Volume: 03-52-3630

CORRECTION: There was an error in the June 5 ABP story, "U.S. House passes ban on 'partial-birth' abortion." The story misidentified the date on which the bill was debated and passed. The correct date was June 4. The first sentence of the original story's second paragraph had incorrectly read, "After rancorous debate late in the evening of May 4...."
