Dr. J. M. Frost, Secretary,
Nashville, Tenn.

Dear Brother:-- Did you read the series of articles we have been publishing from Dr. J. L. White on the Holy Spirit? Quite a number of requests have come to me to secure their publication in tract form. This would please Dr. White. Would your Board undertake the matter? It would, I believe, be a good thing for you to do and I would be more than glad to see it comes from your presses. Perhaps we might get it considered as a compliment to the Georgia State Board.

Yours sincerely,
