## INTRODUCTION TO VOLUME VI

1980 Edition

Volume VI of the INDEX OF GRADUATE THESES IN BAPTIST THEOLOGICAL SEMINARIES is a composite index to theses completed in four of the theological seminaries of the Southern Baptist Convention, 1976-79. This current volume is the fifth supplement issued since the publication of the original index in 1963. The original edition (Volume I) included all theses completed from the beginning in 1894 until 1962. The first supplement (Volume II) listed theses completed in SBC seminaries, 1963-1965. The second supplement (Volume III) covered the period 1966-68. The third supplement (Volume IV) included the years 1969-71. The fourth supplement (Volume 5) covered the years 1972-75. The Historical Commission staff prepared the INDEX from data provided by the libraries of New Orleans Baptist Theological Seminary, Southeastern Baptist Theological Seminary, Southern Baptist Theological Seminary, and Southwestern Baptist Theological Seminary. Golden Gate Baptist Theological Seminary and Midwestern Baptist Theological Seminary had no theses in the period 1976-79. The Commission expresses deep appreciation to the librarians and their staff members for their splendid cooperation in this venture. This volume is divided into three sections.

SECTION I is a complete listing of all theses approved by the above institutions, 1976-79. The theses are arranged according to the major field of study in which they were written. Within the major field categories, theses are grouped by institutions and by titles. Each separate entry contains the following data: title, author, date, pages, and degree awarded. The theses are numbered consecutively as they appear in Section I. These numbers provide a key to the author and subject indices in Sections II and III.

Section II is an author index. Each name is followed by the thesis number, as a guide to the detailed entry in Section I.

SECTION III is a general subject index to the theses. The numbers following each subject entry refer the reader to the thesis in Section I relative to that particular subject.

In spite of efforts to present an accurate and complete index, errors may have occurred for which the compiler expresses sincere regret. The correction of any errors detected by readers of this volume is solicited.
