Dear Dr Ray:

You will be glad I am sure to know we have made the trip so far very pleasantly. I had no trouble finding Mr Fielder and family in San Francisco also Dr Jordon at the Ramona. Miss Stern and Miss Lewis we met on the ship.

I received my passport by mail

on Monday also one by wire on Tuesday so the delay worked well for me.

Because I did not know that more than one hundred and fifty pounds could be taken on a railroad ticket when leaving the country I payed my excess on extray trunk. I have been advised to ask the railroad for a refund. I will enclose my ticket and receipt so if you think it worth while you can ask for the refund.

Yours in Service
