Richmond, Va.

Dear Brother:

In a few days I am going to send you copies of our literature for the 4th quarter of 1933. You will see what we are struggling to do for the Master in our line. If you do not want to try to read it all, why then just look at the work in a general way and call it a day's work. In fact that is about all any of us get to do with many things that come to our hands.

Now, I understand that a meeting of our Mexican Mission is wanted in the near future. Bro. Benson and I would be glad if this could be held as soon as possible, since we, if we continue to get out this literature for the whole Spanish-speaking Baptist world have to begin soon on the literature for the first quarter of 1934. In fact, I am preparing the lessons now, but we can do very little until we are pretty sure what we can depend upon for the year. So we hope the meeting can be held not later than September 1st, sooner if possible.

May the Lord richly bless you in your great work.

Most cordially yours,

J. E. Davis
