Rev. J.E.Davis,

Box 667, El Paso, Texas.

Dear Mr. Davis:

Your letter of May 29 to Dr.Love has just been received. He sailed on Wednesday the 31st for Rio de Janeiro, Brazil, and will be gone for several months.

Dr. Ray returned several weeks ago and was at the Convention in Jacksonville. He is now quite busy in the office. No doubt he would be glad to hear from you.

I am forwarding the letter to Rev.C.W.Branch, Plant City, Florida, and hope that he will get it.

Yours sincerely,

Secretary to Dr.Love.

Dr. T. B. Ray,
Foreign Mission Rooms,
Richmond, Va.

Dear Ray:

Glad you're back. Heard you had made a great speech at the Convention, felicitations. Have been wanting to write you a letter but am too busy. You will get a bunch of them from me pretty soon for I have blood in my eye. Be ready for them and don't turn us down any more for we are going to have what we want or know the reason why. But this is just a hint of what's coming..

What I want now is for you to write me a letter addressed "To Whom it may concern", stating that I am a missionary of the Board and exclusively employed in the interest of Spanish work. You might state that any favors shown me as such will be appreciated by you.

But now, I know you want to know what I am driving at. It is simply this: that I want a pass on a railroad and am pretty sure I can get it if I have such a recommendation.

No time for more just now. We are getting along fine and I am sure that our report, which you will receive pretty soon, will be more than satisfactory. Wish you could be with us in our Mission Meeting at Saltillo next week, but I know you will not be on account of your muchas ocupaciones.

Thanking you for your favor, I remain

Yours fraternally,

J. E. Davis
