What a Christian Society may be -

The Inner life of the Church

Hungry for Knowledge -
How ignorant they were!
Eager for more light -
No gospels - no Epistles -
No way to learn but to listen -
Are we hungry to know? -

Happy in fellowship - Koinonia
"Community of feeling"
Driven together as sheep are
when wolves prowl around
Weak - helpless -

Devoted in reverent **worship**
awe - wonder - praise -
thanksgiving - Surrender -
Conscious of divine presence

Growing by leaps + bounds -
unbroken flow - 2:47
Win one -
"Let Redeemed.. say so"

Praying Confidently + fervently - 4:3

Witnessing naturally + without ceasing -
