Dear Director Frost;

The Peek, Eaton, Bass, Rowlin, Thomson party has won their fight against the Harney, Harris, Maner party, & the Recorder is theirs! Mr. Harney has a check for his stock, & so he is entirely out of the corporation. Mrs. Peek, Bass & Joe Eaton are now in the field without any restraint Spear, whatever. I judge Mr. Bass will be emboldened to say rigorous things at that Board meeting next week. I heard indirectly that a group of men had met and agreed to stand by your action and by the action of the Board. They were wise enough not to take me into their plans. Had you better be on hand? What is your progress for Kentucky Baptists?

Yours Sincerely
J. A. Prestridge.
