Sir:

Reference is made to your letter of January 22, 1937, in which you state the Baptist Publishing House is the property of the Foreign Mission Board of the Southern Baptist Convention in Richmond, Va.; that you are appointed to the position of editorial secretary and business manager with a fixed salary.

This is to advise you that you are an employee, together with any fellow workers under your direction, of the Foreign Mission Board of the Southern Baptist Convention. The Board should apply to the collector of internal revenue in the district in which Richmond is located relative to establishing its status as to being in an excepted class.

Respectfully,
