Dear Walter Frost:

2. I have been looking for you a bit, "Eschorn" being on tap. I go up there this morning.
3. I have had another attack of dot book I told you I was making memorandums on. It is now about complete, & I wd. like to show you a chapter or two or three.
4. Hope that boy is getting well. Hale has broken & they have ordered him to Colorado. I told of your boy

being out there he asked for
his address.

Yours,
