León, Gto., Mexico, April 14th 1908

Dear Brother Willingham:--

Yours at hand and I hasten to re-write my report. We suffer a great deal from meddling in Post Office here, or I think it is here, and if we dont register a letter that looks like it might be of importance, it often does not show up. This makes three or four times that it has happened. I send this by registered mail.

Am writing also to the brethren that have not reported. Bro. Watkins is still down here, and Bro. Mahon is in Humboldt, Tenn.

Am more than rushed these days. And especially this day is one full of tasks. So will promise to write in a day or so, for I have a matter to state, but now have not the time.

We praise the Lord for your safe return.

Hope the brethren will give abundantly of their means for the glorg of God, and that there will be no debt.

Fraternlly yors,
