舊十一月二十一日 丙午 四方拜 日最近

Waked at 5 AM, & got up at 6:30 AM. After dressing, I had devotions alone and with the family after reading The Song Wrestling of Religion with Truth by Wrennan. Went to school and we had the ceremony for the opening of the year. Mrs. Wellwood sang for us & the teachers & students were delighted. After this I finished putting my books as treasures of the Mission & the school. It was after one PM, after before I finished. Had devotions & went to the Methodist Church for a service. Then I came home & read "Trader Horn" until supper. Played games until 9 PM. Mrs. Wellwood sang for us. It has been raining & snowing all day. It has been very disagreeable.

Got up at 5:20. Shaved & dressed. After devotional breakfast at 6:30 AM. Accompanied the Willwoods to the Station to catch the 7:30 PM train but the automobile was so late in coming that we missed the train & so came back to the house. They left on the 9:38 train. I went to my office & worked until noon on my book on treasures of the Mission. Finished writing them up as far as possible until I hear from the Kobe Bank. Had dinner & read until the Simons came & called. Talked to them. Then I read till prayer-meeting time. Went to prayer-meeting & then after prayer-meeting I stayed to a meeting of the officers. Pastor Ozaki writes and though he might accept the call to the church.

Came home. Will retire at once as I have lost so much sleep these a number of nights. Maude is also very tired.

舊十二月二十三日 戊申 元始祭 (下駄前二時四十分)

Got up about 8 AM. The earth was covered with a robe of pure white, and the snow was still falling. The pine trees on the campus were beautiful in their white covering over the green. Spent most of the day in the house reading & writing. Went out twice to see about mail. Wrote letters to Dr. Kilpatrick, Dr. Carter, Prof. French, Mr. Kisaburo Inoue, and many cards acknowledging the receipt of New Year's Greetings. I read 'Christ at the Round Table' by Jones to Maude for over an hour. It is a good book. We decided to retire early so I went to bed about 9:30 PM. We are thankful for a good comfortable house & home. We had a Russian call to see about getting work for his wife to sew. There are many such Russians in Japan. They cannot go back to Russia. They are without a country.

Got up at 7 AM, shaved & dressed. Had devotions & waited for the family to come down stairs. Had devotions & breakfast. & then went over to my office. Did not have Sunday school. The preaching service was as usual. Very good crowd. Pastor Yuya gave us a good message. Had a talk with Williamson & came home. After dinner, I wrote letters to Edwin & Dr. Dobbin. Then Home mail came & in it a letter from my brother Edwin inviting us to spend our furlough in his house in Gainsville. This hit us as an earthquake. It is exceedingly kind of him to make this offer & it will probably be the wisest thing for us to do, but it will change all our plans for Helen's schooling. But we simply have not money for a house & furniture etc.

It is now bed time. I read "Christ at the Round Table" to Maude for a while & tonight

To-day has been a very busy day. After the usual morning devotions, I went to school & made out drafts to be sent to all the members of the Mission before the Army officers came to inspect our school students drill. Then the rest of the morning was given to the inspection of the training our students have undergone. Thereafter 3:30 P.M. I wrote letters to each member of the mission & mailed out drafts with them. Left at 8 P.M. for the farewell banquet being given to the college & seminary graduates. After it lasted until 11:15 P.M., it was 12 P.M. when I got to bed. It was a busy day for me.
