León, Gto. Mex.

June 2 - 1911 -

Dear Dr. Willingham: -

I am going to ask you to pardon me for molesting you, I know you are busy.

I understand that you are not going to be able to send out many new missionaries the coming year and it occurred to me that perhaps you knew of some one among the young lady applicants who wants to come to Mexico. I have this proposition to make - should you know of any

me who would be willing to come and teach my children four and a half hours a day, I would furnish them room, board and washing. They could devote the rest of the day to study and in that way prepare themselves for work. If you can aid me in this I will appreciate it very much. The last teacher I had, admitted other American children and earned $5-0. per month in this way.

We had considerable rioting in Leon yesterday and nearly all business houses suffered but for a wonder

we were not disturbed at all. A few window lights were broken at the printery but beyond this we were not molested.

Hoping to hear from you favorably, I am,

Sincerely

Mrs. J. E. Davis.
