Dear Bro. Willingham:--

I have been named as a delegate of our Convention down here to the World's Alliance meeting in Philadelphia in June. Now, there are two matters regarding this that I want your opinion on, or the action of the Board, if you think better that way.

1st. Can I go? Better, may I go, if I can arrange my work so it will not suffer from my absence? I would not be gone more than two or three weeks counting all the time on the road and making a few days visit to my parents, etc. Mrs. Davis would hold the fort here in my absence, so that all would go well.

2nd. I have a fund, ^{traveling expense} as editor, that is left to my discretion to use, or I presume that it is left to my discretion, but I could not get the consent of my conscience to use it outside of México, even ^{though} ~~if~~ this trip would be in the interests of México, and our paper and work, unless the Board gives me the right to use a part of this fund that way. In other words, I would like to know what the brethren of the Board think about it, and if it would be within my right to apply a part of this fund to purchase my Ry. ticket--nothing more.

Our plant is coming out finely even though the war scare has hurt us greatly. You will see that last year was our best, by far, and this is starting off better than last.

We are all well. Pray for our work, for we believe it is the Lord's work. May He richly bless you.

Eternally yours,

J. E. Davis
