León, Gto., México. April 23d, 1910.

Dear Brother Willingham:--

Your kind letter came a few days ago--no yesterday, and it is needless to say that we all had a regular jubilee--Mexicans and Americans alike seemed perfectly carried away with joy. It was no surprise to me for two reasons:

1. I had been praying over the matter and had a strong faith that in ~~some~~ way or other the matter would come out all right.

2. I remembered often what you wrote me some time ago, to not work too hard and remember that the Board as well as the Lord was with me. That has helped me a great deal.

My dear brother, please express our heartfelt thanks to the brethren of the Board, and remember that you are to have a large share in them, as we know how you work for us. This seems oportune, and we trust that it will redound to the glory of the Lord.

We are planning now, and will close the deal next week if nothing happens. Bro. Mahon will come over, and we will see if we cant save back a few hundred dollars to paint the house and put it in good repair. Of course we cannot plan on that, but we are going to use the argument that property is down now to what it was a year

age. Of course you know we will not do anything but what is right with the man in this matter. Hope to get some concession.

The matter of the consolidation of the two Baptist papers is up and the representatives of the other paper are to come to see me next week, and I am going to make them the proposition that the Mission approved last Fall, with whatever modifications that may seem necessary, and I feel that the Board will approve of the matter, as it is just and easy. Will write you fully as soon as matters take on a definite shape.

Have to go to Mexico City tonight on business and will likely have the opportunity of preaching once or twice tomorrow.

Say, brother, our Convention Nacional meets in México this year, and I want you to come down and visit us. It will do you good and us also. It meets on Sept. 7th, and continues till the 11th, and then the National S.S. Convention follows. Then the 15th and 16th ~~and~~ the great Natuonal holidays of México, and this is the Centennial of the independence of this country. Make your arrangements to come then and then afterwards visit the field. It will help the work. Do it.

Our boys are getting well of scarlet fever. The older has been out now for some days, and the younger will get out next week. They had it very lightly.

Must close, as it is getting late, and I will have to get ready to go to the City.

Fraternally yours,

J. E. Davis
