2024	\$43,526,459	\$59,635,508	3,299	\$96,277,700.	\$131,143,910	3,566

*Budget transitions due to Covenant for a New Century Implementation

+Non-appointed missionary spouses no longer included; MSC (self-funded) missionaries eliminated

++Beginning in 2015, NAMB missionary count includes missionaries, church planters, church planting team members and student missionaries

+++Count begins to fluctuate as church planters rotate out after launch out and are not replaced

**A change in IMB reporting dates provides only a partial year total in 2018
