William McKinley Beasley
1901 - 1980

William M. Beasley died on April 25, 1980 at the age of 79. Memorial services were conducted April 29 at North Dayton Baptist Church, where Beasley was pastor for almost 30 years.

A native of Cookeville, Tenn., where he was born March 10, 1901, Beasley was married to Vola C. Hyder on Sept. 26, 1921. They had three children — Joe, William Eugene, and Paul.

Beasley was ordained Sept. 25, 1932 at Macedonia Baptist Church, Brotherton, Tenn. He served the Lord as a minister of the gospel for more than 50 years.

His association with the North Dayton Church started on Jan. 9, 1944. During his three decades as its pastor, the congregation sponsored five new missions. Many young men from the church family were called into the ministry as well.

Beasley was one of the founders and strong promoters of the State Convention of Baptists in Ohio, which was formed in 1954.

The history of North Dayton Church will always be linked with his name. Sometime in the latter part of June 1942, he participated in selecting a site for a new mission in Dayton. In September of that year, the North Side Baptist Mission, forerunner of the present church, was formed with Beasley as pastor.

Funeral tributes cited Beasley as a master builder, great preacher, loving husband, and outstanding father.

CONVENTION PROCEEDINGS

MINUTES OF THE STATE CONVENTION OF BAPTISTS IN OHIO Whitehall Baptist Church Columbus, Ohio October 29-31, 1980

WEDNESDAY EVENING SESSION, OCTOBER 29, 1980

1. The adult choir of Whitehall Baptist Church, directed by Bill Brinkley, sang several selections on the second coming of Christ. The 26th session of the State Convention of Baptists in Ohio was opened by Gilbert Wilder who introduced Bob Post of Tulsa, Oklahoma. Post led the congregational hymn, "All Hail the Power of Jesus' Name." Bill Gallaugher, pastor of Southeast Church, Columbus, led in prayer.

2. President Jack Tichenor introduced the host pastor, Darrel Gabbard, who welcomed the messengers and visitors. In his welcome to Whitehall, Gabbard mentioned that about 40 churches have grown out of Whitehall's leadership.

3. Glen Stern, second vice president and chairman of the program committee, made several changes in the printed program: "Sunesis" from Cumberland College will present the special music Thursday evening instead of A. J. Miller and Carl McHugh; and Miller and McHugh will present special music at 3:15 p.m. Friday. Stern thanked the members of his committee and made a motion to adopt the printed program with these changes. Motion was seconded and passed.

4. Ansel Gambrell, chairman of the credentials committee, stated that all churches were in fellowship and recommended that all messengers be elected. The recommendation was approved.

5. Recording Secretary Dorothy Thorpe made this motion: "I recommend that the elected messengers present from the cooperating churches of our state convention compose the 26th annual session of this convention in accordance with Article III of the constitution and that any additional messengers and churches represented in later sessions be included in the representation of this convention." The motion was seconded and approved.

6. President Tichenor appointed the following committees:

Program: Darrel Gabbard, chairman; Virgil Barnett; David Jacobsen; Art Patterson; Kenneth Mahanes.

Resolutions:
Glen Ray, chairman; George Ellis; Glade May; James Rich; Bobby Walker.

Time, Place, and Preacher Committee: Ed Bolen, chairman; Guy Morton; Richard Edmiston; Harold Whitlock; Paul Payne.

Credentials: Earl Dingus, chairman; Art Wilson, Bill Nichols, Keith Moore; Rance Goad.

Nominating: Joe Crumpler, chairman; Gary Hill; Keith Moore; Dallas Eubanks; Guy Morton; Tollie Cunningham; Duane Lintz; Bill Clouse; Delmos DeFriece; Art Wilson; Earl James; Billy Cooper; George Salisbury; Barry Lovett; Arlie Carter; William Beard; Richard Edmiston; Bill Nichols; Byron Arledge.

Tellers: Esther Lafferty, chairman; Dorothy Thorpe; Pat Ingram; Theo Sommerkamp.

7. President Tichenor recognized special guests: his wife of fifty years, Mrs. Dolly Tichenor; and his daughter. He also recognized Miss Maude Skinner, the first person in the Southern Baptist Mission Service Corps to serve in Nagasaki, Japan. Miss Skinner is a former teacher in the Princeton school system. Miss Skinner views her role as a helper, a learner, and a witness; she asked for the prayers of Ohio Baptists as she returns to Japan for two years.

8. Whitehall Church choir, under direction of Bill Brinkley, sang "Ye Shall Receive Power."

9. Kenneth Mahanes, first vice president, introduced Tal Bonham, executive secretary-treasurer of Baptists in Ohio, who spoke on "Launching into the 80's." He urged a return to some basics — the building of churches around God's Word, the involvement of laymen and women in our programs, and doing all in the name of our Lord Jesus Christ.

10. Arthur Walker, director of missions, gave the state missions report, as printed on pages 91-101 in the Book of Reports; it was approved. During the year, 12 churches constituted, 19 missions were organized, and 21 new fellowships were added, making a total of 458 churches, and 111 church-type missions, for a total of 569 congregations. Steel Valley Association had four new missions and Capital City Association had three. The associational directors of missions and their wives were introduced. Don Davidson, newly elected state associate director of missions, was introduced; he spoke briefly.
11. Bob Post led the congregation in singing "Rescue the Perishing." Helen and Bob Post played a piano-organ duet, "Faith Is The Victory." A medley of hymns was sung by the congregation. Helen Post concluded this music portion by singing, "I Am So Glad."
12. Kenneth Mahanes introduced Jack Tichenor, president of the state convention, as pastor, evangelist; an inspiration, a true friend, and an elder statesman of Ohio. President Tichenor challenged Ohio pastors and laymen to "lift up your eyes to the fields ripe for harvest here in Ohio. Let us go back to our churches and get it on our hearts to lead our churches to become involved in the '104 Miracles' — a church start each week for the next two years."
13. J. Rodney Shamblin, pastor, First Church, Pickerington, closed the session with prayer.
14. Registration was 264 messengers, 2 alternates, and 110 visitors, for a total of 376.
15. An all-night prayer meeting from 9:30 p.m. today until 9:30 a.m. tomorrow was held in the church. Each half-hour was led by a different association.

THURSDAY MORNING SESSION, OCTOBER 30, 1980

16. The congregation, led by Bob Post, sang "Stand Up For Jesus" to open the second session. Glenn Hix, pastor, First Baptist Church, Heath, offered prayer.
17. Kenneth Leach, pastor, South Lebanon, introduced Ron Dunn, Lifestyle Ministries, Irving, Texas, who began a Bible study on Colossians.
18. Tal Bonham presented the executive board report. Dorothy Thorpe, recording secretary, highlighted actions of the Board for the year. The Oct. 29 Board actions were presented and recommended for approval. A second was given and the motion carried.
19. The budget of $3,415,477 was presented by Glen Stern; he called it bold but realistic. He moved that it be adopted; a second was given; the vote carried.
20. David McGee, manager, Baptist Book Store, was introduced; he extended an invitation to visit the store display in the church.
21. The congregation, led by Bob Post, sang "I'm So Glad I'm a Part of the Family of God." Helen Post sang "Calvary Covers It All."
22. President Tichenor introduced Harold Bennett, executive secretary-treasurer, Executive Committee, SBC, Nashville. Bennett said "God gave us the idea of Bold Mission Thrust — the plan to reach the world for Jesus Christ by the year 2000."
23. Tal Bonham recognized Mr. and Mrs. Darty Stowe for 20 years of service in Ohio; Mrs. and Mrs. Frank Miller for 10 years; and Mrs. Esther Lafferty for 10 years. RESOLUTIONS

1 — Appreciation to Host Church

Whereas, the Whitehall Baptist Church, mother of so many churches in Ohio, and the Capital City Baptist Association, who have provided graciously for the local arrangements which have added to the edification of the 26th annual meeting of the State Convention of Baptists in Ohio.

Whereas, the pastor of Whitehall Baptist Church, Bro. Darrel Gabbard, and those people who have manned booths, greeted people, and have performed countless other tasks which have done so much to make our stay in Columbus very pleasant.

Be it resolved that this body of believers and workers formally express our appreciation by resolving that this body go on record as expressing this our most sincere appreciation for the Christian fellowship which has been extended to us here at Whitehall Baptist Church, Columbus, Ohio.

2 — Appreciation to Officers

Whereas, our Convention President, Bro. Jack Tichenor, aided by very capable convention officers and whereas, State Staff, and Guest Program Personnel have blessed us at each session.

Be it resolved that we express our sincerest and deepest appreciation to all of these and our Program Committee for the inspiration and information they have given us and the challenges they have presented.

3 — Appreciation to Tichenor

Be it resolved that the State Convention of Baptists meeting in their 26th annual meeting with Whitehall Baptist Church, October 29, 30, 31, 1980, express appreciation and great admiration to Rev. T. J. Tichenor who has served as our President for more than two years. He is a great Christian soul, expressing God's love in a unique blend of ability and humor. He has been an influence of healing through his gracious spirit. His contributions have been many and his warmth contagious in the fellowship. We offer him our continuous support and concern as he follows the Master.

4 — Christian Citizenship

Whereas, we have witnessed a lack of responsible decision making on the part of some local, state, and national elected officials, and,

Whereas, this lack of responsible decision making has resulted in a less sensitive and less effective government for all people, and,

Whereas, Christians have a responsibility to be informed and involved in what government is doing locally, statewide, and nationally;

Be it therefore resolved that the messengers of the 26th annual meeting of the State Convention of Baptists in Ohio reaffirm the Christian faith as the norm and standard of behavior, and,

Be it further resolved, that we encourage all Baptists to become better informed and more involved in governmental decision making processes on all levels, by exercising their privileges as a responsible Christian citizen by casting their vote in the upcoming general election of local, state, and national candidates for public office on Tuesday, November 4, 1980.

5 — Taxation of Missionaries

Whereas, the Foreign Earned Income Act of 1978, which eliminated the $20,000 exclusion from taxable income for United States citizens residing overseas places a new and significant tax burden on overseas employees of charitable and religious organizations ministering in foreign countries, and,

Whereas, because of that, significant portions of the tithes and offerings of Baptist people given for the vital task of spreading the gospel to the uttermost parts of the world as well as for relief, healing, agriculture, and community development would be diverted to assist missionaries in payment of taxes, and

Whereas, December 15, 1980, is the date of the final extension for payment of $1 million in taxes for 1979, and at least another $1 million in taxes will be payable in each subsequent year, and

Whereas, the Foreign Mission Board already assists its missionaries in the payment of taxes to governments in lands where they serve in excess of $1 million annually, so that the loss of the overseas exemption represents double taxation,

Be it therefore resolved, that the State Convention of Baptists in Ohio, at its 1980 annual meeting in Columbus, Ohio, goes on record as urging Congress to adopt an amendment to the tax laws of the United States that would restore the $20,000 tax exemption to employees of charitable and religious organizations working overseas.

6 — On Liquor Legislation

Whereas, alcohol is the number one abused drug, and

Whereas, alcohol beverages are a destroyer of minds, personalities, bodies, families, property and is an enemy of production, and

Whereas, the alcohol industry is making major efforts in Ohio to legalize sales on Sunday and during the week in towns and precincts that have been traditionally dry, and

Whereas, the Ohio State Legislature in their 112th General Assembly has aided the pro-alcohol push with laws passed in 1977 (to wit bills #123 and 136) which permit Sunday sales and the raising of different local option issues every election, rather than confining them to a single election every four years,

Be it resolved that the 1980 State Convention of Baptists in Ohio goes on record as objecting to the 1977 local option legislation and encourage, request, and admonish our State Legislature to take a responsible stand against those who would make profit on something as damaging and damning as alcoholic beverages and repeal the 1977 local option laws. *(Submitted by Walter A. Clot, St. Clairsville)*

II. OBJECTIVES OF PROGRAM ASSIGNMENT

The primary objective of the state missions director (and under his direction the area directors of missions) is to give leadership in establishing and developing New Testament churches. Included in the "missionizing" and "evangelizing" processes are all of the missionaries related to the State Missions Department.

Various facets of the main objective include: starting new churches and missions; cooperating with associations in developing ministries of outreach to all segments of the population; developing (with area directors and others) programs for new work and church growth; assisting churches and missions in securing pastors; administering the pastoral aid programs of state convention and Home Mission Board.

III. PROGRAM ASSIGNMENT HIGHLIGHTS

1. NEW MISSIONS AND CHURCHES

Reported this past year were **12 new churches constituted** and **20 new missions started** to bring the number of congregations affiliated with the state convention to 458 churches and 111 church-type missions. (Two of the churches were previously unreported; thus a total of 21 new congregations.)

Following is a list of the 20 new missions, indicating for each the sponsoring church, the date of first service and month reported by area director of missions, arranged by association:

2. BOLD MISSION THRUST AND NORTH CENTRAL MISSION THRUST

(1) The challenge of **Bold Mission Thrust** continues to focus the attention of Southern Baptists upon the lost multitudes and the mission needs across our land and beyond. Ohio's participation in Bold Mission Thrust is coordinated in the goals and emphases of the **North Central Mission Thrust** (Ohio, Indiana, Illinois, Michigan, Iowa, Minnesota, and Wisconsin).

(2) **Mission Service Corps** volunteers serving in Ohio were: *Harold* and *Marjorie Lloyd,* from Montgomery, Ala., who completed their assignment in Mt. Gilead and left behind a new mission with a solid beginning; *Jim* and *Nancy Worth,* from Kings Mountain, N.C., who will complete their year in Cleveland in December. They have worked in the inner city preparing the way for the establishing of a Christian Social Ministries program in the Greater Cleveland Association. And *Anna Golden* has continued to work in her own Southern Hills Association under Mission Service Corps.

(3) The 1980 North Central Mission Thrust theme has been "Bold Growing Through Outreach and Discipleship." In many respects, it has been a year of preparation for the 1981-82 all-out thrust in new work. The 1981-82 theme is "Bold Growing Through New Sunday Schools and Missions." Ohio has verbalized its emphasis for these years with a plan for "104 Miracles" — a miracle a week for two years. The plan calls for an "Associational Start Campaign" (ASC) in each association. Training of the Associational Leadership Group (ALG) teams from the associations was conducted on October 25 at Gahanna.

(4) Two Home Mission Board programs have been used effectively in Ohio this past year. Under the "Church Planter Apprenticeship" program, *John Tatum* has started a new black congregation in Youngstown — the New Rising Star Chapel. Another Church Planter Apprenticeship program was approved for West Union, but a person to serve has not yet been found. And

under the "Summer Seminar '80" program, a team of eight seminary students served four places in Steel Valley Association to start four new missions. The students, all from Southern Seminary, were Ernie and Renay Carroll, Rob Ezickson, Sherry Harvell, Josephine Hocutt, Tom Newman, Tom Price and Ronda Straub. In one of these missions, a "US-2 Missionary" in the person of *Stephen M. Spurlock* was appointed to serve (at Brookfield) for two years. He arrived on the field Sept. 10.

3. **STAFF CHANGES**

James R. Swedenburg, former missionary to Taiwan, became director of missions for Greater Cleveland Association on Sept. 1, succeeding **John Tollison,** who retired April 25 after more than eight years in that role.

Nelson E. Russell, director of missions for Cincinnati Association since Sept. 1, 1970, took medical retirement, effective June 28. A new director is being sought. Nelson served 17 years as an employee of the state convention, first as family services director in Cincinnati, and then as State CSM Director before becoming the Cincinnati director of missions.

Thomas D. (Don) Davidson, director of missions for Steel Valley Association since Sept. 1, 1973, became associate director in the missions department on Oct. 26.

Terrell L. Moore, pastoral missionary serving at McConnelsville for almost 12 years, was transferred to New Philadelphia at the end of August. Three congregations resulted from his ministry from McConnelsville (our only two churches in Morgan and Noble counties and a mission in Muskingum County). He will now work out from Tuscarawas County to the surrounding area.

Jerilyn Wallis, from Garland, Texas, who served as a student summer missionary at Akron in the summers of 1979 and 1980, returned in August to begin a two-year assignment as a US-2 Missionary working in weekday ministries of Central Baptist Church, Akron.

Stephen M. Spurlock, from Port Charlotte, Fla., was appointed US-2 Missionary (effective Sept. 1) to serve as pastor of the new Serenity Baptist Chapel, Brookfield.

Charles R. Wilson, from Thomson, Ga., became pastor/director of weekday ministries at Western Avenue Baptist Church, Toledo, effective Sept. 15.

A. A. Rodriguez resigned as pastor of First Spanish Baptist Church, Youngstown, effective Feb. 28, to become pastor of Primera Iglesia Bautista, Toledo.

Miss Tina L. Hammond succeeded Mrs. Joan Collins on March 31, as secretary in the missions department.

4. **STUDENT SUMMER MISSIONS PROGRAM**

Twenty-three student summer missionaries assigned by the Home Mission Board served in Ohio this summer for ten weeks. In addition to these college people, several area directors of missions enlisted local teams of young people from churches to help in Vacation Bible Schools and other mission projects.

A summary of the work done by the Home Mission Board appointees follows:

Vacation Bible Schools conducted	33
Backyard Bible Clubs conducted	43
Places surveyed	40
Existing missions and weak churches assisted	67
Total number of places where work was done	97
Expenses Paid from State Funds	$2,786.92

In addition to the above, a team of 8 Southern Seminary students worked in four places in Steel Valley Association for 10 weeks to begin four new missions. Named above in the Bold Mission Thrust section, these students were jointly sponsored by Southern Seminary, the Home Mission Board, and the state convention, with the students receiving credit from the seminary.

5. **ASSOCIATIONAL PROGRESS REPORT**

Columns 1 and 3 reflect the number of churches and missions as reported by the area missionaries. Additions and subtractions are made when reported by them.

Column 3 includes both new chapels and new fellowships in Column 4, but not the fellowships in Columns 5 and 6.

Columns 5 and 6 list the fellowships that are still in the beginning or probing stage and those not intended to become permanent missions. Some of these may be transferred to Columns 3 and 4 later, as they develop.

*One mission in Northwest Ohio Association is sponsored by a church in Maumee Valley Association, and another is sponsored by a Cincinnati Association church. One in Southern Hills is sponsored by a church in Greater Dayton Association, and one in Southern Hills has a co-sponsor in Cincinnati Association.

6. **TRACT AND FILM DISTRIBUTION**

The Missions Department has distributed more than 131,508 tracts, plus many missions related pieces of literature. Tracts available are in the following categories: evangelism, doctrine, Children's tracts, Christian life, family life, stewardship, home missions, foreign mission, and miscellaneous titles.

Several visuals are available from the state missions office, including slides, filmstrips, and films. "The Ohio Story," a slide presentation, is available from the office or from the offices of area directors of missions. Four HMB films (16 mm) are available: "Bold Sharing"; "Planned Parenthood for Churches"; "Bold Mission Update"; and "An Act of Love." Reserve these

films by calling Tina Hammond in the missions office. Only requirement: Return film immediately after use, and repair any damage that occurs.

7. **DISTRIBUTION OF MISSION FUNDS**

The term "Church Pastoral Aid" (CPA) is applied to all long-range pastoral aid monies paid to missions and young churches to make possible a full-time ministry. CPA funds are provided both by the Home Mission Board and the State Convention (from budget and state missions offering).

(3) **OTHER FUNDS**

We administer funds regularly provided by two out-of-state churches: (1) Eighty-Fifth Street BC, Birmingham, Ala., sends funds once each year to be paid out monthly to three different missions and churches selected by them. (2) Severns Valley BC, Elizabethtown, KY., sends funds regularly to use in mission work in Northwest Ohio and Maumee Valley Associations. The associational missions committees approve and request this money under the guidance of the area director of missions.

From time to time, other funds are channeled through our State Convention to Ohio churches from out-of-state churches.

IV. **ACKNOWLEDGEMENTS**

There are many people whose contributions to the effectiveness of our state missions program is tremendous, in addition to those missionaries who serve under appointment of our convention and the Home Mission Board:

Tal D. Bonham has given strong support to us during the first year as executive secretary. His counsel has been invaluable.

Miss Tina Hammond earlier this year stepped into a very demanding position as office secretary and she has demonstrated great ability.

State Missions Committee

This committee has rendered invaluable assistance to the state director.

Associational Missions Committees

Associational missions committees considered all pastoral aid requests and made recommendations to the state office.

Giving leadership to the associational committees, in addition to the area directors, were the following chairmen:

Buckeye Central — James Cockrell, Mt. Vermon
Capital City — Dan Lambert, Columbus
Cincinnati — Harold Sharp, Cincinnati
Erie — Homer Watson, Doylestown
Greater Cleveland — Bill Halliburton, Eastlake
Greater Dayton — Don Pippin, Dayton
Lakeland — Bill Owens, Milan
Maumee Valley — Stanley Clark, Waterville
Miami Valley — Don McMurry, Carlisle
Muskingum Valley — Earl James, Zanesville
Northern Ohio — Charles Studstill, Avon Lake
Northwest Ohio — A. J. Smith, Bryan
Scioto Valley — Richard Painter, Waverly
Southern Hills — Harold Hall, Goshen
Southwestern — Russell Kilburn, Hamilton
Steel Valley — Charles Gannaway, Warren
Summit — Al Myers, Akron
West Central — Bill Nichols, Lima

We urge you to pray for the man who holds this vital office in your association for he has a heavy responsibility in helping to develop the associational missions program.

V. **A NEW YEAR — A NEW CHALLENGE**

The birth of a new church is a miracle of God. We have seen a lot of miracles wrought by God in the Buckeye State over the past years. Satan continues to raise every possible barrier to slow that growth of new churches. But the Gospel is still the powerful, effective weapon that it has always been.

"104 Ohio Miracles" is our immediate challenge. It is worthy of our greatest effort. I know God stands ready to supply the resources and give the victory. If He finds in us the commitment, the willingness to play the price, the faith to launch out in His name, I know He will fulfil His ageless promise to us!

Salary Arrangements for Joint Support of Missionaries for 1981

For the first twelve area directors listed below, the State Convention provides the following Personal Benefits: (1) Retirement benefits equal to 5% of salary and housing after 5 years employment: (2) a $100,000 accident insurance policy, (3) a Christmas bonus of 1% of the salary; and (4) workman's compensation. Most associations match the retirement benefits provided by the state conventions under (1) above.

Travel expenses are paid by the State Convention from a fund based on $5,800 for each area director. A leased car is provided for each director, plus other business related expenses. Most of the associations provide some extra funds for convention expenses.

The Home Mission Board pays 50% of the premium costs of an Insurance Plan (including Hospitalization, Major Medical and Term Insurance) for each man. The State Convention pays $5 per month of the balance and the associations are asked to provide the balance (about 46% of the total cost).

The major support items are shared as follows:

The HMB does provide half of the insurance package, and the State Convention pays the basic funding on the annuity ($200 per annum), the accident insurance policy premium a Christmas bonus of $50, and $5 per month on the insurance package.

PROGRAM HIGHLIGHTS

Preschool Activity Teaching Workshops: Four workshops, co-sponsored with the Church Training department, were conducted, with a total attendance of 120. Meetings were at Westside Baptist Church, Hamilton, Feb. 18-19; and at Parma Baptist Church, Greater Cleveland Association, Feb. 21-22.

WMU Annual Meeting: Walnut Heights Baptist Church, Capital City Association, hosted the meeting on Friday night and Saturday morning, March 21-22, 1980. Attendance about normal. Dr. Ray Roberts was honored by having the announcement made that the state missions offering was to be named to his honor. Dr. Tal Bonham, executive secretary-treasurer; Dr. Joseph Underwood of the Foreign Mission Board; and Dr. Dorothy Sample, WMU President of Michigan, were outstanding speakers. In a business session, the WMU by-laws of 1971 were voted out of existence. Guidelines related to WMU work and state WMU council were to be prepared for consideration at the March, 1981 WMU annual meeting in Willoughby. This was done because the WMU is a full department of the state convention as are other departments and all departments work under the state convention by-laws.

Baptist Young Women's Retreat: BYW Retreat with 62 in attendance was held April 25-26, 1980 at Northside Baptist Church, Springfield. Program personalities included Helen Fling, WMU, SBC, Birmingham, Ala.; Martha Murphey, missionary to Israel; and Stephen Earl, former pastor, FBC, Perrysburg.

Acteens Alive Houseparty: 291 Acteens attended this statewide meeting at FBC, Heath. Widely known Acteen personality, Marge Caldwell, Houston, Texas; missionary Lois Calhon, of Jordan; and Alice Magill, of the vocational guidance section, Sunday School Board; plus leaders of interest conferences, highlighted.

Associational Officers Clinic: May 2-3 at Seneca Lake. Featured WMU plans for 1980-81. All associational WMU directors with the exception of Erie, Summit, and Northern Ohio present.

Spring WMU Retreat: May 23-24, 1980. Attendance 202. Miss Martha Franks, former missionary to China and Taiwan, was guest missionary.

Fall WMU Retreat: Conducted at Seneca Lake, Aug. 29-30; largest attendance on record — 297. Improved and enlarged housing facilities provided room for the mushrooming growth of these retreats over the past two years. Two professions of faith recorded and other outstanding decisions made during this time of Bible study, missionary study, and testimony time.

WMU Camps: Statistics reveal:

	attended	
Acteen Camp	82	Decisions recorded:
Mother/Daughter Camp	40	38 professions of faith
First GA Camp	262	44 rededications
Second GA Camp	191	9 missions volunteers

Registration of First GA Camp closed one week prior to camp. Overall, attendance was highest in history of WMU camping program. Camps conducted with excellent volunteer women counselors from local churches.

Promotion of Weeks of Prayer and Offerings: Mailouts were made on the Ray Roberts State Missions Offering, and Annie Armstrong Easter Offering, and the Lottie Moon Christmas Offering.

	Goal	Actual
State Missions Offering	$ 75,000	$ 7,121.31 (to date)
Home Missions Offering	$146,000	$137,589.28
Foreign Missions Offering	$273,000	$269,472.07

WMU Leadership Training: A new approach to leader training was instituted this 1980 fall and has yet to be evaluated. Dayton, Capital City, Greater Cleveland, and Southern Hills Associations WMU leaders went outside their respective associations to serve as a training team in nearby associations.

Fifty-two women attended WMU Week at Ridgecrest.

In addition to the state-planned training, associations are encouraged to have two quarterly training meetings a year for leaders, and one or two fellowship meetings.

Statistics: Attendance at statewide WMU sponsored meetings stands at 2,226 with three more meetings before the year 1979-80 ends. Overall total attendance should be about 2,400 attending functions planned by state convention office.

Membership in WMU: Trend in enrolment seems to be up, according to associational reports.

Mission Project: Acteens and Girls in Action gave $310.87 mission offering at camp. WMU mission offering at Fall Retreat, $443.85. These offerings used toward the purchase of infant incubator in Southern Baptist hospital in Kyoto, Japan. When sufficient funds available and incubator purchased, it will bear inscription, "Gift of GAs, Acteens, and Baptist Women of Ohio, USA." Total cost approximately $2,000.

Acteen Camp: Because of trend to small attendance at Acteen Camp the past three years, decision made in the state convention office to use the week as Youth Week.

STUDENT MINISTRIES

Grady Evans, Director

Student ministries has grown significantly since 1970 in all measurable areas. Previous records of achievements are being broken annually. This year's growth has been exceptionally good.

More than 265 professions of faith were recorded by the student ministries department. The number of students involved in our Baptist Student Union (BSU) programs has increased to 822, including 59 preparing for church vocations.

Although our state convention is comparatively young and small, Ohio is strongly represented in national training and mission conferences with representation at Ridgecrest Baptist Student Conference (73 attendance) and the Student Missions Conference, SBTS (86 attendance).

Likewise, registration at the annual State Baptist Student Union Convention (167) and Leadership Training Conference (190) at Seneca Lake Baptist Assembly was exceptionally high.

Students with enthusiasm and commitment gave sacrificially — both monetarily and personally. The student mission gifts totaled $8,368 (Dec. 16 - Sept. 25) to provide the support for 12 student summer missionaries to serve. Ohio State University BSU is the first BSU to give more than $2,500, and University of Cincinnati was the second to give more than $1,200. These students responded to the call of Baptists in the North Central States, and England. These students happily served without any salary although each is given a $75 scholarship.

International students have responded to our ministry; 111 students, directors and host family members attended the International Student Conference in Michigan. Several host families from the past International Student Conferences have continued to communicate with and minister to these foreign students. Some have led their international students to a saving faith in Christ and baptism in our churches.

The Home Mission Board has appointed Miss Lynne Hinkelman, US2-er, to serve as full-time director, Ohio State University BSU, and Miss Pam Martin, US2-er, to serve as full-time BSU director, University of Cincinnati through August, 1981.

Of course, these accomplishments were made possible by your prayer and excellent support; a hardworking full-time staff of three Regional Student Ministries Directors:

HISTORICAL SOCIETY

Theo Sommerkamp, Secretary

Southern Baptists in Ohio made fresh history and commemorated past achievements during the year.

They celebrated 25 years of organized state convention ministry and honored the man who led them through that quarter-century, Ray Roberts.

They made fresh history in electing Tal Bonham as the new executive secretary.

As would be expected, several dozen churches have been observing 20th and 25th anniversaries during 1980. A number of others are celebrating 5th, 10, and 15th anniversaries.

Distribution of the 25th anniversary history book, written by L. H. Moore, former editor and historical secretary, continued through the past year. So far distribution has reached about 1,000 copies.

Nationwide, the SBC Historical Commission is beginning on Vol. 4 of the Encyclopedia of Southern Baptists, an update for the decade of the 1970's. Ohio will contribute a number of monographs to this volume to bring its record to the present.

Churches and associations are encouraged to save programs, clippings, and other memories of particularly their 5th, 10th, 15th, 20th, 25th, and 30th anniversaries. Please also send a copy of the anniversary bulletin or program folder to the historical archives at 1680 E. Broad St. in Columbus.

Because of his relationship to the Ohio Builders for Christ, Ron Martin, Director of Brotherhood for the SCBO, was asked to coordinate a repair and clean up campaign at Seneca Lake during October, 1980. Over 100 person did volunteer work at the grounds and accomplished an unbelievable number of projects; roofing and repairs of dining hall, pouring sidewalks, repairing bathrooms in the cabins, building walk ways to the chapel and cabins, painting the halls of the chapel, repairing and painting the lodge, upgrading outside electrical wiring, installing speakers to the cabin area, trimming and clean up.

2. **ANNUITY BOARD REPORT**

(1) **ANNUITY BOARD REPORT TO THE 1980 BAPTIST STATE CONVENTION**

After two quarters of substantial growth and service, the Southern Baptist Annuity Board apparently is in the midst of a "watershed" year in its ministry as the denominational retirement and insurance programming institution.

While gains were made in many areas, Dr. Darold H. Morgan referred primarily to steps that have been taken by the Annuity Board that "are necessary to develop and implement a program which satisfies the requirements of the Employee Retirement Income Security Act (ERISA) of 1974 and the increasing regulations of the Internal Revenue Service."

Dr. Morgan noted that in-depth planning studies will affect the Board's ministry for years.

As of June 30, total assets held in trust by the Annuity Board rose to $703,510,467.

Premiums and dues through the first two quarters of 1980 amounted to $30,437,746.

By June 30, the Annuity Board paid a record $10,088,703 in benefits to 15,474 annuitants.

(2) **ROUTE 10 PROMOTION**

Realizing that the basic plan and Social Security will not be adequate at retirement, the Annuity Board is encouraging churches to set a goal of 10% of salary and house allowance for retirement. If the goal cannot be achieved immediately, a plan for increasing the amount for retirement each year should be adopted until the 10% goal is reached.

The State Executive Board has adopted a formula for upgrading convention personnel over a five-year period to reach the 10% goal.

(3) **STATISTICS FOR STATE CONVENTION OF BAPTISTS IN OHIO — 1980**

The last report from the Annuity Board showed that as of July 1, there were 414 members being billed in Ohio churches and associations. Over 250 churches have now begun some upgrading of the pastor's retirement. In the first nine months of 1980, there have been 24 new first time applications sent in and 65 new upgradings. Billing breakdown for the churches and associations are as follows:

Plan A (Old Plan)	272
New Program A-90	108
Fixed Fund	246
Balanced Fund	55
Variable Fund	11
TOTAL	692

There are also 44 convention employees being billed separately each month through the state convention. This includes missionaries and retired personnel, along with others. Thirteen convention employees are also tax sheltering some of their salary each month in addition to the convention's contributions. Special attention given to pastors, staff members and churches not participating in the retirement program.

(4) There are 35 annuitants living in Ohio. Annuitants' officers elected in 1979 as follows: J. C. Raikes, president; Ottis Denney, vice-president; and L. H. Moore, secretary.

Following is a list of those who joined annuitant rolls in the past year:

A. Age retirement benefits for Carl J. Wainscott, Cincinnati; John Tollison, Cleveland; Ray Roberts, Columbus; Arlie Carter, Hillsboro; John Osborne, Dayton; and James McCamish, Geneva.
B. Disability benefits for Nelson Russell, Cincinnati.
C. Death benefits for the families of William Beasley, Dayton, and Charles Walden, Union.

(5) A resolution was approved by the State Executive Board approving amendment that brings retirement program into line with the 1978 Age Discrimination Employment Act.

(6) **ANNUITY RECOMMENDATIONS**

A. That churches not participating in the retirement program vote to enroll their pastor at the earliest possible time for the protection of the church, pastor and his family in the event of disability, death, or retirement.
B. That churches already participating in the basic plan of the Southern Baptist Retirement Program consider the possibility of upgrading the pastor's retirement to 10% of salary and house allowance. Some advance should be considered each year.
C. That churches consider use of "medical insurance," "group life insurance," and "long term disability" as a means of providing protection for the pastor through fringe benefits that are tax exempt.

(7) **INFORMATION AND APPLICATION FORMS**

Information and application forms for any of the plans provided by the Annuity Board may be obtained by writing your State Annuity Director, Darty F. Stowe, 1680 E. III. **STATE CONVENTION SCHOLARSHIP FUND**

The State Convention Scholarship Fund is limited, and the amount set as a goal in the state convention budget is pro-rated according to mission gifts received from the churches.

Much correspondence is necessary before files are processed and properly set up for presentation to the State Executive Board. Following approval of the Board, checks are mailed, proper people informed, and publicity given through the *Ohio Baptist Messenger*.

Files are in various stages of completion and additional scholarships will be granted as budget permits. Some of these to be considered by Executive Board on October 29, preceding Annual Convention Meeting.

Scholarships granted to students from October 1, 1979 to September 30, 1980 totaled 42. Three others received a scholarship from the Baptist Foundation, making a total of 45. They received $200 scholarships. Those receiving a scholarship were as follows: (38, including the three Foundation scholarships, have been granted since January 1, 1980. The 38 total $7,600.)

V. **BOND PROGRAMS ENDORSED — OCTOBER 1, 1979 TO SEPTEMBER 30, 1980**

The State Convention of Baptists in Ohio first entered into an agreement with Broadway Plan, Inc. in 1956, and continued until 1963 at which time an agreement was entered into with the Brotherhood Bond of Columbus, Ohio. After 10 years with the Brotherhood Bond Co., the convention voted in 1973 to

again resume a working agreement with Broadway Plan, Inc., which continues up to the present time.

During the years with Broadway Plan, Inc., there have been 50 bond issues processed by the bond company, and endorsed by the State Convention, totaling $2,696,300. Of this amount, $1,340,000 has been endorsed since 1973. There were 48 additional issues handled by Brotherhood Bond Co. from 1963 to 1973 totaling $2,986,000. This means that the state convention has endorsed a total of 98 bond issues, totaling $5,682,300, during the past 24 years. There has never been a default, and in only one instance was it necessary for the state convention to dispose of property involved. No church has failed to sell its bonds and accomplish its building objective.

The bond programs endorsed since the new program with Broadway Plan, Inc. began in July of 1972 total $1,340,000. One percent of issues, totaling $13,400 has been placed in the New Work Loan Fund.

At the preparation of this report, all current applications for bond programs have been processed. Several churches have requested information with regard to Convention Endorsed Bond Program. The Executive Board voted to raise the interest rates from 7%, 7½%, and 8% to 8%, 8½%, and 9%, respectively. Economic conditions are now creating a more favorable bond market.
