Breckenridge, Mo.

October 28th 1925.

Dear Dr Love.

I had a report blank to report my travel home on but lost it. For a long time I felt sure I would find it so put off writing for another.

I settled my expenses to Shanghai with Mr Norwood. In Shanghai he gave me my ticket for the boat plus one hundred sixty six dollars and fifty cents. ($166.50)

Board five days in Shanghai	$11.80
Tips on the boat coming over	11.00
Ticket and sleper from Sanfrancisco to Gallatin	6.26
	4.50
Bagage transfer and repair	
Hotel in Sanfrancisco	3.30
Meals on train and transfers and tips	10.80
	$97.66

166.50 − 97.66 = $68.84 in my hands.

Mr. Norwood gave me my August salary. Please let the 68.84 count on my September salary then all that is due me is October.

If this is not right send me a blank and I will fill it out.

I am having a very happy restful time at home. Am doing some speaking but have spent most of my time on the farm. I plan to go to Marysville Mo to the normal the winter and Spring terms, taking some work in Education that will help me when I go back to China.

Sorry I have been so long sending in my report.

Your Asian missionary.
