

PETITION.

To the Foreign Mission Board, S.B.C.

Dear Brethren:--One of our boys from Instituto Central of Toluca, Josué Bautista by name, who for some years attended that Institution and is one of the best prepared that has gone out from there so far, not employed in the work, but is willing to go to Leon to assist Missionary J. E. Davis, who has now the work of the whole field upon his shoulders, besides the work of editing and printing the Sunday School literature, and who needs a helper on that field.

Believing it to be a good thing to employ this young man in the work, we recommend that an appropriation of \$50 per month, Mexican money, be made for three and a half months, that is, to the end of the present year, and that the said Missionary be authorized to employ this young man as his helper on the Leon field.

The appropriation for next year is asked for in the regular estimate for the Leon field, approved by the Mission at its recent meeting.

Respectfully submitted,

J. E. Davis
