions that will be ours to make in these few days together, there came to my mind this little verse from a recently read book.

"On the plains of hesitation bleach the bones of countless millions who, at the dawn of victory, sat down to rest, and resting died." May we not find ourselves in that crowd, but may we be in that great company who proclaim with the apostle Paul, "but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus." Phil 3:13b,14.

We welcome as the featured speaker of our con-

ference Dr. Francis M. DuBose, Professor of Missions; Golden Gate Baptist Theological Seminary, Mill Valley, California.

We also welcome the participation in our sessions of Rev. J.W. McKay and Mrs. McKay of Longview, Washington. Brother McKay, a pastor for 18 years in Canada, was the first President of the Canadian Southern Baptist Conference and served faithfully for three terms.

We would not forget to welcome those from the office of the Northwest Baptist Convention who are sharing in our conference.

Sincerely,
W.C. Youell.

One of the greatest problems of the city is sound. Here too God is at work.

1. The Sound of the City is Frightening

2. The Sound of the City is Weary

3. The Sound of the City is Sweet

4. The Sound of the City is Certain.

Rev. Allen Schmidt, Ridgcrest Baptist Church, Kamloops, B.C. pages 36-38.

Rev. Bill Epp, Cochrane Baptist Mission, Cochrane, Alta.

"Pioneer work is not easy, we need God's help. I never realized I was so full of self. I am but a rotten egg. I thank God that He shows me that I need to be broken. When God led me to Cochrane, I looked and said 'who am I to do what

others have failed to do?' No one in the area spoke highly of a minister. I have been there a year and a half and there isn't one home I can't get into now. There is something we need. Sunday School average attendance is 30. We meet in a school building. To really believe the Holy Spirit is there is something. Lost people want a preacher who will give them a challenge."

Matthew 20:25-26.

God's leader is supremely servant.

DARGAN-CARVER LIBRARY
S. B. C. HISTORICAL COMMISSION
NASHVILLE, TENNESSEE

Moses, to the world, was and is known as Emancipator, Lawgiver. But in Revelation he is spoken of as "Servant of God."

Isa. 53, is a discription of the Son Servant.

Isa. 61, The Servant speaks.

The cross was the ultimate expression of the Servanthood. "God Himself a ransom for man."

Peter's problem, when Jesus would wash his feet, was not that he was dumb but rather that he was smart.

9:18 p.m. Hymn #356 Take My Life and Let It Be led by Ken Branton.

9:22 p.m. Closing Prayer, led by John Cunningham.

9:24 p.m. Adjourned.

Wednesday Morning April 26, 1972

9:10 a.m. Session opened with Second Vice-President Dr. Ken Branton, presiding.

9:12 a.m. A Time of silent prayer

9:15 a.m. Dr. DuBose

Theme interpretation and prayer.

9:18 a.m. Hymn #409 The Kingdom Is Coming led by Henry Blackaby

9:21 a.m. Bob Dove introduced another new pastor, Rev. Lawrence Wilkes.

9:23 a.m. Testimonies, pastors.

Rev. Lawrence Wilkes, First Baptist Church, North Surrey, B.C.

I arrived on the field the 1st of August and found a very low attendance. We had only nine members. At present we have 72 enrolled in Sunday School with an average attendance of 38. We now have 21 church members. We will

have our V.B.S. in late August and staff the school ourselves.

Rev. Bob Shaddox, Crossroads Baptist Church, Prince George, B. C.

The past three weeks have been the most thrilling in my work there. I have baptized 3 up until then. I have baptized 2 the last three weeks. There are seven others waiting. Average Sunday School attendance is 71. I can see spiritual growth in some of our people. There is a warm feeling we have not enjoyed in the past. We received a call from Bear Lake saying "come and help in a bible teaching ministry." Work is being done that I did not have anything to do with. I see an increase in prospect visitation. I think this is happening because I have a new spirit in my life.

Rev. John Cunningham, Cambrian Heights Baptist Church, Calgary, Alta.

Early in my ministry I made a startling discovery. "The church is what I am." Last year, was the first year we have gone a full year without a single baptism. God did two things in my church last year.

1. Some young people came from Saskatoon and held a youth retreat. Our youth were wonderfully blessed by it.
2. The O.B.U. Encounter came, our youth were again blessed. We have had a baptism each Sunday in April.

9:49 a.m. Testimony by Elizabeth Loesch

9:53 a.m. Dr. Branton thanked these pastors for their testimonies.

Prayer time. (spontaneous)

10:12 a.m. Hymn #225 Jesus Paid it all
led by Henry Blackaby

10:15 a.m. Bob Dove - How much we need to share our faith one with the other. The Pastors Retreat in May is unlike all other meetings, spiritually (wives are invited). Things we will be looking at, at this retreat:

1. The Kingdom of God

(1) The Church

(2) The Body of Christ.

2. Canadian Baptist Guidelines

How are we going to relate to other evangelistic groups who are preaching the New Birth?

Are we to start a Baptist church in a community just to have one of our own there?

We are at work fashioning more than a Baptist Empire.

We cannot put our trust in an educational program, but in Jesus Christ.

3. Koinonia

4. Our Pastor Shortage.

10:45 a.m. Coffee Break

11:04 a.m. Hymn #418 Once to Every Man a Nation
led by Henry Blackaby

11:06 a.m. Ken Branton called for a meeting of the Resolution Committee.

11:09 a.m. Dr. DuBose

Work Session:

Subject: "Your Opinion of the City"

One of two cities in each province constitute $1/2$ of the population of that province.

Three cities constitute $1/3$ of the total population of Canada.

12:10 p.m. Adjourned.

Wednesday afternoon April 26th

1:38 p.m. Session opened with prayer and silent meditation. President Bill Youell presiding.

1:40 p.m. Dr. DuBose.
Subject: "Problems are in the City"
Ezekiel 7:23

1:50 p.m. Hymn #106 Blessed Redeemer led
by Jim Yoder

1:53 p.m. Testimonies - Pastors.
Rev. Harold Nightingale, Westlyn Baptist
Church, North Vancouver, B.C.
God has done a great deal for me. My
thoughts can be better expressed in
Colossians 3:9,10. God has begun a
work in me I pray that He will continue
until He comes.

Rev. Howard Cooper, Eckhardt Avenue
Baptist Church, Penticton, B.C.
Since last November God has been
walking in our midst like I have never
known before. I have never been so
happy, or felt that I could really be
used of God as much as I do now. When
Eckhardt and this pastor allowed our-
selves to be broken by God and to see
ourselves as God saw us, then God
flooded our souls with His love for
each other and for Him. Praise the Lord!
I am looking for great things to happen
in the Spirit of the Lord this year and
many more.

Rev. Bill Bye.

Thank you for praying for my voice pro-
blems. We have had 15 decisions since
January and we have baptized 5 in April.
There are two things I want.

1. I have felt that I ought to pray a
particular prayer. "Lord let this church

be a magnet that will draw men to God"
 2. Lord make me an instrument of Thy
 Peace. "You never thank an instrument
 but he who uses it."

I offer you a plan by which to become
 an instrument of God.(see page 39)

2:30 p.m. Prayer session. Quiet prayer and med-
 itation closed by Bill Youell, Pres.

2:45 p.m. Coffee break.

3:05 p.m. Hymn #47 Great Is Thy Faithfulness
 led by Jim Yoder.

3:08 p.m. Dr.DuBose

Work Session

Subject: "Ministry Opportunities in
 the City" "We ought to be Ministry
 Orientated."

Jesus not only wrought miracles but He
 preached the gospel to the poor, Jesus
 met the needs of people.

If a church is to minister to people in
 urban society it must reach them where
 they hurt. It must meet the need of
 those in the community in which it lives.
 There is no area of life to which the
 gospel is not meaningful.
 Question and answer session.

4:12 p.m. Business session

Opened by the President, he then called
 for the Program Committee's report.

Ken Branton brought report (see page 34)
 and moved its adoption. Seconded by
 Harold Nightingale. Motion carried.

The Conference Treasurer, Harold Night-
 ingale then brought the financial re-
 port (see page 40). He moved it's adopt-
 tion, seconded by Billy Heath. Motion
 carried. Rev. Billy Heath made motion
 "that pastors here form a committee to
 study and make recommendations as to

how we are going to go and do our work. Seconded by Bob Dove. Motion failed in favour of substitute motion. Rev. Henry Blackaby presented substitute motion (see page 41). Ken Branton seconded. Discussion followed.

4:45 p.m. President called for time extension. Ken Branton made motion to extend the time 5 minutes. Seconded by Allen Schmidt. Motion carried. More discussion on substitute motion. Vote was called for. Motion carried.

4:55 p.m. Prayer

4:57 p.m. Adjourned.

Wednesday Evening April 26

7:25 p.m. Session opened - Second Vice-President Ken Branton presiding.

7:26 p.m. Dr. DuBose - Theme interpretation

7:29 p.m. Hymn led by Ken Branton

7:30 p.m. Testimonies, Pastors -

Rev. Jim Yoder for the Chinese Church and Kingcrest Baptist Church.

Kingcrest church now rent from the Chinese Baptist Church. In the last few months they have felt the power of the Holy Spirit upon the life of their pastor, his wife and several of their members. Brian Wright (pastor) read on the Spirit Filled Life which helped him tremendously. Nan Wright met God's power through revival which changed her entire life.

The Chinese Church is prospering and looking forward to Miss Bertha Smith's visit on Friday the 8th. The baptized 12 on Easter Sunday including an 82 year old lady.

Rev. Steve Gover, Cochin Indian
Mission, Cochin, Saskatchewan.

Steve urged us to recognize the great
need on our Indian Reserves across
Canada.

Mr. Tuck, Willow Park Baptist Church,
Calgary, Alta.

(report on page 42)

Billy Heath, Pastor of Willow Park then
showed slides of the new building in
progress.

8:05 p.m. Bob Dove announced the dates in May
for conference for single adults at
Mt. Baker Assembly grounds.

1. He went down into the valley because
the Spirit of the Lord sent him. v 1,2

2. Lord it's up to you. v3

God just demands that we be faithful,
not successful.

Rev. Jim Yoder, Towers Baptist Church,
Richmond, B. C.

We went for 23 months without one baptism. I was aware, even in the mid 50's, as pastor of Kingcrest that I needed something. Last fall God began to show me what it was I needed, and that was to let Him rule in my life and ministry. God has led in a mighty way in the last few months.

Bob Spears, Uplands Baptist Church,
Terrace, B.C. Len Koster, Pastor

The Pastor first worked as a Fuller Brush salesman, here he met housewives and families. Then he worked as a salesman for office machinery which gave him the opportunity to know all of the business men in the city. Now he is working at a service station from midnight to 6:00 a.m. Here he gets to meet a lot of young people who are just loose with nowhere to go at that early hour. He feels in each work situation that it was the moving of the Lord.

The women have a prayer meeting each week, other than Wednesday night. We enrolled 120 in VBS last summer and will probably enroll 150 this summer.

Lawrence Ashton, Faith Baptist Church,
Saskatoon, Sask. Henry Blackaby, Pastor

Things in Saskatoon have picked up wonderfully. God has blessed us in the last two years. We have enrolled 60 in Sunday School. 75% of these are young people. Seven university students

came to our church last summer to establish a work among the students. We have felt we need to relate nearer to the University.

Rev. Bert Johnson, Carroll Memorial Baptist Church, North Balleford, Sask.

I have three questions as a report.

1. How big is God?
2. How big is the church?
3. How big am I?

God cannot be manipulated. He must be sovereign. He will not be bound. God's way is through the local church. It only takes two, Pastor and Christ, to make a church.

It is the temple of God, the church really cannot be measured.

The measure of a man is not how he can do, but rather how much can God do through him.

Report from Armstrong Avenue Baptist Church

Armstrong Avenue Baptist Church has had no pastor for over a year now. Ben Evertt has been interim pastor.

Last summer the church held a Vacation Bible School but none is scheduled for this summer. It is possible the church will have a Youth Revival for one week. One of the possibilities for Armstrong is in youth work. Gus Evertt has a good youth band at the church and their music has been enjoyed by the other churches as well. A regular Sunday School continues and Sunday services attendance ranges from 15 to 25. A weekly Bible study and prayer meeting is also held.

Recently the church sold the two houses it owned on the adjacent properties netting the church \$33,990 and reducing the church debt to \$1,631 as of March 22, 1972. One of our members, Mrs. Elizabeth Stannard was deceased this church year, leaving our membership at 39.

With our debt reduced to a minimum we hope to be able to get a pastor in the near future.

Report from Ridgecrest Baptist Church

Report to Canadian Southern Baptist Conference
meeting in Penticton, April 25-27, 1972.

The past year has been a unique year at Ridgecrest in that it was one of only two times since her beginning that she has changed pastors. Rev. Allen Schmidt came from Royal Heights Baptist in Delta to take up the reigns of leadership at Ridgecrest, October 9, 1971. The ensuing months have been largely a period of adjustment for pastor and church. For the pastor it is the first time he has come to an established church. For the church its a new experience relating to a new pastor....

A number of significant occurrences and accomplishments have been registered during the past year. Four persons have followed the Lord in baptism, two others are presently preparing for baptism. In January 1972 we started a mission at the new mining town of Logan Lake, 35 miles over the hills west of Kamloops. There are 50 enrolled in the Sunday School there and we are averaging in the twenties in attendance. The pastor and a number of teachers go out to Logan Lake every Sunday at 2:30 for Sunday School. Every second Sunday we conduct a worship service at 3:30. On the alternate Sundays the United/Anglican ministers from Merritt conduct worship. Each Thursday afternoon the pastor goes out to visit. Next week we will begin a Bible study in a home Thursday afternoon. In this we hope to reach some adults who "leave town" on the weekend.

Last November the Ridgecrest Review was revived and put on a regular publication schedule. This good news piece is now mailed out each month to

all of our Canadian pastors as well as to other friends of the church in Canada and the U.S.

The church completed a partial telephone survey of the south shore of Kamloops in March. We have begun follow-up and visitation on this. We have slated an all church visitation night twice a month.

Last year Ridgecrest had no V.B.S. (no pastor then, either). This year we plan for three schools: one week at Logan Lake, one week at Rayleigh, and one week in the church.

This summer (May through August) we will have Jamie Osborne working full time with us as an assistant to the pastor with primary responsibilities in V.B.S. surveys and youth programming. In addition to being a real help to the work of the church this will give Jamie a good introduction to the work of a pastor as he contemplates God's will for his life.

Worship service attendance is growing and the church's spirit and outlook appear to be improving. However, there remains a definite need for some renewed vision and a deeper commitment to our Lord and His mission among many of our people.

One of the more exciting things relating to Ridgecrest is not happening to the church but the city. Kamloops is presently probably the fastest growing area in Western Canada. New mining claims are being staked and properties developed all around the city at a great rate. The most spectacular of these right now is Afton Mines, a large new copper discovery right along Trans-Canada Highway 10 miles west of town. This will likely bring several thousand new people to Kamloops.

In addition to mining other major industries are planing to move in. To accommodate these people several major new real estate developments are now under way. The largest of these is on the old Cordonier Ranch.... 1,000 acres on the bench above Valleyview. These developers plan to build ultimately for 20,000 to 30,000 people. Another development is to be underway in Brocklehurst shortly to provide housing for 8,000 to 10,000 people. And there are others.

Greater Kamloops has at present 50,000 population. The total shopping area includes about 73,000. These figures are expected to double in the next six to ten years.

Ridgecrest Baptist, along with the other churches of Kamloops, will need to call on the resources of heaven through the power of the Holy Spirit to faithfully minister to these multitudes of new people. Pray that God will make us able to rise to the challenge.

Suggestion by Bill Bye, pastor of Westwood
Church in Edmonton.

Motion by Henry Blackaby

Recognizing the urgency of the hour and the yet unmet spiritual need of Canada and recognizing the continuing urgent need for a stronger and more coordinated effort in winning Canada to Christ and believing God so clearly and redemptively ~~is~~ ~~at~~ ~~work~~ now in Canada

I move that the President appoint a representative Home Missions Committee to consider and recommend to the churches on the following areas of our work:

1. the best possible use of all funds available to our Canadian work.
2. the best possible arrangement for leadership and oversight of our work.
3. an annual promotion of a week of prayer for Home Missions, including objectives and goals for giving.
4. a definite approach to enlisting and training Canadian young men and women for Christian service in Canada.
5. a long range approach to winning Canada with stated priorities as God's Spirit reveals them.
6. a long range outline of purpose and objectives for a permanent Home Missions Committee of our Canadian Conference.

NOTE: Recommendations from the committee be brought to pastors and churches as early as possible in part or in whole.

Incorporate Canadian Conference and still remain a part of Northwest Convention.

Money has come in from all over. We received
 \$2,600 last week in special offering. The
 building will be occupied by May 21st and may-
 be before.

We have **prayed** unto the Lord of the harvest for
 labourers. Two former deacons have come unto us.

Bill Goebel an ordained minister serves as assoc-
 iate pastor. A key to leadership is to surround
 yourself with people smarter than yourself. I
 never had any problem doing this.

The building will cost us \$97,000. We borrowed
 \$45,000. Thanks to the wonderful birth given ~~us~~
 by the Cambrian Heights church we perhaps had
 the finest start of any mission in Southern Bap-
 tist work in Canada. The day they gave us \$47,000
 for the building was great. Their love and
 leadership have never been measured. We thank God
 for them and Pastor Cunningham. May we get pre-
 gnant as a church and have a baby mission and
 give it a fine birth soon.

We organized May 13, 1971. We broke ground for
 the basement Sept. 28th. We had fine newspaper
 coverage and also a 22 minute TV documentary
 on how the church was constructed. We have had
 ex-convicts work over 1,000 hours. A winter
 works grant paid them. Our membership worked
 over 1400 hours of donated labour. All glory
 and praise to the Glorified Son.

HISTORIAN'S REPORT

Our history is the record of the redemptive activity of God and the response of His people to the activity.

God continued to move redemptively among our churches this past year in one of His most gracious expressions of love. The Spirit moving was experienced in Prince George, Kamloops, the Okanagan Valley, Vancouver, Saskatoon and other parts of our work and many of our pastors and churches felt the gracious power and sweet grace of God.

For the week of Prayer for Home Missions the historian provided historical information for use by our churches, and many expressed how this assisted them toward a vision for proclamation of the Gospel to our great nation.

Of great help to our work will be a more complete record of struggle and victory, challenge and growth of our work. Several churches and Associations have assisted by sending reports, etc. The following associational reports we do not have on file for our history and help in obtaining them would be very valuable.

Capilano - Beginning through '62, 64, 65, 66.

Plateau. - All

Midwest - Beginning through 1960, 62-66, 68, 69, 70.

Canadian Conference - 1st and 4th sessions.

Copies of Baptist Horizon are also needed for our History.

We would encourage each of our churches to compile a history of their work and to deposit a copy in the Historical file of our Canadian Conference.

submitted by Henry T. Blackaby,
Historian.

Motion by Allen Schmidt

I move that we recommend that our churches adopt proposals 1, 2 and 3 on page 3 of B.C.B.A. brochure.

"PROPOSALS TO THE TENTH ANNUAL CANADIAN
SOUTHERN BAPTIST CONFERENCE."

Objectives:

1. To establish in the framework of Baptist Church Building Association, a Foundation Fund with the initial goal of \$250,000 by 1982.
2. Income from investments of the Foundation to be paid to the Canadian Mission Fund of the Northwest Baptist Convention.
3. Our churches to assume an increasing financial responsibility for our own mission work.
