Dear Brother:--

Yours of the 10th at hand, and will say that I
was going to write you about the progress of affairs here, but
have been so busy with the work and Mission Meeting. We had
a fine meeting--the best since I came to Mexico. You will get
the report before long, of course, and will see what a fine re-
port we had this year. Also you will get a detailed report of
the way the money was spent for the house. All the brethren were
well pleased with the house.

As to Mr. Buldain, the converted priest, I want to say that
we all think we have a jewel in this man. I cannot tell you
all about him, but my impressions that I wrote you some time
ago have not been changed in the least.

Mr. Justiniani has gone to Chihuahua. He could not stay
with us any longer, and to tell the truth about it, I do not
think he will amount to anything as a pastor. So now, Mr. Buldain
and Bro. Clark and I will run things here. For this reason I
ask you to authorize me to pay him the \$75.00 original appro-
priation for Mr. Martínez. I think you can afford to do this,
as this man is worth more than Martínez to us here, and besides
this arrangement is approved by the Mission, as this is the amount
approved for his salary for next year.

We are well. I go tonight to Mexico City to help in a
weeks meeting. Hope to have a good meeting. There are some

great meetings reported. Toluca had one with some 30 conversions and about 20 baptisms, and Torreón had 20 conversions in a weeks meeting recently. From every quarter come good tidings.

Oh, but we need men and means.

Pray for us that we may press forward and gain a great

victory in Mexico. Here in Leon last Sunday night a

special sermon of dedication, preached by Mr. Policarpo Barro

pastor of the church in Aguascalientes. Several asked for

prayer and Wednesday night I preached and 3 young men and

one woman professed faith in Christ.

Cant write more now, it is late and I must close.

office and go to the train.

Fraternally yours,

J. E. Davis

Dear Brother:--

Your letter of the 25th came this morning. I know you are hard pressed for money, but I certainly hope the Board will see fit to grant this raise in the salary of Mr. Buldain. It is not asking for anything more than a transfer of money already granted for helper on this field, and now as Mr. Justiniani has gone, of course his salary will stop. Buldain and I, with what help Bro. Clark can give us, will carry on the whole work of this field and the editorial work, etc.

For the work Mr. Buldain is doing I think it is only a reasonable recompense. But do the best you can for him, and we will try to be satisfied.

I want to send you some pictures of our new house now that the repairs are made, but as yet they have not finished up the pictures we took. As soon as finished will send you some.

The meeting with the church in Mexico City was good, the Lord giving us 30 souls in one week. I verily be- lieve the day of awakening has come. The Lord be praised!

All well. God bless you,

John J. E. Davis
