Re: Top Baptism Churches, 1980-1984

Paulette has outdone herself. This is fascinating information.

It looks like there are 15 churches that were in the top 100 every year, 1980-1984 **and** 1990-1999.

Look at the top printout in particular, which summarizes these two time periods.

Call me if you want to discuss any of the printouts or their implications.
