EXECUTIVE DIRECTOR-TREASURER'S REPORT

O. W. EFURD

I am pleased to make this report to the 47th annual session of the Hawaii Baptist Convention. As we close the 1980's we can look back and see many good things that have happened. Looking forward into the 1990's brings expectations of even better things.

All the churches and missions in Hawaii have pastors. New pastors who have come to their positions since our last Convention are: Marty (Marciana) Edejar, Filipino Baptist Church; Rudy (Lydia) Gomintong, Ewa Beach Bible Church; James (Hiroko) Merritt, Waimea Baptist Church (Kauai); Robert (Beverly) Miller, Kohala Mission; Russell (Brenda) Morris, Waikoloa Mission; Steve (Susie) Sanders, Waipio-Centry Mission; Warren (Nancy) Stephens, Kihei Chapel; Elise (Lucy) Tafao, First Samoan Baptist Church. The following staff members have been added: Ray (Frances) Bennett, FSBC Pearl Harbor; John (April) Brangenberg, Halawa Heights Baptist Church; Mark (Janine) Freitas, Olivet Baptist Church; Thurston (Ronnie) Higa, Kaumana Drive Baptist Church; Terry (Dayna) Nakamura, Hawaii Kai Baptist Church; Ralph (Dorothy) Stults, Nuuanu Baptist Church. Wayne (Wilma) Eurich, retired Director of Missions from San Diego, is serving as interim Director of Missions for the the Oahu associations.

Semester missionaries and Mission Service Corps personnel who have served during the year are: Clyde and Lavonne Bunch, Hawaii Baptist Convention; Kofi and Joan Debrah, Mission Service Corps-BSU Dorm; Julie Hays, semester missionary-BSU; Bentley and Susan Hill-semester missionaries-BSU; Diana Moreau-semester missionary-Komolani; Nanette Ryals-semester missionary-Christian communications; Dale Spicer-Mission Service Corps-Central Spanish work; MSC serving at the Samoan Baptist Academy-Alys Jo Danier, Janet Vickers, Mane C. Wallace, Bill McCormick, Lavetta Wallace, Pat and Ruth Rogers, Fern Joiner.

Several major special activities occurred during the first four months of 1989. In February, the first Strategy Resource Team Meeting for Mega Focus City was held with approximately 25 persons from various SBC agencies touring Oahu and sharing their impressions. Both Oahu associations held planning retreats to set priorities and form work groups to develop goals and action plans for the associations for the next five years.

In March, 153 specialists from the mainland were in churches and missions across the islands for a Sunday School Enrollment Training Clinic. Many good results are still being reported from this effort.

April saw nine mainland and one local consultants participate in a language laser to target ethnic and language groups among whom we need to begin or expand work.

In April, the Executive Board authorized a project to raise funds for new mission sites. A task force was formed, chaired by Bruce Edwards. This endeavor will soon be underway and should be in full swing by this time next year. It will augment the grants now provided for purchase of property for new sites.

The Executive Director has been working with the staff to update job descriptions and formulate goals and plans for the coming year for each staff member based on their job descriptions. A new office policy manual is also being developed.

One of the office computers has been upgraded and another computer, new software, and laser printer has been purchased. The staff is in the process of being trained to use the new equipment.

The Executive Board has authorized the development of a Strategic Plan for the Hawaii Baptist Convention in the 1990's. A planning group will meet in February to begin this effort.

Hawaii Baptist Academy has experienced a very successful year in both the academic and development areas. Puu Kahea had a very full schedule for the year.

While special offerings are over their goals for this year, Cooperative Program receipts from the churches are below projections. This has necessitated the restricting of budget expenditures for 1989 and the projecting of a budget for 1990 which has no increases for program expenditures or salary increases for program staff.

The retirement of Kats Taura after twenty-two years as Director of Church Development will leave a big gap in our staff. We wish Kats the very best and will be prayerfully searching for someone to fill this vacancy.

Inspite of the tight fiscal situation, we are excited about the challenge of 1990. The planning retreat to set our directions for the '90s, "Here's Hope" revivals in 51 churches and missions, beginning of the first implementation year of the Mega Focus City planning, and the mission site fund raising effort along with regular programs and events will give us an excellent beginning of ministry in this first year of the last decade of this century.

I want to thank you for the privilege of serving as your Executive Director and to ask you to pray for all of us regularly in the coming year.

FINANCIAL SERVICES ADMINISTRATOR'S REPORT

STANLEY TOGIKAWA

COOPERATIVE PROGRAM (CP) receipts for nine months through September 30, 1989, totaled \$476,755.91 (averaged \$52,972.87 per month). For the nine months, this is a 5.5% increase over the actual 1988 receipts for the same period. Optimistically, the 1989 CP receipts will be around \$635,000 and we will be below our goal of \$671,842 (\$55,986.83 per month) by approximately \$36,842 for the year.

SPECIAL OFFERINGS received through September 30, 1989, are as follows:

	<u>1989 Goal</u>	<u>Actual</u>	<u>1990 Goal</u>
Foreign Missions (Lottie Moon)	\$89,000 (a)	\$83,578.32	\$90,000
Home Missions (Annie Armstrong)	65,000	70,320.34	65,000
State Missions (Sue Nishikawa)	50,000	8,564.66 (b)	50,000
World Hunger	10,000	6,622.35	10,000

(a) - The Foreign Missions Goal for 1988 was \$88,000.00 and the actual receipts from December 1, 1988 (\$15,879.22) through September 30, 1989 totaled \$99,457.54.

(b) - The State Missions Offering is promoted in September, so the amount received by the Convention does not reflect the current emphasis in the churches.

HAWAII BAPTIST FOUNDATION is an incorporated entity, and members of this Board are made up of the 9 members of the Hawaii Baptist Foundation Committee of the Executive Board. They are responsible for the existing church loans, New Church Property Fund, and the endowment funds as listed below:

1. **Church Loans** outstanding through September 30, 1989, totaled \$60,962.67 plus the Baptist Building Fund of \$116,136.65. No new loans have been made since September 28, 1986. Monies from these loans are part of the New Church Property Fund corpus. The Foundation entered into an agreement with First Southern Baptist Church of Ewa Beach to purchase their parsonage for \$190,000 and lease the parsonage back to them. The church has a 10-year option to re-purchase the property.

2. **New Church Property Fund** comprises monies originally in the Building and Loan, Revolving Land, and New Church Site funds. The investment assets of the fund as of September 30, 1989, are as follows:

	<u>Carry Value</u>	<u>Market Value</u>
Investment Funds	\$1,007,689.66	\$1,125,459.71
Bank Savings/Checking	18,716.62	18,524.15
Church Loans	60,962.67	70,329.15
Insurance Receivables	28,142.33	31,653.73

3. **Foundation Funds** as of September 30, 1989, are as follows:

	<u>1/1/89 Assets</u>	<u>10/1/89 Total</u>	<u>Distribution</u>
Hawaii Baptist Academy	\$121,145.74	\$124,546.91	\$8,153.00
Jo Evans Scholarship Fund	6,501.08	6,870.82	
Herb & Kay Segawa Scholarship Fund	18,140.71	17,599.72	1,500.00

The Church Development Sub-committee of the Board Operations and Personnel Committee is responsible for the Jo Evans Fund awards and the Big Island Association for the Segawa Fund and Hawaii Baptist Academy handles their funds through their scholarship committees.

The Foundation made available 5% of the corpus or \$65,000.00 in 1989 for grants. The Executive Board voted on April 27, 1989 to approve a grant of \$45,000.00 to the Hilo Baptist Chapel. Monies are distributed when the church/mission uses it.

Grant Funds are made up of the income from the New Church Property Fund, Bold Mission Advance Fund in the Convention Budget, and the amounts allocated in the Sue Nishikawa State Missions Site Offering Fund.

4. **Baptist Building Fund** as of September 30, 1989 has assets of \$96,942.91 plus \$116,136.65 which is on loan to the Hawaii Baptist Academy on the 1225 Nehoa property where the elementary offices were formerly located. \$20,000.00 is also in the Executive Director's Residence Fund.

GROUP CHURCH INSURANCE POLICY for fire and liability is with State Farm (Tj. Bosgra, agent). The yearly premium for the 58 (locations) churches/missions and Convention owned properties totals \$97,983.00 and is paid quarterly by the Convention. The churches are billed for their portion by the Convention, and most of the payments are received on a quarterly basis from the churches. Premium for the umbrella liability coverage is \$27,000.00 and covers \$1 million over the \$1 million on our regular property insurance and \$500,000.00 on all vehicles insured by State Farm. The Worker's Compensation, Temporary Disability (TDI), and auto insurance are individual church policies.

CHURCH ARCHITECTURE Department (BSSB) services are provided by Howard McAdams, BSSB consulting architect. No field visits were made this year. Mr. McAdams is available to Hawaii for field visits when groups of churches make their requests through Stanley Togikawa.

ANNUITY BOARD Revised Annuity Plan which became effective on January 1, 1988, has been adopted by 49 churches, 2 missions, and 4 associations. John Hancock, assistant director for member services, is attending our 1989 Annual Meeting and will be available for individual conferences. M. Ross Taylor, assistant director of the endowment department, is attending our 1989 Annual Meeting and will be conducting Estate Planning Seminars on all of the islands (Kinooole on 11/12 at 1:30 pm; Olivet on 11/13 at 7 pm; Kaunakakai on 11/15 at 6:30 pm; Kahului on 11/16 at 7 pm; and Lihue on 11/19 at 6:30 pm.)

CHURCH MEDIA-LIBRARY Department (BSSB) had no scheduled meetings in Hawaii. The new media offer for a church/mission beginning a media library is a certificate and a 1-year complimentary subscription to the Church Media Library magazine. This past year, Waipio-Gentry and Waikoloa requested for the offer.

AUDITOR S. M. Ray, Christian Service Corps volunteer, did not come to Hawaii to audit the Convention books because of the illness of his wife. He made the 1988 audit with the records sent to him in Oklahoma.

MISSION HOUSE on Nehoa Street is occupied by our foreign missionaries, Rev. and Mrs. Ed Giddens (8/28/89-7/31/90). Rev. and Mrs. Wayne Eurich, Interim Director of Associational Missions, from 6/89-12/89 are at our Keeaumoku downstairs apartment, and Rev. and Mrs. George Watanabe, missionaries to Japan, from 1/90-6/90.

Puu KAHEA BAPTIST CONFERENCE CENTER

MIKE COOPER, MANAGER

Puu Kahea Conference Center has been a prime location for Christian retreats and camps this year. Groups from our own Hawaii Baptist Convention, Hawaii Baptist Academy, and many other Christian groups have held many inspiring meetings at our Conference Center. Bookings for next year promise a banner year in 1990.

Your very own camp manager is available to assist you in planning how to use your very own camp. Call 696-3467 and open up a new vision of ministry. Puu Kahea is here to aid you in your ministry to the people of Hawaii. Plan a retreat and search out new ways to witness in your community. Plan a retreat and just have fun and get to know each other. Just do it!! Plan and retreat!!

As always camping would be impossible without the many volunteers who work at Puu Kahea. I would especially like to thank the members of Waianae Baptist Church. The church has continually stepped forward to help in times of need; and our needs have been great this summer.

I want to thank all of you for your prayers since I injured one of my eyes this summer. I have received encouragement and notes of concern from all across the Convention. I appreciate and love all of you.

Continue praying for your ministry at Puu Kahea. Many people will be touched by our Lord while attending meetings at Hawaii Baptist's own conference center.

STUDENT MINISTRIES

DON GURNEY, DIRECTOR

Baptist Student Union continues its ministry and outreach to a growing number of students on several campuses.

One area of measurable growth is in the area of Summer Missions. This year, nine students served in six states for ten weeks during the summer. They were: John Burgess in California, Darlan Corpus in Virginia, Penny Hirakawa in California, Jeanie Luis in Arizona, Angela Paz in Oregon, Andrea Roberts in California, Jada Rufo in California, Natalie Stevens in Texas, and Angela Walin in New Mexico. Three of the students were from the Big Island and six were from Oahu. The BSU raised the money to send four of the missionaries, and the five others were funded by the Home Mission Board.

Six of the missionaries joined with 23 others from Hawaii to take part in Glorieta Student Week, August 12-18. Hawaii students won honors this year with Eddy Cheung winning first place in table tennis, and Mon Kanchanatawan, from Thailand being one of 12 chosen to perform in the Talent show during the week. The 29 at Glorieta consisted of 21 students, six BSU staff, and two college teachers from a local church.

BSU ministers to students through two BSU Centers and one dormitory. The dorm at Manoa is full, with a waiting list. The dorm is managed by Joan and Kofi Debrah, Mission Service Corps volunteers. The BSU Center at Manoa is managed by Don Gurney, State Director and Manoa Director. Other staff at Manoa are Julie Hays, Associate Director and Semester Missionary from Oklahoma. Lynne Gurney, Career Missionary, directs the International Student Ministry with an office in the BSU Center. She is assisted by Julie and other Semester Missionaries. The Hilo BSU Center is managed by BSU Director, Alisa Brown, US-2 Missionary from Alabama. Chris Haman, bi-vocational Director, continues to minister at the Leeward Community College. Two new workers have joined the BSU staff this Fall. Bentley and Susan Hill are BSU Directors for the Metro Colleges in the Honolulu-Windward Association. This includes Kapiolani and Honolulu Community Colleges. The Hills are Semester Missionaries from Oklahoma. At this writing, we have no BSU Directors on Maui and Kauai.

Since BSU is a student run organization, each campus seeks out students to be a part of the BSU Council that guides the BSU organization in its outreach and ministry activities. The Council members receive training and on the job experience of planning, serving, and evaluating activities. Basic to all campuses are Bible studies, discipleship training, and ministry and mission opportunities. The Manoa BSU continues with a ministry to the Koolau Boys Home each month.

Students are being reached for Christ in Hawaii. The Church Annual Letters for 87-88 report a total of 34 students baptized into our Hawaii Baptist churches during that year. BSU makes no claim that we are responsible for all these baptisms, but we do believe that what we do on campus does impact the cause of Christ and our churches. We simply rejoice in those statistics and Praise Him from whom all blessings flow. Thanks Hawaii Baptists for your support of Student Ministries on our campuses in our state.

DIVISION OF EVANGELISM, BROTHERHOOD, CHAPLAINCY

W. C. GARLAND, DIRECTOR

I. EVANGELISM

1988-89 has been an exciting year for the program of Evangelism. In the anticipation of Here's Hope Revivals in March 18-April 1, 1990, several events were conducted, i.e., 4 Lay Evangelism Certification Training Schools October 23-29 to equip teachers for witness training in the churches, the enlistment of pastor/evangelists from the mainland to service 51 revivals, 5 associational Here's Hope media/materials interpretation meetings and an ongoing effort to enlist churches and missions to participate in the 1990 revivals.

The Annual Evangelism Conferences were conducted January 15-20 on Oahu, Hawaii, Maui, and Lanai. The mainland team members included Dr. Robert L. Hamblin, former Vice President for Evangelism, Home Mission Board, and currently President, Hancock Foundation, Tupelo, Mississippi; layman Fred E. Roach, President, Centennial Homes, Dallas, Texas, along with evangelistic singers R. L. and Beth Sigrests from Yazoo City, Mississippi.

The conference schedule included a one-night Evangelistic Service in Lanai City with participation by the Baptist, Congregational, Hawaiian, and Roman Catholic churches. Several professions of faith were recorded.

It was my personal privilege to be a part of the door-to-door evangelistic witness in Las Vegas conducted in conjunction with the Southern Baptist Convention in June. Over 2,200 persons called on 120,000 homes and registered nearly 500 professions of faith. This event was so successful that a similar thrust is planned for New Orleans, June 9, 1990, as Southern Baptists meet for their annual convention.

The contemporary musical group, "Gabriel," from Texas, was featured at the July 8 Youth Evangelism Celebration held at the Kapiolani Park Bandstand. Mike Ruth, Associate, Jay Strack Evangelistic Association was the speaker.

The Promised Players, Leilani Monds, Director, have had a fruitful year with varied opportunities to minister, such as Acteen's Camp, Annual Meeting of the Hawaii Baptist Convention, Honolulu Church for the Deaf, Singles Conference, State Evangelism Conference, Tripler Hospital, Youth Evangelism Celebration, and many other engagements in Hawaii Baptist churches. The group conducted a workshop and engaged in ministry at Lahaina, Maui, their first neighbor island experience.

The Promised Players, a Creative Arts Evangelism Team, was founded and funded by the Evangelism Division of the Hawaii Baptist Convention and are available to minister as time and budget permits.

The Evangelism Division provided a tent and partial funding for a Tent Revival March 25-April 2 for First Southern Baptist Church of Ewa Beach, Ewa Town Mission, and a new Filipino ministry.

Ray Allen, Director of Evangelism for the New England Baptist Convention spent most of July on a mission ministry/vacation in Hawaii. He and family helped with witness training, community survey, Backyard Bible Clubs, and pulpit supply.

Gary Avants is currently serving a two-year term with Christian Communications, Hawaii, as a US-2 Evangelism Missionary commissioned by the Home Mission Board, Atlanta.

The Mega Focus/Metro Thrust process has required evaluation and strategy planning by associations. More and more ministries will be initiated by the association rather than the Convention, thus bringing programs closer to the local church.

II. BROTHERHOOD

The theme for 1989-90 for Brotherhood Week has been "Missions Involvement Through Evangelism." This was the theme of the Baptist Men's Retreat in February and has been the emphasis for Leadership Training. Edd Brown, Brotherhood Director for California Baptist Convention, assisted with a retreat/training event. David Wheeler, participated in a Disaster Relief conference in Atlanta, December 8-10.

The major project for Volunteer Builders was the Waikoloa Preschool/Mission ministry. The Brotherhood Department, Hawaii Baptist Convention, was able to secure 32 volunteers from Hawaii and the mainland to assist with the renovation of the Waikoloa preschool facilities.

Associational Directors of Brotherhood who have served this year are: Larry Sparks, BIBA; Lionel Patton, CLOBA; Mel Yukumoto, H-WBA; Taka Harada, MCBA.

The Missions Adventure Camp for boys and girls, grades 3-6, was held August 14-17 at Puu Kahea with 96 campers and 14 counselors plus staff. James Warren, Editor of the Crusader magazine, was head counselor for 39 Royal Ambassadors and candidates. Home Missions, Gwen Williams, and Foreign Missionary, Bob McEachern, served as camp staff missionaries.

III. CHAPLAINCY

The total number of Southern Baptist endorsed chaplains who have served in Hawaii during 1988-89 is 19. By classification: 10 active Military, 4 Military Reserve, 2 Police, 2 Hospital, and 1 Civil Air Patrol.

The Chaplaincy Department arranged for four fellowship/enrichment opportunities for their personnel, placed chaplains' names on HBC mailing lists to receive information regarding Convention activities, ministries, conferences, and Continuing Education opportunities. Through the Home Mission Board Chaplaincy, the wives of active military chaplains are able to attend the annual Wives in Ministry Retreat.

The department continues to give support to Interfaith Chaplaincy which provides chaplains for ministry at Queen's Medical Center, Kapiolani Women's and Children's Hospital and Kuakini Hospital.

During the year, the Chaplaincy Department helped to process three requests for endorsement by the Home Mission Board Chaplain's Commission.

Some chaplains are available for pulpit supply, interim pastorates, conferencing, and other church related ministries. Please contact them through the Chaplaincy office of the Hawaii Baptist Convention.

Launching Century 2." Program personalities included Bobbie Sorrill from WMU, SBC, Laurita Mullins Miller, Leanne Mullins Sharp, and Betty Comer. A special highlight was Laurita's dramatic presentation of Lottie Moon.

Foreign Missions Emphasis - Lottie Moon Christmas Offering goal was \$88,000. Hawaii Baptists gave \$99,395.45 (Dec. 1-Sept. 1). The foreign mission study theme was "Nigeria: Heritage and Hope." A good number of our churches had a church-wide mission study using the adult book "The Baptists of Nigeria - A Story To Tell."

State Missions Emphasis - Sue Nishikawa State Missions Offering goal was \$50,000. Those who prepared the program for Hawaii were Florence Baggett, Aiko Taira, Tammy Garner, June Duffer, Melba Rader, and Joyce Wheeler. The State Missions Awareness Event was held at the HBA campus on September 2. Our theme for this event was "We Are All One In Christ Jesus" and the focus was on the Filipino language work. Approximately 245 persons enjoyed a time of Filipino food, dance, song, and messages about "Who Is the Filipino?" We learned much about the culture of this fast growing group of people in our midst. RESORT AND SPECIAL MINISTRIES

ARLIE MCDANIEL, JR.

Weekly hotel chapel services continue with six churches-Olivet, Waikiki, Kihei, Lahaina, Lihue, and Eleele-conducting seven services on three islands. The average weekly attendance totals around 100, and reports include professions of faith and opportunities to minister to various needs. These churches and volunteer workers deserve strong appreciation for their faithful work, often over many years.

The Chapel on the Sea had 51 services with an average attendance of 97. Many volunteers helped throughout the year including several who worked Sunday after Sunday ensuring the success of the services. Results are difficult to measure, but we regularly receive reports from those attending who have been ministered to.

Re-establishing the No Booze Cruise required the most time and work. We began on October 12 and went out every Monday, Wednesday, and Friday thereafter, weather permitting. The first three months were small and financially draining with an average of only 25. However, growth was steady, and the most recent three months averaged 44. At this time the No Booze Cruise is well established and on sound financial footing. Plans for the immediate future are to develop volunteer teams to continue this ministry.

Three mainland churches worked through the Resort Ministries in conducting mission trips. These churches did some light construction, conducted Backyard Bible Clubs, Vacation Bible Schools and survey work, and helped with other outreach projects. Our summer missionary, Kenny Phillips, helped with our on-going ministries, assisted Komolani Church in Vacation Bible School and survey work, and took over during my vacation.

Other speaking engagements: Polynesian Baptist Fellowship, Halekulani Chapel Service, GA's at Waialae Baptist, youth at Hawaii Kai Baptist, the pre-Aloha Bowl Chapel Service for the University of Houston football team and regular help with the Ilikai Fellowship.

SAMOAN CATALYTIC MISSIONARY

LEFANOCA VILIAMI

The beginning of our Ethnic Leadership Development (ELD) training program has proven the fact that this is the most critical need in our Samoan work. It has strengthened our church in the last fifteen months to the point that lay leaders are able to lead in preaching and worship with little or no help from me. It has also helped them for the coming of our new pastor, Elise Tafao.

Our training classes in Fagali Baptist and the Samoan Church in Long Beach, California in the past two month has made a big difference in the lives of those who took the training. They are now preaching and leading worship with confidence.

The ELD registered 14 students in the October quarter (7 from First Samoan, 7 from Halawa Correctional Facilities). With our new pastor for First Samoan, I am devoting more time to developing training materials in the Samoan language for all our churches: in Samoa, Hawaii, California and all future work.

The Likelike Community Church will begin on November 1, 1989.

The First Samoan members ministers to several prison units on Oahu - OCCC, Annex I, Annex II, Waiawa Minimum, and Halawa Medium for worship services and Bible studies several times a month. Elise Tafao arrived to become the pastor of the First Samoan Baptist Church in February. The church is continuing to grow numerically, in spiritual maturity and in ministry.

The radio ministry is in its fifth year broadcasting thirty minutes every Saturday.

In November, the first Polynesian Baptist Fellowship was held at the First Baptist Church of Pearl City. Churches represented were: Fagalii Baptist of Western Samoa, Happy Valley Baptist of American Samoa, Tongan Baptist of American Samoa, Long Beach Samoan Baptist, and the First Samoan Baptist of Pearl City. The program included basic Biblical doctrines, preaching, testimonies, singing, picnics, and sharing in homes.

During February, I attended the Continuing Education Conference, Mega Focus Conference and Church Cultural Day. I also attended the Language Lazer, Church Seminar (sponsored by the South Seas Christian Ministries), and participated in the Good New Mission Jog-a-thon in April. In May, I started a Bible Study for new Christians. Lena and I travelled to Samoa in June for preaching, evangelism and worship.

Travelled to Long Beach, California, July 10-August 8. Preached four Sundays in the Samoan Church and once at the Calvary Baptist in Westminster. Consulted with Lonnie Chavez, State Director of Language Work about the work with Samoans, and Leon Clay, Catalytic Missionary for the Long Beach and Orange Associations.

LANGUAGE MISSIONS MINISTRIES, AMERICAN SAMOA

JACK COMER, DIRECTOR

Samoa Baptist Academy

Finished 1988-89 with 193 students and a volunteer staff of 11 teachers, plus 4 other support persons. Local volunteers were 3 plus a paid staff of 4.

Biggest problem is the land situation because the school does not have title to the land and cannot build.

The school as Mission Services Corps staff of 13 on the island. Have a pre-enrollment of 185.

Happy Valley Baptist Church

Averaging attendance of 92 in Sunday School. High attendance was 117.

Twenty-two baptisms and 11 other additions were recorded for the year.

This summer has been a very good one. Vacation Bible School had an enrollment of 67 and average attendance of 62. The First Indian Baptist Church of Phoenix conducted a camp with 28 full-time campers and average of 85 for the night services with 8 professions of faith. A group of 10 men from Georgia came for two weeks and did repair work and painting on all of our buildings.

On August 21-25, our churches in American Samoa had a MasterLife Workshop led by Gil Brink of the California convention with 8 leaders (including one Korean and one Chinese). Twenty-two completed the workshop.

Korean Baptist Church

Pastor Kim reports a total of 12 baptisms for the year. Average attendance for worship is 25.

Chinese Baptist Church

The Chinese community is growing. Our Chinese Church has been without a pastor for over a year but the congregation continues to grow. Brother Sam Atkins (electrical engineer on contract with the government) is serving as interim pastor. Average attendance is 20. Recent Sunday attendance was 30.

Tongan Baptist Church

The Tongan Baptist Church is meeting separately with attendance of 43. Sione Kneubuhl is serving as lay pastor. They recorded 7 baptisms for the year.

Faagalii Baptist Church (Western Samoa)

The Foreign Mission Board officially turned the work of Western Samoa to the Home Mission Board and Hawaii Baptist Convention this year. The Fagilii membership is beginning to regain its momentum. They completed a new church worship building this year.

Doors are beginning to open in Western Samoa. Vala Ueselani has just moved to Apia and is in the process of starting a mission. A Korean doctor on the staff at a hospital in Apia is requesting help in getting an English speaking work started in his home.

HAWAII BAPTIST ACADEMY (HBA)

DAN H. KONG, PRESIDENT

The Hawaii Baptist Academy celebrated its 40th Anniversary this past year and reflected upon God's faithfulness through periods of development, struggle, hardships, toil, growth and progress. Any veteran, aware of the early beginnings of HBA, will recognize that God has blessed our forebearers immeasurably...and today we are recipients of untold but glorious blessings.

The following candid reports reveal some of the exciting dynamics taking place on all three campuses. We thank God for a dedicated faculty and staff which strives daily to make HBA an effective and positive instrument of Christian education for the youth of Hawaii.

Nuuanu Elementary (Rebecca Ovitt, Principal). We continue to praise the Lord for our second year on our beautiful and spacious campus! Our excellent facilities enabled our teachers to plan even more activities which further enhanced the learning experiences of the students.

We added another third grade class as planned and we had a total of 314 students enrolled. By the 1991-92 school year, we will have two classes per grade level.

Each year, a curriculum is evaluated to upgrade the students and teachers' knowledge and skills. Our main focus was on the science curriculum and we evaluated seven programs.

The music room moved to the former art room and was air-conditioned to make it more pleasant and to control the sound level. The spacious playground further strengthened our PE program and the after school sports program continued to be popular. The highlight of the art program was the Art Show held in the Spring. The Learning Resource Center was always a busy place for everyone with students borrowing books and learning library skills. The profits from a successful Book Fair were used to buy more library books.

Raising the self-esteem of the students continued to be the goal of the counselor. With the strong support of the teachers and staff, the students were provided experiences to further their knowledge and understanding about themselves and others and in relating with their peers. Lessons on drugs and sex education were also provided. The support group for students who came from single parent homes was most helpful.

Students gained an understanding of Jesus as their Shepherd during the Christian Emphasis week led by Rev. Ted Goslen. The two Christmas Programs attracted large crowds again and were our Christian witness to unsaved families. The visit of the Mainland Advisory Council (MAC) was a special and meaningful event again. The Awards Assembly and 6th Grade Graduation held in May were well attended. Eighteen out of the original 20 students who started in our kindergarten graduated this past year. The PTF members continued their strong support by providing financial support and manpower in various school activities. We were blessed to have supportive parents, for without their support, we would not be as successful in carrying out our goals for our students.

Leeward Elementary (Elizabeth Beaulieu, Principal). There were many changes on the Leeward Campus - an on-site Principal was appointed and a Business Office and Admissions Office were established.

Fifty-seven students were enrolled (16 were new students). The existing educational program provided a self-contained classroom structure, as well a weekly computer, music, PE and guidance classes. We conducted an overall evaluation of the math curriculum.

Our spacious campus was the setting for an after-school sports program which helped further develop skills.

Nine students indicated decisions for Christ during our Christian Emphasis Week in October. With PTF support, the children were able to enjoy a Thanksgiving luncheon. A "Keiki Carnival" was held on our campus. Fundraising efforts bought new science equipment, televisions, video equipment, microwave ovens and refrigerators—all for classroom use. Our annual Christmas program ushered in the Christmas season. The highlight of the MAC's visit in February was the presence of Mrs. Mary McCormick. Our excellent SAT scores showed that our students are strong academically. In May, ten students graduated from the 6th grade.

We continue to thank God for the opportunities of witnessing which He affords us at Leeward.

Intermediate/High School

Christian Emphasis (Ted Goslen, Director of Christian Activities): With an emphasis on local speakers, such as Steve Turrentine, Pastor of Kahaluu Baptist Chapel, we sought to share how Christ was moving in the Islands. During Christian Emphasis Week, the students were given the straightforward message of the Gospel, being confronted with the eternal consequences of their decisions. The Holy Spirit moved on all campuses as over 55 students made first-time commitments to give their lives to Christ.

Discipleship was a prevailing theme throughout the camps and chapels. More than 150 students participated in the Servant Group and Junior Servant Group. A highlight for the Servant Group was a HungerFast that raised over \$1,500 to fight hunger. The Honolulu Star-Bulletin published an article about this event.

Two words, "substantial" and "meaningful" summarize this past year. The work has been done, the foundation has been laid to see great things happen at HBA during the next few years, so keep on praying for our work.

The Academic Program (Diane Hom, Principal): Our senior class of 83 students did well this year in qualifying for over \$1 million in scholarships and financial aid over the next four years. The H.P. and Mary R. McCormick Distinguished Founders Award was presented for the first time to David Takiguchi in recognition of his consistently exemplifying Christian character throughout his years at HBA. This year's valedictorian was Wai Sun Wong and Salutatorian was Kristine Ching.

The music department again sponsored a spring recital for instrumentalists, including pianists and string players. Students were also encouraged to audition for the Oahu Band Directors Association Competition and its Select Band. The choir worked with the drama department in its Christmas production and in the Spring musical, Godspell. An accompaniment tape library was initiated to encourage vocalists to perform in chapel services.

Senior Kristine Ching placed top in the State for literacy criticism in the Language Arts Showcase. Several 10th grade students were the guests of Mrs. Lynn Waihee and the Garden Club of Hawaii at the governor's home for their essays on preserving Hawaii's agriculture lands.

The social studies department sponsored its second historical and cultural tour with 84 8th and 9th graders to Washington DC, Philadelphia and New York City.

Many students entered the newly formed independent school science fair. Junior high students also participated in the National Science Olympiad for the first time.

Two of our math teachers, Mrs. Judy Dill and Chairman Pat Ota, attended the National Math Teachers Convention to participate in workshops to implement the proposed new math curriculum. As a result, we are one of the first schools to be offering two new math electives, Discrete Math and Analytic Geometry.

The computer lab received new Apple IIGS machines.

The Bible department received gifts of two concordance softwares from a MAC member. A gift from Mrs. Mary Lee Askew, a retired department chairman, was used to purchase a VCR and video sets on the books of Genesis and Luke. The 9th grade Bible curriculum has been revised with a greater emphasis on the Christian teaching on sex.

The acquisition of IBM microcomputers and a new software has vastly improved scheduling and the maintenance of student records.

Athletics (John Hom, Athletic Director): HBA is a member of the Interscholastic League of Honolulu (ILH) and offers students a variety of sports activities. Girls compete in basketball, bowling, softball, volleyball and tennis. Boys participate in basketball, bowling, baseball, golf, volleyball and tennis.

Some teams are comprised of students from HBA with students from other small schools, playing under the name of "PAC-5," enabled our students to participate in sports, such as swimming, track, football, wrestling, cross country, water polo and soccer. Approximately 40% of HBA's secondary students are involved in interscholastic sports. Intramurals and clubs provide additional opportunities for sports participation.

Varsity basketball player Jeff Harada was named the league's Most Valuable Player. Teammate Alan Young was named to the All Star Team. The girls varsity basketball team took second place with a 9-5 record. Our boys varsity bowlers were the Class A champions. Our intermediate basketball team played in the Lutheran League of Honolulu and were co-champions with a 9-1 record.

Campus Life (Malcolm Harris, Vice-Principal): This past year, the Student Council executive officers were very innovative in planning new activities on special occasions, such as homecoming. A good example of this was the rubber raft race in the stream in which the ducks stole the show—they won the race.

With another good slate of Student Council executive officers, an energetic senior class, and a dedicated Servant Group, we look forward to an outstanding school year ahead. Our prayer is that many lives will be changed by the Lord.

Development (Dick Bento, Vice President for Development): As we celebrated our 40th anniversary, thoughts were focused on how the Lord has blessed the school through individuals—servants of God who were committed to the steady progress of HBA. The theme, "Making a Difference," was emphasized during the meeting of the Mainland Advisory Council (MAC) held in February.

Through the generosity of faithful friends, combined with the income from the sale of leasehold fees on Mott-Smith Laniloa units, HBA was able to fulfill its commitment to the Sisters of the Sacred Hearts with the third payment of \$1.25 million in August 1989 for our Nuuanu Campus. A heartfelt "thank you" to our donors!

Summary: Today, after 40 years of ministry, HBA continues to carry out the original purpose of the school. This dynamic ministry touches hundreds of lives and impacts scores of homes through our youth. HBA clearly participates in a cooperative effort with churches and other institutions to make Hawaii and the world a better place in which to live.
