War cost 400 billion dollars -
In 1918 Cost 224 million d- per day
That sum
Would build a $2500 house + $1000 for furniture
for every family in U.S., Can., Aust., Eng., Wales, Ireland., Scot., France, Ger., Russia & Belgium
Enough left to build a 6 million d- library
and a 10 million d- univ. in every large city of our land.
Enough left to invest at 5% to pay
125,000 nurses + 125,000 teachers } $1000 each for all time to come
Enough left to buy everything in Ger. & France

It Costs $25000 to kill a soldier
We spend $5,200 per minute to keep up our War machine
World is spending 10 million per day in preparations for another war
We spend $70.10 out of every $100 received into treasury
Battleship costs 38 million d- 2¼ upKeep
Obsolete in 19 yrs. At cost 2¼ m- :: per yr

10 million killed in war -
20 :: wounded
10 :: civilians killed
9 :: orphans
5 :: widows
10 million refugees.

2375 missionaries on interest of 38 m.

"A Warless World" (W) Isaiah. a history of war / an international min
2:1-4 -

Ch. 9. Burns up all paraphernalia of war in a great bonfire.
Names coming King - highest title
PRINCE OF PEACE.

Idea of warless world from God -
How have a warless world --
1. Through Science - sharper sword - longer spear
Science made war more horrible -
2. Through Education - people ignorant :: they fight
more universities - more books -
3. Through Commerce - linking continents -
4. Through Industrial organization -
5. Through war - to end war -
6. Through Preparedness -
7 Only through Religion =
arbitration - God the judge - 17 7:1.
