Miss Ethel Ramsbottom,
Tsinanm Shantung Provi ce, China.

Dear Miss Ramsbottom:-

I have a letter dated May 1st from Brother J. L. Hicks, Waynesville, Mo., saying that he had sent $10.61 to the State Board of Missouri as a gift from the B. Y. P. U. of his church towards your work, and would like to have a letter from you about the work you are doing. I wish you would write him a letter and address the same, not to Mr. Hicks but to Mr. Z. V. Long, Waynesville, Mo., telling about your work. We are using the $10.61 in our regular account to meet the expenses which we incur in connection with your endeavors, so we are not sending this money on to you as a special gift. It would, however, be well for you to get in touch with these friends and thank them for their thoughtfulness, and give them information concerning your work.

I hope everything goes well. God bless you.

Cordially yours,

R/F
