

Hallowell, April 16th, 1846

My dear mother,

I am going to Boston

Portland, having already visited Waterville & Newtham-  
ton, the residence of Boardman's relatives; & expect  
to be in Boston on Monday. I want to complete the  
purchase of those articles I gave you a list of, within  
two or three days after my arrival - so that I can start  
with the latter part of the week. I expect I have  
got into a scrape with Fanny's sister - she has taken it  
into her head, that she is not good enough to <sup>engage in</sup> ~~be~~  
a mission, & I have got to go out strong to convince  
her of the contrary -

With love to Mrs. Galt & family

Yours most affectionately,

Agnes
