

León, Gto., Dec. 11th, 1912.

Dear Brethren of the Board:--

It has been decided that Mr. Davis continue as editor of El Bautista, and in order to give sufficient time to this work, he will need a responsible Manager for the plant at León. He has an appropriation of \$300.00 for this purpose, but he finds that he can not get a responsible and reliable man for this amount, so he asks that we recommend that you grant him permission to use for this purpose the \$225.00 gold designated for 1/4 salary of editor, as he is to carry this work on and therefore it will not be needed for salary of editor.

He is arranging with an experienced printer at a salary of \$20.00 Mexican per week, and if you will grant the request of this petition, he will have sufficient funds to pay said man to direct the plant, which he himself has been directing with the help of an inexperienced young man for some time past.

Praying God's richest blessings on you and the great work entrusted to your hands,

Faternally yours,

J. E. Davis

Dr. R. J. Willingham:-

Dear Bro:-

I am sending you herewith a request that will be self-explanatory, I think. We simply have to have this help or shut down a part of the work we are trying to do, and as you know we do not ask for money to keep up the plant - this we try to earn and I think we should keep it up. It is a great help - In fact we are winning the sympathy of all León by our business relations and at least are teaching them how to deal honestly, even if they don't adopt our plan and ideals.

Hope you can advise me promptly about this matter. As you see we ask for a transfer only.

In a big hurry. Truly

J. E. Davis
