WARRENSBURG, MO.,

Dear Bro. Ray:-

Draft for my July salary
just read. Thanks.

I am leaving on the
11:15 train for St. Louis
and will go to Nashville
tonight. Hope to meet Dr.
Love there tomorrow.

Dr. Brewer's address is
5201 Pitt St., New Orleans,
La. Yes, there is much to con-
sider about the publication
work and there is so much
that we are uncertain about
- paper prices, wages in Mexico,
etc. etc. - that it will be hard
to determine the best course
to pursue. The Lord will lead
us. Truly, H. Davis

Dr. T. B. Roy.

Richmond, Va.

Dear Brother:—

I have been waiting to write you till I could get a letter from Bro. Lacy, and too just because I was feeling so no-account that I did not want to make the effort. I am rallying a little at last and am beginning to feel a little more like myself, and will take this matter up so you can have it be-

fore you in your next
Board meeting.

The Brethren of the North
Mexican Mission seem to
think I ought to meet
with them in San Antonio
where we can go over this
whole provisional plan for
the publication of our
literature - I mean the
periodicals & small tracts
we so urgently need in
our work. I am of the
same opinion. I will
have to go to El Paso it
seems, and I can go from
out here easily.

I am doing my best to
get everything arranged
but believe I should go
to this S. Antonio Mission
meeting and then arrange

the matter.

I hope to hear from you soon as to the advisability of this trip.

Day after tomorrow we go on to Denver, and as school-time has arrived and we have a good college for young ladies there, we are about to decide to stop there for the school year at least. My wife's health is always so much better in the higher altitudes and I can be just as useful here as anywhere else, that is, can work out from here about

as well as any other point.
We are near our own
territory - N. Mexico and
I think I need to be a
good way from the turmoil
of the work for a few
months yet.

Let me know soon
the opinion of yourself
& Bro. Love on these two
points - that is, my tempo-
rary location & the trip
to San Antonio to attend
the Meeting of the No. Mission
going, or ^{better,} returning by El
Paso to make such ar-
rangements as may seem
best to the brethren.

Address me, Denver,
Gen. Delivery, for the
present.

Tristemately J. E. Davis

Dear Bro. Ray:-

My expenses to Wash-
ville were ----- \$26.⁸⁵
Salary for August 133.33
Total ----- 160.18.

Will send in as complete
a statement of the affairs
of the House just as soon
as I can feel like getting
it up. Perhaps it would
be better to get it up just
after the San Antonio meet-
ing, that is, if I go. If not,
I will send it to you
before a great while.

The Examiner for the last
Quarter has been sent out

and the house closed up. I did not know what else to do.

I have given instructions how to arrange matters down here in order to cut off all unnecessary expenses.

The Lord has been very good to us, and we are praising His name for his loving-kindness and mercies.

Yrly
Davis
