5. Orville Griffin read a telegram from the Rev. Carl Hunter, past President of our Convention, now serving as a pastor in Florida, expressing his best wishes for our annual meeting. Brother Griffin noted that it was because Carl Hunter moved from our State that he serves as Moderator.

6. The Rev. Bert Williams, host pastor, gave a warm welcome to those in attendance at the State Convention.

7. Dr. Claude Rhea was introduced by Brother Griffin. Dr. Rhea, Vice President for Administrative Affairs, Houston Baptist College, Houston, Texas, was guest soloist for the Convention and directed the music in some of the sessions. He led the congregation in singing, "To God Be The Glory."

8. Dr. Ray Roberts reported on "New Life Crusades." Prayer calendars and a brochure explaining the Dayton Crusade were given to all present. He told of his long desire to have every person in the Dayton area confronted with the Gospel and expressed appreciation to Texas Baptists and the Home Mission Board for their financial assistance. He urged that all be in prayer for this Crusade. Dr. Roberts introduced Dr. Ralph Neighbour, Associate in the Evangelism Department of the Baptist General Convention of Texas. He also introduced Brother Neighbour's father, Dr. Ralph Neighbour, Sr., a visitor at the Convention.

NEW LIFE CRUSADE

Ray E. Roberts

We continue to feel the New Life Crusade in Dayton to be potentially the greatest "breakthrough" in evangelism during the history of our work in the Northeast. Everyone involved, especially in the Dayton area, is aware that this is a pilot project and the pattern for future evangelistic effort will be determined by the outcome of this meeting. Ralph Neighbour of the Texas Evangelism staff is serving as Co-ordinator. He was in Dayton for eight days during October having extended orientation conferences with Dayton Committee Chairmen, State Convention staff, and the Mission Superintendent. Committee members overflowed the auditorium of Miamisburg Church for a rally during that week. Texas Committee members who came to participate went home deeply moved by the spirit of the meeting.

Two trips to Dallas have been made by your Executive Secretary in the interest of the Crusade—in September to bring a message to the Executive Board of the Texas Convention and to meet with the various committees, and again in November to bring the closing message to the State Brotherhood Convention and again meet with some of the committees.

In addition to a $75,000 contribution to the $200,000 Dayton Crusade budget, Texas is raising $10,000 for expenses of Brother Neighbour and Texas Committee members. In addition to the contribution of staff members in Texas, 400 others will be enlisted to participate in the climactic services during the closing two weeks of the Crusade — one hundred preachers, 100 singers and 200 laymen. Their expenses, paid by Texas churches, will total another $100,000, but the value of their efforts can not be measured by material standards. These are spiritual contributions measured in terms of lost souls saved for eternity.

The Home Mission Board is contributing $94,000, in addition to valuable leadership, with $25,000 from the State Convention and about that much from Dayton and Miami Valley Associations.

Folders are being distributed in this Convention telling of the Crusade. Prayers must go up from all over our Convention that a fire will be ignited in Dayton that will spread throughout the Northeast before the Crusade of the Americas closes in 1969.

9. State Missions Director, Arthur L. Walker, gave the State Missions Report. He noted that this month marks his fifth year in this position. Brother Walker spoke of challenges through open doors yet to be realized. He recognized missions staff members and then introduced Troy Stair, US-2 worker in Southeast Ohio, who told of his work in that area and of the meaning of the US-2 Program.

Testimonies were given as a report on special projects and plans launched in previous years.

Brother John Hagan told of his work in Central Baptist Church, Akron, Ohio, from its beginning in June, 1963. This was a special project to establish the first Southern Baptist church within the city of Akron.

Brother Jack Grant, Eastlake Baptist Church, Cleveland, Ohio, told of the Lord's blessings on his work which began in 1964 as one of eleven churches that have subsequently received substantial assistance from the Cleveland Fund.

Ross Hughes, Superintendent of Missions for Steel Valley Association, reported on work in the Youngstown-Warren area since he went as their first missionary in January, 1966.

Six new churches have been organized and six new missions begun in the past ten months.

Brother Walker told of Goals of 107 new missions and 35 churches for this year. Plans are to establish missions in cities where there are no Southern Baptist churches at present, complete plans for putting Mission Centers into operation, and lend support in every possible way to the Dayton Crusade.

Mrs. Merlin Boone, US-2 worker, concluded the Mission Report by singing, "Send Me Forth." Arthur Walker moved the adoption of the report, seconded, and carried.

STATE MISSIONS REPORT

State Convention of Baptists in Ohio
Dayton, Ohio
November 8-10, 1966
By Arthur L. Walker
Director of Missions

Ohio has experienced another good year in the beginning of new missions, and we have seen accelerated growth among the churches in our neighboring affiliated states of New York, Pennsylvania and West Virginia.

This month, I complete five years as your state missions director. Each year I have rejoiced at the blessings our God has heaped upon us, though I have never been completely satisfied with my personal performance nor with the growth achieved in our work. We have had an increasing awareness of the tremendous responsibility that faces us in this rich and growing heartland of America where we serve. We are conscious of a rich heritage as Southern Baptists and of the special privilege to serve in the greatest mission field in America. But we must also remain conscious of manifold needs not yet met, doors not yet entered, and time that will not await our convenience.

As we give this report and sing the doxology of praise to God who has made it possible, let us pray that God will continue to work His mighty works in our midst. "To God be the glory! Great things He hath done," and great things He will do!

CONVENTION GROWTH IN TWELVE YEARS

The past year was the twelfth for the State Convention of Baptists in Ohio. The convention was organized in January of 1954 with 39 churches and 10 missions. The fellowship of the convention now numbers (through September 25, 1966) 364 churches and 126 church-type missions, for a total of 490 congregations.

During this convention year (September 26, 1965 - September 25, 1966), our area superintendents of missions have reported 45 new missions started and 31 new churches constituted. In addition to the 126 missions under sponsorship of 101 of our 364 churches at the end of September, active mission extensions numbered 135. During the year, a total of 124 churches sponsored missions at various times, a larger number than during any previous year. We trust an even larger number of churches will become involved in sponsorship of new missions during the next year. The churches of our convention are organized into 22 district associations.

MISSIONARY STAFF

Our missionary staff, in addition to the state director and office secretary, is composed of 13 area superintendents of missions, one missionary to Spanish-speaking peoples, one juvenile rehabilitation director and one mission center couple with workers being sought for two other centers. These two centers will be activated when directors are secured. On July 1, the Cincinnati Baptist Center was opened under the direction of Larry and Marjorie Gardner.

On January 1, 1967, or as soon thereafter as possible, three associate missionaries will be jointly employed by the State Convention and the Home Mission Board. Each of these men will pastor a new mission in an undeveloped area and serve as an associate missionary to the superintendent of missions in the county or area where the church is located.

STATE MISSIONS COMMITTEE

The State Missions Committee of the Executive Board has given valuable council and has considered all applications for pastoral aid, both from the Home Mission Board and from the State Emergency Pastoral Aid Fund.

HOME MISSION BOARD PASTORAL AID

From September 26, 1965, to September 25, 1966, Mission Pastoral Aid supplements were secured from the Home Mission Board through the State Missions Department for 53 pastors serving in missions and young churches, totaling $90,825 This compares to $72,850 paid to 60 pastors the previous year. These payments from the Home Mission Board included $25,100 allocated through the Cleveland Fund.

STATE CONVENTION EMERGENCY PASTORAL AID

During the same period, pastoral supplements from the Emergency Pastoral Aid Fund of the State Convention were granted to 47 pastors, for a total of $18,300. This compares to $12,875 paid to 41 pastors the previous year. We have been able to meet all qualifying requests for assistance from this fund during the past year. The response of our churches to the 1965 State Missions Offering has enhanced our ability to do more for our missions and churches than ever before, and we can assist in more places than ever before.

NEW WORK FUND

During the past convention year, a total of $9,129.95 was spent from the New Work Fund in initiating new work and meeting emergencies in young missions and churches. This included the first month's rent in many new missions and assistance in moving pastors to new missions.

TRACT DISTRIBUTION

The Missions Department has distributed more than 370,519 tracts during the past year. These have been in the following categories: Evangelism, Doctrinal, Christian Life, Family Life, Anti-Alcohol, Stewardship, Home Missions, Foreign Missions and miscellaneous titles.

These tracts are available free upon request. The church is asked to send the cost of postage and to request only the number that can be properly distributed. A tract order form is available from the Missions Department.

SUMMER STUDENT MISSIONS PROGRAM—1966

PLANS AND GOALS FOR 1966-67

At the Associational Leadership Conference on October 28-29, the associational missions committee chairmen and the superintendents of missions announced associational goals that have, for the most part, been recommended by the associational missions committees and adopted by the associations. The goals call for 107 new missions during this year and anticipate that at least 35 missions will constitute as churches. Goals for a minimum of 52 new sponsors were announced.

In many of the associations, the missionaries and the missions committees have already pinpointed the places for new missions and done some preparatory work toward realization of the goals.

For the past several years we have given more pastoral aid each year to a larger number of pastors. During the past year we have been able to give a favorable response to each application for aid that has met the requirements of the State Convention and/or the Home Mission Board. In 1967, we expect to do much more in this direction.

In 1967, we plan to establish missions in some cities that have no Baptist witness of any kind and in several other cities that have no Southern Baptist witness. Included in the proposed budget is an item of $20,000 for entering new county-seat towns or other cities in counties where our witness has been unknown heretofore. This fund will be provided jointly by the State Convention and the Rural-Urban Missions Department of the Home Mission Board and will enable us to enter at least three such areas. A pastor serving under this program will, in addition to pastoral responsibilities, serve as a missionary associate to the superintendent of missions, developing extension ministries of the church out into the county or area around the church.

A similar program, using regular Mission Pastoral Aid funds, will be used to establish churches in key cities where some of the initial

pastoral support can be provided by local forces. Such special projects will be initiated insofar as it is possible to do so without jeopardizing the regular programs of pastoral aid.

Among other special emphases for 1966-67 will be to complete plans to put into operation the Mission Centers in Dayton and Akron, and to establish 10 new missions in strategic places in the Dayton area in connection with the Dayton New Life Crusade. Special funds will be provided to help finance these projects, and they will be studied as to the effectiveness of the approach that is taken.

While we have a deep conviction that we cannot "buy a church" with financial assistance programs, we believe that a mission church which has a wholesome attitude toward its responsibilities and will exert its best effort toward ministering adequately to its community can more quickly meet its challenges with the asistance that can be provided. We feel our money can best be invested in preachers and will continue to develop our assistance programs along the lines of pastoral supplements.

RESOURCES FOR MISSIONS

Will you examine your personal position and that of your church relative to missions at home and around the world!

May I suggest the following activity for the year ahead:

(1) Examine your church's record both in sponsoring local missions and in supporting world missions.
(2) Join with Southern Baptists nationwide in studying "Southern Baptists in the Great Lakes Area" next spring in connection with the Week of Prayer for Home Missions. Mission work in Ohio will be a vital part of this study.
(3) Plan and start a new mission. Begin with a mission Sunday School or a home fellowship Bible class. And don't forget the religious survey.
(4) Keep your church informed about its participation in missions. Let them REJOICE with you.
(5) Consult your area superintendent of missions about any of these suggestions. He will be happy to assist in any way you may need him.

The Lord desires to work wonders among us. Let us not miss the blessings by failing to involve ourselves in His business!

10. Dr. Claude Rhea led the congregation in singing, "Have Faith In God," and the Rev. Hoge Hockensmith led in the offertory prayer and the evening offering was received.

11. Dr. Ray Roberts was asked to introduce Dr. Franklin Paschall, Southern Baptist Convention President. Prior to the message, Dr. Rhea sang "Jesus, Rose of Sharon."

12. Dr. Paschall's message was "Positive Faith." He stressed that negative theology, "God Is Dead," will not do. Some people magnify problems and forget the promises.

Positive Faith:

(1) A positive faith **holds.**
Jesus Christ is the author and finisher of our faith and He is faithful.
The faith we preach is one that holds — Romans 8:38-39. "No world — terminal illness, entertainment — can separate us."

(2) A positive faith **has.**
A condition of happiness — faith possession.
Should thank God for what we have and quit thinking about what we don't have.
Our main business should be that of winning souls

and beginning missions and churches. He expressed appreciation for denomination, for our nation, and for our institutions which should be in subserviency to the will of God.

(3) A positive faith **hopes.**

Faith and hope go together. "Tomorrow will be better." "The best is yet to be." No matter what the situation, with Christ Jesus the best is yet to be. There are times when it looks bad for the churches, but the Christian knows how it is going to come out.

13. The evening session was dismissed in prayer led by the Rev. Curtis Porter.

Morning Session
Wednesday, Nov. 9

14. The State Convention reconvened at Crestview Baptist Church at 9:15 A.M., with Moderator Orville Griffin presiding.

15. Moderator introduced Jerry Miller, Minister of Music, Far Hills Baptist Church, Dayton, as music director for this session. He led the congregation in singing, "Ye Servants of God."

16. Brother Leslie Moody read John 15:1-14. Brother Bob Wall led in prayer.

17. "Spotlighting the Ministry of Mission Centers" was the emphasis by Larry Gardner, Director, Cincinnati Baptist Center. He showed slides of work and ministry to the East Basin area.

18. The Baptist Book Store "spot announcement" was made by Miss Ruth Hawkins. She introduced Miss Irma Gallagher from the Bookstore Division of the Baptist Sunday School Board. It was under the leadership of Miss Gallagher that the Bookstore was set up in our Convention. Miss Hawkins promoted books on Amos in preparation for the January Bible Study.

19. The Sunday School and Church Architecture Report was given by Charles Raley. Brother Raley listed as tasks of the Sunday School: To teach the Biblical Revelation, to reach all prospects for Bible Study, and to lead all church members to witness and to minister every day. He challenged our faithfulness in Sunday School that we might reach the 7 million people in our State Convention territory. Brother Raley moved the adoption of the report. Seconded and carried. He then introduced Robert Cook, Training Union Department of the Sunday School Board.

20. Mr. Miller led the congregation in singing, "Ask Ye What Great Thing I Know."

21. Robert Cook spoke to the Sunday School Report. He

brought greetings from the Sunday School Board, and from the Belmont Heights Baptist Church and its pastor, the Rev. Bob Norman. He spoke of the five new Training Union manuals and of the Life and Work Curriculum. Mr. Cook read from the Gospel of John and brought a message on "Learn From Me." He said that in being told to "Learn from Me" we might ask three questions:

(1) Who said that?
Who is Jesus? He is one who forgives sin, one who multiplies service, and the assurance of my destiny.

(2) What do you want me to learn?
The purpose of this life, the truth about cross bearing, to learn to be happy, and to learn to do His work better.

(3) What will it do for me?
It will cause us to "entertain royalty in the castle of life."

REPORT OF SUNDAY SCHOOL DEPARTMENT
Charles E. Raley

The state Sunday School department is responsible for five separate programs of work. These are: Sunday School, church building consultation, Vacation Bible Schools, Weekday Bible Study and church kindergartens.

This report will include all of these programs of work.

THE PROGRAM OF SUNDAY SCHOOL PROMOTION

The state Sunday School department, through its program of Sunday School promotion, is responsible for helping approximately 500 churches and missions in our State Convention to use their Sunday Schools to teach the Biblical revelation (the message of the Bible); to lead out in reaching all prospects for the church; to lead all church members to worship, witness, learn and minister daily; to provide organization and leadership for special projects of the church; and to provide and interpret information regarding the work of the church and the denomination.

Since it is impossible to help all of the churches directly it is the plan of the Sunday School department to major on assisting the associations to enlist and train an adequate corps of associational Sunday School officers. The training program is to be comprehensive in nature including training in determining the needs of churches, planning, conducting and evaluating the associational Sunday School program, and general leadership training. This approach recognizes the association as the most important unit of denominational life for giving direct, personal assistance to churches.

ASSOCIATIONAL OFFICER TRAINING

To carry out this program of associational officer training we feel that our state convention territory should be divided into six regions with a regional director in charge of training the associational officers in his region. These directors will assist the associational superintendents in organizing their Sunday School forces so that they might do a better job of teaching, reaching, winning and developing those enrolled in Sunday School.

In addition to the regional directors we hope to have a full slate of state approved workers that will assist in this training.

This program of associational officer training will begin in 1967 but will not be fully developed until 1968.

SPECIAL PROJECTS

The program of Sunday School promotion includes a number of

special projects. Perhaps the most significant of these is the state Sunday School convention. This year's convention was held at the Parsons Baptist Church in Columbus.

Four associational training schools, one enlargement campaign and numerous local church and associational conferences were held in promoting Sunday School work.

THE PROGRAM OF CHURCH BUILDING CONSULTATION

This program involves helping churches to plan, remodel and use church buildings. During the first nine months of the year forty churches were visited at least once for conferences on planning for new buildings or remodeling existing structures. Many others have been put in contact with the Church Architecture Department of the Baptist Sunday School Board, and a large number of inquiries have been handled through correspondence.

THE PROGRAM OF VACATION BIBLE SCHOOL PROMOTION

This program includes helping the churches plan and conduct Vacation Bible Schools. Certificates are mailed to all churches reporting their Vacation Bible School to the state Sunday School Department.

The major approach of this program is to train teams of Vacation Bible School workers from each association to help churches train their Vacation Bible School workers and encourage churches to conduct mission Vacation Bible Schools.

The associational Vacation Bible School clinics are one of the chief means of helping churches train their workers. Last year our twenty-two associations conducted twenty-seven clinics in the associations with more than 2,000 Vacation Bible School workers receiving training. Represented at these clinics were workers from 231 churches and 49 missions.

A state Vacation Bible School clinic is held each year to train the associational Vacation Bible School teams. The clinic was held at the State Fairgrounds in Columbus on March 17-18, 1966, with every association reporting.

1966

ANNUAL REPORT

The Radio and Television Commission

Southern Baptists' Radio and Television Commission is in a position to press the case for its programming with the broadcasting industry as never before. Factors which make this so include: the new international Communications Center with all of its facilities, appointment of new staff members to key positions in the agency, and the beginning of corps of field representatives.

The 23 programs produced by the Commission were broadcast on all-time high number of radio and television stations at the end of

1965—more than 2300. Actually, the Commission appeared on 78.4 per cent of the entire broadcast facilities of the nation between April 1, 1965, and March 31, 1966, broadcasting a total of 52,000 hours. If one station ran this amount of programming, it would take 2167 days or almost six years of continuous broadcasting.

In 1965 the value of the public service time given the Commission by the nation's radio and television stations totaled $3.8 million. Southern Baptists' impact on 20th Century man is directly proportional to the effectiveness of the channels of communication employed.

While the trend among broadcasters in general seems to be away from religious programming, the Southern Baptist message is being heard on more stations by more people in more ways than ever before.

During 1965 the radio department duplicated 120,000 tapes for all purposes—domestic broadcast, overseas programs and convention tape packages. Thirteen programs were produced each week for domestic use and eight in other languages for foreign use.

The complete list of programs and the station count for each at the end of 1965 was as follows: **The Answer,** 100; **The Baptist Hour,** 535; **"Master Control",** 426; **Patterns,** 201; **Music To Remember** (monaural and stereo), 203; **International Sunday School Lesson,** 104; **La Hora Bautista,** 77; **Moments of Meditation,** 30; **Musica Para Recordar,** 105; **Youth Speaks To You,** 67; **The Voice of Peace** (Russian), 4; **The Voice of Hope** (Chinese), 7; **The Living Water** (Navajo), 7; **Manna In The Morning,** 27; **Oklahoma Baptist News,** 12; **Tennessee Baptist News,** 20; **Arkansas Baptist News,** 26; **Escola Biblia Do Ar** (Portuguese), 2; **Control-Central,** 116; **Momentos De Meditacion,** 109.

Close cooperation with the Seminary Extension Department and Dr. Ralph Herring, director of SED, in the adaptation of existing course material has provided Southern Baptists with what is thought to be the first Radio Bible Correspondence Course with seminary credit available. Some 200 students were enrolled through initial radio promotion.

This course was first offered on **The Baptist Hour** and the **International Sunday School Lesson** programs with major growth expected during 1966. The basic Bible correspondence course in Spanish is still offered on radio in Mexico and South America with approximately 1000 persons having taken part to this date in its three phases.

Requests have increased annually from all over the world for technical assistance of various kinds. Most often they come from pastors or missionaries who need program material, ideas for local opportunity on radio/tv, how to plan for radio/tv areas and equipment in a new church building, etc. In addition, news programs for state Baptist conventions were started during the year for Arkansas and Tennessee. Georgia and Kentucky have scheduled similar news programs in the fall of 1966.

28. Dr. Franklin Paschall brought the closing message of this session speaking on "Missionary Opportunity." Using Galatians 6:10 as his text he emphasized:

(1) Time is in His hand

(2) History is in His hand

(3) He holds you and me in His hand

(4) He opens the door of opportunity

He urged that we get into Japan with the Gospel while we can. A strong Communist movement is now on in Japan, and the door may soon close. Likewise, get into the Philippines and Thailand. "We need to do all we can while we can!" India needs the Gospel, too.

(5) The time is short

If we do not preach the Gospel while we have the opportunity, we will lose the opportunity to preach the Gospel.

(6) This is the greatest hour Baptists have ever faced!

We need to continue emphasis on the importance of the individual.

Implement this faith in the Lord Jesus Christ.

The best way to enforce morality is by winning to Christ.

Brother Paschall closed his message by saying, "It is revival or the judgment of God."

29. Report of registration, given by the Moderator, was

Brother Hall spoke of the importance of letters in establishing new work.

35. Claude Rhea and Jerry Miller sang, "He Lifted Me."

36. Orville Griffin delivered the President's Address. Joshua 17:14-18 was read and he spoke on "Ohio Baptists Are A Great People."

(3) A Great People depend upon God.
(4) A Great People will undertake Greater Things for God.

Moore, who was elected to fill the vacancy left by Mr. Davis. Brother Moore spoke words of commendation for the former editor.

Report of

THE OHIO BAPTIST MESSENGER

Ray E. Roberts

The **Ohio Baptist Messenger** is the official journal of the State Convention of Baptists in Ohio and a member paper of the Baptist Press news service of the Southern Baptist Convention. Its ministry is one of communication. Realizing the total work program of churches, the **Ohio Messenger** has tried to render a responsible ministry to Southern Baptists of the State Convention.

The **Messenger** is as old as the State Convention itself. It began as a news sheet mimeographed, produced and distributed by Ray E. Roberts when he came as missionary to Ohio. In 1952, the paper advanced from a mimeographed news sheet to a printed paper and was circulated in the area known as the White Water Association. When the State Convention was organized in 1954, the **Ohio Baptist Messenger** became the official journal of the newly organized state convention. Thus, the **Ohio Baptist Messenger** has gone from a mimeographed news sheet to a weekly publication.

Objectivity in all matters of news reporting is the aim of the paper. Total coverage of news relevant to Southern Baptist life is the ultimate objective of the **Messenger** staff. Because of space limitations, selectivity is practiced with reference to items of news used. News is received from many sources around the world and is selected according to its place of importance to Southern Baptist church life.

In order to keep Southern Baptists informed about activities within the State Convention, a constant flow of news from individuals and churches is needed. Importance is placed on the time element of news events. The report of events should reach the **Ohio Baptist Messenger** office immediately following the event—before if possible.

Published weekly, the **Ohio Baptist Messenger** has gone into 7000 homes during the current year. Wholesome literature with an inspirational impact to challenge Southern Baptists to their best Christian service is needed in our day. The state paper provides this. It also provides a promotional service for the total program of work for your state convention.

The State Convention provides each pastor with the paper on a complimentary basis. Approximately 500 copies are mailed each week on this basis. In addition, further distribution is made on a complimentary basis as follows: (1) To 28 other state papers; (2) To Southern Baptist Convention agency heads and selected staff; (3) 100 each week for use at Seneca Lake during assembly weeks; (4) 100 copies each week to both Glorieta and Ridgecrest Assemblies during assembly time (June-August) for distribution.

Paid circulation of the **Ohio Baptist Messenger** now stands at approximately 6300.

An increase in total copy space began in 1965 when eight twelve-page editions were published. An additional increase in copy space took place in 1966 when 12 issues of the paper were twelve pages in length and 36 issues were eight pages in length. In 1967, copy space will be increased to 36 issues twelve pages in length and 12 issues eight pages in length.

The paper is printed at Spencer-Walker Publication Printers, Columbus, Ohio, and is mailed by the **Messenger** staff.

Pastors are urged to give their support in promoting the state paper to their churches. Churches can send the state paper to every family through the budget plan which costs $1.25 per year per family. At the least, churches should provide the state paper for each person

who holds a place of leadership. This can be done by the club plan. In order to take advantage of this plan the church sends at least ten subscriptions or more to the **Messenger.** The cost of this plan is $1.25 per subscription. The individual rate is $1.50 per subscription.

A three month trial offer will be given to churches when they constitute. New churches should send in the names and addresses of their charter members as soon as they constitute in order to take advantage of this offer.

Public Relations Responsibilities are a part of the work load of the **Messenger** staff. As such, the office seeks to interpret the work of Southern Baptists to its own constituency and to non-Baptists through appropriate media of communication. This office exists to serve churches. Pastors and associational leaders are encouraged to call upon us for help and advice.

On September 30 Lynn M. Davis, Jr., who served as editor for the past 4½ years, resigned to assume a new position with the Baptist Sunday School Board in Nashville, Tennessee. We appreciate the ministry of Brother Davis while serving with the **Ohio Baptist Messenger** and ask that you pray for the Committee as they seek a new editor.

We would also like to express appreciation for the efficient way in which our Editorial Assistant, Miss Bea Addington, has continued to publish the paper in consultation with the Executive Secretary. We are fortunate to have someone of her abilities and devotion to work in this strategic place.

39. Miscellaneous Business:

(1) Southwestern Luncheon to be held at David's Buffet.

(2) Southern Seminary Supper meeting at Virginia Cafeteria Thursday night.

(3) New Orleans supper meeting at the host church at 4:30 Thursday.

(4) Joe Hunt read a telegram of fraternal greeting from Florida Baptist Convention. He also read a message being sent by our state convention to six other conventions in annual session, which read as follows: "The Thirteenth Annual meeting of the State Convention of Baptists in Ohio extend fraternal greetings. May you rejoice in reports of victories won in the past year and challenge your faith in the Lord during the coming year."

(5) Miss Gallagher made a Bookstore announcement. She spoke of her continued love and admiration for Ohio since she was in our state thirteen years ago.

40. Brother Raley led in singing, "I Love Thee," followed by solo by Ronald Wilburn, music-educational director of host church. He sang, "The Wonder of It All."

41. Dr. Leonard Stigler presented the Evangelism Report. He moved adoption of the report. Seconded and carried. Last year was the first year we had in excess of 6,000 baptisms. Our baptismal ratio this year was 1 to 10.9 as compared to the SBC ratio of 1 to 29. Dr. Stigler called special attention to the Dayton Crusade and to revival dates of the various areas. The 22 Evangelism Clinics and the State Evangelistic Conference were highlights of the year.

Dr. Stigler presented Dr. Ralph Neighbour who has been asked by Texas Baptists to lead in the Dayton Crusade.

*(11:00 A.M. - 3:00 P.M.)

42. Dr. Ralph Neighbour read I Cor. 14:7-9. He spoke of this pilot project of blending personal and mass evangelism in "Evangelism in Depth." He spoke of many plans that have been made for the Dayton Crusade—plans for a survey; loving cultivation; a marked New Testament to be left in each home in addition to personal conversion experiences to be given; a 12,000 seat stadium to be used during the central Crusade week; choirs to present concerts in mills, where permitted, as the workers eat their lunches; 100 pastors, 100 ministers of music, and approximately 35 choirs coming to Dayton. The budget will be in excess of $200,000. He stated there must be character of my life and yours of what God does. The **J** in Jesus must be bigger than the **B** in Baptist. There must be:

1. Certain sound of concern
2. Certain sound of contact
3. Certain sound of compassion

43. Brother Jack Tichenour led in the closing prayer as all the pastors gathered in the altar and aisles and knelt in prayer for a commitment of life filled with concern, contact, and compassion.

EVENING SESSION
WEDNESDAY, NOVEMBER 9, 1966

44. Prior to the evening session, after words of appreciation and prayer by Charles Raley, Dr. Claude Rhea presented a thirty minute concert with Mrs. Betty Chatham, accompanist. The following numbers were presented:

How Great Thou Art
He Was Alone
There Is A Balm In Gilead
He's Got The Whole World In His Hand
I Won't Have To Cross Jordan Alone
Lord, Make Me An Instrument Of Thy Peace

45. Moderator Orville Griffin introduced Gordon Neal, Minister of Music, First Baptist Church, West Carrollton, as music director for this session. He led in singng, "He Keeps Me Singing."

46. The Rev. Clay Frazier read Romans 1:14-16; 10:1; 11:1-2. Brother Warren Conner led in prayer.

47. The Mission Spotlight for this session was that of the Ministry to the Deaf, led by John A. Cooper, Missionary to the Deaf in the Great Lakes States. Brother Cooper presented a choir of deaf members of Dayton churches. Brother Bill Roaden gave his personal testimony with Mrs. Evelyn Parker as interpreter. He appealed to us to remember these most neglected people who need to know of God's love. The Rev. Clyde Bowen was introduced and told of the four churches in the Dayton area having a deaf ministry. Brother Austin Fugate led as they "sang" "To God Be The Glory."

Mrs. Haslett, Sunday School teacher for the deaf in Grace Baptist Church, gave her testimony with Mr. Fugate interpreting.

Mr. Cooper mentioned these pressing needs:

(1) More interest from pastors of churches.

(2) More interest from churches as a whole.

(3) More interest on the part of deaf people who are Christians.

(4) Volunteer workers who are willing to learn to interpret.

Mr. Cooper mentioned that there are 15,000 deaf in Ohio with 99 per cent of them unsaved.

48. Miss Irma Gallagher recognized for another Bookstore announcement.

49. The Woman's Missionary Union Report was given by Mrs. A. L. Kirkwood. She moved adoption of the report. Seconded and approved. Mrs. Kirkwood then introduced the State W.M.U. President, Mrs. C. E. Price and also Mr. Price. Mrs. Price presented Miss Alma Hunt, Executive-Secretary of Woman's Missionary Union, SBC, and introduced Mrs. W. O. Hunt, Roanoke, Virginia, the mother of Miss Alma Hunt. Miss Hunt brought a message on the task of Woman's Missionary Union. She spoke of W.M.U. and Brotherhood involvement in the total church program—teaching missions and leading people to participate in missions, that of giving, praying and doing. She stated that we cannot carry out our mission activities by proxy; we must not be "playing tiddledywinks" while a lost world goes by but must help the church to carry out the Great Commission.

REPORT OF WOMAN'S MISSIONARY UNION

October 1, 1965 - September 30, 1966

by Mrs. A. L. Kirkwood

The year 1965-66 has brought many blessings and growth in the work, but in three or four instances it has brought disappointment, discouragement and even defeat to these organizations. This is always true when people lose sight of the true purpose of our organization or any other of which they are a part.

Two of the main purposes of Woman's Missionary Union are to teach missions and involve people in mission actions. TO TEACH MISSIONS: to give information that will help our members to know about

peoples and their needs and to help them develop an appreciation for all peoples and a deep conviction that those without Christ are lost. TO INVOVE THEM IN MISSION ACTIONS: to give inspiration to lead them to Pray, to Serve where they are, to Give of their money and youth to send the Gospel around the World.

SOME ACCOMPLISHMENTS:

As this report is being prepared I am completing five years of service and have tried to evaluate what has been done. I also realize that there are many things that needed to be done that for lack of time we could not do.

The first Girls' Auxiliary House Party was held in May of 1962 with an attendance of 151. In May, 1966, we had 864 in attendance at the one in Columbus. We now have one in New York (started in 1964), this year's attendance was 68; one in Pennsylvania (started in 1965), attendance this year was 69, and one in West Virginia (started in 1965), attendance this year was 90. Total attendance in the four was 1,091.

Young Woman's Auxiliary House Party attendance five years ago was 96. Attendance this year was 231.

The Y. W. A. Retreat attendance has grown from 39 to 75.

Three weeks of G. A. Camps - attendance 334. The attendance was off this year due to the long 4th of July weekend between two of the camps.

Number saved in camps and house parties - 24.

Number Mission Volunteers in camps and house parties - 14.

Number of public decisions for full-time service or rededication-89.

W. M. U. Prayer Retreat and Leadership Conference attendance - 140. Rededications - 35.

The meetings held in each association for Pastors and their wives, Associational Missionaries and their wives, to present the program of W.M.U. were well attended. Total attendance - 403.

Taking a team of women to sixteen associations for Leadership Training for church W. M. U. Officers - registered attendance - 1410.

A Youth Director and a full time secretary who does some field work have been added during my tenure of service.

The increase in our Special Mission offerings:

Lottie Moon Christmas Offering - Goal 1961 - $22,800.00. Goal 1966 - $96,800.00

Receipts for 1965 - $86,321.66

Annie Armstrong Offering for Home Missions has increased but not as rapidly as the Foreign Mission Offering.

Goal 1966 $25,000.00

Receipts as of 9-30-66 - $26,821.44

The Special Offering for State Missions has become a designated offering and receipts for the 1965 offering were $11,714.18. The goal for 1966 is $25,000.00. The money is just coming in to the office for this.

SOME NEW THINGS AND PLANS FOR 1966-67:

Two State Girls' Auxiliary House Parties in Columbus, plus the ones in New York, Pennsylvania, and West Virginia.

A new book, "The Woman's Missionary Union Program of a Baptist Church", should be studied by every church.

Woman's Missionary Union will help to involve all of our people in a Prayer Lift for the Greater Dayton New Life Crusade, April through July, 1967.

Our Annual Meeting, March 30-31, 1967, Maize Road Baptist Church, Columbus, with Rev. and Mrs. Robert Norman, Belmont Heights Baptist Church, Nashville, Tennessee, Miss Billie Pate, Birmingham, Alabama, and Mrs. Michael Wilson, Missionary to Taiwan, as speakers.

Leadership Conferences for Associational Y. W. A., G. A. and Sunbeam Directors.

A Literacy and Sign Language Workshop to train workers from each association who in turn will train workers in the local church who are interested in these ministries

Associational Leadership Conferences in all twenty-two associations

to train church W. M. U. Leadership in October, 1967.

A new terminology: On the local church level **only** the W. M. U. Executive Board is now the W. M. U. Council.

*STATISTICAL REPORT

Number of Churches reporting W. M. U. Organizations - 273
Enrolment - 11,580

Our office records show a total of 350 W. M. S. Organizations and a total of 743 Youth Organizations.

*As is always true these reports are never complete since some churches do not send their reports to the association.

50. Gordon Neal led in singing, "Higher Ground," prior to the evening offering. Dr. Howard Rich led in the offertory prayer.

51. Joe Waltz presented the Home Mission Board Report due to the absence of James Robb. Brother Waltz moved adoption of the report. He called attention to the printed report and reminded us that this Convention is actually the Home Mission Board at work. He referred to the large amounts of money being given to our work by Southern Baptists through the Home Mission Board and expressed concern that a real challenge is not presented to our people to give to the Annie Armstrong offering each year. Motion seconded and carried.

Brother Waltz introduced the Rev. Roy Lewis, representative from the Department of Church Loans of the Home Mission Board and who is to become Associate Director of that Division on January 1.

Brother Lewis told that the Home Mission Board is working on a plan that will make $150 million available to loan for church construction. He reported on the condition of Dr. Herbert Caudill and David Fite, still prisoners in Cuba, and assured that everything possible is being done to secure their release—everything that Dr. Caudill would want to be done. He spoke on "The Compassion of Jesus," using Matthew 9 as his text.

(1) Only Christian love can win to Christ.

(2) Loans and efforts for release will not win to Christ apart from Christian love and concern.

(3) Task of Home Mission Board is to help to preach Jesus to others.

(4) This compassion shall be to all types of people.

(5) Multitudes are waiting for that compassion.

HOME MISSION BOARD REPORT

It is obvious from the study of our budget that the Home Mission Board still plays a prominent role in the life of our State in a vital way. In addition to this the Home Mission Board has made an outstanding contribution to our work through the granting of church loans. Between 1952 and December 1, 1965, 301 loans have been granted by the Home Mission Board through our State Convention office for a total of $5,053,842.

The Home Mission Board is grouping its resources for "a creative approach to meet the near revolutionary changes which dominate life in the United States," according to Executive Secretary Arthur B. Rutledge.

SOCIAL CHANGES AFFECTING MISSIONS include the urbanization and industrialization of the nation, the population growth, the search for civil justice, and a revolution in morals. Rutledge says the Home Mission Board is seeking to discover the individual's, the church's, and the denomination's mission in a changing society.

HIGHLIGHTS IN MEETING CHANGE included the participation by the Home Mission Board in the SBC's program study, improvement in organization, additions to and utilization of staff personnel, record support of missions by all Southern Baptists through participation and finances, and initiation of new ministries.

CHANGES WITH THE AGENCY included the addition of a Division of Administrative Services, a Department of Work Related to Non-Evangelicals, a Department of Christian Social Ministries, a De-

partment of Special Mission Ministries, Art Services, Mission Property Services, and emphasis on metropolitan and academic evangelism, an associate director in the Division of Missions, and the Division of Education and Promotion was re-named Division of Communication.

IN SUPPORTING MISSIONS in the United States, Cuba, Puerto Rico, and Panama, Southern Baptists channeled more than $7,900,000 through the Home Mission Board. The Cooperative Program provided $4,365,353, including the largest Advance Section in history, $911,753; and the Annie Armstrong Offering promoted by Woman's Missionary Union provided a record $3,573,146.

DISASTER RELIEF became a permanent ministry of the agency in the Department of Christian Social Ministries, and $50,000 was allocated from the Advance Section for aid to hurricane-stricken areas in Louisiana.

THE MISSIONARY FORCE of over 2,000 is mostly employed under the cooperative agreements with state Baptist conventions. The lower figure of the number of missionaries is due to a restudy of missionary categories. In addition, 656 students were employed for ten weeks for the summer of 1966, and the first group of US-2ers (college graduates for two-year terms) and the first of the Christian Service Corps (mature lay persons for short terms of voluntary service) were appointed.

THE TWELVE PROGRAMS through which the Home Mission Board seeks to bring our land to know Christ are the following:

Evangelism Development
Chaplaincy Ministries
Church Loans
Establishing New Church
and Church-Type Missions
Rural-Urban Missions
Metropolitan Missions
Language Missions
Work with National Baptists
Christian Social Ministries
Associational Administration Service
Work Related to Non-Evangelicals
Pioneer Missions

STUDIES IN DEPTH continue with ministries to metropolitan areas, in resorts, on the rural-urban fringe, and other points of change. One in-depth study on how churches might minister to ex-prisoners continues under the direction of a seminary professor. Another study, of transitional areas in metropolitan units, was completed and is being implemented into programs of the agency.

ACTIVE DUTY CHAPLAINS increased during the year, matching "the increased manpower and readiness" in Viet Nam. Some fifty Southern Baptist chaplains were ordered to duty during the past year, and now 528 serve with the Army, Navy, and Air Force, and the figure is expected to reach 600 before the end of 1966.

781 CHAPLAINS, in addition to those in active duty with the military, are commissioned in the reserve, student program, or National Guards with the military services.

ANOTHER 233 CHAPLAINS serve full time with the veterans administration, hospitals, and other institutions and industry, plus forty-one part-time chaplains in these categories.

The Home Mission Board is providing ways the individual, the church, and the denomination can meet the needs of people. Your increased support and your sharing Christ, a larger missionary force and staff, the forming of twelve programs with organizational changes to implement them are designed to place God's Word in the hands of people so they will accept it in their hearts.

There is need for 186 home missionaries. Needs in our land are greater today than ever before. There are more people, places and spiritual problems. Evangelism, the starting of new churches and church-type missions, and other traditional work in home missions will receive priority. Special attention will be given to metropolitan areas,

the downtown church, and the growing number of unchurched.

Without prayer support your Home Mission Board cannot get along. Prayer is one way every one can participate in giving God's Word to the people in our land and other lands.

REPORT OF TRAINING UNION AND BAPTIST STUDENT UNION DEPARTMENT

By W. C. Dudley

TRAINING UNION

Training Union has the NEW LOOK. This past June saw the presentation of five new Training Union Study Manuals. These have been called the New Concept books. They have replaced all of the previous manuals from the junior age through the general administration.

They are: A Church Training Juniors (Sharp)
A Church Training Intermediates (Taylor)

A Church Training Young People (Carter)
A Church Training Adults (Cook)
The Training Program of A Church (Harris)

The new books are written to present the concepts of Training Union as it relates to the whole church educational program. They present the three areas or division of training that are specifically in the assigned task of Training Union. They are New Member Orientation, Church Member Training and Church Leader Training.

The incomplete information we have in our office from the files and associational summary reports indicate that there are 329 Training Unions with 23,000 enrolled. This is not a large gain but does indicate steady growth while the Southern Baptist Convention enrollment seems to continue to hold its own or show slight decline. There is room for optimism when we see the areas of training that Training Union is assuming.

Study Course Awards requested in the total twenty categories were 6,375. Of this number, 382 were in Category 18 which is Training Union Methods. There were 4.447 awards earned in General Studies of Category One through Fifteen. The rest were in Church Administration, Sunday School Methods, Music Methods, and Woman's Missionary Union.

ASSEMBLIES

The department personnel helped to plan and participated in the Training Union and Sunday School Youth Week, and Leadership Assembly at Seneca Lake.

There were 170 young people in attendance at Youth Week. The Leadership Assembly showed a marked improvement in attendance over the previous year and we anticipate this growing each year as we continue to plan and promote this special leadership training each summer.

The Ridgecrest attendance was the best we have ever had. There were 46 registered the first week and 18 attended the second week, making a total of 64. Vicki Headrick, North Dayton Baptist Church, Greater Dayton Association, represented us in the Intermediate Sword Drill and Sandi Steward, First Baptist Church, West Jefferson, Capital City Association, was the Young People's participant. Vicki was given the highest award possible in the Sword Drill and Sandi did an excellent job in presenting her testimony.

STATE CONVENTION

The State Training Union Convention was held on April 8 and 9 at the Crestview Baptist Church, Dayton, Ohio. The registration was 340. The Junior Memory Work Drill State Winners were:

The State Convention will meet on April 14 and 15, 1967, in Cincinnati, Ohio.

YOUTH WEEK AND YOUTH NIGHT

The reports that came to our office on these two events indicate that those churches and associations which observed and reported them found them to be helpful and rewarding to the young people and intermediates.

However, we feel that the reports received are not an accurate figure for those actually held.

"M" NIGHT

"M" Night attendance was good. All twenty-two associations reported a total attendance of 3,947. 215 pastors, 151 directors with 226 churches and 35 missions were represented.

BAPTIST STUDENT UNION

This past year was a good year in the growth and development of the Student Ministry in our state. We feel that the work on our seven campuses has been strengthened. They are:

Ohio State University (Columbus)
Ohio University (Athens)
Marshall University (Huntington, W. Va.)
Miami University (Oxford)
City-Wide Program and Wright State University (Dayton)
University of Cincinnati (Cincinnati)
Pennsylvania State (State College, Pa.)

Rev. Troy Stair, a Home Missions US2 appointee is serving the Ohio University area as director for this school year. He is doing an excellent job of enlisting and involving the students in the First Baptist Church and in vespers and Bible study on the campus.

The 1966 Spring Retreat was held at Seneca Lake Baptist Assembly, April 29 to May 1. There were 85 registered for the week. The officers elected were:

President: Bill Palmiter, University of Cincinnati
Vice President: Jerry Palmer, Ohio State University
Secretary: Beverly Guess, Ohio University
Music Chairman: David Wong, University of Cincinnati
Social Chairman: Frances Combs, Dayton, Ohio

The Fall Convention was held October 22 - 24, 1965, at the Reynoldsburg Baptist Church, Reynoldsburg, Ohio. Mr. David Alexander, Secretary of Student Department, Baptist Sunday School Board, spoke to the group twice during the weekend. The total registration exceeded all previous conventions; 100 was the final registration.

The students were represented by two summer missionaries. Bonnie Cook, from Miami University worked in Omaha, Nebraska, in a Goodwill Center and Ron Briggs from Ohio University served in Hawaii. Both Bonnie and Ron are now attending Ohio State University this year.

There have been reports from all our campuses for the first time that one or more students have made professions of faith and joined one of our churches. Many have transfered letters and made rededications. Students are being used in teams of 3 to 6 for testimonies, special music and preaching in many of our churches on the weekends.

Student week at Ridgecrest was well attended in spite of the fact that over two big schools were in the final exam schedule and prevented many from going. The total registration was 21.

The International Student Retreat was held in Muncie, Indiana, during Thanksgiving weekend. There were 14 who attended from Ohio. Plans are completed for the first retreat in Ohio this Thanksgiving. The opportunity to witness to Internationals has greatly increased in this past year. Through the family sponsor plan in the Columbus area ap-

proximately 30 families have been assigned students. In the Cincinnati area a number of students have been in the homes of Baptist families. Much interest in and some response by the International has been shown in the Ohio University area in Athens, Ohio.

DEPARTMENT PERSONNEL

The department is served by W. C. Dudley as State Director and Mrs. Margaret G. Corder as office secretary. In addition to office secretary she is also office secretary for the Department of Sunday School and Church Buildings. Mrs. Corder came to the department from the Reynoldsburg Baptist Church, Reynoldsburg, Ohio, where she was serving as Church Secretary. We are grateful for her dedication and efficiency.

Rev. Ernie Beevers lives in Cincinnati. He is serving in the capacity of area Baptist Student Union Director for three groups: Cincinnati, Miami, and Dayton.

Rev. Joe Pool serves the Capital City area. His major emphasis is with Ohio State students but he is working with other campuses in the area.

I. Financial Report — This report is for nine months, the entire report being printed in the Ohio Baptist Messenger in January. He expressed appreciation for the good sound financial condition of our Convention. He compared mission gifts for the past years with this year.

II. Personal — He related experiences of the tour he and Mrs. Roberts enjoyed this year and expressed thanks for this privilege. He presented to the President, Orville Griffin, a gavel made of olive wood by one of the foreign missionaries.

III. Executive Board Report — This portion of the report was made by the Recording Secretary, Joe Hunt. He moved adoption of the report. Seconded and carried.

REPORT OF EXECUTIVE SECRETARY AND TREASURER

Ray E. Roberts

The report for which your Executive Secretary is responsible at this time is divided into three parts:

I.

As treasurer of the Convention I would like to refer to the financial report for January - September on the following pages in this book—this report shows for these nine months:

Cooperative Program receipts	$367,461.48
Add for October	39,723.34
Total for ten months	$407,184.82

I am expecting a record month in November which will be near $50,000 with another good month in December, pushing us over the top in our projected goal of $483,000 for 1966.

Cooperative Program receipts for the first ten months of previous years are as follows:

1965	$360,199.72
1964	299,982.80
1963	261,944.77
1962	237,631.40

We need only to go back in 1961 when there was $191,612.42 for the same ten months to see that our churches have more than doubled their giving through the Cooperative program in five years. Counting Lottie Moon and Annie Armstrong, we sent to the world beyond our four-state area during the first nine months $226,288.13.

The Capital indebtedness of our Convention is $238,560.03. There is $138,559.60 in our New Work loan fund.

II.

Concerning my personal activity, I wish to express thanks on behalf of myself and my wife for the trip to foreign mission fields, including the Holy Land. This was a delightful trip from which we experienced much pleasure and relaxation, but most of all it was a great blessing spiritually. We believe the experience has better equipped us to serve our Lord in the years to come. We will always be indebted to Southern Baptists of the Ohio Convention for making this trip possible.

Serving the Southern Baptist Convention as one of a committee of six on the Crusade of the Americas involved a trip to Cali, Colombia, which was another unusual blessing.

Of course the opportunity to preach the Convention sermon in Detroit was an experience of a life time and the prayers and expressions of confidence on the part of so many of you will never be forgotten.

III.

This part is a summary of the actions taken by the Executive Board during the year. It has been prepared and will be presented by Brother Joe Hunt our Recording Secretary who also serves as clerk of the Executive Board.

    (1) Churches not to obligate themselves to capital indebtedness to exceed three times their annual income, and in some cases not to exceed 40 per cent.
    (2) Be a regular cooperative church that is contributing to our mission work.
    (3) Preliminary plans for building be approved by State Building Consultant.

61. Felton Carter. Chairman of the Budget Committee, presented the proposed budget for 1967. He mentioned various increases in the budget and that the cost of Ernst and Ernst would need to be increased from $900 to $1,000. He proposed a $2,000 increase in the Benevolence Fund for six months dues in the new protection plan of the Annuity Board.

Brother Carter moved adoption of the report. Seconded by Dallas Eubanks. Brother Roberts asked that Brother Carter explain about the $6,000 fund for State Convention. It

was explained that this money would be given to the proposed State Conventions in New York, Pennsylvania and West Virginia at the time of their organization. The committee felt this amount being put into this fund would be more than would be accumulated if the churches designated funds from the Cooperative Program gifts.

A question was asked concerning the salary for the new Ohio Baptist Messenger editor. The Chairman said this would not increase the amount of the total budget.

Dr. Silverio inquired about the taxable housing for WMU Director, and it was explained this was a taxation ruling which allowed as non-taxable only that of ordained ministers. The proposed budget was accepted.

Brother James McGregor made a motion to hold over the balance of the $5,000 in each of two items in this year's budget for Seneca Lake Assembly—that listed under Maintenance and Equipment and Long Range Development—rather than putting it into the Reserve Fund at the end of the year. Seconded and carried.

62. The Scholarship Committee Report made by David Williams. Mr. Williams moved the adoption of the report. Seconded and carried.

PROGRESS REPORT OF THE SCHOLARSHIP COMMITTEE

Two meetings were held, one in March and the other in October. Those serving on the committee are Hoge Hockensmith, Art Patterson, Felton Carter and David Williams. Brother Darty Stowe met with the committee in March and Dr. Ray Roberts in October.

The committee after prayerful consideration makes the following recommendations:

(1) That a program authorizing the granting of scholarships for Christian higher education be inaugurated with the 1968 budget.

(2) That the scholarship committee be allowed to function for one more year to develop detailed guidelines for this program. Furthermore, that the committee be authorized the study of related fields including the possibility of a chair of Bible, new Baptist College for Ohio Baptists, the priorities involved with B.S.U. work in relationship with a state sponsored scholarship program, etc.

63. The Moderator recognized Professor R. E. Glaze, Jr., of New Orleans Seminary and he brought greetings from that school. He mentioned an increase in enrollment this year.

64. Brother Ralph Duncan spoke in behalf of Clear Creek Baptist School. He said this school is a monument to three principles:

(1) The call of God to man to preach the Word without respect of age, education and background.

(2) A spirit of cooperation.

(3) That Baptists believe in education.

65. Dr. Claude Rhea sang his closing message, "So Send I You." Brother Orville Griffin expressed appreciation to Dr. Rhea for his contribution to our meeting.

66. Dr. Robert Naylor brought a message on Theological Education. He noted the rotation system used in Seminary speakers for the State Conventions. He stated that he was speaking for all Seminaries, not for Southwestern alone. More than 20 per cent of all students enrolled in Seminaries are in Southern Baptist Seminaries. The text of Dr. Naylor's message was Ephesians 6:10-24. He spoke of seminary education in action fulfilling its mission around the world. Main points of his message:

(1) We are at war — this Christian enterprise is a warfare.

(2) This warfare demands a leadership called of God.

(3) As God calls men we must train them for the strife. We need an urgency for this task. Support of theological education has decreased from 31 per cent to 19 per cent even though the amount has increased. If this reflects a decline in interest of training, we need to awake to our responsibility.

67. Clyde Bowen dismissed the session with prayer.

AFTERNOON SESSION
THURSDAY, NOVEMBER 10

68. The session was called to order at 1:45 P.M. Gilbert Wilder, newly elected Associate in the Sunday School Department, led the music for the afternoon session. "O Worship the King," was sung by the congregation.

69. David Haney read Romans 12:1-5. Vernon Cole led in prayer.

70. "Spotlighting Family Services Ministry" was led by Nelson E. Russell, Director of Baptist Family Services in Cincinnati and Hamilton Counties. He related instances where he had been able to assist many juvenile delinquents and their families and relate them to Christian families. He appealed to pastors to become involved, and lead their people to do so, in encouraging those who have been aided by these services.

71. The Annuity and Brotherhood Report was given by Brother Darty Stowe. He moved adoption of the report with the acceptance of the recommendations included in the report. Seconded and carried. Mr. Stowe introduced Dr. Baynard Fox from the Annuity Board. Mr. Fox brought greetings from the Annuity Board and explained the different benefits, proper means of presenting claims, etc. He explained the New Protection Plan and the added benefits.

In the message which followed, Brother Stowe spoke (John 14:1-6) on "Troubled Hearts." He said he considered his responsibility in Annuity work as a ministry to troubled minds, and he feels he can minister not only practically but spiritually to the people of our Convention.

ANNUAL BROTHERHOOD AND ANNUITY REPORT

State Convention of Baptists in Ohio
November 8-10, 1966
Darty F. Stowe - State Director

This year I have attempted to assist the churches and associations in three phases of work: Baptist Men, Royal Ambassadors, and Annuity. In addition to this I was requested to serve as Acting Executive Secretary-Treasurer for the State Convention while Dr. Ray Roberts was on three months leave of absence. This involved numerous details of correspondence, promotion, conferences, committee meetings, disbursing of funds, processing loans, staff meetings and numerous decisions in connection with renovation of Convention building, and preparation and promotion of Seneca Lake Baptist Assembly. I also prepared long range projection needs for work in New York and Pennsylvania, and represented Executive Secretary at two special meetings at the Home Mission Board in Atlanta on "Northeast United States Emphasis."

There have been many encouraging developments, and I am grateful for the fine response and cooperation I have received throughout the Convention area.

Mrs. Sue Holland has served the department as office secretary. Members of the Brotherhood and Annuity Committee of the State Convention Executive Board 1965-66: Chairman, Timothy Paul Akers, Portsmouth; E. O. Edwards, Cincinnati; Ralph Duncan, Bellevue; and Russell Barker, Huntington, W. Va.

II. BROTHERHOOD REPORT

The objective of the State Brotherhood Department is to assist the churches in developing a program of Missionary Education and Missions Activity for Baptist Men and Baptist Boys.

In the past year there have been changes in both the organization and materials suggested by the Brotherhood Commission. We have attempted to communicate these changes to the churches in the area of our State Convention and there has been a most encouraging response.

1. **Brotherhood Statistics**

In 1965 the Brotherhood Commission provided curriculum materials for approximately 369,000 men enrolled in Baptist Men's organizations in some 15,000 churches. Baptist Men's Day was observed by 15,402 churches. In Royal Ambassador work there were 234,304 boys enrolled in 14,640 churches.

2. **Associational Brotherhood Report.**

In 1965-66 here in the area of our State Convention there was an Associational Brotherhood President elected in each of the 22 associations for the first time.

As of October 31, 1966 reports are incomplete due to new method of tabulating associational church letters, but the following **partial report** is given for review and study:

Associations	Associational President 1966-67	Churches with Bro'hd.	Bro'hd. Enrol.	Churches with R.A.	R.A. Enrol.

At the Annual State Convention last year a Brotherhood enrollment of 2,199 was reported. The incomplete figures above show an enrollment of 3,370. This is an increase of 1,171. It is difficult to draw conclusions when reports are incomplete, but all indications point toward a renewed and growing interest in Baptist Men and Boys work.

III. ANNUITY REPORT

Almost everyday unexpected tragedy or retirement takes a pastor out of his pulpit bringing financial hardship to the man, his family, and also to the church which is not prepared to take care of him or his family. This is a continuing concern of Southern Baptists, and we can be grateful that a plan has been developed to help meet these crises.

1. Statistical Report:

Following is the report for the Southern Baptist Convention during **the first six months of 1966-January-July:**

Annuity Benefits Paid	$2,295,347.48
Relief Benefits	$ 77,293.83
New Members enrolled in Southern Baptist Protection Plan	739
New Members enrolled in the Life Benefit Plan	1,366
New Members enrolled in the Health Benefit Plan	10,619

In 1965 almost four million dollars was paid in age retirement, disability or widow benefits to annuitants through the Annuity Board's protection program. The annuitants' checks vary in amounts, depending on the length of time each was a member and the amount of dues he paid. Since the beginning of the Annuity Board in 1918, almost fifty-one million dollars has been paid out in benefits. Today more than 16,660 churches are providing protection through the Protection Program for their ministers.

In Ohio during the first six months of 1966 - January-July - there were 15 new members enrolled in the Southern Baptist Protection Plan, 12 in the Life Benefit Plan, and 115 in the Health Benefit Plan. According to the Annuity Board's Records by States, our **Ohio Convention now rates third in percent of churches in the Protection Plan,** having come from the seventh to third place within the last year.

2. New "Southern Baptist Protection Program" With Liberalized Benefits:

The steady rise in cost of living has caused a pressing need for broader benefits for retirement, disability and death, so much so, the Annuity Board has created a new program to improve them.

The new program will be called the Southern Baptist Protection Program. It will be offered once all state conventions have approved it. The proposed starting date is July, 1967.

The new Program will offer substantial increases in retirement, disability and death benefits at no extra cost.

Paradoxically, the same factor which created the need for greater benefits (growth of the economy) has made it possible for the improved coverage without increasing the cost.

Two current benefits will be greatly improved. Disability benefits, previously set at a $900 a year maximum, will be as much as the amount a person would have received if he retired at age 65.

Widow benefits will be the full 40 per cent of the amount a person would have received if he had lived to retire at age 65. This maximum begins with the initial year of participation. Previously, widow benefits have been on a step-up formula taking six years to reach the 40 per cent maximum. Also, there will be no increase in widow dues after age 60 as was required in the basic plan.

Three new benefits will be offered for the first time. These benefits will provide income for minor dependent children, plus a college and educational fund, and income for dependent parents.

The new Southern Baptist Protection Program will use only one certificate, although provision may cover benefits in the basic plan and two supplemental plans. Larger retirement benefits will be possible through the supplemental part.

In addition to the substantial increases in benefits, the new Program also will simplify participation. A member will hold only one certificate for all his retirement, widow and disability benefits. Neither will he have to receive a new certificate when he transfers from one state to another as is now required.

Once the state conventions have approved the new Program, the individual church will be encouraged to put a minimum of 10 per cent of the minister's total salary into the Program for protection for both the member and his family and the church. Dues on the initial $4,000 will be placed in the basic part of the Program. Dues on salary above the $4,000 will be placed in one or both supplemental plans as selected by the member. New certificates will be issued to all members currently in the Southern Baptist Protection Plan. New certificates or endorsements will be issued to all members of the Ministers Retirement Plan, Widows Supplemental Annuity Plan and Ministers Security Plan.

3. Annuity Board Recommendation for State Convention Approval.

Recognizing that the welfare of our people who serve our Lord in the ministry and other denominational work is a joint responsibility of the church, the state convention and the Southern Baptist Convention; and further recognizing that the continued increase in the cost of living has created a pressing need for broader benefits at retirement, disability, or death, we join with other state conventions and associations in accepting the program suggested by the Annuity Board of the Southern Baptist Convention.

Briefly stated, the new Program will:

(1) Offer substantial increases in retirement benefits, disability benefits, and death benefits, (also such new benefits are added as income for minor children, college education program, and income for dependent parents) with no change in cost to the state conventions.

(2) Simplify participation by the member since he will hold one certificate regardless of where he serves in the Southern Baptist Convention. This will effect economies of administration which will afford greater credits to the plan reserves.

(3) Result in actuarial strength, both from a larger spread of lives which helps mortality, and uniting the resources of all plans together giving added financial stability.

Therefore, upon the recommendation of the Annuity Board, and after careful consideration of our Committee, we accept the following recommendations:

(1) That all our state plans be merged with like plans of other states and that all plans thusly merged be administered hereafter on a Southern Baptist Convention-wide basis.

(2) That the present member of the Southern Baptist Protection Plan be transferred as of July 1, 1967, or January 1, 1968, to the new Southern Baptist Protection Program.

(3) That the new Program be promoted through the individual churches, urging them to put up 10 per cent of the pastor's salary toward his family protection, it being understood that the convention's pro rata cost will be the same as it is now.
(4) That this Convention (Association) pledge to actively promote this program and that it will seek to maintain and improve as a minimum its present percentage of participation and its present level of average age (not lower than the Southern Baptist Convention level) and that, in the event it fails to do so, this convention recognize and absorb any actuarial liability caused by such failure to do so. (The convention already has this obligation.)
(5) That each church may, at its own election, pay dues on a $4,000 salary basis even though the pastor's salary is less than $4,000.

Information for consideration by the Executive Committee of State Convention

(1) All State Conventions must ratify the first four recommendations before this new program can be put into effect. Number five is also recommended but if it is not approved by any one state, it will not jeopardize this new program for the other states.
(2) New certificate will be issued to present members of the Southern Baptist Protection Plan; endorsements or new certificates will be issued to members of Ministers Retirement Plan, Widows Supplemental Annuity Plan, Ministers Security Plan, and other applicable plans.
(3) While the new plan is designed so that the dues paid will be sufficient to carry the cost of the benefits, it should be emphasized that a failure to maintain the present levels of participation and average age (as indicated in IV above) could result in a deficiency; therefore, each state convention must underwrite its pro-rata share of such deficiency should the averages in the state drop below the present levels. (The convention already has this obligation.)

4. **Information and Applications Forms:**

Information and application forms for any of the plans provided by the Annuity Board may be obtained by writing your State Annuity Director, Darty F. Stowe, 1680 East Broad Street, Columbus, Ohio 43203, or the Annuity Board, 511 North Akard Building, Dallas, Texas 75201.

72. The Moderator introduced Mr. Fred Williams, Promotion Associate, Endowment and Capital Giving, Stewardship Commission, Nashville, Tennessee, who brought greetings from the staff of Stewardship Commission, the Executive Committee, Dr. Porter Routh, and others serving in the Stewardship Commission. He related his work to that of ministering to every physical and spiritual need of the people. He listed three phases of responsibility for the Stewardship Commission:

(1) Cooperative Program Promotion.
(2) Promotion of Forward Program of Church Finance.
(3) Endowment and Capital Giving Promotion.

Being connected with the third responsibility, Mr. Williams urged each pastor to lead the way in making Christian wills.

73. Gilbert Wilder led in singing, "Love Divine."

74. Brother James McGregor gave the Seneca Lake Report. He made motion to approve the printed report. Seconded

and carried. Brother McGregor spoke concerning the Pastors' Conference and all pastors were urged to attend. He mentioned the Pastors' Wives Fellowship which was organized last summer at Seneca Lake.

Dr. Roberts introduced Mr. Harry Doffermeyer and expressed appreciation for the work he has been doing at Seneca Lake since the close of the camping period. He also recognized Mr. Edd VanDyke and gave sincere thanks for his work in planning of meals, purchasing food, and spending one day a week at Seneca Lake.

SENECA LAKE REPORT 1966

There was a total of 1,514 attending Seneca Lake during 1966, as compared to 1,408 in 1965. In addition to this, there were those who were there for Work Week.

Receipts from campers during assembly weeks amounted to $15,367.07. Expenditures during these weeks, exclusive of Administration, Capital Improvements, and Maintenance, were $14,585.27. Other costs for Seneca Lake are enumerated in the Book of Reports.

The highlight of Seneca Lake development was action taken by the Executive Board in the August meeting to employ a resident manager as soon as feasible. This decision was made in light of the need for someone to give better care to the present facilities and to lead in the intensive development of facilities being planned for the immediate future. It is hoped that in view of over-capacity weeks last summer that sleeping accommodations can be expanded and improved, hopefully, before the end of another session. Also, there is an urgent need for enlargement of capacity of dining rooms, private comfort facilities, and housing for those who require more private accommodations. With the coming of a resident manager, winterizing of enough of the facilities to provide year around use is anticipated.

78. Roy Lewis, Home Mission Board, was recognized for an announcement. This was agreed upon by common consent.

79. Thomas Gordon, Pastor, First, Kettering, was introduced to bring the Annual Sermon after the special music. Donald Upp, minister of music and education at the same church, sang, "Thus Spake Jesus."

He told of events leading to his conversion (in Ohio), his call to the ministry (in Ohio), and of God's blessings in the beginning and growth of West Broad Chapel, now organized as Fisher Road Baptist Church.

86. The music report was given by Charles Raley. He moved the adoption of the report. Seconded and carried. Brother Raley stated, "Your Church Music Department is dedicated to the task of presenting Christ through the media of music."

ANNUAL REPORT OF CHURCH MUSIC DEPARTMENT

Charles E. Raley, Director

The church music ministry has a part in all that a church does. Certain tasks have been assigned to help clarify and strengthen its ministry. They have been stated as follows:

1. Provide music and musicians for the congregational services and the organizations of the church
2. Lead persons to participate in hymn singing
3. Teach music and hymnody
4. Train persons to lead, sing, and play music
5. Provide organization and leadership for special projects of the church
6. Provide and interpret information regarding the work of the church and the denomination

With these tasks in mind, the organizational structure of the music ministry in the association will enter into four basic areas of programing:

1. Congregational
2. Graded Choir
3. Instrumental
4. Cooperative Ministries

Many of our associations, because of the lack of leaders in the local churches, cannot at this time do all these areas of programing, but can concentrate this year on improving in one or more areas of work. Programing these areas will make possible a well balanced music ministry for the churches in an association.

To assist in this ministry the state music department will endeavor to assist the churches in the following ways:

1. Provide information
2. Conduct church music projects for groups of churches
3. Provide church music leadership training
4. Provide personal assistance

It is our purpose that we be of as much assistance as possible in helping our churches in establishing, enlarging, expanding and improving their music ministry. Significant indeed have been the many actions necessary to the implementation of this objective.

Some of the major steps we have taken in moving toward this objective are as follows:

1. Completed a survey of the pastors to discover the nature of existing music programs as well as the pressing music needs in the churches
2. Worked with the associational music officers in planning and conducting a music ministry in their association
3. Conducted associational and church music conferences
4. Provided training through church and associational music schools
5. Provide choir clinics for leaders of children's and youth choirs
6. Provided a choral clinic for adults
7. Provided an instrumental clinic for church pianists and organists

88. Joseph Hunt reported a record registration of 760. Fraternal greetings were read from the Kentucky and Oklahoma Baptist Conventions.

89. In the absence of Brother Willard Dobbs, who was ill, and the absence of G. Norman Price, Foreign Mission Board representative whose plane was grounded in Maryland, Dr. Roberts gave the Foreign Mission Board report. He spoke of the first Ohio couple being sent as foreign missionaries, Don and Joyce Heiss, of Cleves, and since that time a total of 24 couples have been appointed by the Foreign Mission Board. This year's appointments are the Ted Cromers, the Buck Smiths, and the Don McMinns.

Dr. Roberts called attention to the printed report. Don Gillis moved its adoption, seconded and approved. He then introduced Don McMinn, recent appointee to Korea.

Brother McMinn gave his personal testimony of the blessing of a Christian home leading to his conversion at an early age of nine. He was active in Sunday School, Training Union, and at Ridgecrest answered the call to full time Christian service. It was also at Ridgecrest that they answered the call to foreign mission service. Both Don and Ginger have been appointed as educational missionaries and Don is to teach in the Seminary in Korea.

Dr. Roberts announced that S. M. Mulkey has been invited to Korea to preach in evangelistic services next June.

Kenneth (Mike) and Kitty Wilson were introduced. The Wilsons are on furlough from Taiwan. Kitty brought greetings from Chinese Christians in Taiwan and from sixty-two other missionaries there. She expressed appreciation for the prayers of the people. Kitty told of her work as home-maker for her husband and five children, school nurse, and G. A. leader for both Chinese and English children.

Mr. Wilson compared his life with a buckeye—a useless nut—useless for twenty-six years before he let the Lord have full control of his life.

FOREIGN MISSION BOARD REPORT

"In today's world the missionary enterprise cannot be fixed, stodgy, living in yesterday. It must be living in today and guiding for tomorrow. We believe in what has been done, but we are frank to confess that for tomorrow's world all that has been must be exceeded on a tremendous scale."

— Baker J. Cauthen,
Executive Secretary

MISSIONARY PERSONNEL

At the close of 1965, the Southern Baptist Foreign Mission Board had a missionary staff of 2,070. This included 51 missionary associates, 6 special project nurses, and 46 missionary journeymen. Appointments during the year totaled 220 (213 new appointees and 7 reappointed). Between January and May, 1966, 48 more were added, including 2 reappointed and a special project nurse.

A new dimension in missionary service was initiated in the summer of 1965 with the Missionary Journeyman Program. These single college graduates under 27 years of age went to 27 countries for two-year terms in special assignments under the supervision of career missionaries.

Even with the additional appointments, less than 25 percent of missionary personnel need was met. Preachers and medical people continue to be most urgently requested. Also, there are calls for those trained in teaching (seminary), business, agriculture, radio and TV, journalism, and student work.

MISSIONARIES AROUND THE WORLD

Southern Baptist missionaries were under appointment to 61 countries or political entities at the close of 1965.* Work with English-speaking people was begun in Austria and Libya during the year, and missionaries were appointed for English-language work in Turkey. A couple, now in language school, expects to go to Ivory Coast in 1966.

EVANGELISM AND CHURCH DEVELOPMENT

The leading of people to new life in Jesus Christ is the ultimate purpose underlying all our missionary endeavors. Years of foreign mission labor have taught us that the cultivation of New Testament churches is the wisest investment of missionary resources. At the year's end there were 4,410 churches (2,529 self-supporting), 7,131 mission points, and 3,816 national pastors related to our Southern Baptist work. These reported 48,080 baptisms, 492,148 church members, and 571,590 enrolled in Sunday School. China, closed to missionaries at present, was last estimated as having 392 churches and 123,000 members.

Nationwide evangelistic crusades were held in Brazil, Thailand, and Malaysia; area campaigns in Spain, northern Mexico, Korea, the Eastern and Northern Regions of Nigeria, and in Paris, France. Notable strides were made in radio-TV outreach around the world. In Latin America and in Korea, missionaries were assigned to give full-time responsibility to such endeavors. In more than twenty nations, regularly scheduled programs were heard by thousands.

SCHOOLS AND STUDENT WORK

The 1,095 schools related to our Missions in 41 countries had an enrollment of 184,810 students with a staff of 5,703 national and 382 missionary teachers. Among the schools are 43 theological institutions with 1,510 students and 6 women's training schools with 527 enrolled. A Bible school for pastors was established at Lilongwe, Malawi; more property was acquired for the Beirut Baptist School in Lebanon; and new seminary presidents were inaugurated in Seoul, Korea, and in Baguio, Philippines.

In student work, progress was made through the opening of centers in Nigeria and in Indonesia, a student lounge in Korea, and a hostel in Taiwan. New student groups were organized in three Latin-American countries, and a missionary journeyman began work with students in the Philippines.

HOSPITALS AND MEDICAL CARE

Medical mission institutions include 20 hospitals and 52 clinics and dispensaries, with a total of 1,379 beds. In 1965 there were 106 national and 63 missionary physicians serving with 288 national and 56 missionary nurses. They treated a total of 504,968 patients, of whom 42,690 were inpatients. Engaged additionally in the medical ministry were 725 nationals and 32 missionaries.

Significant advances in this area included a new clinic in Indonesia, a nurses' building in Gaza, a mobile unit in Kenya, and new quarters for a maternity center in Nigeria. The Kederi Baptist Hospital school of nursing in Indonesia graduated its first class in June, and by the end of the year, the Baptist clinic in Yemen had developed into a 20-bed hospital.

PUBLICATION WORK

Literature in the language of the people has become increasingly important for evangelism, leadership training, and Christian education. Book stores and reading rooms on our mission fields are confronting hundreds with the Christian message.

Our 21 publication centers overseas and at El Paso, Texas, (Spanish) produced over 18 million pieces: tracts, books, periodicals, Bibles, hymn books. Staffing these centers were 58 missionaries and 443 nationals.

In Malawi, the Baptist Press began to produce its own literature; the Baptist Spanish Publishing House introduced a magazine (Respuesta) for general public sale; a director of publications for Thailand was assigned; and a Christian Book Center in Liberia was dedicated.

CONTRIBUTIONS

Total contributions of Southern Baptists for foreign missions amounted to $24,983,924.53 as 1965 closed. Still, needs continue to be far beyond financial resources. Unfilled requests from the Missions for urgently needed land, equipment, and buildings amounted to more than four million dollars.

The 1965 Lottie Moon Christmas offering reached a total of $13,194,357.32 (May 1, 1966).

HOME OFFICE

There are 153 people working at the Foreign Mission Board's home office, 3806 Monument Avenue, Richmond, Virginia 23230.

THE COMMISSION, foreign missions journal of the Board, reported an average circulation of 106,000 in 1965.

90. John Hill led in singing, "How Great Thou Art." Norman Livengood, Pastor, Woodlawn, Lima, led in prayer prior to receiving the offering.

91. Installation of Officers

The Moderator requested the newly elected officers to come to the platform. He introduced each officer and they each pledged his best for this year. Dr. Leonard Stigler led the dedicatory prayer.

The Recording Secretary expressed appreciation for the assistance of Mrs. Arthur Walker in recording the proceedings of the Convention and the preparation of the minutes.

92. Charles Raley provided the special music before the closing message. He sang, "Why Do I Sing About Jesus?", gave his personal testimony, and concluded with, "He Is So Precious To Me."

93. Dr. Robert Naylor used as his text Matthew 13:36-54 and spoke on "The Kingdom of Heaven."

I. The Kingdom of Heaven is Discovery.
   (1) New discovery
   Beauties of earth
   Underwater discoveries
   Wonders of space
   (2) Discovery of grace and God's kingdom.
   Never taken by force but discovered.
   (3) A superior value
   (4) A sovereign will of a loving Lord.
   (5) Discovery in the midst of the usual.
   In hum-drum of life the kingdom of heaven waits for you—God waits for us in His wonder and His greatness.

II. The Kingdom of Heaven is Opportunity.
   (1) Don't let any day be hum-drum; it is God's day.
   (2) Don't let any place be insignificant; it is God's place.
   (3) Don't let any work be burdensome; it is God's work.

III. The Kingdom of Heaven involves Absolute Commitment.

(1) We don't need 20th century Gospel; we just need 20th century commitment. Dr. Naylor thrilled hearts with use of the phrase, "The Kingdom of Heaven is like that." He closed the message by saying there is nothing like preaching God's Grace and having someone discover the Kingdom of Heaven.

94. The Rev. Raymond Franklin, Pastor, Newton Falls, dismissed the session and Convention in prayer.

The final registration total was 784.
