Dr. J. F. Love,
Foreign Mission Rooms,
Richmond, Va.

Dear brother:

I am sending you herewith my report. I suppose the other brethren will send in their reports for the time they were in charge.

I am planning to get off to San Francisco next week some time and will be gone about two weeks.

They tell me you are to be in Texas some time before very long. Why not include in your visit a trip to El Paso? I wish you could see our plant and help us make plans for the future. If possible, come and see us on this trip to Texas. I believe it will be worth while.

You, perhaps, have already heard that the workers of the Home Mission Board and those of the Foreign Mission Board here have been entirely reconciled and are working in perfect harmony for the first time in history. I am sure that it is of the Lord and we praise His name for it.

Yours fraternally,

J. E. Davis
