Dear Brother:-

Your letter received. I will gladly turn the Cody mss. over to your Board with the expectation as promised of a liberal donation of them.

*Mr.* Dearing says he would rather bid from the corrected mss. of Dr. Cody, and with the character of work he will guarantee you as low a price as anybody. Of course I would appreciate his doing the job. I have written to Dr. Cody to send us corrected mss. as soon as he can.

Yours sincerely,
