Dear Miss Ford:

We acknowledge your letter of December 2nd and the checks you enclosed for your pension dues for December.

Possibly you will note that there is some delay each month in acknowledging your letter, but it is due to the manner in which our book work is tied up slightly at the first of each month until we can close the previous month's records.

I wish that I could plan to come for the inauguration, but I doubt at the moment that I shall be there. It is possible something may develop before that time which will change my plans, but Virginia and I are having quite a bit of expense in the coming months getting situated in the home we brought in Bryan Park. We felt it was about time we began paying on a home of our own rather than buying one for someone else through the process of paying rent.

If you come to Richmond and have occasion to stay some days, we would like to have you come by and visit us.

Sincerely yours,

E. L. DEANE
