Dear Bro. Frost:-

Please send your S. S. Teacher to me at "Berkeley California." I want to be a regular subscriber for it forever. I am going to miss our literature now as I am going into Northern Convention fields.

There is a mighty hot fight now going on in New Mexico. Many Churches are remaining unanimously true to the Northern Convention, while the Churches turning to the Southern Baptist Convention are hopelessly split. All Churches are appealing

To the two Conventions to bring about peace — Memorials to the two Conventions are being sent to the two Secretaries of Home Mission Board.

This copy-inclosed articles is being sent out to the world by Bro McDowell Pastor of First Baptist Church, Roswell, and is indorsed by most all our brethren. Wish you would let Bro. Golden read this article. I have not a copy to send him.

God bless you.

Lovingly your brother in Christ

Earle D Sims.
