What Christ does for a Soul (Ps. Gossip)

[Picture of amazed, happy, transformed man.]
whole world different - aglow - new joy, new light.

1. Gave me a new spiritual standing -
   serf - slave - now free - (Christ did it)
   blotted out the past - granted a new start -
   Crushed - crouching figure -
   under heel of cruel tyrant -
   loathsome creature - (Christ spoke to me took me to himself
   "I was a slave" - Thank God! It is over!

   Free -
   No ~~sin~~ sin can conquer me -
   No habit I cannot snap -
   No grace too high -
   He can burst all bonds -
   " " keak you out of slavery -

2. a new opulence into my life -
   Poor, despised - Christ gave me a King's life
   full - rich - interesting - happiness -
   "An heir of God"

3. a new character - one who can't live for himself - "others" - so hurt by sorrows -
   Christ's unselfishness -
   - taught me to use life in a new way - How like Christ!
