Dear Dr Ray,

The sailing you wrote me about will suit me. September second is later than I had hoped we would go but I am glad of the opertunity to go with the party. Phase let me know who are sailing then so I can arrange to meet some one and travel with them to the coast.

If you have passport application blanks phase send me one.

Sincerely yours
Ethel Ramsbottom.

I am enclosing a blank application for passport. Also a letter to the State Department. If you have an old passport it maybe that you can have same renewed, anyway you will have to make your application through the Clerk of the nearest District Court. He can tell you whether you will have to renew your old passport or have a new one.
