Then Dr. Sewall preached a fine sermon on the experience of the 3 disciples on the Mount of Transfiguration. We had dinner & the folks had a nap. Uncle Edwin took the young folks & me to ride in his car. Mrs. Simpson & Dorothy were here when we got back. Had a hurried supper. Went to Bill Madel's. All seemed delighted. Then all went to movie. After the movie I spoke to Dr. Sewall about ordaining Edwin before he goes to Louisville. He seemed delighted to do this.

Took exercise. Dressed & read  
Bible. Had breakfast. Breakfast  
of coffee. Ate an apple which  
Mrs. Tippet sent in a basket of  
fruit she had supplied me

future day with me. Bought me  
a book from Dr. Wilkinson. "Reality" by  
Street. Must read it by Friday  
night. Dr. Tippet called at 7:15 PM.  
I stayed until about 8 PM.  
It is a rainy day & is turning  
cooler. I went to church at  
night. Crowd small, but the  
weather would keep away any  
except the very best. I was  
glad to see those who did  
come. Life has become so  
complicated that we are thinking  
of many things other than the  
highly. I read "Reality" by  
Evers until eleven o'clock.  
Took a bath & went to bed

Mrs. Beece & Mrs. Bell of Flowery Branch went with us. We got on a slick road just this side of Lula, Ga. & Mrs. McEwen was nervous. Mrs. Bell took over the driving & did it well. We got to Clayton about 10:30 AM. The meeting began shortly afterwards. We had a good meeting. The talks were good. Bro. Garbenthaus spoke of the Gospel to the Jews. Then after dinner Mrs. McEwen led the women in a discussion. Several good talks. Mrs. Howard of Hartwell made a fine talk on Filibustering. Other women made good talk. At night we had a pageant. It was fine. I spoke about ten minutes following this pageant. Then Miss Mary Christian spoke on Young Peoples Work. A fine address. Had a hot bath & went to bed. Spent night at Clayton Hotel as guest of Mrs. E. R. Taylor.
